

# The Return of the God of War [The Protector] Chapter 3677 - 3678 - 3679

The first lady's brows were almost twisted into a Sichuan character: "Huh?"

"Yufeng Tiansi is too strong, his appearance may not be a good thing for us! Let's wait for us to win all of them, and then attack him!"

Dugu Tuo showed deep fear.

Although this guy is obsessed with refining medicine.

The biggest threat to him!

too strong!

Advertisement

The closest person to Tiansi!

He was afraid that this person would not refine the medicine, and suddenly came out to take over the Suppressing Demon Division.

You must know that there are many people who serve him in the town magic department.

As long as he raises his arms, almost everyone will support!

He is now in charge of the Demon Suppression Division, which is also a last resort.

If Yufeng Tiansi appeared, everyone would run to support him.

This is what he doesn't want to see.

No matter how powerful Yufeng Tiansi was, he would never be allowed to come out.

But how do they know that Yufeng Tiansi people are long gone, and even all the magic medicines with Tianyi Supervision are gone.

The first lady analyzed: "But if we don't notify Yufeng Tiansi, we will not be able to use the magic medicine of the medical supervisor that day. If we fight the Tianshifu, the magic medicine will continue to last for the Zhenmo Division! This is also very The key!"

"No, the magic medicine is no longer needed, and Yufeng Tiansi doesn't need to be notified!"

"Hurry up and send the order, saying that the Tianshi Mansion may be instigating dissension... The news of the Xuanming alien race was sent by them, and the Zhenmo Division is in danger, we must act in advance..."

Dugu Tuo immediately passed the order.

All parties in the town of Demons began to prepare to attack the Tianshi Mansion.

Although everyone feels wrong.

But Dugu Tuo ordered it, and they had to execute it.

After all, for now, Dugu Tuo is the leader of the Town Demon Division.

When Gong Qianqiu knew that Dugu Tuo and Shen Tianjian were going to attack Tianshifu, she immediately laughed.

Her purpose has been achieved.

The messier the better!

It's interesting to have a fight between the parties!

It can also buy her more time.

At this time, Gong Qianqiu had already devoured the divine medicine of Tianyijian and many treasures of Shentianjian.

Next, she will further strengthen!

There are three energy sources she looks at.

The first is the super spiritual veins that Zhen Mosi relies on to survive.

The second is the super spiritual vein on which the eternal kingdom depends on survival.

The third is the incomplete super spiritual veins under the Antarctic glaciers.

The first two super spiritual veins are still too powerful, and there is no full release burst.

Otherwise, Zhen Mosi and Eternal Realm may not be able to control it.

If Gong Qianqiu rushes to devour these two super spiritual veins, she will not be sure.

Likely to cause trouble.

Then she can only focus on the super spiritual veins under the Antarctic glacier.

She inquired a lot.

Although this super spiritual vein broke out.

But the residual aura is still super terrifying!

Just right for her to devour.

But she needs space and time to devour.

If Zhen Mosi and Tianshi Mansion are fighting now, it will be the best time.

Taking advantage of this gap, she devoured this incomplete super spiritual vein.

At that time, she really won't be afraid of Levi Garrison.

Now although she is strong enough, she still feels a little bit closer to Levi Garrison.

If she really swallowed this spiritual vein, she would not be afraid of anyone.

Even Levi Garrison.

This is her last hope.

So be sure to be safe.

First, the Tianshi Mansion and the Town Demon Division must fight.

Second, to reveal the whereabouts of the Xuanming Alien Race is enough to attract Levi Garrison's attention and divert his attention!

Next, Gong Qianqiu immediately arranged a plan.

Immediately notified the Tianshi Mansion of the imminent attack of Zhen Mosi.

The Tianshi Mansion quickly prepared.

It was only now that they understood that they had been provoked by others and had become the enemies of the Demon Suppression Division.

But the explanation is not clear, and people have to call.

Gotta prepare for a fight...

Otherwise, people will be caught off guard.

Not only that, Gong Qianqiu also arranged a multi-faceted conflict between the Town Demon Division and the Tianshi Mansion!

Little friction is constant.

Contradictions continue to escalate!

War is about to break out!

Under the promotion of Gong Qianqiu, this battle has to be fought without fighting...

For the time being, Zhen Mosi didn't care about the Xuanming alien race, and he was determined to fight the Tianshifu.

And Tianshi Mansion is actively preparing to meet!

As for Levi Garrison's side.

Bei Ge has been checking information in the ghost city.

Now there is a major breakthrough – the Xuanming aliens are hidden in a certain faction of the Zhenmo Division.

Still in further inquiry.

This made Levi Garrison pay attention.

After all, he wants revenge.

He must report the hatred of the five Azure Dragon (Qinglong) people!

“Mr. Ye is about to find it, and it will definitely be found within three days!”

The person in the North Pavilion assured.

When Azure Dragon (Qinglong) and the others learned that the whereabouts of the Xuanming alien race were about to be found, they were extremely angry.

It's finally time for revenge!

Even Levilia, Zoey Lopez and the others are looking forward to it!

Everyone wants to avenge the Azure Dragon (Qinglong) Five.

However, Xiao Feng, who has always been the most active in avenging the Azure Dragon (Qinglong) Five, did not respond.

The whole person is like a corpse.

No interest in anything.

Even if he knew that the Xuanming alien race was about to be found, he was extremely indifferent.

This made Zoey Lopez and Levilia noticed.

Should not be ah.

If Xiao Feng knew the information about Xuanming's alien race, he would have been screaming for revenge.

Why is there no response?

Many people saw that Xiao Feng was abnormal.

Even indifferent to this matter.

Not his style!

They all know Xiao Feng.

He is someone who can really stick a knife to his brother.

Instead of falsely shouting revenge for the Azure Dragon (Qinglong) five.

There must be something wrong with this.

Of course, the five Azure Dragon (Qinglong) had noticed it long ago.

Even Phoenix understood what was going on.

Emotional matters made Xiao Feng depressed, and everything he did was disturbed to the greatest extent.

As soon as this happened, everyone else noticed Xiao Feng one after another.

“Mom, Senior Brother Xiao Feng seems to be not quite right these days, as if something happened!”

Levilia said suspiciously.

“Ah? What happened to Xiao Feng?”

Zoey Lopez also began to analyze and doubt.

Fortunately, Levi Garrison was busy checking people, otherwise Xiao Feng could see the problem at a glance.

Gong Qianqiu has not paid attention to Xiao Feng since the last time.

Xiao Feng was still waiting for a reply from Gong Qianqiu – for example, her tone was a bit heavy, and she couldn't hold back her anger at that time, and she was embarrassed.

Xiao Feng has been waiting!

Been fantasizing!

But Gong Qianqiu didn't reply at all.

This is completely different from what Xiao Feng expected...

He felt that the Gong Qianqiu he knew would definitely realize that he was wrong in the future.

The tone is too heavy...

Cursing is so ugly.

It was a huge blow to his self-esteem.

In the end, he will surely come to comfort himself.

However, it did not appear as expected.

So Xiao Feng is waiting.

The longer the result waits, the more the whole person collapses...

That feeling of being abandoned came naturally.

Living in loneliness every day...

The whole person is directly decadent!

He felt more and more that Gong Qianqiu was away from him.

Maybe last time was the last contact.

This feeling is getting stronger and stronger.

Xiao Feng was about to cry.

I can't stand it at all.

If Gong Qianqiu really separated from him, he would not be able to imagine what it would be like.

For him, the sky was falling.

Simply unacceptable!

Therefore, Xiao Feng became more and more collapsed during this period of time.

People are also crazy.

More and more people are noticing him like this.

Even if the news of the Xuanming alien race came today, he did not respond.

revenge?

impossible!

There is only Gong Qianqiu in his world!

Without Gong Qianqiu, how can he live?

Other people's affairs have nothing to do with him.
