Miya Chiaki stands at the center of the super vortex on the Antarctic glacier.

Devour begins!

Gong Qianqiu began to swallow directly under the vortex.

The spiritual energy of the super spiritual veins is constantly being swallowed up by Gong Qianqiu.

Incoming like a vast ocean!

As Gong Qianqiu's strength increased, swallowing became more and more terrifying.

Devouring too fast too fast.

Now even if the Town Demon Division and the Tianshi Mansion reacted, it would be of no use.

Even Levi Garrison's reaction was useless.

By then she had already devoured it.

Come to no avail.

What's more, she has three insurances.

Levi Garrison can't come no matter what!

Come to no avail.

Not to mention not coming.

powerful!

Gong Qianqiu is getting stronger at an extreme speed, getting stronger and stronger, and his breath is soaring into the sky!

The speed and process of her getting stronger is a miracle!

No one else has heard of it!

Terrifying to the extreme!

In a very short time, half of this incomplete super spiritual vein was swallowed up.

Gong Qianqiu's whole person has also reached an unimaginable realm.

She didn't even think about it herself.

will be so strong!

powerful!

keep getting stronger...

Fortunately, Gong Qianqiu deliberately controlled it, otherwise her breath alone would have detonated.

It was a shocking scene!

It was quickly swallowed up to three-quarters.

Still no one found it.

Gong Qianqiu smiled.

She was so smooth.

God has always been with her.

From start to finish!

She is going to make it!

She will be fearless!

Will not obey anyone!

Gong Qianqiu devoured this super spiritual vein, and no one disturbed the whole process.

until she devoured it.

But what she didn't think about was that there was always a pair of eyes in the dark to see from the beginning to the end.

It's just that she didn't know the whole thing.

"boom....."

After a thunderous sound, Gong Qianqiu had almost absorbed this super spiritual vein.

The rest of the aura is impure.

The main essence has been fully absorbed.

"Ha ha ha ha....."

Gong Qianqiu laughed wildly.

I cried at the end.

She's been under too much pressure lately.

He was almost discovered by Levi Garrison several times, and even was killed once.

She was always tense.

Levi Garrison became her nightmare.

As long as Levi Garrison's name was mentioned, she trembled all over.

Even when Levi Garrison's figure often appeared in her mind, she was terrified.

The whole person lives under the shadow of Levi Garrison.

She was about to collapse.

The only idea is to quickly improve his strength to the extreme, to the point where he can challenge Levi Garrison.

Otherwise, this will be her constant heart demon.

lingering.

finally!

The moment has finally come!

She has waited too long for this moment!

From now on, she will no longer be afraid of Levi Garrison!

Don't be afraid of being exposed!

She controls her own destiny!

"Levi Garrison, I announce that from now on, my Gong Qianqiu will no longer be afraid of you! I will kill you! I will become your nightmare!"

Gong Qianqiu felt that she could control the whole world at this moment.

That kind of shocking power that destroys the world and destroys the world, right between her palms!

Now she only has one idea – she wants to fight Levi Garrison!

See if she can crush Levi Garrison!

According to Gong Qianqiu's estimate, now she has surpassed Levi Garrison!

But there shouldn't be much more than that.

Can kill Levi Garrison, but not easy.

But all this is enough.

She just needs to stop being afraid of Levi Garrison.

She held the "Sacred Tribulation" in her hand, and with a light stroke, she directly split the place in half.

"Good sword! It really is the ultimate sword! I couldn't exert my power before! Now I can!"

Gong Qianqiu held the divine robbery in his hand, feeling that he could cut Levi Garrison in half with one sword!

A great devil was born...

"Levi Garrison, I will kill you with this sword! It's definitely not a loss to die under your own sword! Hahaha..."

Gong Qianqiu laughed wildly.

All this is very grateful to Levi Garrison and the people around Levi Garrison.

They are the ones who made them!

"Levi Garrison, I will repay you one by one! Thank you for your kindness! I will send you to a paradise!"

The corners of Gong Qianqiu's mouth rose, revealing a demon-like smile.

"And I have come to this day, Xiao Feng, you have made great contributions! I will not kill you! I will let you see how far I have grown! I will let you live in endless regrets for the rest of your life!"

"Xiao Feng, I thank you so much! Everything about me is inseparable from you!"

"Don't worry, the exciting things are yet to come..."

I really didn't think of it!

Xiao Feng, who almost kicked her away at the beginning, pushed her to this point.

unimaginable.....

Fortunately, she didn't directly reject it like she did with other men.

She was only interested in the monkeys in the outside world.

She didn't think that she was interested in this one, which brought her to the point where she is now.

unimaginable!

Gong Qianqiu kept talking about Xiao Feng.

Xiao Feng, who was far away from the base camp, kept sneezing.

"I'm afraid Qianqiu is thinking of me! I keep sneezing!"

“Definitely! Qianqiu must miss me as much as I miss her! It’s just that it’s an emergency, she can’t express it!”

Xiao Feng smiled sweetly.

The next moment, Gong Qianqiu actually took the initiative to contact him.

This made Xiao Feng almost happy.

Exactly what I thought.

Qianqiu has always loved and missed herself.

It’s just that I’m too afraid of the master.

“What happened to Qianqiu?”

Xiao Feng asked excitedly.

“Nothing! I just want to thank you!”

Gong Qianqiu’s message came.

Xiao Feng was stunned.

what happened?

Thank yourself for no reason?

What’s going on?

“Ah? What happened to Qianqiu?”

Xiao Feng asked suspiciously.

“I’m just thanking you. Without you, I have today! It’s all thanks to you to get to where I am now!”

“Everything about me is so beautiful now, I never thought it would be like this before!”

“I really met the right person! If I didn’t meet you, how could I have now? I’m so excited...”

“Xiao Feng, I really thank you so much! If I didn’t have you, I wouldn’t be able to live, hahaha...With you, I am who I am now! Hahaha...”

...

Gong Qianqiu is frantically expressing his gratitude to Xiao Feng.

Xiao Feng was inexplicable.

There is something wrong with Gong Qianqiu today, and the mood is too high.

Those who didn't know thought that he had given her a great opportunity.

But Xiao Feng understands Gong Qianqiu's meaning – this is probably saying that meeting him means meeting the right person.

It shows that Gong Qianqiu believes in his heart that he is the right person.

It's the one she's looking for!

Her love for herself is deep in the bone.

Gong Qianqiu is not thankful.

This is an expression of love in disguise!

Sure enough, the fierce scolding himself before was entirely because of the master.

Nothing to do with him.

The relationship between the two has not been affected in the slightest!

She always likes herself!

It is estimated that in this difficult time, I will love myself even more.

"Xiao Feng, I thank you so much! Don't worry! I will surprise you one after another in the future! And Master, Levilia and the others! I will give you surprises!"

"Don't worry, surprises will come soon!"

Gong Qianqiu couldn't wait to know Xiao Feng's expression after he was fully exposed.

It must be fun, right?

She is really looking forward to it.

This is her masterpiece!

I believe this day will come soon!

Xiao Feng thought that Gong Qianqiu was about to follow him to meet his master.

Therefore, he was very excited.

“Qianqiu, I will be waiting for your surprise! I will look forward to it!”

Xiao Feng would never imagine what the surprise would be.

At that time, I guess it was too late for him to cry...
