

The Return of the God of War [The Protector] Chapter 3700– 3701 – 3702

A single Levi Garrison, Dugu Tuo would be afraid.

After the last brief contact, he knew how terrifying Levi Garrison's strength was.

This one has to overturn all the forces possible to be able to deal with it!

If you add the town magician.

Then they will surely die!

The five Azure Dragon (Qinglong) people were also brought by Levi Garrison when they saw the masters of the Xuanming alien race.

Advertisement

An unbearable tragic past came to my mind.

Their heads are about to explode.

anger!

Extreme anger!

Advertisement

pain!

Endless pain!

The emergence of all kinds of brains that day will erode them.

Uncomfortable, feeling dull pain.

Their eyes were red, and their eyeballs were about to fly out.

I couldn't help but tremble, and I was sweating!

Chill out!

It's them!

It's them!

Although these people can't see their faces.

But the five Azure Dragon (Qinglong) people recognized the clothes on them!

It's them!!!

The clothes on the people of the Xuanming alien race are engraved in their bones!

Never forget!

anger!

The eyes of the five Azure Dragon (Qinglong) people seemed to be emitting anger!!!

Before they were fearful and afraid of these.

But now, there is only anger and revenge!

They are not afraid anymore!

They just want revenge!

But Levi Garrison understands that they still have psychological shadows.

There is no complete eradication!

The only way to eradicate it completely is to let them take revenge with their own hands!

Kill these murderers with your own hands!

Unplug this nightmare with your own hands!

For him, it is not difficult to destroy the Xuanming alien race.

But he wants his brothers to avenge themselves!

Come out of this nightmare yourself!

Only in this way can we completely kill the demon!

“Is it them?”

Levi Garrison asked the Azure Dragon (Qinglong) five.

“Yes! It’s them!”

The five hearts of Azure Dragon (Qinglong) are dripping blood.

How could it not be them!

“Boom...”

When the five people swept their eyes to the back, they landed on Duguxiao behind!

At this moment, for the five of them, it was like a thunderbolt from the blue!

This is the most terrifying thing for them.

The lingering shadow of a lifetime!

It was this man who plucked the root bone from their body and transplanted the root bone into his body.

It means that he now has their roots!

Burning with anger!

Thunder roars!

At this moment, the five of them were like a bolt from the blue!

The biggest demon is still Duguxiao!

“It’s him! The boss is him!”

“He transplanted our root bone!”

“Boss, I’m going to kill him! I must let him die!”

“Boss, he has always appeared in our dreams!”

...

Although they had never seen Duguxiao’s true face at that time.

But looking at it now, it feels very familiar.

It was determined on the spot that it was him!

Whether it is body shape or breath, or even a face that has never been seen before, it is clear at this moment.

This was already engraved in their minds!

Levi Garrison, Xiao Feng and others also all looked at Duguxiao.

“Okay! Ok! Today, the debt will be paid in blood!”

“Brothers, I promised you that I would avenge you! Today’s opportunity is here! I will make your revenge succeed!”

“No one can stop us from taking revenge today! This is our only thing today! It is also my Levi Garrison’s heaviest promise!”

Levi Garrison shouted loudly.

This is his explanation to his brothers!

Today, when he encounters this enemy, he will kill him no matter what!

Don’t try to stop anyone!

No one can do it!

There is only one dead end for Duguxiao!

Levi Garrison’s powerful breath has already locked Duguxiao.

Anyone can escape.

But Duguxiao is impossible!

Even if the King of Heaven comes, he can’t save him!

Although Duguxiao is extremely powerful, after being locked by Levi Garrison, he seems to be pressing down on the mountains in the ten directions, making him breathless at all.

I can't feel the whole body moving, and the whole person, whether physically or mentally, is slowly being torn apart.

It's also horrible.

The whole person was out of breath and almost collapsed.

Feel the bloodthirsty eyes of this group of people.

He knew he was done!

It is impossible to live today.

It doesn't seem to be of any use even if the King of Heaven is here!

too terrifying!

And he felt that he would not only die, but also suffer endless torture!

Life is better than death.

Whole person may be in pieces!

He couldn't imagine what awaited him.

Do not!

He doesn't want to die!

I don't even want to endure torture!

Duguxiao was about to cry.

The body was shaking violently.

Originally thought that after possessing the Five Elements Spiritual Roots and Spiritual Bones, he would be invincible in all directions.

The results of it?

Before he could show it, he died.

Even more tragic!

He doesn't want to!

panic!

Duguxiao's face was full of panic!

Dugu Xiao immediately looked at Dugu Tuo and others for help.

It's just that Dugu Tuo and everyone are scared too.

Dugu Tuo did not know how serious the current situation was.

Not only Duguxiao, but even everyone will die.

Everyone can't protect themselves.

Unless there is a miracle.

But how is a miracle possible?

Who can stop Levi Garrison...

This battle cannot be fought.

Show off!

Dugu Tuo immediately said: "Master Ye has misunderstood, everything is a misunderstanding!"

"Misunderstand?"

Everyone looked at him in surprise.

The relationship between the Xuanming alien race and him is already solid.

Where is the misunderstanding?

How can it be?

Levi Garrison smiled: "Where did the misunderstanding come from? Shouldn't it be that we recognized the wrong person, isn't it you?"

Dugu Tuo quickly shook his head: "No, no!"

"Master Ye, listen to me, there is indeed a force, we have also been used as guns, and now you are also used as guns..."

Levi Garrison nodded: "Well, I know I was shot. I discovered this force earlier than you, and I'm sure it's in the West Pavilion. But kill you first!"

Dugu Tuo shook his head again and again: "Master Ye is absolutely impossible, what this force wants is for us to fight, they like to sit on the mountain and watch the tiger fight, and they are the ones who profit in the end!"

"We can't be fools! We can't be controlled by them! Master Ye's top priority is to find out these forces as soon as possible! They are our biggest enemies!"

"We'll talk about our grievances and grievances after we've dealt with this matter! It's the same with all the major factions of the Town Demon Division. If we fight against all three parties, we'll all die!"

...

Dugu Tuo's words exploded like thunder in the crowd of the Town Demon Division.

Now everyone is talking.

Although it can kill Dugu Tuo.

But if they were targeted by other forces, they would not agree.

All they want is to survive.

Instead of killing Dugu Tuo, Zhen Mosi was then destroyed.

Everyone in the town hall hesitated.

Reconsider this issue.

Gong Qianqiu in the dark couldn't help but give a thumbs up: "Dugu Tuo really has two boys. At this moment, just a few words will mess up the military heart of the Demon Suppression Division."

Master Bone smiled: "But this can't mess with Levi Garrison and the others!"

Dugu Tuojian stabilized the Zhenmo Division, and quickly looked at Levi Garrison: "Master Ye, our grievances and grievances will be counted later! This battle is definitely going to be fought, but let's find out this force together first. Don't let them have any success. Opportunity!"

It's just that Levi Garrison's face was firm, and he sneered: "Oh, it's okay! I'll kill you first, and then find out this force and destroy them, it won't affect them at all!"

"Besides, you are not qualified to join forces with me!"

Xiao Feng also shouted: "Yes, the top priority is to kill you and get revenge! Let's put everything else aside!"

Gong Qianqiu's brows were slightly tight: "This waste is quite a fox and a tiger!"

"Kill kill kill!"

"revenge!!!"

The Azure Dragon (Qinglong) five also shouted.

Levi Garrison all have the heart to kill.
