

The Return of the God of War [The Protector] Chapter 3706– 3707 – 3708

More and more alien masters fell.

There are fewer and fewer guards around Duguxiao.

Dugu Xiao's heart is cold.

Looking at the eyes of the five Azure Dragon (Qinglong) people, it was as if they were going to eat his flesh and drink his blood.

He couldn't help but shudder.

It's so scary!

Advertisement

Getting closer, the point is.

Levi Garrison's majestic aura was still locked on him.

He really couldn't escape.

Levi Garrison killed the alien masters here, and greatly destroyed the living power of the alien race.

Thus.

Zhen Mosi and Xiao Feng have the upper hand.

And the advantage is becoming more and more obvious.

After all, the number of enemies is rapidly decreasing.

And their combat power remains the same.

Here comes the natural advantage...

“kill!!!”

The masters of the Demon Suppression Division were shocked and killed even more violently!

“This is a good opportunity for us to shine!”

Advertisement

“Our predecessors can’t do it! Generations of generations can’t do it! In our generation, we are about to do it!”

“We will eradicate our biggest opponent, the Xuanming alien race! We will shine on the Demon Suppression Division! Our name will be engraved in the hall of the Suppressing Demon Division for generations to come!”

...

Seeing the trend of the Xuanming alien race being wiped out, the experts of the Demon Suppression Division were greatly excited!

If they do what their predecessors can’t do, they will be conferred gods! ! !

Just ask-

Who doesn’t want to add glory to the family?

Who doesn’t want to be the pride of a teacher?

Now is the chance!

At your fingertips!

It’s time for them to fight!

Everyone is like a chicken blood!

crazy!

They desperately killed the Xuanming alien race!

At this moment, the unity and combat power of Zhenmo Division must be brought into play.

All the powerhouses of the Demon Suppression Division were pressed down on a large scale.

Push the alien masters back!

Xiao Feng and these people are fighting like crazy.

They all have only one belief – kill all the aliens!

Not one left!

All slaughtered!

“not good.....”

Looking at the one-sided momentum, Dugu Tuo and the First Lady wanted to turn the tide of the battle.

But it's impossible.

They can't even escape themselves.

The little girl in front of her never imagined that she was so powerful.

A pair of two do not fall into the wind.

Tangled them tightly.

Although she couldn't kill them alone, they couldn't break free either.

The two sides can only be in a stalemate!

There is no escape!

Seeing that there are fewer and fewer masters around Duguxiao.

They are also helpless.

“Fight!”

When Dugu Tuo and the two were going to come up with a trick to get rid of Levilia.

Experts such as Xiao Feng, Zoey Lopez, Huoyun Evil God and Ning Jinye came.

Not only that.

There are also the ancestors of the major factions of the Zhenmo Division and the top powerhouses of the Shentianjian.

“Traitors, you must die!”

“Leave none of the aliens!”

“Have lied to us for so long, thinking that anyone can escape? Impossible!”

...

Countless masters have come to press.

Dugu Tuo and the others can only deal with it desperately.

Duguxiao and the others couldn't take care of them.

Can only rely on Xuanming alien sea tactics.

They ran away while protecting Duguxiao.

And Levi Garrison took the Azure Dragon (Qinglong) five to pursue them.

Levi Garrison will not directly kill the masters of the Xuanming alien race, but will make them lose their combat effectiveness.

Let Azure Dragon (Qinglong) kill them one by one.

Their own hatred, their own report!

in the blink of an eye.

There are also tens of thousands of Xuanming alien masters who died in the hands of the Azure Dragon (Qinglong) five.

There are not many Xuanming alien masters who are guarding Duguxiao.

Facing Levi Garrison, they only shivered with fear.

too strong.

They can't protect it.

In the end, everyone has to fight!

Duguxiao was most afraid.

This is how to do?

Are you really going to die?

Soon, the war came to an end.

With the cooperation of all parties, the aliens have almost been beheaded.

There are only a few thousand people left in the fight against the beasts.

On the side of the Zhen Mosi, the more and more courageous, the comprehensive suppression, and even the massacre.

Shortly after.

All the alien masters in front of Zhen Mosi were killed.

There are only thousands of people in front of Levi Garrison who are protecting Duguxiao.

Everyone else's is dead.

But Dugu Tuo and the first lady were already seriously injured under the siege.

The situation was far beyond their imagination.

I thought this battle would be quite brutal!

Both sides will fight and lose both.

The result is a crushing on the side.

How many people were killed or injured by the Demon Suppression Division!

The people on Levi Garrison's side had nothing to do except for minor injuries.

They were dumbfounded.

Of course, all this is the Levi Garrison effect.

Levi Garrison affected the battle situation.

He kills more and shocks more.

Others are less stressed.

“puff!”

“puff!”

...

Soon Dugu Tuo lost their fighting power and fell to the ground, unable to get up again.

Can only be slaughtered!!!

“Hahaha... You are also stupid. You have been deceived by me for so long! You didn't even find out!”

“And do you recognize Levi Garrison as the master now? The truth! It's not bad for you to be his dog! Hahaha...”

Dugu Tuo began to laugh.

Look at the crowd with the eyes of a fool.

“It looks like you won, but in fact you lost badly!”

“Don't be complacent, you will also be destroyed! The power in the dark will definitely attack! He is stronger than Levi Garrison!”

“And my Xuanming Alien Race Lord is not dead, but disappears! When he appears, none of you will survive!”

...

Dugu Tuo laughed wildly.

The first lady looked at Levi Garrison and shouted, “Levi Garrison, if you dare to be my son, you will die in the end! When my husband comes back, you must die!”

Levi Garrison, who was gradually approaching Duguxiao, suddenly slapped Dugu Tuo and the first lady in the face.

“It's noisy! Kill it!”

Levi Garrison said so.

The masters of the Demon Suppression Division were just like lunatics, killing Dugu Tuo and the First Lady one after another.

The last two died tragically...

Not even a complete corpse was left.

And Duguxiao is about to collapse.

In a short period of time, everything he had had disappeared.

Never mind that there are thousands of people protecting him.

But to no avail.

Soon these people are going to die.

He was the last to die.

And he knew that he would be the worst one to die!

There isn't one!

This is really frightening.

Gong Qianqiu, who was watching the battle in the dark, was speechless: "I didn't think of it! The dead enemy of Zhen Mosi for hundreds of years, the Xuanming alien race that can't be eliminated no matter what? It's really embarrassing!"

Master Bone also sighed: "The change is too great, the sky has changed, and the pattern will also change."

"Next, it's time for the town magician...hehe..."

Gong Qianqiu smiled helplessly: "Suddenly I feel that this scene is so boring! It doesn't make any sense at all! Do I want to add some more shows?"

in the field.

Everyone stopped.

Silently watched Levi Garrison take the Azure Dragon (Qinglong) five to further approach Duguxiao.

There are fewer and fewer people around Duguxiao.

Five thousand.

Three thousand.

one thousand.

five hundred.

...

The number of people decreased one by one.

In the face of the Xuanming alien race, the Azure Dragon (Qinglong) five did not hold back at all.

see one kill one!

Levi Garrison looked at the dozens of people guarding Duguxiao, and he smiled: "I admire you all! Are you still guarding your young master at the last moment?"

Compared with the guys from Zhen Mosi, Levi Garrison admires the Xuanming alien more.

At least this group of people is less flamboyant.

There is nothing to fear even if you die!

Still protect it in front of Duguxiao!

Duguxiao was dumbfounded.

There are fewer and fewer people.

thirty.

twenty.

ten.

no more...

There is no one around him now.

"Bang bang..."

Under the strong pressure of Levi Garrison, his legs and knees burst, and he fell directly to the ground.

"Azure Dragon (Qinglong) do what you want to do!"
