They really eat their own flesh and drink their own blood!

Endless pain and torture!

What he did to others back then would be repaid tenfold, one hundredfold, or even a thousandfold!

He now felt his skin was split inch by inch.

The bones were also shattered a little bit.

blood is drained...

Soul is burning!

Before it even started, he felt endless pain.

Even the pain of the soul is involved.

The fear in his heart was hooked up!

“No no no no.....”

“I beg you! Please don’t come here! Woohoo...”

“Bang bang bang...”

Duguxiao was really frightened.

Crazy kowtow on the ground, begging the five Azure Dragon (Qinglong) not to come.

Just how is it possible?

Now Duguxiao can’t escape at all.

More than a hundred thousand people from the Town Demon Division surrounded this place.

The inner circle is full of Levi Garrison’s people.

Levilia, Zoey Lopez, Huoyun Evil God, Levi Garrison’s apprentices, students and brothers.

Even Zhou Nanyan and Wen Lei, who had been in seclusion, came.

They have been cultivating Levi Garrison’s basic exercises.

Day and night, never stopped.

Not even showing up.

But today is a special day, and they are all here.

The purpose is to witness the moment when the five Azure Dragon (Qinglong) take their revenge!

The innermost circle is the Azure Dragon (Qinglong) Five and Duguxiao.

They have come to Duguxiao!

"I'm coming too!!!"

Xiao Feng couldn't hold it any longer and rushed to the front immediately!

This matter started because of him, and he wants to take revenge!

"Um?"

Gong Qianqiu in the distance saw this scene.

She is all stupid!

"Xiao Feng is sick, right? You have to join in the heat for anything? Is it obvious to you?"

"Everything is showy, right? Can this be blended?"

"Pure brain-damaged! Take it!"

...

Gong Qianqiu cursed angrily.

But on second thought, if Xiao Feng was not like this, how could she easily control it?

The more Gong Qianqiu looked at Xiao Feng, the more disgusting and disgusting he became.

I can't wait to slap to death!

At this moment, the five Azure Dragon (Qinglong) people took revenge.

As a result, you ran up.

But suddenly there was a sneer at the corner of her mouth.

An idea seemed to pop up.

Seeing her smirk, Master Bone seemed to understand something.

“Expose our position...”

Gong Qianqiu suddenly said.

“it is good!”

The bone master immediately released his breath, revealing his position.

Gong Qianqiu did not deliberately conceal this breath.

Sure enough, after the breath was exposed.

Levi Garrison, who was not far away, immediately swept over.

Not wrong.

They were exposed, and Levi Garrison had already discovered it.

But Levi Garrison didn't move.

The attention is still on Duguxiao.

Not in a hurry.

one by one!

Let the Azure Dragon (Qinglong) five take revenge first!

In the field, Xiao Feng was the first to rush up.

“It's the guilt of the old man that you hurt now!”

“Snapped!”

He slapped it with a palm, and Duguxiao's right shoulder bone shattered directly.

“Ugh...”

Dugu Xiao immediately let out a piercing scream!

Part of his bones shattered into powder.

After Xiao Feng finished all this, he immediately said: "Okay, my revenge is over! It's up to you now, or I'll be a bit of a rioter to take over the master!"

"But I suggest that you dig out his roots first!"

"We don't need a broken spirit knife, just use an ordinary knife! Dig out the root bone little by little."

Xiao Feng suggested.

At the same time, he took out five sharp knives and handed them to the five Azure Dragon (Qinglong) people!

See the tools Xiao Feng prepared in advance.

The eyes of the five Azure Dragon (Qinglong) people lit up.

Sure enough, it must be Xiao Feng!

Be prepared for this in advance!

Great!

That's exactly what they thought!

They had to find a way to return the pain they had endured one by one.

This is great.

Gong Qianqiu's brows wrinkled again, and the bone master on the side said: "This Xiao Feng is very bad! I really didn't expect to have such a ruthless side!"

He thought that he was so dead by Gong Qianqiu, this person is kind and docile.

But it can be seen from this torture method that it is not simple.

Gong Qianqiu smiled: "In addition to me, this person is still very powerful! Ruthless, calm-hearted, and someone who does great things, it's a pity that he met me!"

"Ha ha....."

Master Bone couldn't help but smile.

Could have been a generation of wizards!

result.....

“Looks like this Duguxiao is about to suffer the most...”

“Levi Garrison has already discovered us just now, but there is no action. This is Duguxiao above everything else, and they want to take revenge happily!”

“This child is in trouble now! They have to take revenge without any hindrance, and they will not be affected by anything outside!”

The bone master looked at the situation in the field and analyzed it.

The corners of Gong Qianqiu’s mouth rose: “Huh? They want to take revenge happily?”

“Definitely! Now they are all centered on Duguxiao, and everything around them can’t get into their ears, not even Levi Garrison!”

The bone master responded subconsciously.

Gong Qianqiu suddenly showed a bad smile: “Haha, then I won’t let them take revenge!”

“I even told them not to take revenge! As soon as they mentioned it, I told them to swallow it back! Let them taste the feeling of punching cotton!”

Just now, she was thinking about how to add some drama and play with Levi Garrison’s group.

Bone Master also saw it, this one is not just as simple as watching a play.

She directed the play.

But this game is so boring.

Then she will change and add drama.

Make this scene look even more interesting!

The words of Master Bone reminded Gong Qianqiu.

Levi Garrison, what they want now is hearty revenge!

Nothing outside affects them.

What to say after revenge!

But Gong Qianqiu can’t let them get their wish now...

She is about to destroy!

When the Azure Dragon (Qinglong) Heart Demon was about to be eliminated, she took action to destroy it, making revenge impossible.

The bad breath that had accumulated for so long was stuck in Azure Dragon (Qinglong)'s chest.

The moment it was about to be released, the result was abolished.

This breath recoil back!

This will piss them off!

Depressed to death!

But this is what Gong Qianqiu wants to see.

so fun!

And Xiao Feng just went up to take revenge and stimulated her.

She can't stand it.

Gotta play around with it.

...

in the field.

The five Azure Dragon (Qinglong) people held sharp knives and waved them at Duguxiao.

"What you did on us, we will do on you too... You have to hold back, don't hurt to death!"

The Azure Dragon five showed demonic smiles.

Step by step approaching Duguxiao.

The butcher's knife in his hand was about to fall on him.

Dig out their own root bones little by little.

"what!!!"

Duguxiao was roaring like crazy.

Looking at the five people, with a face full of horror, Duguxiao wanted to avoid, but there was nothing he could do.

His knees burst and he couldn't move at all.

"Save me! Who will save me!"

Duguxiao was so frightened that he began to pray to the sky.

A look of cruelty flashed across Azure Dragon (Qinglong)'s face: "No one can save you, come on!"

The five tacitly moved their knives in unison.

"Pfft!"

"Pfft!"

...

All of them stabbed towards Duguxiao's body.
