

The Return of the God of War [The Protector] Chapter 3715 - 3716 - 3717

He wants nothing now!

Everything is gone.

And even if you have the five elements of spiritual roots and bones, it is useless.

Compared with the one in front of him, it's almost nothing.

No matter how he thought about it, he couldn't feel that he had the value of being saved.

This is totally impossible!

Advertisement

He is like an ant on the ground now, and has no use value at all.

The key is to spend so much effort to save him, even more impossible.

So he was curious.

What value do you have to be saved!

Advertisement

Gong Qianqiu and Master Bone laughed immediately.

right!

Duguxiao really has no value.

Especially for Gong Qianqiu, Duguxiao is too weak.

Just a piece of trash.

Might as well save an ant.

Gong Qianqiu smiled: "Because I don't want Ye Junlin and the others to succeed in revenge, I want to do the opposite! I just think that Ye Junlin and the others are not happy, they can't take revenge heartily, and they can't take revenge at all... That's all!"

Understood.

Duguxiao understood.

Advertisement

He is just a tool for Gong Qianqiu to satisfy his own desires and emotions.

There is nothing else to save him, but to make Ye Junlin unhappy with them!

That's all.

After saving him, Ye Junlin and the others couldn't take revenge, and Gong Qianqiu was relieved.

The purpose has been achieved.

but.....

Soon, Duguxiao broke out in a cold sweat.

Gong Qianqiu just didn't let Ye Junlin kill him, he didn't say that others couldn't kill him.

Especially herself!

After all, he is useless now, just kill him.

Duguxiao knelt on the ground, looked at Gong Qianqiu and pleaded: "Please don't kill me! You can let me do anything! I can be your pet dog, as long as you don't kill me..."

After going through this difficult time today.

Duguxiao is really afraid of death.

Just want to live.

Let him be a dog!

You can even eat garbage!

Just don't kill him!

It's just that Gong Qianqiu looked at him dotingly and smiled: "You think too much, why am I willing to let you die? Not only will I not kill you, but I will keep you forever, and I will even cultivate you!"

"what???"

Duguxiao never imagined that it would be like this!

Gong Qianqiu not only does not kill himself, but also cultivates himself?

How is this going?

"As long as you're alive, it's enough to make Ye Junlin and the others go crazy! If I kill you, then they won't have any revenge. It means nothing to me!"

Gong Qianqiu explained.

Duguxiao is also a smart person, and he immediately understood.

Gong Qianqiu wants to live by himself, so that Ye Junlin and the others always know that they always have the idea of revenge.

However, they did not allow their revenge to succeed.

There is hope, but it cannot be realized.

For Ye Junlin and these people, it was a mental devastation.

Originally, I wanted to release the breath completely, but the breath got stuck in my chest and could no longer be released.

On the contrary, it has to continue to accumulate, and the more and more the breath is, it is enough to make people collapse.

Not to mention Ye Junlin's client and the others, even if Duguxiao thought about it by himself, he would be pissed off.

If it was Ye Junlin and the others, I don't know how angry they would be.

It just confirms that sentence – I like the way you don't like me, but you can't get rid of me!

Now Ye Junlin and the others are an enhanced version of this sentence!

Obviously you know where the enemy with the monstrous blood feud is, but you have never been able to avenge it.

This is the purpose of Gong Qianqiu!

I want the enemy to sway in front of your eyes all the time, but I will not let you succeed in revenge, and keep your tone stuck.

Even to make you mad!

Not to mention the future, it was just now that the Qinglong five were about to succeed in their revenge, but suddenly there was no one.

It is estimated that this will bring Qinglong five new demons.

Heart demons and heart demons!

Duguxiao looked at Gong Qianqiu in horror.

This woman is horrible.

Not only in strength, but also in terms of power.

Especially this one.

Duguxiao really didn't think about it.

After her own little tool was used by her, she was absolutely useless.

It's like an invincible weapon.

Specialize in hitting the most vulnerable parts.

Even the invincible presence of Ye Junlin can be hurt!

The psychological trauma that they brought to Ye Junlin was enough to make people collapse.

Terrible horrors that may come even more than actual harm.

This is Gong Qianqiu!

Hahaha.....

Thinking of this, Duguxiao almost laughed out loud.

In this way, Gong Qianqiu not only will not let him die, but also protect him.

Relatively speaking, it is the safest!

It's hard for him to die.

"Master Bone, please heal his injured knee!"

Miya Chiaki said.

"Okay, no problem!"

Of course the Bone Master would love to.

Gong Qianqiu looked at Duguxiao and said, "Next, I will make a decision – accept you as my apprentice, and I will try my best to train you!"

"Not only will I make Ye Junlin and the others unable to take revenge, but I will also make you grow up to the point where they can't take revenge even if they see you!"

"It's best to let yourself reach a certain level, and then bring harm to the people around Ye Junlin! Make them even more angry, but it is farther and farther away from revenge..."

Murder and kill!

Gong Qianqiu's move is simply too cheap!

Not only did he rescue Duguxiao, but Qinglong and the others could not succeed in revenge.

It is also necessary to cultivate Duguxiao and let Duguxiao hurt them again.

Even if Duguxiao becomes the second her, even if she meets Duguxiao again, she will not be able to take revenge, so she can only watch helplessly.

That feeling must be very cool for Gong Qianqiu.

Can kill people like this.

Psychologically destroyed.

For Ye Junlin and the others, it is the heart demons and injuries again and again.

Hearing this, even Duguxiao and Master Gu couldn't help but gasp.

This woman is so cruel!!

Much scarier than they imagined.

But follow such a ruthless, decisive and ambitious Lord.

In the future they can be in a higher world!

Although Duguxiao felt fear.

But for him, there is no harm at all.

Originally, you were going to die, but now people not only let you not die, but also make you extremely powerful.

Why not do it?

He immediately kowtowed on the ground: "Master! Master!"

He can see the bright future.

Gong Qianqiu nodded.

She turned her head and said to Master Bone: "Although I am strong enough now! But no matter how strong I am, I still need help! For example, if you weren't there just now, it would be very difficult for me to rescue people!"

Master Bone agreed with this: "Yes, no matter how powerful you are, you can't do everything yourself, right? You still need a group of subordinates to solve your problems!"

Gong Qianqiu's previous thought was that no matter what, he was enough by himself.

But now the thinking has changed.

She also needs a group of people to fight her.

She also needs a group of people to follow her.

Otherwise, she is so powerful that there is no one to praise her.

How lonely?

The heights are so cold.

She still needs to share her strength and happiness with others.

It's not enough to just share with Xu Qingya and the top ten Tianjiao.

She also wants to share it with her subordinates.

“Although I was expelled from the Heavenly Medical Supervisor, I was also placed in it, and there are some old friends who are close friends. They are all a group of ruthless people? I recruited them?”

Master Bone’s expression changed and he couldn’t help asking.

“Okay, the more people, the better! But you must obey absolutely, or you will be killed without mercy!”

Gong Qianqiu said coldly.

“Understood! Certainly!”

Gong Qianqiu continued: “Not only that, but I also want to gather all the loose cultivators of the Town Demon Division and become my subordinates! I have a list of them!”

“There are also killer organizations like the Ten Temple Yama, I also want to recover and become my people!”
