

## The Return of the God of War [The Protector] Chapter 3736 –

“Reporting to the leader, all the core members of Levi Garrison’s base camp headed by Xiao Feng Azure Dragon (Qinglong) and others disappeared strangely after the young leader left.”

“My subordinates have mobilized all the eyeliners around, but they can’t find their traces. What’s the next instruction from the leader?”

At this moment, Gong Qianqiu received a message from the person in charge of the spies.

Gong Qianqiu pondered for a moment, and ordered: “Continue searching, it is best to make the movement bigger, if you still can’t find it, remove all the eyeliner after three days.”

“Follow your orders, sect master.”

After receiving the order, the person in charge of the spy cut off contact.

“Master, what do you mean by this move?”

Duguxiao was full of doubts.

Gong Qianqiu clearly knew the exact location of Levi Garrison’s base camp.

Why let the eyeliner go to the search with fanfare?

Isn't this where the eyeliner is intentionally exposed?

What if Levi Garrison and the others get angry and immediately kill those eyeliners?

It is really a waste of resources to use the hard-earned elite eyeliner as cannon fodder.

Gong Qianqiu said with a sneer: "The underground base is Levi Garrison's last reliance. He thought that if his relatives and friends hid there, everything would be fine."

"But I just happen to know the exact location of the underground base. After swallowing the alien spiritual veins, I will directly enter the underground base."

"Let Levi Garrison's forces be in chaos again. Before that, let him think that the underground base is a secret fortress that no one knows about!"

Duguxiao instantly understood Gong Qianqiu's intentions.

Taking the initiative to expose those eyeliners, Levi Garrison will think that they do not know the location of the underground base.

At that time, Gong Qianqiu will not be required to take action, and he will be able to slaughter everyone else.

Especially that abominable monarch, when he devours some of the power of the spiritual veins, he will surely kill her easily.

“Master’s strategy is unparalleled, and the disciple admires it.”

Duguxiao became more and more handy when he patted the rainbow fart.

in the underground base.

After Zoey Lopez’s consolation and self-adjustment, Azure Dragon (Qinglong) and others finally managed to get out of the deepest psychological shadow.

Although his mood is still slightly depressed, he is already helping to arrange the defense of the underground base.

During the break, Xiao Feng, Azure Dragon (Qinglong) and others gathered together.

Phoenix took the lead in saying, “There is a message from the boss, and it is basically confirmed that Duguxiao has learned the exercises of the mysterious woman.”

The faces of several people immediately became extremely ugly.

In just one month, Duguxiao’s power has grown by leaps and bounds, reaching a level where no one is his opponent except the boss (Master).

It was so scary.

Xuanwu said angrily, “According to the speed at which Duguxiao’s cultivation is improving, given time, even the boss won’t be able to do anything about him?”

Everyone was silent, but their faces were even more ugly.

Although reluctant to admit it, this possibility does exist.

And the probability is not small.

“Maybe I’m unfounded.”

Xuanwu scratched his head in embarrassment, he knew he had made a blunder.

It’s one thing to think about this kind of thing in your heart, and it’s another thing to say it face to face.

“It’s not unfounded, it is indeed possible.” Kirin ( Qilin ) said in a dry voice.

The crowd was silent again.

Seeing that the enemy of life and death is getting stronger and stronger, he even dares to come to the base camp to show off his might.

And he could only watch with his eyes open.

Powerless, helpless.

This kind of painful feeling can be called purgatory for their mental torture.

Azure Dragon (Qinglong) clenched his fist tightly, his fingernails embedded in his palm.

The blood slowly flowed down his fingers, but he didn't notice it.

Xiao Feng let out a long sigh in his heart, feeling that he was extremely useless.

Now that he can't even protect himself, how can he protect Gong Qianqiu?

“Xiao Feng, what are you thinking, so fascinated?”

Phoenix asked suddenly.

Xiao Feng's body trembled, as if struck by a thunderbolt.

“No...don't think about anything!”

In order to cover up the panic in his heart, Xiao Feng hurriedly added: “I just feel that I am very useless, and I can't help Master even a little bit.”

Azure Dragon (Qinglong) and others were slightly startled, and they had no doubts about this explanation.

Precisely speaking, they also belong to empathy.

As brothers who were born and died together, they are now helpless in the face of powerful enemies.

Even become a burden to the boss.

This huge psychological gap really makes it difficult for them to accept.

Seeing that everyone did not doubt himself, Xiao Feng secretly let out a sigh of relief.

If you let others know that they are thinking of Gong Qianqiu, I am afraid it will cause public anger, right?

After all, Gong Qianqiu was once the suspect of Phoenix and others.

But how could Gong Qianqiu be so powerful?

Why would you want to kill yourself?

"She loves me, otherwise how could she use insults to awaken her stronger heart?"

"Other people don't understand Qianqiu's love for me, so they often misunderstand me. We must find an opportunity to explain it to everyone in the future."

Xiao Feng suddenly remembered the tenderness of that night, and a smile appeared in the corner of his mouth.

"Let's stop sitting here. Fighting Duguxiao won't help much. It's not a problem to set up a defensive formation."

Xiao Feng, who was inspired by the spirit of "lover", was the first to cheer up.

This surprised Azure Dragon (Qinglong) and others, and at the same time admired it even more.

As expected of the first disciple valued by the boss, he quickly recovered after a short sinking.

We can't go on like this, we have to pull ourselves together.

Azure Dragon (Qinglong) and the others nodded and started to get busy.

Levilia practiced cross-legged, but for a long time he was unable to enter the ideal state of harmony between man and nature.

Because she was a little confused.

She kept recalling many details of her previous fight with Duguxiao.

Although father Levi Garrison detailed the conclusions drawn in Shentianjian, Levilia still vaguely felt that there was another article.

Indeed, the Xuanming alien race is very likely to have a similar extreme devouring the evil sect.

But the practice method used by Duguxiao that day was more like a practice method that originated from his own creation.

It was just deliberately modified by the masters.

"You have to make sure again to be completely reassured."

Levilia made up his mind to stand up and walk towards Azure Dragon (Qinglong) and others who were setting up a defensive formation.

Levilia's idea is very pure.

The number of people who taught her self-created exercises is extremely limited. As long as they have no rumors, they can be sure that Duguxiao's exercises come from the Yixuan Ming clan.

"Uncle Azure Dragon (Qinglong), come with me."

Levilia said with a smile.

Azure Dragon (Qinglong) was a little surprised and puzzled, but he followed to a secluded place without any hesitation.

"Levilia, what are you looking for from me?" Azure Dragon (Qinglong) asked.

Levilia asked straight to the point: "Uncle Azure Dragon (Qinglong), I want to make sure that I taught you the cultivation method. Have you taught it to others?"

"Don't rush to answer, think about it carefully, this matter is very important." Levilia added quickly.

Azure Dragon (Qinglong) thought for a moment and said, "I didn't tell anyone other than Phoenix and the others!"

“And since we practiced this practice, we have stayed together almost every day, and they should have no chance to teach others.”

“Levilia, do you still doubt that Duguxiao’s practice originated from your own creation?”

“No, I just want to make sure, Uncle Azure Dragon (Qinglong) go to work first!”

Levilia pretended to be relaxed.

“It turns out that, as expected of the boss’s daughter, thoughtful, hahaha!”

Azure Dragon (Qinglong) sincerely praised.

After Azure Dragon (Qinglong) left, Levilia looked for Phoenix and others again, but the answers were mostly the same.

“Only Senior Brother Xiao Feng is left, I hope he doesn’t leak out.”

Levilia’s goal fell on Xiao Feng.

Xiao Feng was arranging a defensive formation outside the underground base, and suddenly someone sent a letter to Levilia looking for him.

This made Xiao Feng a little strange, after all, Levilia almost never took the initiative to find them.

“Azure Dragon (Qinglong), I heard others say that Levilia is looking for me, do you know what’s going on?”

Seeing Azure Dragon (Qinglong) coming towards him, Xiao Feng asked with a smile.

“I don’t know either. Maybe it’s a message from the boss! Just ask.”

Azure Dragon (Qinglong) acted very naturally when he spoke.

This is also what Levilia meant. After the inquiry, he deliberately told him not to let the rumors go out. The purpose was like seeing everyone's truest reaction when he asked.

Otherwise, knowing the question in advance, once a lot of preparations have been made, will affect her judgment.

Xiao Feng didn't think much about it, and it was not the first time that Levilia had passed on a message on behalf of his master, especially as his chief disciple was commonplace.

When he came to Levilia's practice place, Xiao Feng asked with a smile, "Levilia, what's the matter with me in such a hurry?"

Advertisement

"This is Senior Brother Xiao Feng, I want to ask you, did you let the third person know about the devouring technique you taught you before?"

Levilia went straight in, and after finishing speaking, he stared at Xiao Feng with burning eyes.

"boom!"

For Xiao Feng, this sentence was like a bolt from the blue.

The whole person immediately froze in place.

Really afraid of what to do!

Levilia is still doubting himself until now!

If he answered truthfully, Gong Qianqiu would definitely be regarded as a spy.

Absolutely cannot expose her.

For a time, Xiao Feng's mood was completely chaotic.

His expression became tense involuntarily.

"I...this...there is no rumor!"

"I can't practice such a secret technique myself!"

"How is it possible...to wear it to someone who doesn't have anything to do with it?"

Xiao Feng stuttered a little because he was too nervous, and couldn't even speak clearly.

There is clearly a problem with this look!

Levilia's eyes also became sharp.

"Senior Brother Xiao Feng, the stakes are very important. No matter what the situation is, you must tell the truth."

There was a hint of warning in Levilia's tone.

Xiao Feng was completely stunned.

He is very clear, just like the reaction just now, no matter what he says next.

It must be full of flaws...

Although Levilia is not as shrewd as a master, he is extremely smart and can tell at a glance.

But Gong Qianqiu must not be exposed.

Thinking of this, Xiao Feng took a deep breath and said solemnly: "Levilia, I will never reveal this practice to outsiders. I can swear to God about this."

Xiao Feng is full of confidence.

Because to him it was the truth.

Gong Qianqiu has broken through that relationship with himself, so naturally he can't be regarded as an outsider.

Apart from the secular wedding, they already have the reality of husband and wife.

Therefore, Gong Qianqiu is his Xiao Feng's wife.

It's my own!

Not a leak!

What's more, if she practiced this technique, she would go crazy, and naturally she wouldn't practice it.

"Senior Brother Xiao Feng, now is a special period. The foreign enemy is strong, and there is no room for mistakes."

"So, you'd better think about it carefully."

Levilia continued.

In fact, Levilia is also a little strange. At first, Xiao Fengming was very flustered.

But in the blink of an eye, it seems like a different person, full of confidence, and it really doesn't look like a lie.

"Levilia, then let me ask you, are Azure Dragon (Qinglong) and the others outsiders?"

Xiao Feng suddenly asked back.

Levilia shook his head, Azure Dragon (Qinglong) and the others were friends of life and death with their father.

He has been born and died countless times, how can he be regarded as an outsider?

"In that case, I won't reveal it to outsiders."

Xiao Feng became more calm.

Seeing that Levilia's fierce expression has subsided, Xiao Feng decided to strike while the iron is hot.

"Levilia, I know that I used to have entanglements with the women of Zhen Mosi before, which will inevitably arouse your suspicions."

"But now and then, our relationship has completely changed."

"Are you going to continue to doubt?"

Xiao Feng said that he finally showed a sad expression.

## The Return of the God of War [The Protector] Chapter 3739

/ The Return of the God of War [The Protector]

I have to say that Xiao Feng's counter-guiding strategy is really effective.

In particular, the phrase "the relationship has changed completely" made Levilia's understanding deviated.

Because Levi Garrison had previously questioned the relationship between Xiao Feng and the woman of Zhenmosi in public.

And Xiao Feng made it clear at the time that he had cut off contact with him.

Therefore, Levilia preconceived that the so-called complete transformation of the relationship is to change from a lover who is not full to a stranger.

However, what Xiao Feng said was that what he asked for was not available, and he became a couple who shared the same bed.

Of course, this is just what Xiao Feng thinks, it is just an illusion.

"And there is a message from the master, and the person in the Shentian prison also said that Duguxiao's cultivation is very likely to be an alien evil art."

"Levilia, I don't know what to say now. Once the seeds of doubt are planted, it is really difficult to dispel it."

Xiao Feng continued.

Seeing Xiao Feng's sad face, Levilia really couldn't bear it.

"Senior Brother Xiao Feng, in fact, I don't mean to doubt you, it's just that things are strange, and all doubts must be eliminated."

"I was rash in my words just now, please forgive me, Senior Brother Xiao Feng."

After all, Xiao Feng was his father's beloved apprentice, and he was second only to himself in the base camp's core combat power.

So Levilia doesn't want to have a gap between each other.

Now that Xiao Feng is so sure that there is no rumor, and he is really confident and has no flaws.

The initial panic was most likely due to the thought of a scene that was once suspected by everyone.

The anger in my heart, coupled with the grievances, was inevitably incoherent.

“Levilia, I don’t blame you. Now the situation is special. It’s always wrong to be cautious.”

Xiao Feng began to show his understanding side again.

This made Levilia even more guilty.

Just now, she even released her breath to force Xiao Feng.

However, Senior Brother Xiao Feng did not blame or complain.

“Thank you Senior Brother Xiao Feng for your understanding, there’s nothing to do now, go get busy!”

Levilia said with a smile.

Xiao Feng nodded and turned to leave.

Until he left Levilia’s line of sight, Xiao Feng finally let out a long breath.

Under the pressure of Levilia’s powerful breath, he still felt Alexander.

But then again, did the exercises used by Duguxiao originate from the exercises created by Levilia himself?

Although there is a message from the master, it is very likely that it is an alien cultivation technique, but there is indeed such a possibility.

If this is the case, then only Gong Qianqiu will leak out.

Because other people who practice Levilia Gongfa are impossible.

But Xiao Feng never wanted to see such a thing happen.

Otherwise, he and Gong Qianqiu are enemies of life and death, and all the good things in the past will be mirror flowers and water moon.

“No! Absolutely not.”

Xiao Feng shouted in his heart.

“Would you like to ask Qianqiu to make sure?”

Xiao Feng just had such a thought in his mind, and he was completely out of the cloud.

Asking directly is equivalent to doubting Gong Qianqiu.

The last time I informed about the spiritual pulse, it was hard to make Gong Qianqiu's attitude change.

If this happens again, I am afraid that the relationship between the two will really be completely cut off.

Of course, Gong Qianqiu is so understanding, maybe the ending is not so serious.

But Xiao Feng didn't dare to gamble, and there was no need to gamble.

“It has to be confirmed in another way.”

The thoughts in Xiao Feng's mind were running fast.

After thinking for a long time, Xiao Feng had an idea.

Since you can't ask directly, you can make a judgment in person!

As long as she can meet Gong Qianqiu, you can judge whether she continues to practice Levilia's exercises.

Xiao Feng may not have seen it before, but now he has also practiced Levilia's exercises, and his strength has also improved by leaps and bounds.

As long as Gong Qianqiu is still cultivating, he can see it at a glance.

“Just do it!”

Xiao Feng made up his mind, so he started emergency contact with Gong Qianqiu.

/ The Return of the God of War [The Protector]

Xiao Feng immediately contacted Gong Qianqiu, and he still used emergency contact methods.

Xiao Feng stared at the communication tool with hope, looking forward to Gong Qianqiu's reply.

Time passed by minute by minute.

But no one cares.

"Qianqiu must be busy cultivating, so I didn't see the information, otherwise I would have replied long ago."

Xiao Feng was comforting himself in his heart.

"Send the message a few more times, and maybe you will feel it in the future."

After making up his mind, Xiao Feng once again used the communication tool to send messages.

And deliberately used the words "urgent situation, see the letter and reply quickly, otherwise the consequences will be disastrous".

However over time.

The message Xiao Feng sent was like a stone sinking into the sea, and he still could not get any reply.

Xiao Feng was a little panicked.

He paced back and forth constantly.

Like ants on a hot pan.

Not right!

Very wrong!

According to common sense, Gong Qianqiu will definitely ask for emergency contact information when he sees it.

Just like last time.

At that time, the relationship between the two was in the cold war period, and Gong Qianqiu showed gratitude.

A bad premonition gradually rose in Xiao Feng's heart.

The words that the disciples of the West Pavilion had said to him echoed in his mind.

"You should dispel your thoughts about Gong Qianqiu as soon as possible, otherwise you will be hurt."

"There are many men around Gong Qianqiu, you should give up as soon as possible!"

"If you don't have any skills, how could she like you?"

"Unless you have the skills of your master, she will follow you with all her might."

"You will be used sooner or later."

...

The voices of the West Pavilion disciples kept echoing in his ears.

Xiao Feng felt like he was stuck in his throat.

Could it be that Qianqiu has been using himself?

I'm ignoring myself now because I'm useless?

"Impossible, absolutely impossible!"

Xiao Feng shouted wildly in his heart.

Looking back on the past with Gong Qianqiu bit by bit.

When he was confused, it was Gong Qianqiu who found the way forward for him.

When he was depressed, it was also Gong Qianqiu who enlightened and comforted his soul.

Especially when he was suspected by everyone, Gong Qianqiu expressed his willingness to stand by his side and always believed in him.

There are many, many more...

Qianqiu loves herself so much that she even gave her everything to herself.

You are still doubting her at this moment?

"Xiao Feng, Xiao Feng, are you still a person?"

"You're so damn good!"

Xiao Feng scolded himself bitterly, and his mood was not as anxious as before.

"Qianqiu should be in seclusion and put all communication tools outside."

"Otherwise, if you are disturbed at a critical moment, it's easy to get carried away."

"It must be so."

Xiao Feng's mind was suddenly settled.

Even fell into deep self-blame.

If Gong Qianqiu has problems with his practice because he sends a message by himself, he may even go crazy.

That is unforgivable!

Thinking of this, Xiao Feng no longer tried to contact Gong Qianqiu, but patiently waited for her reply.

However, Gong Qianqiu's whole mind is now on devouring the spiritual veins of the Xuanming alien race.

He didn't have time to deal with Xiao Feng at all.

In fact, when Xiao Feng activated the emergency contact method, she had already received the information.

But for the current Gong Qianqiu, even if Xiao Feng has something important, it doesn't matter.

The worst situation is that Levi Garrison suspects himself, and even says that he has solid evidence.

Even if his true identity is completely exposed, it doesn't matter.

It means that Xiao Feng's side is no big deal to her at all.

Especially after he completely devoured the spiritual veins of the Xuanming alien race, he was an invincible existence.

The only threat in the past was Levi Garrison, and urgent matters were basically related to Levi Garrison.

But now Levi Garrison is not afraid.

Even at that time, as long as she is willing, Gong Qianqiu can easily kill him.
