

The Return of the God of War [The Protector] Chapter 3743

You must know that Duguxiao is just a pawn of a mysterious woman.

In just one month, Duguxiao has grown to such a level.

It can be imagined to what extent the strength of the mysterious woman will improve?

Levi Garrison already had a very strong sense of crisis.

In the face of Duguxiao and the mysterious woman, he can handle it with ease.

What about the rest?

I'm afraid even Levilia will be powerless to fight back, right?

"But Mr. Ye, we only know the approximate location of the spiritual veins of the Xuanming alien race."

The words of the temporary supervisor of Shentianjian came to an abrupt end.

"Do your best!" Levi Garrison said solemnly.

"By the way, Mr. Ye, it seems that a superpower has appeared recently."

"That's right, even the Demon Suppression Division and the Shentian Superintendent have been infiltrated."

"Not only that, it is said that other sect forces have also been infiltrated."

Everyone said.

In fact, to a certain extent, this superpower has caused everyone to panic.

Today's internal core strength of the Zhenmo Division has been severely damaged.

There is also a Duguxiao and a mysterious woman who are staring outside.

It can be described as an internal and external trouble.

Now there is another superpower with strong penetration ability.

It made their already miserable situation even worse.

"And this?"

Levi Garrison was slightly surprised, but he didn't take it too seriously.

After all, the current focus is still on the spiritual veins of the Xuanming alien race.

If it can't be found before the mysterious woman is swallowed, the situation will be completely out of control.

There is not much time left for them.

"Don't worry about this superpower for now, it is the most important thing to do everything in your power to find the spiritual veins of the Xuanming alien race."

Levi Garrison said in a condensed voice.

The people of Zhen Mo Si did not say any more and acted according to their orders.

It was almost their consensus to hold Levi Garrison's thigh tightly for self-protection.

Everyone naturally did not dare to disobey Levi Garrison's order.

Xiao Feng is still waiting for Gong Qianqiu's message.

During this time, he has searched all the places where Gong Qianqiu might go.

As a result, there was still no news from Gong Qianqiu.

Xiao Feng even went to visit the West Pavilion of Zhenmo Si, but of course he returned without success.

Instead, he was ridiculed by several elite disciples of the West Pavilion.

It's just that Xiao Feng was not in the mood to argue with them now, and quickly left the West Pavilion.

Doubt, worry, anxiety from the very beginning.

Desperate until now, even lifeless.

Xiao Feng was like a walking corpse, his whole body was slumped to the extreme.

And Azure Dragon (Qinglong) and others began to look for evidence about Gong Qianqiu again.

Of course, this is also based on Phoenix's suspicion and keen observation.

It didn't take long for Kirin (Qilin) and others who were in charge of directly investigating Xiao Feng and Gong Qianqiu to discover the problem.

That is the recent period of time, the frequency of contact between Gong Qianqiu and Xiao Feng has plummeted.

Azure Dragon (Qinglong) and others found Xiao Feng directly.

Phoenix asked: "Xiao Feng, has Gong Qianqiu contacted you recently?"

"Yes!" Xiao Feng replied absently.

He knew that Phoenix had been suspicious of Gong Qianqiu.

But it doesn't matter now, he just wants to make sure that Gong Qianqiu is safe.

"Xiao Feng, can you cheer up a little bit?" Kirin (Qilin) hates that iron is not steel.

After this period of investigation, they have figured out Gong Qianqiu's character.

Putting aside those negative reviews, just talking about character is simply a scheming table.

There is solid evidence that there are no less than 100 people of the opposite s*x who have been tricked by her.

With such a woman, Xiao Feng is still obsessed?

It is really unimaginable, almost to the point of going crazy.

Phoenix waved her hand and continued to ask: "Also, in the past three months, she has not contacted you once."

"Maybe you contacted her, but she didn't reply properly."

"The most important thing is that if you contact her now, she will definitely not return, right?"

"How did you know that?"

Xiao Feng was stunned for a moment, his face full of surprise.

Phoenix did not answer this question, but said directly: "Xiao Feng, Gong Qianqiu may have abandoned you."

"Impossible, how could it be?"

Xiao Feng muttered to himself.

Phoenix frowned slightly and said: "If Gong Qianqiu treats you sincerely, how could it be possible to watch you go on like this?"

"If she has feelings for you, why doesn't she respond to your frequent contacts?"

"If she has the heart to go with you, will she disappear silently for so long?"

Xiao Feng shook his body and almost collapsed on the ground.

He was speechless.

Kirin (Qilin) was blunt and said solemnly: "Xiao Feng, wake up, it's not worth it for such a woman."

"Yeah Xiao Feng, we won't hurt you."

"If Gong Qianqiu is a good woman, we will definitely send our blessings sincerely."

"It's a pity she's not, think about it for yourself!"

Azure Dragon (Qinglong) and others have spoken out to persuade.

After all, Xiao Feng was the boss's most valued apprentice.

They also didn't want to see Xiao Feng slumped.

Xiao Feng squatted down with his head in his hands, full of grief.

Azure Dragon (Qinglong) and others couldn't say more, they all sighed and turned to leave.

If the words are so clear, Xiao Feng is still obsessed.

That's really hopeless.

Pfft!

Xiao Feng slumped on the ground.

If it was put in the past, even if Azure Dragon (Qinglong) and the others said that to Gong Qianqiu, he would be angry.

Even scolding back.

But in the face of the current situation, Xiao Feng had to doubt Gong Qianqiu.

As Phoenix said, if Gong Qianqiu really loved himself, would he be so indifferent to himself?

Especially in the last few months, the only contact was a lukewarm reply.

Even saying it is a bit perfunctory.

Is this really how a lover should react?

If it is replaced by other lovers who have just broken the last layer of relationship, I am afraid they will be together like glue, right?

But to say that Gong Qianqiu did not take himself to heart, then what is the previous care and company?

use?

It doesn't seem reasonable either.

Recalling the past contacts, Gong Qianqiu did not take the initiative to ask him to do something.

On the contrary, it is their own initiative to be "used".

Take the practice of teaching Levilia as an example, Gong Qianqiu refused at first.

It is his own initiative to teach, and even a bit of coercion.

and many more!

Xiao Feng frowned, he suddenly realized something very important.

It seems that after teaching the exercises, Gong Qianqiu's attitude towards himself began to change.

Could it be that Gong Qianqiu's practice of Levilia Gongfa vomited blood is an illusion?

Did she pretend it on purpose?

Xiao Feng was taken aback by this idea.

Because if you follow this line of thinking, it seems that many things will be explained clearly.

Even the figure of the mysterious woman is slowly merging with Gong Qianqiu.

"No, it's impossible."

Xiao Feng shouted loudly.

After a long time, after calming down, he realized that there was a layer of cold sweat on his forehead.

“In any case, I have to personally verify it, otherwise I will never believe it.”

Xiao Feng’s eyes were red and his eyes were about to split.

“As long as you find Qianqiu, you can find out at a glance.”

Xiao Feng gritted his teeth.

Compared with hearsay, he believes that seeing is believing.

What others say about Gong Qianqiu is useless, at most it is a reference.

I’m not a fool, Xiao Feng, how could I be toyed with by a woman?

Looking at the communication tool in his hand, Xiao Feng wanted to throw it away.

But he raised his hand a few times, and then retracted his arm.

This is a gift from Qianqiu, even if it is thrown away, it must be done after all the dust has settled.

“Find someone first.”

After making up his mind, Xiao Feng cheered up and continued to search for Gong Qianqiu’s whereabouts.

The Return of the God of War [The Protector] Chapter 3745

Xuanming Mountain, in the belly of the mountain.

A majestic black spiritual mine stretches for miles.

Directly into the depths of the mountains.

This is where the Xuanming alien spirit veins are located.

The spiritual veins that were originally pitch black as ink and contained violent energy have now become crystal clear and transparent.

The surface has even cracked like a spider web.

Obviously, the essence energy inside the spiritual veins has been completely absorbed.

Gong Qianqiu kept running the devouring technique.

At this moment, her entire body was enveloped in layers of thick purple-black energy.

These energies are close to substance, and they are like viscous liquids in the void.

These purple-black liquids are the spiritual energy that has been repeatedly purified by the phagocytosis technique.

Zizizi!

Liquid energy keeps pouring into Gong Qianqiu's body.

"what!"

With Gong Qianqiu's coquettish drink.

The flow rate of liquid energy is also getting faster and faster.

The jet-black Xuanming alien spiritual veins are also dimming at a speed visible to the naked eye.

In just a moment, it has become a transparent crystal.

Clap clap!

As Gong Qianqiu received his work, the power that finally supported the abandoned spiritual veins suddenly disappeared.

It shattered in an instant.

Gong Qianqiu ignored her, and her body slowly lifted into the air.

Because right above the spiritual veins, there is the purest spiritual energy of heaven and earth.

These auras are completely drawn from the spiritual veins.

Coupled with countless hours of accumulation and refining, the spiritual veins have been catalyzed to be extremely pure.

Gong Qianqiu would naturally not let go of such a high-quality spiritual energy.

Boom!

As the spiritual energy was inhaled into the body by Gong Qianqiu, the entire Xuanming Mountain was suddenly covered with dark clouds, and thunder was rolling.

But under the dark cloud, there are layers of blood-red clouds, which look extremely eerie.

Gong Qianqiu forcibly devoured the spiritual veins, which has caused the anger of heaven and earth.

Clap!

A bolt of lightning fell, just hitting the top of the main peak of Xuanming Mountain.

Boom!

Thousands of pounds of boulders shattered.

However, the phenomenon of lightning strikes did not stop there, but became more and more turbulent.

In just a moment, several lightning bolts struck the top of the mountain.

The boulder rolled down, and the main peak was flattened by thunder in just a few minutes.

This made Master Bone and Duguxiao, who were protectors of Gong Qianqiu in the distance, stunned for a while.

“Is this all the movement made by the master?”

Duguxiao swallowed hard.

The corner of Master Bone’s mouth twitched, and he was about to express his judgment, but there was a loud noise inside Xuanming Mountain.

Then it seemed that the entire Xuanming Mountain was shaking violently.

The frequency of lightning strikes on peaks is also increasing.

However, just when Duguxiao thought that the whole mountain would be shattered by the thunder, the lightning and thunder suddenly stopped.

The dark clouds also dissipated quickly, and the sun reappeared, leaving only the clouds that were blood red to the extreme.

Clap clap!

Suddenly, rubble flew.

A figure rose into the sky.

“Master is out!”

Duguxiao was very surprised.

Sure enough, after a while, a slender figure slowly descended from the sky.

It was Gong Qianqiu.

It's just that Gong Qianqiu was surrounded by purple-black spiritual energy at this time, and the whole person was even more coercive with extremely terrifying power.

Like a god descended into the world.

Duguxiao and Master Bone fell to the ground uncontrollably.

“Congratulations, Master, for leaving the customs!”

“Congratulations to the sect leader for leaving the customs!”

Both voices trembled.

The coercion of the powerful force makes them feel that breathing has become a burden.

“Please get up!”

Gong Qianqiu said lightly.

That pressure was relieved a lot.

“Master, have you swallowed the spiritual veins of the Xuanming alien race?”
Duguxiao asked cautiously.

Gong Qianqiu said with a smile: “It’s almost there, even if you don’t continue to swallow it, there will be no opponents in the world.”

Feeling the surging spiritual energy in the body, Gong Qianqiu couldn’t help laughing out loud.

If she swallowed those spiritual veins before, let the spiritual energy in her body converge into a river.

Then, after swallowing the Xuanming alien spiritual vein, the spiritual energy in his body has already converged with the sea.

“Even if I face Levi Garrison head-on, I have the confidence to kill him with one move.”

Gong Qianqiu said proudly.
