“You should feel honored to be able to make your roots and bones become one with me, shouldn’t you?”

Gong Qianqiu said with a smile.

pleasure?

The top ten Tianjiao were stunned.

Who cherishes such an honor?

“Now that I have established the Qianqiu Sect, you must witness my domination of the world!”

Gong Qianqiu smiled even more.

Looking at the angry and desperate expressions of the top ten Tianjiao, Gong Qianqiu felt a sense of accomplishment.

In the past, you were all high above, but now you are not a prisoner of my Gong Qianqiu?

The top ten Tianjiao were full of resentment, but they were helpless.

With Gong Qianqiu’s current strength, even if all ten of them are at their peak.

In the case of joining forces, I am afraid that they will only be killed in seconds.

Now that the root bone has been dug up and the cultivation base has been absorbed, he is completely a waste.

If it weren't for the evil taste that Gong Qianqiu wanted others to witness.

I'm afraid I've already been killed, right?

despair!

Intense despair quickly filled the hearts of the top ten talents.

Their pupils were dim, as if they had lost their vitality.

"And you Xu Qingya, you have to live well!"

"You are the first witness, you are very happy to see me so powerful, right?"

"Don't get angry, no matter how angry you are, it's useless, save your energy and live well!"

Gong Qianqiu raised his finger gently, and an invisible force lifted Xu Qingya's chin.

Xu Qingya clenched her teeth, wishing she could rush up and bite Gong Qianqiu hard.

But soon she gave up again.

Or utterly desperate.

With the strength that Gong Qianqiu showed just now, let alone his current state.

Even if you launch an attack in its heyday, you may not be able to touch the corner of Gong Qianqiu's clothes.

"That's right, take a good look at how I rule the world!"

"When the time comes, I'm in a good mood, and maybe I'll spare your life!"

While speaking, Gong Qianqiu walked to Yufeng Tiansi again.

"Yufeng Tiansi, are you still alright?"

Yufeng Tiansi only had one breath left and was forcibly hung by the medicinal pill.

Of course, this was also deliberately done by Gong Qianqiu.

She just wanted to let the big man who was supposed to be in charge of the Shentian Supervisor and even the entire town of Demons see it with his own eyes.

The huge estate he was once proud of was completely destroyed.

“Please kill me!”

Yufeng Tiansi said weakly.

His heart is dead.

Faith also collapsed with the appearance of Gong Qianqiu’s terrorist forces.

Yufeng Tiansi seemed to see the destruction of Zhen Mosi.

The foundation that was once proud will be destroyed by Gong Qianqiu’s hands.

“No, no, I won’t kill you, at least not for the time being.”

“I will invite you to watch it with your own eyes when I destroy the Demon Suppression Division and the Shentian Prisoner!”

Gong Qianqiu laughed wildly.

Yufeng Tiansi’s eyes were round, and after a while, he fainted directly.

“This sect is mainly going to do great things, so you can wait and see!”

After Gong Qianqiu finished speaking, he left the secret room with satisfaction.

The secret room was already filled with extreme despair.

Coming outside the corpse pit, Gong Qianqiu’s thoughts ran fast.

Today’s Qianqiu Church is huge.

If all of them are concentrated, the power is stronger than that of the Town Demon Division or the Eternal Kingdom.

Recalling the scene of being worshipped by countless sects not long ago, Gong Qianqiu’s ambitions inflated sharply.

“Next, the sect master no longer needs to be confined to this small place, but to face the whole world.”

“Wait, all of you will tremble because of Qianqiu Sect.”

Gong Qianqiu is full of pride, and he has already thought about the next step in his heart.

“Come on!”

Gong Qianqiu hooked his hand.

After waiting for a long time, Master Bone and Dugu Xiao walked away quickly.

He asked respectfully, “May I ask what the sect master ordered?”

“The two of you immediately get all the congregation to assemble and stand by.”

“Tomorrow morning we will attack the eternal kingdom.”

Gong Qianqiu said coldly.

A single command fell like a mountain.

Thousands of church members from all over the country quickly assembled, ready to be dispatched at any time.

The next morning.

Gong Qianqiu personally led the army and launched an attack on the eternal kingdom.

Due to the disparity in strength between the two sides, Qianqiu Sect directly attacked the Eternal Kingdom base camp in a destructive way.

The battle outside lasted less than ten minutes.

And the information about the eternal kingdom is also very well-informed.

As soon as the two sides fought, they received a report from the spies.

The high-level officials of the Eternal Kingdom thought that the external faction forces could resist a little.

Never thought that those people would be defeated in one blow.

In desperation, the helm of the eternal kingdom announced that the defense system would be activated immediately.

There was a sound of earth shaking.

In an instant, an invisible energy passport enveloped the entire Eternal Realm.

There is terrifying energy flowing above the mask, and it is also accompanied by the blessing of ancient runes.

This is the last trump card of the Eternal Kingdom.

Levi Garrison never defeated Levi Garrison with all his strength.

Of course, Levi Garrison didn't use all his strength.

"Don't worry, they can't break through this protective shield."

The high level of the Eternal Kingdom is very confident in this.

Of course, this protective cover did cause trouble for the Qianqiu sects.

Even Duguxiao didn't even shake a few punches.

At this time, Gong Qianqiu arrived.

"Master, please forgive the disciple's incompetence, it is impossible to break this protective shield."

Duguxiao said very respectfully.

Gong Qianqiu said indifferently: "Let this sect master try."

"I advise your Excellency not to waste your energy. It is as strong as Levi Garrison, the God of War in Great Xia, who has not been shaken by a single blow."

The Lord of the Eternal Kingdom sneered.

The sound resounded through the sky through a special amplifier, and it echoed for a long time without dissipating.

He wanted to take this opportunity to deter the group of intruders.

"Oh, is that so? The sect master is really interested!"

Gong Qianqiu suddenly became interested.

She originally thought that she would not try her best to test the depth of the protective shield at first.

But now Gong Qianqiu does not intend to do so.

She's going to go all out.

Smash the energy shield in one fell swoop.

"All Qianqiu Sect members step back."

Gong Qianqiu said solemnly.

Tens of thousands of congregants quickly retreated.

After a while, Gong Qianqiu released the power in his body.

The terrifying coercion of energy, even if the congregation retreated a few miles away, they still felt short of breath.

Everyone was shocked by the power of Gong Qianqiu.

Of course they are more fortunate.

I am fortunate to be able to follow such a powerful leader.

"Buzzing..."

The world centered on Gong Qianqiu made a deafening tremor.

The strong black energy fluctuations spread freely.

As if to tear the world apart.

“I want to see if this energy shield can catch the full blow of this leader?”

The black energy light waves quickly converged into a huge sword.

Chi Chi Chi!

The black energy hurricane surged, as if to tear the world apart.

“What? Is she so strong?”

The dark color of everyone in the eternal kingdom suddenly changed.

Even when Levi Garrison punched, he didn't seem to have such power.

At this moment, the space of Eternal Realm seemed to be extremely compressed.

The blood in everyone's body was even more surging.

It seemed that the body was about to reach its limit.

“Don't panic, everyone, it will be over after this period of time.”

“That's right, she can't break through the energy shield.”

“As long as we hide here, she can't do anything to us!”

Although the high-level people tried their best to appease them, the people of the Eternal Kingdom were still extremely nervous.

Gong Qianqiu is suspended in mid-air at this moment, like a god coming to the world.

The power has reached its peak.

“Break this sect master!”

The corner of Gong Qianqiu's mouth rose slightly, and at the same time made a downward slashing action.

The huge black energy blade poured down.

As if to cut the world in half.

At this moment, the black blade light blocks the sun

Terrifying energy pervades every corner of this world.

And let fear fill the hearts of all members of the eternal kingdom.

The people of Eternal Realm felt the terrifying energy coercion to the extreme.

Even through the shield of energy they thought was indestructible.

It still made them breathless, as if they were about to be split in half by this black energy blade.

“Dangerous! Dangerous! Dangerous!”

Eternal Kingdom energy terminal console crazy warning.

This is a huge energy control device.

It can calculate the threat level to the energy shield from the external energy.

The system automatically activated the strongest defense mode.

The shield keeps getting thicker.

The terminal connected to the super spiritual vein absorbs energy frantically.

It eventually becomes the outermost layer of defense blessing shield.

“boom!”

It exploded with an earth-shattering sound.

The protective shield also vibrated violently.

The aftermath of the energy impact spreads out with the energy shield as the center.

Until it spread throughout the War Eagle Country.

Every little corner was affected.

Terrible!

Yet all this is not over.

The huge black energy blade light collided with the energy shield for a moment.

The more solid blade light inside continued to make cutting movements.

Clap clap!

The thick energy shield is cracked.

“Fake! It’s impossible!”

The faces of the people of the Eternal Kingdom were inconceivable.

Even Levi Garrison couldn’t break through with a single punch.

This mysterious woman actually did it?

The whole world was shaking violently.

It was as if a devastating earthquake had occurred.

Upside down!

These four words suddenly appeared in everyone’s mind.

After a while.

The degree of cracking in the energy shield is more serious.

Finally triggered the limit point of the strongest endurance.

Clap!

The entire energy shield suddenly shattered.

The energy of the black energy blade light is about to dissipate.

However, the remaining energy still cut a bottomless ravine out of the inner ground of the eternal kingdom.

The energy aftermath spreads out suddenly.

Destroy all the facilities and machines inside.

The Eternal Realm suffered heavy casualties.

“The strongest defense of the eternal kingdom is just the same as the low row!”

Gong Qianqiu was suspended in mid-air.

Contempt was written on his face.

Of course, it is more of satisfaction, because the high-level officials of Eternal Kingdom have said it before.

Levi Garrison’s full blow was still unable to break the energy shield.

However, he also attacked with all his strength, and the energy shield instantly vanished.

Judgment.

“This sect master can already crush Levi Garrison.”

“kill!”

Gong Qianqiu resisted the urge to laugh on his back, and issued an order to the congregation again.

Although the energy shield is destroyed, many elites in the Eternal Realm survive.

She wants to completely wipe out the eternal kingdom from this world.

“Cut the grass without eradicating the roots, and the spring breeze will regenerate.”

Gong Qianqiu upholds this principle.

So she will not give the Eternal Kingdom any chance to turn around.

At the same time, the first shot of Qianqiu Jiao's shocking world must be fired.

The Qianqiu Sect members shouted and killed.

One side is like a rainbow.

One side's heart is broken.

Coupled with Duguxiao leading the elites of Qianqiu to rush to kill, it is simply a tiger into a flock.

The high-level officials and elites of the Eternal Realm were almost completely powerless to fight back.

In less than a few minutes, the battle was completely over.

The high-level and elites of the Eternal Realm were almost slaughtered.

The whole process takes no more than half an hour.

There is no more eternal kingdom on earth.

Blitz.

Gong Qianqiu led the Qianqiu Sect's offensive as if destroying the trees and destroying the eternal kingdom in the form of a blitzkrieg.

War Eagle Kingdom Sky Shield Bureau.

Agent Blackhawk.

Wait for the intelligence agencies of all parties to convey this message.

The message of Qianqiu's lightning destruction of the eternal kingdom quickly spread to every corner of the world.

The forces of all parties were horrified, and everyone was in danger.

This mysterious force also quickly spread across the country.

Shocked the world!

The message that Qianqiu Sect destroyed the eternal kingdom with a blitzkrieg quickly spread all over the world.

Levi Garrison got the message right away.

Especially the glorious record of the mysterious woman smashing the energy shield of the eternal kingdom with one move.

Levi Garrison was quite shocked.

Naturally, it also attracted his attention.

When he went to the Eternal Realm, he had to punch with almost all his strength to break the energy shield.

Although his cultivation has improved during this time, the strength of that mysterious woman should not be underestimated.

“Apart from my strength in a battle, there is really no one who is her opponent!”

Levi Garrison pressed his temple and had a slight headache.

After all, he cannot guarantee that he will be with all his relatives and friends 24 hours a day.

Advertisement

In other words, if this mysterious force attacks the base camp as a whole.

The mysterious woman only needs to hold herself back, and with Duguxiao and other experts in the sect, she can run amok.

Then there is the energy shield of the contrasting Eternal Realm.

The defensive formation of the base camp appears to be much lower.

At least an all-out blow from a high-level expert like the mysterious woman can basically destroy the defensive formation.

“It seems that the only way to move everyone to the underground base is!”

Levi Garrison thought silently.

An unprecedented sense of crisis swept over.

Levi Garrison is still like this, not to mention the rest of the base camp and the underground base.

“A power of the level of the Eternal Kingdom was destroyed in less than half an hour. I can’t imagine it.”

“Our defense here may not be able to withstand the blow of the mysterious woman.”

“I believe that as long as there is a master (the boss) in charge, the mysterious woman will not dare to act rashly.”

Although this is said, many people have a question mark in their hearts.

Can Levi Garrison, who has always been invincible in battle, really win the mysterious woman?

Even if there is a fighting force, as long as Levi Garrison is entangled.

So who can stop Duguxiao?

A gloomy mood creeps in.

In the end, it turned into a strong sense of crisis.

the other side.

The Town Demon Division also received relevant information.

There was an uproar in the entire Zhenmo Division and Shentianjian.

Everyone was shocked beyond measure.

What level of power is the Eternal Kingdom?

Even at the peak of Zhen Mosi, the existence of three points must be respected.

It took less than half an hour to lead the congregation to be destroyed by a mysterious woman?

Now the core combat power of Zhen Mosi has been seriously damaged.

The three gods of Shentianjian died, and the whereabouts of those who were unknown were unknown.

If the mysterious forces bring people to attack at this time, I am afraid they will not last for half a day, right?

"It is said that the eternal kingdom also has a top-level defensive shield."

"Yeah, in comparison, the defensive formation of our Town Demon Division is not worth mentioning."

"It would be nice if Tiansi was here, at least you don't have to live in such fear."

"Even if Tiansi returns, are you guaranteed to be the opponent of the mysterious woman?"

There was a lot of discussion.

Almost everyone has a serious lack of confidence in Yuzhen Mosi.

Everyone is in danger, and some people have even sneaked away.

Fear is like a monster, constantly eating away at the little confidence left by everyone.

In this situation, the only thing the Shentianjian can do temporarily is to try his best to appease him.

And said that the position coordinates of the tracking token began to move again, obviously Tiansi was still alive.

It is very likely that the king will return soon.

Although the temporary talker was telling the truth, in the eyes of everyone, it was like drawing a pie.

I don't even believe that Tian Si will return.

It can be said that there has been a crisis of trust between the lower-level personnel and the higher-level personnel of the Town Magic Division.

Once the seed of doubt is planted, it will quickly grow into a towering tree.

A chain reaction will follow.

For example, slow execution of orders, disintegration of people's hearts, gradual loss of high-level prestige, etc...

"It's dangerous to go on like this, Tiansi, where are you?"

The temporary interlocutor of Shen Tianjian put his hands on his forehead.
