

# The Return of the God of War [The Protector] Chapter 3779

Azure Dragon (Azure Dragon) and several people agreed, and they felt this way more and more.

This matter is definitely related to Gong Qianqiu.

Because it is only in this case that the many things that run through before and after can be fully explained.

“Besides, pay more attention to Xiao Feng, I think he may have contact with Gong Qianqiu.”

As soon as Phoenix spoke, the others turned their attention.

There was doubt in his eyes.

Phoenix explained: “Think about Xiao Feng’s changes in the past few days.”

A word woke the dreamer.

Azure Dragon (Azure Dragon) and the others instantly understood what Phoenix meant.

Some time ago, Xiao Feng had been decadent to the extreme.

Just a few days ago suddenly refreshed.

Before reuniting, he unexpectedly warned himself, and even proposed to bring Gong Qianqiu to meet the boss.

There are various signs that Xiao Feng is very likely to have contacted Gong Qianqiu.

But for some reason, Xiao Feng concealed this matter.

Of course, for Xiao Feng, I am afraid that only Gong Qianqiu can bring him such a huge change.

"It's just that Xiao Feng's strength is not increasing now, so I'm afraid it won't work if we stare at it."

"That's right, once Xiao Feng finds out, he can easily get rid of us."

"Wouldn't it be time to scare the snakes?"

Phoenix felt reasonable, thought for a moment and said, "In that case, let's ask Levilia to help!"

"Okay!" Everyone agreed.

On the premise of not disturbing Levi Garrison, Levilia is the only one who can keep an eye on Xiao Feng quietly.

the other side.

Xiao Feng also quickly learned that the West Pavilion was bloodbathed.

He instinctively thought that Gong Qianqiu was in trouble, and immediately rushed to the West Pavilion to investigate the situation.

At this moment, the West Pavilion has been surrounded by people from other factions of the Zhenmo Division.

However, as Xiao Feng, he was not hindered by what he wanted to come in.

After all, the entire town magic department now wants to hold Levi Garrison's thigh tightly.

The lover of the thigh is naturally also the object of their trying to please.

It's just that now Xiao Feng really doesn't have the heart to listen to these flattery.

He looked for traces of Gong Qianqiu everywhere like crazy.

"Qianqiu, you must not have an accident!"

“Hurry up and reply to my message, okay?”

“Qianqiu, where are you?”

Xiao Feng kept sending messages using communication tools.

But Gong Qianqiu did not have any response.

This made Xiao Feng’s mood even more flustered.

He searched the West Pavilion inside and out, and all the secret passages of various agencies were not missed.

But there is still no message from Gong Qianqiu.

Xiao Feng sat slumped on a stone.

There was still a faint smell of blood in the air.

But this smell made Xiao Feng even more worried.

There are so many forces in the Zhenmo Division, why did they choose the West Pavilion?

“Could it be related to Qianqiu’s investigation into Tian Si’s whereabouts?”

Xiao Feng suddenly thought of this possibility.

It is rumored that Tenji went to find the legendary world.

And Gong Qianqiu was ordered to find Tiansi’s whereabouts before.

This period is likely to involve the secrets of the legendary world!

Of course, it is also possible that the mysterious force randomly selected the West Pavilion, in order to shock the entire town magic division.

But for whatever reason, now Qianqiu may be less fortunate.

Xiao Feng slapped himself fiercely.

“I’m so useless.”

Xiao Feng kept scolding himself.

Not long ago, he boldly told Gong Qianqiu that he could protect her.

It didn't take long for Qianqiu to suffer this catastrophe.

And he was not by her side.

"When I was hunted down by mysterious forces, Qianqiu hoped that someone would protect me!"

Xiao Feng felt remorse.

If he had made up his mind at that time, he would bring Gong Qianqiu back to the base camp.

Then she can escape.

"Qianqiu, it's all my fault that I'm not firm enough."

"It's all my fault."

"It's all my fault for not being able to be by your side all the time."

Xiao Feng kept beating himself, and his cheeks were already swollen.

Just as Xiao Feng was extremely remorseful, there were light footsteps coming from behind him.

Xiao Feng turned his head to look, it was Phoenix and the others.

"Humph!"

Xiao Feng snorted coldly and got up to leave.

Since the last fight, Xiao Feng was holding back his anger.

If it wasn't for Master Levi Garrison's face, he would have wanted to fight.

After all, these people are staring at Gong Qianqiu like a ghost.

This made Xiao Feng very disgusted.

"Wait." Phoenix stopped the way.

Xiao Feng frowned, and said with some displeasure: "If you have nothing important, just get out of the way, I'm busy!"

"Are you going to find Gong Qianqiu?" Phoenix asked in a deep voice.

Xiao Feng nodded in recognition.

He is going to rescue Gong Qianqiu, who is now in danger with a high probability.

"Don't worry, she is definitely alive!" Azure Dragon took over.

Xiao Feng was immediately pleasantly surprised. He speculated that Azure Dragon and others had been secretly monitoring Gong Qianqiu.

Could it be that they know the whereabouts of Gong Qianqiu?

"Where is Qianqiu?" Xiao Feng asked impatiently.

Phoenix said coldly: "I don't know exactly where it is, but even if everyone in the West Pavilion is dead, Gong Qianqiu will definitely be alive."

"And the West Pavilion is very likely to be extinct by Gong Qianqiu."

Xiao Feng was instantly furious, and the expectations that had just risen were instantly dashed.

This quickly turns into anger.

"Are you all wrong?"

Xiao Feng showed no mercy, "Qianqiu was originally from the West Pavilion, why did she want to destroy her own classmate?"

"You like speculation so much?"

“Then help me calculate, where is Qianqiu at the moment?”

The more Xiao Feng said, the more excited he became, the blue veins on his forehead collapsed.

In Xiao Feng’s eyes, Gong Qianqiu is a pure and kind woman.

Over the years, I have chosen to endure the meager words of my classmates in silence.

It will take a long time to be sad if you miss a match and injure your fellow junior sister.

For such a woman, Azure Dragon and the others actually suspected her of killing her fellow sect?

It’s a big joke!

“Xiao Feng, can’t you be sober?”

“If you can’t just see the surface, at least think about why?”

“The West Pavilion was washed with blood, but there is no trace of Gong Qianqiu. Have you ever thought about the possibility that she was the initiator of everything?”

Phoenix pressed step by step, trying to wake up Xiao Feng with words.

However, for Xiao Feng at the moment, this is tantamount to adding fuel to the fire.

“Shut up, what logic is this?”

“The West Pavilion is so big, is it impossible for Qianqiu to take the opportunity to escape?”

“Furthermore, it is difficult for people to leave a whole corpse under the bombardment of powerful strength. How can you be sure that Qianqiu is still alive?”

Xiao Feng pointed at Phoenix, but his heart was extremely sad.

If it was the worst case, he really couldn’t accept the fact that Gong Qianqiu died without a whole body.

“You’re really hopeless.”

Azure Dragon no longer knew how to communicate with Xiao Feng.

Others are also very puzzled, and Xiao Feng can analyze other things well.

How could Xiao Feng be so stubborn when it comes to emotional issues?

“How come I can’t get you to talk too much.”

This time, Xiao Feng dodged directly over Phoenix, and the speed was so fast that Phoenix could not react at all.

“If you still have random suspicions without evidence next time, I will really take action.”

“Don’t blame me for not greeting you in advance.”

After speaking, Xiao Feng left directly.

Leaving a face full of stunned and shocked Azure Dragon and others.

The more Xiao Feng thought about it, the more angry he became.

Don’t they have to put the hat of Qianqiu’s female leader on Gong Qianqiu’s head, will they be satisfied?

hateful!

Xiao Feng was furious, but he was most worried about Gong Qianqiu’s safety.

However, just when Xiao Feng was thinking about it.

The communication tool suddenly vibrated.

Xiao Feng quickly took it out.
