

The Return of the God of War [The Protector] Chapter 3787

As for Xiao Feng, he was already obsessed with devouring all kinds of energy.

They didn't even take the initiative to contact Gong Qianqiu.

He only has one thought now, and that is to become stronger quickly.

In this way, we will have more right to speak in front of the base camp and the master.

Then I can bring Gong Qianqiu back to meet everyone faster.

To endure the pain of missing for a while, can you get long-term companionship.

Every time I think about this time, Xiao Feng is more motivated to practice.

In addition, he has become more and more skilled in the extreme swallowing technique, and his strength has indeed grown very rapidly.

At the same time, Gong Qianqiu has completely controlled Tianshifu.

Her strength is too terrifying, and the Celestial Masters have also studied other countermeasures to kill her.

But in the end they gave up because they were not sure.

So Gong Qianqiu almost belonged to ordering Tianshifu to mobilize Tianlei to temper her body.

In desperation, the Tianshi Mansion had to bear the humiliation and bear the burden.

Of course, all the Celestial Masters understand that once Gong Qianqiu's body quenching is completed, the role of the Celestial Master's Mansion will be useless.

At that time, everyone in the Tianshi Mansion will have to die.

They only hope that Levi Garrison will arrive as promised at that time.

Help Tianshifu to survive this disaster safely.

"You increase the power of Tianlei, and now this strength is not enough."

Gong Qianqiu ordered in a condescending tone.

The celestial masters had to do it.

Gong Qianqiu is very satisfied with this situation, as long as the strength of the power of the thunder is precisely controlled.

She also doesn't have to spend extra strength to fight hard every time.

In this way, you can enjoy a longer quenching time.

Clap clap!

A thunderbolt struck Gong Qianqiu's body again.

For a while, the electric light surrounded, sizzling.

Gong Qianqiu runs the exercises, and while protecting the heart, guides the power of Tianlei to continuously quench the body and meridians.

Two-pronged approach, at the same time.

"That's how it feels, it's amazing!"

Gong Qianqiu enjoyed the body quenching process immensely.

Every flash of lightning made Gong Qianqiu's body tougher.

The meridians also undergo qualitative changes.

If it was said that the meridians in Gong Qianqiu's body were only steel wires.

Then after Tianlei's continuous quenching of the chain, there has been a tendency to develop into steel bars.

Finally, after hundreds of thunders landed.

Gong Qianqiu feels that today's body tempering will reach the limit again.

Body quenching is also a long and important process, and haste is not enough.

Otherwise, blindly pursuing speed will likely make the body and meridians extra hard, but it will lack toughness.

In this way, when he continues to devour the power of the spiritual veins in the future, it is very likely that his body will burst open.

There is an essential difference between pure hardness and toughness.

Gong Qianqiu is very aware of this, so he is very patient.

What's more, Levi Garrison has been dragged by Duguxiao now.

You can slowly temper your body without any worries.

When the quenching is completed, she will be able to devour the super spiritual veins of the Eternal Realm.

At that time, her Gong Qianqiu will be even more invincible.

"Come here today!"

Gong Qianqiu clearly felt the changes in his body and meridians.

According to her estimation, the quenching body should be nearly half completed.

Everyone in the Tianshi Mansion let out a sigh of relief, it seems that this female devil has not yet successfully tempered her body.

This will save your life temporarily.

Gong Qianqiu left proudly, and Wentian also notified Levilia and others of the information here in real time.

God of Heaven.

The temporary talker is facing the panic-stricken Zhen Mo Si at a time when there is nothing he can do.

Tian Si suddenly came with a message.

Claiming that the Lord of the Xuanming Alien Race is about to return, let them make all defense preparations during this time.

At the same time, they said they had found the legendary world.

Inside are super powerhouses who can destroy the world.

And the legends recorded in the ancient books of Zhen Mosi actually all went to this world.

And here, their original strength was considered to be the lowest level of existence.

Shen Tianjian's temporary talker was shocked and stunned.

I couldn't believe my eyes.

Shen Tianjian's temporary talker was still too shocked to speak.

He continued to look down at the information from Tiansi.

After such a long period of time, Tiansi and Xuanming have each joined the super sects in the legendary world.

The strength of these super sects is also unimaginable.

Now Xuan Ming has learned that Xuan Ming's alien race has been destroyed, and he is about to return to take revenge.

"How can this be good?"

Shen Tianjian's temporary talker frowned into the word "Chuan".

Xuan Ming's return is not a good thing for Zhen Mosi.

Now Qianqiu Jiao is eyeing the tiger, and there is Duguxiao among them.

If Xuan Ming returns, there is a high probability that he will join the Qianqiu Cult.

Wouldn't the Zhenmo Division be less able to resist by then?

However, Tian Si's next remarks made the temporary talker let out a sigh of relief.

"Don't worry, I won't just watch the Demon Suppressing Division be destroyed, and I will return to the Suppressing Demon Division soon."

Immediately afterwards, Tiansi also said that he was not alone in this return.

And return with the power of several legendary worlds.

Tiansi said that there is no follow-up to this.

Of course, this is enough to stabilize the military's heart for the temporary messenger of Shentianjian.

He immediately informed the top management of Zhenmo Division that Tiansi was about to return with the power.

There was an uproar in the conference hall.

"I'm afraid this world is going to be completely chaotic!"

"Once the great power in the legendary world appears, it will definitely set off a bloody storm."

"Even if we can try our best to restrain ourselves, how can a murderous devil like Xuan Ming give up?"

“What are you afraid of? Xuanming brought back the great power, and Tiansi also brought the great power back. What are we to be afraid of?”

“That’s right, we can finally regain our prestige, and we don’t have to look at Levi Garrison’s wink anymore.”

The Town Demon Division had mixed feelings.

But still very much looking forward to the return of the King of Heaven.

Finally, I don’t have to live my life cautiously.

the other side.

Qianqiu Sect’s eyes and ears are spread over many forces.

The news that Tian Si and Xuan Ming were about to return soon reached Duguxiao’s ears.

“This is really good!”

Duguxiao was excited.

For him this is a great thing.

The biological father has been practicing in the legendary world for a long time, and his strength is definitely not what it used to be.

Coupled with Master Gong Qianqiu, he absolutely swept everything in this world.

Especially the biological father Xuan Ming did not come back alone, but also brought the super power of the forces behind him.

This is tantamount to adding wings to a tiger!

“Levi Garrison, I will break your neck with my own hands.”

Duguxiao muttered to himself viciously.

He can’t wait to meet his biological father Xuan Ming now.

at the same time.

Phoenix and the others carefully observed the development of the situation.

While continuing to investigate whether the mastermind behind the scenes is Gong Qianqiu.

It's actually very useful to find out who she is, especially how she became so powerful.

As long as this source problem is found out, many questions and confusions will be solved easily.

Furthermore, by identifying the identity, you can allow your own personnel to have a clearer target to guard against.

Including its related personnel, but also to strengthen prevention.

In this way, it can be prevented from being used, and it is also possible to avoid being provoked as much as possible.

In recent days, news has been sent from multiple eyeliners one after another, and a lot of evidence has been obtained quickly.

Sure enough, those people in the West Pavilion who did not die, without exception, were all disciples who had been friends with Gong Qianqiu.

And now these people have all joined the Qianqiu Sect.

Not only that, the East Pavilion was successively attacked, and the remaining disciples also joined the Qianqiu Sect.

It can be said that the Qianqiu Religion is rapidly expanding its power.

And the main expansion point is to slowly erode the power of the major factions of the Town Demon Division.

The key evidence is that these people have the mark of Qianqiu.

A tattoo of a dragon swallowing the heavens and the earth.

This is all particularly obvious, and not very difficult to investigate.

More information followed.

Phoenix and others also discovered that Gong Qianqiu was among the members of the West Pavilion who were almost killed by the boss.

This matter is very crucial, and it is almost a clear-cut evidence.

After all, Levi Garrison had suspected that there was a mysterious woman among the members of the West Pavilion at that time.

In addition, Phoenix learned that Gong Qianqiu's master, Gong Wenqian, was killed by Gong Qianqiu and Xiao Feng together.

Azure Dragon and others were shocked by this news.

Because at that time Gong Wenqian was wrongly accused of being a traitor.

According to people familiar with the matter, Gong Wenqian brought many disciples to kill Gong Qianqiu at that time.

As for why Gong Wenqian and Gong Qianqiu's master and apprentice suddenly turned against each other, the details are unknown.

But no matter what, this matter is directly related to Xiao Feng.

Perhaps key clues can be found in him.

"You must ask Xiao Feng about this matter."

Phoenix and the others made up their minds to find Xiao Feng directly.

At this moment, Xiao Feng is frantically swallowing the spiritual energy of heaven and earth.

He is now completely caught up in the joy of improving his strength in a short period of time.

"Xiao Feng, did you kill Gong Wenqian?"

Phoenix asked straight to the point.

The practice was interrupted in the middle, which made Xiao Feng quite unhappy.

In particular, this kind of tone of guilt-like tone made him even more unhappy.

“That’s right, Gong Wenqian was killed by me.”

Xiao Feng admitted it without any hesitation.

It’s just that Xiao Feng didn’t expect that, unexpectedly, he actually killed Gong Wenqian.

“Xiao Feng, do you know why Gong Wenqian wanted to kill Gong Qianqiu?” Azure Dragon asked.

Xiao Feng said with a sneer: “Gong Wenqian listened to the slander and said that Qianqiu stole the Xige Supreme cultivation method.”

“Such a confused and confused master, it’s a shame to die.”

The more Xiao Feng said, the more angry he became. This was what Gong Qianqiu told him later.

If Gong Qianqiu really stole the supreme cultivation technique, how could he have no power to fight back against Gong Wenqian?

Even if you lose, at least there is no problem in retreating with your entire body, right?

Seeing that Xiao Feng trusted Gong Qianqiu so much, Azure Dragon and others didn’t know how to persuade him.

Especially the two sides coaxed very unpleasantly before.

There is even a tendency to draw swords.

“Xiao Feng, if you think about why, it may be good for you.”

After Phoenix finished speaking, he turned and left.

Azure Dragon and others followed closely behind.

Xiao Feng snorted noncommittally and said, “It’s inexplicable! Are you the only ones who know how to think?”

Xiao Feng naturally wouldn’t believe that this was Gong Qianqiu’s plan.

Because this is what I saw with my own eyes.

Even if you want to stage a bitter plan, you don’t need to joke about your own life, right?

In the circumstances at that time, if he took a moment's delay, Gong Qianqiu would probably die.

And this also proves that Gong Qianqiu did not practice Levilia's exercises.

Otherwise, even if they lose, they can still retreat under Gong Wenqian's attack.

After separating from Xiao Feng, Phoenix and the others found a secluded place.

Phoenix said in a deep voice, "Do you think Gong Wenqian found some solid evidence at that time, and was killed by Gong Qianqiu?"

"It's unlikely, Gong Wenqian was indeed killed by Xiao Feng, and there are many people who know about it, so it's impossible that it's all slander." Azure Dragon waved his hand and said.

Several people suddenly fell into silence, which is indeed a contradiction.

After pondering for a while, Phoenix suddenly said: "What if Gong Qianqiu used some kind of trick to create an illusion that Gong Wenqian was killed by Xiao Feng?"

A word to wake up the dreamer.

Azure Dragon and others agreed.

If Gong Qianqiu is strong enough, then he can completely control certain actions of Gong Wenqian.

Especially with Xiao Feng's strength at that time, even if it was a sneak attack, it would not be easy to kill Gong Wenqian.

"Phoenix's speculation is very likely."

"That's right, if Xiao Feng himself was counted, he would have no way of knowing."

“What’s more, Xiao Feng is infatuated with Gong Qianqiu, and the preconceived impression will not be bad.”

Several people expressed their opinions one after another, and Phoenix’s face became more and more solemn.

If it is as they guessed, then Gong Qianqiu’s scheming is terrible.

Because Xiao Feng is in love with her, but his mind is very flexible, and he wants to confuse people in front of him continuously.

How strict is the arrangement for that?

Azure Dragon sighed and said: “Although we basically locked Gong Qianqiu, we still lack substantial evidence.”

“Yeah, if you want Xiao Feng to give up completely, and the boss completely trusts it, you still have to continue to check the evidence.”

Phoenix and others were full of energy and continued to investigate the relevant evidence of Gong Qianqiu.

at the same time.

Gong Qianqiu continued to use Tianlei to quench his body.

Duguxiao was active in various forces with a group of dead men.

The base camp of Zhen Mosi and Levi Garrison was the first to bear the brunt.

Although he knew that Tian Si was about to return, Dugu Xiao was still unscrupulous.

In his opinion, Tiansi’s return is also helpless to him.

Even if you can’t beat it, it’s completely out of the question to retreat.

What’s more, the biological father Xuan Ming once again sent a message that he will soon return with several powerful kings behind him.

This made Duguxiao more confident.

Advertisement

It has almost reached the level of arrogance.

And when Duguxiao was chatting everywhere, he personally revealed that the exercises he practiced were related to Levi Garrison's daughter.

There is no impervious wall in the world.

In particular, Phoenix and others always pay attention to everything related to Gong Qianqiu.

So this information was quickly grasped by Phoenix and the others.

Phoenix and others immediately decided to find Levilia to determine the situation, after all, this is really a matter of great importance.

Once the hammer is real, it can basically be determined that Gong Qianqiu is a mysterious woman.

"Levilia, if you think back to the exercises that Duguxiao used back then, how likely is it that you created your own exercises?"

Phoenix asked eagerly.

In fact, Levilia has long thought about this matter over and over again.

In particular, Duguxiao led people to attack the underground base for the second time.

Levilia is basically certain that she is the extreme devouring side of her self-created exercises.

Phoenix and the others were in high spirits. This was a very crucial clue and evidence.

They had the heart to tell Levi Garrison, but Levi Garrison didn't know where to go.

Even Zoey Lopez and Levilia don't know.

"The most important thing for us is to first determine who leaked the exercises."

Azure Dragon said solemnly.

After all, as long as this matter is confirmed, other things can easily find out many doubts.

It is even possible to directly attack Huanglong and lock the true identity of the mysterious woman.

“But I have asked all the people who have taught the practice, and there is none!”

Levilia is also a little depressed.

“Levilia, do you remember when you taught Xiao Feng the exercises?”

Phoenix asked suddenly.

Levilia was slightly startled, she did not intend to say this.

Of course she understood the meaning of Zhu Que’s words, and she was also quite suspicious of Xiao Feng.

But after all, there is no conclusive evidence, and Xiao Feng is the most important disciple of his father.

In the eyes of outsiders, to a certain extent, Levilia’s words and deeds even represent Levi Garrison’s attitude.

Therefore, Levilia generally does not want to rashly doubt insiders.

Because once there is a crack inside, it will be very difficult to repair in the future.

There may even be irreversible consequences.

“Levilia, you don’t have to have any concerns, we won’t tell the boss until there is conclusive evidence.”

“Yes, Levilia, this matter is very important and must be determined clearly.”

“What’s more, it’s such a time, Levilia, don’t hide it.”

Phoenix and the others tried their best to persuade them.
