

The Return of the God of War [The Protector] Chapter 3807

in the dark.

Several figures were hidden in the jungle.

It is the ten arrogances who are about to be exhausted.

Ever since they discovered that Qianqiu Sect was heavily guarded by Qianqiu Sect, they knew that this road would be impossible.

In desperation, he had to hide in a jungle.

The Ten Great Talents planned to sneak into the Demon Suppression Division after the guards had a flaw.

Being chased and killed for days has brought their mental and physical strength to the limit.

If it wasn't for the firm belief and perseverance that I have cultivated over the years, I'm afraid I would have fainted from exhaustion.

"It's not the way to go on like this. After dawn, we can easily be exposed."

Baili Wan'er lowered her voice.

Advertisement

Shangguan Tianfeng sighed and said, "There are too many people around the Qianqiu Cult, and it's a dead end for us to rush out."

The rest of the people shook their heads and sighed, no longer the spirit of the top ten talents of the year.

"Hiding is dead, and killing is dead. It's better to fight. If you can rush out for two, let the police officer know the situation."

"I believe Tiansi and the others will avenge us."

"It makes sense. Let's go out in five ways, maybe there is a chance."

"Where did your confidence come from?"

Just as the top ten geniuses were preparing to act, a playful female voice came from a distance.

This sound is very penetrating, as if it can shatter a person's eardrums.

The hearts of the top ten talents sank to the bottom in an instant.

Advertisement

Miya Chiaki!

This is Gong Qianqiu's voice.

The pupils of the top ten Tianjiao shrank suddenly, and instinctively wanted to escape.

"Don't waste your efforts, you have been locked by this sect master, and you can't escape."

Before he finished speaking, a black figure galloped like lightning.

In an instant, the top ten arrogances were approaching.

The terrifying energy coercion spread out, and the area was searched like a blanket of mercury.

The top ten arrogances have nowhere to hide, and in desperation, they have to take the initiative to show up.

"Fighting with her, even if I die, I don't want to be tortured any more."

Jiang Tianqiong almost roared.

The top ten arrogances used to be arrogant and arrogant.

Gong Qianqiu stomped their arrogance and dignity on the ground and rubbed them.

Recalling that period of inhuman life, a look of determination appeared in the eyes of the top ten talents.

That's right, even if you die in battle, you can't be humiliated like that again.

"Fight!"

The top ten Tianjiao made a decision in their hearts.

Gong Qianqiu said with a sneer: "You want to die, it's not that easy."

"This sect master wants to make your life worse than death."

Swish!

A dark shadow shot out.

Li Zhuyue and Xu Zhetian were slapped in the chest before they had time to react.

The two of them flew out more than ten feet upside down, and finally fell heavily to the ground, with blood already flowing from the corners of their mouths.

Others swarmed up, knowing that they were not Gong Qianqiu's opponent, but they wanted to die.

"Don't worry, I won't kill you for the time being."

Gong Qianqiu smiled even more, and even only used one hand to fight the enemy in the entire project.

Even so, the top ten geniuses are still powerless.

He was tortured by Gong Qianqiu's blood.

Although the top ten geniuses recovered some of their cultivation with the help of Yufeng Tiansi's magic medicine.

But they have no roots after all.

Not to mention fighting against Gong Qianqiu, even in the face of today's Duguxiao.

The top ten arrogances are only tortured by blood.

Look at the ten arrogances who are embarrassed.

Gong Qianqiu slowly walked to Dugu Tuo and stepped on his chest.

"Tell me, where are Xu Qingya and Yufeng Tiansi?"

Gong Qianqiu exerted a little force, but Dugu Tuo couldn't bear it, and his chest was like a huge boulder of thousands of pounds.

"I have no idea!"

Dugu Tuo said weakly.

Gong Qianqiu snorted coldly, and kicked it out a dozen feet away like he was kicking a ball.

"And you?"

Gong Qianqiu stepped on Baili Wan'er's face and asked coldly.

The Return of the God of War [The Protector] Chapter 3808

"I do not know....."

Baili Wan'er was kicked out before she finished speaking.

After interrogating several people in a row, none of the top ten talents came to the case.

Gong Qianqiu's eyes became extraordinarily deep, and she could feel that these people were not only begging for death.

It really doesn't look like he knows the whereabouts of other people.

After all, eyes can't deceive people.

"Gong Qianqiu, if you have the ability, you can kill me."

"That's right, I don't want to live anymore, so give me a good time."

"Gong Qianqiu, you are a bitch who only knows how to cling to men's upper ranks."

"Even if you are in charge of Qianqiu Sect, what if you are not a lowly child."

Some of the top ten arrogances shouted, and some insulted Gong Qianqiu.

The purpose is just to die!

They really don't want to continue being detained in a dark underground cell.

Live a life that is not as good as a pig and a dog every day.

Living like that is suffering.

Gong Qianqiu said sadly: "You should stay in the dungeon honestly!"

"Come here, imprison them in the dungeon, and put special iron chains through their limbs."

"You can't give them another chance to escape."

"As ordered!"

The Qianqiu priest was ordered to take away the top ten talents.

Soon only Gong Qianqiu was left on the spot.

"Where is this immortal Yufeng Tiansi hiding?"

Gong Qianqiu was a little depressed. It stands to reason that she had already set up the Tianluodi net, but she didn't even encounter the figure of Yufeng Tiansi.

Not long ago, Gong Qianqiu got the message, and finally the elite of the Ten Temple Yama, who was in charge of tracking Yufeng Tiansi, was also lost.

Gong Qianqiu closed his eyes tightly and continued to search area by area by means of power search.

This trick was also realized by Gong Qianqiu recently.

As long as she releases her own power, she will collide with each other when she encounters the power fluctuations of other powerhouses.

Get power collision feedback, so determine the opponent's specific location.

After two consecutive days of searching, there was still no information from Yufeng Tiansi, Xu Qingya and others.

“Master, do you think these people have already escaped to the Suppressing Demon Division?”

Duguxiao asked in a deep voice.

He also carried out a frantic carpet search with the dead.

But the continuous search was fruitless.

Gong Qianqiu waved his hand and said: “It shouldn’t be. After I found out that they had escaped from the corpse pit, I immediately sent someone to seal the relevant area near the Town Demon Division.”

“Yan Guo left the voice, no matter how hidden they are, as long as they escape into the Suppressing Demon Division, they will be discovered by our people.”

“What’s more, Qianqiu Sect still has a lot of insiders in the Demon Suppression Division, and they didn’t reveal any information.”

“That’s really weird. They’re not stupid. It’s true that moving separately will cause us some trouble.”

Duguxiao praised the other party in a mocking tone.

Gong Qianqiu sneered twice and said: “I think Yufeng Tiansi is afraid of being dragged down. You have also seen the state of the top ten talents.”

“As far as their cultivation is concerned, even if they run away from the business, they can’t run fast.”

“According to their footsteps, if the three of Xu Qingya returned to the Town Demon Division, they should also be around here.”

“There are still no signs of them, which means...”

“That means they haven’t returned to the Demon Suppression Division!” Duguxiao’s eyes lit up, as if he had caught something.

“That’s right!”

Gong Qianqiu said with a smile: “With their cultivation base, it is difficult to avoid the power of this leader in this area.”

“So the most likely place for them to go should be Levi Garrison’s base camp.”

“Master, Master Bone is in charge over there!” Duguxiao looked solemn.

Gong Qianqiu immediately understood what Duguxiao meant. Although Master Bone was not weak, he had to face Levi Garrison.

Even a powerhouse of the level of Levilia is not an opponent.

“I’ll go myself.”

Before he finished speaking, Gong Qianqiu flashed out like lightning.

The Return of the God of War [The Protector] Chapter 3809

Gong Qianqiu moved forward at a high speed, and he was indeed a little panicked in his heart.

“Why did I ignore Xu Qingya and the others looking for Levi Garrison?”

After all, looking for Levi Garrison has the same effect as returning to the Town Demon Division to spread the message.

Gong Qianqiu was very anxious, and it was Master Bone who was in charge of the search outside Levi Garrison’s base camp.

Although his strength is also very strong, he can’t win against the powerhouses like Levi Garrison and Levilia.

Once Xu Qingya is exposed to the masters of Levi Garrison’s base camp.

Advertisement

The bone master is very difficult to resist, and it is very difficult to even escape.

Once Levi Garrison knew about Qianqiu Sect and what he had done.

Then Zhen Mosi will know, and Tiansi can also get information when he returns to nature.

“Levi Garrison is not terrible, but if he joins hands with Tiansi, the consequences will be unimaginable.”

Advertisement

Gong Qianqiu was terrified.

Even broke out in a cold sweat.

Originally, she didn't have to be so afraid, but now the spiritual veins of the eternal kingdom have been destroyed.

Now Gong Qianqiu wants to devour energy but can't find it anywhere.

"If Xuan Ming can join hands with me, maybe he can get out of this predicament."

"But if Xuan Ming chooses to sit on the mountain and watch the tiger fight, then I will be very dangerous."

Gong Qianqiu frowned, because she felt that this situation was very likely to occur.

At that time, Tiansi will also join hands with the legendary power of the world to return.

The relationship between the parties is not easy to handle.

Advertisement

"It would be bad if it got this far."

Gong Qianqiu unconsciously accelerated the speed.

Carefully calculate Xu Qingya's speed, if the latter chooses to go directly to Levi Garrison's base camp.

Then it's too late to speed up.

Even if it is time to mobilize people from Qianqiu Sect near Levi Garrison's base camp.

And it may also startle the snake, attract the attention of Levi Garrison and others, and then take the initiative to attack.

"hateful!"

Gong Qianqiu was a little furious.

It would be great if someone inside Levi Garrison Base Camp could help him.

"Xiao Feng!"

Gong Qianqiu's eyes lit up, and he suddenly thought of this best tool man.

In particular, Xiao Feng has a very high status in Levi Garrison's base camp, and he can handle this matter more covertly.

"Fortunately, I didn't get rid of this waste at that time, and I didn't think that I would be able to help this leader at a critical moment."

Gong Qianqiu praised his wit.

Gong Qianqiu stopped and took out the emergency contact tool.

Buzz!

Just after opening the communication tool, the information sent by Xiao Feng during this period of time came from it.

Such as "I miss you forever", "Are you okay now?", "Why can't I contact you again?" and so on...

Seeing Gong Qianqiu's nausea for a while, this waste is still delusional to gain the favor of this leader?

Resisting the nausea, Gong Qianqiu sent information to Xiao Feng.

"Xiao Feng, what are you doing? I'm finally out of danger temporarily."

Gong Qianqiu's words went from caring to explaining why he only contacted Xiao Feng until now.

There was even a hint of "missing" urgency in his tone.

"So that's the case, I said if there are no special circumstances, why don't you contact me?"

Xiao Feng quickly replied to the information.

Then he recounted his longing.

Although Gong Qianqiu was extremely anxious and disgusting, he could only bite the bullet and absent-mindedly attached.

Fortunately, after a "sweet interaction", Xiao Feng finally asked, "Qianqiu, are you okay?"

"There is indeed something."

Gong Qianqiu adjusted his tone again and continued:

“Now the three of Xu Qingya are rushing to the base camp, trying to frame me, please help me stop them.”

“What?” Xiao Feng was completely shocked.

“Aren’t they imprisoned by Qianqiu Sect? What can they frame you for?”

Xiao Feng couldn’t help but ask.

Although Xiao Feng liked Gong Qianqiu very much, this incident was too bizarre and had to make him suspicious.
