it is as expected.

It seems that Gong Qianqiu has arranged the rhetoric perfectly in advance.

“Xiao Feng, what I just said is true, you can’t do anything if you don’t believe it.”

“It’s the same sentence, we want to see Mr. Ye.”

“I believe he will make the right judgment.”

Xu Qingya decided to change her strategy. After all, there was no benefit in continuing to quarrel with Xiao Feng.

If he gets in a hurry, it is likely to have the opposite effect.

It is better to find a way to see Levi Garrison first.

“You are delusional, I will not let you see Master.”

This is what Xiao Feng thought deep in his heart. If these words reach Master’s ears, he will be more or less suspicious.

This is contrary to the plan to introduce Gong Qianqiu to everyone as soon as possible.

Before all misunderstandings are clarified, Xiao Feng does not allow anything unfavorable to Gong Qianqiu to happen again.

“What do you want?” Xu Langhai said coldly.

He could hardly control the anger in his heart.

If it weren't for the fact that the current state was too bad, Xu Langhai would have been rude to Xiao Feng long ago.

Xiao Feng said jokingly: "You slander Qianqiu so much, of course I arrested you and handed it over to Qianqiu."

"you....."

Xu Qingya's face instantly paled.

I never thought that it would take a lot of effort to get out of Longtan and enter the tiger's den again.

"Qingya, the two of us are holding on to Xiao Feng, you can find an opportunity to enter the base camp to meet Mr. Ye."

Xu Hushan immediately worked out a battle plan. Since Xiao Feng's path would not work, he would take another path.

As long as they can see Levi Garrison, their crisis can naturally be lifted.

"You're just trying to hold me back just because of your trash? I really don't know how much I have!"

As soon as the voice fell, Xiao Feng suddenly released Xiuwei.

Powerful energy coercion roared out, and Xu Qingya's heart sank to the bottom in an instant.

"Xiao Feng is so strong?"

Xu Qingya and the three were heartbroken, and looking at the strength of their strength, even if they were at their peak, they were probably not opponents.

Now in this state of residual blood, there is even less chance.

"Qingya, go!"

Xu Hushan and Xu Langhai rushed forward without fear of death, trying desperately to stop Xiao Feng even for a while.

Create a chance for Xu Qingya to escape.

"A group of ants are still fighting beasts?"

Xiao Feng's figure burst out, and he threw two punches at will.

Xu Hushan and Xu Langhai were directly blown away and fell to the ground with serious injuries.

If it wasn't for Gong Qianqiu's words, Xiao Feng's punch would have killed the two of them.

Xu Qingya didn't even have time to make an escape, and Xiao Feng had already appeared behind her.

"You can't go anymore." Xiao Feng's icy voice sounded behind him.

Xu Qingya's face changed suddenly, she almost instinctively wanted to escape, but Xiao Feng took one step ahead of her.

A hand knife slashed at the back of her neck.

Xu Qingya only felt darkness in front of her eyes, and soon fainted.

Xiao Feng tied the three together, and then took out the communication tool to contact Gong Qianqiu.

"I didn't think of consuming this waste, it's really worth using up to now."

After receiving the information, Gong Qianqiu was overjoyed and directly agreed with Xiao Feng to meet at a secluded place.

Without the slightest hesitation, Xiao Feng took Xu Qingya and the three of them to the appointed place with all their strength.

It didn't take long for Xiao Feng to arrive, and found that Gong Qianqiu had been waiting for a long time.

"Qianqiu, these guys who framed you were caught by me."

"Don't worry, they didn't see anyone else during this period." Xiao Feng said as if taking credit.

Gong Qianqiu immediately made the appearance of a little bird.

He said sweetly: "Xiao Feng, you have worked hard for you. If it wasn't for your help, I might have jumped into the Yellow River and couldn't wash it."

"You are my woman, and this is what I should do."

With the approval of Gong Qianqiu, Xiao Feng was very satisfied.

"Xiao Feng, Gong Qianqiu lied to you, wake up!"

At this moment, Xu Qingya and the others woke up one after another.

Several people kept saying bad things about Gong Qianqiu on the road, Xiao Feng felt that it was too noisy, so they all fainted.

"Xiao Feng, you are a fool, being played around by Gong Qianqiu."

"Gong Qianqiu, stop pretending and show your true strength."

Xu Langhai and Xu Hushan also shouted loudly.

They were all desperate.

After all the hardships, it was not easy to escape the dungeon, and I never thought that Xiao Feng would be caught by Gong Qianqiu again.

You can imagine what kind of torture he will face.

Recalling the life in the dungeon before, Xu Qingya and the three couldn't help shivering.

"Qianqiu, they are really obsessed. According to my opinion, just kill them."

Xiao Feng said with a sullen face.

Gong Qianqiu sighed and said: "Qianqiu's sect leader is perfectly arranged, so it's no wonder they are deceived."

"It'll be clarified when the time comes, let them be let go first!"

"When the time comes, I will naturally explain it clearly, lest they be used as gunmen."

Xiao Feng breathed a sigh of relief in his heart. What he said just now was half-truth, and he also meant to test Gong Qianqiu.

If Gong Qianqiu followed the trend and agreed to kill Xu Qingya and the three of them, maybe there was something wrong with it.

However, Gong Qianqiu was so considerate of others, which made Xiao Feng completely relieved.

"Gong Qianqiu, stop pretending, aren't you disgusting?"

"When you were in the dungeon, what did you say about Xiao Feng? Waste, garbage, dog licking..."

"The exercises you use also come from Levilia. If you have the ability, show it!"

Xu Qingya and the three were unwilling and wanted to awaken Xiao Feng's obsession as much as possible.

Gong Qianqiu immediately made an angry expression and said, "It doesn't matter what you say about me, it is deceived."

"But I don't allow you to provoke my relationship with Xiao Feng. If you continue to do this, don't blame me for being cruel."

Xiao Feng was shocked when he heard the words.

He never thought that Gong Qianqiu would protect himself so much.

"Damn things, if Qianqiu hadn't stopped me, I would have killed you already." Xiao Feng snorted coldly.

Xu Qingya continued: "Gong Qianqiu kept our lives first because I didn't want you to doubt it."

"The second is to let us witness her growth, Xiao Feng, you don't even know how perverted Gong Qianqiu's psychology is."

"Shut up!" Xiao Feng flashed over and slapped these people several times.

The three of Xu Qingya were beaten and fainted again.

“Qianqiu, it’s quiet this time.”

Xiao Feng said affectionately: “Don’t worry, no one can hurt you with me.”

“Even if I am an enemy of the whole world, I will stand by your side, protect you, and love you!”

“Qianqiu, you are my only belief.”

“Xiao Feng, I believe you.” Gong Qianqiu held back his nausea and leaned his head gently on Xiao Feng’s shoulder.

Even such a move made Xiao Feng feel tears from the bottom of his heart.

He secretly vowed to protect this kind and gentle woman.

No one can slander Gong Qianqiu.

Not even a master!

Xiao Feng then swayed with Gong Qianqiu for a while, and then left reluctantly.

When Xiao Feng’s figure completely disappeared from sight, Gong Qianqiu’s face showed a sinister smile.

It’s just that when I recalled Xiao Feng’s love words just now, I was unavoidably disgusted, and it took a while to recover.

“Yufeng Tiansi, now you are the only one left, this sect master wants to see where you can hide?”

Gong Qianqiu’s eyes became particularly cold.

The wind rushed to the base camp in a happy mood.

Caught the three of Xu Qingya and was once again thanked and recognized by Gong Qianqiu.

This gave Xiao Feng a great sense of achievement.

Xiao Feng felt that if he continued like this, Gong Qianqiu would be completely convinced by himself.

## The Return of the God of War [The Protector] Chapter 3814

At that time, make a pair of fairy nostalgia and make everyone envy.

at the same time.

Phoenix and the others are asking about the situation in doubt.

According to the eyeliner report, they saw the three suspected Xu Qingya rushing towards the base camp.

However, after searching all the way, Xu Qingya and the three suddenly lost their voices.

It's like evaporating from the world.

Phoenix and the others immediately sent people to look for it all over the mountains and plains.

"I heard that Xiao Feng suddenly took over the outer defense of the base camp. Will he know the inside story about the disappearance of the three of Xu Qingya?"

Azure Dragon (Azure Dragon) frowned and said.

Originally, the appearance of the three of Xu Qingya was likely to solve the mystery of Qianqiu's leader's life experience.

Now that this important clue has been cut off at the edge of the base camp, Phoenix and the others will inevitably feel very depressed.

"Say that Cao Cao and Cao Cao will be here, let's ask directly if we don't know."

Phoenix pointed to Xiao Feng who was humming a little tune in the distance and said.

"Xiao Feng, you came just in time. Listening to the informant's report, Xu Qingya and the three came to the base camp."

"Tonight you are temporarily in charge of the perimeter defense, have you found anything?" Phoenix asked directly.

While asking, Phoenix and others were also carefully observing Xiao Feng.

Although it is a normal operation to temporarily switch defenses, but after Xiao Feng switched defenses, there was no news for a period of time.

This is very abnormal. As the person in charge of the peripheral defense, he left his post without permission?

So what's the point of your Xiao Feng's temporary defense change?

"No...no discovery!"

Xiao Feng was slightly taken aback, but he still responded as soon as possible.

In fact, Xiao Feng is a little guilty. Although Gong Qianqiu has explained it clearly, this matter has yet to be clarified.

If you tell the truth rashly, Phoenix and the others will definitely hold on to it.

Even if you use this as evidence to report yourself, then Master will more or less believe it.

"Really?" Azure Dragon (Azure Dragon) asked, and he keenly caught Xiao Feng's panic.

Xiao Feng completely stabilized his mind, met Azure Dragon (Azure Dragon)'s eyes and said, "I just went to find Xu Qingya and the others."

"But after several searches, no trace of them was found. Could it be that the subordinates misunderstood?"

Xiao Feng was righteous, but Phoenix and the others were helpless.

"Since you guys are back, you'll be responsible for the perimeter defense! I've been busy all night and just got a little tired."

After Xiao Feng finished speaking, he turned around and left.

However, at this moment, Phoenix's communication tool rang.

The latest news from the peripheral eyeliner: Xu Qingya and the three have been captured by Qianqiu Jiao.

After Phoenix and the others saw the message, they immediately suspected Xiao Feng.

Just now, Xiao Feng's panic slashed in their eyes.

"Xiao Feng, tell the truth, have you seen Xu Qingya and the others?"

"The news came just now that the three of Xu Qingya were captured by Qianqiu again."

Phoenix quickly blocked Xiao Feng's way and said in a questioning tone.

Xiao Feng suddenly panicked in his heart.

"Are you annoying! I really didn't see Xu Qingya!" Xiao Feng still denied it.

Phoenix sighed secretly, Xiao Feng looked like a dead pig not afraid of being scalded by boiling water, which really made her a little helpless.

After leaving a few people, Xiao Feng also had some doubts in his heart.

Immediately asked Gong Qianqiu about this.

Gong Qianqiu responded quickly this time.

"Xiao Feng, I really don't know. After I explained it to them, I let Xu Qingya go."

"If you don't believe it, there are many Xige disciples who have seen it with your own eyes, you can ask them."

Gong Qianqiu was full of innocent grievances.

Suddenly, Xiao Feng felt distressed again, and he hurriedly said something to comfort him.

The doubts in my heart also disappeared.

"Sure enough, it's none of Qianqiu's business, why did Phoenix and the others hold onto her?"

Xiao Feng became more and more disgusted with the suspicion and suspicion of Phoenix and others.

You Qi just kept asking, and he was clearly doubting himself!

# The Return of the God of War [The Protector] Chapter 3815

Levi Garrison was completely unaware of what happened at the base camp.

At this time, he was fully immersed in the medicinal pulse quenching body and could not extricate himself.

The power of medicinal veins has a powerful effect of moisturizing the body and meridians, which makes Levi Garrison's abilities in all aspects once again elevated to a new level.

After a few days of intensive training, Levi Garrison finally completed the quenching.

Feel the surging energy in the body, especially the meridians seem to become more resilient.

This made Levi Garrison feel very comfortable, as if reborn.

Seeing Levi Garrison leaving the customs, the genius doctor Yan Zangsheng said with a smile, "There is still a lot of medicinal power left, I thought you would use it up!"

"I have already completed the body quenching, and it is a waste to use the power of the veins."

Levi Garrison was also very satisfied with the body quenching effect, and said with a smile, "I just want to bring a few people over to improve my strength."

Yan Zangsheng's mouth twitched, he thought he could use the power of the remaining medicinal veins to continue cultivating the magic medicine.

He never thought that Levi Garrison would not only improve himself, but also form a group.

“you are vicious!”

Yan Zangsheng felt that it was necessary to find another piece of spiritual meridian to cultivate magical medicine.

Soon Levi Garrison brought Wen Lei, Zhou Nanyan and Huoyun Evil God secret to Yaomai.

The three of them have been practicing basic exercises in seclusion almost all the time.

The medicinal veins with nourishing effects are definitely a great opportunity for them to improve.

Before that, Levi Garrison had already taken the three of them to the other two spiritual veins to temper their bodies.

Now after the infiltration and washing of the medicinal veins, the strength of Wen Lei’s three people has been greatly improved again, and they have completely reached a new realm.

It can even be said that the combat power is terrifying to the extreme.

This is the benefit of Levi Garrison’s basic exercises, and it may not show up in a short time.

But if you stick to it in the long run, the effect will come out, which is far more terrifying than the extreme swallowing exercise.

The key is to concentrate on practicing basic exercises, which will make the cultivator have a solid foundation, so that there is more room for improvement.

After going through the quenching of three super spiritual veins in a row, the strength of Wen Lei and the three of them reached a new level.

“You can all be on your own now. Even if Qianqiu Jiao is staring at him, I won’t feel like I’m going to lose my skills.”

Levi Garrison said with great relief.

The three of Wen Lei were also very happy, and they naturally knew the current situation of the base camp.

Outside the Qianqiu Cult is eyeing the tiger, and the Zhenmo Si Tiansi is about to return, and his attitude is not clear.

Furthermore, spies are likely to appear within the base camp.

However, all this pressure was on Levi Garrison alone before.

Wen Lei and the three also wanted to help very much.

However, his strength was not enough before, and he was helpless to Levi Garrison.

Now that the cultivation base has been improved, he can finally share the worries for Levi Garrison.

“Even if Qianqiu Sect and Zhen Mo Si Tiansi return to join forces, I am not afraid at all now.”

Levi Garrison is full of confidence, and his cultivation has improved qualitatively.

There are three more powerful helpers around.

It's just that Levi Garrison felt a little regretful that he couldn't bring the 80 students of Ning Jinye to temper his body.

After all, it is too much attention that so many people leave the base camp rashly.

Once it is detected by Qianqiu Sect, it is very likely to take advantage of it to enter.

Otherwise, these guys can also become the strongest helpers around.

“Go, go back to base camp!”

Levi Garrison gave an order to take Wen Lei and the three to quickly return to the base camp.

Of course, Levi Garrison asked several people to maintain absolute secrecy regarding the substantial increase in the strength of Wen Lei and the three of them.

It cannot be disclosed to anyone, the three of them will exist as Levi Garrison's biggest trump card.

The leader of the Qianqiu Sect must feel that she can easily handle herself, so continue to let her maintain this illusion.

When there is another war, Wen Lei and the three of them will definitely be able to achieve unexpected results.

It may even play a decisive role in the direction of the entire war.

However, as soon as Levi Garrison returned to the base camp, he got another surprise.
