

The Return of the God of War [The Protector]

Chapter 3926

and many more.....

They said that Gong Qianqiu was going to be the 17th concubine for the Great Holy Son of Taixu Shenzong?

In order to climb up, have you done everything possible?

Is this still the Gong Qianqiu he once knew?

"It's impossible! Gong Qianqiu, you can't treat me like this."

"You must explain to me clearly what happened in the first place?"

Xiao Feng's breathing became extraordinarily rapid, and the blue veins on his forehead collapsed, as if he was on the verge of running wild.

"You guys, explain the matter to Lao Tzu in detail."

Xiao Feng said solemnly to several Cang Qiong Sect disciples.

The two little leaders rushed over and explained the matter in detail again.

They had already received Xie Huanyu's order and did not dare to neglect Xiao Feng in the slightest.

"You are absolutely wrong, Gong Qianqiu can't be a virgin."

Xiao Feng gritted his teeth and said.

Seeing that something was wrong, the two little leaders hurriedly changed their words.

"Mr. Xiao, it's our hearsay that this message should have moisture."

"Yes, Mr. Xiao, we just heard about it, don't take it seriously."

Although the two little leaders were not aware of the entanglement between Xiao Feng and Gong Qianqiu, they could also feel that Xiao Feng was clearly in the stage of rage.

"Since it's just hearsay, how can you gossip about people behind their backs, and the crime should be punished."

When the words fell, Xiao Feng suddenly slapped his palm, and the two little leaders didn't react at all, and were beaten until their brains burst to death.

"It's definitely not true."

Xiao Feng rushed out of the Sky Sect like he was going crazy, and he decided to go elsewhere to verify the authenticity of the matter.

However, Xiao Feng was dumbfounded after the verification, what the two small leaders of the sky sect before were true.

All women of the Great Holy Son of Taixu Shenzong must be virgins.

And Gong Qianqiu has been checked by the Great Holy Son, and it is true that he has never broken through that level of restriction with others.

Confuse!

anger!

Sad!

Various complex emotions filled Xiao Feng's chest, making it difficult for him to breathe.

Bang bang bang!

Xiao Feng threw several punches at the wall next to him, and the wall collapsed.

However, the depression in the chest and forehead did not improve much.

"Deceived!"

Xiao Feng realized that he was completely deceived by Gong Qianqiu.

But he was still not reconciled.

"You must go to her and ask her face to face!"

Xiao Feng didn't believe in evil, he only felt that the anger value in his chest was constantly rising, and then he quickly rushed to the Taixu Shenzong.

After this period of exploration, Xiao Feng is also familiar with the road.

It took about half an hour for Xiao Feng to arrive in front of the main gate of Taixu Shenzong.

"Stop, who are you?"

the guard asked with a sullen face.

Xiao Feng said coldly: "I'll find Gong Qianqiu and let her come out to see me!"

"Gong Qianqiu?"

The guard was stunned for a moment, then reacted immediately and said with a sneer, "Elder Gong is the woman of our Great Holy Son, what are you looking for with her?"

"It looks like this guy is here to make trouble. The big saint's wedding is imminent, and there is no room for any mistakes. This kind of trouble can just be driven away."

"You dare to be disrespectful to Lao Tzu just because of your trash?" Xiao Feng said angrily.

Xiao Feng had nowhere to vent his anger, and the two guards just collided with the muzzle of the gun.

"Where did the offal come from, and they rushed to make trouble in the Taixu Shenzong, and thought the life was too long?"

"Don't talk nonsense with him, just send him away!"

However, they did not expect that Xiao Feng not only did not evade, but took the initiative to attack.

The figure disappeared like a ghost, leaving only a near-substantial afterimage in place.

"So fast!"

The two guards were shocked, and before they could react, they felt a murderous aura coming from behind them.

Bang bang!

Xiao Feng took two palms and smashed them firmly on the backs of the two.

Pfft! Pfft!

The two guards were shaken and flew five to six feet away, and finally fell heavily to the ground.

"Enemy attack! There is an enemy attack!"

The two guards wiped the blood from the corners of their mouths and shouted loudly.

The Return of the God of War [The Protector] Chapter 3927

A stone stirred up a thousand waves.

After a while, the masters of the Taixu Shenzong swarmed over.

Clearly feeling several powerful and unparalleled breaths approaching quickly, Xiao Feng also gasped, knowing that he had stabbed a hornet's nest.

But this is the end, and he has no way out.

"He Fangxiao dare to come to Taixu Shenzong to make trouble?"

"Injuring the guards, the crime should be punished!"

"Let me show you this kid's methods!"

Several elders showed a cold look on their faces, staring at Xiao Feng with malice.

"I want to see Gong Qianqiu! Let her come out to see me!"

"Gong Qianqiu, I know you are here, come out quickly."

"I have something to ask you!"

Xiao Feng shouted loudly.

"Who are you? How can you see the woman in this seat?"

The Great Holy Son slowly walked out of the crowd, exuding a cold murderous aura.

Xiao Feng sneered and said: "I used to be Gong Qianqiu's man, you are just a pick-up man."

Xiao Feng had probably guessed the identity of the other party, and he didn't know why, so he wanted to make the Great Holy Son make a fool of himself.

"Nonsense, you are courting death!"

A chilling blade instantly condensed in the palm of the Great Holy Son's palm, exuding a biting chill and murderous aura, causing the surrounding crowd to shiver uncontrollably.

Gong Qianqiu was a woman he valued, but now she was humiliated in public, and the Great Holy Son was indeed moved to kill.

"Husband's assistant!"

A charming voice suddenly sounded from behind.

The Great Holy Son was a little unhappy, but because of his love for Gong Qianqiu, he temporarily suppressed the murderous intention.

"Qianqiu, do you know this kid?"

The Great Holy Son asked tentatively.

"know!"

Gong Qianqiu nodded, but worried that the great saint would think too much, and quickly explained: "He used to be a chess piece for me to deal with Levi Garrison."

There is no point in denying acquaintance with Xiao Feng. The Great Holy Son is suspicious by nature. After Xiao Feng's coaxing, the Great Holy Son will definitely send someone to investigate.

Concealment will make him suspicious, and the more calm it is, the less doubts will be relieved.

Sure enough, the Great Holy Son's expression softened a little.

"Gong Qianqiu, I need your explanation!"

Xiao Feng said in a deep voice.

Seeing that the glamour of Gong Qianqiu in front of him is even better than before, Xiao Feng's heart still couldn't stop throbbing.

But recalling the past deception, hatred quickly became the main emotion.

"That night, you and I..."

"Xiao Feng, do you think I'll take a fancy to a waste like you?"

Before Xiao Feng could finish speaking, Gong Qianqiu interrupted directly.

"That night, I cast a spell to make you fall into a hallucination, and everything that happened is said to be your hallucination."

"Mediocre appearance, low cultivation base, and no opinion, Xiao Feng, who gave you the courage to think that I would like you?"

"If it wasn't for dealing with Levi Garrison, do you think I would look at you right in the eye?"

"Do you know how disgusting I felt when faced with your so-called sweet words?"

"Trash, if it were in a different place, I would have found a place where no one was there and committed suicide, and I would have no face to continue living in this world."

Every word of Gong Qianqiu is like a sharp blade mercilessly piercing Xiao Feng's heart.

Xiao Feng completely collapsed.

"how could this be?"

Xiao Feng couldn't believe all this, but what Gong Qianqiu said in person was beyond doubt.

"So it's all just a show?"

Xiao Feng asked in a hoarse voice.

Gong Qianqiu asked jokingly: "Otherwise, what do you think it is?"

"Gong Qianqiu, you are a woman with a vicious heart, I must kill you today!"

Xiao Feng's eyes were red, the veins on his forehead stretched high, and he punched Gong Qianqiu's chest.

"You want to kill me even with this little strength? A fool's dream!"

Gong Qianqiu waved his hand, and a powerful energy qi roared out, directly blasting Xiao Feng out.

puff!

Xiao Feng vomited blood after landing, and his face was as pale as paper.

Obviously seriously injured!

"Xiao Feng, don't make unnecessary struggles. With your little cultivation, you can't help me at all."

The Return of the God of War [The Protector] Chapter 3928

Gong Qianqiu's face was full of arrogance. What he said just now was not only a blow to Xiao Feng, but also mainly to take the opportunity to explain the past to the Great Holy Son to dispel doubts.

"I will soon marry the Great Holy Son, and will be the core strength of the Taixu Shenzong in the future. You and I are different in status and status, so don't be delusional."

"If you're still not convinced, let Levi Garrison come over to take revenge. I'll be here at any time."

Xiao Feng felt that his chest was stuffy, something was blocking his throat, and he couldn't go down in one breath.

He wanted to kill Gong Qianqiu, but the huge gap in strength made Xiao Feng helpless.

"Gong Qianqiu, if you can kill me, why should you be so humiliated?"

Xiao Feng wanted to die, but he felt that he had no face to face Jiang Dong's elders.

At this moment, the big saint came to Gong Qianqiu and asked in a deep voice: "Qianqiu, this kind of garbage, just kill it."

This is what I think in my heart, and it is also a temptation.

"Husband, killing this kind of rubbish is too valuable."

"What's more, for Xiao Fengtai, it is actually more uncomfortable to live to die."

"Furthermore, let him give Levi Garrison a message. Only after knowing the power of Taixu Shenzong can they understand the gap. I want them to realize what despair is."

Gong Qianqiu said with a smile.

The Great Holy Son completely dispelled his doubts when he heard the words, nodded with a smile, and said, "This statement is reasonable."

"Xiao Feng, I will marry the Great Holy Son in half a month, you must come to support me!"

"This is an invitation, received it!"

Gong Qianqiu raised his hand gently, and a gilded invitation flew out, just landing on Xiao Feng.

"Ahhh! Gong Qianqiu, you are deceiving people too much!"

The veins on Xiao Feng's forehead collapsed, and the whole face was extremely hideous.

"I deceived people too much, what can you do?" Gong Qianqiu said contemptuously.

"I kill you!"

Xiao Feng didn't know where the strength came from. He was seriously injured just now, but at this moment he suddenly got up and turned into a sharp sword.

Directly stabs Gong Qianqiu.

"Insult yourself!"

Gong Qianqiu released the Qi machine, and the majestic energy pressure was overwhelming.

Xiao Feng was like a small boat on the turbulent sea.

There was a faint sound of bones breaking in the void.

"Someone, throw this waste dog out, so as not to be an eyesore here."

The Great Saint said coldly.

"Yes!"

A guard dragged Xiao Feng away like a dead dog, and threw it directly into the ditch in the distance.

Xiao Feng suffered serious internal injuries and several broken ribs.

The key is the psychological blow. Recalling that the previous ones were nothing but a mirror, and the vows of each other were all scams.

Xiao Feng's heart was ashes, he felt an unprecedented despair, and the last trace of hope in the past was completely shattered.

"I'm just a pawn of Gong Qianqiu! I've always been."

"She never had the slightest sincerity to me."

It took Xiao Feng's efforts to climb out of the ditch, and at this moment he was completely awakened.

A coaxing drama ended, but Gong Qianqiu had some doubts and worries in his heart.

"What's wrong?"

The Great Holy Son also noticed Gong Qianqiu's strange emotions.

Gong Qianqiu said solemnly: "How did Xiao Feng enter the Kunlun Ruins?"

"Didn't I tell you before, as long as he reaches the threshold cultivation realm, he will find the location of Tianmen after further inquiry."

The Great Holy Son didn't take it to heart at all.

"I mean since Xiao Feng is here, will Levi Garrison still be far away?"

Gong Qianqiu deliberately made a nervous appearance.

The Great Holy Son comforted: "Don't worry Qianqiu, our Taixu Shenzong is very strong, what if that monkey enters the Kunlun Ruins?"

"Ten thousand steps back, if he dares to come here without knowing his life or death, this seat will directly kill him."

"You can just prepare for the wedding with peace of mind, and leave the rest to this seat."

The Return of the God of War [The Protector] Chapter 3929

Many matters concerning the marriage of the Great Holy Son and Gong Qianqiu are in full swing.

The lanterns were decorated with colorful lanterns and the floor was covered with red felts, and the atmosphere was filled with joy everywhere.

However, at this moment, the Seven Holy Sons returned to the Taixu Shenzong and received a grand welcome ceremony.

Although the Seven Holy Sons are the youngest among the Holy Sons, their cultivation talent is the highest.

Today's strength is already in the top three of the seven holy sons, and his future achievements are limitless.

One of the most important abilities of the Seven Saints is to control the spiritual veins, and they will be able to integrate with the spiritual veins during the battle.

In particular, the Seven Holy Sons' perception of spiritual pulses is extremely sensitive, which is basically equivalent to a walking spiritual pulse detector.

The large spiritual veins of the Taixu Shenzong in the past ten years were all discovered by the Seven Holy Sons.

Therefore, the Seven Holy Sons are of great significance to the Taixu Shenzong, and naturally they are highly valued.

Of course, the Seventh Holy Son did not disappoint everyone, and just came back and threw out an astonishing message.

"I found a small dragon vein in the northeast of Taixu Shenzong."

This message from the Seven Holy Sons can be said to have stirred up a thousand waves with one stone, and the entire Taixu Shenzong was boiling.

"The Seven Holy Sons are simply too powerful to have discovered the dragon veins. The strength of our Taixu Shenzong will definitely increase greatly."

"The dragon vein is more terrifying than the holy vein. It is said that it can change the mountain area and even optimize the purity of the spiritual energy of a world."

"More than that, it is said that dragon veins absorb the essence of heaven, earth, sun and moon for many years, and can breed true dragons, which is called dragon veins."

"Only some super sects have dragon veins as their foundation, and now our sect is going to flourish!"

Vice Sect Master Yin Xuejian was also very pleasantly surprised. Dragon veins are far stronger than holy veins, and Taixu Shenzong has never had dragon veins before.

If the dragon vein discovered by the Seventh Holy Son is of sufficient scale, the strength of the entire Taixu Shenzong will be greatly improved.

"Seven Holy Sons, what is the scale of the dragon veins you discovered?" Yin Xuejian asked.

Others also turned their attention. This answer is very crucial, and it is related to whether it can benefit all Taixu Shenzong disciples.

"Although this dragon vein is not large, it is far stronger than the several sacred veins we have mastered. The key is that it can be used to warm weapons."

"If the weapons forged by the old five and the six are put into this dragon vein to warm up, it will not take long for them to transform into a good magic weapon."

"I heard that the sect got a magic weapon not long ago?"

The Seven Saints asked.

Yin Xuejian nodded.

"Now the robbery of the gods is nourished by five or six holy sons in the holy vein."

"Since you are so old and old, you will put the divine robbery into the dragon veins to warm and quench the chain, and it will not take long for you to become a peerless divine weapon."

Seven Holy Sons said solemnly.

Yin Xuejian nodded in agreement, the dragon veins can directly change the material problem of the divine robbery, and upgrade from inferior to high-quality.

Combined with Levi Garrison's top-level forging skills, this robbery of the gods can definitely become the magic weapon of the Taixu Shenzong.

At that time, Taixu Shenzong will be able to join the ranks of large-scale sects, and the long-cherished wish for many years will be fulfilled.

"The two of you hurry up and do this."

Yin Xuejian gave orders to the Fifth Son and the Sixth Son.

"Follow the Holy Order of the Vice Sect Master!"

The two saints immediately went down to prepare.

At the same time, Gong Qianqiu also got information about the dragon veins.

Although she is the elder of the last seat, coupled with the relationship of the first son, Gong Qianqiu also participated in this meeting within the sect.

Knowing that the dragon veins are so powerful and terrifying, Gong Qianqiu began to think of taking it as his own.

After all, she practiced the extreme swallowing technique. If she could swallow the dragon veins, the degree of improvement could be imagined.
