

## CHAPTER 1318

“Huh? What is he here for?”

Ray’s face changed.

“I don’t know, maybe it was here to watch the ceremony, right?”

Seven kills.

“Well, where is he, let’s go over and see.”

Under the guidance of the seven kills, everyone came to Levi’s presence.

“Hey!”

Ray sighed when he saw Levi Garrison.

“In the past, you were unparalleled and invincible. But things are different, but now you are like this!”

“Have you taken the medicine I gave you? Recover as soon as possible! I hope you will recover to your peak! Then you will fight me again. If you win, you will still be the place of God of War!”

Although Ray said so, he never thought that Levi Garrison would win. explained by the side: “You can understand the boss’s words as he wants you to recover.

As for a fight, you will undoubtedly lose. Even LEvi’s Squad was trampled underfoot by the boss...”

The meaning of breaking the army is very simple, you only need to recover, defeat Ray, don't dream.

Levi Garrison said lightly: "No, you should keep the position of God of War!"

"Counseled?"

"There is no way! The defeat is like a mountain, and the psychology of Levi Garrison is also the same! These things have hit him too much, and it is estimated that all his fighting spirit has been worn out! A generation of God of War has really fallen!"

"Boss, I guess he doesn't even have the courage to challenge you!"

Everyone sighed.

Levi Garrison back then!

How incredible!

Who can think of today!

As everyone knows, Levi Garrison is not interested in the position of God of War because he is about to become the king of the word side by side!

The Erudia War God is also under his command...

let's leave!"

Levi approached.

The Northern Heavenly King behind him was his true face, so no one knew who he was.

“it is good!”

The Northern Heavenly King was actually breathing fire in his eyes.

He was brooding about the matter of deliberately losing to Ray last time.

Sooner or later, he will defeat Ray.

“Hold on! Did you let you go?”

Greedy wolf said coldly.

“You must promise to fight the boss before you can leave!”

The three of them stared at Levi Garrison.

Levi Garrison really has no interest in Ray.

Even his master and senior brother, he can explode, and Ray really doesn't want to hit him.

It's just a waste of time.

“Not interested!”

Levi Garrison refused.

“This is not your decision! As long as your body recovers, you must accept the boss’s engagement!”

“Otherwise, don’t even think about leaving!”

The crowd stopped Levi Garrison and refused to let him go.

“What are you doing?”

“Are you looking for a fight? Come on!”

There were bursts of voices.

It turned out that Azure Dragon and the others came.

“My boss is bullied by you? Ray refuses to accept the two of us to try?”

Tiger was full of hostility and approached Ray.

Others stared at them angrily.

The war is about to start.

Ray could only gritted his teeth and watched, and said nothing.

“Boss, it’s great that you are alive! We also hold a funeral for you...”

After such a long time, everyone was full of emotion when seeing Levi Garrison.

“You guys are not making trouble for me, right?”

Levi Garrison smiled.

He was actually worried that the brothers could not control their emotions.

“Boss, we don’t have one!”

“It’s great to see you!”

Everyone greeted the past.

Soon after, the ceremony of enforcing the king will begin.

Everyone needs to go back to their respective viewing positions.

Levi Garrison asked the Northern Heavenly King to push away.

“Well, I don’t seem to see Levi Garrison anymore, isn’t he here to watch the ceremony?”

Ray looked puzzled.
