

CHAPTER 1359

The leader wears a black dragon mask, although he can't see his face clearly.

But you can imagine that he is angry at this moment!

"Isn't it possible? Can't the four demon be gone?"

"Although Messiah is strong, those people are too easy to deal with! How could they fail?"

The man in the black dragon mask said in a low voice: "It is said that the guard has arranged a word side by side king!"

"What? One word side by side?"

"Messiah's good means, let Tangtang escort the king side by side? They can't figure it out!"

The black dragon mask sighed: "Yes! I didn't expect it! He is really strong, and the four demon are not opponents! Fortunately, we don't leave any clues!"

"Chief, Prince William of the Eagle Nation asked if we succeeded?"

"Tell Prince William, we failed!"

The black dragon mask said coldly. mi. C

"Prince William said that if we want to get what we want, we must come up with what he is satisfied with from other aspects!"

Soon, Prince William responded.

The man in the black dragon mask said solemnly: "How about killing a few people?"

"Huh? Who to kill?"

Others asked.

"An idiot like HOMO will only try to kill Levi Garrison! What's the point? It's just a cripple!"

"We kill the active duty if we want to kill! I plan to kill Ray and Terry as a gift to Prince William! He will definitely like it!"

"Okay, this method is good!"

Others echoed.

The man in the black dragon mask sneered; "Okay, listen to my orders-the next plan is called Hunting the God of War, and the targets are Terry and Ray."

...

Levi Garrison returned to North Hampton that day.

Terry's guards were not aware of it.

took me to the ancestral home of the Lopez family, I'm going to see Levilia and Zoey!"

Levi Garrison missed this wife.

Although the old lady imposed a ban in the name of the Xishu clan, what about Levi Garrison?

In this world, who can restrain him?

Soon, the Northern Heavenly King took him to the house of Lopez's ancestors.

In front of the gate, Levilia was playing, and when he saw Levi coming, the little guy rushed up.

"Father....."

Levi Garrison held the little baby in his arms.

"Do you miss your dad?"

"Think about it! Boo..."

Levilia kissed Levi Garrison's face.

Levilia shouted excitedly: "I said that my father will come to see me and my mother soon..."

Levilia's movement attracted everyone in the ancestral house.

"what happened?"

1 girl rushed out first.

As soon as she saw Levi Garrison, she immediately roared: "Levi Garrison, what are you doing? Hurry up and put Levilia down for me!"

"Are you talking about the ban from grandma? You are not even qualified to see Levilia and Zoey right now!"

Levi Garrison didn't care about it at all, and continued to hold Levilia.

"You won't put Levilia down for me..."

The girl rushed over menacingly.

She wanted to snatch Levilia from Levi Garrison's hands.

"Snapped!"

The Northern Heavenly King suddenly stopped in front of her and grabbed her wrist, making the girl unable to move.

"Let me go! Do you know who I am?"

The Lopez family is now in full swing.

Better than the Garrison Clan in Oakland City!

People like Her are even more arrogant.

I thought that the whole Erudia was walking sideways, and no one paid attention to it.

“I care who you are!”

The Northern Heavenly King sneered.

“Remove your stinky hands! Otherwise, you will die!”

said angrily.

The Northern Heavenly King pushed her away.

After girl stood firm, she roared: “Come on, Levi is here, take Levilia away!”
