

## CHAPTER 1376

Here, Songkui happened to meet Levi Garrison in a wheelchair.

“Levi Garrison, do you dare to come? Don’t even think about leaving tonight.”

Songkui threatened several people.

Several people wanted to shout, but they received a call from the family.

Let them go to find the little gentleman quickly.

“This.....”

Songkui was directly confused.

What’s wrong with everyone?

What kind of gentleman are you looking for?

Look for Levi Garrison!

Finally, Levi came and took advantage of this opportunity to get rid of him.

Why did such a change happen?

Forget it.

Let's find the little gentleman first!

Everyone could only watch Levi Garrison leave, and then they all went to look for the little gentleman.

On the way, they met Linda who was running crazy.

"Have you seen someone passing by just now?"

Linda asked excitedly.

"There is no one, no one has passed here!"

Songkui was humane.

Levi Garrison did pass by this road just now.

But they ignored him at all.

Besides, Levi Garrison can't be a little gentleman...

"Well, I just clearly saw him passing this road! Maybe he is unpredictable! I'll look elsewhere!"

Linda turned and left.

“Miss Tang, let’s find it with you! There are so many people and powerful!”

Songkui immediately chased after him.

In this way, the entire villa is looking for people.

At this moment, Zoey was playing with Levilia in the hall.

Suddenly Levilia saw Levi Garrison and ran over immediately: “Dad, Dad!”

“You... why are you here?”

Zoey looked a little nervous when he saw Levi Garrison.

Although she was very angry at what Levi Garrison had done before.

For the time being, there is no choice to forgive him!

But after all, he was worried about Levi Garrison’s safety.

After all, the emperor of Western Shu said in person...

If it is seen by other people, it may be dangerous.

“I have an invitation letter!”

Levi Garrison shook the invitation letter in his hand.

“Invitation letter? Who gave it to you?”

Zoey looked at the invitation letter.

It stands to reason that Levi Garrison would never have it.

“It should be Songkui and the others!”

“No! They want to harm you! You go quickly!”

Zoey urged.

Although everyone is looking for a little gentleman.

But if he comes back suddenly, Levi Garrison will be caught upright.

That would be dangerous!

“You saw Levilia and me, it’s time to leave!”

Zoey urged.

Levi Garrison smiled helplessly: "Well, Levilia, Dad will come to see you later!"

Then Levi Garrison was pushed out of the hall by the Northern Heavenly King and went straight to the door.

At this time, the Emperor Xishu and Linda had turned the entire Tianhai Villa upside down.

There is no fall in any corner.

But there is always no shadow of Levi Garrison...

He is the same as disappearing...

Everyone came to the door to search again.

Still no.

Disappointed, everyone entered the villa from the door, ready to go to the lobby.

"Don't be disappointed, grandpa, I can meet the little man once, and the second time."

Linda comforted.

The Emperor Xi Shu nodded; “That’s right, it’s normal for the little gentleman to encounter a godlike man! You need to find out his identity as soon as possible! Don’t be preempted by the other three gates!”

“We don’t know such a character either. There seems to be no such character in the entire South!”

“Yeah, it seems I have never heard of it.”

Meredith and Robert said.

Franklin, who was walking in the front, thought to himself that this person really seemed to be Levi Garrison.

But he is like this now...

On the other side, the Northern Heavenly King pushed Levi Garrison towards the door.
