

CHAPTER 1653

“Ok?”

Levi Garrison was taken aback.

Hastily stopped the car.

There was a harsh brake sound.

Levi Garrison looked at Xiao Qin in shock.

In his impression, Xiao Qin was still a little sister.

Why did you get married?

However, Levi Garrison asked no more and continued to drive.

Xiao Qin has the right to pursue happiness on his own, so he can't ask too much.

the next day.

Levi Garrison took Xiao Qin to Wushuang City.

When the two sisters met, naturally there was a lot to talk about.

Levi Garrison couldn't see Levilia again, so he could only wait by the side.

Suddenly, he saw a familiar figure-Xu Zhengjie.

The crowd was surrounded by stars and the moon.

Obviously, the audience are all supreme-level powerhouses, but they turn around Xu Zhengjie as an ordinary person.

Even Wu Qiufeng, the lord of Wushuang City, bent his waist to follow.

unimaginable!

Even Levi Garrison had no way to explain everything in front of him.

He knows Xu Zhengjie's family background.

How did he do it?

It happened that Xu Zhengjie also saw Levi Garrison.

He brought a large group of people here.

When Zoey and others heard the movement, they all leaned in.

"Why are Xu Zhengjie you? Have you come to Wushuang City?"

Zoey seemed to be struck by lightning.

She couldn't imagine Xu Zhengjie, why an ordinary person could come to Wushuang City?

"Yeah, let me have a look!"

Subsequently, Xu Zhengjie sneered: "Fu Qiufeng?"

"What's the matter with Mr. Xu? Please order!"

A scene that surprised everyone in Wushuang City happened.

I saw Fu Qiufeng crouching around his waist and approaching Xu Zhengjie like a pug with a smile on his face.

Flattery and flattery can be seen by anyone.

"Zoey is a good friend of mine, do you know how to do it?"

Xu Zhengjie said.

Fu Qiufeng said in a hurry: "Understand, it is Mr. Xu's friend, and that is the guest of Wushuang City!"

shocked!

Everyone feels crazy!

Fu Qiufeng actually did this to an ordinary person.

The most surprising thing was Zoey.

Is this still the nerd back then?

What is his identity?

Let Fu Qiufeng look like a dog.

Fu Qiufeng himself didn't want to be ashamed in front of everyone.

But Xu Zhengjie is terrible!

He now has eight Supreme Level Five Heavenly Powerhouses around him, and there are more other powerhouses around him.

He also heard that there are several supreme-level Sixth Heavenly powerhouses following this ordinary person.

Even if the Old City Lord came out, it would not help.

Annoyed others, Wushuang City was destroyed with a backhand.

“What the hell is Xu Zhengjie?”

Zoey asked tremblingly.

Xu Zhengjie looked proud: “I want you to know that the supreme powerhouse I said at the party that day is true that I am not afraid of it, even

Wushuang City can step on my feet at any time!”

He glanced at Fu Qiufeng.

The latter nodded immediately: “With Mr. Xu’s ability, Wushuang City can be stepped underfoot at any time!”

“what???”

Hearing this, everyone showed an incredible expression.

Is this ordinary person so powerful?

“Come with me!”

Xu Zhengjie dyed at Zoey.

Zoey looked at Levi Garrison subconsciously.

Xu Zhengjie smiled: "Let them follow along!"

Levi Garrison also wanted to know what Xu Zhengjie was going to do.

Several people followed Xu Zhengjie to a remote place.

"Zoey, do you know who I am now?"

Xu Zhengjie said with a smile.

"what?"

Levi Garrison smiled.

"As long as I say a word, I can immediately become Erudia's protector of the country! They have to provide for me!"
