

The Return of the God of War [The Protector] Chapter 2021

Then the end must be the same as myself, or even worse.

“Kill!!!”

Liu Sheng shouted wildly with a sword.

The Sword of God Slashing out!

A breath of terror that engulfed the world came out!

Wherever he went, horrible killing and destructive aura spread!

This sword, to be exact, is a samurai sword.

Obviously it is an ordinary material, which can be tempered for decades in the hot magma.

It is already a peerless sword!

Even more terrifying than the sky of the Excalibur!

Commoner Shashen's face changed.

This Yagyū sword is terrifying...

There is such an ancient figure in Higashishima?

He could feel Liu Shengyijian's aura like a dragon like a tiger, his blood surging like a sea, and the faint sound of thunder bursting.

He has reached another level.

Is his next goal!

No wonder Levi Garrison came personally and didn't let him make a move.

"Boom!"

Liu Sheng made a sword and the divine light in his eyes was like thunder and lightning.

The terrible aura of destruction shrouded like a volcanic eruption.

His breath obliterated sentient beings, his majesty dared to shake the world...

"Is this the ancestor? Isn't it terrifying?"

...

Everyone in the Liusheng clan was excited.

They showed an unprecedented look.

The Liusheng clan will not die, and they will do what the entire Black Sun cannot do.

The ancestors are too scary!

A big battle has begun!

“Sneer!”

Within Liu Sheng’s eyes, the sun, the moon and the stars turned upside down, and his body was like a river and sea rushing for thousands of miles, out of control.

His sword represents destruction!

“Boom!”

Levi Garrison threw a punch.

“Bang!” The

fist and the God Slashing Sword slammed together.

The whole world seemed to explode, and all the backgrounds became black and white.

This is a doomsday scene.

In an instant.

The ancestral home of the Liusheng clan was destroyed.

Even a small volcanic eruption not far away was forcibly suppressed!

The whole mountain was shaking and even collapsed.

& This is the power of the two super powers...

“Da Da Da Da Da Da...”

What shocked everyone was that Levi Garrison stood still.

There was a huge movement, and Liu Shengyijian took five steps.

Every step back shakes the ground.

“Huh?”

There was an incredible look in Liu Shengyijian’s eyes.

This young man actually used his fist to force him back?

The Commoner Killing God and others not far away were even more horrified.

What’s going on?

Will Liu Sheng be defeated with a sword?

“No! I underestimated you!”

“The god slashed!!!”

Liu Sheng roared with a sword.

The sword of God Slayer in his hand burst out with terrible light, dazzling like a scorching sun.

“Uh!!!”

Many people present were burned their eyes by this terrible sword light.

A terrifying aura of killing and killing even permeated the whole world.

Liu Sheng held the sword of God Slayer in both hands with a sword, raised it above his head, and slashed with a sword.

Although it is the simplest action, even the basic skills in Higashishima Kendo, even children can do it.

But Liu Sheng Yijian displayed it like this, as if every step, even every movement, contained the mystery of heaven and earth.

He has reached an unprecedented state!

Often the simplest moves are the most terrifying!

Just like Levi Garrison's fist!

No matter what you do, I will break it with one punch.

The truth is very close!

It shows that Liu Sheng Yijian is terrifying and terrifying...

"Boom!"

Liu Shengyijian's move gathered all the power on the God Slayer.

A breath of silence from hell came.

"Swiss..." It was

obviously an extremely simple and slow move. At this moment, it seemed as if thousands of swords were swiping down.

Wave after wave.

Waves are fierce.

In the end thousands of swords converged into one sword!

It's called God Slash!

This sword made the Common Killer look silly.

This is the realm he wants to pursue.

The Liu Sheng clan was about to cry with joy...

Levi Garrison looked at this sword, and he sighed, "Everything should be over!"

"Remember, the one who killed you is called Levi Garrison!"

The Return of the God of War [The Protector] Chapter 2022

Levi Garrison's voice echoed throughout the Liusheng clan.

Hearing in everyone's ears, it was like a thunder billowing in the sky.

Levi Garrison? ? ?

The name of the person, the shadow of the tree!

The Yagyu clan who regard him as a great enemy naturally know who this is?

he!

Isn't he dead?

How can he live?

He even appeared in the Yanagi clan!

wrong!

Levi Garrison?

In addition to him, who else has this strength?

Can easily destroy the four major forces, can easily kill Liu Sheng Jianying, and can force the ancestors to the strongest move!

He is Levi Garrison!!!

They affirm their identity.

But I didn't want to think about why Levi Garrison was still alive!

Liu Sheng Yijian naturally knew Levi Garrison's identity!

Despite the retreat, he naturally knew the newly promoted No. 1 in the summer.

After all, the only person he lost before was the number one on the list the day before yesterday-
Nandi.

“Kill!”

But it didn't touch him much!

No matter who it is, he will die by this sword.

“Boom!”

Levi Garrison blasted a domineering punch!

Fist strength seems to tear the world!

It's like a punch from the gods!

“Boom...”

Levi Garrison's fist blasted out, and thunder and explosion sounded in the sky.

The clouds and mist in mid-air were dissipated abruptly.

It seems that even the sky is taking this terrible punch!

Eight times the speed of sound! ! !

The speed of this punch Levi Garrison reached the extreme!

Power is even more terrifying!

Rao is a mountain that can be shattered!

“Sneez!” This

fist carried the power of invincibility and directly tore the sword energy.

“Bang!”

Levi Garrison blasted the Divine Sword with a terrifying punch.

At this moment, the loud sound made everyone’s ears deaf.

A mushroom cloud is rising.

This level of power is like a super weapon exploded.

“Ka Ka Ka...” A

burst of cracking sounds came out, and the sword of God Slashing seemed to be drawn from the soul.

& At this moment, it became an ordinary sword, and it broke into pieces!

“Puff!” This

punch directly defeated Liu Sheng Yijian’s comprehension to the extreme.

Liu Sheng Yijian was penetrated into his body by a terrifying

fist , and various organs shattered... With one punch, Liu Sheng Yijian’s dignity was completely wiped out.

Liu Sheng Yijian did not die on the spot, but lay on the ground like a dog.

He can’t move.

I can only watch...

he is defeated!

It was a complete defeat.

Worse than the last failure!

This time I failed and lost my life.

“Puff puff...”

He kept vomiting blood from his mouth.

Looking at Levi Garrison incredulously.

“Hiss!” The

crowd let out a chilling voice.

Is Levi Garrison alive?

He is so powerful!

Even the ancestors are not opponents!

revenge!

He is here for revenge!

Why are they finally being targeted by the Black Sun organization!

It was previously called Commoner Killing God to avenge Levi Garrison!

But everyone always feels that something is wrong. This reason seems to be insufficient!

Now I get it.

Because it was Levi Garrison who came to revenge himself!

“Unbearable!”

Levi Garrison glanced at everyone indifferently.

Finally, Liu Sheng died with a sword.

All the Liusheng clan are destroyed!

No one is left!

“Next, Black Sun Headquarters!”

Levi Garrison and Common Killer dragged a corpse.

Naturally, it was Liu Sheng Yijian and Liu Sheng Jianying.

The two strongest people on Higashishima are currently.

The Common Killer was already looking forward to the scene of throwing the bodies of these two people in the Black Sun headquarters...

What would those people think?

In the Black Sun headquarters.

The Watanabe clan ordered the people to look for the whereabouts of Levi Garrison.

The other side continued to strengthen the defense to prevent Levi Garrison and Commoner Killing God from sneaking.

“Adults seem a bit wrong, we just found commoner to kill God in Kyushu apprentice who has not experienced one! Commoner to kill God around the man’s identity is not clear!”

This time Watanabe family Intelligence Unit found messages.

The Return of the God of War [The Protector] Chapter 2023

“What? Fake?”

The senior Watanabe clan exclaimed immediately.

“Yes, that’s right, this person’s identity should be fake!” At

this time, everyone looked at Hao Yuxuan in unison.

Hao Yuxuan was also dumbfounded.

That personal identity is wrong?

The main reason is that everyone's attention is all on the commoner killing god, and the others are ignored.

Not to put a small role on him.

"Who can this person be?" the

Watanabe clan asked.

Hao Yuxuan thought for a while and said: "It may be a master related to Levi Garrison who came to avenge him, or it may be an apprentice of Common Killing God. After all, he has a lot of students!"

Watanabe Wuzhong of the Watanabe clan immediately called out a lot of information And information.

"According to the on-the-spot battles where the four major forces were eliminated and various information, the commoner killer has always been shot! This one did not participate!"

"Then he is just a little guy! We are too worried. ! " "

and you think there would be no big summer to master? or a leaf monarchs to revenge? "

.....

it then I thought, seems to be too nervous.

"Well, go and check the identity of this one! Also, let me find out where they are? Hurry up!"

...

When Hei Sun wanted to know where Levi Garrison and Levi Garrison were going.

The whole world also wants to know where these two people have gone.

The prestigious town of commoner kills the gods in the world.

Especially in Erudia!

Everyone thinks that he is the next Levi !

God just took Levi Garrison away, and returned a terrible commoner to kill the god!

If the commoner kills the gods, it can sweep all the major forces on the East Island.

Then Erudia's wound of losing Levi Garrison can be healed!

Richard, who had clearly copied Xu Zhengjie's successful experiment, couldn't be happy.

The birth of Common Killer God turned out to be not very good news for him.

If it hadn't been for the newly successful Xu Zhengjie low-profile energy body that was still in the observation stage, Richard would want to take him straight to the East Island.

“go with, Activate our power on the East Island to help them! Find someone, or provide a little force!
“

Richard’s full power is now very large, and he can arbitrarily mobilize the power under the laboratories of the gods all over the world.

He quietly arranged the power in the East Island to help the Black Sun organization.

...

about half an hour later.

Shocked the world. The news came.

Two people from the Common Killer appeared...

They went to the Black Sun Organization again!

Although they did not know where they went, the Black Sun Organization was relieved.

At least they knew where they were.

This is for them. Return the news!

Not to mention the prevention of a sneak attack, making everyone panic.

“They are coming soon!” Everyone get ready! Ready to meet the enemy! “The

leaders of the Black Sun Organization began to give orders.

“Do we need to inform the Yanagy family?” “

Someone asked.

” Do not need! It’s useless to notify! They can’t come, join hands with us, they disdain it! “

Yeah, that’s right!” The Liusheng clan always thinks that we are trash, we can’t! Even if they kill Levi Garrison, they think it is Richard’s contribution and it has little to do with us! “

They have ancestors in charge again!” One by one arrogant to death! “

Well, let’s get rid of the cloth clothes and kill the gods, let the Liu Sheng clan see, we are not waste! “

...

Not long after.

Levi Garrison and Common Killer came to the Black Sun headquarters.

The guards here are tight.

As soon as the two arrived, all kinds of weapons and various masters were ready to do it.

The heads of the black sun brought countless masters to come.

“We have been waiting for you to die! You are finally here!”

Watanabe Wuzhong and others laughed.

Hao Yuxuan was also mixed in, with a complicated expression.

Levi Garrison smiled: “Really? I’ll give you two gifts first!”

“Boom!”

“Boom!” The

two bodies were thrown in front of everyone.

The Return of the God of War [The Protector] Chapter 2024

“Huh?”

Levi Garrison’s sudden move caused everyone in the Black Sun organization to be taken aback.

what is this?

Two bodies?

who?

Everyone looked over.

The white-haired old man didn't know him, but he seemed a little familiar, but he just couldn't remember.

Who is he?

I really don't know!

What about the other one?

look familiar?

It seems to be...

not good!

day!!!

Isn't that the peerless genius Liu Sheng Jianying of the Liu Sheng clan?

The little swordsman on the sun list!

Take another look!

it's him! ! !

This corpse turned out to be Liu Sheng Jianying!

In a short period of time, complex ideas flashed in everyone's mind.

Going through the same complex transformation inside!

"Hi!"

"It's Liu Sheng Jianying!"

"He, he... How did he die?"

"Isn't it impossible?"

... It was

judged that the corpse was Liu Sheng Jianying, but no one believed it.

Who can kill him?

It's so funny!

Liu Sheng Jianying couldn't provoke him, let alone kill him!

It can't be him!

"It's not him! Impossible!"

Someone exclaimed again and again.

"No, look, the sword on his body! Ten-fist sword!"

"Yes, this is Yanagi Jianying's Ten-fist sword! That's right! Others can be imitated, but the ten-fist sword is impossible! I feel that it is powerful. Is it murderous? The ten-fist sword will not deceive!"

"This is the corpse of Liu Sheng Jianying!"

...

"Hiss!" At

this moment, everyone gasped, and the whole body was cold.

Jianying Liu Sheng died?

That's the strongest on the sun list!

died?

This, this... After

confirming that this was a fact, everyone was so shocked that their eyes would fly out.

It's incredible!

What about the other one?

& At this time, an old man in the Black Sun organization suddenly showed a terrified expression.

“He he he...”

His mouth trembled, and it took a long time to say clearly: “I remember him! He is the ancestor of the Liusheng clan-Sword Sage Liusheng Yijian!!!”

“What?” The

words were not shocking. Endlessly dying, as soon as these words came out, everyone in the audience numbed their scalp and their eyes flew out.

The shock that Liu Sheng Jianying brought to everyone just now was strong enough.

Now here comes a more fierce, sword sage Liu Sheng Yijian's corpse!

“You read that right? How could the ancestor of the Liusheng clan die?”

Someone questioned.

“I was fortunate enough to meet the Juggernaut before! I recognize him! That’s him! That’s him!”

“There is also the corpse of Jianying Liusheng!”

...

After the old man’s reminder, everyone quickly reviewed this in their minds. thing.

The corpse of Liu Sheng Jianying must be!

Then the corpse of Liu Sheng Yijian will not be fake!

Oh my god!

The sky is falling!

The two strongest people in Dong Dao are dead?

Who did this?

The advisors of the Watanabe clan responded one by one.

Why did the two of Common Killing God disappear just now?

Where have they been so long?

They sent out so many people to find the whereabouts of the two.

Looked everywhere.

But I didn't find one place!

The Yanagis!

No matter in anyone's opinion, the Yanagyu clan is the safest place.

So there is no need to find it anywhere.

But no one thought it was the Liusheng clan they had just left!

understood!

Everything is understood!

During the period when these two disappeared, they definitely went to the Liusheng clan.

But their combat effectiveness is too strong, right?

Both Liu Sheng Jianying and Liu Sheng Yijian are dead?

Then the Yanagyu clan has been destroyed?

This is too scary, right?

Everyone looked at the Common Killer God not far away, and saw that he was covered in blood and had a weak breath. It was obvious that he was seriously injured.

Before Commoner Killing God disappeared, it was spotless.

It hurts like this now.

This is definitely to get rid of the Yanagyu family.

Although the Common Killing God was strong enough, even the Liusheng clan was killed.

But now he is wounded like this, and encountering the powerful Black Sun is also a dead end.

The Return of the God of War [The Protector] Chapter 2025

“Report! The latest news! Something big happened to the Liu Sheng clan! The Liu Sheng clan was destroyed! Together with the ancestor sword saint and the first Liu Sheng Jianying on the sun list are dead!” At

this time, a detective finally found the news.

The Liusheng clan has been destroyed.

Hear the confirmed news.

Everyone's chest was like a big stone pressed.

It really is true!

But Commoner Killing God has been wounded like this!

It seems that he has paid a very heavy price to get rid of the Yanagyu family.

He is already at the end of the battle.

No wonder the corpses of Liu Shengyijian were brought here.

I'm afraid I want to take two corpses to restrain them, right?

ridiculous!

After thinking about everything, everyone also awoke from the shock.

The Common Killing God is unparalleled and powerful, beyond everyone's imagination.

The Liusheng clan was destroyed by him.

He is really super awesome!

But now he is injured like this, and he still troubles them?

Isn't this looking for death?

“Li Buyi, we really did not expect that you are so powerful! Even the Liusheng clan was destroyed! If you had come to us before, no one could stop you!”

“It's a pity, you go to the Liusheng clan first. Cause you are seriously injured now! What are you still fighting with us?”

“Come on, don't let them live!” The

Watanabe clan ordered.

Soon, tens of thousands of masters appeared in the Black Sun headquarters and blocked the route here.

Various modern weapons are also activated.

“Then we can only avenge the Liusheng clan!”

Knowing that the injury of this degree of commoner killing god is bound to die.

Everyone smiled.

At this time Commoner Killing God suddenly smiled.

The laughter made everyone feel uneasy.

I feel something is wrong.

“Why are you laughing?”

someone asked.

“Haha, don’t you really think I have the strength to get rid of the Liusheng clan?”

Commoner Killing God asked back.

“What...what do you mean?”

“Isn’t it you?”

...

Everyone gradually reacted.

It’s true that Common Killer is strong, but the approximate combat power is still estimated by everyone.

Even if he is better than Liu Sheng Jianying, this is already the limit, right?

How could he kill Liu Sheng Yijian?

& This is impossible!

He didn't do it, who would do it?

Everyone looked at Levi Garrison next to him in unison!

This role has been ignored by them all the time!

Just a moment ago, the intelligence department of the Watanabe clan also found out that there was an objection to his identity.

Now it seems to be him!

Tens of thousands of eyes fell on Levi Garrison's body.

"You...who are you?"

This is the question in everyone's mind.

Could this talent get rid of the Yanagyu clan?

Levi Garrison smiled: "When I kill them all, I'll tell you one more person!"

“Kill him!”

Watanabe Wuzhong immediately ordered.

All masters killed Xiang Levi Garrison two people.

“The black sun is gone today!”

Levi Garrison sighed.

...

A unilateral massacre has begun.

Regardless of the large number of people in the Black Sun organization, the fighting power is not even comparable to that of the Liusheng clan.

How can you fight Levi Garrison?

Let's kill one by one.

Come and kill one pair!

...There

are blood everywhere, corpses everywhere.

The entire Black Sun headquarters was flooded.

They became more and more frightened as they fought.

What kind of combat power is this?

so horrible!

A person pressed the black sun organization to fight.

one thousand.

five hundred.

three hundred.

...

Two hundred.

hundred.

...

No more.

Only a few big advisers from the Watanabe clan and Hao Yuxuan were left in the Black Sun organization.

They looked at Levi Garrison in horror.

Everyone was scared silly.

The scene of one person slaughtering tens of thousands of masters actually exists.

They saw it with their own eyes.

“You, you...who are you?”

Hao Yuxuan was already going crazy.

Others too.

Levi Garrison, who was about to answer, suddenly smiled at the corner of his mouth: “Huh? Someone came to die again?”
