

## The Return of the God of War [The Protector] Chapter 2264

That person is also Levi Garrison!

Are you better than him as an individual?

How come tens of thousands of people were slapped and pushed away by others?

Everyone didn't take Huoyun Cthulhu seriously.

Levi Garrison smiled, "I'll give you another chance to go back to that place by myself! Don't force me to catch you back by myself!"

Ye Kuanglan and the other Garrison family stared at Levi Garrison, "Levi Garrison, you are too presumptuous."

Yes !!!" "Do you think it was three years ago? Did you take over my Garrison Clan? We Garrison Clan originated from the Garrison Clan's ancient clan! We are now the head of the top ten forces! What qualifications do you have to control the Garrison Clan?"

"It's the end of your own good days! If you violate the Garrison family's ancient family rules, you will definitely die!"

... The

Garrison Clan really hates Levi Garrison.

One by one, my eyes are splitting!

The eyes can kill people!

Ye Lingtian sneered, "Levi Garrison, you want to hold me down for a lifetime, you have to have that ability? Hahaha..."

Then Ye Lingtian said to Ye Wudao, "Little Ancestor, this is Levi Garrison, the monstrous sinner of the Garrison Clan!"

Ye Wudao smiled, his eyes fell on Levi Garrison's body, "You are Levi Garrison! Although you have been missing for three years, your legend has always been there. I often hear people say about you!"

"But I hear you all. It's doing something utterly conscience! Killed his own brother, and banned his father for life! Throwing the family into hell again! You are deceiving the master and destroying the ancestor, and destroying humanity!"

"According to the Garrison Clan's house rules! You! When Ling Chi is put to death! You can only wash away your sins with thousands of cuts!"

Ye Wudao's face changed abruptly, and he sternly reprimanded.

"Hahaha..."

Levi Garrison smiled suddenly.

"Then did they talk about how to mutilate my mother and me back then?"

Levi Garrison asked rhetorically.

Ye Lingtian's face changed slightly.

Everyone at the scene also looked strange.

Everyone basically knows this.

According to the Garrison family's cruelty to Levi Garrison's mother and son, Levi Garrison's punishment has been exhausted.

In the final analysis, the Garrison Clan is to blame.

... but

Ye Wudao nodded, "Well, I know."

"But what's the specific result? Are you dead? No! Neither does your mother! Not even lack of arms or legs! To put it bluntly, Garrison Clan After doing so much, your mother and son did not

cause any substantial harm! But what about you to the Garrison family? Kill Damien, ban your father, and throw the former first family into hell..."

"Levi Garrison, this is the fact. What's more, let me tell you that the Garrison Clan treats you mother and child so much, in fact, to experience you! Since childhood, I have given you the strongest environment! Isn't this, have you grown up?"

“Puff!”

Levi Garrison was vomiting blood.

This Ye Wudao’s ability to reverse right and wrong is a match for his adoptive father’s family!

Obviously persecuting babies, but they are said to be family experience!

Shameless!

What a shame!

“Levi Garrison you do not understand elder care and thought, but your dog bites Lu Tung-pin ungrateful. This! Ye monarchs today I will not let you! Leaves millions of children of the family will not let you!”

“Yes Severely punish Levi Garrison!”

“Severely punish Levi Garrison!”

...

everyone in the Garrison Clan shouted together.

Ye Wudao waved his hand to signal everyone to be quiet.

“According to the rules of the family, I should immediately execute Levi Garrison! However, the most important thing at the moment is to kill the devil Zoey ! The family affairs of my Garrison Clan can be solved later!”

Ye Wudao said in a high-sounding voice.

“Ye Shao really has a big picture!”

“I’m waiting to admire it!”

...

“Plums are dyed! Plums are dyed!”

Everyone started shouting.

More and more forces are also coming.

The villa of Levi Garrison was tightly enclosed.

There are three floors inside and three floors outside, all of which are people. You must know that hundreds of thousands of people came here...
