

## The Return of the God of War [The Protector] Chapter 2279

As expected by Levi Garrison, the Dark God was about to come to him.

He doesn't need to look for it, just wait for them to look for it.

In this way he can see the dark god and kill the dark god!

Advanced hunters often appear as prey!

The Dark God thought Levi Garrison was a prey, but he was actually a hunter.

God never thought of this dark.

...

Don't look at everyone now, but everyone is paying attention to Levi Garrison's situation.

Knowing that Levi Garrison would be fine for the time being, everyone sighed that Kunlun Industry's pharmacy was powerful.

Such a serious injury actually stopped.

Kunlun Industry's pharmaceuticals have once again become a hot topic all over the world.

Even Kunlun Industry did not expect their medicines to be so terrible.

Although the medicines Suzaku brought are the best in Kunlun, they have countless experimental and clinical data.

It's not so scary.

But they didn't think much about it, they were still good at being a potion.

In the past two days, everyone knows that Levi Garrison is guarding people by their side.

It was not easy to start, so the revenge did not come.

But soon a group of uninvited guests arrived.

Eighteen dark angels and hundreds of other strong men from the Bible organization came together.

Seeing them, Zoey excitedly asked, "Does Master have any new orders?"

"No! We are here this time, not for you! It is for him!" The

evil gods and their eyes fell on Levi Garrison. Body.

"Levi Garrison, come with us! You should guess the reason yourself!"

Underworld God smiled.

"It seems that the Evil God Huoyun is not there, do you want?" The

others looked around, but did not see the Evil God Huoyun.

“Forget it, just take Levi back! The others don’t matter!”

Mingxie Shendao.

Levi Garrison nodded, “Well, I know.”

“Let’s take him away, are you

okay ?” The Dark God looked at Zoey again.

“No! Master is so good to me and won’t embarrass my husband! King’s Landing, you can rest assured to follow! With me, Master will not hurt you!”

Zoey still trusts the Dark God.

Levi Garrison smiled, “Okay, I’ll go with them!”

“That’s right! Those who know the current affairs are handsome! Don’t do some indifferent resistance! In our eyes, you are weak and weak now!”

Mingxie smiled.

In his opinion.

Levi Garrison was stunned, knowing that he didn't have the strength to deal with it, so he might as well compromise.

"For ah, do not say you are seriously injured! What you did anything, nor any use! Any one of us, you are not rivals! So you chose a smart move!"

"Ha ha ....."

large crowd With a smile.

Levi Garrison is like a lamb to be slaughtered.

Let them bully and take away.

Underworld God sighed that things were wrong.

Three years ago, they were equivalent to asking Levi Garrison.

Had it not been for that time plum was in the hands of the dark god, he would not have gone anyway.

And with his fierce temper, he started fighting long ago.

I will never get used to them.

But now, Levi Garrison had to compromise with reality.

Knowing that it's useless to resist, so if you don't resist it at all, just let them take it away.

Three years is not long, but it is enough to turn an invincible dragon into a docile kitten.

All of them are laughing.

Just as they were about to leave, a rebuke came.

"Let them go! Otherwise you can't do without here!"

Accompanied by the voice, the Sword Evil God and them appeared one by one.

Azure Dragon (Azure Dragon (Qinglong))'s division of labor is that the Evil Sword God is guarding Levi Garrison's surroundings, after all, there are a lot of private revenges.

"It's you..."

Underworld God saw a few deceased people, he smiled.

"Go away, I'm fine!"

Levi Garrison said at this moment.

He finally attracted the bait of the dark god, how could he let it go?
