

The Return of the God of War [The Protector] Chapter 2287

Could it be that...

Is it true that what Levi Garrison said before is true? ? ?

He opened the dark cage?

Do not!

impossible!

Absolutely impossible!

The Dark God shook his head again and again, not believing this fact at all.

There is no such possibility!

He said it was saved by the superintendent of Tiance Mansion!

Then it must be him!

As for Levi Garrison's terrifying strength?

The Dark God judged that Levi Garrison must have been promoted with the help of the superintendent of Tiance Mansion, and he would not stay three years ago.

It turned out that Levi Garrison had been hiding, he deceived the whole world.

“Kill him!”

The Dark God who reacted immediately ordered.

“I want to see how strong you are?” I

don't believe it!

Do not believe!

Killing the dark god doesn't believe it either!

The dark god only thinks that Levi Garrison's strength comes from the supernatural commander of Tiance Mansion at most!

It has little to do with him!

The Dark God believes that a simple test can determine whether Levi Garrison has anything to do with that man...

“Go! Go! Go!”

After receiving the order, the masters of the Bible organization all changed like individuals.

His eyes were hollow, only killing intent.

They had fled in all directions, but at this moment they all turned into dead men to kill Levi.

There were also a large number of angels of death.

Waving special metal wings!

Fierce!

“Boom!” But in the

next second, a death angel was caught by Levi Garrison.

“Shit!”

Levi Garrison forcibly pulled out the metal wings that merged the angel of death with the flesh!

“Uh!!!”

..... The

hysterical screams penetrated the entire island!

One!

Two!

Three!

...

The metal wings of the angel of death were all pulled out by Levi Garrison!

There were blood holes behind the angels of death, blood gurgling, making a screaming scream.

“Next!!!”

...

“Ah!!!”

“Ah!!!”

... The

death angels have no power to fight back in front of Levi Garrison, even if they are all controlled by others, they can still do it. Feel the pain.

One!

two!

...

Ten!

... a

hundred!

...

Eight hundred!

...

Desperate!

Deep despair!

No one would have thought that the former king who was slaughtered by anyone would still be at its peak today.

There is no power to fight back in his hands!

Punch!

Let your various angels have the ability to reach the sky, and use a variety of techniques.

But Levi Garrison is just a punch!

Sometimes, it will tear the angels abruptly!

Invincible!

No match at all!

More and more people are dead, and fewer and fewer people are standing.

The Underworld Gods made horrified sounds from time to time.

Looking at Levi Garrison, their hearts were already cold.

Originally thought Levi Garrison could be pinched by them.

You can do whatever you want, but who ever thought he was so terrifying.

...In the

blink of an eye, half of the more than 4,000 people have fallen.

The number of people continues to increase!

Layer after layer of blood!

...A

thousand people are gone again!

Only a thousand people are left!

Looking at Levi Garrison in horror, they didn't dare to step forward.

Even if they are controlled by others, one by one is dead.

But subconsciously they realized that the person in front of them was like a demon, and they couldn't provoke them at all.

So they are all scared.

Ignoring the order of the dark god, he kept retreating.

The dark god was also shocked.

I wanted to test whether Levi Garrison's strength had something to do with the supernatural commander of Tiance Mansion, but what I didn't expect was that Levi Garrison's style of play was so simple and rude that there was no technical skill to be seen.

It is a very simple blow to blow the opponent!

Relying on the fastest speed and the strongest strength.

Especially after Levi came to this realm, everything was back to basics.

That's it!

There is no way to see what kind of exercises there are, and there is no shadow of anyone.

Desperate! Levi Garrison stared at the Dark God and sneered, "It's up to you to try it!"
