

The Return of the God of War [The Protector] Chapter 2518

The words came out.

Everyone was taken aback.

In any case, they never thought that Ye Zhantian would kneel down for Levi Garrison!

Like a dog!

“Ye Zhantian, your behavior is to add humiliation to the Garrison Clan! You don’t deserve to be in the Garrison Clan!”

Ye Qingtian, the chief of the Garrison Clan, said coldly.

After they finished training Ye Zhantian, they all looked at Levi Garrison.

“Are you Levi Garrison?”

Ye Qingtian asked.

“Well, it’s me!”

“Bold young man! The ancestors who saw you dared to sit? Hurry up and kneel down! Otherwise, the highest clan rule of the Garrison Clan will take care of you! Let you die!”

“Yes! You didn’t come out to meet the ancestors.” We have violated the clan rules! Now kneeling and confessing, we might let it go!”

... the

elders of the elders scolded one after another.

In their opinion, Levi Garrison violated serious family rules.

It is already a heinous crime...

“Also! Let me introduce you! This is Ye Qingtian, the lord of the Garrison Clan! You must knock for ninety-nine bangs! To get his approval!”

Everyone began to introduce Ye Qing again. The identity of the day!

“I don’t like the tone of your speech, just kneel and talk to me!”

Levi Garrison frowned and said calmly.

“Let’s kneel??”

These old guys seemed to hear the biggest joke in the world.

I was stunned!

How is it possible to let them kneel in front of a junior?

It's absolutely impossible!

Levi Garrison stopped talking!

“Ding!”

A flick of your finger on the divine calamity!

“Boom!!!” In an

instant, a breath of death erupted, like Shura's rebirth in hell.

The world changed color at this moment.

“Buzzing...”

Shen Jie trembled, making a terrible sound.

Suddenly lifted off!

“Boom!”

“Boom!”

... the

sword of Shen Jie was activated abruptly!

The terrible energy burst out inside...

swept across the army!

Destroy all bodies!

The majestic breath was overwhelmingly suppressed.

Everyone present seemed to be carrying a Tarzan on their backs...

Everyone's complexion changed drastically , they were extremely red, and even cold sweats!

This breath was pressured, and everyone could only use their best efforts to resist...

"Puff!"

Finally someone couldn't help but bend their waist under abrupt pressure and fell directly to the ground.

"Puff!"

"Puff!"

.....If

there is the first one, there will be a second one.

The senior members of the Garrison Clan couldn't bear the overwhelming pressure, one by one they knelt to the ground.

The rest of the people used their greatest strength to resist, but their expressions were painful to the extreme.

They felt that the breath was being compressed a little bit, and they wanted to crush all the internal organs, veins and blood vessels in their bodies...

"Puff!"

"Puff!"

...

Still going on.

Kneeling down one by one, both knees fell into the ground.

...

Thirty!

...

Fifty!

...

Eighty!

... In the

end, there were only a dozen people left, the strongest dozen.

They are still resisting.

“Puff!”

... But

Shen Jie’s breath coercion is too strong, and it continues to increase.

...

Seven or eight people are kneeling to the ground again!

Only Ye Qingtian were left!

They are still going on!

Still desperately resisting!

“Puff!”

“Puff!”

...

At the end of the resistance, they vomited blood, and many parts of their bodies were crushed and crushed!

Some people suffered extremely serious internal injuries!

The organs in his body were crushed...

“Puff!”

Ye Wangtian fell to his knees.

“Puff!”

Ye Fengtian fell to his knees.

“Puff!”

Ye Qingtian fell to his knees!

“Ah!!!”

Ye Qingtian displayed all his strength to resist!

It actually made the divine calamity tremble!

But then, Shen Jie became more and more excited, and even stronger power broke out in the sword!

“Puff!!!!”

Ye Qingtian didn't bear it after all, and fell on

her knees... His knees smashed the ground directly... Seeing hundreds of people kneeling on the ground, Levi Garrison smiled and said, “It looks more comfortable! “
