

The Return of the God of War [The Protector] Chapter 2558

before they always said-you can always trust that man!

But after the advent of the new era, everyone is in control of a powerful force, no matter what everyone says.

In fact, he was disdainful of Levi Garrison in his heart.

So what he said and what he did, everyone actually didn't approve of it.

Until now.

Azure Dragon (Qinglong) just wanted to sigh—the boss is the boss, and things are like gods!
no!

They estimate that they will soon reach the end of the exercise.

I can't let them happen!

You have to stop them quickly!

Azure Dragon (Qinglong) ignored the exhaustion for a month, swallowed a tube of medicine, and

headed straight to the north of the river.

At this moment, near the major retreats in Jiangbei, the breath is gushing and majestic!

This will herald the birth of a lot of powers of the rank of gods...

especially the birth of Chen Kong in these two days, resulting in the fall of nearly half of the powers of the gods.

If the retreat is over, they will be able to come to the list of gods.

The people around have already felt the breath of a group of strong gods...

It is rare to

see so many strong gods at once... It can be seen how hard Zoey Lopez and Kirin (Qilin) are, striving to maximize their strength in the shortest time...

Of course, there are not a few people like them all over the world. After being stimulated by the new god list, they practice madly and assiduously one by one.

At this time, Azure Dragon (Qinglong) quickly came to Jiangbei and found Wen Lei who was in charge of protecting the law. They immediately said, "Hurry up and let everyone in the retreat stop! Hurry up! Something is going to happen!" After

coming to Jiangbei, Azure Dragon (Qinglong) has already felt a strong breath. .

This must be the rhythm of the accident.

They are almost at the end of their training...

If they stop it at this time, there is still a glimmer of life, and everyone will die in half a day! ! !

“Is it true

that what he said is true?” Wen Lei couldn’t help asking what he realized.

“Yes! The boss is right! Quick! Let’s stop them! It’s too late to be slow!”

With the efforts of Azure Dragon (Qinglong) and Wen Lei, some of the people who were in retreat were awakened.

But Kirin (Qilin) and Tiger (Bai Hu) are already in a state of madness, and their eyes seem to be red.

But a larger part of the people did not leave the customs at all and continued to practice.

They have come to the most critical juncture.

No matter what big things happen outside, they won’t come out.

It can be said that they have fallen into a state of extremes, just as enchanted.

Can’t wake up at all!

The only people who woke up were Azure Dragon (Qinglong) forcibly awakening them.

“Kirin, stop! What the boss said is right! All the exercises are the same! And if all the exercises you have practiced to the end, you will encounter backlash and eventually perish!”

“I spent a month’s work. Time to do the experiment, now all the results come out! What the boss said is right!” “This is the result of the experiment I made! We wronged the boss! He was right from the beginning! We wronged him...”

The blue dragon sounded like thunder, resounding across the sky.

Fall into everyone’s ears.

He wants everyone to know that it is wrong!

Apologize to Levi Garrison!

Also give up the practice at hand!

But the result was not what he thought...

Everyone was shocked or annoyed...All

the people present were silent.
