

The Return of the God of War [The Protector] Chapter 2608

Part of it was sorrowful and shocked, and part of it was questioning...

Zoey Lopez and the others had never expected that they would hear Levi Garrison's name in this way.

His name is actually in the mentor!!!

There is no way to believe it.

This was announced by Kunlun College!

"boom!!!"

Everyone suddenly thought about where Levi Garrison took the Kunlun College application list to study carefully these past two days.

Thinking about it now, he is selecting students!

Explained!

Everything is understood!

"I'm not convinced! Why is Levi Garrison a mentor?"

A voice of opposition sounded.

“Yes! Why is Levi Garrison a mentor? Give us a satisfactory answer!”

With the first, there is the second.

Everyone questioned one after another!

Regarding everyone’s questions, they even agreed with Zoey Lopez!

I thought that Levi Garrison would be struggling to be a student, and Kunlun Academy had no chance with him.

But who ever thought that Levi Garrison turned out to be a mentor!

Eighty-seven students with the largest number were selected!

It’s so unexpected!

Zoey Lopez, they are all surprised and broken!

Incredible? ? ?

A person who can’t even make the quasi god list, why should he become a mentor?

You must know that the mentors just announced are all in the top 100 on the list of gods!

There are also some terrifying magic masters!

Unheard of by everyone!

But as long as you check, you will know how terrifying they are!

Some are not even on the list of gods!

In terms of strength, they are not as good as the students present.

Because they are big bosses who research magical medicine or magical tools!

No one is unconvinced!

But why is Levi Garrison?

Dissatisfied!

Everyone is dissatisfied!

...

Among the crowd, the noise is getting louder and louder.

“Kunlun College, please give us an explanation!”

“Why can Levi Garrison be a mentor? Why? Please tell me the reason!”

Everyone shouted.

In fact, the most embarrassed person is Jiao Tianyu and other 87 people!

Fortunately, I came to register and wanted to join Kunlun College.
