

The Return of the God of War [The Protector] Chapter 2669

If Tiance Young Master's King Kong is not bad, it will definitely be a great help.

Tiance Shenshuai shook his head: "I don't know either."

"Let's go, come and see with me!"

Levi Garrison and the two came to the place where Tiance God Commander practiced.

I heard a buzzing trembling sound from far away.

This breath...

It's almost the eighth floor!

It can be seen that the Marshal Tiance is very hardworking.

After receiving Levi Garrison's guidance, after such a short period of time, they all began to hit the eighth floor.

This was unimaginable before.

Tiance Shenshuai smiled.

I am very proud of my son.

But Levi Garrison frowned.

This speed is still too slow.

If you hit the ninth floor now, it's almost...

But only the eighth floor.

At the moment when the young commander of Tiance hit, Levi Garrison appeared in the name of his master and personally guided a lot.

This is infinitely beneficial to Tiance Marshal.

After all, Levi Garrison was the one who cleared the magical power of King Kong not bad!

Instruct the young marshal of Tiance not to make detours, and do it in one step...

He easily hit the eighth floor!

But the eighth to ninth level is the most difficult...

In a short period of time, Levi Garrison's requirements were still not met...

"It's too late! I wanted to train for a while before picking seedlings for guidance! Now I must plan ahead!"

“Pass on, and the competition will be held in seven days. I will select the seedlings as the three of the dark gods! I will personally guide!”

Levi Garrison said.

“clear!”

The handsome Tiance nodded.

After the news spread, Kunlun College was about to explode.

It’s been a month since they came.

What is waiting is that the dean and the two deputy deans pick someone to personally guide.

This moment is finally coming.

One by one excitedly yelled.

This makes the spies in the Lab of the Gods also look forward to it!

Finally, I can come into contact with the three dark gods...

At this moment they have been waiting for a long time.

After Levi Garrison watched the Marshal Tiance, he went to see Ye Wudao and Ye Lingtian.

I have to say that the talents of the two people are very high.

After Levi Garrison's guidance, the two improved quickly.

These two people have the hope to become the super powers Levi Garrison needs.

But it still takes some time.

But Levi Garrison's sense of crisis is full.

He is thinking how to create a super strong in the shortest time?

At present, the Underworld God and the others are still good enough, but these people are taking the blood of the No.76 Forbidden Earth God.
