

## The Return of the God of War [The Protector] Chapter 2683

He was locked in a dark cage and played against the most powerful opponent.

He died with Lucifer.

As a result, they are living well!

Levi Garrison was very excited when he saw them...

These four people are not as powerful as they can imagine now.

They are returning to their ancestors little by little, returning to the appearance of their original ancestors.

They have the power to destroy the world in that way.

They are returning to their ancestors...

It will become stronger and stronger.

But what made Levi Garrison feel curious was the man with a full-length suit and a burst of stature, who wanted to tear his clothes, but with a gentlemanly demeanor.

Suit thug!

This word came out of Levi Garrison's mind.

Get the best interpretation in this person!

Elegant, gentleman, but violent and bloody!

“This is Mr. X, right?”

Levi Garrison said to himself in his heart.

Quietly write down the appearance of Mr. X.

What does x mean?

Uncertainties!

Dangerous and mysterious.

It's like a bomb, I don't know when it will explode, or it may not explode.

But once it explodes, it will be devastating.

This is Mr. X!

“You finally have a message?”

Mr. X and they are also very excited.

This is the first time to get intuitive information.

Jiang Sisen stood up: "Let me come first! It is the Dark God who guides me! He has been wearing a mask, and I can't see clearly...I have almost no clues here, and I have to continue..."

"But one thing... he has a breath that makes me very uncomfortable! How should I say? It's as if he is a god!"

"The feeling of the gods?"

x The freshman looked thoughtful and looked at each other with Lucifer.

I don't know what I'm thinking.

"what about you?"

"We are guided by the Garrison clan master and Daxia Yizhi Grandmaster! These two people are weird..."

"Even though their faces are vague and shrouded in a mist, it gives us the feeling that they are not human, and their temperament seems to be different..."

"It's an exaggeration to say that none of them belong to the same race!"

...

The remaining six people said all the information they found.

After listening to them, Mr. X, everyone's face was filled with inevitable shock.

Because from the key information they revealed, a conclusion is drawn—the three Gods of Darkness are most likely to be the gods of Forbidden Land No. 76!

It coincides with their previous conjecture!

it's the same!

That being the case!

That shows that the probability is right!

Really the gods of Forbidden Land No. 76!

"Let me just say it! How can those gods be so powerful that they perish for no reason?"

"Yeah, how could God of Darkness take over for no reason, and divide up all the resources!"

"Now there is a reasonable explanation-they are not dead at all, and they are in control of all this!"
