

The Return of the God of War [The Protector] Chapter 2751

At this time, the drunks carrying wine bottles on the deck of the cruise ship rubbed their eyes and looked forward.

“Huh? Why is the sea bubbling?”

“Also, is it red? Did I drink too much? Why did the sea turn red?”

“And this smells so bad!”

...

Quite a few people have already issued questions.

“What the sea is red? Are you damn drinking too much?”

“Don’t you want to drink it? The sea is bubbling and all these words come out!”

“Hurry up and drink!”

A few drank more and turned around, urging their companions to drink.

But they knew that a hill-like head came out of the water behind it, as high as the deck, looking at them.

“boom!!!”

When I saw the huge head emerging from the front.

The big mouth of the blood basin, the sharp teeth like downturned, the face covered with scales and corners like steel bars...

The few people standing in the front were frightened.

I woke up as much as I drank at this moment...

“Patter!”

“Patter!”

...

All the wine bottles and glasses in their hands fell to the ground!

Everyone was horrified, and they were speechless in surprise.

The body has been trembling!

Some people were even scared to pee their pants on the spot.

Everyone understands at this moment!

Levi Garrison’s prediction is correct!

Disaster is coming!
