

The Return of the God of War [The Protector] Chapter 2772

The word side by side king predicted right at the beginning!

There is no slight deviation!

The defensive wall he advocated is even more correct!

If everyone had listened to him at the beginning, a three-hundred-meter-long defensive wall has long been built on the coastline of Daxia!

Keep all these giant creatures out! ! !

Where can they log in so easily?

Impossible!

If it doesn't help!

They created hundreds of islands, enough to evacuate most people.

Furthermore, if the defensive line is still there, it is not as good as the national defense wall, which can be completely resisted for the time being!

Not as passive as it is now.

Everything is their problem!

...

People are so insistent, but they have to rely on what they see in their eyes and refuse one after another.

Lu Xiong's temper came up: "Let me just say it! Believe in the king! He made a mistake that time? You are to blame for this thing! You bear all the responsibilities!"

"Now that there is a problem, isn't it more serious? It used to be a problem of excessive losses, but now? It is a problem of the survival of Daxia!"

"I want to ask, which one can bear the responsibility??"

Facing Lu Xiong's questioning, everyone bowed their heads, not daring to say anything.

Even Xiao Liejun told them to shut their mouths obediently.

I didn't say a word.

"If they insisted on it, maybe..."

Suddenly someone whispered.

Lu Xiong glared at him fiercely: "What? Persevere? Did you give a chance? Don't say a word side by side! Did you give a chance to Lao Cao and I? We have been insisting, how about you? Vote!"

But the truth is often in the hands of a few people!

Besides, if we have suffered a huge loss, we can recover slowly. If we have to wait until this situation exists, is there nothing we can do? “

“Fuck!”

Xiao Liejun slapped himself several times.

“It’s all my fault! Everything is my fault! I am the sinner of Daxia!”

Others also regretted it.

Very regretful.

The regretful intestines are going to be green.

“Perhaps the word side by side king is not a retreat at all, he was run away by you!”

Lu Xiong shouted.

Hong Qingcang and Jiang Ye were crying with regret.

“I’m wrong!”

“It was my fault!”

“I regret it! I apologize to the king side by side! I apologize to everyone!”

...

“Okay! Stop shouting! Now all we have to do is to support as soon as possible! Hurry up and deploy defense and counterattack!”

“Quickly, quickly, give me action!”

“If Daxia really has a problem, let me see who of you still has the face to live??”
