### Chapter 561 The Dresser, Vera

‘How’s it going? Is everyone here? Is there anything wrong?’

Sarah asked Travis with worry. Travis shook his head with a smile.

‘Nothing happened. All the guests should have arrived. We will go downstairs after half an hour.’

‘All of you, please leave us alone. I want to have a private talk with my husband.’

Sarah suddenly said to the people in the dressing room. Everyone left after hearing what she said.

Travis asked curiously.

‘What’s wrong? What happened?’

‘I want to tell you something alone.’

‘It is our wedding today. I know you don’t love me, but I am still willing to marry you. Will you regret it in the future? If I can be cured, maybe we will really be a couple for a lifetime. Will you regret it?’

‘Did the doctor say that you can be cured?’

Travis asked in surprise. Sarah nodded with a smile.

She thought that she couldn’t hide the truth forever. She decided to tell him the truth gradually.

‘The doctor said that they have made a wrong diagnosis. It’s not a malignant tumor, but a benign one. It will be cured after an operation.’

## Pregnant With Twins: My CEO' s Tricky Love

### Chapter 562 Sweet Words

‘Half a month ago, Miss Duran asked me to work for her. It’s my job, and I have worked for Miss Duran several times, so I accept this job. I didn’t feel anything unusual about this matter. But last week, my son suddenly disappeared on the way back from school. I received a threatening call from someone.’

‘They said that they had caught my son and they sent me the video. My son was tied up and they threatened me to do something for them, or they would kill my son. I had no choice but to agree.’

‘Then what on earth did they ask you to do?’

Travis asked.

‘They asked me to do something on the wedding day of Miss Duran. At first, they said that they hadn’t decided what they wanted me to do and asked me to get prepared first. But yesterday, they called me.’

‘They asked me to put some drugs in the cup of Miss Duran when I was working. Then they said that they would send a man over and take a video with Miss Duran about a sex scene. If the man couldn’t make it and was stopped by the guard, they asked me to take a naked photo of Miss Duran and send it to them. I guess they might want to post this photo online or make trouble at the wedding.’

‘Is that all?’

Travis asked with a long face.

‘That’s the only thing I know. I’m just a dresser. I can’t do anything more difficult. Mr. Armstrong, I’ve told you everything. Please let me go and help me save my son. Please, he’s just a five-year-old boy. He didn’t do anything wrong. Please save him.’”

Vera knelt on the ground and cried. Travis promised Vera.

‘I will ask someone to find your son right away. But I also remind you that if there is any lie in your words, I will also hurt your son whom you care most. Don’t test my patience. Stay here and don’t go anywhere.’

After saying that, Travis left, leaving two bodyguards to continue watching Vera.
