Chapter 1001 The Arrival of A Powerful Figure (1)

“Could it be that the Fiendcelestial Beast mentioned by the Qinglin Sect’s previous Grand Elder is the treasure on Ye Qingtang...”

Immediately, Duan Tianrao and the members of the Duan Family were in thought. Judging from the situation, an item that even the previous Grand Elder of Qinglin Sect cared so much about must definitely be a great piece of treasure. In this case, it could be explained why Ye Qingtang could harm Clan Master Long, a half-step Yin Yang Perfected Lord.

It was just that everyone was extremely curious to know what kind of presence the so-called Fiendcelestial Beast was for a true Yin Yang Perfected Lord to pay so much attention to.

Yet, no one dared to raise the question.

“Master, this bastard still has a black-grade weapon!” Clan Master Long looked at the elderly in the air and said hurriedly.

Clan Master Long had left the sect for a long time and naturally did not know what a Fiendcelestial Beast was.

“Black-grade weapon?”

The elderly laughed plainly upon hearing Clan Master Long and said, “Compared to the Fiendcelestial Beast that this girl obtained in the mystic realm, a black-grade weapon is nothing.”

“What...”

Clan Master Long and everyone present were taken aback.

Even a black-grade weapon could not be compared to a Fiendcelestial Beast?!

What kind of shocking treasure was hidden on Ye Qingtang?!

“Ye Qingtang, hurry hand that Fiendcelestial Beast or something over. This is Qinglin Sect’s previous Grand Elder, a true Yin Yang Perfected Lord!”

“That’s right! Ye Qingtang, the Grand Elder had already promised in front of everyone. As long as you hand your treasure out, he will not haggle about it. Could it be that you still refuse to admit your errors or do you think that your treasure can even go against a true Yin Yang Perfected Lord!”

After hearing the elderly, the senior members of the Ye family looked at Ye Qingtang and ordered incessantly.

However, Ye Qingtang did not plan to bother with these senior members and did not respond.

Ye Ling and the Second Elder had a complicated expression. They never expected so many things to happen after Ye Qingtang returned to Lin Town.

When Ye Qingtang returned, Ye Ling had already told her to leave earlier... If Ye Qingtang listened to him, there would not be these many disasters...

It was not that Ye Ling was afraid of troubles but that he was unwilling to have Ye Qingtang encounter such danger.

They were already at a loss of what to do when facing a half-step Yin Yang Perfected Lord from the Long Family. Now that they were facing the previous Grand Elder of Qinglin Sect, a true Yin Yang Perfected Lord, they were all the more in despair.

Death seemed to be looming above them.

“Tang Tang, hand the Fiendcelestial Beast to them!”

At this instant, even the Second Elder of the Ye Family could not help but persuade her.

No matter what kind of shocking treasure it was, one’s life was more important. What was the point of everything if one’s life was lost?!

Moreover, that Grand Elder had already said that as long as Ye Qingtang was willing to hand that so-called Fiendcelestial Beast over, he could let bygones be bygones and spare Ye Qingtang’s life!

The words of sects’ Grand Elders carried weight, and this Grand Elder was also a Yin Yang Perfected Lord. Since he said that he would spare Ye Qingtang’s life, he would definitely be able to do so and fulfill his own promise. Of course, the premise was that Ye Qingtang had to cooperate and hand the Fiendcelestial Beast to him...

Chapter 1002 The Arrival of A Powerful Figure (2)

“Tang Tang... your life is most important...” At this moment, Ye Ling looked at Ye Qingtang and could not help but try to persuade her.

To Ye Ling, there was nothing more important than his own daughter’s life. Regardless of that Fiendcelestial Beast and the black-grade weapon, it was still so.

However, Ye Qingtang did not even turn around to look at Ye Ling or the Second Elder.

“Ye Qingtang, the Clan Master has already said it. Are you really going to refuse to admit your mistake? Forget it if you don’t want your life, but do you want the Ye Family to be buried together with you as well!”

“Ye Qingtang, quickly hand the Fiendcelestial Beast over. Otherwise, don’t blame us for punishing you in the name of justice!”

The senior members of the Ye Family looked at Ye Qingtang, enraged. Even if Ye Qingtang could suppress the half-step Yin Yang Perfected Lord Clan Master Long using that god-knows-what Fiendcelestial Beast, the person she was facing currently was, however, the previous Grand Elder of Qinglin Sect, a true Yin Yang Perfected Lord!

A half-step Yin Yang Perfected Lord and Yin Yang Perfected Lord may seem close, but in reality, there was a world of difference between them!

Even if a hundred or thousand half-step Yin Yang Perfected Lords faced a true Yin Yang Perfected Lord, they would only be slain!

“Any more bullsh*t and you’ll die.”

Ye Qingtang’s eyes swept across the senior members of the Ye Family who were rambling ceaselessly.

“You!”

One of the senior members pointed at Ye Qingtang in fury.

Swoosh!

Before that senior member could finish his sentence, there was a sound of a sword being unsheathed. Subsequently, that senior member’s arm which was instantly stretched out was chopped by the sword aura.

“Arh!!!”

A miserable cry escaped that senior member of the Ye Family. Never had he thought that Ye Qingtang would actually attack him, a senior member of the Ye Family!

Noticing the situation, all the senior members were shocked and did not dare to utter a word. Ye Qingtang had a black-grade weapon and a Fiendcelestial Beast which even the previous Grand Elder of Qinglin Sect cared very much about. It was nothing but courting death if they opposed Ye Qingtang right now!

“Ye Qingtang, this devil’s spawn...”

“Humph! What a scoundrel. She is only a member of the younger generation of the Ye Family. How dare she attack a senior member of the Ye Family? This is a wicked crime which is past forgiving!”

“Once the Qinglin Sect Grand Elder takes her Fiendcelestial Beast and black-grade weapon... I want to see if she still dares to be this arrogant in front of us!”

“By then, we must make her kneel and punish her by the clan’s rules!”

The senior members of the Ye Family gritted their teeth.

“Young one, what do you think of my suggestion?” Qinglin Sect’s previous Grand Elder looked at Ye Qingtang and asked.

Ye Qingtang stared at the elderly in the air and replied plainly. “Fiendcelestial Beasts have always only followed powerful figures. With your weak martial realm, where did you find the courage to believe that you are qualified enough to obtain the Fiendcelestial Beast?”

Everyone was surprised by what Ye Qingtang said. Was this Ye Qingtang really courting death?!

Previously, the Qinglin Sect Grand Elder had already clearly said that as long as she handed the Fiendcelestial Beast over, he would spare her life, but Ye Qingtang... actually said such things to the Qinglin Sect Grand Elder! Did she really not want her life anymore?!

“Ye Qingtang, this scoundrel. How dare you talk to the Grand Elder this way!”

“Ye Qingtang, if you wish to die then go ahead alone. Why must you drag us and the Ye Family along with you?!”

Chapter 1003 The Arrival of A Powerful Figure (3)

The senior members of the Ye family also could not bear with her attitude anymore and started to blame her in anger.

Even the disciples of the Ye family also began to curse her.

“Young lady, you’re way too arrogant. It seems like your parents did not teach you about manners.” The previous Qinglin Sect’s Grand Elder shouted coldly in mid-air.

Ye Qingtang sneered after hearing the Grand Elder’s words.

“You’re disrespecting me by talking to me in mid-air. Get down right now!”

“What did you say?! Ye Qingtang, how dare you to speak to my Grand Master like that?!” Long Rui’s eyes darkened immediately like a pool of water.

However, Ye Qingtang did not seem to hear Long Rui’s words at all and did not give any response.

“Then I shall help you to get down.”

Ye Qingtang sneered coldly as the previous Qinglin Sect’s Grand Elder had no reaction. She raised her right arm under everyone’s gaze, and the Grand Elder was dragged down by a mysterious force!

The scene was like a dream to everyone who was present as it was so unreal.

“This...”

The Qinglin Sect’s Grand Elder was shocked as he landed. His body was out of his control just now and was dragged down by a force that could not be described...

“Was it... the Fiendcelestial Beast...”

The previous Qinglin Sect’s Grand Elder stared at Ye Qingtang and contemplated.

A warm luster appeared in the Elder’s eyes soon. It was shocking that a young Fiendcelestial Beast could possess such terrifying power. If he could get the Fiendcelestial Beast...

The Elder was more determined to get the Fiendcelestial Beast.

“Young lady, I’ll give you one last chance to hand over the Fiendcelestial Beast and the black-grade weapon now... If not, you will not even be able to die in peace!”

Ye Qingtang was expressionless after hearing the Elder’s words.

“Young lady, it seems like... you really don’t value your own life.” The previous Qinglin Sect’s Grand Elder looked at Ye Qingtang and sneered.

“I won’t kill you before I get the Fiendcelestial Beast... However, I shall kill everyone in the Ye family.” The Grand Elder then exchanged a glance with Long Rui and the Long Family Master.

The Long Family Master immediately understood the command from the Grand Elder and looked towards the Ye Ling and the rest

“You’re really a group of clowns.” Ye Qingtang sighed softly.

Ye Qingtang did not have the intention to fight against these people previously. However, she understood that no matter what she said, everyone would think that she was using the Fiendcelestial Beast’s power to threaten them.

Ye Qingtang would not mind to let everyone feel the power of a Yang Lord.

As Ye Qingtang finished her words, the immense power of a Seventh Heaven of the Yin Yang Perfected Lord exploded out from her body.

Wing howled, and invisible waves of air spread out in all directions like the waves from the center of the sea.

As the aura of the Ying Yang Seventh Heaven spread out, the immense power rushed into the sky, and the sky seemed to be trembling under the influence.

Invisible waves of air surrounded Ye Qingtang and spread out in all directions.

Everyone stepped backward under the force of the aura before they could comprehend the situation. They were terrified by the scene and trembled in fear.

Chapter 1004 Yang Lord (1)

The senior members and the disciples of the Ye Family, the Duan Family, and even the Long Family all stared at Ye Qingtang in shock. They were all taken aback by the power and froze.

However, no one knew what did the disaster-like aura represented besides the previous Qinglin Sect’s Grand Elder.

The senior members of the Ye Family all trembled in fear under the aura. It seemed that they were going to suffocate to death.

“What... what was that...” The senior members of the Ye Family looked at each other and murmured. Their eyes were filled with astonishment.

“You...”

The previous Qinglin Sect’s Grand Elder’s face was full of terror.

As the previous Qinglin Sect’s Grand Elder and a true Yin Yang Perfected Lord, he obviously knew what this power represented.

“Yin... Yin Yang Perfected Lord... Seventh Heaven... A Yang Lord... This is impossible... You... You’re a Yang Lord...”

The Elder stared at Ye Qingtang in fear. The young lady in front of him was a real Yang Lord!

“Ying Yang Seventh Heaven... Yang Lord?!”

The Long Family Master froze as he heard the Elder’s words. When he looked towards Ye Qingtang again, his sight was filled with surprise and disbelief.

“Yang... Lord...”

The Clan Master Duan and the members of the Duan Family could not believe what they just heard.

Though they had never seen a Seventh Heaven Yin Yang Perfected Lord or felt the aura, they understood what a Yang Lord was.

The Yin Yang Perfected Lord was separated into two different levels. The first level was called a Yin Lord, and the second level was called a Yang Lord.

The Yin Lord and the Yang Lord were of a world difference, but the difference in their power was huge!

The First to Sixth Heavens of the Yin Yang Perfected Lord were Yin Lords. Only when one’s martial ability entered the seventh Heaven could he then step into the second level and become a Yang Lord.

The number of Yang Lords on this mainland was very limited. Any Yang Lord could make the land tremble when they slightly used their power.

Besides the Elder who was at Yin Yang Perfected Lord level as well, no one else who was present was able to understand the meaning of the aura. If the Elder did not speak up, the members of the three families would still think that the aura belonged to the Fiendcelestial Beast.

Now, they finally understood why Ye Qingtang did not bother to talk to the senior members of the Ye Family when they could not stop chattering.

The difference in the levels was so huge that none of them could even enter her eyes. Even the Grand Elder, who was a Yin Yang Perfected Lord, also did not qualify to speak to her...

Duan Tianrao’s face was extremely unpleasant. The fiancée that he looked down at and wanted to annul the engagement with had become an unbeatable powerful person in these two years... The Seventh Heaven of the Yin Yang Perfected Lord...

“Senior, please spare my life!”

Cold sweat appeared on the Grand Elder’s forehead. He kneeled down immediately in terror.

A Yang Lord to him was an unconquerable true god. The young lady in front of him could kill him with just a thought without leaving any trace of his flesh and bones.

Ye Qingtang looked at the previous Qinglin Sect’s Grand Elder coldly. All these people were nothing in her eyes. She did not even have any interest to talk to them.

Chapter 1005 Yang Lord (2)

“Grand... Grand Master...”

Even the Grand Master, who was a Yin Yang Perfected Lord, also kneeled down in front of her. Seeing this, Long Rui had an extremely pale face.

Only at this moment did the Long Family understand what they had done. They offended a Yang Lord...

“There will be no more Long Family and Duan Family from now on.” Ye Qingtang scanned through everyone and said slowly after killing the Elder.

“Please spare us... We did not know!!”

The Long Family was in a mess after hearing their death sentence from Ye Qingtang.

However, an aura exploded suddenly. Ten people of the Long Family, including the Long Family Master, were killed instantly.

“Run!”

The Duan Family Master turned back and was about to flee in fear after witnessing the hell-like scene.

“Where do you want to go now that you’re already here?”

Ye Qingtang spoke plainly.

As Ye Qingtang finished her sentence, everyone from the Duan Family suddenly froze as if they lost control of their bodies.

Ye Qingtang wandered around them. She raised her right arm slightly, and the Duan Family Master’s body suddenly exploded.

Members of the Duan Family were all killed under Ye Qingtang’s martial aura within a few breaths.

The senior members of the Ye Family and a few Elders all froze in shock. Even Ye Ling also could not process what was going on.

“Qingtang... Tang Tang... Please... Please don’t kill me!” Duan Tianrao begged in fear as Ye Qingtang walked towards him slowly.

Boom!

Ye Qingtang did not even say a single word. Duan Tianrao’s body was crushed into a pool of flesh with an explosion.

However, Ye Qingtang did not kill some disciples of the Duan Family who kneeled and begged in front of her. She had nothing to do with the juniors, and they were just here to witness the drama. Ye Qingtang would not kill them since they did not have the intention to harm her.

Ye Qingtang did not plan to kill the Long Family’s, Duan Family’s, and Qinglin Sect’s Grand Elder straight away.

However, Ye Qingtang understood that these people not only wanted to take away the resources she gave to the Ye Family but also wanted to wipe out the entire Ye Family. They even had the intention to kill her. Ye Qingtang did not show any mercy and killed them all.

Ye Qingtang took a glimpse at the disciples of the Duan Family and let them leave the place. She did the same thing to some of the disciples of the Long Family.

After a short while, Ye Qingtang looked towards the senior members of the Ye Family and said, “Just now, I heard that you wanted to punish me with the family rules.”

The senior members’ faces all turned pale after Ye Qingtang finished her words.

They treated Ye Qingtang as a normal member of the Ye Family previously...

Under everyone's gaze, Ye Qingtang swung a palm out and smashed the senior member whose arm was chopped off by her previously.

"Ah..."

The remaining senior members were all soaked with cold sweat.

"You only thought of how to protect yourselves when the Ye Family was facing our enemies. None of you cared about the honor of the family, and none of you deserve to live anymore." Ye Qingtang looked towards the senior members of the Ye Family and said indifferently.

Based on her father Ye Ling's personality, he was not able to control these senior members previously as well.

Ye Ling's martial ability was mediocre and had a weak personality. It was hard for him to take up the position as the family master. Now, Ye Qingtang had to step out for deterrence.

Chapter 1006 Yang Lord (3)

Some of the remaining senior members of the Ye Family all stood in silence. They finally understood how ridiculous their behavior was previously. They were trying to condemn an unconquerable Yang Lord...

Everyone was shaking in fear after recalling what they had done.

The senior members of the Ye Family also realized why Ye Qingtang was so indifferent towards the Duan Family and the Long Family.

In the eyes of a Seventh Heaven Yin Yang Perfected Lord, the Duan Family and the Long Family were nothing. They should feel honored that Ye Qingtang even spoke to them...

However, Ye Qingtang did give them a chance. If the two families were not so greedy, Ye Qingtang would not choose to kill them all.

The senior members of the Ye Family were new to the family. Most of them only saw Ye Qingtang for the first time. They only heard that the family master's daughter was a normal sect disciple. However, no one could imagine that this disciple was a real Seventh Heaven Yang Lord...

It was fortunate that Ye Qingtang was the Young Lady of Ye Family. Offending a Yang Lord might result in the death of all their related family members. How could they be alive till now?

"Young lady... Please... Please spare my life..."

The Third Elder was pale and trembled in fear. He kneeled down beside Ye Qingtang.

He did not have the courage to fight against the Long Family and only thought of surrendering all weapons and elixirs from Ye Qingtang to them to prevent a disaster.

"Get up," Ye Qingtang said coldly.

Ye Qingtang was not familiar with the Third Elder, but he could see the big picture and solve the problem wisely. Furthermore, he did not do anything that would harm the Family. He even defended her in front of the Long Family. It was totally different from the senior members of the Ye Family that only thought of their own safety. Ye Family would need people like the Third Elder.

Though he was not able to do much, at least his heart belonged to the Ye Family.

The Third Elder sighed in relief after realizing that Ye Qingtang did not blame him.

“Thank... thank you Young Lady for the weapons and the elixirs... We will definitely protect the Ye Family in the future!”

Many senior members sighed as well.

They then looked towards Ye Qingtang and smiled as they held the yellow-grade weapons and elixirs from Ye Qingtang.

“Thank you Young Lady!”

“Thank you Young Lady!”

Some disciples of the Ye Family also showed their gratitude.

However, Ye Qingtang did not respond to them. She looked at the Third Elder and said, “Take back all weapons and elixirs I gave out previously.”

“What?!”

The disciples and the senior members were all shocked. Why would she take back all their weapons and elixirs when the problem was settled?

“Do you want to know the reason? Because none of you deserve them, and none of you are qualified to have them.” Ye Qingtang scanned through everyone.

The new senior members of the Ye Family only focused on their own benefits. They had no loyalty towards the Ye Family. The loyalty they showed now was just because the Young Lady of the Ye Family was a Yang Lord.

Chapter 1007 Reform (1)

Ye Qingtang could recruit all those really powerful people to the Ye Family with her own ability. Why would she need these selfish people here?

The same went for the disciples here. Most of them lived in Lin Town. They changed their surnames to Ye after entering the Ye Family, but they did not belong to direct descendants of the Ye Family.

When Ye Family encountered such troubles, none of them dared to speak out for the family. Instead, they put all the blame onto Ye Qingtang, the family’s Young Lady.

“Hand over all the weapons and elixirs Young Lady gave out previously. You know what will be the consequences if you hide any of them!”

The Third Elder walked into the crowd and commanded coldly.

Soon, around a dozen of yellow-grade weapons and elixirs were taken back by the Third Elder.

“Disperse all disciples of the Ye Family here. None of you will be allowed to call yourself as a disciple of the Ye Family,” Ye Qingtang said indifferently.

“What...”

“On what basis!”

“What did we do?!”

All the disciples of the Ye Family started questioning and complaining when they heard that Ye Qingtang wanted to chase them away.

“Because none of you deserve to have my surname. None of you deserve to be a disciple of the Ye Family.” Ye Qingtang scanned through the crowd and said.

The Third Elder could completely understand Ye Qingtang’s intention. If he were Ye Qingtang, he might kill these unrelated disciples directly.

“Leave now!” The Third Elder shouted in rage and opened his eyes wide.

The disciples all showed different expressions. They just experienced both joy and desperation in such a short period of time.

They just received all the supreme weapons and elixirs, but then they were taken back. The Ye Family now had a Yang Lord that they could show off in front of others. However, they were chased out of the Ye Family all of a sudden...

The disciples could do nothing but leave.

After the disciples left, Ye Qingtang looked towards the remaining senior members of the Ye Family and said, “Same for you. If anyone dares to use the surname Ye in the future, I will hunt you down no matter where you go.”

“Wh... What?!”

The senior members of the Ye Family were all shocked and could not believe what they just heard. They... they were chased out of the Ye Family by her as well?!

The Ye Family would definitely become a super family with Ye Qingtang. However, they were chased out of the Ye Family before they could even enjoy their good days?!

However, no one dared to say anything to the unconquerable Seventh Heaven Yang Lord.

“Young Lady... It’s hard for the Ye Family to function without the senior members.” The Third Elder looked at Ye Qingtang and said.

Ye Qingtang touched the Third Elder’s forehead gently, and her Divine Sense entered his glabella, “Bring my Divine Sense to recruit those suitable powerful people to the Ye Family.”

“Sure!” The Third Elder was very excited as he nodded constantly. Even a Yin Yang Perfected Lord would fight to join the Ye Family with a Seventh Heaven Yang Lord’s Divine Sense!

“Young Lady, I will set off soon after some preparation!” The Third Elder turned and left after finishing his words.

Now, only a few people still remained in the giant Ye Family.

Ye Ling finally understood the situation and realized that his daughter Ye Qingtang was now a Yang Lord!

“Tang Tang... Am I dreaming?!” Ye Ling could not believe how Ye Qingtang managed to become a Yang Lord within two years.

“Father, no one will dare to bully us from today onward.” Ye Qingtang smiled gently to Ye Ling.

Chapter 1008 Reform (2)

However, Ye Qingtang was clearly aware that given her father’s personality, he still required some training to control the powerful figures of the Ye Family.

Nonetheless, Ye Qingtang was not overly worried either. After all, Ye Ling’s daughter was a Yang Lord, and even if those Yin Yang Perfected Lords pledged allegiance to the Ye Family, they definitely had to obey Ye Ling.

“Good... Very Good!!” Delight filled Ye Ling’s eyes. His dream of several decades was actually about to be fulfilled...

Ye Ling had a warm disposition, and his daughter and family clan were his only priorities. His dream was to bring the Ye Family to greater heights under his leadership. Today, thanks to his daughter, the Ye Family was about to rise greatly and become a super family clan!!

However, Ye Ling could not help but worry. He could become the Clan Master of the Ye Family partly due to luck, but this time, he was unable to control those senior members who were chased out by Ye Qingtang. Would he be able to control the powerful figures who were to pledge allegiance to the Ye Family in the future then...

Yet, thinking about it carefully, even a Yin Yang Perfected Lord would probably not harbor any evil designs should they know that his daughter was a Yang Lord.

The only reason why those powerful figures would be willing to join the Ye Family would be because of the fact that Ye Qingtang was a Yang Lord. Since that was the case, who would be so insensible to offend a Yang Lord’s father?!

At this thought, Ye Ling was completely at ease.

“Great Elder.”

Ye Qingtang looked at the Great Elder who was still dumbfounded and called him softly.

“Huh... Huh?!”

The Great Elder only returned to his senses when he saw Ye Qingtang walking towards him.

To the Great Elder, the lady before him was not just Young Lady Ye but also an unrivaled Yang Lord of this mainland!

A while ago, the death of that Qinglin Sect Grand Elder completely stunned the Grand Elder. To cultivators of their level, a Yin Lord of the Yin Yang Perfected Lord realm was already considered a supreme God, yet Ye Qingtang killed the Grand Elder in a second. Even more so, this lady was the Eldest Young Lady of the Ye Family. It was truly a massive shock.

“What are you thinking about, Great Elder?” Ye Qingtang looked at the elderly beside her and asked.

“Eldest Young Lady... It’s nothing...” The Great Elder shook his head repeatedly.

Ye Qingtang had a pretty good impression of this Great Elder. When the Long Family came, the Great Elder still placed the family clan’s honor as the first priority. Although his own grandson was severely injured by the Duan Family, he still had a heart.

“This spirit pill is for treating a Yin Yang Perfected Lord body. Dan Yifan was heavily injured from competing for the Ye Family previously. An ordinary spirit pill would take several months for him to recover. This spirit pill will allow him to recover fully in just a few hours and will not damage any of his martial foundations.” Ye Qingtang smiled.

“This...”

The Great Elder looked at Ye Qingtang, astounded and overwhelmed by her favor. The lady before him was a Yang Lord, and she actually gave him a spirit pill on her own initiative and was so friendly to him. All of this seemed like a dream...

“Thank... Thank you Eldest Young Lady!” Agitation was written all over the Great Elder’s face as he accepted the spirit pill with trembling hands.

“Bring it to Dan Yifan to treat his injuries first,” Ye Qingtang said.

“Alright! I’ll go take a look at Yifan first then!” The Great Elder was worried about Dan Yifan’s injuries at the mention of his name.

After gaining Ye Qingtang’s permission, the Great Elder turned and left.

Chapter 1009 Reform (3)

“Second Elder, what happened to you?” Ye Ling looked at the Second Elder who was still dumbfounded and asked with furrowed brows.

The Second Elder took a deep breath to calm himself down only after Ye Ling called him several times.

He originally thought that the Ye Family and Ye Qingtang would definitely face a calamity today, but never had he thought that... the calamity would actually fall on the Long Family, Duan Family, and that previous Grand Elder of Qinglin Sect!

In just a short span of two years, Ye Qingtang actually progressed from a Connate cultivator into a Yang Lord who could stun the entire mainland

With the facts lying right before his eyes, he had to face it clearly even if it seemed a fantasy.

“Tang Tang! You... You actually... This...” The Second Elder was speechless as he looked at Ye Qingtang. He had never seen a Yin Yang Perfected Lord in his life before and all the more never dared to think that he could have any relations with a legendary Yang Lord!

However, the fact was that he was the second uncle of a Yang Lord!

Previously, the Second Elder tried to persuade Ye Qingtang to hand the Fiendcelestial Beast over to that Yin Yang Perfected Lord as he was afraid that something would happen to Ye Qingtang. Now, it seemed that he was overly worried...

“Second Uncle, keep these weapons and elixirs properly and distribute them to the new disciples of the Ye Family in the future. You can choose whatever weapons and elixirs you like. There’s no need to hold yourself back as I still have a lot more at my side.” As Ye Qingtang spoke, she handed all the items to the Second Elder.

“Haha. Sure, sure!” The Second Elder received the items and responded agitatedly. “I want to see who dares to offend our Ye Family from now on! Oh right, if the natural endowments of the future Ye Family disciples are bad, we must not want them!”

“...” Ye Qingtang stared blankly at the Second Elder.

Late in the night, Ye Qingtang, Ye Ling, the Great Elder, and the Second Elder were in the study room. The Third Elder had already left with Ye Qingtang’s Divine Sense to recruit powerful figures suitable for the Ye Family.

After discussion, the eventual decision was to combine the entire Long Family and Duan Family as a part of the Ye Family. As for the disciples of the two family clans, they could leave. As long as they were not a direct descendant of the family clan, they would be considered if they wished to join the Ye Family.

The second morning, Clan Master Si and Si Ye personally paid a visit to the Ye Family.

Clan Master Si and Si Ye were already clearly aware of yesterday’s incident. Never in their dreams would they have thought that Ye Qingtang was currently a Yang Lord!

“Grandfather Si.” Ye Qingtang called when she saw Clan Master Si walking into the hall of the Ye residence.

“Hahaha, Tang Tang... You’re still willing to call me Grandfather Si now. This is enough for me to boast for my entire lifetime!” Clan Master Si beamed.

“It’s not just enough for grandfather to boast. The fact that my younger sister Qingtang is a Yang Lord is enough for me to boast about for ten lifetimes.” Si Ye commented with a laugh.

Ye Qingtang laughed helplessly. “Grandfather Si is Qingtang’s grandfather forever.”

In reality, given Si Bai’s martial talent, it was easy for Si Bai to become a Holy Venerate in the future now that he survived in this lifetime.

Of course, Clan Master Si and Si Ye did not know anything about this.

“Alright, Tang Tang. You said it. You can’t eat your words!” Clan Master Si said hurriedly.

After using Ye Qingtang's elixir, Clan Master Si's illness disappeared in a night, and his martial skills improved another level. Presently, he was glowing with health and was extremely resplendent.

As for Si Ye, he was beaming with confidence with the superior yellow-grade sword hanging on his waist.

"Haha, Old Si, let's dispense with the formalities." The Great Elder laughed.

Chapter 1010 Reform (4)

Although there were some misunderstandings between the Si Family and the Ye Family in the past, the relationship between both family clans had been very amiable ever since Ye Qingtang treated Si Bai successfully.

"Old Si, if there's anything you want to say, why don't you just shoot it out?" Ye Ling asked with a smile.

Clan Master Si nodded and said, "Alright... I'll say it straight then... I wish to combine the Si Family into the Ye Family. It's pretty much sharing the spotlight of my Tang Tang."

Because of the Long Family, the Si Family had been on a gradual decline. However, if it could join the Ye Family, the situation would be completely different.

"This..."

After hearing what Clan Master Si said, the few elders and Ye Ling were a little surprised. This Old Si actually intended to combine the Si Family into the Ye Family?

Of course, it was not easy for them to make a decision for such matters. After all, Clan Master Si proposed this for the sake of Ye Qingtang

"Tang Tang, what do you think?"

Second Elder looked at Ye Qingtang.

Ye Qingtang pondered for a moment and subsequently shook her head. "No."

Clan Master Si and Si Ye were taken aback by her reply.

The two of them initially thought that given their relations with Ye Qingtang, there should not be any problem even if they were to enter the Ye Family.

Ye Qingtang was currently an unrivaled Yang Lord, and if the Si Family was combined into the Ye Family, it would still be the best outcome even if the Si Family would cease to exist from then on.

An awkward smile emerged on Clan Master Si's face. He never thought that Ye Qingtang would reject so firmly.

"Grandfather Si, you want to combine the Si Family into the Ye Family merely because of my influence as a Yang Lord. Although I am a member of the Ye Family, I am also considered half a Si. Since that's the case, doesn't it mean that the Si Family also has a Yang Lord and Grandfather Si has a Yang Lord granddaughter? Why is there a need to inconvenience yourself by combining the Si Family into the Ye Family?" Ye Qingtang looked at the rather dejected Clan Master Si and smiled.

Clan Master Si was surprised to hear Ye Qingtang's response.

As a Yang Lord, Ye Qingtang actually said she was his granddaughter... half a Si...

Back when Ye Qingtang was younger, Grandfather Si treated her very well, and she had never forgotten about it. The fact that she could even enter Xuanling Sect was also because of Grandfather Si. Apart from this, there were countless other things Grandfather Si did for her, which showed that he treated her like his own granddaughter wholeheartedly.

How could Ye Qingtang treat the Si Family badly now?

Immediately, Ye Qingtang stood up and raise her right arm slightly, injecting her Divine Sense into Si Ye's glabella.

"This is..." Si Ye trembled at the appearance of an inexplicably huge amount of energy.

"Big Brother Si Ye, this is my Divine Sense which contains my will. With this energy, you should be able to recruit many powerful figures for the Si Family." Ye Qingtang replied with a smile.

"I see..." Si Ye understood the meaning in Ye Qingtang's words instantly.

If the Si Family said that they had a Yang Lord in their clan, no one in this world would believe them. However, if they could display Ye Qingtang's will, things would be completely different. There would definitely not be any hoax if a Yang Lord's mental energy appeared personally. It was said that many hidden clans in the past also used this method to recruit powerful figures.

"Hahaha, isn't this great then? Your Si Family also has centuries of history. If it is really combined into the Ye Family, Old Si would be the most unable to bear it." The Second Elder looked at Clan Master Si and laughed.

It was, however, that Ye Qingtang's actions were rather unexpected.
