Chapter 1031 So What If It's Yunxiao Sect (3)

Who exactly gave them this courage?!

What laughing stock!

At this instant, the Yin Yang Perfected Lord Branch Masters of the other three branches rushed over to the headquarters along with their respective senior members and talented disciples.

In no time, the Ye Family field was filled with people, and all of them were powerful figures.

“Haha, YunXiao Sect is truly a good example for the super sects. If the Nine Nights Dynasty and Formidable Heavens Dynasty were as bold as the Yunxiao Sect, it would really be worthwhile.” A Branch Master scorned as he stared at Elder Yin and Elder Gu.

The two Yunxiao Sect elders had the skills of a half-step Yin Yang Perfected Lord and came to the current Ye Residence just by themselves, wanting to catch the Ye Family's Eldest Young Lady who was a Yang Lord...

Was the entire YunXiao Sect a group of idiots?!

“This...”

At this moment, Elder Yin and Elder Gu were struck with astonishment. Regardless of the Ye Family or Si Family, numerous Yin Yang Perfected Lords actually appeared in both families!

The two Yunxiao Sect elders even knew the names of some of the Yin Yang Perfected Lords!

These people were not even supposed to appear in Lin Town, yet for some reason, they were all gathered in this remote town.

“How can this be... Yin Yang Perfected Lord... You all... This...” Feeling the powerful skills of several Yin Yang Perfected Lords, Elder Gu trembled slightly. Their Yunxiao Sect merely had two Yin Yang Perfected Lords: one of them was the Grand Elder, who did not participate in the affairs of the external world, while the other was the Sect Master...

Yet right before their eyes...

There were actually numerous Yin Yang Perfected Lords in the Ye Family!!

In terms of the number of Yin Yang Perfected Lords, the Ye Family actually had much more than YunXiao Sect!!

“Do Yunxiao Sect and Eldest Young Lady have enmity?”

Suddenly, Elder Bai Kui and Elder Zijin walked over slowly with ten youths behind them.

Elder Bai Kui and Elder Zijin were administering an assessment for the new young talents previously.

About two hundred people participated, but only these ten people truly passed the assessment.

Moreover, Elder Bai Kui realized that the Massacre Bloodline energy was activated in the body of one of the youths, and it was extremely impressive.

Once the assessment ended, Elder Bai Kui and Elder Zijin wanted to bring these newly-recruited disciples to Ye Qingtang and introduce that youth with the Massacre Bloodline to Ye Qingtang. Yet, they just returned to the Ye Residence and was faced with this situation.

“YunXiao Sect...?”

The ten youths behind Elder Bai Kui and Elder Zijin had strange expressions. That YunXiao Sect actually came to cause trouble to the Ye Family... Were they tired of living?

Half-step Yin Yang Perfected Lords came to the Ye Family to stir trouble and wanted to capture a Yang Lord; they were truly exposing themselves to ridicule when such a matter was made known to others.

“Bai... Bai Kui... Formidable Heavens Dynasty... Grand Imperial Sire!”

Elder Gu was extremely startled after seeing Bai Kui.

“Daoist Zijin...”

Elder Yin’s expression changed greatly when his eyes landed on Daoist Zijin.

Regardless of Bai Kui or Daoist Zijin, both were renowned powerful figures of this mainland. Especially Bai Kui, not only was he the Grand Imperial Sire of Formidable Heavens Dynasty, his martial skills were almost the best, for he possessed a cultivation base of Yin Yang Perfected Lord Third Heaven!

Chapter 1032 So What If It’s Yunxiao Sect (4)

The two Yunxiao Sect elders were dumbfounded as they looked at Bai Kui and Daoist Zijin in disbelief. Why did the two renowned powerful figures of this mainland suddenly appear in the Ye Family...

Even until then, Elder Gu and Elder Yin were still unaware of what exactly had happened in the Ye Family, and everything that happened was already beyond their comprehension.

“How do you intend to settle these two people?” Daoist Zijin looked at Bai Kui and asked.

Upon hearing that, Bai Kui waved a hand. “You should ask Eldest Young Lady”.

“The two Yin Yang Perfected Lords of Yunxiao Sect came to the Ye Residence to capture Eldest Young Lady and offended the Ye Family. I think there’s no need to ask Eldest Young Lady about these kinds of matters. Let’s just put them to death,” Daoist Zijin said.

As they heard that Daoist Zijin wanted to execute the two of them, Elder Gu’s and Elder Yin’s expression changed drastically.

Even until then, Elder Gu and Elder Yin still did not know what happened exactly and why the situation developed to this stage.

“What do you think, Clan Master?” Elder Zijin looked at Ye Ling and asked.

Ye Ling pondered for a moment and subsequently said, “These two Yunxiao Sect elders are audacious. Let’s execute them as Elder Zijin had suggested.”

If it was in the past, Ye Ling would not even have dared to think about this. However, the current Ye Family was worlds apart from before, and a mere YunXiao Sect was nothing to them.

Both Elder Yin and Elder Gu were completely dumbfounded.

They simply could not understand the drastic change in the Ye Family that seemed to happen in a night: not only did the Ye Family have plenty of insanely-talented young disciples, but Formidable Heavens Dynasty's Grand Imperial Sire, Bai Kui, and Daoist Zijin even became elders as well...

With just the skills of Elder Bai Kui and Elder Yin, it was enough to contend against Yunxiao Sect. It was also to say that the current Ye Family was simply no weaker than YunXiao Sect. Apart from the foundation of the two parties, the quality of the Ye Family disciples surpassed that of Yunxiao Sect by leaps and bounds, and the cultivation skills of Yunxiao Sect Sect Master might lose out to Bai Kui and Daoist Zijin as well...

When Daoist Zijin waved his right arm, Elder Guy and Elder Yin turned into dust before everyone's eyes.

As the Great Elder and Second Elder watched the two YunXiao Sect elders disappear, their expressions changed. Even though the current Ye Family was extremely powerful, the inherent mindset of the past still made them feel as though they were in a dream.

Looking at the Ye Family disciples, they were extremely calm as though everything was deserved and right.

After the two Yunxiao Sect elders died, Ye Qingtang finally appeared and came to the field. She did not even have the thought of showing herself to two mere Yunxiao Sect elders.

"Eldest Young Lady." Elder Bai Kui greeted respectfully when he noticed Ye Qingtang.

"Greetings, Eldest Young Lady."

The Branch Masters and Yin Yang Perfected Lord of the Si Family bowed hurriedly.

The young talents present all looked towards Ye Qingtang in admiration.

"This is... the Yang Lord?!"

The batch of disciples that Elder Bai Kui brought over looked at Ye Qingtang with eyes filled with surprise and disbelief.

The lady before them was not much older than them and simply seemed like the same age, yet she was already a Yang Lord of a Yin Yang Perfected Lord Seventh Heaven...

Chapter 1033 Return to the Sect (1)

Naturally, no one dared to voice their doubts.

"From today onward, the Ye Family will wage war against YunXiao Sect. I want YunXiao Sect to cease to exist." Ye Qingtang declared.

Ye Ling and the Second Elder were startled. Ye Qingtang actually planned to annihilate Yunxiao Sect...

However, given the combat powers of a Yang Lord, it was an easy feat to annihilate Yunxiao Sect.

Although a sect like Yunxiao Sect had extremely powerful foundations, given Ye Qingtang's Yang Lord combat power, it was not impossible to completely destroy Yunxiao Sect.

Currently, the Ye Family was already strong enough, and Xuanling Sect came to mind.

To completely wipe out Xuanling Sect, which had a strong foundation, time was required. The pressing matter at the moment was to head to Xuanling Sect and rescue it from Yunxiao Sect.

Furthermore, it was time to settle the scores with Yunxiao Sect.

After the trip to the Dragon Vein, Ye Qingtang's martial realm entered the Yang Lord of the Yin Yang Perfected Lord, and she could easily rescue Xuanling Sect without using the power of her bloodline.

However, it was not simple to annihilate Yunxiao Sect.

Although Yunxiao Sect did not have any Yang Lords, a sect's foundation was extremely powerful

For example, in the battle between Xuanling Sect and Yunxiao Sect, Yunxiao Sect's skills surpassed that of Xuanling Sect massively, but Xuanling Sect could still inflict huge damage by relying on its heritage and foundation.

Even an ordinary sect like Xuanling Sect had such frightening foundation, much less YunXiao Sect, a super sect.

"Eldest Young Lady, with those YunXiao Sect senior members, there is nothing to be afraid of. It's just that we are unclear of Yunxiao Sect's foundation and heritage." Daoist Zijin looked at Ye Qingtang and said.

Ye Qingtang was fully aware of this point without Daoist Zijin's reminder as well.

Given the Yin Yang Perfected Lord Third Heaven cultivation base of Daoist Zijin and Bai Kui, they could defeat Yunxiao Sect's Grand Elder and Sect Master. However, once Yunxiao Sect used their foundation and went all out, the outcome would be uncertain.

To completely destroy Yunxiao Sect, it was probably insufficient with just Bai Kui, Daoist Zijin, and the new Yin Yang Perfected Lords who joined the Ye Family.

"Eldest Young Lady, I'm afraid you will also need to be present to annihilate Yunxiao Sect," Elder Bai Kui looked at Ye Qingtang and said.

Ye Qingtang nodded slightly.

After discussing the details with Elder Bai Kui and the rest, Ye Qingtang departed from Lin Town and flew towards Xuanling Sect.

Currently, the little white tiger's seemed to be growing; thus, it was still in a deep sleep. As such, Ye Qingtang left it at the Ye Family and did not bring it along with her.

Given Ye Qingtang's current speed, she had already arrived at the periphery of Xuanling Sect in less than half a day.

The sect, which was originally floating in the sky, however, landed on the ground, and the entire sect was enveloped by a faint golden screen.

This screen was initially set up by the Blood Moon Holy Lord and could sustain for only half a year.

Presently, this screen was no longer as strong as initially, and its light was increasingly dimming.

Several Yunxiao Sect disciples guarded the surroundings of Xuanling Sect. Once this screen broke, they would notify the senior members of the sect immediately and wipe out Xuanling Sect without sparing anyone.

“Quickly look! That lady...”

Chapter 1034 Return to the Sect (2)

One of the Yunxiao Sect disciples was a little surprised to see Ye Qingtang walking towards Xuanling Sect slowly.

“Why is that lady so familiar-looking?”

Before long, another Yunxiao Sect disciple exclaimed in shock. “Ye Qingtang!”

Although these YunXiao Sect disciples had never seen Ye Qingtang face to face, they had seen her portrait before.

“That Ye Qingtang appeared in the Hell of Avicinaraka mystic realm previously and even obtained a Fiendcelestial Beast. Quick, inform the higher-ups!”

A YunXiao Sect disciple’s eyes were burning with desire.

“Although Ye Qingtang is only an ordinary disciple of Xuanling Sect, she was enraged our Yunxiao Sect and was listed on the Assassination Roll... Hehe, I never thought that my luck would be so good...”

A male in white stared at Ye Qingtang, and his lips curled into an icy snicker.

“Ye Qingtang’s skull is indeed valuable. However, it’s said that Ye Qingtang obtained the Fiendcelestial Beast in the Hell of Avicinaraka mystic realm... If we kill her and end up not being able to find the Fiendcelestial Beast... Wouldn’t the sect not forgive us?” Another man spoke up.

“Humph. What about that. Let’s just break Ye Qingtang’s limbs and keep her alive on her last breath.”

“Wait wait... A Fiendcelestial Beast is very scary, and Ye Qingtang obtained it. No matter how weak Ye Qingtang’s martial skills are, she still possesses the Fiendcelestial Beast... Would we be able to block the attack of the Fiendcelestial Beast?”

“Hehe, what are you afraid of... that Fiendcelestial Beast is merely an infant.”

“That’s right. How lethal can it be if it could be taken by a Xuanling Sect disciple? There’s nothing to be fearful of!”

Then, the few of them immediately rushed towards Ye Qingtang without hesitation.

“Stop!”

The youth in the lead stared at Ye Qingtang and shouted coldly.

Upon hearing that, Ye Qingtang stopped in her tracks slightly and looked at the men before her.

“You are Ye Qingtang.” The man in the lead sneered.

“That’s right.” There were no emotions on Ye Qingtang’s face.

“You’re a lady, but I never thought that you would be so bold.” The Yunxiao Sect disciples snickered when the lady before them admitted her identity so simply.

Back when Ye Qingtang was in Xuanling Sect, she was merely an ordinary inner sect disciple, but she formed a deep hatred with YunXiao Sect and was listed on the Assassination Roll.

After such a long time, Ye Qingtang reappeared outside Xuanling Sect, and this was a great thing for the YunXiao Sect disciples.

“Ye Qingtang, if you are sensible, hand over that infant Fiendcelestial Beast, and we can consider sparing your life. What do you think?” One of the Yunxiao Sect disciples looked at Ye Qingtang and sneered.

However, before this Yunxiao Sect disciple could continue speaking, Ye Qingtang raised her right arm a little, and the disciple died instantly without anyone seeing how Ye Qingtang did it.

“This...”

The remaining YunXiao Sect disciples were left dumbstruck and in disbelief.

To these Yunxiao Sect disciples, Ye Qingtang’s attack was too quick, and they simply did not see how Ye Qingtang attacked.

Without giving the people a chance to speak, Ye Qingtang slaughtered all the Yunxiao Sect disciples in the surroundings in just the blink of an eye.

These disciples were already at the peak of Martial Qi Level Two Third Heaven, and it was considered pretty good. Yet, before Ye Qingtang, they were as frail as pieces of paper.

Chapter 1035 Return to the Sect (3)

After killing all the ignorant YunXiao Sect disciples, Ye Qingtang’s eyes slowly landed on the defense barrier around Xuanling Sect.

This barrier was implemented by her cheap little brother, the Blood Moon Holy Lord, whom she was extremely grateful for. Had he not appeared in the end back then, even Ye Qingtang would be uncertain of how the situation would have progressed.

What she could be certain of, though, was that Xuanling Sect definitely would not have persisted until today.

In Xuanling Sect, there were Ye Qingtang’s good friends such as Qin Huan and Yun Shu, her Master, Elder Mo, as well as Elder Qin, who treated her rather well...

However, it was a pity that the Grand Elder was no longer here today.

Ye Qingtang did not have any hatred toward the Grand Elder. From a certain aspect, the Grand Elder was even more authentic and human.

In Xuanling Sect.

Qin Huan, Yun Shu, and others were gathered in a corner.

It had been several months since they had been trapped in Xuanling Sect. The blood-colored screen above Xuanling Sect gradually dimmed and was staunchly different from its initial state.

Moreover, the masses trapped in Xuanling Sect were almost running out of supplies.

The Xuanling Sect disciples and senior executives had been taking their food and drinks from within Xuanling Sect, and all of the stockpiles were stored previously.

However, these supplies were almost depleted after nearly half a year, and there were barely any water sources remaining.

Currently, the disciples in Xuanling Sect did not even have water to clean themselves with, much less have food to fill their stomachs.

About a month ago, a few Xuanling Sect disciples took the risk and left the barrier formation, wanting to avoid the Yunxiao Sect disciples and search for water. However, they were discovered eventually and died in the hands of the Yunxiao Sect disciples.

As sect disciples, they could bear with not having water to wash up. However, not consuming food over a long time was not what they could withstand given their martial cultivation realm.

Compared to the Xuanling Sect disciples, the elders and senior executives were naturally much more powerful in terms of martial cultivation, and thus, their need for food was much smaller. Although the elders and senior executives had already taken out their own food and distributed to the disciples, it was still unable to solve this critical situation.

Many Xuanling Sect disciples were nearing the borders of insanity due to the lack of water and food.

Yet despite so, no one dared to leave the defense barrier ever since those Xuanling Sect disciples who left it were tragically killed by the Yunxiao Sect people.

“Ah...”

Qin Huan looked at the pale Yun Shu beside him and sighed. “I wonder how Junior Sister Ye is doing.”

At the mention of Ye Qingtang, Yun Shu and Lin Long opened their eyes instantly. The few of them missed Ye Qingtang dearly, but they were trapped within Xuanling Sect for almost half a year and simply could not get any information from the outside world.

“Junior Sister Ye will definitely be fine,” Lin Long said.

Qin Huan shook his head. “That may not be so. I heard that Junior Sister Ye was listed onto the Assassination Roll by Yunxiao Sect. It’s said that the reward surpassed the total rewards for killing the first and third person on the list...”

“Qin Huan, can’t you wish some good for Junior Sister Ye?” Gu Yanqiu rolled his eyes at Qin Huan and said helplessly.

“Nonsense. Of course, I wish for Junior Sister Ye to be safe and sound, but what I said is the truth. Junior Sister Ye treated Yunxiao Sect that way previously and caused YunXiao Sect to lose face... In addition to such tempting rewards, I’m afraid Junior Sister Ye is having a hard time.”

Chapter 1036 Pray

The few of them were extremely worried about Ye Qingtang as well.

The war between Xuanling Sect and Yunxiao Sect was extremely horrific. Although the Blood Moon Sect appeared afterward, the Ultimate Elder suddenly showed up too, thus causing Xuanling Sect to be in this state.

However, if Ye Qingtang did not appear as the Blood Moon Holy Lady, Xuanling Sect would probably have been annihilated by Yunxiao Sect already.

“Don’t worry. Junior Sister Ye is a dignified Blood Moon Holy Lady. Blood Moon Sect is such a strong force. How can anything happen to Junior Sister Ye?” Yun Shu said.

“Although the Blood Moon Sect is powerful, it is the enemy of this entire mainland. It is an evil cult!” Qin Huan said hurriedly.

Upon hearing that, some miserable-looking Xuanling Sect disciples fixed their eyes on Qin Huan successively.

If there was no Ye Qingtang or evil cult as mentioned by Qin Huan, they would have already become corpses a long time ago and not talking as they were right now.

“Without the Blood Moon Sect, we would have been dead already,” Lin Long said.

Qin Huan nodded without retort. His eyes landed on a tomb forest not far away as an inexplicable sorrow emerged on his face.

In this half year, the disciples who once fought for Xuanling Sect sustained heavy injuries and were unable to be treated by the outside world, eventually passing on. In the past, these brothers and sisters were not afraid of strong enemies, but in the end, they were unable to persist and could no longer see the rays of hope.

Other than the Xuanling Sect disciples, there were several wardens and senior executives who were severely injured as well. In addition to this was the poor environment conditions which resulted in damage to their martial foundation, causing their martial skills to dip extensively. Unable to resolve this mental distress, they eventually fell into depression and died.

At this instant, Elder Mo and Elder Qin arrived in the vicinity of the Martial Arts Hall. Looking at the Xuanling Sect disciples who were lying on the ground and seated everywhere, they could not help but sigh.

The sight of this dilapidated Xuanling Sect led them to recall the prosperity of the past.

“Greetings Sect Master... and two Elders.”

Seeing that the Sect Master and the elders arrived at the Martial Arts Hall, the Xuanling Sect disciples hurriedly stood up and bowed at them.

Noticing the situation, the Xuanling Sect Sect Master hurriedly waved his hands. “There’s no need to bow. Quickly rest. Don’t waste your energy.”

Looking at the scrawny and listless Xuanling Sect disciples and then recalling memories of them in the past, the Sect Master was in anguish. It was as though there were billions of needles poking at his heart.

A long while later, Elder Qin and Elder Mo followed the Xuanling Sect Sect Master to a tomb forest ahead.

There were hundreds of tombs in the forest.

The bodies of a portion of them no longer existed since the war; thus, the sect could only build a tomb containing the personal effects of the deceased to mourn those valiant Xuanling Sect disciples who died in the battle.

At the same time, Qin Huan, Yun Shu, and many other disciples followed the Sect Master to the tomb forest.

“Brothers, we are here to visit you...”

Many Xuanling Sect disciples immediately kneeled and bowed before the tombs.

Looking at these nameless tombs, it was as though they returned to the night before the great war.

Everyone drank and chatted together and learned from each other before the bonfire; it was as if those voices and faces never left.

The battle cry seemed to ring in their ears again at this very moment.

We use our blood to soak Xuanling’s flag!

We use our hearts to light Xuanling’s anger!

We use our hands to hit Xuanling’s drums!

Chapter 1037 Sect Protector Divine Beast

The battle cries still seemed to echo in their ears.

Those long-gone faces and familiar bodies were imprinted in the minds of the masses eternally and would never be erased.

Sometime later, the Xuanling Sect Sect Master slowly kneeled beside the countless graves.

Noticing the situation, Elder Mo, Elder Qin, and the Xuanling Sect disciples fell on their knees successively and bowed to those heroes who protected the sect with their lives.

“Junior Brother Zhou!”

A shout erupted suddenly.

Everyone quickly turned around and looked behind.

A young man who was all stick and bones completely fainted when he bowed.

Noticing the situation, Elder Qin rushed forward hurriedly and held up that young man who was void of color. After inspecting for a moment, he sighed softly.

This young Xuanling Sect disciple was yet another victim of the lack of food supplied. He had not consumed anything for too long, and his martial realm was insufficient from the start, which caused him to faint from hunger.

The current Xuanling Sect was already depleted of all supplies, and the river was all dried up. There no longer was any consumables in the sect.

A cultivator and ordinary human was different in that a cultivator's need for food would gradually decrease as their martial realm improved. However, these sect disciples had not reached that stage yet. Moreover, the body would not be replenished if it did not consume anything for a long time, and this would also pose as a life danger over the long run.

"I remember... the sect still has a few spirit animals..." A long time later, Xuanling Sect Sect Master looked at Elder Qin and said.

Elder Qin and Elder Mo nodded instinctively.

There were indeed a few old spirit animals remaining in the sect. They had rendered their highest service in battles for the sect and were fed and taken care of for the rest of their lifetimes by the sect after they aged.

"Don't worry, Sect Master. The spirit animals can barely absorb the spirit energy in the surroundings and don't need to consume anything at the moment," said Elder Mo as he thought the Sect Master was afraid that the spirit animals would die from hunger.

However, resolution filled the Sect Master's eyes as he said, "Kill them."

"What?!"

The two elders and everyone else at the scene were taken aback by what the Xuanling Sect Sect Master had said.

"Distribute the flesh and blood of the spirit animals to our sect disciples. As long as they can hold out an additional day." Xuanling Sect Sect Master seemed to age by dozens of years in an instant.

"But... Sect Master, for the sect, those spirit animals once..." Elder Qin's body trembled slightly. One of the spirit animals had been in Xuanling Sect for a longer time than he did and was even older than him.

"Elder Qin... I understand what you wish to say." Xuanling Sect Sect Master nodded.

At this moment, the middle-aged man seemed like an elderly who was about to pass on, and his voice quivered.

"But... these kids... are all about to die from hunger... Is there any other solution?" Xuanling Sect Sect Master uttered.

Indeed, if there was still no food, how much longer could these sect disciples withhold? Was it one day or one month?

Even if he were to become a sinner of Xuanling Sect, the Xuanling Sect Sect Master could not bear for these disciples to end up dying from hunger or thirst.

As a cultivator, they could die from battles, but how could they... die from hunger!

At this moment, the disciples were dead silent as well. They did not know what to say, and even if they wanted to, they were almost out of energy.

However, before Xuanling Sect Sect Master could continue to say something, a terrifying roar sounded from outside the sect.

An enormous creature hovered above Xuanling Sect completely.

Above that enormous creatures were a number of Yunxiao Sect elders and senior executives.

“Yunxiao Sect... Sect protector divine beast!

Chapter 1038 It's You (1)

Everyone was startled and even in disbelief when they saw the giant creature outside Xuanling Sect.

After the Yunxiao Sect Protector Divine Beast was injured by the Blood Moon Holy Lord, it was sent back to Yunxiao Sect to recuperate. Unexpectedly, it was actually this powerful now.

The past YunXiao Sect Protector Divine Beast and the current one were simply worlds apart.

Once spirit animals like these advanced in level, their skills would increase massively.

“The YunXiao Sect Protector Divine Beast... actually advanced in level...” Surprise etched across Elder Mo’s face as he looked at the giant creature shrouding over the entire sect.

Back then, the YunXiao Sect Protector Divine Beast was only an equivalent of a human half-step Yin Yang Perfected Lord, but after the advancement, its combat power paralleled that of a human Yin Yang Perfected Lord Second Heaven.

Boom!

Deafening rumbles followed with every movement the Sect Protector Divine Beast took.

The already dim red screen above Xuanling Sect became even fainter and was completely broken after a few hits.

The energy of that defense barrier was already mostly exhausted from the start. Now that the advanced Yunxiao Sect Protector Beast arrived and attacked the defense barrier with the combat power of a Yin Yang Perfected Lord, it was reasonable that the barrier broke.

Previously, after Yunxiao Sect learned that Ye Qingtang appeared nearby Xuanling Sect, the sect elders immediately rushed over with the Sect Protector Divine Beast, which just advanced not long ago.

However, after arriving at Xuanling Sect, they realized that the Yunxiao Sect disciples guarding in the area were all dead, and Ye Qingtang was nowhere to be found.

Enraged, the Yunxiao Sect elders decided to destroy Xuanling Sect completely first and believed that Ye Qingtang would not be able to continue hiding.

However, just as the defense barrier was broken, a shadow suddenly appeared in the sky at lightning speed. In just a few breaths' time, it had already reached the YunXiao Sect Protector Divine Beast and blocked it.

The Xuanling Sect members were surprised, especially Elder Mo, who thought that the figure was very familiar after close inspection.

“That is... Junior Sister Ye?!”

Yun Shu looked at the lady in the air who blocked the Yunxiao Sect Protector Beast, and his expression changed immediately.

Hearing Yun Shu, everyone took a closer look at the lady and was startled.

It was indeed as Yun Shu had said. Who else could that lady be if it was not Ye Qingtang?!

“Qingtang...”

Very quickly, Elder Mo stared at the lady in the sky and uttered in surprise. Wasn't that lady his disciple, Ye Qingtang...

The Xuanling Sect members were all dumbfounded for a moment. Why did Ye Qingtang suddenly appear here...

“Roar!”

The Yunxiao Sect Protector Divine Beast glared at the miniature ant-like human who stood in its way and roared in fury.

“Ye Qingtang!!”

The Yunxiao Sect elders on the back of the Sect Protector Divine Beast stared at Ye Qingtang, and a trace of elation emerged in their eyes.

It seems that the information was true. Ye Qingtang had indeed returned to Xuanling Sect.

Everyone was already aware that Ye Qingtang obtained a Fiendcelestial Beast in the Hell of Avicinaraka mystic realm, and her appearance meant that the infant Fiendcelestial Beast was also in the vicinity...

If their Yunxiao Sect could obtain that Fiendcelestial Beast and offer it to the Beiming Manor...

Wouldn't their Yunxiao Sect...

Chapter 1039 It's You (2)

“Ye Qingtang... it's indeed you.”

A Yunxiao Sect elder looked at Ye Qingtang and scoffed.

Ye Qingtang did not react to him and merely unsheathed a sword from her waist.

“Hahaha...”

Seeing that Ye Qingtang drew a sword out, the few Yunxiao Sect elders on the back of the Sect Protector Divine Beast immediately burst out in laughter.

Could it be that this Ye Qingtang still wanted to put up a last fight with them?

Swoosh!

Nonetheless, before the Yunxiao Sect elders finished laughing, the smiles were completely frozen on their faces as disbelief and horror filled their eyes.

As Ye Qingtang waved her sword, the frightening aura of a Yang Lord surged into the sky, and the sword aura completely enveloped the Yunxiao Sect Protector Divine Beast.

Sensing this unbelievable aura, even the Yunxiao Sect Protector Divine Beast trembled.

Boom Boom!!

A loud roar erupted in the next second. Before the shocked Xuanling Sect masses, the enormous body of the Sect Protector Divine Beast instantly erupted into mists of blood, and the several Yunxiao Sect elders died along with it at the scene.

After slaughtering the Yunxiao Sect Protector Divine Beast and Yunxiao Sect elders with one slash, Ye Qingtang immediately turned around and landed in Xuanling Sect.

“This...”

At this instant, Xuanling Sect was enshrouded in the supreme energy of a Yang Lord, and those disciples with weak pulses and even those who fainted from hunger were immediately energized.

“Junior... Junior Sister Ye?”

Qin Huan and the rest were stunned when they saw Ye Qingtang descending from the sky. Was this lady who was brimming with a Yang Lord energy really Ye Qingtang?!

It had been less than half a year since they were separated from Ye Qingtang, and she had already become one of the few powerful Yang Lords of this mainland in this period of time?

“Qingtang?”

Similarly, Elder Mo found this hard to swallow. No matter what, Elder Mo could not believe that Ye Qingtang had actually grown this much in less than half a year.

“Master, it’s been long. I’m late.”

Ye Qingtang looked at Elder Mo and bowed with cupped fists.

Back then in Xuanling Sect, she took Elder Mo as her master, and he treated her pretty well. Naturally, Ye Qingtang would not forget him.

A whole ten minutes later, Elder Mo finally returned to his senses and nodded rather absentmindedly.

“Are you really Ye Qingtang?” Elder Qin was clearly shaken as he looked at the lady before him.

A Yang Lord was someone whose martial cultivation base was at least at Yin Yang Perfected Lord Seventh Heaven-an absolutely unrivaled figure on this mainland.

Not mentioning a Yang Lord, it would also be unbelievable for Elder Qin even if Ye Qingtang showed up as Yin Lord.

“It’s me.” Ye Qingtang nodded in agreement.

“Sh*t...”

Qin Huan walked to Ye Qingtang’s side and inspected Ye Qingtang closely. “How can this be... Junior Sister Ye, you... you’re actually... Could it be that I’m hallucinating because I’m too hungry?”

Ye Qingtang was speechless. However, it was not strange for Qin Huan to say such things given his personality.

“Senior Brother Qin, it really is me,” affirmed Ye Qingtang.

“But... Yang Lord... This is...”

Qin Huan and the rest found it hard to believe at the moment.

However, Ye Qingtang did not wish to discuss this matter too much as it was not something that could be explained clearly in a few sentences after all.

Seeing that Ye Qingtang was unwilling to talk about it, everyone understood what to do and no longer mentioned it.

Ye Qingtang immediately retrieved plenty of food and water from her space ring and told Qin Huan and the rest to distribute them.

Chapter 1040 It’s You (3)

There were not many Xuanling Sect disciples remaining currently. Although the water and food Ye Qingtang brought from the Ye Family was not considered a lot, it was still sufficient to solve the crisis.

Long before she headed to Xuanling Sect, she had already realized this issue; thus, she prepared some supplies in a separate space ring.

After all, the past Ye Qingtang was also a Xuanling Sect disciple, and she had some understanding of Xuanling Sect. It had been almost half a year since Xuanling Sect was trapped by Yunxiao Sect, and the stored supplies in the sect were probably already depleted.

Elder Mo had complicated feelings as he looked at Ye Qingtang. He would never have thought that his disciple actually became a supreme Yang Lord of this mainland in less than six months...

Even if he told others this, probably no one would believe that he was the Master of a Yang Lord...

Xuanling Sect Sect Master was extremely startled to see Ye Qingtang. Even a strong force like Yunxiao Sect was as weak as an ant before a Yang Lord.

Ye Qingtang sighed softly as she looked at the current dilapidated Xuanling Sect. Apart from food and water, she also took out numerous elixirs from her space ring to distribute out to everyone.

These elixirs could temper the body and be extremely beneficial even to an ordinary Yin Yang Perfected Lord. If cultivators at the Martial Qi stage consumed it, the effects would be multiplied.

After consuming the supplies that Ye Qingtang brought, their complexion was way better than before, and after consuming her elixirs, they were full of vigor in at most an hour.

“It’s truly a magic pill... My body did not have any energy before, but now, even if a fierce tiger came... I feel that I can kill it with one punch...” Qin Huan commented excitedly.

“Master, Sect Master, let the disciples recuperate first; then, rebuild Xuanling Sect later on,” Ye Qingtang said after a long time.

Xuanling Sect Master nodded. This was what he hoped for the most. Even in his dreams, he wished to rebuild Xuanling Sect.

“Qingtang... can you... prevent Yunxiao Sect from attacking Xuanling Sect during Xuanling Sect’s reconstruction?” Xuanling Sect Master looked at Ye Qingtang and asked in an almost pleading tone.

Ye Qingtang was currently a Yang Lord, and as long as she was willing, Xuanling Sect could be rebuilt easily, and only Ye Qingtang was able to stop Yunxiao Sect.

“What are you saying, Sect Master? A Xuanling Sect disciple for a day is a Xuanling Sect disciple for life,” Ye Qingtang said.

The Xuanling Sect Master was a little agitated after hearing Ye Qingtang.

Ye Qingtang immediately took out some items which she obtained from the mystic realm and handed them all to the Sect Master.
