

### **Chapter 1041 Who is Afraid of Who (1)**

If not for Ye Qingtang, Xuanling Sect would probably already have been annihilated by Yunxiao Sect half a year ago.

Ye Qingtang did not reply.

Her eyes were devoid of warmth as she looked at the countless tombs in the surroundings. She would personally take revenge for these disciples who died tragically.

Ye Qingtang left after staying in Xuanling Sect for a day, and she was at the Imperial City the next time she appeared.

Yunxiao Sect was located within the Imperial City of Formidable Heavens Dynasty.

“Eldest Young Lady.”

Bai Kui and Daoist Zijin greeted Ye Qingtang with reverence outside the Imperial City.

All the senior members of the Ye Family were dispatched in this operation. The seven Yin Yang Perfected Lords, including Bai Kui and Daoist Zijin, as well as the disciples were all present.

Ye Qingtang had made up her mind to destroy Yunxiao Sect completely this time no matter what it took

“Alright.” Ye Qingtang swept her eyes across the army of people. Excluding herself, this force of the Ye Family was sufficient to overpower Yunxiao Sect substantially.

Currently, Yunxiao Sect had not warred against the Ye Family but already had heavy losses: five elders were killed by Ye Qingtang, and even Yunxiao Sect’s most important combat force, the Sect Protector Divine Beast, was also slain by Ye Qingtang.

“Eldest Young Lady, do you still need to make any preparations?” Daoist Zijin looked at Ye Qingtang and asked.

“No,” said Ye Qingtang.

A mere Yunxiao Sect did not have any qualifications to make her prepare anything. Although Yunxiao Sect’s foundation was strong, it posed no threat to a Yang Lord no matter how strong it was.

Moreover, Ye Qingtang would not give Yunxiao Sect any time or chance to activate their foundation.

At this instant, a group of guards at the Imperial City saw Ye Qingtang and the rest and originally wanted to stop them. However, after seeing Bai Kui, all of them were dumbfounded, and no longer had any intention to stop them. Visit website our Listnovel.com

Bai Kui was Formidable Heavens Dynasty’s Grand Imperial Sire and a Yin Yang Perfected Lord Third Heaven figure...

Once the guards returned to their senses and wanted to greet the Grand Imperial Sire, they realized that the troop of people had already entered the Imperial City and were nowhere to be seen.

About fifteen minutes later, Elder Bai Kui led Ye Qingtang to the periphery of the Imperial City.

Right ahead was Yunxiao Sect.

Although a super sect like Yunxiao Sect had nothing to do with the Formidable Heavens Dynasty, it was situated within the Imperial City, and thus, Elder Bai Kui knew something about it.

“Although Yunxiao Sect’s foundation is powerful, it is nothing to you, Eldest Young Lady. However, it’s said that one of their Sect Protector Divine Beast seemed to have advanced recently, and its combat power is rather high,” Elder Bai Kui said.

“I have already killed that Sect Protector Divine Beast,” said Ye Qingtang.

Elder Bai Kui nodded and was not surprised at all.

No matter how powerful that Yunxiao Sect Protector Divine Beast was, it was as weak as a piece of paper before a Yang Lord and could be easily killed without much effort.

A cold glint flashed across Ye Qingtang’s eyes as she looked at Yunxiao Sect ahead.

Swoosh!

Numerous Ye Family war flags flew in the air.

“Kill!”

Daoist Zijin shouted sternly.

Along with Daoist Zijin’s orders, countless powerful auras surged to the sky and instantly enveloped Yunxiao Sect in them.

## **Chapter 1042 Who is Afraid of Who (2)**

Sensing the aura of the Ye Family powerful figures, the senior members and wardens of Yunxiao Sect were alarmed.

“Who is so daring to behave unmannerly at my Yunxiao Sect!” A warden instantly flew out of Yunxiao Sect and yelled sternly.

This Yunxiao Sect warden’s eyes were ice cold. He had been at Yunxiao Sect for a long time and never once thought that there would be anyone who dared to act wildly at the doorsteps of Yunxiao Sect!

The Yunxiao Sect warden was startled when he saw the Ye Family war flags. This war flag appeared very foreign, and he did not know which force these people were from.

“Who are you all? Report your names! How dare you all behave so wildly at the doorsteps of my Yunxiao Sect!” The Yunxiao Sect warden looked at Ye Qingtang and the rest and shouted sternly.

“Bai Kui.” Elder Bai Kui stepped forward and said coldly.

Upon hearing that, the Yunxiao Sect warden frowned slightly. When he saw Bai Kui’s face clearly, he was taken aback and extremely astounded.

As a YunXiao Sect warden, it was impossible for him to not know the Formidable Heavens Dynasty's Grand Imperial Sire, the most powerful cultivator of Formidable Heavens Dynasty with a horrifying combat power of a Yin Yang Perfected Lord Third Heaven.

"Formidable Heavens Dynasty Grand Imperial Sire..."

Very quickly, the Yunxiao Sect warden frowned as he looked at Elder Bai Kui. "Grand Imperial Sire Bai Kui, what is the meaning of this!"

Although Bai Kui was the Grand Imperial Sire of Formidable Heavens Dynasty, he never had any enmity with Yunxiao Sect. Not mentioning this Grand Imperial Sire, Yunxiao Sect and Formidable Heavens Dynasty had always minded their own businesses without interfering with the other. It thus seemed unacceptable that the Formidable Heavens Dynasty's Grand Imperial Sire brought so many cultivators and behaved this way at the doorsteps of Yunxiao Sect.

As he spoke, ten-plus wardens and several elders rushed out of Yunxiao Sect.

"Bai Kui, our Yunxiao Sect and the Formidable Heavens Dynasty never had anything to do with each other. What is the meaning of your actions today?" An elderly with white hair shouted coldly at Bai Kui. Visit website our Listnovel.com

The person who spoke was Yunxiao Sect's Great Elder, Zhou Tian. He was at the peak of Yin Yang Perfected Lord Second Heaven and was considered acquaintances with Bai Kui.

"Zhou Tian, I am not here today as the Grand Imperial Sire of Formidable Heavens Dynasty," Bai Kui snickered as he looked at that elderly.

After hearing that, the Yunxiao Sect Great Elder frowned deeply as he did not understand what Bai Kui meant.

Regardless of what identity Bai Kui was assuming to challenge the YunXiao Sect, given Yunxiao Sect's foundation, they were not the least afraid even if the entire Formidable Heavens Dynasty royals attacked them, much less Bai Kui.

"Humph. The Grand Elders of Yuehua Sect and Lingyun Sect are here at Yunxiao Sect as visitors. If you know what's good for you, leave now. Yunxiao Sect can treat it as though nothing happened today." The YunXiao Sect Great Elder looked at Bai Kui impatiently.

"Kill!"

Nonetheless, Bai Kui did not bother as he raised his right arm and shouted coldly.

As Elder Bai Kui gave his orders, the Yin Yang Perfected Lords of the Ye Family immediately charged towards the Yunxiao Sect wardens and elders.

Noticing the situation, the talented Ye Family disciples smirked. One of the youths at half-step Yin Yang Perfected Lord realm snickered. "I've heard that YunXiao Sect is arrogant and conceited, but I never thought that it would be to this extent. Brothers and sisters, let's show YunXiao Sect what disparity is."

"Kill!"

In a moment, hundreds of talented disciples flexed their muscles, drew their weapons, and attacked Yunxiao Sect.

### **Chapter 1043 Who is Afraid of Who (3)**

Noticing the situation, the Yunxiao Sect Great Elder was stunned and was even in disbelief.

Originally, he thought that Bai Kui would definitely not dare to really take action, yet currently...

“You have a death wish!”

The Yunxiao Sect wardens hollered furiously and slashed their swords at the Yin Yang Perfected Lords charging towards them.

A warden’s eyes were filled with malice and evil as he attacked a Branch Master of the Ye Family.

That Branch Master joined the Ye Family not long ago, but he was extremely skilled. His energy and aura were overwhelming and even more powerful than ordinary Yin Yang Perfected Lords, which was why Ye Qingtang specially appointed him as a Branch Master.

Boom, boom!!

In the next second, the Yunxiao Sect warden’s sword landed on the Branch Master’s left shoulder.

However, at this instant, the Yunxiao Sect warden was appalled.

When his sword landed on this person, it was as though he was slashing extremely hard metal. The Ye Family Branch Master was unharmed, and the YunXiao Sect warden’s hand numbed instead.

“Do you... only have this little strength?” The Ye Family Branch Master looked at the Yunxiao Sect warden and immediately stretched his neck. “How disappointing.”

“You...” The Yunxiao Sect warden was infuriated. However, after sensing the aura of this middle-aged man before him, he was instantly dumbfounded, and his eyes widened.

“Yin Yang... Perfected Lord?!”

This Yunxiao Sect warden never thought that this plain-looking middle-aged man would actually be a Yin Yang Perfected Lord!

“Die!”

The Ye Family Branch master shouted coldly and gently slashed the Yunxiao Sect warden’s neck using his palm as a knife.

In an instant, the Yunxiao Sect warden’s skull flew to the sky while his headless body staggered a few steps before falling to the ground. He was breathless in no time and died.

“Yin Yang Perfected Lord...”

“Also a Yin Yang Perfected Lord...”

“How can it be!”

The ordinary elders and wardens of Yunxiao Sect paled after sensing the aura of the powerful figures of the Ye Family.

There were several Yin Yang Perfected Lords among the cultivators that Bai Kui brought over...!

There were only a few Yin Yang Perfected Lords in Yunxiao Sect...

“Get lost!”

The Yunxiao Sect Great Elder yelled angrily and focused power in his fingertip to force a Yin Yang Perfected Lord to retreat.

The Yunxiao Sect Great Elder had already reached the peak of a Yin Yang Perfected Lord Second Heaven, and it was simply impossible for an ordinary Yin Yang Perfected Lord to fight against him.

“Zhou Tian, let me play with you!”

Suddenly, Daoist Zijin leaped out and instantly turned into fast shadows that intersected and overlapped each other in the air so rapidly that one could not distinguish him with the naked eye.

“Daoist Zijin?!” The Yunxiao Sect Great Elder was astonished to see Daoist Zijin.

Daoist Zijin was renowned and had a reputation in this mainland.

However, why would he and the Formidable Heavens Dynasty’s Grand Imperial Sire Bai Kui come here to fight against Yunxiao Sect?!

“Humph!”

The Yunxiao Sect Great Elder sneered as his palm met Daoist Zijin’s.

Boom!

A loud sound erupted as though the sky exploded.

The Yunxiao Sect Great Elder retreated backward as blood seeped out from the corners of his mouth, clearly in the disadvantage from the one-palm confrontation with Daoist Zijin earlier.

### **Chapter 1044 Skill (1)**

The Great Elder stared at the number of people in Bai Kui’s team and frowned heavily.

There were at least seven Yin Yang Perfected Lords including Bai Kui and Daoist Zijin. Furthermore, both of their abilities had passed the third Heaven of the Yin Yang Perfected Lord!

Though their force was extremely strong, there were guests from the Beiming Manor in the Yunxiao Sect today besides the Grand Elders from the Yuehua Sect and the Lingyun Sect. If Bai Kui and Daoist Zijin dared to attack them, they would definitely provoke the Beiming Manor.

Yunxiao Sect belonged to the Beiming Manor.

“Bai Kui, Daoist Zijin, the Yunxiao Sect has nothing to do with you! If you still want to challenge us, we will not hold back anymore!” The Great Elder of Yunxiao Sect stared at the few Yin Yang Perfected Lords and shouted coldly.

Daoist Zijin scoffed and said, "Zhou Tian, what's the point of holding back when it has come to this situation... Furthermore, how will Yunxiao Sect care for us anyway?"

"You..."

The Great Elder of the Yunxiao Sect clenched his teeth tightly and wished that he could tear Daoist Zijin's skin.

Boom!

Suddenly, a few shadows rushed towards the crowds of wardens. Within a few breaths, a few wardens' heads were chopped off by branch masters of the Ye Family.

The Great Elder of the Yunxiao Sect was very strong but was weaker than Bai Kui and Daoist Zijin. He was about to run when he realized that the situation was not good for him.

"Where do you want to go?!" Bai Kui scoffed and followed the Great Elder immediately.

However, a few Elders of the Yunxiao Sect immediately rushed forward to block Bai Kui's way.

"Get lost!"

Bai Kui shouted. Before anyone could realize what was going on, the few Elders who were at half-step Yin Yang Perfected Lord level were thrown out by Bai Kui's aura,

The Great Elder of the Yunxiao Sect fled into the Yunxiao Sect at the same time.

Bai Kui exchanged a glance with Daoist Zijin. There were many powerful people in the Yunxiao Sect. It was too risky for the two of them to break into Yunxiao Sect unless Ye Qingtang took the lead.

However, Ye Qingtang was the strongest force of the Ye Family. She could not just attack impulsively without the appearance of the main opponent.

When Bai Kui and Daoist Zijin were discussing what they should do next, around ten people walked out of the Yunxiao Sect under the Great Elder's lead.

The two Elders in white robe were the Grand Elders of the Yuehua Sect and the Lingyun Sect.

They came to the Yunxiao Sect as they heard that guests from the Beiming Manor were here. However, the Great Elder of the Yunxiao Sect said that there were people here to find trouble with them.

There was a middle-aged man in a purple robe standing there with prestige. A golden cloud was sewed on his chest area. The man was the Sect Master of the Yunxiao Sect.

"Bai Kui, Daoist Zijin, are there any misunderstandings between the Yunxiao Sect and you? Why would you come here to find trouble with us?" The Sect Master of the Yunxiao Sect looked at Bai Kui and Daoist Zijin and said indifferently.

There were seven Yin Yang Perfected Lords in the crowd.

"You offended someone that you should never even try to provoke. The punishment will be the extermination of the Yunxiao Sect." Daoist Zijin scoffed and said.

## Chapter 1045 Skill (2)

The Sect Master shouted in rage, "Bai Kui, I respect you as the Grand Imperial Sire of the Formidable Heavens Dynasty. For all these years, Yunxiao Sect had nothing to do with the Formidable Heavens Dynasty. You come here for death today!"

"We come here for death?" Bai Kui stared at the Yunxiao Sect Sect Master and sneered. Who was the one that was going to die?!

"Humph!"

An elder landed from mid-air and scoffed heavily. "No one dared to offend us like this since the Yunxiao Sect was established a few hundred years ago. How dare you say that you want to exterminate my sect today!"

The Yunxiao Sect Sect Master nodded towards the elder, who was the Grand Elder of the Yunxiao Sect. He was at the peak of the Third Heaven of Yin Yang Perfected Lord.

"Li Shihai..."

A cold glint flashed across Bai Kui's eyes as he saw the Grand Elder of the Yunxiao Sect.

When Bai Kui was the Crown Prince of the Formidable Heavens Dynasty, Li Shihai was the Sect Master of the Yunxiao Sect. They had no interactions back then.

However, around ten years ago, a beloved lady of Bai Kui was taken away by Li Shihai using some tricks.

Though Bai Kui and the lady was not married, to him, he resented Li Shihai for taking away his wife.

After that, Bai Kui became the Emperor of the Formidable Heavens Dynasty, and Li Shihai became the Sect Master of Yunxiao Sect.

After becoming the Emperor, Bai Kui took the responsibility of ruling the entire Formidable Heavens Dynasty. He could not just take his revenge from Li Shihai.

Until today...

"Humph, I was still thinking who's here. Bai Kui, based on your ability, what can you do to me? You could not do anything back then when you were the Crown Prince of Formidable Heavens Dynasty. Your beloved lady still came to me. I shall tell you here! Indeed, I used some tricks to get her. However, she killed herself not long after I got here. What can you do today even though you know all this?" The Grand Elder of the Yunxiao Sect landed slowly and scoffed as he stared at Bai Kui.

The two Grand Elders of Yuehua Sect and Lingyun Sect had odd expressions.

Though they were aware that the Grand Elder of the Yunxiao Sect was very arrogant, he should not reveal all the inhumane things he did in the past in front of everyone. It was fortunate that there were no disciples present. If not, his reputation...

Of course, Li Shihai never cared for his reputation. He only acted according to his own preferences.

"Li Shihai... You're seeking your own death!"

Bai Kui's face was flushed, and veins could be seen on his forehead.

Though Bai Kui was at the age that he could resist all temptations, as a martial cultivator, the hatred he had could last forever. The main culprit who took away his wife dared to reveal everything again!

Swoosh!

Bai Kui took out a purple black-grade divine weapon. As he waved his sword, the great aura of a Yin Yang Perfected Lord rushed into the sky as if he was going to tear Li Shihai into pieces.

The Grand Elder of Yunxiao Sect scorned. His body turned into a shadow, and he took out a simplistic sword from his space ring. At the next second, he was next to Bai Kui.

The two shadows were appearing everywhere as they fought against each other.

However, Bai Kui was disadvantaged within ten attacks.

Bai Kui was at the Third Heaven of the Yin Yang Perfected Lord. However, the Grand Elder of Yunxiao Sect was at the peak of Third Heaven of Yin Yang Perfected Lord.

### **Chapter 1046 Skill (3)**

It was lucky for Bai Kui that he was able to last ten attacks against the Grand Elder. He would be dreaming if he could beat the Grand Elder of Yunxiao Sect with his own ability.

"Humph, it seems like you don't even see me with your eyes!"

Daoist Zijin scoffed when he saw that Bai Kui was not able to fight against the Grand Elder. He immediately came towards them and joined the fight together with Bai Kui.

"Li Shihai, you're such a rotten asshole! Wait for my ruling gourd!"

Daoist Zijin took out a gourd and threw it into the air.

The three of them were sucked in by the ruling gourd immediately.

The gourd suddenly grew in size and became transparent. Everything happening inside could be seen clearly from outside.

"Hahaha, the ruling gourd was plucked from the ancient ruling tree on Tiankun Mountain. It's able to block all martial ability. Rotten a\*\*hole, don't dream to use any of your ability inside here!" Daoist Zijin scorned.

Everyone else was shocked as they heard his words. Such a terrifying dharma treasure...

The Grand Elder's expression changed as he could feel that all his martial ability in his body was disappearing

"How come I feel that my martial ability is lost as well?" Suddenly, Bai Kui looked at Daoist Zijin, frowned, and asked.

"Of course, everyone's martial ability will be lost inside my ruling gourd," Daoist Zijin said.

Bai Kui nodded and asked, "How about you?"

“Same.” Daoist Zijin explained.

Bai Kui’s lips twitched. So what was the point for Daoist Zijin putting all of them inside the ruling gourd?

“Hehe... then the two of you are pieces of junk as well.” The Grand Elder of Yunxiao Sect laughed coldly.

“The two of us are good enough to beat you!” Daoist Zijin scorned as well.

“Kill him!”

Daoist Zijin rushed towards the Grand Elder immediately.

In other people’s eyes, the two powerful Yin Yang Perfected Lords now fought like gangsters without any martial ability.

“What are you waiting for?!” Daoist Zijin looked towards Bai Kui as he fought against the Grand Elder.

Bai Kui did not hesitate and joined the fight. The two of them kicked and punched the Grand Elder heavily.

Based on their third Heaven of Yin Yang Perfected Lord’s ability, they would not be able to beat the Grand Elder even if they combined their forces. The difference between the normal Third Heaven and the peak was huge. However, inside the gourd that restricted all martial ability, the three of them were just normal people. The consequences were clear when the two of them fought against a useless Grand Elder...

Within a short while, the Grand Elder was injured heavily. His face was swollen under Daoist Zijin’s and Bai Kui’s punches.

The side with more people would, of course, have more advantages than the other side in the ruling gourd.

#### **Chapter 1047 Skill (4)**

Ye Qingtang’s lips twitched a little as she witnessed the situation inside the gourd. This... might be the most special fight she had seen between Yin Yang Perfected Lords.

It was almost impossible to find others who fought like Daoist Zijin and Bai Kui in the world.

They were no different from gangsters. There were no tricks. All their punches landed heavily on the Grand Elder.

The Grand Elder cursed in rage inside the gourd as he wished to tear them into pieces. However, he could not defend himself at all. Occasionally, he managed to kick Daoist Zijin, but the kick seemed to have no effect.

Buzz!

Around half an hour later, a weird sound came out of the ruling gourd. The three of them were thrown out by the gourd as it returned to its original size.

“What happened?” Bai Kui asked.

“There is a time limitation to the ruling gourd. Apparently time’s up... What a pity that we didn’t manage to beat him to death,” Daoist Zijin said.

Though the Grand Elder was a piece of junk inside the ruling gourd, it was easy for the two of them to fight against him, but it was hard to kill him.

The Grand Elder’s injuries were all recovered without any traces after leaving the ruling gourd.

As his martial ability was regained, the injuries from the punches would definitely be gone.

“It seems you have a death wish!”

After regaining his martial ability, the Grand Elder stared at Bai Kui and Daoist Zijin. As he shouted, the aura of the peak level of Yin Yang Perfected Lord Third Heaven exploded and surrounded the two of them.

The Grand Elder turned into a shadow in the next second. He was so fast that he landed beside Bai Kui and Daoist Zijin within a split second.

The three of them were engaged in the fight again.

However, within a few breaths, Daoist Zijin and Bai Kui were thrown out.

“Hehe, how much hatred do you have towards me, Bai Kui... I made you feel the greatest humiliation as a man. However, you cannot do anything to me... So heartbreaking!” The Grand Elder scorned as he stared at Bai Kui.

A cold glint flashed across Ye Qingtang’s eyes at that.

She wished that Bai Kui could settle this thing by himself previously. However, based on the current situation, Bai Kui was not able to fight against the Grand Elder.

“Really?” Ye Qingtang scorned.

Ye Qingtang lifted her right arm slightly. Without realizing what was happening, the Grand Elder lost control of his body under a strong and irresistible force.

The Sect Master of Yunxiao Sect was enraged. He did not feel the intense force from Ye Qingtang. He thought that it was just a junior brought by Bai Kui.

“How dare you to speak up as a junior! You’re seeking your own death!”

Before the Grand Elder was pulled to Ye Qingtang, the Yunxiao Sect Sect Master flew and smashed his palm towards her.

“How dare you!” A few branch masters immediately surrounded Ye Qingtang and fought off the YunXiao Sect Sect Master.

The two Grand Elders of Yuehua Sect and Lingyun Sect frowned heavily as they witnessed the scene.

## **Chapter 1048 Skill (5)**

The two of them rushed forward and forced the branch masters to step back with their strong martial aura.

The Grand Elder of Yuehua Sect sneered. "Young people, do you know what respect is?"

"If you apologize to the Yunxiao Sect and leave now, maybe we can spare your lives," the Grand Elder of Lingyun Sect said.

"Grand Elders, you have nothing to do with what's going on here. Or do you want to be involved as well?"

Ye Qingtang stepped out to face the two Grand Elders.

The two Grand Elders were shocked by the young lady's words.

"This young lady seems familiar... Have I seen her somewhere else..." The Grand Elder of Yuehua Sect looked at Ye Qingtang in surprise.

"Is she... the disciple of Xuanling Sect? The one who was so lucky to get the infant Fiendcelestial Beast at the Hundred Level Peril Hell of Avicinaraka..."

The Grand Elder of Lingyun Sect sized up Ye Qingtang, and his eyes were filled with joy.

They had seen drawings of Ye Qingtang before. The young lady in front of them must be the Xuanling Sect disciple Ye Qingtang. And she had an infant Fiendcelestial Beast!

"Hahaha... I did not expect to be so lucky today to be at the Yunxiao Sect!" The Grand Elder of Lingyun Sect laughed. He must get the infant Fiendcelestial Beast today!

"Young one, hand over the infant Fiendcelestial Beast, and I'll spare your life!" The Grand Elder of Yuehua Sect stared at Ye Qingtang and tried to threaten her.

"Are you even qualified to get the Fiendcelestial Beast?" Ye Qingtang scanned through the two Grand Elders coldly.

The two Grand Elders were enraged upon hearing her words. They did not expect that the young one would be so rude and arrogant that she was not even afraid of her own death.

However, at the next second, their pupils constricted. The aura of a Yang Lord rushed into the sky. It seemed that an ancient Godfiend arrived and surrounded everything in darkness, forcing everyone to kneel down in fear.

The two Grand Elders felt that their bodies were about to be ripped apart by the terrifying aura of a Yang Lord.

They did not even question that they would be killed without any traces left as long as the person in front of them wished to...

"Yang... Yang Lord... How... How is this even possible..."

The Grand Elder of Lingyun Sect's face was pale as he stared at Ye Qingtang, who appeared to be a giant Godfiend. His body was soaked with cold sweat.

Yang Lord... Only when one reached the Seventh Heaven of Yin Yang Perfected Lord could a person then be called a Yang Lord. However, the person in front of them was at the peak of Seventh Heaven of Yin Yang Perfected Lord. She was just a little step away from entering the Eighth Heaven...

Only at this moment did the Grand Elder of Yuehua Sect understand that the person was not a disciple of Xuanling Sect. He found it weird how a disciple could survive in the Hundred Level Peril Hell of Avicinaraka and get a Fiendcelestial Beast. It was even more unbelievable that she was able to leave the Hell of Avicinaraka with the Fiendcelestial Beast. Everything could be explained if the person was a Yang Lord...

### **Chapter 1049 Skill (6)**

Moreover, how could a dignified Fiendcelestial Beast fancy an ordinary sect disciple! The lady before them was none other than a genuine, unrivaled Yang Lord!

“Damn it... Which dimwit released false information that the person who obtained the infant Fiendcelestial Beast was an ordinary Xuanling Sect disciple...” The Lingyun Sect Grand Elder gritted his teeth.

At this instant, the Yuehua Sect Sect Master shuddered as he looked at the Ye Family war flags, which were held high by the talented youths. It was at this moment when he finally understood what the “Ye” surname on the war flag represented.

The name of this Yang Lord was probably Ye Qingtang, and the Ye war flag probably represented the family clan of this Yang Lord...

“No wonder... No wonder Formidable Heavens Dynasty’s Grand Imperial Sire Bai Kui and that veteran Yin Yang Perfected Lord proclaimed to be a member of the Ye Family....”

For a daunting family clan with a powerful figure at the peak of Yin Yang Perfected Lord Seventh Heaven, it was Bai Kui’s and Daoist Zijin’s honor to join the family clan!

“Se... Senior... I was unaware of your arrival. Please pardon me and not be hard on me!” The Yuehua Sect Grand Elder stared at Ye Qingtang in horror.

He was facing an authentic Yang Lord!

“I remember that you wanted me to hand over the Fiendcelestial Beast?” Ye Qingtang stared at the Yuehua Sect Grand Elder and said coldly.

Upon hearing that, the Yuehua Sect Grand Elder shuddered and instinctively shook his head without thinking. “No no no... Senior, I did not say that... It’s... It’s him! He said it!”

The Yuehua Sect Grand Elder immediately pointed at the Ling Yun Sect Grand Elder.

“Don’t spout nonsense. When did I ask senior to hand over the Fiendcelestial Beast... I don’t even know what a Fiendcelestial Beast is. What do I need it for? It must be you. You offended the senior and want to shift the blame to me now!” Lingyun Sect Grand Elder denied anxiously.

“Humph. It’s clearly you who asked the senior for the Fiendcelestial Beast. Why don’t you dare to admit it! Even saying that you don’t know what a Fiendcelestial Beast is... I think you’re the one who is spouting nonsense!” Yuehua Sect Grand Elder sneered.

The hundreds of talented Ye Family disciples behind Ye Qingtang snickered as they watched the two Grand Elders of super sects blame each other. This was the so-called powerful Grand Elder of a super sect. Before absolute strength, they were just like clowns. If their super sects’ disciples were present and saw their own Grand Elder behaving this way, how would they think? Would they feel the slightest disgrace?

Previously, when Ye Qingtang appeared, the Yunxiao Sect Sect Master, Great Elder, and even Grand Elder were delighted. However, after knowing that Ye Qingtang was an unrivaled Yang Lord, they were completely dumbfounded.

“Didn’t the two of you want to protect Yunxiao Sect?” A Ye Family Branch Master looked at the two Grand Elders and scoffed.

“Yunxiao Sect?!”

Lingyun Sect Grand Elder shook his head repeatedly. “Senior Ye, this is a misunderstanding. A great misunderstanding. We are actually not that close with Yunxiao Sect... We just happened to pass by here today and came in to take a seat... Senior, we have nothing to do with your enmity with Yunxiao Sect!”

“Right, right, right! Senior Ye, we have nothing to do with YunXiao Sect. This Yunxiao Sect is really audacious. How dare they offend you, senior! They deserve to die! Definitely deserve to die! Senior, if you need us to do anything, just tell us!” Yuehua Sect Grand Elder added hurriedly.

### **Chapter 1050 Beiming Manor (1)**

Neither the Yuehua Sect Grand Elder nor Lingyun Sect Grand Elder dared to be impetuous when they learned that Ye Qingtang was a Yang Lord.

Never would they have thought that Yunxiao Sect actually offended a Yang Lord...

If it was Bai Kui or Daoist Zijin, the Grand Elders could still stand on Yunxiao Sect’s side. However, it was impossible for them to go against a Yang Lord if they wanted to live a longer life.

The two super sects Grand Elders stood before Ye Qingtang in silence, deeply afraid that she would execute them when displeased.

Ye Qingtang swept a look at the two of them and subsequently said, “Get lost.”

After hearing Ye Qingtang, the Lingyun Sect Grand Elder nodded his head repeatedly and disappeared without a trace.

“Farewell, senior... Farewell, se... If there’s anything that you need my Yuehua Sect for in the future, you may just inform us...” The Yuehua Sect Grand Elder disappeared immediately after saying that.

Ye Qingtang did not have any enmity with Lingyun Sect and Yuehua Sect and did not wish to start another war; thus, letting these two Grand Elders leave was sufficient.

At this instant, the Yunxiao Sect masses were dumbfounded and even had goosebumps as they looked at Ye Qingtang.

Ye Qingtang's martial skills were too frightening. On this mainland, a Yang Lord was almost unparalleled, and even a super sect was nothing to a Yang Lord.

Yunxiao Sect Sect Master and Grand Elder stared at Ye Qingtang in astonishment. They would have never thought that Ye Qingtang was actually a Yang Lord...

"Come here!"

Then, Ye Qingtang raised her right arm, and a powerful force swept over. In at most two breaths' time, Ye Qingtang had already clutched onto the Yunxiao Sect Grand Elder's throat.

"You seemed to be very arrogant earlier on," Ye Qingtang said coldly as she glared at the Yunxiao Sect Grand Elder.

The Yunxiao Sect Grand Elder shuddered, and his face paled after hearing Ye Qingtang's words. He did not know what he should say, and everything that happened seemed to be an unbelievable dream.

One hour ago, they were still chatting with the Beiming Manor envoy within the sect, but a short while later, a Yang Lord came searching for them...

"Ye Qingtang... even if you are a Yang Lord... our Yunxiao Sect is affiliated to Beiming Manor. However powerful you are, do you dare to ignore the Beiming Manor?!" Yunxiao Sect Grand Elder looked at Ye Qingtang and shouted.

"Beiming Manor..."

The Ye Family members were in thought upon hearing that.

Beiming Manor was one of the extraordinary forces of this mainland and was on par with the Phantom Valley and Peerless School. They were known as the three mightiest sect forces.

It was said that the Beiming Manor Chief was a Yang Lord of Yin Yang Perfected Lord Eighth Heaven, and his martial skills were unrivaled.

Ye Qingtang did not have any thoughts about Beiming Manor as she did not have any grudges against them. It would be best if they did not interfere with this matter, but if they insisted, Ye Qingtang would definitely not do nothing.

Seeing that Ye Qingtang was silent, Yunxiao Sect Sect Master thought that Ye Qingtang was afraid of Beiming Manor, and he sneered. "So what if you are a Yang Lord? There are countless powerful figures in Beiming Manor, and the Manor Chief is an Eighth Heaven Yang Lord. If you dare to touch my Yunxiao Sect today, it is equivalent to opposing Beiming Manor!"
