

Chapter 1051 Beiming Manor (2)

Ye Qingtang looked at the Yunxiao Sect Sect Master rather impatiently. Without saying much, Yang Lord aura surged out, and the Yunxiao Sect Sect Master's body exploded into innumerable pieces of flesh before everyone's eyes.

The Yunxiao Sect Sect Master's skills were not as powerful as that of the Yunxiao Sect Grand Elder; thus, he was unable to withstand Ye Qingtang's aura suppression.

Witnessing the tragic death of the YunXiao Sect Sect Master, the YunXiao Sect masses paled and gasped.

Without giving them time to return to their senses, Ye Qingtang moved her wrist and twisted the Yunxiao Sect Grand Elder's neck.

In no time, Yunxiao Sect Sect Master and Grand Elder were both killed by Ye Qingtang.

"Run!"

The Yunxiao Sect Great Elder shouted at the top of his lungs when he noticed that the situation was bad and immediately fled towards the interior of Yunxiao Sect.

Yunxiao Sect's foundation was extremely powerful, and as long as they could flee back into Yunxiao Sect, it was difficult to annihilate Yunxiao Sect even if Ye Qingtang was a Yang Lord.

If Yunxiao Sect Sect Master and Grand Elder knew that Ye Qingtang was a Yang Lord, they would definitely not step out of Yunxiao Sect...

"Where are you all running to?"

Ye Qingtang shouted coldly, and her Yang Lord aura swept across the entire place, killing the Yunxiao Sect Great Elder instantly.

As the Yunxiao Sect Great Elder was also killed by Ye Qingtang, Yunxiao Sect became completely disunited, and the remaining elders and wardens remained rooted to the ground, shivering, without daring to move an inch.

As long as Ye Qingtang was willing, all of them would be killed by her before they could even make it back into Yunxiao Sect.

If YunXiao Sect Grand Elder and Sect Master countered this battle within the sect, they definitely would not have died so quickly given Yunxiao Sect's foundation.

Seeing that Yunxiao Sect Grand Elder died from the impact of Ye Qingtang's Yang Lord aura, Elder Bai Kui finally felt that he had finally avenged his wife.

It was just a pity that he was not the one who personally killed the Yunxiao Sect Grand Elder...

"From now on, Yunxiao Sect no longer exists and will be annexed by the Ye Family. Anyone who resists will be killed. If sect disciples wish to leave, don't stop them!" Daoist Zijin announced loudly a moment later.

Whether it was a war between sects or family clans, the defeated party must pay a terrible price, and even a foundation that had been passed down for thousands of years would belong to the victor.

Currently, YunXiao Sect Grand Elder, Sect Master, and Great Elder were all dead, and Yunxiao Sect had no leader. It was impossible for them to battle with the Ye Family, which had a Yang Lord. From then on, YunXiao Sect would belong to the Ye Family.

“Yes!” The several Branch Masters and talented disciples immediately responded.

At this instant, the Grand Elders of Yuehua Sect and Lingyun Sect had not left and were hiding above the clouds to observe the situation.

However, when they saw the YunXiao Sect Grand Elder and Sect Master being slain by that Yang Lord in an instant, their backs were drenched with cold sweat.

It was fortunate that they made the right judgment, or else their outcome would be no different from Yunxiao Sect...

“The envoy from Beiming Manor is still within Yunxiao Sect... Yunxiao Sect is an affiliate of Beiming Manor. I’m afraid... the Beiming Manor will not leave this matter alone...” The Yuehua Sect Grand Elder looked at the Lingyun Sect Grand Elder beside him.

“The Ye Family only has one Yang Lord. How can it contend against Beiming Manor, which is one of the three mighty forces of this mainland? There will be a good show to watch now!”

The Lingyun Grand Elder nodded.

Chapter 1052 Beiming Manor (3)

Yunxiao Sect’s annihilation was a given, but no one had expected it to be annihilated so quickly. A dignified super sect with centuries of foundation, however, became part of the Ye Family in such a short period of time.

At this instant, the Ye Family disciples and several Branch Masters were covered with murderous auras. This was their first battle since becoming part of the Ye Family.

This war was truly too shocking. Yunxiao Sect was wipe out so swiftly that they did not even make any moves...

It was also because of such that the Ye Family members finally witnessed the unparalleled powers of a Yang Lord. Even if Yunxiao Sect was a super sect and had powerful foundations, it still ended up in such an ending

“Anyone who wishes to resist the Ye Family, come out!”

At this instant, a Ye Family disciple swept across the remaining elders and wardens in Yunxiao Sect and shouted coldly.

However, no one dared to say anything.

“Humph! So what about your Ye Family! You all will still face death after offending Beiming Manor!” A Yunxiao Sect disciple who appeared from nowhere said coldly.

“You have a death wish!”

Upon hearing that, a glint flashed across the eyes of that Ye Family youth at the half-step Yin Yang Perfected Lord realm. With a “clank”, that YunXiao Sect disciple’s head was already chopped off by the Ye Family disciple before the Yunxiao Sect disciple knew what happened.

Clank!

He unsheathed and sheathed his sword in one breath, and that was all it took to kill someone.

“Any resisters... kill!”

The Ye Family youth shouted loudly, and he was brimming with killing intent.

“Little young one, how arrogant of you!”

All of a sudden, a bone-curdling cold filled the air, and the temperature of the surroundings dropped to the freezing point in an instant.

A middle-aged man in a gold Chinese robe walked out of Yunxiao Sect slowly with a young male and female beside him.

That man’s martial skills were frightening and had already reached the peak of Yin Yang Perfected Lord Fourth Heaven.

“Beiming Manor envoy...”

In the sky, the Yuehua Sect Grand Elder’s and Lingyun Sect Grand Elder’s eyes twinkled when they saw the appearance of that middle-aged man.

It seemed that Yunxiao Sect’s annihilation enraged Beiming Manor utterly...

Beneath, the Ye Family talented disciple shivered at that cold shout, and his body retreated backward.

The Ye Family talented youth was merely a half-step Yin Yang Perfected Lord and naturally could not contest against the Beiming Manor envoy, who was at the peak of Yin Yang Perfected Lord Fourth Heaven.

“You’re pretty arrogant yourself too!”

Ye Qingtang hollered immediately and easily dissipated the powerful martial aura of that Beiming Manor envoy.

It was only until then did the Ye Family youth’s complexion improve, and he looked at Ye Qingtang with gratitude.

“A Yang Lord is here. Hurry bow and pay your respects to the Yang Lord!”

A Ye Family Branch Master looked at the Beiming Manor envoy without fear and sneered

The Beiming Manor envoy frowned slightly upon hearing that. She’s actually a Yang Lord...

“How dare you!” The Beiming Manor envoy yelled in fury. “I am Beiming Manor’s Great Warden. How dare you make me bow and pay my respects?!”

The Beiming Manor Great Warden was the head of all wardens. Although his position was lower than that of Elders and the Chief, he was also considered to have a high position and authority, and he represented Beiming Manor with full authority when he was out. How dare this force make him bow and pay respects?!

Chapter 1053 Beiming Manor (4)

This so-called Ye Family was a disorderly mob. Could it be that it had never heard of the three mighty forces of this mainland!

Everyone still had a certain level of fear towards the Beiming Manor; thus, the Ye Family Branch Master remained silent.

After all, Ye Family only had one Yang Lord while Beiming Manor had more than one!

Seeing that the Ye Family Branch Master no longer spoke, the Beiming Manor envoy nodded in satisfaction. Nonetheless, he was still curious as to why a Yang Lord, who even seemed so young, appeared out of nowhere when there was only a handful of Yang Lords on this mainland...

“You are the Yang Lord of the Ye Family!” The Beiming Manor envoy looked at Ye Qingtang and said.

“Yes, so what if I am?” Ye Qingtang replied indifferently.

She did not have any enmity with Beiming Manor and did not wish to complicate matters by having any relations with Beiming Manor. However, if Beiming Manor failed to appreciate her favor and insisted on poking their nose into this matter, it was fine with Ye Qingtang as well.

Ye Qingtang had never liked causing trouble, but this did not mean that she was afraid of trouble!

“Good. Not bad. It is indeed unbelievable that you can become a Yang Lord at such a young age... My Beiming Manor admires you greatly. If you’re willing, you can join my Beiming Manor, and you can freely choose any position that you want!” The Beiming Manor envoy looked at Ye Qingtang and said.

In other territories, the Beiming Manor envoy represented the entire Beiming Manor, and everything he said was equivalent to what the Beiming Manor Chief said. Thus, since he said that, it was definitely effective.

The three mighty forces of this mainland would all wish to snatch this Yang Lord. Regardless of the Phantom Valley, Peerless School, or Beiming Manor, their control and power would become even more powerful if they had an additional Yang Lord!

“Oh?” Ye Qingtang looked at the Beiming Manor envoy and said with a seeming smile. “Do you mean what you say?”

“Of course, I do.” Arrogance filled the Beiming Manor envoy’s face. “I am a Beiming Manor envoy, and everything I say represents the Beiming Manor. As long as you are willing to join and dedicate yourself to my Beiming Manor, you can pick any position you want in Beiming Manor!”

“Alright.” Ye Qingtang said. “If that’s the case, I want the Beiming Manor Chief position. Do you think it’s possible?”

Everyone at the scene was stunned by Ye Qingtang. Ye Qingtang actually wanted to become the Beiming Manor Chief...

“What are you saying?!” The Beiming Manor envoy’s eyes were ice cold. This girl was so young yet so arrogant and conceited to want the Beiming Manor Chief position?!

Although Ye Qingtang was not familiar with the three mighty forces of this mainland, she was very clear with their routine.

Phantom Valley, Beiming Manor, and Peerless School were currently in a state of check and balance, and no one wished to break this balance.

However, if Ye Qingtang chose to join one side, this balance would definitely be broken.

Even if Ye Qingtang joined Beiming Manor, it would definitely not believe an outsider, especially when this outsider, was a Yang Lord. Once this Yang Lord had any ideas, it was very possible that it would result in a serious imbalance.

Moreover, Phantom Valley and Peerless School would face a relatively serious threat with Ye Qingtang’s addition to Beiming Manor. By then, Peerless School and Phantom Valley would definitely join forces to annihilate Beiming Manor!

Chapter 1054 Kill One of My People and I Will Slay Your Entire Family

As one of the top three forces of this mainland, Beiming Manor definitely understood this logic.

Although Ye Qingtang had become a Yang Lord currently, she knew her limitations something she was never lacking in no matter whether she was a Holy Venerate in the past life or currently.

The three mighty forces of this mainland were not short of Yang Lords and instead had very powerful Yang Lords. Given her current skills, it was extremely difficult if she wished to fight any of these three forces head-on.

Nonetheless, since Ye Qingtang became a Yang Lord, these top three forces would definitely do something

Once Ye Qingtang joined one force, the other two forces would join hands and annihilate the force that Ye Qingtang joined. This was so in addition to the fact that the force that Ye Qingtang joined would be on their guard against her and secretly kill her in order to maintain the balance.

However, if Ye Qingtang did not join any of the forces, the forces would be suspicious and paranoid that Ye Qingtang had already secretly made arrangements with the other two forces.

As the skills of the top three forces were overly balanced, they definitely did not wish to see another Yang Lord even if she did not join any forces and developed her own influence.

Since that was the case, there was only one solution: Ye Qingtang would become enemies with one top force while the other two forces watched from aside and reaped the spoils.

Especially for Beiming Manor, a Yang Lord’s appearance in Formidable Heavens Dynasty would attract the suspicions of Peerless School and Phantom Valley. It was either that Ye Qingtang joins Beiming

Manor and the Manor Chief decides whether to utilize or secretly kill her or that Beiming Manor directly kills Ye Qingtang to let Peerless School and Phantom Valley know that they did not have any intention to break the balance of the three great forces. There were no other options apart from these!

“Humph. Beiming Manor’s will is not something you can revolt against!” The Beiming Manor envoy glared at Ye Qingtang coldly.

Upon hearing that, Ye Qingtang’s lips curled up into a sneer. “If I have never even acknowledged the Beiming Manor Chief, what are you?”

Bai Kui and Daoist Zijin cast a cold eye at that Beiming Manor envoy. If he was not representing Beiming Manor to talk to Ye Qingtang, he would already be a dead man by

now.

“Great... Indeed a Yang Lord. How arrogant!” The Beiming Manor envoy raised his volume and said coldly. “My Beiming Manor has a thousand-year foundation on this mainland, and you are the first who dares to defy Beiming Manor’s will. Since that’s the case, Beiming Manor will officially start a war with your Ye Family... Although you are a Yang Lord, not all of your family clan has skills like yours...”

The Beiming Manor envoy scoffed. His meaning was clear. If Ye Qingtang fled, perhaps they could not do anything, but the Ye Family had many people, and Beiming Manor could kill however many they wished!

Nevertheless, Ye Qingtang replied coldly. “You’re right... But... out of your tens of thousands of Beiming Manor people... is everyone a Yang Lord?”

With that, the Beiming Manor envoy’s smile was suddenly frozen.

Ye Qingtang’s meaning was extremely clear as well. If the Beiming Manor dared to touch the Ye Family members, she would kill a group of Beiming Manor people.

“Beiming Manor has been in existence for a thousand years, and it should have a minimum of tens of thousands of people. For every hundred Ye Family members that Beiming Manor kills, I will slay ten thousand Beiming Manor people. I want to see if your Beiming Manor dares to touch anyone from my Ye Family. From today onward, as long as a Ye Family disciple dies, I will place the responsibility on your Beiming Manor. If one Ye Family disciple dies, I will kill thousands of your Beiming Manor people.” Ye Qingtang shouted.

Chapter 1055 Three Orders To Kill

When they heard Ye Qingtang’s words, the looks of fear on the faces of Ye Family members instantly vanished, never to be seen again. Only excitement and agitation remained.

Just as Ye Qingtang said, if the Ye Family was massacred, then Ye Qingtang would fight the Beiming Manor to the death. How terrifying would it be to have a powerful Yang Lord lying in ambush? Also, could the few powerful Yang Lords of Beiming Manor really guard tens of thousands of people every day without leaving their side?

By then, the Beiming Manor would be unable to find Ye Qingtang, who would be lying in wait. But Ye Qingtang would be clearly aware of the Beiming Manor’s position!

Even if the Yang Lords found Ye Qingtang, they might not be able to kill her with one stroke, causing Ye Qingtang's vengeance to be even crueler and terrifying... Then, the tens of thousands of people in Beiming Manor would live in fear, and those who had not yet become Yang Lords would live in the shadow of death...

The Ye Family had a few hundred people, but the Beiming Manor had tens of thousands of people. However, the Beiming Manor Master and Yang Lords were not idiots. They did not dare touch a single hair on a Ye Family disciple's head without first killing Ye Qingtang!

"You..."

At that moment, the Beiming Manor envoy gritted his teeth. If Ye Qingtang kept her word, tens of thousands of people from the Beiming Manor would die because they killed a hundred people from the Ye Family!

"Right now, there are over a hundred Ye Family disciples. I guarantee I will not act. Let me see if you dare to touch a single person." Ye Qingtang fixed her gaze on the Beiming Manor envoy and spoke with a cold laugh.

"You dare to touch me."

At that moment, Elder Bai Kui's grandson, Ye Leng, who had changed his surname to Ye, stepped forward and pointed to the Beiming Manor envoy.

Would their Ye Family be afraid of the Beiming Manor?!

It was worthwhile to exchange one person's life for a few thousand lives!

"Ye Family... you will pay an unimaginably terrible price... for your arrogance!" Veins stood up on the Beiming Manor envoy's forehead. He did not dare to touch so much as a hair on a Ye Family disciple's head. If this Yang Lord really went crazy, the consequences would be unimaginable.

The top three sects were very familiar with the Yang Lords in this mainland. But what kind of personality did Ye Qingtang have, and would she actually do as she said? Who could be certain?

When she saw that the Beiming Manor envoy was about to leave, Ye Qingtang stepped forward and blocked his way. The powerful force of a Yang Lord immediately shot skywards.

"What are you doing!" The Beiming Manor envoy was shocked when he saw what was happening

"You've offended me... shouldn't you leave something behind." Ye Qingtang stared at the Beiming Manor envoy and said coldly.

"When two major forces are in a battle... We are equivalent to envoys of war. How dare you ignore the rules and kill a war envoy?!" The Beiming Manor envoy said in shock.

"Of course I won't." Ye Qingtang's lips curved upwards slightly. Then, she used the force of a Yang Lord to press down on the Beiming Manor envoy.

"Puff..."

The Beiming Manor envoy's face was ashen. Blood shot out of his mouth as he repeatedly retreated.

“You... you dare... harm my martial arts foundation...” The Beiming Manor envoy stared at Ye Qingtang in shock. This Yang Lord was completely disregarding the rules...

“I’m giving you a small punishment today. If you dare to be disrespectful to my Ye Family in the future, your life will not be spared.” Ye Qingtang shouted coldly.

“In the future, anyone who harms my Ye Family disciples will be killed!

“In the future, anyone who impedes my Ye Family affairs will be killed!

“In the future, anyone who harms my Ye Family elders will be killed!”

Ye Qingtang voice was bone-chilling. From that day onward, these three killing orders would reverberate through this mainland.

Chapter 1056 Three Orders To Kill (2)

The moment Ye Qingtang issued her three killing orders, everyone in the Ye Family became very emotional and felt uplifted.

If anyone dared to offend a Ye Family member, be it a disciple or an elder, the Ye Family Yang Lord would strike them dead with the swiftness of lightning!

In all of history, this must be the family clan Yang Lord that shielded her subordinates the most...

The Beiming envoy glared at Ye Qingtang in rage but did not dare to say anything more. This Ye Family Yang Lord did not abide by the rules at all and had even seriously injured him even though he was a war envoy. If he said anything more, he might lose his life.

“Ye Qingtang... wait and see. Circumstances will change. We will meet again!”

The Beiming Manor envoy glared at Ye Qingtang, a cold light flickering in his eye. He fervently wished he could dismember Ye Qingtang to relieve the hatred in his heart.

To the Beiming Manor envoy, this Ye Family was a new power, and although it had a Yang Lord that was almost invincible in this mainland, she was still too young. These people probably did not know how terrifying the Beiming Manor was.

“Get lost!” Elder Bai Kui looked at the Beiming Manor envoy and shouted at him coldly.

If the Beiming Manor had not been present as an envoy, he would have died many times over today. How dare a mere Yin Lord be so arrogant and unrestrained in the presence of a Yang Lord!

Without further ado, the Beiming Manor envoy turned to leave and vanished in a moment.

Both the Grand Elders of the Lingyun Sect and the Yuehua Sect, who were watching from above, could not help but exchange glances when they saw this scene.

The Ye Family Yang Lord was truly impossibly arrogant. She did not even show any respect for the Beiming Manor...

Fortunately, they were both wise men who knew how to bide their time. Otherwise, their fates would probably have been the same as the Grand Elder of the Yunxiao Sect, with their heads sent rolling...

The two super sect elders did not dare to linger in the area, and they swiftly vanished into the void.

At that moment, in the Ye Family.

Bai Kui and Daoist Zijin led the group from the Ye Family and charged into the Yunxiao Sect. The thousands of disciples in the Yunxiao Sect were all struck dumb. No one dared to resist at all.

Everything was like a dream.

Before today, the Yunxiao Sect was carrying on with its usual routine. However, within the short span of an hour, the Grand Elder and the Master of the Yunxiao Sect had both been killed. Even the Yunxiao Sect's great elder had died. None of the senior members of the sect dared to resist. They all wished to preserve their lives.

As the saying went, even lowly insects cling to life, much less the Yunxiao Sect's wardens and elders.

A powerful Yang Lord was invincible. Forcibly resisting was the same as giving up one's life.

However, as long as they did not resist, the Ye Family would not act. They would give the Yunxiao Sect, which now completely lacked cohesion, a chance to survive.

Ye Qingtang immediately ordered all the wardens and elders of the Yunxiao Sect to be expelled from the sect. This included the administrative personnel and all the Yunxiao Sect disciples. Not a single person was to remain.

Within the short span of half a day, the glory of the YunXiao Sect was completely dissipated and became a thing of the past. Everyone from the Ye Family entered the Yunxiao Sect, which became the headquarters of the Ye Family.

The Yunxiao Sect contained countless jewels and fine gems. There were some that even Ye Qingtang felt were fairly unusual.

It went without saying that the Yunxiao Sect had a great legacy. After all, it had existed for hundreds of years and was far beyond what the Xuanling Sect could compare to.

Chapter 1057 Three Orders To Kill (3)

If the previous Grand Elder and Master of the Yunxiao Sect had remained in the sect and resisted to the end, with their rich legacy, even Ye Qingtang would take some time to completely eradicate the Yunxiao Sect. She certainly would not have been able to uproot it so easily.

"Eldest Young Lady, I must say that the Yunxiao Sect legacy is pretty good. Hahaha... they've put so much effort into managing it for hundreds of years, only for it to fall to our Ye Family!" Elder Bai Kui laughed loudly.

Ye Qingtang did not have much to say about that. A fight between two major forces was always like that. Once a battle began, the loser would always become fodder for the victor.

Ye Qingtang quickly followed the Ye Family Branch Masters and arrived in the area where the Yunxiao Sect reared its spirit animals.

Dozens of spirit animals were separately reared in their individual areas. Their environment was almost like a paradise, extremely beautiful. Besides the rarer flying spirit animals, there were also fighting spirit animals and mounts. The Yunxiao Sect even reared many young demonic beasts.

A super sect almost always gained its status from the efforts of its forebears. The rich legacy the sect had built up for hundreds of years was hard to imagine. Today, an ordinary sect would be hard-pressed to even provide fodder for these spirit animals and demonic beasts. However, to a super sect, it was nothing out of the ordinary and was not a burden.

Ye Qingtang and the others very quickly came to the Martial Skills Area. The Yunxiao Sect's Martial Skills Area was not bad, but it was inferior to the one that Ye Qingtang had previously established in the Ye House.

Not long after, Elder Bai Kui, Daoist Zijin, Ye Qingtang, and the others came upon the Treasure Pavilion.

"Greetings, Yang Lord!"

A white-haired old man looked at Ye Qingtang, his face filled with respect. He kneeled and greeted them.

This man was the guardian of the Yunxiao Sect's Treasure Pavilion and was very familiar with the treasures there. He sincerely begged Elder Bai Kui and the others to allow him to remain, and he expressed his hope of serving the Ye Family.

Elder Bai Kui allowed the old man to remain after receiving Ye Qingtang's approval.

The old man was not part of the Yunxiao Sect's fighting force. His martial skills were ordinary, and he was only a part of the support personnel. The Ye Family had retained many support personnel like him instead of expelling them from the sect.

"No need to be so formal," said Ye Qingtang to the old man.

The old man quickly stood up, looked at Ye Qingtang, and smiled. "Yang Lord, please come this way."

Ye Qingtang followed the old man into the Treasure Pavilion.

The Treasure Pavilion in the Yunxiao Sect was divided into several large areas: the Spirit Weapons Area, the Dharma Treasures Area, the Talisman Area, the Traps Area, the Elixirs Area, and so on.

At that moment, Ye Qingtang and the others entered the Spirit Weapons Area. In the center of it were rows of spirit weapons, and every one of them was of fairly high level.

"Yang Lord, this Cold Earth Sword is a medial black-grade spirit weapon. It belonged to the ancient Zhou Kingdom's third emperor three hundred years ago."

The old man explained to Ye Qingtang and the others.

Ye Qingtang nodded when she heard that.

The old man knew every Dharma treasure like the back of his hand.

They learned from the old man that the Yunxiao Sect's Treasure Pavilion was not open to ordinary disciples of the sect but only to those of warden level or above, who had made a major contribution to the sect.

"In the future, the Treasure Pavilion will be open to everyone in the Ye Family," Ye Qingtang said to Elder Bai Kui and the others.

When they heard that, Bai Kui and the Daoist Zijin nodded repeatedly.

Chapter 1058 Traitor (1)

"The senior members of the Ye Family may pick any treasure from the Treasure Pavilion, with no conditions attached. If they are unsure of what to select, they can follow Old Zhou's recommendations." Ye Qingtang looked at the old man.

"Yang Lord, please don't worry. I am very good with these matters," the old man said repeatedly.

When they heard Ye Qingtang's words, the Ye Family Branch Masters and two Elders looked rather emotional. The Yunxiao Sect treasures were extremely attractive to them!

After they left the Treasure Pavilion, Ye Qingtang's gaze swept across the air. Her lips immediately curved upwards and arched in a mysterious smile. Here was a fish that had escaped the net.

"Eldest Young Lady?"

Daoist Zijin was rather perplexed when he saw Ye Qingtang's odd expression.

"Come out!"

Ye Qingtang shouted coldly as her right arm reached into the void and grasped at something

As everyone stared, an old man in a black robe was dragged out of the void.

"Who are you!" Elder Bai Kui immediately shouted sternly.

They had been completely unaware of this old man who was hiding in the void!

"Elder Qu, how are you?" Ye Qingtang smiled coldly as she fixed her gaze on the old man, who was frowning deeply.

Elder Qu was a Blood Moon Sect Elder, but after the sect was exterminated, he moved to the Yunxiao Sect and taught the Yunxiao Sect disciples the evil skill of robbing others of their spirit roots. When Ye Qingtang had been in the Yunxiao Sect, she had followed her teacher, Elder Mo, and the others to the Drifting Cloud Island and coincidentally met Elder Qu and Ye You. She had learned of Elder Qu's status from the Blood Moon Sect Elder.

"Yang... Lord..."

Elder Qu stared at Ye Qingtang. This girl was so young but was already a Yang Lord...

A thousand years ago, Elder Qu had also been a Yang Lord. But unfortunately, a thousand years later, his level of attainment had dropped too rapidly, and now, he was only an ordinary Yin Lord.

"I am willing to serve you faithfully," Elder Qu said to Ye Qingtang.

Elder Qu firmly believed that given his value, this Yang Lord would certainly give him an important position.

However, Ye Qingtang just laughed coldly. "I don't need your faithful service. But you may leave your life here."

Elder Qu laughed when he heard Ye Qingtang's words. "Yang Lord, I know the Robbing Spirit Roots Skill. With me around, I can guarantee that the Yang Lord's family will be elevated to the next level!"

When they heard that, all Ye Family members present were taken aback and even somewhat skeptical.

"Robbing Spirit Roots Skill... legend has it that one can indeed rob cultivators of their spirit roots and use them for oneself..." Daoist Zijin was shocked. This secret skill had long been lost in this mainland.

"Hmph!" Elder Bai Kui shouted angrily. "Who would have thought that the Yunxiao Sect would be so despicable as to do such evil things? The Robbing Spirit Roots Skill is equivalent to robbing others of their martial skills. It is a great crime!"

Elder Bai Kui's fiancée had been snatched away by the Grand Elder of the YunXiao Sect, so he had a deep hatred of stealing, even if it was in terms of martial skills.

The skill of robbing spirit roots was somewhat similar to Ye Qingtang's Heavenly Demon Devouring Bloodline. However, when compared to the Heavenly Demon Devouring Bloodline, the Robbing Spirit Roots Skill was inferior.

The Robbing Spirit Roots Skill could be used to devour the spirit root of others. However, the Heavenly Demon Devouring Skill could devour anything in the world, from the spirit energy of a stone, to the martial skills and bloodline of a person.

"Robbing Spirit Root Skill..."

Daoist Zijin thought for a moment and then suddenly frowned.

Chapter 1059 Traitor (2)

A thousand years ago, only the Blood Moon Sect had this Robbing Spirit Root Skill...

In that case, the black-robed old man before them... was connected to the Blood Moon Sect?!

Daoist Zijin did not care about even the three greatest powers. But the Blood Moon Sect..

A thousand years ago, it was the foremost unshakable power in this mainland. Later, the Blood Moon Sect had grown overly powerful, single-handedly beating all others. This had aroused the hatred of hundreds of sects and powerful families in this mainland. In the end, powerful sects and families had joined forces and had barely managed to exterminate the Blood Moon Sect. But they paid a terrible price...

The Blood Moon Sect... at its peak, it had over a hundred Yang Lords...

Even after the Blood Moon Sect was exterminated, a thousand years later, its senior members were slowly recovering, and the Blood Moon Sect would rise again...

If they killed a member of the Blood Moon Sect today, the consequences would not be as simple as antagonizing the Beiming Manor!

“Yang Lord, I can use my Robbing Spirit Root Skill to serve you.” Elder Qu fixed his gaze on Ye Qingtang.

“That sounds pretty good... a pity that I’m not very interested in your Robbing Spirit Root Skill... However, I am interested in taking your life.” Ye Qingtang smiled coldly as she looked at Elder Qu.

No matter what, she was the sworn sister of the Blood Moon Holy Lord. She even had the status of Blood Moon Holy Lady. As the Holy Lady of the Blood Moon Sect, Ye Qingtang must certainly act now that she had met a great traitor of the Blood Moon Sect. Otherwise, she could not answer to her handsome younger brother...

Elder Qu was taken aback by Ye Qingtang’s words. He had no quarrel with this Yang Lord, so why was she so interested in taking his life?!

“Eldest Young Lady, slow down. Let this man live for now!” Daoist Zijin was afraid that Ye Qingtang would act immediately and spoke hurriedly.

“He mustn’t be killed?” Elder Bai Kui looked at Daoist Zijin. “He is a mere Yunxiao Sect elder, why can’t he be killed? Daoist Zijin, can it be that you are interested in the Robbing Spirit Root Skill... Does our Ye Family still need these things for embellishment?!”

When he heard that, Daoist Zijin immediately shook his head and said, “What rubbish Robbing Spirit Root Skill... Bai Kui, are you brainless? Don’t you know where the Robbing Spirit Root Skill originated from?”

When he heard Daoist Zijin’s words, Elder Bai Kui was shocked. The origin of the Robbing Spirit Root Skill... Bai Kui immediately sank into deep thought. After a few breaths, his expression suddenly changed.

As the Grand Imperial Sire of the Formidable Heavens Dynasty, Elder Bai Kui could not possibly be unaware of the origins of the Robbing Spirit Root Skill. It was the Blood Moon Sect... the foremost power a thousand years ago!

A thousand years ago, even the ancestors of the Formidable Heavens Dynasty had joined the plot to exterminate the Blood Moon Sect...

Only a senior member of the Blood Moon Sect could use the Robbing Spirit Roots Skill. Others could not possibly learn it!

“Are you saying that this man is... a member of the Blood Moon Sect?!” Elder Bai Kui was shocked.

In recent times, he had heard the news that the Blood Moon Sect was reviving but had not taken it to heart.

“Eldest Young Lady, you must not kill this man,” Elder Bai Kui hurriedly said. He was suddenly on the same side as Daoist Zijin.

“Eldest Young Lady, you should be aware of the Blood Moon Sect. It was the absolute power in this mainland a thousand years ago. Although it was exterminated, it can revive... This man must have some deep connection with the Blood Moon Sect. If he dies at the hands of our Ye Family, we will offend the Blood Moon Sect...” Cold sweat seeped from Daoist Zijin’s forehead.

Chapter 1060 Traitor (3)

Although it had been exterminated a thousand years ago, the reputation of the Blood Moon Sect was still as formidable a thousand years later. As the saying went, a starving camel was still bigger than a horse. Even the three biggest powers of today definitely did not dare to offend the Blood Moon Sect!

Unless all the sects and powerful families in this mainland allied again against a common enemy and completely eradicated the Blood Moon Sect before it had a chance to revive fully.

However, this was impossible. If the Blood Moon Sect revived now, it would still be incredibly powerful. No one was willing to antagonize the Blood Moon Sect. Further, the Blood Moon Sect might not be powerful enough to gain dominance. If it did not impinge on anyone’s interest, who would dare to stick their necks out first and take on the Blood Moon Sect?!

Elder Bai Kui and the Daoist Zijin did not want the Ye Family to be the one to stick its neck out. The Ye Family had just risen to power. If they offended the Blood Moon Sect and was exterminated before they had achieved anything, that would be... a pity...

Now, Daoist Zijin and Elder Bai Kui made up their minds that no matter what, they would not allow the Eldest Young Lady to kill this Elder Qu. They really had the best intentions for the Ye Family and Eldest Young Lady.

Even if Ye Qingtang was a Yang Lord, no matter how powerful she was, she could not possibly oppose the Blood Moon Sect...

“Eldest Young Lady... please reconsider!”

“Eldest Young Lady, our Ye Family cannot afford to offend the Blood Moon Sect!”

“Eldest Young Lady, right now, there is no need for our Ye Family to offend the Blood Moon Sect!”

A few Ye Family Branch Masters also took the side of Elder Bai Kui and Daoist Zijin and spoke up to persuade her.

The members of the Ye Family did not know Elder Qu’s status and were ignorant of the fact that Elder Qu was a traitor to the Blood Moon Sect. They simply thought that Elder Qu was a member of the Blood Moon Sect.

At that moment, Elder Qu’s lips curved in a slight smile. He had thought of a way to extricate himself.

“Ah... so I have been discovered... I am one of the twenty-four elders of the Blood Moon Sect. If you harm me at all, it will be equivalent to opposing my Blood Moon Sect.” Elder Qu swept a gaze across everyone and smiled coldly.

All the Ye Family members turned pale at Elder Qu’s words. It did not matter whether he was speaking the truth. Even if he was lying, it was inconsequential. But if he was telling the truth and he really was

one of the Blood Moon Sect's twenty-four elders, their Ye Family could not possibly bear the consequences. If the Eldest Young Lady killed a Blood Moon Sect Elder, the Ye Family would probably fall into an abyss from which there was no return. Even Ye Qingtang would probably suffer terrible consequences... "Elder Qu, if you are really one of the Blood Moon Sect's twenty-four elders, then I could bear witness for you." Ye Qingtang stared at Elder Qu and smiled coldly. "However, you actually betrayed the Blood Moon Sect and entered the Yunxiao Sect. I suppose you haven't forgotten about that."

When they heard Ye Qingtang's words, Elder Bai Kui, Daoist Zijin, and even all the Ye Family Branch Masters were shocked.

This Blood Moon Sect Elder... was a traitor of the Blood Moon Sect??

"Hmph!" Elder Qu snorted coldly. "Nonsense!"

Although Elder Qu spoke with conviction, he was feeling rather guilty. How did this Yang Lord know about these events?

"Elder Qu, do you recognize me?" Ye Qingtang stared at Elder Qu.

"No." Elder Qu had already studied Ye Qingtang and found her unfamiliar.

"Since you don't recognize me... do you recognize this." Ye Qingtang pointed to her brow, her lips curving upwards.
