

Chapter 1071 Falsely Accused Of A Capital Offense

When Ji Yixuan was in the Formidable Heavens Dynasty, Ye Qingtang had rescued him from the hands of the Yunxiao Sect disciples. So, of course, Ji Yixuan had seen her real face.

However, some time had passed, and it was natural for Ji Yixuan not to recognize her immediately.

Presumably, Yan Shu had taken Ye Qingtang for an ordinary Falling Sky Valley disciple.

But at that moment, Yan Shu was frowning deeply.

This Ji Yixuan... was actually addressing a Yang Lord as his Junior Sister?!

Did he have a death wish...

“Haha... Ji Yixuan, you are so weak even though you are the Valley Master’s disciple... I can see that most of Perfected Xuanchen’s sect is useless.”

Before Yan Shu could open his mouth to remind him to maintain the act, a white-robed man suddenly stared at Ji Yixuan and laughed coldly.

“Xuanyuan Lie, you are spouting nonsense!” Ji Yixuan shouted in anger.

The person who had just spoken was Xuanyuan Lie, the grandson of the Full Moon Peak Master, Xuanyuan Yi.

When Ye Qingtang left the Falling Sky Valley, she planned to head to the Dragon Vein. Xuanyuan Lie had left the valley to block her way and kill her but was defeated by Ye Qingtang. After that, Xuanyuan Yi had arrived in time to pursue Ye Qingtang, intending to kill her.

Ye Qingtang still remembered these past hostilities. Naturally, her present return to the Falling Sky Valley was to call in her debts.

“Humph!”

Xuanyuan Lie immediately shouted coldly. “Ji Yixuan, you stole the Full Moon Sutra from the Full Moon Peak. That is a capital offense!”

“Xuanyuan Lie, you framed me!” Ji Yixuan bellowed coldly.

“What a joke. Our Full Moon Peak’s Full Moon Sutra was found on your person. How dare you argue against such compelling evidence! Clearly, Perfected Xuanchen’s disciples are all like that.” Xuanyuan Lie laughed coldly.

Yan Shu could not help but frown at the scene before him. He immediately smiled at Ye Qingtang apologetically.

He advanced to face Ji Yixuan and asked, “Yixuan, what’s going on?”

“This Xuanyuan Lie took the Full Moon Peak’s Full Moon Sutra under the guise of wanting to spar with me. He doctored the Full Moon Sutra and then secretly hid it on my person, but he said that I stole the Full Moon Peak’s Full Moon Sutra!” Ji Yixuan said to Yan Shu.

When he heard Ji Yixuan’s words, Yan Shu looked at Xuanyuan Lie meaningfully.

Full Moon Peak’s was growing stronger, and it had asked Master Perfected Xuanchen to give up his position as Valley Master. In addition, Water Cut Peak and Blue Cloud Peak had declared that they would be on the side of Full Moon Peak.

During the past few days, Xuanyuan Lie had been going around provoking Full Moon Peak members and had become increasingly unrestrained. But they had not imagined that he would frame someone.

Stealing a sutra was a capital offense. Even though he was the Valley Master, Perfected Xuanchen could not protect Ji Yixuan unless the latter could produce evidence. In addition, the Full Moon Sutra was indeed found on Ji Yixuan’s person. Everyone had seen it, and there was no way he could deny it.

“Yixuan, do you have any evidence that Xuanyuan Lie framed you?” Yan Shu looked at Ji Yixuan and frowned as he spoke.

If Ji Yixuan could produce evidence, he would be saved, and he could also denounce Xuanyuan Lie for defamation.

“This... Yan Shu, I have no evidence...”

Ji Yixuan shook his head. Although he knew what had happened, he could not prove that Xuanyuan Lie had framed him.

Xuanyuan Lie had certainly planned this for a long time. He would not be caught out on any of the details.

“Yan Shu, this beast... has been provoking our kin and now has framed me. Clearly, he has ambitions regarding Full Moon Peak and is about to act!” Ji Yixuan said hastily.

Was anyone unaware of his ambitions towards Full Moon Peak?!

Chapter 1072 The Death Penalty Is Inevitable

“Yixuan, don’t talk nonsense.” Yan Shu glanced at Ji Yixuan. Although everyone was aware of these matters, it was better not to say them out loud, especially in public.

“Ji Yixuan, I think you are just spouting nonsense because you know you have committed a capital offense and cannot avoid death...” Xuanyuan Lie laughed coldly. He then faced a few Justice Wardens who were standing nearby, cupped his fists, and said smilingly, “Lords, there is irrefutable evidence that Ji Yixuan stole my Full Moon Peak’s Full Moon Sutra and committed a capital offense.”

With that, a warden of the Hall of Justice nodded and said, “We already know that. We have come today to capture Ji Yixuan and bring him back to the Hall of Justice for questioning.”

When he heard that, Xuanyuan Lie’s lips curved upwards and arched in a cold, mysterious smile.

But Yan Shu frowned deeply. Ordinary people could not enter the Hall of Justice. Even if they were innocent, they would certainly lose a layer of skin after entering the Hall of Justice. Now, the Hall of Justice was under the Full Moon Peak's jurisdiction. If Ji Yixuan was really brought into the Hall of Justice, the consequences would be dire. Ji Yixuan would probably cease to exist within the Falling Sky Valley.

"Wardens, this matter is too important." With that, Yan Shu looked at the Justice Wardens and spoke.

When he heard that, a Justice Warden said coldly, "You are right. Stealing the most precious treasure of the Full Moon Peak, the Full Moon Sutra, is indeed important."

"Wardens, the truth of this matter is unclear. Even if Ji Yixuan really stole the Full Moon Sutra, he is still the Valley Master's disciple. The Valley Master is discussing important matters with the Lord of the Peerless School. If we really want to deal with this matter, we need to wait for the Valley Master to have time to attend to it personally," Yan Shu said. After he heard Yan Shu's words, one of the Justice Wardens laughed coldly and disdainfully. "Even if a Prince commits a crime, he should be punished in the same way as a commoner... in any case, Ji Yixuan is only a disciple of the Valley Master. Even if the Valley Master were to come here personally, it would be of no use!"

"This..."

Yan Shu sank into silence. It looked as if the Hall of Justice had indeed sought refuge with the Full Moon Peak. Otherwise, they would not deal with such an important matter so casually.

In addition, Xuanyuan Lie's words were full of loopholes. Ji Yixuan was the Valley Master's disciple and had even more profound sutras that he could study. Why would he seek out something inferior and even risk his life to steal the Full Moon Peak's Full Moon Sutra? It did not make any sense.

At that moment, the wardens of the Hall of Justice did not care about these loopholes at all. They only wanted to swiftly convict Ji Yixuan. As to what they were thinking, only they themselves knew.

"Hmph, stop talking nonsense!" A warden of the Hall of Justice shouted coldly. "Ji Yixuan, you have committed a heinous crime in stealing the most precious treasure of the Full Moon Peak, the Full Moon Sutra. Based on the rules of the Falling Sky Valley, if anyone steals a peak's item, they have committed a grave offense. To steal a peak's secret sutra is a capital offense... Now you have been caught red-handed. Do you plead guilty!"

"Plead guilty?!" A bone-chilling laugh came from Ji Yixuan. "I, Ji Yixuan, have been honest and above-board my whole life. My conscience is clear. If you want my life, you can have it... if you try to falsely accuse me and shame my Master's reputation, then you can dream on!"

"What a joke. The Full Moon Sutra that the Full Moon Peak lost was found on your person. Everyone saw it, and it cannot possibly be false evidence. Even if you deny it a hundred times over, it will still be useless. Ji Yixuan, you better give yourself up. If you resist, you will suffer the consequences!" The warden of the Hall of Justice shouted coldly.

Chapter 1073 In Deep Trouble

To the Hall of Justice, it was not important whether Ji Yixuan had really stolen the Full Moon Sutra. What was important was that Ji Yixuan was related to the Valley Master and that they were part of the Full Moon Peak.

Clank!

Ji Yixuan suddenly drew the sword at his waist.

“Are you really going to resist?!”

When they saw that, the wardens of the Hall of Justice and Xuanyuan Lie laughed coldly.

If Ji Yixuan resisted, they could kill him on the spot. Then, the Valley Master, Perfected Xuanchen would not be able to retain his position for much longer.

“Yan Shu!”

Ji Yixuan looked at Yan Shu. “Tell my Master that I, Ji Yixuan, have been honest and above-board all my life. I have never done anything deceitful... Today, I, Ji Yixuan, have been maligned by the Full Moon Peak. This incident is merely a ruse by the Full Moon Peak in its bid for power... Ask my Master to be careful... I will leave first!”

As he said that, Ji Yixuan brandished his sword upward. His face was filled with determination. He would use his death to prove his innocence. He would not allow Perfected Xuanchen and the others to be besmirched in any way by him!

“What?!”

When he saw what was happening, Yan Shu’s expression changed. Ji Yixuan’s long sword was already at his neck. He was too fast, and although Yan Shu tried to stop him, it was too late.

However, at that moment, Ye Qingtang flicked her wrist. No one saw what Ye Qingtang did, but the longsword in Ji Yixuan’s hand was instantly struck to the ground.

“Junior sister...”

Ji Yixuan looked at Ye Qingtang in shock. He did not know why Ye Qingtang had stopped him.

Ye Qingtang looked at Ji Yixuan, who had resolved to die. She could not help but sigh inwardly. This Senior Brother Ji was too straightforward.

Ye Qingtang laughed softly.

“If you didn’t do it, why use your death to prove it? It’s not worth it.”

Yan Shu was also shocked. He had not thought that this Yang Lord would act in time to rescue Ji Yixuan...

“How dare you!”

At that moment, a warden of the Hall of Justice glared at Ye Qingtang in rage. “Who are you to impede the Hall of Justice?!”

When he saw what was happening, Yan Shu wanted to speak out and stop them. But he thought for a moment and remained silent in the end.

At that moment, Ye Qingtang was looking at the Warden. Her eyes were expressionless. "Are you talking to me?"

"Bring both Ji Yixuan and this girl back to the Hall of Justice. Now, I suspect that the two of them were in cahoots to steal the Full Moon Peak's Full Moon Sutra!" The warden of the Hall of Justice shouted coldly.

When she heard that, Ye Qingtang smiled and nodded slightly. "I never thought that in this day and age, there is still someone who dares to speak to a Lord like that."

Ye Qingtang's words surprised everyone.

Who did this girl think she was to call herself... a Lord?!

Only a Yin Yang Perfected Lord could be called a Lord...

The next moment, the force of a Yang Lord shot skyward.

In an instant, it shrouded the entire Falling Sky Valley. It was as if a Lord Demon from Hell had descended. A blood-colored light flashed through the entire void. Under the supreme force of a Yang Lord, everyone present started to shudder violently as their pupils constricted.

At that moment, the Full Moon Peak's Xuanyuan Yi, the various senior disciples, and the wardens of the Hall of Justice were completely stunned. They stared at Ye Qingtang in disbelief.

"Yang... Yang... Yang... Yang Lord...?!"

One of the wardens of the Hall of Justice felt that the earth had split and that the sky had fallen. It was like the end of the world.

He had actually tried to capture a... Yang Lord...

No one had taken any notice of Ye Qingtang. They had just assumed that this girl was an ordinary disciple of the Falling Sky Valley. However, at that moment, they all realized that this beautiful girl was... an invincible Yang Lord!

Chapter 1074 Miss Ye

At that moment, the wardens of the Hall of Justice in the Falling Sky Valley were all stunned. They stared at Ye Qingtang in disbelief.

Why would a formidable Yang Lord, who was invincible in this mainland, appear in their Falling Sky Valley?!

Ye Qingtang's bland gaze passed over the wardens of the Hall of Justice. Without another word, she struck out with her palm!

The power of a Yang Lord instantly filled the entire area. The bodies of the wardens of the Hall of Justice instantly transformed into mists of blood and vanished from this earth.

Everyone was shocked and struck dumb when they saw a Yang Lord strike and swiftly kill the wardens of the Hall of Justice.

The next second, Ye Qingtang's gaze fell on Xuanyuan Lie.

This person had tried to kill her outside the Falling Sky Valley. Now that Ye Qingtang had returned, she certainly would not let him off.

With just one look, Xuanyuan Lie's eyes, ears, and nose started to bleed. Under the oppression of Ye Qingtang's Yang Lord force, he died almost instantly.

"This..."

Ji Yixuan looked at Ye Qingtang in shock. His lips moved slightly as if he had forgotten how to think.

Even Yan Shu had not expected Ye Qingtang to kill so decisively. Even Xuanyuan Lie had not been able to escape...

"Greetings Yang Lord... I did not recognize the Yang Lord just now. Please forgive me..."

Ji Yixuan bowed to Ye Qingtang.

Ye Qingtang looked at the Ji Yixuan, who was terrified and trembling. She gestured at him so that he would not stand on ceremony.

By her reckoning, Ye Qingtang had already saved Ji Yixuan twice, including the time in the Formidable Heavens Dynasty.

Truly, she and Ji Yixuan were "fated" ...

At that moment, Ji Yixuan was studying Ye Qingtang closely.

However, upon closer inspection, Ji Yixuan's expression became increasingly peculiar.

Why... did this Yang Lord seem so familiar?

He felt that he had seen her somewhere before...

Ji Yixuan involuntarily searched his mind, and after a moment, he suddenly seemed to recall something. His pupils constricted violently. "You are... Miss Ye?!"

Ye Qingtang could not help but laugh softly when she saw sudden realization dawn on Ji Yixuan.

He finally remembered who she was.

Yan Shu's expression was rather strange as he watched this scene between Ji Yixuan and Ye Qingtang.

Could it be that Ji Yixuan knew this Yang Lord?

Although Ye Qingtang did not admit it, her smile clearly showed that Ji Yixuan's guess was correct.

Ji Yixuan was highly agitated and could not calm down. In the Formidable Heavens Dynasty, Ye Qingtang had rescued him from the hands of the Yunxiao Sect Master's disciples...

Ji Yixuan remembered that Ye Qingtang was an ordinary disciple of a sect named Xuanling Sect in the Formidable Heavens Dynasty. Within the short span of half a year, she had appeared again as an invincible Yang Lord!

“I have some matters to discuss with Perfected Xuanchen, so I shall bid you farewell.” Ye Qingtang looked at Yan Shu and Ji Yixuan. With that, she vanished on the spot.

At that moment, in the great hall, Perfected Xuanchen was facing pressure from the Full Moon Peak Master and the other two major Peak Masters. He was enraged but helpless.

“Hmph, Perfected Xuanchen, as Valley Master of Falling Sky Valley, you have allowed your disciple to act wildly and offended the disciples of the Peerless School. This matter is closely related to you. Now, you should hand Ye Chen over or give up your position as Valley Master!”

Full Moon Peak Master, Xuanyuan Yi looked at the silent Perfected Xuanchen and spoke coldly.

The Masters of the other two major peaks, Cut Water Peak and Blue Cloud Peak, immediately spoke up to agree.

“Haha, Perfected Xuanchen, I can tell that you have reached the end of your time as Valley Master of Falling Sky Valley. Within three days, you must hand Ye Chen over to the Peerless School; otherwise, you will be responsible for the consequences!” The warden of the Peerless School shouted coldly.

“What arrogance.”

A cold shout suddenly reached everyone’s ears.

The next second, Ye Qingtang entered and swiftly stepped into the great hall.

When they saw Ye Qingtang’s sudden arrival, the three major Peak Masters and the warden of the Peerless School all frowned.

Why was this Yang Lord everywhere? These were the internal affairs of the Falling Sky Valley. What business was it of hers!

Chapter 1075 Ye Chen

“Haha, I’m afraid this is none of your business.”

The warden of the Peerless School looked at Ye Qingtang somewhat impatiently.

“Really...”

The corners of Ye Qingtang’s mouth curved up slightly. She shielded her face with her sleeve. Within the span of ten breaths, her beautiful young girlish face quickly transformed into that of a handsome young man.

And this young man was the Ye Chen that they were looking for just now!

A half-smile hung on Ye Qingtang’s lips.

Her gaze passed over everyone as she said, “I’m Ye Chen... are you looking for me?”

“You... are Ye Chen?!”

Perfected Xuanchen stared at his own disciple, completely shocked and somewhat disbelieving

Ye Chen was actually a girl... and a Yang Lord?! How was that possible!

“You are Ye Chen!”

The Full Moon Peak Master, Xuanyuan Yi, looked at Ye Qingtang in shock and disbelief.

“Xuanyuan Yi, your grandson Xuanyuan Lie has already died. As a grandfather, aren’t you afraid that your grandson will be lonely? Shouldn’t you keep him company?” Ye Qingtang lifted her eyes slightly and glanced at the Full Moon Peak Master, Xuanyuan Yi, from the corners of her eyes.

“What did you say!”

Xuanyuan Yi’s expression was one of shock.

“Come here!” Ye Qingtang exclaimed.

A cold light suddenly flashed across Ye Qingtang’s smiling eyes. Without giving Xuanyuan Yi a chance to open his mouth, she suddenly grasped his neck and choked him.

At that moment, Xuanyuan Yi was in Ye Qingtang’s grasp and was unable to struggle. His body left the ground as Ye Qingtang lifted him up into the air.

“Have... have mercy...” Xuanyuan Yi’s face was flushed as he stared at Ye Qingtang in terror.

“Mercy?”

When she heard Xuanyuan Yi’s plea, the smile lurking at the corners of Ye Qingtang’s mouth seemed to deepen.

When she had left the Falling Sky Valley earlier, Xuanyuan Yi had continually pursued her. Had he shown any sign of mercy?!

“If you want mercy, you better ask for it in hell...” Ye Qingtang said blandly.

In the next second, there was a “snap”. Without giving Xuanyuan Yi a chance to speak, Ye Qingtang had swiftly twisted Xuanyuan Yi’s neck.

Ye Qingtang glanced at the lifeless Xuanyuan Yi and then casually threw the body at the feet of the warden from the Peerless School.

“You...”

The envoy from the Peerless School was both shocked and angry. He glared at Ye Qingtang.

“What’s the matter? Doesn’t your Peerless School want to capture and question me?” Ye Qingtang looked at the Peerless School warden. “I’m here now. Why don’t you act?” However, the Peerless School warden did not dare to say anything. He only clenched his fists, speechless.

Their pride in being a warden of the Peerless School made them unable to humble themselves. Although the person before him had injured disciples of the Peerless School, she was also a genuine Yang Lord...

If they started a fight with a Yang Lord as Ye Qingtang had suggested, their fate would probably be the same as that of the Full Moon Peak Master, Xuanyuan Yi...

"Ye Chen... We represent the Peerless School... you previously injured some disciples of the Peerless School. You should... give an account!" The warden of the Peerless School looked at Ye Qingtang and said.

"An account?" Ye Qingtang's gaze swept across the warden of the Peerless School. Her face showed no expression. "I have already given you an account. I am here now. You can act whenever you want."

"You..."

The Peerless School warden gritted his teeth in anger but was unable to argue.

"Ye Chen... it is true that you are a Yang Lord. But you are not showing the Peerless School any respect at all!" The Peerless School warden said.

Chapter 1076 Am I Afraid?

"Peerless School?" When she heard that, Ye Qingtang's eyelids drooped. The corners of her mouth curved in a small smile. "What about Peerless School? I don't even care about the Formidable Heavens Dynasty's Beiming Manor. There are two Beiming Manor Yang Lords out to kill me, but I have already killed one of them. I'm not even afraid of the Beiming Manor, so why should I be afraid of the Peerless School?"

"You... killed a Yang Lord from the Beiming Manor?!"

The Peerless School warden was taken aback by Ye Qingtang's words.

In this mainland, the three biggest powers each had four Yang Lords. This kept things in balance so that they were on equal footing. But if one of the powers lost a Yang Lord, then the balance of power among the three would be lost... Either the Peerless School or the Phantom Valley could attack the power that had lost a Yang Lord. The outcome of a fight between four Yang Lords and three Yang Lords could be imagined.

"I still have some internal matters to settle in the Falling Sky Valley today. I don't have time to bandy words with you. Scram!" The warmth in Ye Qingtang's eyes had swiftly faded.

The warden of the Peerless School just needed to bring back the news that the Beiming Manor had lost a Yang Lord.

"Humph!"

The Peerless School warden scoffed coldly. He immediately rose and led the Peerless School disciples out of the great hall and into the Falling Sky Valley without a backward glance.

As the Peerless School warden left, Ye Qingtang's gaze fell on the two Peak Masters of Cut Water Peak and Blue Cloud Peak.

ers

At that moment, the two Peak Masters were struck dumb. They did not even dare to breathe loudly.

Who would have thought that Perfected Xuanchen's disciple, Ye Chen, had now... appeared in the Falling Sky Valley as a Yang Lord? If they had known about this, they would never have dared to collude with Full Moon Peak.

"From now on, you are stripped of your positions as Masters of Blue Cloud Peak and Cut Water Peak. You are expelled from Falling Sky Valley." Ye Qingtang looked at them and said calmly.

"You... why..."

The two of them were shocked.

"Why?" Ye Qingtang's expression seemed imbued with a trace of bone-chilling frost. Her gaze swept over them inch by inch. "You colluded with the Full Moon Peak to do such underhanded things. Have you forgotten about them? You have better vanish forever from my sight before I change my mind. I won't repeat myself."

When they heard Ye Qingtang's words, the Blue Cloud Peak and Cut Water Peak Masters were so frightened that they were soaked in cold sweat. They did not dare to speak anymore and immediately got up. They only wished they had been born with a few more legs. They swiftly fled and vanished without a trace.

It was all too easy for a Yang Lord to kill martial cultivators of their level. With just a thought, they could be smashed into smithereens and transformed into nothingness.

As she looked at the two of them flee, Ye Qingtang resumed her original appearance. She looked at the shocked Perfected Xuanchen, and the sharp look in her eyes completely faded and was replaced with gentle

amusement. "Master, are you pleased with this conclusion?"

"Are you... really Ye Chen?!"

Perfected Xuanchen felt as if he was in a dream. He could not imagine how Ye Chen, who was clearly a male, could now become a female, especially one with terrifying powers of the cultivation of a Yang Lord...

"Master, I was originally a girl, but when I first came to Falling Sky Valley, I had no choice but to present myself to others as Ye Chen," explained Ye Qingtang.

"I see..."

When Perfected Xuanchen heard Ye Qingtang's explanation, he realized that Ye Chen was Ye Qingtang's false name.

"So... What is your real name?" Perfected Xuanchen asked Ye Qingtang.

"Ye Qingtang." She answered honestly.

Chapter 1077 The Old Valley Master

"Ye Qingtang... the girl who obtained the Fiendcelestial Beast cub... in the Hell of Avicinaraka?" Perfected Xuanchen was shocked.

“Yes.” Ye Qingtang nodded.

“In that case, I understand...” Perfected Xuanchen nodded.

Ye Qingtang had obtained a young Fiendcelestial Beast in the Hell of Avicinaraka. This news had spread throughout this mainland. If Ye Qingtang had not disguised herself and completely changed her appearance, she would not have lived until today.

However, before Perfected Xuanchen could continue speaking, exclamations could be heard from outside the great hall.

Ye Qingtang and Perfected Xuanchen immediately walked out of the great hall together.

Outside the great hall stood a white-robed old man. On the ground lay dozens of corpses.

One of the corpses was the Peerless School warden. The Peak Masters of Cut Water Peak and Blue Cloud Peak were also there.

Perfected Xuanchen looked in surprise at the white-robed old man who was standing nearby. “Old Valley Master... you...”

“Old Valley Master?”

Ye Qingtang looked thoughtful when she heard Perfected Xuanchen’s words.

Previously, in the Formidable Heavens Dynasty, it seemed that Ji Yixuan was looking for the Regeneration Stone to allow the Old Valley Master to continue living... and the Old Valley Master had been seriously injured by the Peerless School Warden.

Perfected Xuanchen looked in shock at the old man who was standing nearby. Although the Old Valley Master had obtained the Regeneration Stone and managed to survive, he had not been able to recover from his severe injuries and had been recuperating behind closed doors. What had caused him to leave his seclusion to return to the Falling Sky Valley?

“Old Valley Master, are your injuries better?” Perfected Xuanchen asked the old man.

When she saw that Perfected Xuanchen was about to walk over to the old man, Ye Qingtang caught hold of him.

This old man’s aura was rather peculiar, and the bodies on the ground were inexplicable.

Ye Qingtang looked at the Old Valley Master pointedly and said, “Old Valley Master... did you kill the Peerless School warden and these other people?”

“Old Valley Master killed them!” One of the Falling Sky Valley disciples hurriedly nodded.

The Old Valley Master looked at Ye Qingtang and studied her for a moment before a strange smile lit his face. “Peak of the Seventh Heaven of Yin Yang Perfected Lord... Not bad, not bad at all.”

After he had spoken, the old man ignored Ye Qingtang and the others. A pitch-black pearl surfaced on his brow.

Under the glow from the black pearl on the old man's brow, the Peerless School warden and the dozens of other corpses transformed into black mist and instantly rushed into the black pearl.

"This..."

When Perfected Xuanchen saw the Old Valley Master's appearance, he was shocked and was somewhat disbelieving. The Old Valley Master looked like he had suffered from Qi Deviation during his recuperation or had cultivated some kind of sinister power...

However, the Old Valley Master ignored Perfected Xuanchen. He looked towards the void and sighed softly. "Um... time is running out..."

"Time is running out?" Perfected Xuanchen was taken aback when he heard that. He involuntarily asked, "In what way are you short of time?"

Ye Qingtang followed the Old Valley Master's gaze, and after a moment, she also frowned slightly.

The Old Valley Master was studying the area in which the Dimension Wall had been smashed... as if the Old Valley Master knew something.

"You, come here."

The Old Valley Master gestured slightly with his right arm. The Peak Masters of the other twelve peaks instantly had their necks broken by the Old Valley Master.

The next moment, the ground was littered with numerous corpses.

Chapter 1078 The Conspiracy

"Old Valley Master, what are you doing?!"

Perfected Xuanchen was completely dumbfounded upon witnessing the situation. His face was full of disbelief.

The old Valley Master killed a few Peak Masters instantly.

"Master, don't go."

Ye Qingtang stretched her hand out and pulled Perfected Xuanchen back to prevent him from getting near the old Valley Master.

"Qingtang, did the old Valley Master enter the Qi Deviation during his treatment!" Perfected Xuanchen looked towards Ye Qingtang immediately.

Ye Qingtang squinted her eyes and scanned through the elder in front of her.

Ye Qingtang pulled back her sight and shook her head towards Perfected Xuanchen. She frowned and said, "Master, I don't think that the old Valley Master... entered the Qi Deviation."

When a cultivator entered the Qi Deviation, his own injuries would only get worse. However, based on the old Valley Master's current situation, he was full of energy and vitality with no trace of injury at all.

Furthermore, if a cultivator entered the Qi Deviation, his martial ability would not increase exponentially. The aura that the old Valley Master revealed just now let Ye Qingtang feel threatened as well...

According to her knowledge, the old Valley Master's martial ability was just a normal Yang Lord at his peak time.

"Not the Qi Deviation..." Perfected Xuanchen was shocked. If it was not because of the Qi Deviation, what made the old Valley Master like that now?!

The few Peak Masters' corpses turned into a ball of black fog under the influence of the black pearl at his glabella and were absorbed by the pearl.

"This is weird... Why is the Dimension Wall broken..." The old Valley Master murmured to himself after absorbing the bodies of the few Peak Master.

The old Valley Master's murmur entered Ye Qingtang's ears.

At the same time, a black glint radiated out from the old Valley Master's glabella and surrounded the enter Nine Nights Dynasty.

"It should be enough to use all living creatures in the Nine Nights Dynasty as the price..." The old Valley Master said softly.

Everyone in the Falling Sky Valley froze on the spot and could not believe what was happening.

The black light contained unimaginable power that could destroy everything.

"Come here."

The old Valley Master looked at some senior members and disciples of the Falling Sky Valley and smiled. In the next second, everyone was killed with his invisible power. "Stop!" Perfected Xuanchen shouted.

The old Valley Master sized up Perfected Xuanchen.

"Old Valley Master, what... what are you doing?!" Perfected Xuanchen's voice quivered.

The old Valley Master laughed softly and said, "Xuanchen, you're my favorite person in the entire Falling Sky Valley... If not, I would not ask you to replace the position as the Valley Master back then. However, I'm back now, and you should die in honor."

The old Valley Master lifted his arm and tried to grab Perfected Xuanchen after he finished his words.

Ye Qingtang immediately blocked Perfected Xuanchen, and her divine power of a Yang Lord exploded out from her body to suppress the old Valley Master's terrifying power.

"Hehe... A Yang Lord at such a young age... You're quite extraordinary, even at my age. However, you don't need to rush. It'll be your turn after I kill everyone else." The old Valley Master looked at Ye Qingtang and smiled.

"Your age..." Ye Qingtang frowned slightly when she heard the old Valley Master's words. He was not as simple as how he appeared...

Chapter 1079 Ten Thousand Years

“Old Valley Master of the Falling Sky Valley... what’s the relationship between you and the extraordinary lady?” Ye Qingtang stared at the old Valley Master and contemplated.

“The extraordinary lady?” The old Valley Master was slightly stunned after hearing Ye Qingtang’s words.

“The extraordinary lady who used her Spiritual Abode to create this mainland,” Ye Qingtang said coldly.

The old Valley Master was taken aback and stared at Ye Qingtang in surprise.

After a while, the old Valley Master said, “How did you know about that?”

“You don’t need to know about that.” Ye Qingtang replied coldly.

The old Valley Master’s response proved that Ye Qingtang’s guess was correct. The old Valley Master must be related to the extraordinary lady who created the mainland.

“You know quite a lot based on your age. The extraordinary lady you mentioned... was regarded as a God by us. After she came to the mainland, she led us to the magnificent martial civilization... She used her own Spiritual Abode to create the land for us...”

The elder was immersed in deep thought as if he had returned to that age.

“However, things did not go well... Her divine power was used up as she lost her Spiritual Abode... However, without her divine power, she still enjoyed our worship and respect... She really treated herself as a God... How funny was that hahaha...” The old Valley Master’s expression was getting a little insane.

W

Ye Qingtang was slightly stunned after hearing his explanation. The extraordinary lady had passed away around ten thousand years ago. According to the old Valley Master’s words, it seemed that he lived in the same age as the extraordinary lady and had even served her before...

Perfected Xuanchen and the rest all froze, stunned. None of them could understand the conversation between the old Valley Master and Ye Qingtang... Who was the extraordinary lady, what Spiritual Abode, God were they talking about...

Ye Qingtang looked at the old Valley Master coldly and said, “The extraordinary lady had passed away for around ten thousand years. It seemed that you lived in the same age as her.” “Hahaha... Young girl, you’re very clever. No wonder you can become a Yang Lord at your age... I have lived for more than ten thousand years... I was the first Sect Master of Yunxiao Sect, and I created the Falling Sky Valley. I always change my identity every few hundred or thousand years.”

Ye Qingtang’s expression changed slightly as well after the old Valley Master finished his words.

The person in front of her... really had lived for ten thousand years!

“What a pity... there isn’t enough spirit energy on this mainland. Furthermore, the extraordinary lady you mentioned used her remaining divine power as a curse to build the Dimension Wall after she passed away. The Dimension Wall could shield any outsiders and also prevent us from leaving this mainland... If

not, I believe some of us would have become Emperor-level figures...” The old Valley Master sighed softly and helplessly.

Ye Qingtang did not know about the curse from the little white tiger.

Even the little white tiger might not know about that.

The old Valley Master was right. If it was not due to the power of the curse that prevented the group of ancient people from leaving the mainland, they all had the chance to become Emperor-level figures after living for ten thousand years...

“You... How did you manage to live so long...” Ye Qingtang frowned and asked.

Chapter 1080 Eternity is Solitary (1)

He had been living for more than ten thousand years. What kind of concept was that?!

Any cultivator who could live for ten thousand years could become an extremely powerful figure in the world. It was not impossible to even become an Emperor-level figure.

However, it was extremely difficult to live for ten thousand years.

Ye Qingtang stared at the old Valley Master in front of her and could not figure out how he managed to live for so long.

The old Valley Master heard the number and was embedded in memories. It seemed like he was trying to chase his past.

“Ten thousand years...” The old Valley Master sighed after a long while.

“I have lived... for too long. I almost forget about it...”

The old Valley Master swept his eyes across Ye Qingtang. He shook his head slightly and sighed.

nsu

“The ancient people consumed the extraordinary lady’s body parts after killing her... I ate her heart... And I have no idea why her heart can give me eternal life...”

The old Valley Master did not avoid talking about the things that happened ten thousand years ago. However, when he mentioned about consuming the body parts, an unusual look appeared in his eyes.

“I see...” Ye Qingtang frowned.

The extraordinary lady ten thousand years ago was really close to a god...

No one would expect that her heart would give eternal life.

However...

The extraordinary lady was too merciful. If not, she would not end up with such a consequence.

She sacrificed everything she had and nurtured a batch of ungrateful people.

“Hehe... I have not been saying these things for a long period of time... Not many from my age are still alive now...” The old Valley Master looked at Ye Qingtang and smiled as he shook his head.

Ye Qingtang stared at the old Valley Master. She could feel a sense of sadness and hopelessness in his eyes when he talked about these things.

However, the expression disappeared after a second. It was hard to catch that if she did not pay attention.

Ye Qingtang understood the whole image from the old Valley Master’s words.

The old Valley Master of Falling Sky Valley should be an ancient person from ten thousand years ago.

After killing the extraordinary lady, the old Valley Master ate her heart and had eternal life. However, the curse left by the extraordinary lady prevented the ancient people of that age from leaving this mainland.

The only way to break the curse was to get the extraordinary lady’s Spiritual Abode.

If the old Valley Master got his hand on the Spiritual Abode, he could break the curse and leave the mainland.

As long as he was able to leave the mainland, his power would increase exponentially with his ten thousand years of life...

The old Valley Master looked around, and a trace of hesitation appeared in his eyes. However, the hesitation disappeared immediately.

The old Valley Master raised his hand in the next second. A black glint exploded from the black pearl at his glabella and turned all corpses into black fog.

“Old Valley Master... What do you want!”

Perfected Xuanchen stared at the old Valley Master and shouted. An ominous feeling arose in his heart.
