

Chapter 1091 Obsession (3)

However, a black destructive force shot out from Demon Lord Luo Xue's third demon eye.

In a split second, the destructive light pierced through those hidden clan figures who were escaping in a flurry, and they exploded into a bloody fog.

All of the ancient clan powerful figures present at the scene died.

After killing the ancient clan figures, Demon Lord Luo Xue gazed down at Falling Sky Valley. A glint flashed across his demon eyes as he opened his mouth to condense a black flame that was enough to destroy the entire Falling Sky Valley.

"Old Valley Master...!"

Perfected Xuanchen fell on his knees immediately, and tears streamed down his cheeks as he looked at Demon Lord Luo Xue.

A complicated expression emerged in Demon Lord Luo Xue's demon eye, and the black flame ultimately dispersed.

Just like that, Demon Lord Luo Xue flapped his wings and circled above Falling Sky Valley before looking at You Yun and flying toward her.

However, he stopped a few meters away from You Yun and did not dare to get close to her. All he did was watch her silently from nearby. One could faintly notice his confusion and struggle.

"Old friend... Let go... It's time to wake up from this dream..."

The Regicide Sky Blade sighed softly.

Persuading Demon Lord Luo Xue to part from You Yun... Perhaps only the Regicide Sky Blade itself knew how helpless it was.

Soon, it was already nightfall.

The force of the Heavenly Tribulation eventually faded. Bright stars dotted the sky.

The moonlight penetrated through the clouds and lit Falling Sky Valley up.

Demon Lord Luo Xue looked at You Yun without moving, fearful that he would disturb this lady, though he made a soft sound every now and then.

"He... can't hold on any longer..."

Ye Qingtang felt a bitter feeling as she looked at Demon Lord Luo Xue, who was standing a distance away from You Yun.

"Woo..."

Demon Lord Luo Xue made a soft noise once again as he looked at You Yun.

Ultimately, Demon Lord Luo Xue eventually finished burning the vitality in his body. That extremely big and tall frame fell from the sky, and his enormous wings no longer had the energy to flap.

This descent, intentionally or unintentionally, landed beside You Yun.

Laying on the cold ground, Demon Lord Luo Xue looked at the lady and opened his mouth, seeming to wish to say something, but he eventually did not utter a word.

Just as the misery of Divine King Luo Xue previously, she could no longer hear his voice.

Demon Lord Luo Xue stretched his demon palm out, wanting to touch You Yun.

“I... heard... your... voice...”

Suddenly, what shocked everyone was that You Yun seemed to have gained consciousness, and she looked at Demon Lord Luo Xue, who was sinking into death.

You Yun appeared bemused as she walked to Demon Lord Luo Xue and sat beside him.

“Why are you... so sorrowful... Are you very sad... But why is my heart aching so badly... Have we met... Where was it...” As You Yun spoke, her face was streaked with tears, though she was still as stunning and never aged.

Ye Qingtang looked at You Yun, the extraordinary lady from ten thousand years ago, in astonishment

It was clearly just a conception of her obsession, but it actually... had its own consciousness... Was this... a trace of divinity?!

At this moment, Demon Lord Luo Xue let out a grief-stricken cry. The vitality in his body was completely burned out, and the pain tortured him like no tomorrow.

Ye Qingtang did not know what kind of power allowed Demon Lord Luo Xue to hold on, but this was too cruel to him. Every time he breathed, it was the most miserable torture on earth...

Chapter 1092 Obsession (4)

“Old Valley Master... Don’t... suffer anymore... Old Valley Master!”

Tears raced down Perfected Xuanchen’s cheeks, and he kneeled and bowed to Demon Lord Luo Xue.

“Old... Old Valley Master!”

Falling Sky Valley’s disciples, Peak Masters, and senior executives burst into tears, and they bowed to Demon Lord Luo Xue as well.

At this moment, Demon Lord Luo Xue was still persevering. He stretched his demon hand out and gently wiped the lady’s tears away. However, his demon hand passed through the lady’s body and could not hold onto her.

“Woo...”

Demon Lord Luo Xue sobbed softly.

Looking at this couple who had been separated for ten thousand years, Ye Qingtang looked down, and her heart weighed down as well.

In both lives, she did not know what love was, but what she witnessed today made her feel that love was deep and impactful...

At this moment, You Yun finally heard Demon Lord Luo Xue's voice.

However, Demon Lord Luo Xue could no longer speak and could only make soft whimpers like a wild beast. It was just that his demon eye seemed to want to say something.

"Old friend... Stop persevering already... Take it as I'm... begging you..." the Regicide Sky Blade said in a complicated tone.

Currently, probably no one other than Demon Lord Luo Xue and the Regicide Sky Blade knew the intensity of the pain that Demon Lord Luo Xue was bearing.

"She has already heard you... seen you... and known you..." Ye Qingtang said softly as she looked at Demon Lord Luo Xue.

Every breath that Divine King Luo Xue took was an excruciating torture. Without vitality, the torture was not just limited to his body but more so a misery from the soul.

In her previous life, Ye Qingtang had admiration for the Divine King Luo Xue, who was documented in the historical records. Today, she met him and even learned of the deep love between him and You Yun. Looking at how Divine King Luo Xue refused to give up and rather bear the agonizing pain, Ye Qingtang eventually could not hold back and said, "Divine King Luo Xue, she is already dead... don't obsess anymore..."

If You Yun were still alive, she probably would not be willing to see Divine King Luo Xue go through such torture.

Divine King Luo Xue had never betrayed You Yun.

Ye Qingtang's voice repeated in Demon Lord Luo Xue's mind over and over again.

"Woo..."

Demon Lord Luo Xue looked up at a bright star in the sky, but a woeful cry escaped him...

The day was replaced by night. As Demon Lord Luo Xue looked at the lady who gradually disappeared, he was in a state of calmness.

His demon eye was blurry while his demon palm was still up in the air, wanting to hold onto something which no longer existed.

"My heart... is aching so badly..."

Before You Yun disappeared completely, this sentence resounded for a long time.

Demon Lord Luo Xue's raised arms finally fell down powerlessly at this moment.

Ten thousand years ago, the man sat before a little tree for god knows how many years as he waited for the little tree to grow into a towering tree, for his jet-black hair to turn snow-white.

The man stood up slowly and buried all his love into the soil. From then on, he no longer mentioned it and sealed all of himself in this place.

Between the mountains and clouds.

That year, the flowers were in full bloom, and the forest was filled with the pleasant scent of flowers.

Birds chirped in harmony. The sunlight was just right.

Under the brilliant sunlight, the lady looked at him with certainty and declared that he would be hers.

The man's white shirt blew in the wind. He looked at the lady in confusion, subsequently shook his head, and left.

However, as the man turned around and left, his lips tugged up unknowingly. His heart that had been sealed for a long time, perhaps unbeknown to even himself, was melted by that lady's bright smile.

"I am You Yun..."

"I am Luo Xue..."

Chapter 1093 Reincarnation of the Spiritual Abode (1)

The stars shone brightly in the night sky.

Demon Lord Luo Xue was sprawled on the ground

Ten thousand years of waiting and persistence. He used his last trace of obsession to persist to the very last moment.

Yet at this moment...

He eventually died.

Boom, boom!!

As Demon Lord Luo Xue died, this mainland's Dimension Wall exploded into a million pieces instantly.

The last line of defense that protected this mainland was broken just like that.

Looking at the breathless Demon Lord Luo Xue, the entire Falling Sky Valley masses were extremely downcast.

The old Valley Master who built Falling Sky Valley by himself passed away right before their eyes...

"Look!"

Just as everyone was grief-stricken, a Peak Master suddenly pointed at Demon Lord Luo Xue's body and shouted.

Upon hearing that, everyone's eyes instantly landed on Demon Lord Luo Xue.

Ye Qingtang looked over as well.

This glance stunned Ye Qingtang.

Demon Lord Luo Xue's fallen body suddenly turned into a streak of black fog and penetrated into the ground. At the same time, a blinding white light erupted from the extraordinary lady's heart in Demon Lord Luo Xue's body.

Before Ye Qingtang's shocked watch, a giant tree and vines sprouted up from the ground, but it became calm very quickly again.

High up in the giant tree and above the vines were two fruits.

Ye Qingtang's eyes were popped wide open.

Those two fruits actually gradually grew into two babies before their naked eyes!

Everyone in Falling Sky Valley looked in astonishment at the two babies that formed on the tree. Disbelief filled everyone.

Instinctively, Ye Qingtang took a step forward and looked at the two babies on the tree.

Those two babies—one boy and one girl—had exquisitely-carved features, and their eyes were shut gently.

Ye Qingtang glanced at them only to realize that those two babies actually looked similar to Demon Lord Luo Xue and the extraordinary lady.

“Reincarnation of the Spiritual Abode?!”

Ye Qingtang mumbled almost instinctive as astonishment emerged in her eyes.

The baby girl's body was crystal clear and had a heavy Spiritual Abode aura while the baby boy had an overwhelming demon aura.

In her previous life, after Ye Qingtang became a Holy Venerate, she happened to know a method that could allow a powerful figure to be reincarnated.

It was called the Reincarnation of the Spiritual Abode.

This method required a powerful Spiritual Abode to work.

The supposed source of the Spiritual Abode's energy was the extraordinary lady's heart. If this heart was broken, this mainland would no longer exist.

However, because of Demon Lord Luo Xue, the extraordinary lady's heart was kept and stored away.

Now, the two of them turned into two fruits on a tree and then turned into humans...

Just as Ye Qingtang was caught in a trance, the baby boy on the tree suddenly opened his eyes. Seeming to not notice his surroundings, he immediately looked at the baby girl the first moment he opened his eyes, and his delicate little mouth suddenly opened.

“E-I...”

The baby boy seemed to be laughing as his big, bright eyes looked at the baby girl.

The baby girl seemed to sense something, and her tightly-shut eyes opened slowly and looked in the direction of that baby boy.

“You Yun... Demon Lord Luo Xue...”

Ye Qingtang looked up at the two babies with a complicated expression.

Chapter 1094 Reincarnation of the Spiritual Abode (2)

Ye Qingtang was unsure whether this baby girl and baby boy were You Yun and Demon Lord Luo Xue. It was just that these two babies looked too similar to both of them.

Logically speaking, You Yun had died too long ago, and although her heart was stored, it should not be able to allow her to be reborn as a human...

However, You Yun’s Spiritual Abode was already different from that from ordinary people, and it was unknown if there were any unexpected occurrences.

No one could be sure of what was happening exactly.

Even Ye Qingtang could not be certain of the reason behind this abnormal situation before their eyes.

Just as Ye Qingtang was observing the two babies, the Falling Sky Valley masses seem to also be looking at the two babies carefully.

After seeing the face of that baby boy, one of the dejected Peak Masters suddenly broke out into a smile as though he found a straw to clutch at. He wiped his tears away and pointed at the baby boy.

“Look! This little boy looks so similar to old Valley Master! He must be the reincarnation of the old Valley Master. There’s no wrong in this... Quickly look...”

“That’s right! That must be the case!” Another Falling Sky Valley Peak Master immediately suppressed his agony and nodded repeatedly. “I’ve already heard enough to understand just now. Our Falling Sky Valley’s old Valley Master is Divine King Luo Xue from ten thousand years ago. For someone who is known as half a God, it is nothing for him to be reincarnated after death!”

Demon Lord Luo Xue built Falling Sky Valley all by himself and was kind and magnanimous to everyone in Falling Sky Valley.

Regardless of the internal strife within Falling Sky Valley, the old Valley Master was always the icon of respect for every Peak Master.

As the Peak Masters stepped forward successively and looked at the baby boy, anticipatory comments could be heard.

It was as though they had already firmly believed that the baby boy was none other than Demon Lord Luo Xue, who died a while ago.

At this instant, the birth of the two babies in Falling Sky Valley swept the despair away

No matter the Peak Masters or disciples, everyone's attention was attracted by the babies, which hung on the enormous tree, and they seemed to be influenced by the pure, genuine smiles of the babies.

"What should we do... The two kids can't possibly be hung on the tree..."

Perfected Xuanchen frowned slightly, and he instinctively looked at Ye Qingtang.

After going through this saga, the entire Falling Sky Valley had viewed the Yang Lord Ye Qingtang as the backbone of Falling Sky Valley, and everyone instinctively sought for her opinion.

Nonetheless, Ye Qingtang had never encountered such a situation before and could not make the most accurate judgment in a short time.

"We'll wait and see," After a long while, Ye Qingtang said cautiously. "Since they are born on this tree and are so young right now, we cannot be sure if they will be injured if they are forcefully detached from this tree."

Although Ye Qingtang was unaware of this enigma, she somehow felt that the two babies should be absorbing the nutrients of the giant

tree. Everyone nodded upon hearing her.

Perhaps because they felt that the baby boy was the reincarnation of Demon Lord Luo Xue, the Falling Sky Valley masses looked slightly more relieved.

Only Ye Qingtang was still frowning deeply and showed no signs of relaxation.

Just as everyone heaved a sigh of relief...

A wild gust of wind kicked up out of a sudden!

The endless wild wind seemed to want to tear everything in the world into pieces, and a piercing sound rang in the surroundings.

At the same time, a pair of blood-colored eyes seemed to replace the moon as it looked down at Falling Sky Valley.

A boundless and enormous force enshrouded everything that existed.

Chapter 1095 Reincarnation of the Spiritual Abode (3)

"What is that thing!"

Everyone in Falling Sky Valley was appalled by the situation as they looked in disbelief. An eye that was actually as huge as the moon appeared in the sky by itself?!

"It's still here..."

Ye Qingtang looked at that blood-colored eye with a frown and sighed softly.

The Dimension Wall was the extraordinary lady's last protection for this mainland. A portion of it was already broken previously and currently...

As the Dimension Wall was completely broken, the ancient clan of that extraordinary lady might have found this place already.

Ten thousand years ago, the extraordinary lady almost became a God and possessed powers that surpassed the scope of this world. Similarly, that ancient clan was extremely powerful ten thousand years ago as well.

However, ten thousand years later today, the martial culture was backward and could not be compared to its initial years, and that ancient clan no longer had any Gods.

Yet, now that this mainland's Dimension Wall was broken, they naturally desired to take the extraordinary lady's Spiritual Abode away as it could raise the powers of their entire ancient clan by more than ten times...

A thousand miles away from this mainland.

Thousands of battleships above an ancient river were set on sail towards the mainland

Enormous demonic beasts pulled countless huge carriages in the air and led the battleships.

"Ha... Finally found it..."

A fuzzy voice sounded in the air.

"The energy source of the Spiritual Abode turned into a baby girl... We just need to... obtain the baby girl and destroy the entire mainland."

"We also need to be careful. That mainland was once cursed by You Yun... Its spirit energy is extremely thin. When we reach that mainland, our martial skill will also be suppressed to the peak of the Yang Lord realm."

"Haha... That is why this will be an interesting war..."

In Falling Sky Valley, Ye Qingtang wore a serious expression.

This day still came in the end...

An unprecedented calamity would eventually befall on this mainland.

At this instant, the Peerless School wardens who were previously killed and then revived by Demon Lord Luo Xue looked at the blood-colored eye in the sky. Seeming to sense something, their expression changed instantly, and they left with the Peerless School disciples.

On the other hand, the Falling Sky Valley masses were in a panic.

In the next few days, there was no longer any movement in that huge tree.

However, the baby boy and the baby girl grew rapidly at an observable speed.

In a few days, the two babies who were just newborns had already grown into children that were two to three years old.

The unusual phenomenon in the sky created a paranoid atmosphere.

Perfected Xuanchen gave an order that forbade anyone from going near the giant tree and the two babies.

Ye Qingtang was the only exception. In the deep night, Ye Qingtang stood beside the giant tree and inspected the young boy and girl.

“E-I...”

The boy’s clear eyes made eye contact with Ye Qingtang, and he subsequently stretched his hands out towards Ye Qingtang.

As she looked at the tiny hands that were stretched out towards herself, a warm smile spread across Ye Qingtang’s face. She slowly walked forward and held the boy’s hands gently.

The girl opened her beautiful, bright eyes and looked at Ye Qingtang and the boy curiously.

However, Ye Qingtang shuddered the moment she touched the boy, and the aura of a Yin Yang Perfected Lord Tenth Heaven instantly rushed into Ye Qingtang’s brain.

“This is...”

After sensing a Yin Yang Perfected Lord Tenth Heaven force, a strange sentiment struck Ye Qingtang

Chapter 1096 Plunder (1)

“I see...”

Ye Qingtang mumbled after a long while.

There was a trace of the aura of the Tenth Heaven of Yin Yang Perfected Lord left in the boy’s hand.

Based on the aura, Ye Qingtang discovered that there was a sealed vein deep in the dantian. It seemed like a huge iron door.

In order to enter the Ninth Heaven, or even the Tenth, one needed to open the iron door...

Ye Qingtang withdrew her hand after a long while. Her eyes were filled with complex emotions.

The aura of Tenth Heaven of Yin Yang Perfected Lord in the boy’s hand was exactly the same as the Luo Xue Demon King.

Ye Qingtang was very sure at this point that the boy was the Luo Xue Demon King that was dead. The girl should be the extraordinary lady You Yun.

“Mother...”

The boy was slightly grudging when Ye Qingtang pulled her hand back.

Ye Qingtang was stunned as the boy suddenly spoke. The baby just called her ‘mother?’

“E-I...”

The boy suddenly laughed as Ye Qingtang spoke.

Before Ye Qingtang could say anything, both the boy and the girl seemed to be tired. They closed their eyes and fell asleep.

Ye Qingtang felt even more complicated.

She just confirmed that the Luo Xue Demon King was reborn as the little boy, and the powerful person that she admired in her previous life just called her mother?!

Ye Qingtang suddenly did not know how to react. But soon, her emotions faded, and she looked up into the sky. The giant blood-red eye was still there in mid-air.

Based on her calculations, the invaders from the second mainland were going to be here soon...

Ye Qingtang frowned with a heavy heart.

Another two days had passed.

The peace in the Falling Sky Valley only remained for a few days and was broken again today.

The hidden ancient clan appeared in the sky again. A few powerful people of the ancient clan sparked as they saw the boy and the girl on the giant tree. All Peak Masters and disciples of Falling Sky Valley ran to the tree and protected the boy and the girl with their bodies.

One middle-aged man of the hidden ancient clan's sight landed on the two children. A strange glint appeared in his eyes.

"The boy should be the reincarnation of Luo Xue Demon King. The girl... should be where the power of the Spiritual Abode comes from. We can achieve anything if we can get the girl."

There were three Yin Yang Perfected Lords who were at the Tenth Heaven in the hidden ancient clan. All of them were killed by the Luo Xue Demon King. Now, there were no more Tenth Heaven Yin Yang Perfected Lords in the ancient clan anymore.

As long as they could get the girl, besides the Tenth Heaven, they could even break the curse of the mainland.

If they could consume her body, they could even get immortal life...

Suddenly, the aura of Eighth Heaven Yin Yang Perfected Lord surrounded the entire Falling Sky Valley. Everyone's expression changed upon feeling the terrifying aura.

"We'll spare your life if you hand over the boy and the girl to us." One of the middle-aged men looked down at everyone in the Falling Sky Valley and said.

"Don't even think about it!"

One of the Peak Master shouted coldly.

They were very sure that the boy was the reincarnation of their old Valley Master.

Chapter 1097 Plunder (2)

They would never hand over the boy and the girl even if they had to die here today!

The few ancient clan people were a little surprised after hearing that.

Apparently, they did not expect that the people below dared to resist their orders!

Their faces immediately clouded.

They had never put people of the Falling Sky Valley in their eyes.

It was extremely easy to kill everyone in the valley.

However, the girl was very fragile.

They could kill everyone in the valley instantly. However, the force might hurt the girl as well. They could not afford the loss if the girl died here.

“You overestimated your capabilities.” A few ancient clan people landed and walked straight towards the huge tree.

“What do you want!” A few Peak Masters walked forward, trying to block them.

However, before they could get to the ancient clan people, they had to retreat under their aura. All the ancient clan people were Yang Lords. Normal people could never be able to fight them.

Perfected Xuanchen and the rest could not do anything in front of the ancient clan people even though they wanted to protect the two babies.

The boy seemed to feel the greedy sight of the ancient clan people. He suddenly landed onto the ground from the tree after staying on the tree for the past few days.

When he was falling, he hugged the girl’s feet and dragged her down as well.

The moment the two of them landed, the boy pulled the confused girl towards somewhere safe.

“Oh...”

The few ancient clan people’s lips tugged up into an unknown smile, and their interest seemed to be aroused.

However, one of them stepped out and blocked the boy’s way.

The boy fell to the ground and moved back a few steps back.

The girl stared at the ancient clan figure with fear.

The boy rushed forward again. He stretched his hands and pulled the girl behind her.

“Hahaha, Luo Xue Demon King, how did you end up like this now... Interesting, this is very interesting.” The middle-aged man in the golden robe stared at the boy with interest and laughed. “However, Luo Xue Demon King... you don’t need to rush... After getting the woman’s Spiritual Abode, we will nurture you... You will be the most powerful killer of the hidden ancient clan. In the future, you’ll act according to our order and be a puppet... You’ll have no sorrow and anxiety...” The middle-aged man in the golden robe laughed again.

The boy was the reincarnation of Luo Xue Demon King and might even possess martial talent beyond the Luo Xue Demon King. If he could grow up, he would be a renowned supreme chief. The ancient clan would dare to attack the third domain with his help.

The girl shivered and hid behind the boy. Her eyes were filled with fear and anxiety.

“Listen to me and move now.”

The middle-aged man in the golden robe stared at the boy and smiled coldly.

However, the boy did not seem to hear his words as he had no intention to move.

“Humph, it seems like you don’t know what the right thing to do is!”

The smile on the middle-aged man in golden robe faded. His face was cold and expressionless.

Chapter 1098 Plunder (3)

The middle-aged man in the golden robe kneeled down and snapped the boy’s forehead with his finger.

The boy was pushed backward and fell to the ground.

The man in the golden robe scoffed and grabbed the girl.

“E-I...”

The boy got up suddenly and ran toward the man in golden robe. His eyes were red. He waved his little fist and punched towards the man’s leg

“Little bastard. No wonder you’re the reincarnation of the Luo Xue Demon Lord. Exactly like him.”

The man in the golden robe scoffed and kicked the boy away.

“I have to admit that the little bastard is indeed special. I don’t know how you magically grow on a tree after reincarnation... Your body is so strong without any cultivation at such a young age.” The man in the golden robe laughed coldly.

If he was a normal child, he would not be able to endure the man’s kick at all.

“Jin Gang, take the little bastard as well.” The man in the golden robe gave a command to a strong man behind him.

The strong man of the ancient clan nodded. He stepped forward and grabbed the boy’s hair to pull him up from the ground.

“What do you want! Let go of the two children!”

Perfected Xuanchen and a few Peak Masters walked forward and tried to stop the ancient clan people.

“A bunch of useless idiots!”

The golden-robed man shouted in rage. His strong martial aura suddenly flowed out. Perfected Xuanchen and the rest were forced backward by the aura.

“Humph, you’ll be dead now if there was no presence of the source of the Spiritual Abode here...” The man in the golden robe sneered.

Before Perfected Xuanchen and the rest could say anything, a red shadow suddenly flashed across the air.

Swoosh!

A scarlet gleam rushed into the sky as the sword slashed towards the man in the golden robe.

The man in the golden robe dodged backward when he sensed the threat.

However, the girl in his hand was grabbed away by the scarlet figure instantly.

The scarlet figure hugged the girl and smashed her other hand towards the strong man of the ancient clan at the same time.

The strong man was not able to dodge. He was hit by the hand directly, and the boy in his hand was taken away as well.

The figure then showed herself.

Ye Qingtang was dressed in red and hugged the girl and the boy. She looked towards the man in the golden robe and the rest coldly.

“Hidden ancient clan... How majestic... How dare you to bully two children here?!”

“Yang... Lord...”

The few ancient clan figures were a little surprised after sensing Ye Qingtang’s Yang Lord power. They did not expect that there was a Yang Lord in the negligible sect. Furthermore, she must be very powerful to be able to take the two children from their hands.

“E-I...”

The boy was delighted as Ye Qingtang appeared. He grabbed her right hand tightly.

“Be good...”

Ye Qingtang bent down and put down the girl. She handed over the girl to the boy and smiled. “Take care of her.”

“E-I...”

The boy’s eyes sparkled and nodded.

Ye Qingtang stood up. Her red clothes were swaying in the wind. She took a step forward and scanned through the ancient clan figures coldly. “You want to take the two of them away?”

Chapter 1099 I Will Certainly Protect You (1)

One of the ancient clan figures looked up at Ye Qingtang and scoffed. "It's not easy for you to become a Yang Lord. Leave right now. You do not want to be involved in this."

However, Ye Qingtang had no intention to leave at all. She stepped forward, and her eyes swept through everyone coldly.

Both the Luo Xue Divine King and the extraordinary lady had nothing to do with her previously.

However...

After witnessing everything that happened between the Luo Xue Divine King and You Ruo, she could not just stand at the side.

Ye Qingtang was reborn and went through two lives. She understood the kindness and hopelessness in the world. She only acted according to her heart.

She would definitely protect the two children!

"They're my son and daughter. What kind of relationship do I have with them?" Ye Qingtang showed no sense of fear even though she was facing a few Yang Lords alone.

"Your son and daughter?"

The few ancient clan figures looked at each other and laughed.

"The boy and the girl grew from the tree, and you're saying that they're your son and daughter?!" The man in the golden robe scorned.

Ye Qingtang's sight swept through the two children beside her. The boy called her 'mother' a few days ago.

She did not know how to react back then, but today...

She accepted that.

From today onwards, she would be their mother.

She would definitely protect them no matter what was going to happen ahead.

"Now I am," Ye Qingtang said indifferently.

"Oh..."

The eyes of the man in the golden robe darkened. "You're saying that you purposely want to go against the ancient clan now?"

Ye Qingtang did not want to find any trouble, but...

She was not afraid of anything!

At the same time in the Blood Moon Palace...

A blood-red robe was swaying along with the wind. The blood moon at the man's glabella spread its heretic power as the man opened his eyes slowly.

"Is it time for the decision?" The man mumbled softly.

"Lord... what are you going to do?" A young man's figure appeared.

"I have my decision." The Blood Moon Holy Lord waved his right arm and disappeared.

In the Falling Sky Valley...

Ye Qingtang was more determined against the few ancient clan figures. She showed no intention to retreat.

"Today, I'll certainly protect these two children," Ye Qingtang said coldly towards the golden-robed man.

His face darkened upon hearing her words.

The ancient clan was the ruler of the mainland. Though they remained hidden, their power was insurmountable.

"You're looking for your death here!"

The man in golden robe shouted. His martial power spread towards all directions instantly and surrounded the Falling Sky Valley.

Ye Qingtang did not even frown after sensing the power of the Yang Lord. She had nothing to be afraid of as long as they were not the Tenth Heaven Elders of the ancient clan.

Swoosh!

The golden-robed man pulled his sword out and slashed towards Ye Qingtang.

Ye Qingtang grabbed the boy and the girl immediately and stepped backward swiftly

A deafening sound exploded. As the sword glint flashed, the palace behind Ye Qingtang collapsed.

"All retreat first!"

Ye Qingtang glanced at everyone of the Falling Sky Valley and said.

The Falling Sky Valley's power was incomparable with the hidden ancient clan. The fight between Yang Lords could kill everyone of the Falling Sky Valley with just the aftershocks.

Chapter 1100 I Will Certainly Protect You (2)

Though everyone in the Falling Sky Valley was very anxious, they knew clearly that their abilities were incomparable with the ancient clan figures'. They could not do anything and had to retreat and keep a safe distance away from them.

The entire square was empty instantly.

After settling the two children, Ye Qingtang was ready to walk forward.

However, before she could walk out, the boy suddenly hugged her leg.

Ye Qingtang paused and looked down at the little figure who was hugging her leg.

The boy's eyes were filled with concern and anxiety. It seemed like he did not want Ye Qingtang to leave and hugged her leg even more tightly.

A smile filled Ye Qingtang's eyes as she saw the anxiety on the little boy's face.

She was never the target of concern in the past.

Before Ye Qingtang could ask the little boy to release his hand, the little girl, who was standing at the side, suddenly ran over and mimicked the boy's movement to hug Ye Qingtang's other leg.

Ye Qingtang suddenly did not know how to react as she stared at the two children who were hugging her legs and did not want her to leave.

Did the two little children really recognize her as their mother?

"Mo... mother... Scared..." The boy's eyes sparkled as he mumbled.

"Protect her. I will be back soon, okay?" Ye Qingtang looked at the boy kindly and gently touched his head.

"Yes..."

Though the child was not very willing to let go, eventually he nodded. He released Ye Qingtang and stood beside the girl.

Ye Qingtang stood up as the softness in her eyes was replaced by a trace of malice.

Ye Qingtang turned into a shadow instantly and disappeared.

The moment when Ye Qingtang left, one of the ancient clan figures suddenly appeared from a corner and came to the boy and the girl.

"E-I..."

A black glint exploded from the boy's eyes as he sensed the intention of the man. His body was filled with intense fiend aura.

The fiend aura was like a deep whirlpool that caused the ancient clan figure to retreat backward.

"Not bad..."

The ancient clan figure's eyes sparkled as he sensed the power of the fiend aura. The power of Yang Lord suddenly arose, and the fiend aura was dispersed. He stretched his hand towards the boy.

However, at the same time, a sword shadow suddenly flashed across together with a terrifying sword aura.

"Puff!" Before the ancient clan figure could understand the situation, his right arm was chopped off by the sword breath.

“Ah...”

The ancient clan figure screamed and stepped back.

The Heaven-level divine weapon, Regicide Sky Blade, landed from the air and pierced into the ground, in front of the boy and the girl.

“Divine King Luo Xue’s... Heaven level divine weapon, Regicide Sky Blade...” The ancient clan figure gritted his teeth as he stared at the sword. He tried to stop the bleeding of his arm and did not dare to get close.

Ye Qingtang did not leave the place as she planned to hide in the dark to see if anyone would sneak attack.

The result was as she had expected.

However... she did not expect that the Divine King Luo Xue’s Regicide Sky Blade would suddenly appear and protect the two children.
