

Chapter 541 War (1)

At that moment, Soul Severing Troll walked forward and gently lifted and placed Ye Qingtang on his shoulder.

Ye Qingtang stood on the shoulder of the giant-like troll proudly and gave her order immediately. "This place must be bloodstained!"

A cold and cheerless voice traveled into everyone's ears. In the next second...

"Kall!"

"Kall!"

"Kall!"

Hundreds of Blood Moon Sect members shouted continuously. "Kall!"

Ye Qingtang waved a hand immediately.

Swoosh!

In almost a second, hundreds of Blood Moon Sect members turned into blood-colored shadows and flew towards Xuanling Sect.

While the Yunxiao Sect disciples were powerful, they paled in comparison to the Blood Moon Sect members. Moreover, more than half of the Yunxiao Sect disciples sent were already killed by Xuanling Sect's heritage, and only around thirty people remained, making it impossible to put up a struggle against hundreds of Blood Moon Sect members.

At that instant, the Yunxiao Sect disciples in Xuanling Sect were no longer as arrogant and proud as before. With the Blood Moon Sect members coming after their lives crazily, the Yunxiao Sect disciples fled in disarray.

The Xuanling Sect disciples were dumbfounded at the sight and did not know what to say.

They were initially a little worried that the Blood Moon Sect people would conveniently kill them along with the Yunxiao Sect forces...

After all, while that Shuo Tianzang said he wanted to protect Xuanling Sect, according to Blood Moon Sect's past temperamental style, it was impossible to make any judgments. However, this worry vanished into thin air very quickly. The Blood Moon Sect members did not attack Xuanling Sect. Their objective was very clear, and they only targeted Yunxiao Sect such that they did not even spare Xuanling Sect an eye.

The Xuanling Sect masses were even more baffled then. They initially thought that a disaster would befall on them, yet unexpectedly, the Blood Moon Sect appeared in the middle of nowhere.

Li Chenfeng's brows were tightly furrowed. The Blood Moon Guardian actually gave an order to annihilate them...

“Little b*tch, receive your death!”

Blood Demon cackled before turning into blood water and headed towards Ye You directly.

Noticing the situation, Ye You’s eyes were cold, and a horrifying breath of destruction emerged around her.

Blood Demon possessed demonic blood powers, and he could disjoin himself and turn into blood water. However, Ye You never paid any attention to him. With her blue spirit root and Paragon Skill, she could kill the Blood Demon if she was given time.

“Blood Moon Guardian, is it impossible to end things nicely today?” Li Chenfeng looked at Ye Qingtang.

However, Ye Qingtang remained silent and looked back at Li Chenfeng with cold eyes, clearly having no intention to reply to him.

“Good... Since your Blood Moon Sect is so conceited, all of you will die here today.” Li Chenfeng narrowed his eyes. He originally did not wish to fight against Blood Moon Sect, yet unexpectedly, the Blood Moon Sect wanted to annihilate them. If that was the case, a war it shall be then!

Right after, Li Chenfeng gently patted the sect protector divine beast.

“Roar!”

In the next second, the divine beast roared in fury and charged towards Ye Qingtang.

“Roar!”

At the same time, the eight demonic beasts roared angrily and charged out from both Ye Qingtang’s sides. Several huge shadows flashed across and entered a brawl with that divine beast!

Swoosh!

A sword light shone and slashed towards Li Chenfeng.

Li Chenfeng did not dare to be careless and used a remarkable technique to take refuge in the void, only reappearing after dodging that frightening blow.

“Shuo Tianzang...”

Li Chenfeng mumbled coldly as he looked at the youth who stood in midair with a sword wielded in his hand.

Shuo Tianzang was highly-ranked amongst the one hundred and eight Branch Masters. His Sword Dao attainments were extremely high, and he was not easy to deal with.

Chapter 542 War (2)

Without saying anything, Shuo Tianzang turned into a ray of white light and slashed his sword toward Li Chenfeng, the youngest internal affairs elder in Yunxiao Sect history.

The divine beast was held back by the eight demonic beasts and was assisted by the pale girl, who was nicknamed as the Fiendish Demon. Thus, it could not leave to help Li Chenfeng at the moment.

Almost half of the Yunxiao Sect disciples and wardens in Xuanling Sect were killed by Blood Moon Sect.

If not for the exhaustion caused by Xuanling Sect's heritage, perhaps the Yunxiao Sect masses still could hold on for some time. However, under the powerful force of the Blood Moon Sect Division, the Yunxiao Sect masses retreated in defeat little by little and could not contend against their opponent.

Boom!

Blood Demon was flung out by the force of Ye You's blue spirit root.

Subsequently, Ye You flew towards Ye Qingtang.

Ye You did not become Yunxiao Sect's Holy Lady just because of her martial? talents.

Earlier on, Ye You faintly sensed that the Blood Moon Guardian's martial aura was not extremely strong. Thus, Ye You thought that perhaps this Blood Moon Guardian had just resurrected not long ago.

Capture the ringleader first in order to capture all his followers. If she could capture the Blood Moon Guardian, none of the Blood Moon Sect members would dare to make any moves rashly.

"Humph!"

Soul Severing Troll scoffed coldly as he looked at Ye You who charged towards them and threw a heavy punch at her. However, Ye You was extremely nimble. She stepped on Soul Severing Troll's shoulders and struck towards Ye Qingtang.

Ye Qingtang's brows were furrowed when she saw Ye You coming for her, and she immediately shifted her body to a side. There was a lot of force in Ye You's strike, and even the wind from the strike was extremely strong. Although Ye Qingtang dodged the attack, the wind from the strike directly caused Ye Qingtang's blood-colored veil to fall.

Looking at the face veil that drifted down, Ye Qingtang knew that there was trouble.

However...

"It's your!"

The face that was revealed after the face veil dropped caused Ye You to be taken aback for a moment.

Didn't the face before her right now belong to Ye Qingtang?! How could it be Ye Qingtang?!

At that time, Soul Severing Troll roared in fury and forced Ye You to retreat with his powerful force.

"Ye Qingtang..."

Ye You withdrew herself and leaped away. Her detached eyes were fixed right on Ye Qingtang. Why did she not know that Ye Qingtang had become that so-called Blood Moon Guardian?

In Xuanling Sect, Elder Mo, Elder Qin, and the rest were in disbelief after seeing the face of the Blood Moon Guardian.

No one would have thought that the Blood Moon Guardian was actually... Ye Qingtang?!

“Isn’t that... Junior Sister Ye...” Zhu Changge, with his mouth agape, stared at Ye Qingtang who was donned in full red that resembled fire.

“Junior Sister Ye? Junior Sister Ye is Blood Moon Sect’s Guardian?” Qin Huan widened his eyes, suspecting if he was hallucinating.

“Impossible... How can Junior Sister Ye be Blood Moon Sect’s Guardian...” Yun Shu shook his head. There was definitely something off in this.

“Qingtang, why did you become the Blood Moon Sect’s Guardian?” The Grand Elder shouted towards the sky.

After hearing his words, the Yunxiao Sect masses immediately looked towards Ye Qingtang.

“This person isn’t a Blood Moon Guardian at all. She is a Xuanling Sect disciple, Ye Qingtang!” Suddenly, a Yunxiao Sect disciple who was once injured by Ye Qingtang shouted loudly.

“WHAT?!”

The Blood Moon Sect Division Head, Jiang Chen, and all Branch Masters stopped their action immediately.

“Ha...” Ye You’s lips curled into a sneer. “Blood Moon Sect has a legendary reputation, but after seeing it today, it doesn’t seem much.”

“What do you mean!” A Blood Moon Branch Master looked at Ye You with a frown.

Chapter 543 Exposed Identity (1)

“Your Blood Moon Guardian is Ye Qingtang, a simple Xuanling Sect disciple. More than that, she is from the same clan as me and is only fifteen this year. Your Blood Moon Sect was already annihilated a thousand years ago. From the rumors, weren’t all your Guardians personally appointed by your Holy Lord? Why is it that... now... Could it be that anyone could also be a Guardian of your Blood Moon Sect?” Ye You chuckled and subsequently looked towards Ye Qingtang.

“Qingtang, what exactly is going on? Why did you become a Blood Moon Guardian?”

At that moment, the Grand Elder led the other elders and flew to the sky as they looked at Ye Qingtang in astonishment.

“Is she really a disciple from your sect?” Jiang Chen hollered. “Of course.” The Grand Elder nodded.

..” Ye Qingtang stared blankly at the Grand Elder. Is the brain of this Grand Elder made of tofu?

She risked her life and successfully pretended to be a Blood Moon Guardian with much difficulty, but in the end, it was all foiled by this Grand Elder...

Initially, even if Ye You doubted her, Ye Qingtang still had a way to lie her way through and allow the Blood Moon Sect members to believe her. But now, even Xuanling Sect’s Grand Elder claimed that she was a Xuanling Sect disciple...

“You!”

Jiang Chen turned around and glared at Ye Qingtang furiously. "I already thought it was extremely strange previously. The three Guardians of my Blood Moon Sect never appeared before anyone. Why would it come to our division for no reason!"

"Ha... So it is a fake one... Blood Moon Sect truly made a big joke out of itself." Ye You lifted her chin as she sneered. "This girl is extremely crafty and has a vicious nature. As a Xuanling Sect disciple, she pretended to be a Guardian of your sect as she wished to borrow your forces to attack my Yunxiao Sect and save Xuanling Sect from its miserable situation."

After hearing Ye You, the Grand Elder's expression turned weird. He originally wanted to continue saying something but suddenly changed his stance. "Oh... I saw wrongly... You are not my sect disciple Ye Qingtang. You just resemble her a little."

"Mhm... She indeed is not my disciple Ye Qingtang. She does look rather similar, but upon closer inspection, one can tell that they clearly are two different people." Elder Mo echoed.

"I already said that she is not Ye Qingtang... You all still didn't believe me. It is time you all finally believe me now." Elder Mo added.

Ye You glimpsed at the Yunxiao Sect masses. "By changing your stance now, could it be that you all think Blood Moon Sect would still believe you all?"

Subsequently, Ye You looked at the Blood Moon Division Head and smiled. "Blood Moon Sect has a legendary

reputation. Don't be cheated by this devious girl. It would really become a big joke when both your sect and my Yunxiao Sect suffer an internecine outcome then."

Ye You could tell from a long time ago that the Blood Moon Sect attacked Yunxiao Sect today and protected Xuanling Sect because of the orders of the "fake Guardian," Ye Qingtang.

Now, Ye Qingtang's identity was already exposed. Then... Clank!

Shuo Tianzang immediately sheathed his sword with a calm expression and no longer fought with Li Chenfeng.

"I thought there was something off about you from the start..." Blood Demon looked at Ye Qingtang.

"Scoundrel!" Jiang Chen hollered in fury. How dare this girl pretend to be a Blood Moon Guardian and incite them to come here and start a war with Yunxiao Sect!

"Fellow Blood Moon Sect members, this person is Ye Qingtang, a Xuanling Sect disciple. She killed and injured dozens of my Yunxiao Sect disciples, and she is currently wanted by our sect." Li Chenfeng withdrew himself from the battle and retrieved an arrest warrant with Ye Qingtang's face on it from a Yunxiao Sect disciple. Waving it around, he showed it to the Blood Moon Sect members.

Chapter 544 Exposed Identity (2)

Wasn't the girl on that arrest warrant Ye Qingtang, who was standing before them right now?!

At that moment, the Blood Moon Elder who had been staying in the blood-colored carriage was alarmed as he witnessed everything.

It's over now! He thought to himself.

"You have a death wish!"

The Blood Moon Division Head was enraged immediately and slapped towards Ye Qingtang.

Nonetheless, Ye Qingtang was already prepared and retreated backward before he struck.

The Blood Moon Division Head was boiling with fury at that moment. If other divisions knew that they were fooled by a disciple of an ordinary sect, wouldn't he become the biggest joke in Blood Moon Sect!

Although it was unknown why the Demonic Water was ineffective on her, it was without doubt that this girl was fake given that Xuanling Sect's Grand Elder and other high-ranking executives already had a slip of the tongue earlier.

The more the Blood Moon Division Head thought about it, the more furious he was. How he wished he could crush Ye Qingtang who fooled him with a strike!

But before the Blood Moon Division Head could vent his anger on Ye Qingtang, several figures suddenly appeared in midair, and hundreds of people came in just a few seconds.

"Yuehua Sect... Lingyun Sect..."

Yunxiao Sect masses smiled as they saw the other sects coming. Similar to Yunxiao Sect, Yuehua Sect and Linyun Sect were super sects of Formidable Heavens Dynasty.

Among the forces that annihilated Blood Moon Sect back then, these two sects participated as well. Now that they suddenly came, it was probably because they heard of the Blood Moon Sect's appearance.

"Humph! The remaining evil of Blood Moon Sect!"

An elderly swept his eyes across the Blood Moon Sect masses and shouted coldly.

Ye You took a glance and could not help but scoff in her heart when she saw that the Sect Masters of both sects arrived at the scene as well. She glimpsed at where Ye Qingtang was from the corner of her eyes and subsequently said to both Sect Masters, "Yuehua Sect Master, Lingyun Sect Master, the remaining evil of Blood Moon Sect has appeared. Let's combine our forces and kill them all!"

Naturally, Ye You's words would not be rejected as the Sect Masters of both super sects were originally here to deal with Blood Moon Sect.

They were aware of how powerful and influential Blood Moon Sect was back then. If Blood Moon Sect was allowed to resurrect completely, the hundreds of sects which participated in annihilating Blood Moon Sect back then would probably face a powerful enemy.

Ye Qingtang was not surprised by the appearance of the other two super sects. She had expected all of this.

Initially, Ye Qingtang's plan was to use the shortest time to completely wipe out the Yunxiao Sect forces here and lead the Blood Moon Sect masses to flee from this place. According to her calculation, the other two super sects would not be able to reach in time.

It was, however, a pity that she was ultimately just one step short of success...

Ye Qingtang was extremely helpless. She was clearly just a step away.

Uncontrollably, Ye Qingtang darted a look to the Grand Elder not far away.

The plan was truly messed up by the Grand Elder.

However, Ye Qingtang would not place the blame on the Grand Elder. After all, if it were her, she would probably react that way as well since she had never told the Grand Elder before this...

Almost all of the high-ranking executives of Yuehua Sect and Lingyun Sect were present. It was completely different from Yunxiao Sect's situation where they only had a few people left.

"Blood Moon Sect... you all didn't hide properly and even dared to appear so brazenly! You truly have a death wish!" The Yuehua Sect Master roared sternly.

"Pull of bullshit." The Blood Moon Division Head scoffed coldly.

"You're still so reluctant to admit defeat even with death near at hand!" Lingyun Sect Master waved an arm. "Kill!"

As the command was given, the three sects attacked at the same time and charged towards the Blood Moon Sect members. "Kill!"

The Blood Moon Division Head was not fearful at all as he welcomed the battle.

Boom!

A war erupted instantly with thunderous rumbles exploding in the sky.

Chapter 545 Blood Moon Holy Lord (1)

At that instant, the Blood Moon Elder walked out from the carriage and looked at Ye Qingtang. "Why did it become like this!"

Although he knew that Ye Qingtang could never be their Blood Moon Sect Guardian, he thought that Ye Qingtang's identity as a Blood Moon Guardian was definitely not fake. Otherwise, she would not have passed the Demonic Water's test.

But why did things develop to this stage?!

Almost the whole troop was deployed from the two super sects, and this Blood Moon Sect Division would definitely not be able to defeat them. He was afraid that all of them would be exterminated here today.

Ye Qingtang did not loathe the Blood Moon Sect. After interacting with them for a few days, she instead felt that the members had a straightforward personality. Although their character was strange, they were no evil villains.

If this entire Blood Moon Sect Division was destroyed here today...

Ye Qingtang's brows were tightly furrowed. A sense of helplessness arose within her as she watched the Blood Moon Sect members hold up with difficulty.

She could not blame Xuanling Sect's Grand Elder for sabotaging her as the situation happened too suddenly, and the Grand Elder was completely unaware.

It was, however, that her efforts would ultimately be wasted...

Suddenly, the Blood Moon Division Head retreated backward. His complexion was pale as he panted hurriedly.

"This malicious girl..." The Blood Moon Division Head gritted his teeth when he saw Ye Qingtang beside him.

If Ye Qingtang had not pretended to be a Blood Moon Guardian, they would not appear in Xuanling Sect and fight with three super sects before recovering their primordial qi fully.

However...

Before the Blood Moon Division Head continued to say anything, he was completely stupefied. The pair of eyes that was initially filled with fury was instead replaced by a look of disbelief as he looked behind Ye Qingtang.

A tall figure had appeared behind Ye Qingtang from some time ago. That tall and straight figure was like the pillar of this world; his symbolic silver hair tousled in the wind.

On his flawless face, the blood-colored crescent at his glabella appeared devilishly charming.

"Holy... Holy... Holy... Holy holy holy..." The Blood Moon Division Head stared at that god-like male with his mouth agape. His burly body quivered incessantly as he gulped.

The silver-haired man ignored the Blood Moon Division Head as he slowly raised his right hand and patted Ye Qingtang's shoulder gently.

Suddenly feeling a tap on her shoulder, Ye Qingtang turned around instinctively.

But when she saw the silver-haired man behind her, she was taken aback.

"Younger brother?" Puzzlement filled Ye Qingtang eyes as she looked at the silver-haired man before her.

Wasn't this...

The cheapskate brother she picked up on the way that day? Why did he appear here?

"Younger... Younger... Younger... Younger Brother?!"

After hearing the words “younger brother” from Ye Qingtang, it was as though the Blood Moon Division Head turned into stone.

What did... this malicious girl who pretended to be a Blood Moon Guardian... call that lordship... Younger Brother? Younger Brother?!!

“Division Head?”

Seeing that the Blood Moon Division Head had not returned to his senses after a long time, the Blood Moon Sect members and Branch Masters looked towards where Ye Qingtang was standing in puzzlement.

In just a second, everyone was stunned, and some Branch Masters even forgot to counter-attack and were forced backward by the powerful figures from the two super sects.

After taking a clear look of the silver-haired male behind Ye Qingtang, the Blood Moon Elder who had been vexed by the current situation reacted the same way as the Blood Moon Sect members. His eyes dilated, and his body almost collapsed.

That indifferent male was none other than Blood Moon Sect’s supreme faith totem... the Blood Moon Holy Lord!

The Blood Moon Holy Lord had graced them with his presence.

Chapter 546: Blood Moon Holy Lord (2)

The man’s silver hair swayed in the breeze. The blood-colored crescent on his glabella added an inexplicable devilish charm to his almost perfect face.

His eyes were like an ancient well with still water as he scanned the scene; the corners of his long red robe rustled.

The Blood Moon Division Head, Jiang Chen, Blood Moon Elder, and others were completely stupefied as they stared at the silver-haired man, seeming to have already forgotten to breathe.

Ye Qingtang looked at her cheapskate brother in puzzlement and was surprised by his arrival. Why did he run here at this dangerous time?

Seeing that he did not react, Ye Qingtang could not help but call him again.

“Younger brother?”

“...” Blood Moon Holy Lord stared at her blankly.

As the Blood Moon Holy Lord appeared, the whole world seemed to have fallen into a dead silence, and there was not a single noise.

Li Chenfeng’s brows were slightly furrowed as he looked at the silver-haired male. After taking a close look, he was completely lifeless. It was as though a mountain range crushed his body, and fear eroded every part of him.

“Elder Li?”

Standing in the air silently, Ye You was a little puzzled as she looked at Li Chenfeng.

However, Li Chenfeng’s lips only twitched, and he could not say anything.

The Xuanling Sect masses inspected the silver-haired man behind Ye Qingtang instinctively with strange expressions.

“Who is that fellow...” Confusion was etched all over Qin Huan’s face as he looked at the silver-haired man beside Ye Qingtang.

“I’m not sure... But looking at the crescent on his glabella, he should be someone at the level of a Blood Moon Sect Elder!” Feng Moli looked over as well and took a guess.

“Blood Moon Sect Elder?!”

The remaining Xuanling Sect disciples gasped immediately.

Although an Elder and Division Head had similar positions in Blood Moon Sect, an Elder’s skill was higher than that of a Division Head.

Although a Division Head was the leader in a Blood Moon Division, he would still require to seek the opinion of an Elder when settling important matters.

With a Blood Moon Elder here, perhaps... it would be enough to reverse the crushing situation that Blood Moon Sect was in!

Currently, the three super sects were attacking Blood Moon Sect from all sides. Although Xuanling Sect was temporarily forgotten by the three super sects, Xuanling Sect did not forget Yunxiao Sect’s purpose for coming here today. Once Blood Moon Sect was defeated, Yunxiao Sect would naturally deal with Xuanling Sect.

Then, it would be the arrival of the calamity.

At this moment, they could no longer care about Blood Moon Sect’s rumors.

“I can’t tell anything from his aura, and I don’t know what state he has reached... However, it seems that he should be someone of the level of a Blood Moon Elder.” After scanning for a moment, Elder Qin told the Xuanling Sect Master and Elder Mo.

There were one hundred and eight Branch Masters and thirty-six Division Heads in Blood Moon Sect, but there were only twenty-four Elders, each possessing remarkable abilities.

No one thought they could still witness a Blood Moon Elder after a thousand years.

Ye Qingtang had a strange expression as she looked at the cheapskate brother before her.

She merely had a teasing mindset when she took him as her younger brother that day.

Moreover, from her memory, her cheapskate brother was an ardent fan of Blood Moon Sect. With Blood Moon Sect appearing here today, it couldn’t be that... he obtained the news... and purposely chased after the Blood Moon Sect all the way here, could it?!

“Who are you!”

Then, a Yunxiao Sect Elder shouted sternly at the silver-haired man.

Chapter 547: Blood Moon Holy Lord (3)

The two super sects, Yuehua Sect and Lingyun Sect, were present currently, and this group of Blood Moon Sect forces would definitely be wiped out. Thus, there was no longer any fear of facing Blood Moon Sect.

Looking at that silver-haired man, if he was not a Blood Moon Division Head, he should be a Blood Moon Elder.

But even if he was a Blood Moon Elder, his death was definite!

However, the silver-haired man did not react after a long while.

“Roar!”

The Yunxiao Sect divine beast roared in fury as it glared at the silver-haired man with its lantern-like eyes.

“Don’t...” Li Chenfeng muttered.

Li Chenfeng was alarmed.

Others might not know the identity of this silver-haired man, but Li Chenfeng did.

A thousand years had passed, and those who saw the Blood Moon Holy Lord in the battle had already passed on.

However, Li Chenfeng saw a portrait of the Blood Moon Sect’s Holy Lord by chance once, and the person on that portrait was exactly this silver-haired man before their eyes!

As he looked at the bright red blood moon on that man’s glabella, Li Chenfeng was even more sure of the other party’s identity.

However...

A thousand years ago, hundreds of sects combined forces in an attempt to annihilate the Blood Moon Sect

At the last moment, the Blood Moon Holy Lord appeared and slaughtered dozens of extremely powerful demonic beasts, with one of them being the mother of Yunxiao Sect’s sect protector divine beast.

The Blood Moon Holy Lord had killed the divine beast’s mother a thousand years ago, and rage flooded the beast’s eyes as it saw the Blood Moon Holy Lord today.

The divine beast was long drowned in hatred currently and could not be controlled by Li Chenfeng. No matter how Li Chenfeng dissuaded it, there was no use.

“Roar!”

The divine beast let out an enraged roar once again, and its gigantic body charged towards the Blood Moon Holy Lord.

In an instant, it was as though dark clouds covered the sky as a wild gust of wind stirred. Yunxiao Sect's divine beast was extremely skilled and could be said to be unrivaled. The moment it struck, its demonic air swept throughout the place.

Everyone only saw that, for some unknown reason, the Yunxiao Sect divine beast was out of control and charged towards that silver-haired man.

Upon noticing the situation, the Blood Moon Division Head and others had a rude awakening and dashed forward quickly, wanting to stop the Yunxiao Sect divine beast.

Yet, the divine beast that was out of control was frighteningly powerful. With the sweep of a tail, the Blood Moon Sect forces were forced to retreat.

The Xuanling Sect masses below were astonished. The sudden change caught everyone unexpected, and no one had the time to examine the reason behind the Yunxiao Sect divine beast's behavior after seeing the silver-haired man.

Right now, the Xuanling Sect masses were only worried about Ye Qingtang.

Ye Qingtang was standing right in front of the silver-haired man. With the Yunxiao Sect divine beast attacking the silver-haired man, they were afraid that Ye Qingtang would experience an undeserved catastrophe as well.

"Be careful!"

A pair of wings grew behind Ye Qingtang's back, and she immediately grabbed the Blood Moon Holy Lord's arm, wanting to bring him away from here.

However, the Blood Moon Holy Lord remained rooted to the same spot, seeming to not have any plan to escape.

Swoosh!

In the next second, the Blood Moon Holy Lord took a step out and pulled Ye Qingtang behind him.

"You..."

Ye Qingtang was astonished. That was Yunxiao Sect's sect protector divine beast!

A cold sneer could be seen on the faces of the Fengyue Sect and Lingyun Sect masses. They had not seen this silver-haired man before, but from his appearance, they reckoned that he should be a Blood Moon Sect Elder. If he was at his peak, perhaps he still could have a match with the Yunxiao Sect divine beast. However, most of the Blood Moon Sect masses had just resurrected not long ago, and their skills naturally could not be compared to when they were at their peak. Thus, he was definitely not the Yunxiao Sect divine beast's opponent.

Chapter 548 Blood Moon Holy Lord (4)

Now that the Yunxiao Sect divine beast struck, it saved lots of effort for them.

The Elders and remaining disciples of Yunxiao Sect wore a proud expression when they saw their divine beast attacking.

Their Yunxiao Sect's divine beast was extremely powerful!

Even if another person at the level of a Blood Moon Sect Elder came, it would be no big deal.

That divine beast cried fiercely and attacked the silver-haired man with its golden beak.

Fear arose in the hearts of the Xuanling Sect masses at the sight.

Xuanling Sect's golden formation was broken by the Yunxiao Sect divine beast's beak. Who in this world could block an attack of the beak?!

However...

The corners of the blood-colored long robe swayed, and the man's silver hair tousled in the air.

An appalling scene played out in this world.

There was no change in emotions in the silver-haired man's eyes while his face was still as cold as a glacier.

Standing in midair silently, he slowly pointed out a finger towards that invincible beak.

Boom!

A frightening explosion erupted.

In the next second, the sound of the explosion reverberated hundreds of miles around the area.

Before everyone's eyes of disbelief, the silver-haired man used a finger and gently nipped the Yunxiao Sect divine beast's beak.

Swoosh!

The enormous body of the divine beast was flung several miles away instantly.

Then, the Yunxiao Sect divine beast was rammed into an old mountain that was hundreds of meters tall.

What followed right on the heels was a scene that rendered many speechless.

The old mountain was crushed into pieces immediately, and countless of huge rocks fell like a rainstorm. The entire mountain turned into dust!

The silver-haired man's expression was calm, and it was as though he had not done anything.

At that instant, the scene was dead silent. It was as though everyone forgot to breathe, and only the faint throbbing of hearts could be heard.

The smile on the Yunxiao Sect Elders' faces froze completely before turning into expressions of indescribable horror and shock.

Only Li Chenfeng shut his eyes as a look of suppression filled his face.

Both Yuehua Sect and Lingyun Sect were overwhelmed with horror as they looked at that silver-haired man as if what happened was an illusion.

Below in Xuanling Sect, the sect disciples were dumbfounded. Their lips twitched and mouths opened, but not a single word came out.

Xuanling Sect Master, Elder Mo, Elder Qin, and others were stunned and did not return to their senses for a long time.

Ye You's expression changed immediately.

The Yunxiao Sect divine beast... was actually... by that silver-haired man...

"You..."

Shock was written all over Ye Qingtang's face as she looked at the imposing figure that stood upright and tall before her.

"Holy Lord!"

The Blood Moon Elder was the first to return to his senses as he rushed over rapidly and knelt before the silver-haired man.

"We pay our respects... to the Holy Lord!"

The Blood Moon Division Head, Shuo Tianzang, Blood Demon, and other Branch Masters greeted in unison with eyes filled with ardent worship, as they knelt beside the silver-haired man

"Blood Moon... He is... is..."

The high-ranking executives of Yuehua Sect and Lingyun Sect were dumbfounded.

Blood Moon Sect's supreme... Blood Moon Holy Lord...

A thousand years ago when Blood Moon Sect was attacked by the combined forces of hundreds of sects, the Blood Moon Holy Lord appeared at the last moment and swept the sects away by himself like a real god, making the powerful figures in the sects aware of the differences between a human and a god.

Chapter 549 Blood Moon Holy Lady (1)

That fear was deeply imprinted in their memories to the point that their descendants would have an unknown fear when they heard of the Blood Moon Holy Lord.

If not for the Ultimate Elder's appearance in that battle which impeded the Blood Moon Holy Lord, the hundreds of super sects would have probably been long destroyed by the Blood Moon Holy Lord's hands a thousand years ago.

What was a true god?

One that ruled the world with a hand!

What was a true god?

One that killed everyone who went against him!

What was a true god?

One that ignited generations of fear!

When hundreds of sects combined forces and revolted, he wanted to exterminate all of the sects; when no one in the world could accept him, he wanted to massacre everyone!

It was he who once made the Blood Moon war drum resonate throughout the world; it was he who once let the Blood Moon war flag fly high in the sky; it was he who ruled the world in the name of the Blood Moon Sect.

“Blood Moon Holy Lord...”

Ye Qingtang looked at the rather lonely back view of her cheapskate brother in shock.

She originally thought that he was only an ardent worshiper of the Blood Moon Sect who claimed to be the Blood Moon Holy Lord...

Never would Ye Qingtang have thought that the cheapskate brother she picked up on her way back was really the Blood Moon Holy Lord. She did not think that... this Blood Moon Holy Lord would be so “honest.” Even if it was anyone else, they would most likely not believe him as well...

“He... He is the Blood Moon Holy Lord!”

“How can it be? The Blood Moon Holy Lord disappeared for a thousand years. Why would he reappear in the world!”

“Quickly escape... Quickly escape!” “Run!”

After a long while, the hundreds of people from the three super sects were finally sober.

His long blaze-red robe swayed. Although there was only one person before them, he was the pillar of this world, and the gap between them and him was an eternally-insurmountable gap.

In the eyes of the Blood Moon Holy Lord, the so-called super sect was no different from an ant...

In just an instant, hundreds of people fled in all directions. However...

A blood-red screen enveloped the place, and those powerful figures from the super sects who initially fled away in a flurry froze completely.

Ye Qingtang looked into the red screen, where those powerful figures were still like a frozen image

The Blood Moon Holy Lord’s indifferent eyes landed on the Blood Moon Division Head before him.

“Name.”

The Blood Moon Holy Lord asked coldly.

“Replying... Replying Holy Lord, I am one of the thirty-six Division Heads, Jiang Chen!”

Jiang Chen was agitated, and his face flushed. The Blood Moon Holy Lord nodded.

“Why did you want to attack her?” the Blood Moon Holy Lord said.

“Huh?”

Upon hearing that, Jiang Chen quivered, and immense fear filled him.

“I... I... don't... don't know her identity... She... She claimed to be a Blood Moon Guardian...” Jiang Chen was extremely nervous.

“Guardian...”

The Blood Moon Holy Lord looked at Ye Qingtang immediately.

“You didn't tell me your identity...” Ye Qingtang mumbled as she shifted her gaze away guiltily.

The Blood Moon Holy Lord was emotionless. “Didn't I?”

He seemed to have indeed said that he was the Blood Moon Holy Lord. However, the Blood Moon Holy Lord had disappeared for a thousand years and was a legendary figure on this mainland. How would she believe that he would be so blunt and reveal his identity without any concealment...

All this time, Ye Qingtang thought that her sworn brother was a Blood Moon Sect fanatic and even thought to pull him back from astray one day...

She would have never thought that he would actually be real.

The Blood Moon Holy Lord's eyes were fixed on Ye Qingtang as though they could bewitch one's heart.

“Token,” the Blood Moon Holy Lord said.

Chapter 550 Blood Moon Holy Lady (2)

‘What token?’ Ye Qingtang asked instinctively. ..” Blood Moon Holy Lord stared at her.

Suddenly, Ye Qingtang recalled that her sworn brother once passed her a blood token before he left.

“Is it this?”

Ye Qingtang took out the blood token from her space ring.

After seeing the token in Ye Qingtang's hand, the expressions of Jiang Chen, Blood Demon, Shuo Tianzang, and the rest changed immediately.

That token... was not any Blood Moon Guardian... It was...

“We pay our respects to the Holy Lady!” Shuo Tianzang said first.

“I offended Holy Lady by accident. Please have mercy on me...”

The Blood Moon Division Head's face paled, and his body weakened.

In the Blood Moon Sect, the Blood Moon Holy Lady held a supreme position, and even the Blood Moon Sect Master was required to bow in respect when he saw the Holy Lady!

However, Jiang Chen, Shuo Tianzang, and the rest could not understand why a dignified Blood Moon Holy Lady would downgrade her identity and pretend to be a Blood Moon Guardian. What exactly did she do that for?

“Blood Moon Holy Lady?” Ye Qingtang looked at the blood taken in her hand and pointed to herself instinctively. “Me?”

“Mhmm,” the Blood Moon Holy Lord said indifferently.

“Me??” Ye Qingtang thought she heard wrongly and asked again.

..” Blood Moon Holy Lord stared at her with a blank expression.

Ye Qingtang was rather confused, and she was in deep thought.

That day, she saved a man who fell from the sky and then... jokingly became sworn siblings with him and obtained a token. Immediately afterward, she became the Holy Lady of Blood Moon Sect from a sect disciple?

She really did not know if she should say that her luck was too amazing or that the Blood Moon Holy Lord was too casual and did anything he pleased.

It was the dignified Holy Lady of a sect, but he just gave it to her so casually?!

At that very moment, Ye Qingtang suddenly understood why the Blood Moon Elder could reach his initial position... Was this Blood Moon Holy Lord so casual in appointing people?

“Holy Lady... As the Blood Moon Holy Lady, why did you pretend to be a Blood Moon Guardian... This... This...” Jiang Chen felt that he simply could not understand the Blood Moon Holy Lady before him.

She was clearly already handpicked by the Holy Lord to be the Holy Lady, yet why did she still want to assume the identity of a Blood Moon Guardian?

Even though the Yunxiao Sect disciples pointed out Ye Qingtang’s identity earlier on, the Blood Moon Holy Lord was present at the scene currently, and Jiang Chen naturally believed his Holy Lord unconditionally.

What Xuanling Sect disciple or not. This was the Holy Lady of Blood Moon Sect!

Below in Xuanling Sect.

Elder Mo’s mouth hung ajar. His disciple, Ye Qingtang... was Blood Moon Sect’s... supreme Holy Lady...

Xuanling Sect’s Sect Master, Elder Mo, and everyone else were stupefied as well. For a moment, they stopped thinking normally, their brains were completely blank.

Their Xuanling Sect had a Blood Moon Sect Holy Lady...

“The Blood Moon Holy Lady is my junior sister?” Qin Huan looked at Feng Moli beside him with wide eyes.

“Feng Moli... Am I dreaming? How about you give me a slap on my...” Qin Huan said.

Pow!

As Qin Huan finished his sentence, Feng Moli slapped Qin Huan immediately.

“Feng Moli... You... You... You were for real?!” Qin Huan touched his burning cheeks. Reality had proven that he was not dreaming, but wasn’t Feng Moli’s slap a little too ruthless!

Blood Moon Sect’s Holy Lady was really his junior sister. He was the Blood Moon Holy Lady’s senior brother!

“My junior sister is the Blood Moon Holy Lady! I am the Blood Moon Holy Lady’s senior brother!” Qin Huan exclaimed. Similarly, Zhu Changge was very agitated and in disbelief.
