

Chapter 551 Blood Moon Holy Lady (3)

Suddenly, the Blood Moon Sect did not appear to be so frightening as to how it was described in the rumors. Today, if the Blood Moon Sect did not offer help, the Xuanling Sect might have been exterminated.

The Blood Moon Sect was exterminated by a few hundred super sects together a thousand years ago just because it was too powerful. It ruled the world, and every sect had to pay tribute to the Blood Moon Sect every month.

The young geniuses in the world all worshiped the Blood Moon Sect. They wanted to join the Blood Moon Sect to follow the Blood Moon Holy Lord. It was a huge honor to have a look at the Blood Moon Lord...

That was the reason why the Martial culture of the sects declined slowly. More and more geniuses refused to join sects, and the sects would fall eventually in the long run...

In the end, a few hundred sects combined forces and decided to exterminate the Blood Moon Sect.

To this day, no one could say whether it was the Blood Moon Sect that messed up the rules or the few hundreds of sects that messed up the orders of the world.

The Blood Moon Sect was called the Heretic Sect for hundreds of years after it was exterminated. As the descendants who did not participate in the incident, no one knew the exact details.

However, when everyone was still in shock...

A thunder-like voice reverberated in the surroundings.

“Blood Moon Holy Lord, where are you going to run to now?!”

As the voice was heard, a white-haired elder in a cloth gown appeared.

Ye Qingtang was stunned as she saw the elder. She had met the elder a few days ago as well...

When the Blood Moon Division Head Jiang Chen and Shuo Tianzang witnessed the elder clearly, they seemed to be facing their greatest enemy.

“The Ultimate Elder?!”

Even the Blood Moon Holy Lord frowned.

The Ultimate Elder waved his arm, and a ray of white light appeared in the sky, dashing towards the blood barrier.

People of Yunxiao Sect and Lingyun Sect suddenly returned to normal at the same time.

However, their memories seemed to remain at the moment when the Blood Moon Holy Lord appeared.

“Run!”

One of the Yunxiao Sect elders shouted in fear.

Ye You's face was cold, and she took a glimpse at Ye Qingtang unwillingly. She withdrew her sight when she saw the Blood Moon Holy Lord beside her.

Hundreds of figures swiped through the sky and disappeared in the next second.

"What's the point of running away?!" The Ultimate Elder frowned and shouted.

People of the three super sects had disappeared, and no one saw the appearance of the Ultimate Elder.

"A batch of cowards." The Ultimate Elder humphed.

"Are you done with chasing?" The Blood Moon Holy Lord finally said something.

"Are you done with running?" The Ultimate Elder smiled coldly.

People of the Blood Moon Sect stared at each other. No one dared to take a move without the words from the Holy Lord.

"Blood Moon Holy Lord, I stopped you from killing innocent people back then, and you wanted to kill me. You chased me for five hundred years... You shouldn't forget about that, right," the Ultimate Elder said.

"Same for you," the Blood Moon Holy Lord said indifferently.

"Hehe, it's lucky that I ran fast enough. If not, I would be killed by you. You mis-entered the Qi Deviation five hundred years ago as you cultivated the fiend skills. You were not able to beat me anymore, and the wheel turned. From then on, I also chased you for five hundred years. To be fair, you run faster than me back then!" the Ultimate Elder said.

Ye Qingtang was shocked by what she just heard.

The Blood Moon Holy Lord and the Ultimate Elder disappeared for a thousand years... And that was the reason...

The two legends on this piece of land chased each other for five hundred years respectively. This was... another kind of romance...

Chapter 552 Replenish for Prosperity (1)

"Today, I will kill you anyway to benefit the world!"

The Ultimate Elder's eyes flickered. He smashed his palm down towards the Blood Moon Holy Lord without any sign. Just the force of the palm seemed to be able to shake the entire earth.

However, the Blood Moon Holy Lord did not bother to fight against him. He faded into the void and disappeared.

"Blood Moon Holy Lord, you cultivated the recurrent fiend skills, and that led to the development of the mental demons. If you still choose to run away, it will accelerate the development of your mental demons, and then... I'll see whether you really enter the rebirth cycle!" The Ultimate Elder gritted his teeth as the Blood Moon Holy Lord ran away again. He immediately chased after him.

"Holy Lord!"

The Blood Moon Division Head and the rest were shocked. Ye Qingtang blocked their way when they were about to follow up.

“Holy Lady...”

The Blood Moon Division Head Jiang Chen felt perplexed.

“Even the Blood Moon Holy Lord is not able to fight against the Ultimate Elder. Are you going to sacrifice yourself for no reason if you follow up?” Ye Qingtang said coldly.

“But...”

Shuo Tianzang and Soul Severing Troll knew that Ye Qingtang’s words were reasonable, but they could not be relieved.

“The Ultimate Elder had chased the Blood Moon Holy Lord for five hundred years and did not succeed. Do you think he will succeed this time?” Ye Qingtang said as she saw how disturbed the people of the Blood Moon Sect were.

Without giving them any chance to say anything again, Ye Qingtang waved her hand and said, “You should leave now.”

“Holy Lady... but...”

The Blood Moon Division Head still wanted to say something.

“There’s no but’s. I order you as the Blood Moon Holy Lady, leave now!” Ye Qingtang frowned.

The super sects would return soon when they sensed the breath that the Ultimate Elder left. People of the Blood Moon Sect would not have the chance to leave alive then.

“Yes!”

The Blood Moon Division Head Jiang Chen had to listen to the order together with other Branch Masters.

“Master, Grand Elder, please pack up and leave with me and the Blood Moon Sect!”

Ye Qingtang said and looked towards Elder Mo and the rest in the Xuanling Sect.

However, the Grand Elder shook his head and sighed. “Qingtang, look at those disciples.”

Ye Qingtang scanned around, and there were more than a few hundred disciples with severe injuries.

“They treated the Xuanling Sect as their home and decided to stay to protect our sect. They are injured severely, and they will definitely die if there is no treatment given to them... As the Grand Elder of the sect, how can I leave my family for my own safety?” The Grand Elder sighed again.

Elder Mo and the rest also shook their head upon hearing the Grand Elder’s words.

Though they would survive if they left with Ye Qingtang... what could the disciples do?

As the higher-ups of the sect, how could they leave the disciples here and escape?

Before Ye Qingtang could say anything, there were few hundreds of strong breaths approaching.

“It’s the three super sects! They sensed the remaining breath of the Ultimate Elder and are coming back!” the Blood Demon said.

“Holy Lady, can you pass me your token?” said a Blood Moon Branch Master who was an expert in array formation.

Ye Qingtang did not hesitate and gave him the blood token.

“Holy Lady, there is the divine power of the Holy Lord left in the token. I can use the divine power to create a barrier outside the Xuanling Sect. That way, no one will be able to enter the Xuanling Sect from outside, but people of Xuanling Sect can go out anytime,” the elder said.

“Oh?” Ye Qingtang was stunned slightly. So there was the

Blood Moon Holy Lord’s divine power left in the token...

I hope All Readers Enjoyed the Mass Release ??

Chapter 553 Replenish for Prosperity (2)

“However, the token will not be able to prove your identity as the Holy Lady after the power is used. Only our division will know... If you want to command the other division with this token, they may not trust you.” The elder explained his

concern.

Her identity as the Blood Moon Holy Lady was only known by this division. Other divisions were not clear about that.

“That doesn’t matter. Without the identity as the Holy Lady, I can disguise as the guardian or the elder as well...” Ye Qingtang waved her hand.

The lips of the Blood Moon Division Head Jiang Chen and the Blood Demon shivered slightly as they heard what Ye Qingtang said.

She was the superior Holy Lady of the Blood Moon Sect, and she had to lower herself to disguise as the guardian and the elder...

“Since the Holy Lady approves, I shall obey your command.”

The elder lowered his head and created some kind of markings with his palms to force out the Holy Lord’s divine power in the token.

Swoosh!

A ray of blood red luster came out of the token and surrounded the entire Xuanling Sect instantly.

“People of Xuanling Sect, this barrier can only be broken by the Ultimate Elder and the Blood Moon Holy Lord. However, the divine power inside can only last for half a year. You should never leave the barrier. Once any of you leaves, it’s impossible to return,” the elder said.

“Thank you so much.” Elder Mo greeted with cupped fists.

“Xuanling Sect will never forget the favor from the Blood Moon Sect!” Elder Qin also said.

“Thank you for giving us half a year to replenish!” The Xuanling Sect Master’s eyes were filled with joy. The resources in the sect were enough for all the disciples for half a year.

Those injured disciples had hope now...

“I shall leave with Junior Brother Mo then,” Ji Yixuan said towards the Grand Elder.

“Okay.” The Grand Elder nodded.

Ji Yixuan and Mo Changkong were disciples of the Falling Sky Valley in the Nine Nights Dynasty. Apparently, they could not stay in the Xuanling Sect. Furthermore, the Falling Sky Valley was not in good terms with the super sects of the Formidable Heavens Dynasty. It would be too late for them to leave once the super sects arrived.

“Holy Lady...”

“Holy Lady, I owe you two favors now, and I will never forget them. If there is anything I can help with in future, please ask. I will do anything for you.” Ji Yixuan flew towards Ye Qingtang and said with cupped fists.

“It’s alright...” Ye Qingtang said.

She heard more than once from Master in her previous life that Ji Yixuan was boring but honest and frank. He would never forget any favor—nor any grudges.

“Junior Sister Holy Lady...” Mo Changkong looked at Ye Qingtang with a complex expression.

From the letters between him and his father Elder Mo, he knew about Ye Qingtang long ago. Elder Mo’s letter was full of pride and fondness towards Ye Qingtang.

However, he did not expect that... Ye Qingtang would be the Holy Lady of the Blood Moon Sect.

He did not know whether Ye Qingtang, as the Blood Moon Holy Lady, would admit him as her Senior Brother as they had never met before.

“Senior Brother Mo, we’ll see each other again.” Ye Qingtang smiled.

The complex expression on Mo Changkong’s face was replaced with joy upon hearing Ye Qingtang addressing him as Senior Brother.

“Hahaha, alright. I have never imagined that I would be the Senior Brother of the Blood Moon Holy Lady. It seems like I will have some connections with the Blood Moon Sect as well in the future.”

Chapter 554 Replenish for Prosperity (3)

There were plenty of rumors about the Blood Moon Sect, but people had never seen them before. Now, the Xuanling Sect avoided the calamity due to the Blood Moon Sect’s help. They started to neglect the rumors of the Blood Moon Sect slowly.

Ji Yixuan and Mo Changkong looked at somewhere far away. The strong breaths of the hundreds of people were very close now.

“Junior Sister, I shall leave with Senior Brother Ji now. I believe we’ll meet again... as what you said,” Mo Changkong said.

“Take care,” Ye Qingtang said.

“Take care as well.” Mo Changkong folded his fists.

“Lady Ye, I’m looking forward to meeting you again,” Ji Yixuan said. He then disappeared with Mo Changkong.

Ye Qingtang looked towards the Blood Moon Division Head Jiang Chen and said, “You should leave soon.”

“Us?” The Blood Moon Division Head was confused. “Holy Lady, aren’t you leaving with us?”

Shuo Tianzang asked in confusion as Ye Qingtang did not seem to retreat.

Ye Qingtang pondered as she had more important things to do.

It would not be easy for her to get the Black Heaven Water from the mystic realm based on the current condition of Xuanling Sect.

The array formation that Xuanling Sect had used to protect the Mystic realm was broken during the fight. The mystic realm did not belong to Xuanling Sect anymore.

Wind Moon Sect and Qinglin Sect, especially the super sects, would definitely rush inside and claim their ownership. wuxiaworld.site

Xuanling Sect’s mystic realm was the source of inheritance. Normally, no one could enter besides Xuanling Sect. But now, the situation was different.

The Black Heaven Water could help her spirit root to level up, and that was her initial intention to enter Xuanling Sect. Now, she must get the Black Heaven Water. No matter what happened, she needed to reach the mystic realm in order to get the Black Heaven Water...

“Holy Lady?”

The Blood Moon Division Head Jiang Chen called out to Ye Qingtang slightly as she remained silent.

Ye Qingtang then pulled herself out of her thoughts and looked at Jiang Chen and the rest.

“I will not follow you.” She made her decision. “Huh?”

Jiang Chen was shocked.

If anything happened to the Blood Moon Holy Lady, how could they face the sect master and the Holy Lord in future... Of course, the Blood Moon Holy Lord might just punish them according to the sect rules...

However, Ye Qingtang had her own plans.

Getting the Black Heaven Water was just the first step. After that, she needed to go to the Nine Nights Dynasty to find out her parentage.

She did not have much time. The Xuanling Sect was safe for now, but after half a year... the barrier would be useless, and the calamity would arrive again. The Yunxiao Sect would never let go of the Xuanling Sect due to the secrets they knew.

Ye Qingtang only had half a year's time.

She needed to increase her ability to the level of a Yin Yang True Lord within half a year. If not...

"Holy Lady, you should leave with us. How can we allow you to risk your life in the world." The Blood Moon Division Head tried to convince Ye Qingtang with valid reasons so that she could return to the division with them.

Ye Qingtang thought about that before. The remote place was full of dead breath. There was no vitality at all. People of the Blood Moon Sect could refine the dead breath to restore their strength, but she could not.

It would be a waste of time for her to go to the remote place.

"Don't say anything anymore. I have made my mind," Ye Qingtang said.

Jiang Chen sighed as his Holy Lady insisted.

Chapter 555 Replenish for Prosperity (4)

Since the Holy Lord had disappeared, the orders from the Holy Lady were a must to obey. As the Blood Moon Division Head, Jiang Chen had no authority to force the Holy Lady to leave with them. He had to go according to her plan.

"Shuo Tianzang, you shall follow the Holy Lady in the future to ensure her safety."

The Blood Moon Division Head Jiang Chen looked at Shuo Tianzang after a while.

"That's not necessary." Ye Qingtang shook her head.

Shuo Tianzang was indeed strong, but as the Blood Moon Sect Branch Master, he would be needed by the division.

Furthermore, she got too many things to settle. It would be inconvenient for him to follow her.

Shuo Tianzang appeared to be depressed when Ye Qingtang rejected the offer. It would a great honor for him to be able to follow the Blood Moon Holy Lady.

"I shall not insist since Holy Lady has already made her mind," Jiang Chen said respectfully.

After a short while, The Blood Moon Division Head Jiang Chen waved his hand at Ye Qingtang and led everyone back.

The eight scarlet demonic beasts pulled the huge blood-colored carriage and disappeared gradually.

When the people of the Blood Moon Sect were leaving, there was another figure that was trying to sneak away.

“You! Where do you want to go.” Ye Qingtang smashed her palm down as the Blood Moon Elder was sneaking his way out.

Pow!

Ye Qingtang’s palm landed heavily on the Blood Moon Elder’s left shoulder.

The Blood Moon Elder shivered and turned over immediately. He forced out an awkward smile and said, “Holy... Holy Lady... Do you still have any orders to give...”

Ye Qingtang sized up the Blood Moon Elder in front of her. She appeared to be full of interest and said, “Weren’t you always thinking about when you could finally kill me with one move?”

How could she not know the plans that the Blood Moon Elder had all the time?

The Revolving Soul Orb that he gave her previously must be part of his plan to kill her. However, the Revolving Soul Orb fell into Elder Lin’s hand by chance, and he was the one that took the full blast of the explosion.

If not, she would be dead from the explosion of the Revolving Soul Orb.

The Blood Moon Elder’s body trembled, and he almost fell to the ground upon hearing her words.

The Blood Moon Elder pretended to comply the day when Ye Qingtang forced her to sign the contract, but he never stopped planning to kill her one day from that moment.

However, the Ye Qingtang back then was just a Xuanling Sect disciple.

Now, she was the Blood Moon Holy Lady. He would never dare to have the same thoughts in the past anymore.

“Ha... Haha... Ha... Holy Lady, I don’t understand what you mean... The respect I have for you is heavier than the stretch of mountains, deeper than the ocean, higher than the giants...”

Ye Qingtang waved her hand in disgust to stop him from nagging and spurted out saliva. The change in attitude was so fast, and so did his skill of saying nonsense improve. It seemed like he deserved more than the position as the Blood Moon Elder based on his abilities. He could even be a guardian.

“My infatuation towards Holy Lady can be proved by the Sun and the Moon, by the Heaven and the Earth...” Cold sweat started to appear on the Blood Moon Elder’s forehead.

“Infatuation?” Ye Qingtang frowned and showed an odd expression.

“No no no... my loyalty...” The Blood Moon Elder changed his wording immediately.

“Loyalty?” Ye Qingtang squinted her eyes.

Chapter 556 We Will Meet Again Some Day (1)

“No no no... It’s not infatuation nor loyalty... It’s...” The Blood Moon Elder was soaked in cold sweat, and his thoughts were rather jumbled. As he thought of his disrespect towards the Blood Moon Holy Lady, even if he had a million heads and they were all chopped off, it would not be enough to redeem himself. Fear intensified within him, and in addition to being glared at by Ye Qingtang, he trembled continuously, and his mind was blank. “It’s what the heart thinks. All our hearts become one, do what the heart wants, two hearts beat as one...”

..” Ye Qingtang stared at him, startled. Did this old fellow lose his mind?

“I think you are working your heart out while your heart is startled. You shaking with fear means that you have a guilty conscience.” Ye Qingtang was completely amused by the Blood Moon Elder.

“Holy Lady... Have mercy, Holy Lady!” The Blood Moon Elder’s face turned white in an instant.

“Did you want to say a heart of sincerity?” Ye Qingtang had a teasing expression.

“Yes... Yes yes yes yes!” The Blood Moon Elder slapped his thigh and nodded continuously. “Holy Lady is right. It is a heart of sincerity. The heart of sincerity I have towards Holy Lady can be appraised by Heaven and Earth, the Sun and Moon...”

Before Blood Moon Elder finished speaking, Ye Qingtang waved a hand again and interrupted him as she stared at the Blood Moon Elder in curiosity. “How exactly did you reach the position of the Blood Moon Elder?”

“I... I don’t know either...” Puzzlement filled the Blood Moon Elder’s face. “Although I also felt that I could become a Blood Moon Guardian with my skills back then, the Blood Moon Holy Lord did not pay me any attention... so I could only be an Elder...”

Finally, Ye Qingtang gave the Blood Moon Elder who was close to losing his mind a big thumbs-up. “You’ve won.”

In Xuanling Sect, Elder Mo and Elder Qin looked at each other.

Wasn’t that Blood Moon Elder their Xuanling Sect disciple, Zhou Qu...

But thinking about it carefully, if Ye Qingtang could become a Blood Moon Holy Lady, there seemed to be nothing strange if Zhou Qu was the Blood Moon Elder.

Although Xuanling Sect feared the resurrection of Blood Moon Sect due to the rumors previously, thinking about it now, Ye Qingtang did not do anything to harm Xuanling Sect and even led the Blood Moon Sect members here today which prevented the tragedy of Xuanling Sect’s annihilation.

To the Xuanling Sect masses, the words “Blood Moon Sect” were no longer frightening as before. Rather, Yunxiao Sect whom they had always revered wanted to massacre them.

After this battle, the distinction between the righteous and the evil blurred in their hearts.

What exactly was righteous? And what was evil?

The Blood Moon Sect had countless terrifying rumors, but how many of them were started by the various super sects? The credibility of these rumors...

“Qingtang, why aren’t you fleeing yet! Once more people from Yunxiao Sect come, you will not be able to flee anymore!” The Grand Elder shouted to Ye Qingtang.

“Qingtang, don’t worry about us. Lingyun Sect and Yuehua Sect are reasonable sects. With the support of this array formation, Yunxiao Sect cannot do anything to Xuanling Sect!” Elder Mo looked at Ye Qingtang and said.

Although Lingyun Sect and Yuehua Sect were known to be super sects just like Yunxiao Sect, they were much more upright and honorable than Yunxiao Sect.

At least, Lingyun Sect and Yuehua Sect had no scandals of allowing the sect disciples to snatch others’ spirit roots.

With the appearance of Yuehua Sect and Lingyun Sect currently, Yunxiao Sect would probably be suppressed by them from then on once they learned of the reason behind Yunxiao Sect’s decision to annihilate Xuanling Sect. Even if Yunxiao Sect wanted to do anything, they had to relatively exercise more restraint.

“Junior Sister Ye, don’t worry about us!”

Qin Huan, Zhu Changge, and other sect disciples shouted as well.

Chapter 557 We Will Meet Again Some Day (2)

“Alright! Take care, everyone!” Ye Qingtang nodded. She was aware of it as well. Although there was a huge difference between today’s battle and what she imagined, at least the outcome was still not that bad and Xuanling Sect was temporarily saved.

After sensing that the powerful aura of the three super sects was nearing, Ye Qingtang bade Elder Mo and everyone else goodbye before disappearing along with the Blood Moon Elder.

Currently, Xuanling Sect was protected by the divine power of the Blood Moon Holy Lord and was extremely safe. Thus, there was no need to worry.

On the contrary, Ye Qingtang offended Yunxiao Sect completely.

All of this, though, was Ye Qingtang’s plan. Back when Xuanling Sect had no other ways to survive, Ye Qingtang could only use herself to attract Yunxiao Sect’s grudge. Although it might not have worked, this method was all she could think of initially.

However, Ye Qingtang and the Blood Moon Elder did not go far away. They held their breaths and observed in a hidden corner.

In just a while, the three super sects returned.

Hundreds of people stood in the air above Xuanling Sect and scanned the surroundings.

“Eh... Where’s the Ultimate Elder...” Yuehua Sect’s Sect Master was puzzled.

After leaving just now, he suddenly felt the Ultimate Elder’s aura and knew that the Ultimate Elder was attracted over because of the Blood Moon Holy Lord’s appearance.

Although the Blood Moon Holy Lord was extremely powerful and unrivaled, the Ultimate Elder could pin him down. Thus, they longer had anything to be afraid of.

After returning, everyone realized that the Blood Moon Sect members and Blood Moon Holy Lord had already disappeared. There was no trace of even the Ultimate Elder.

“Mhm... It must be that after the Ultimate Elder appeared, he was locked in a battle with the Blood Moon Holy Lord. For powerful figures of that level, a battle would extend for thousands of miles. I guess we don't even know where they've battled to now,” the Lingyun Sect Master opined after a deep thought.

“Ah... I never thought that the Blood Moon Holy Lord who has disappeared for a thousand years would suddenly appear. Even the Ultimate Elder appeared as well... Today is really...” The Yuehua Sect Master sighed.

However, the Yunxiao Sect elders including Li Chenfeng did not look too good. That Blood Moon Holy Lord inflicted heavy injuries to their Yunxiao Sect's divine beast with just a strike, and the divine beast was still unconscious now.

Originally, from Yunxiao Sect's calculation, annihilating Xuanling Sect could be easily done.

However, unexpectedly, not only was Xuanling Sect not annihilated, Yunxiao Sect suffered heavy losses instead!

“Xuanling Sect?”

Very quickly, the Lingyun Sect Master looked at the barrier protecting Xuanling Sect and could not help but comment. “Xuanling Sect's heritage is indeed pretty powerful. The power of this barrier is extremely frightening, and there's simply no way of breaking it...”

“Haha, I still heard that the Xuanling Patriarch appeared earlier. We had been belittling Xuanling Sect all this while,” Yuehua Sect Master said as well.

The three sects were unaware that the place was enshrouded in the Blood Moon Holy Lord's divine power and merely thought that Xuanling Sect's heritage was profound.

The Yuehua Sect Master's switched the conversation to another subject quickly and looked at Li Chenfeng. “Why did you, Yunxiao Sect, come to annihilate Xuanling Sect for no reason?”

The other two sects heard rumors that Yunxiao Sect wanted to annihilate Xuanling Sect and were a little curious. After all, Xuanling Sect was only an ordinary sect. What reason would Yunxiao Sect exterminate it for?

It was, however, that they did not pay much attention to this matter and came here today only because of Blood Moon Sect's appearance.

Nonetheless, since they were there, they might as well voice their questions.

After hearing that, Li Chenfeng and the other Yunxiao Sect elders frowned instantly, and rather abnormal expressions appeared on their faces.

Chapter 558 We Will Meet Again Some Day (3)

They did not think there would actually be so many accidents in annihilating an ordinary sect. Not only did the Blood Moon Sect appear, but the other two super sects were also attracted over as well. Yet, the real reason that Yunxiao Sect wanted to annihilate Xuanling Sect for must absolutely not be told to these two super sects.

“I’m afraid you all are mistaken.”

Just as the Yunxiao Sect elders were at a loss of how to make up a plausible story, Ye You, who was beside Li Chenfeng, suddenly took a step forward and said slowly, “The reason that we came to Xuanling Sect today is because a Xuanling Sect disciple killed several Yunxiao Sect disciples and heavily injured dozens of disciples. Hence, we wanted Xuanling Sect to hand the person over. Who knew that not only did they disobey our orders, they even protected the murderer and revolted as a group without giving our Yunxiao Sect any respect. Such a disrespectful sect should, of course, be annihilated.”

A Yuehua Sect elder scoffed. “Xuanling Sect is actually so presumptuous!”

The super sects simply did not care about ordinary sects as the difference between them was like a chasm. For a Xuanling Sect disciple to kill a super sect’s disciple, it was undoubtedly a case of the low-ranked offending the high-ranked. A super sect’s dignity was offended, and Xuanling Sect’s protection was all the more absurd.

“Nonsense!”

Suddenly, Elder Qin shouted from below. “Fellow Yuehua Sect and Lingyun Sect people, actually, Yunxiao Sect came to annihilate Xuanling Sect because we discovered their ugly face that has been kept hidden from the world!”

“Shut up!”

Li Chenfeng glared at Elder Qin furiously.

“Shut up?” Before Elder Qin spoke, Qin Huan suddenly stood up and shouted, “The one who should shut up is you, this shameless old fellow!”

“What did you say?” A cold glint flashed across Li Chenfeng’s eyes.

“Why? Do you want to scare me? Come, Come and hit me.” Qin Huan’s left hand was on his waist and waved to Li Chenfeng with his right hand. “Come, come, come. Come in and kill me.”

Looking at Qin Huan’s provoking stance, Zhu Changge, Feng Moli, and the rest were speechless.

Xuanling Sect was enshrouded in the Blood Moon Holy Lord’s divine power, and no one dared to charge in.

Yunxiao Sect long wanted to annihilate Xuanling Sect, and hence, Xuanling Sect would not be polite to them at all.

However...

Qin Huan’s provocation was truly savage. It vented their anger as well!

“Come! Come over here!” Zhu Changge echoed after Qin Huan and shouted loudly. “You can come over here and kill us!”

Yunxiao Sect masses clenched their teeth, but they were helpless.

Speaking of Yunxiao Sect’s scandal, the Yuehua Sect Master’s interest was piqued. “Why don’t you say what scandal Yunxiao Sect has?”

“Yuehua Sect Master, Yunxiao Sect possesses the evil technique of snatching one’s spirit root. They placed their sect disciples in different sects and snatched the spirit roots of other sects’ disciples!” Elder Mo replied.

“WHAT?!”

After hearing the words, the expressions of the high-ranking executives in Yuehua Sect and Lingyun Sect changed immediately.

Snatching others’ spirit root was a martial Dao taboo! It was regarded as shameless by everyone in the world!

“After we discovered this scandal, Yunxiao Sect came to silence us.” Xuanling Sect Master replied.

“Rubbish!” A Yunxiao Sect elder scoffed. “You all must not believe these cunning people. How would our Yunxiao Sect commit such an evil act!”

Both Yuehua Sect and Lingyun Sect were in thought.

Previously, they had already found the excuse that Yunxiao Sect used to annihilate Xuanling Sect a little superficial. After listening to Xuanling Sect’s argument, it did not seem like a lie either... Otherwise, why would Yunxiao Sect bring such a large army and even deploy the divine beast just to get an explanation from a disciple?

Chapter 559 We Will Meet Again Some Day (4)

They could not only believe Xuanling Sect completely as well since no one had any evidence after all.

Moreover, Yunxiao Sect and Xuanling Sect were enemies, and the words of Xuanling Sect disciples might contain some slander.

“Haha. This is a private issue between Yunxiao Sect and Xuanling Sect and has nothing to do with us... However, it better be that Xuanling Sect is talking nonsense. If Yunxiao Sect is truly like what Xuanling Sect said...”

The Lingyun Sect Master sneered and stopped his sentence there.

Before Li Chenfeng could explain, a shadow suddenly fell on the place.

Almost instinctively, everyone gazed up in the air.

A giant battleship floated in midair, where a man in white stood in it.

“Antiquity Palace?!”

“That person is Antiquity Palace’s emissary, Mu Su?” The three sects were extremely astonished.

The Antiquity Palace was similar to the Blood Moon Sect, except that the Blood Moon Sect was evil while the Antiquity Palace was the leader of the righteous.

Furthermore, the Antiquity Palace did not gather followers like the Blood Moon Sect, and its Palace Lord was all the more mysterious. His skills were profound and unfathomable, and he rarely appeared before people.

Including the people present in Xuanling Sect, everyone guessed that the Antiquity Palace’s appearance was probably related to the Blood Moon Sect.

Standing on the battleship, Mu Su swept a glance over the area below him.

He had already reached here a long time ago and originally intended to bring Ye Qingtang away. Yet unexpectedly, the Blood Moon Holy Lord suddenly appeared. Thus, he did not dare to casually appear.

What Mu Su never expected was Ye Qingtang actually becoming the Blood Moon Holy Lady. How was he going to mention it to His Highness when he returned...

“Lord Mu Su, Xuanling Sect was speaking nonsense just now. Please do not believe it!”

Li Chenfeng’s brows were tightly furrowed, as he did not know whether Mu Su heard what the Xuanling Sect elders had said.

However, Mu Su vanished quickly without uttering a word.

Once the Antiquity Palace’s battleship was gone, Li Chenfeng finally sighed in relief. He immediately looked at Xuanling Sect with coldness filled in his eyes.

This Xuanling Sect has to be gotten rid of?

Allowing them to live in this world is not a good thing to Yunxiao Sect!

However, it was difficult to break the barrier above Xuanling Sect, and this troubled him greatly.

The sect protector divine beast was heavily injured and still required time to recuperate once it returned to the sect. There was simply no way it could continue to battle in a short time. Without the divine beast, it would be difficult to break Xuanling Sect’s barrier.

As Li Chenfeng stared at the barrier, a slightly odd feeling arose in his heart.

If Xuanling Sect executed this barrier from the start, it would have probably been impossible for them to charge in...

However, things had already reached this point, and Li Chenfeng did not continue to think further.

At that instant, in a hidden corner.

After seeing Mu Su passing by there, Ye Qingtang initially thought that the Antiquity Palace, as the leader of the righteous path, was there to rescue Xuanling Sect from the misery, but she ultimately realized that she was overthinking...

“Holy Lady, let’s go. We must not let Yunxiao Sect find us,” the Blood Moon Elder said softly.

“Let’s go.”

Ye Qingtang agreed, and the two of them disappeared.

Not long later, both Lingyun Sect and Yuehua Sect left successively while Yunxiao Sect secretly ordered people to watch Xuanling Sect.

Although they could not enter the barrier, the Xuanling Sect people could leave the barrier. If they did not watch Xuanling Sect, all of the Xuanling Sect masses would escape before long.

It was Li Chenfeng’s excessive worry this time. Many disciples in Xuanling Sect were heavily injured and had to continue to be treated. Before those disciples recovered, the Xuanling Sect masses would naturally not go anywhere.

Chapter 560 A Story (1)

Within the barrier, Qin Huan, Zhu Changge, Yun Shu, and other disciples—even Feng Moli—followed Qin Huan and insulted Yunxiao Sect loudly, which invigorated them.

On the contrary, the expressions of the Yunxiao Sect disciples were extremely ugly, and they died to tear the Xuanling Sect disciples into pieces. Yet, they were helpless.

On that day, the Yunxiao Sect’s Sect Master was enraged after learning of what happened.

Not only was Xuanling Sect not annihilated, they instead let Yuehua Sect and Lingyun Sect learn about the matter, and even the divine beast was heavily injured!

Li Chenfeng was in a bad mood after being reprimanded by the Sect Master. If Ye Qingtang had not pretended to be a Blood Moon Guardian and lead the Blood Moon Sect masses there...

Yunxiao Sect directly placed Ye Qingtang in the Assassination Roll, and the reward even surpassed that of the first person on the Assassination Roll!

Whoever captured Ye Qingtang alive could select any Dharma treasure in Yunxiao Sect!

Many Yunxiao Sect elite disciples viewed Ye Qingtang as prey and were eager to give it a try. This was a chance where they could achieve instant success.

In the dark night, outside a pavilion in Yunxiao Sect.

The candlelight in the room shone brightly and emitted a faint aroma.

Ning Luo was dressed in white with a chessboard before him.

As Ning Luo held a chess piece, an unknown smile hung on his lips.

A mysterious person who was wrapped in a black robe all over sat on the other side of the chessboard.

“This piece is still alive.” Ning Luo chuckled softly.

The black-robed man did not respond, seeming to be fully focused on playing chess.

“This group of Yunxiao Sect mobs... was of great help.” The corners of Ning Luo’s lips curled up slightly.

“The plan... is brought forward because of Ye Qingtang. This does not matter though. Everything is under control.” A deep voice sounded from the black robe.

“Only when this game of chess is full of variables would it be exciting, and only as such would we, chess players, be even more serious,” Ning Luo said.

As he said that, a smile that sent shudders could be seen on Ning Luo’s face as he glimpsed at the door.

“Senior Brother Zhuo, after hiding outside my door and listening for such a long time, why don’t you come on in?” Ning Luo’s emotionless voice sounded.

Immediately, Senior Brother Zhuo’s expression changed drastically.

This Senior Brother Zhuo was the Yunxiao Sect inner sect disciple who first rescued Ning Luo away.

He initially came today to find Ning Luo to talk about assassinating Ye Qingtang. After all, Ning Luo hid in Xuanling Sect for a long time and should have some understanding towards Ye Qingtang’s abilities. Yet unexpectedly, there was actually an outsider in Ning Luo’s room, and the two of them seemed to be secretly plotting something!

Seeing that Ning Luo discovered him, Senior Brother Zhuo’s expression changed, and he left immediately. He must notify this matter to Holy Lady Ye You and the Sect Master!

“Ah...” Ning Luo sighed. “You came without greeting and left without bidding goodbye. What did you treat my place as?”

Afterward, as Ning Luo focused on the chessboard, his right palm stretched forward slightly.

In an instant, a strange light erupted from Ning Luo’s palm.

Outside the door, Senior Brother Zhuo was overwhelmed with horror. He could not control his body and floated into Ning Luo’s room.

In just two breaths, Senior Brother Zhuo was grabbed by his throat by Ning Luo.

However, Ning Luo never batted him an eye and smiled at the black-robed man. “It’s your turn.”

The black-robed man treated Senior Brother Zhuo as non-existent and focused on the chess game.

“Junior... Junior Brother Ning Luo... What... What exactly are you...” Senior Brother Zhuo was shocked.

From his memory, Ning Luo’s skills could only be considered ordinary amongst the Yunxiao Sect inner sect disciples. Yet unexpectedly...

“Senior Brother Zhuo,” Ning Luo said softly and interrupted him. “Since you came to my residence, as part of playing the host, let me tell you a story.”
