

Chapter 601: Mental Demons (1)

Before this extraordinary gain, had they ever thought of Ye Qingtang as their companion?

The moment those people spoke, a few shadows from faraway darted towards them.

The leader of the group was donned in a dragon robe. Standing afar, he had an overbearing aura that was so mighty it was as though it could crush everything in the world.

“The Emperor of Central Dynasty...”

As the onlooker, Ye Qingtang’s brows were furrowed as she watched that man who was standing in the air.

Central Dynasty and Sacred Martial Academy were her archenemies. One day, she would still head to the Central Dynasty, and at that time... she would definitely erase their names from this world!

“Hand the Heart of the Demon God over.”

The Emperor of the Central Dynasty looked at the lady unsympathetically as though he was looking at a tiny ant.

Currently, the lady was already at a dead end.

“Hahaha, Ye Qingtang... I told you to be on your guard against Yu Qingqiu and the Sacred Martial Academy, but you didn’t listen. Do you regret it now!”

However, in this desperate situation, a cold laugh suddenly reverberated throughout the place!

Everyone looked at the sky immediately.

A giant ape descended from the sky and landed near the lady gradually. His huge frame guarded in front of the lady.

“Beidou Demon Lord of the demon clan?”

“Beidou Demon Lord, the number one talent of the ape clan’s descendants?”

Many onlookers discussed after seeing that giant ape.

“Brother...”

When Ye Qingtang saw the giant ape who protected the lady behind him, she shivered as the past memories floated to her mind.

In her previous life, Ye Qingtang finally became a Holy Venerate after three hundred years. In these three hundred years, she had a total of six sworn brothers, and this giant ape from the demon clan of the Central Dynasty was one of them. Addressed as Beidou Demon Lord by others, he was one of the ten top talents on this mainland and held a place on the Talent Roll.

“Beidou Demon Lord, could it be that you wish to take a share of the loot as well?” Yu Qingqiu looked at Beidou Demon Lord.

Beidou Demon Lord scoffed. “Ye Qingtang is my sworn younger sister. No matter how heartless I am, I will not attack my own sister.”

Seeming to hear the meaning behind Beidou Demon Lord’s words, a royal from the Central Dynasty said, “Beidou Demon Lord, this has nothing to do with you. It’s better not to get into trouble. Your demon clan and we, Central Dynasty royals, are already on bad terms. Do you still wish to deepen the conflict?”

“Haha.” Beidou Demon Lord laughed loudly out of a sudden. “I, Beidou Demon Lord, may be an ape from the demon clan, but I don’t represent the demon clan on this mainland. Today’s incident is solely my intention and has nothing to do with the demon clan.”

As the Beidou Demon Lord finished his sentence, his body enlarged instantly and extended several hundred meters. It was though he was a giant demon that covered the sky.

“Qingtang, leave!”

Immediately, the giant ape grabbed Ye Qingtang and sprinted forward.

Behind them was the pitch-black Dead Sea with a turbulent storm in the air above it.

The giant ape brought the lady and crossed into the Dead Sea.

Everyone present was appalled by the sight.

As Yu Qingqiu watched Beidou Demon Lord enter the black Dead Sea, she hollered furiously. “Beidou Demon Lord, are you crazy? That is the sea of death. No matter how powerful you are, you will still be torn into pieces by the turbulent storm once you enter the Dead Sea!”

“Hahaha...” Beidou Demon Lord laughed loudly. “Don’t you all want my sister’s Heart of the Demon God? Why? Are you all scared of this Dead Sea now?!”

Chapter 602: Mental Demons (2)

Everyone from the Central Dynasty royals and Sacred Martial Academy watched on angrily but could not do anything either.

While the Heart of the Demon God was good, if their lives were gone, it was useless no matter how good it was.

One would definitely die after entering the sea of death as the turbulent storms could shred everything into pieces.

If they chased after him and entered it, wouldn’t they be completely churned by that turbulent storm as well!

While everyone was unreconciled, they could only watch Beidou Demon Lord bring Ye Qingtang away with their eyes wide open.

Immediately, Ye Qingtang ignored the sea of death and chased after Beidou Demon Lord.

All of this was merely a part of Ye Qingtang's mental demons. In this space, she was intangible and invisible. Thus, the sea of death did not have any effect on her. Everything here was merely an illusion from her memory.

Some time later, Ye Qingtang arrived near the bottom of the sea of death.

At that instant, Beidou Demon Lord was already drenched in blood, and all his fur was stained red while the black Dead Sea was also dyed crimson by his blood.

On the other hand, the Ye Qingtang from the previous life was wrapped in a ray of golden light and was completely isolated from the torrential storm of the Dead Sea. She did not sustain a single injury.

Beidou Demon Lord's body was hundreds of meters large. So magnificent was it that it seemed like a pillar that supported the sky, astounding everyone.

Yet presently... this tall and indomitable frame was a ghastly sight.

The turbulent storms in the surrounding had already cut Beidou Demon Lord's flesh into pieces, and blood cascaded like raindrops...

"Brother!" As the lady saw that the giant ape still stood straight and upright in this deathly situation, tears streamed down her face.

"Hahaha..." Beidou Demon Lord looked at the sky and laughed, ignoring the blood that spouted out of all the ruptured cuts. "I, Beidou Demon Lord, can be considered... to have crossed the sea of death in this lifetime. From now on, historical records must mention my name!"

Subsequently, Beidou Demon Lord lowered his head and looked at the lady in the golden light.

"Qingtang, the golden light on your body is converted from my Demon Core. Even if you are in this sea of death, you can get through a day..."

With the lady in his hands, the giant ape moved his legs with extreme difficulty. With every step he took in this sea of death, a glaring blood print was left below his feet. Each step depleted Beidou Demon Lord's vitality continuously.

However, Beidou Demon Lord seemed to have no fear at all as he walked forward upright. He was very clear that only by sending his sister to a safe land above the Dead Sea would he prevent those people from taking her life.

He...

Must not stop.

"Brother... Let's return... Your body is no longer able to withstand the force of the turbulent storms..." the lady said and looked up at the giant ape.

However, Beidou Demon Lord did not utter a single word and walked several miles in the sea of death before arriving at an unknown island.

The moment Beidou Demon Lord's feet stepped on the island!

Boom!

A loud sound erupted.

Beidou Demon Lord's huge frame collapsed with a crash. As gushes of blood from his body dyed the ground, his vitality disappeared rapidly.

"Brother!"

The lady felt a piercing pain in her eyes as she watched the giant ape turn back into a normal human.

"Ha... Haha..." the ape said between pants. "Qingtang... that year... when we became sworn siblings... I said that... I would do... my duty as the older brother... Now... I... I have done it..."

The lady wept silently as she held onto the pair of furry hands.

Chapter 603: Mental Demons (3)

"You... You have a simple... and kind... heart... It's a good thing... but also a bad one... In this world, one may know a person's face... but not his heart. From now on... you must not tell... anyone about... the Heart of the Demon God in your body..." The ape's body quivered, and color slowly drained from his eyes as though he was at the point of death.

"I hate... I hate... that I have not... saved my father... nor have I... become the number one... in the demon clan... I am not resigned to this... I hate this so much..." The ape muttered.

A repressed sound escaped from Beidou Demon Lord's blood-stained lips, and his furry hands clutched on Ye Qingtang tightly. Suddenly, all force was lost from his hands, which hung down weakly right after...

"Bro... Brother!" The lady screamed in grief.

For three whole days, the lady sat beside the ape without consuming anything. With no more tears left to cry, her empty eyes were filled with repression as she looked at the ape beside her.

If not for her, how would Beidou Demon Lord have died...

If not for her...

Ye Qingtang stood there for a long time. As she watched herself from her previous life sit in front of Beidou Demon Lord, it was as if a huge boulder weighed down on her heart.

Even if she knew the scene before her was only an illusion from her previous life, but... she once again saw the scene of her brother dying because of her...

After a long time, the lady buried Beidou Demon Lord there and walked into the forest.

Once the lady left, Ye Qingtang walked forward and knelt before Beidou Demon Lord's new grave. She swore to herself with a firm expression in her eyes. "Brother... In this lifetime, I will definitely protect your safety!"

Beidou Demon Lord was her first sworn brother in her previous lifetime and died on this unnamed island in order to protect her.

His dream was not even accomplished...

"I, Ye Qingtang, swear to destroy Sacred Martial Academy and Central Dynasty and to help Brother to rescue his father. In this life, I must not let Brother have a tragic death!"

Ye Qingtang obtained a bottle of wine from her space ring.

She drank half of the bottle and subsequently poured the other half in front of the grave.

This was the Beidou Demon Lord from her previous life, but... she was reborn, and time reversed. In this life, Beidou Demon Lord was still alive.

As Ye Qingtang looked at herself from her past life cultivate painstakingly every day, she did not know what to feel.

After Beidou Demon Lord had sent her to this island in her previous life, Ye Qingtang lived on this island for half a year and discovered some secrets of the origins of the demon clan and the Central Dynasty royals from the relics on the island.

One day when the turbulent storms of the Dead Sea disappeared, Ye Qingtang finally left this place.

After leaving the sea of death, Ye Qingtang headed to other mainlands and never returned here.

"These are my mental demons... You wish to make use of my mental demons and trap me in it forever, don't you..." Ye Qingtang's eyes were firm. Despite all the twists and turns, her mind was still as resolute. She scoffed. "That's looking down on me too much already."

"Holy Lady..."

Suddenly, a vague voice sounded from nowhere.

As this voice emerged, the sky shattered into pieces immediately like glass.

Once Ye Qingtang opened her eyes, she realized that she had returned to the third palace.

At that instant, Ye Qingtang was holding the Demonic Blood Sword and pointed it straight at the Blood Moon Elder.

"Holy Lady, wake up... I'm going to retaliate!" The Blood Moon Elder shouted at Ye Qingtang frantically.

Previously, the Blood Moon Elder followed Ye Qingtang into the third palace, but he suddenly saw Ye Qingtang holding onto the Demonic Blood Sword and slashing towards him instantly, behaving no different from those who had lost their minds.

Chapter 604: The Inscrutable Hearts of People (1)

At that instant, Ye Qingtang had already broken free from the screen of her mental demons and regained mental clarity.

“You want to retaliate?” Ye Qingtang looked at the Blood Moon Elder.

“Holy Lady, you’re awake?” The Blood Moon Elder was slightly stunned when he saw Ye Qingtang speak.

Ye Qingtang nodded. “I fell into my mental demons earlier, but I have broken free from it already.”

After hearing Ye Qingtang’s words, the Blood Moon Elder had a shocked expression. “Mental demons?”

Ye Qingtang looked down at the Black Heaven Water in her hands.

“There seems to be something wrong with this Black Heaven Water.” Ye Qingtang mumbled.

The Blood Moon Elder walked forward immediately and looked at the Black Heaven Water.

“Holy Lady, can I have a look?” The Blood Moon Elder asked.

Ye Qingtang handed the Black Heaven Water to the Blood Moon Elder directly.

Currently, Ye Qingtang had already trusted the Blood Moon Elder and was not worried that he would snatch her Black Heaven Water away.

After inspecting it for a long time, he covered the mouth of the bottle, and a black mist emerged from his palm subsequently.

About a few breaths later, a pitch-black plant about the size of a thumb was sucked out from the mouth of the bottle by the Blood Moon Elder.

“This is... Ghost Wood Root...”

The Blood Moon Elder was surprised, and even Ye Qingtang’s brows were furrowed.

The Ghost Wood Root was a plant that grew in lands that were condensed with grievance, and it was bred using grievance. It only formed after a hundred years of growth, and this Ghost Wood Root that was about the size of a thumb required at least two hundred years to grow.

The Ghost Wood Root emitted a faint scent. Once a cultivator breathed it in, they would hallucinate and be trapped in his deepest mental demons.

“The Ghost Wood Root itself is not scary, and the diffusion of its scent is extremely limited, but when it’s placed in the Black Heaven Water, the effects are multiplied by at least a few times...” Ye Qingtang frowned deeply as she pondered.

When they entered the Hell of Avicinaraka, everything seemed to be designed by someone...

Cultivators like them who entered the Hell of Avicinaraka were like chess pieces which were controlled and toyed by someone!

“What exactly... is going on...” The Blood Moon Elder was rather anxious.

Looking back, it seemed like they were manipulated by an invisible hand throughout, including entering this mysterious palace...

Ye Qingtang looked behind her. In the second palace, more than ten people were in a frenetic state and fighting each other with their lives.

A golden flame emerged in Ye Qingtang's palm immediately, burning the Ghost Wood Root into ashes.

At the same time, the people in the second palace who were originally killing others suddenly stopped.

As the Ghost Wood Root was completely burnt, the bewitching scent no longer persisted, and everyone naturally sobered up.

"This..."

"What happened?"

"I seemed to... be stuck in an illusion just now?"

The people in the second palace were very puzzled.

Suddenly the Yunxiao Sect Elder caught sight of Ye Qingtang who held the Black Heaven Water from the corner of his eyes.

"Black Heaven Water!"

After seeing the Black Heaven Water in Ye Qingtang's hands, the Yunxiao Sect Elder's expression changed immediately.

The preciousness of the Black Heaven Water was no less than that of the paragon Dharma treasures on this mainland.

Everyone knew that the Black Heaven Water could cleanse the spirit root and evolve its physique. It was a rare treasure that could cause the super sects to go crazy over.

However, this item was extremely hard to come by, and normal people simply did not even have the chance to see it.

"Is that the Black Heaven Water in your hands!"

The Yunxiao Sect Elder flew towards Ye Qingtang immediately and locked his eyes on the item in Ye Qingtang's hands.

Chapter 605: The Inscrutable Hearts of People (2)

"So what if it is?" Ye Qingtang scoffed.

The Yunxiao Sect elder never hid his thoughts; he did take a fancy on the Black Heaven Water in Ye Qingtang's hand.

"Fellow, hand the Black Heaven Water to me!" The Yunxiao Sect Elder's expression was cold as ice as he stretched a hand out to Ye Qingtang.

"Hand it to you?" Ye Qingtang found it funny. "This Black Heaven Water is mine. Why must I hand it to you?"

At this instant, more and more super sects' disciples and wardens noticed the Black Heaven Water in Ye Qingtang's hands.

“Divide the Black Heaven Water with everyone!”

“That’s right. We risked our lives to enter this mysterious palace and almost died in here. How can we let you enjoy this big destiny alone!”

“Black Heaven Water... All of us should have a share. It should be divided amongst all of us!”

Many disciples and wardens shouted angrily. This Black Heaven Water was extremely rare, and now that they had seen it, how would they let it go?

“Ha...” Ye Qingtang’s lips curled, and a cold sneer appeared on her face. As her eyes swept across everyone at the scene, she said, “If not for me, all of you would have died in your mental demons. Yet, you all still want me to share this Black Heaven Water out equally now?”

“What a joke! We relied on our own abilities and walked out of our mental demons. It has nothing to do with you. You must want to have this Black Heaven Water for yourself alone!”

“That’s right. Aren’t you too selfish? If you don’t divide the Black Heaven Water out today, don’t blame us for being heartless!”

Ye Qingtang could not help but recall her past life as she looked at the *ssh*le faces in the palace.

In her past life, she had seen too many of these scenes because of the Heart of the Demon God. Today, others forced her to hand the Black Heaven Water over, but in her past life, it was to force her to hand the Heart of the Demon God over...

“Ha... Sure.”

Ye Qingtang scoffed coldly and directly threw that golden bottle to the Yunxiao Sect Elder.

“Currently, the Black Heaven Water is no longer with me. If you all want it, ask for it from the Yunxiao Sect Elder.” Ye Qingtang sneered.

Ye Qingtang had already expected this situation. Thus, she had already stored the Black Heaven Water in her space ring earlier on. As for the golden bottle, she had already changed it into consumable clear water a long time ago.

However, the Black Heaven Water had been stored in the golden bottle for a long time, and even if it was replaced with clear water, the smell of the Black Heaven Water was still extremely strong. Thus, no one would know that Ye Qingtang had already switched it.

After everyone saw Ye Qingtang hand the Black Heaven Water over to the Yunxiao Sect Elder, everyone’s eyes shifted away from Ye Qingtang and landed on the Yunxiao Sect Elder.

At that moment, the Yunxiao Sect Elder treated it as a treasure and kept it immediately.

“Yunxiao Sect Elder, what is the meaning of this!”

“Do you want to hog the Black Heaven Water for yourself?!”

Seeing that the Yunxiao Sect Elder did not intend to hand the Black Heaven Water over, everyone apart from the Yunxiao Sect disciples was infuriated.

While the Yunxiao Sect disciples were angry as well, they did not dare to speak their minds out. After all, he was an elder from their sect, and they could not say anything.

“Hmph!” The Yunxiao Sect Elder sneered. “A hundred years ago, my Yunxiao Sect once had a portion of Black Heaven Water but lost it later on. In my opinion, the Black Heaven Water in this Hell of Avicinaraka was the one that Yunxiao Sect lost back then. Is there anything wrong for me to retrieve my sect’s item?”

“What did you say?!”

“Yunxiao Sect Elder, do you treat us as fools?! When did your sect have the Black Heaven Water? Even if it had the Black Heaven Water, it has been lost for hundreds of years. What has it got to do with the Black Heaven Water in this mystic realm!”

People from other super sects in the second palace sneered coldly.

Chapter 606: The Inscrutable Hearts of People (3)

However, no one dared to move even though they felt that the Yunxiao Sect Elder was deceiving them.

After all, he was an elder of Yunxiao Sect. If they entered into a conflict here, people were afraid that it would result in a conflict between sects should they leave this place alive. However, everyone was unwilling to let the Yunxiao Sect Elder keep the Black Heaven Water for himself.

As everyone was forcing the Yunxiao Sect Elder to hand the Black Heaven Water over, a black fog suddenly floated above everyone.

The black fog suddenly formed into a male who was completely wrapped in a black robe.

“How interesting.”

The black-robed man’s sinister laughter echoed throughout the entire hall.

Upon hearing that voice, everyone immediately looked toward that black-robed man.

“Who are you!” A super sect warden shouted at the black-robed man angrily.

The black-robed man remained silent. The pair of eyes that were only revealed looked at Ye Qingtang quietly but looked away very quickly.

“Who exactly are you!” The Yunxiao Sect Elder sized up the black-robed man.

However, the black robe was wrapped around the person securely, and it was impossible to see the person’s face.

“Who I am is not important.” The black-robed man laughed apathetically. “The original plan is for you all to die here... It’s truly weird. I placed the Ghost Wood Root in the Black Heaven Water, and according to logic, the effect of the Ghost Wood Root should be strengthened multiple folds. All of you should have been trapped in your mental demons, making you all kill each other...”

The black-robed man mumbled, seeming to be speaking to himself yet also seeming to be telling everyone.

Ye Qingtang's eyes were fixed on that black-robed man, and puzzlement filled her eyes.

Although this black-robed man deliberately spoke with a soft voice, Ye Qingtang somehow felt that it was rather familiar.

As the black-robed man finished his sentence, everyone was astounded.

"Being trapped in our mental demons was actually your doing?!"

"Who exactly are you? Why do you want to harm us!"

Everyone in the hall was enraged immediately. They almost died in this palace, and the main culprit was actually this black-robed man before them!

"Haha. Who I am is actually not important." The black-robed man shook his head and laughed. "You all were sinners the moment you are born. Starting this Hundred Level Peril Hell of Avicinaraka was merely to use your blood to cleanse these sins in the world."

"Nonsense! How could someone be able to control the danger level of a mystic realm? If you don't speak the truth, I will slaughter you today!" The Yunxiao Sect Elder shouted furiously.

"Ignorant." The black-robed man scoffed. "I originally wanted to use the Ghost Wood Root to kill all of you, but it seems that this plan has failed... Since that's the case, let me personally release you sinners."

Afterward, the black-robed man formed a print with his palms.

BOOM BOOM!!

In the next second, the entire palace rocked crazily and emitted loud rumbles.

Very quickly, a blood-colored light enshrouded the entire palace. An endless sea of blood condensed from the red light and surged into the hall instantly.

"Extermination Of Life Formation?!"

After noticing the situation, the expressions of the Yunxiao Sect Elder and other powerful figures changed drastically.

The Extermination Of Life Formation was an extremely high-level and dangerous formation. In less than fifteen minutes, any living beings in it would turn into blood water!

"This hall actually has the Extermination of Life Formation!"

"How... can it be!"

For a moment, everyone in the palace was utterly frantic and could not believe it.

"In this case, the Hell of Avicinaraka realm is simply a huge scheme. Even the supposed fiendcelestial beast is also a big lie that was let out for this scheme!" One of the super sect elders shouted.

Chapter 607: The Extermination Of Life Formation (1)

“Hehe... the Hell of Avicinaraka is indeed a conspiracy... However, the fiendcelestial beast is not a lie. There was a fiendcelestial beast that ran into the Hell of Avicinaraka a few hundred years ago. Actually, it has nothing to do with the fiendcelestial beast... Ultimately, your sin stems from desire and greed.”

The black-robed man turned into a ball of black fog and disappeared.

As the black-robed man disappeared, the palace was in total chaos.

“Run! The Extermination Of Life Formation is turned on!”

“We shall open the door together!”

The huge door of the hall was closed, and all exits were sealed off as the black-robed man left.

Everyone took out their Dharma treasures and weapons and initiated strong attacks towards the huge door that determined their survival.

However, though everyone combined their forces, the huge door remained intact.

Ye Qingtang frowned. She looked at the Blood Moon Elder beside her and said, “Do you have any method to break the Extermination Of Life Formation?”

The Blood Moon Elder contemplated for a while and said, “It shouldn’t be a problem if I’m given enough time. However, under the current situation, before I can break the Extermination Of Life Formation, we will die here.”

Ye Qingtang did not say anything and took out the remaining talismans from her space ring.

There were three talismans remained. Two of them were from the little disciple of the Yunxiao Sect Master that she killed. The last one was from the drained well in the blood-colored city.

“Hehe... Ye Qingtang, I did not expect you to have the Space-transfer Talisman.”

Suddenly, the black-robed man’s deep voice came out of nowhere.

The rest in the hall were busy attacking the huge door, and no one noticed the black-robed man’s voice.

However, Ye Qingtang was slightly shocked after hearing his words.

Her disguise was considered rather successful; even her parents might not recognize her. However, the black-robed man could see through her disguise?!

“May I know what you are?”

Ye Qingtang scanned through her surroundings, but there was no trace of the black-robed man. There was no reply as well. It seemed that the black-robed man had left.

“Holy Lady, did the black-robed man mention the Space-transfer talisman?” The Blood Moon Elder stared at the talisman in Ye Qingtang’s hands and asked.

“Yes...” Ye Qingtang nodded. “That was what the black-robed man referred to just now.”

The two talismans that Ye Qingtang got from the Yunxiao Sect disciple were not Space-transfer Talismans. The only one left would be the mysterious talisman that she obtained from the city...

The talisman was black in color and was engraved with mysterious words. It seemed that there was really turbulence of space energy within.

“Holy Lady, I did sense that there was some space energy turbulence in the black talisman... However, the black-robed man was odd. Why would he tell you that this is the Space-transfer Talisman? I am scared that it’s a conspiracy!” the Blood Moon Elder said seriously.

The black-robed man’s intention was to let everyone here die in the hall.

It seemed that the black-robed man accidentally told Ye Qingtang that she had a Space-transfer Talisman, but it was apparent that he said it on purpose.

“We can only give it a try now. Otherwise, we will die in the Extermination Of Life Formation and turn into a pool of blood.” Ye Qingtang frowned heavily. They could only try the talisman as there was no other option.

Chapter 608: The Extermination Of Life Formation (2)

There was still hope to survive if they gave it a try. If they did not dare to gamble, death would be the only way out.

The Blood Moon Elder stared at Ye Qingtang and said, “Holy Lady, you should go... The talisman should be able to send you out of the Hell of Avicinaraka. Take care...”

Ye Qingtang was silent.

The Blood Moon Elder took a glimpse at Ye Qingtang and immediately withdrew his sight. Disappointment filled his eyes.

At this point in time, he had hoped that the Holy Lady would ask him to leave together.

However, if he put himself in her shoe, he would leave alone as well... The space energy in the Space-transfer talisman was only enough to help one person escape the mystic realm.

The Blood Moon Elder did not have any fantasies towards Ye Qingtang. He turned and joined the rest to attack the door of the palace.

No one wanted to wait for death to come, especially the Blood Moon Elder. If he died again, he did not know how long it would take for him to revive. He did not want to die...

Though the chances of breaking the door were vague, he still needed to try.

However, the Blood Moon Elder felt that his left shoulder was held tightly by a warm hand while he was attacking the door.

The Blood Moon Elder turned instinctively and saw a familiar face.

“Holy Lady?” The Blood Moon Elder was stunned and could not believe who he saw. Ye Qingtang wanted to... leave with him?

“Go.” Ye Qingtang chuckled.

Though the space energy turbulence in the talisman was only enough to send one person out of the Hell of Avicinaraka, Ye Qingtang would not leave the Blood Moon Elder here. She needed to give it a try no matter what.

Ye Qingtang held the weak lady “Ouyang Qian” in front of her, and then the black talisman was ignited.

Swoosh!

As the black talisman was burnt, a strange ripple surrounded Ye Qingtang and the Blood Moon Elder.

Like a magic trick, the two of them disappeared from the hall at the next second.

However, the moment before they disappeared, Ye Qingtang noticed that the Yuehua Sect Master who regained his consciousness escaped the palace the moment the Extermination Of Life Formation was turned on. The rest all became a pool of blood in the Extermination Of Life Formation and were absorbed by the ground.

...

After a long while, Ye Qingtang heard birds tweeting beside her eyes.

She opened her eyes slowly and noticed that she was in a valley together with the Blood Moon Elder.

There were rivers and a stretch of mountains in front of them. It seemed that they were in a heaven-like place.

Many birds were resting on the trees in front of them, and that was where the tweeting came from.

“We’re out...”

Astonishment flashed through Ye Qingtang’s eyes.

The black-robed man did not lie to her. The talisman she obtained from the blood-colored city was indeed a Space-transfer Talisman.

“Who is the black-robed man...” Ye Qingtang frowned and contemplated.

Ye Qingtang had the feeling that she knew the black-robed man. He seemed to be an elder from his voice.

“That’s strange. Holy Lady, why would the black-robed man tell you the information about the Space-transfer talisman? If he did not say that, we would have died in the palace.

Ye Qingtang was confused about the Blood Moon Elder’s question as well.

However, it was very fortunate that they could escape. There was no point in thinking about that anymore.

Chapter 609: The Extermination Of Life Formation (3)

“It’s still the Hell of Avicinaraka... We did not manage to get out.” Ye Qingtang sighed softly.

Though the Space-transfer Talisman could ignore the constraints of space and send the user to all places, the space energy in Ye Qingtang’s talisman was very limited. If Ye Qingtang used it alone, she would definitely be able to leave the Hell of Avicinaraka. However, the power was limited when she brought the Blood Moon Elder along. As a result, they just escaped from the palace.

“Holy Lady... if... if just now you used for yourself, you should be out of the Hell of Avicinaraka by now...” The Blood Moon Elder looked at Ye Qingtang. He did not understand why Ye Qingtang would grab him at that key moment.

Ye Qingtang glanced at the Blood Moon Elder and said, “You have been following me for so long and helped me in various ways. How would I leave you and escape along at the point of death and survival?”

The Blood Moon Elder froze as he heard Ye Qingtang’s words. He felt it was hard to believe as he looked at Ye Qingtang who stood in front of him.

He had lived for a thousand years and had many friends...

They were brothers in normal days, but when it came to the point of death or survival, everyone only cared about themselves. It was the same for him as well!

If he was in Ye Qingtang’s position just now, he would definitely not care about others. Leaving the place alive was the key thing. However, he did not expect that...

“What? Are you touched?” Ye Qingtang made fun of the Blood Moon Elder as he was stunned.

“Holy Lady... I...” The Blood Moon Elder did not know what to say as he looked at Ye Qingtang who was many years younger to him.

Ye Qingtang forced him to sign the contract when they first met. He followed her unwillingly, and he wanted to kill the woman to free himself all the time...

However, when he identified her identity as the Blood Moon Holy Lady, he could only listen to her and obey her...

Today, Ye Qingtang had the chance to escape from the Hell of Avicinaraka. However, she brought him along at the last moment.

“Okay, I believe that you would not leave me there as well if it was you, right?” Ye Qingtang chuckled as she looked at the Blood Moon Elder.

“Holy Lady, I definitely would not!” The Blood Moon Elder’s eyesight was firm at that moment.

The Blood Moon Elder did not even imagine that Ye Qingtang would bring him along in the palace. However, Ye Qingtang grabbed his left shoulder and brought him out of the palace at the last moment.

If not, Ye Qingtang would have escaped from the Hell of Avicinaraka...

If he was given another chance, he would definitely not escape alone.

Ye Qingtang gestured to keep quiet before the Blood Moon Elder could say anything.

Ye Qingtang paid attention to the sounds in their surroundings.

There was a horrifying roar of a beast from far just now. She could vaguely hear fighting sounds as well.

“Let’s go and take a look.”

Ye Qingtang frowned and waved her hands. She then walked swiftly towards the valley in front.

The valley was huge without visible borders. The sounds of people and beasts could spread to far places. Ye Qingtang also could not locate the origin of the sounds she heard just now.

However, it would be extremely difficult for the two of them to survive in the Hell of Avicinaraka. They needed to find more members of the super sects and work with them in order to survive.

Chapter 610: Blessed Grotto-heaven (1)

There were plenty of birds and flowers in the valley. It was hard to believe that this place was the Hell of Avicinaraka. However, Ye Qingtang and the Blood Moon Elder were more cautious at the heaven-like place in the Hell of Avicinaraka.

The safer a place looked like in the Hell of Avicinaraka, the more dangerous it would be.

Thought both of their cultivation levels had reached the Martial Qi Level Three, that meant nothing in the Hell of Avicinaraka. They might lose their lives at any moment if they were not cautious.

The sounds of roars and fighting were getting closer as well.

After around fifteen minutes, Ye Qingtang and the Blood Moon Elder arrived at the center of the valley. There was a cave full of spirit energy about a few hundred meters away.

“The blessed Grotto-heaven?” Ye Qingtang was slightly stunned as she saw the cave. Joy flashed across her eyes.

The blessed Grotto-heaven was a place with a huge destiny. It was rare for it to appear in a mystic realm.

“Holy Lady, be careful of any tricks!” The Blood Moon Elder warned Ye Qingtang as she walked towards the blessed Grotto-heaven.

Ye Qingtang nodded and was fully prepared.

The mystic realm in the Hell of Avicinaraka was full of dangers, especially when the starting of the Hell of Avicinaraka seemed to be a conspiracy.

Ye Qingtang observed the blessed Grotto-heaven outside cautiously for a long time. She was slightly relieved when she confirmed that there was no danger at this place.

“We shall go inside and take a look,” Ye Qingtang said softly and walked inside.

The Blood Moon Elder followed Ye Qingtang closely and put up his guard.

Ye Qingtang frowned as she just entered the cave.

There were many bones of huge demonic beasts left in the blessed Grotto-heaven.

The fragmented bones were scattered around everywhere, and they created a gloomy feel in people.

“Is this a living place of a certain king-level demonic beast?” The Blood Moon Elder’s face was full of astonishment.

King-level demonic beasts usually stayed alone. Their abilities were way above those of normal demonic beasts. They had weird tracks and seldom appeared in front of humans. Even if one was lucky enough to meet one, only those who were extremely powerful were able to defeat the demonic beast. Most people died in their hands.

There were numerous demonic beasts with strong fighting abilities in the Hell of Avicinaraka. It was possible that there was a king-level demonic beast.

“It’s possible.” Ye Qingtang nodded.

Ye Qingtang sized up the blessed Grotto-heaven. It was a rare place with a large amount of spirit energy, so much that other places could not even be compared with it. Even the Drifting Cloud Island, which was the location for the three sect competition, was incomparable to the blessed Grotto-heaven here.

If she could utilize the spirit energy in the blessed Grotto-heaven for cultivation, the results would be better than if she did it any other places.

However, destinies always carried danger along.

Ye Qingtang hesitated for a while and made her decision swiftly.

“I need to absorb the spirit energy in this cave using the shortest possible time. You will guard the place for me. Stop me if anything happens,” Ye Qingtang said towards the Blood Moon Elder immediately.

She did not know when she would encounter such a destiny again. She was not willing to give up any chance to make herself stronger!

The Blood Moon Elder obviously understood how precious the blessed Grotto-heaven was. He nodded instantly and said, “Rest assured, Holy Lady.”

The Blood Moon Elder walked out of the cave and initiated protection skills to guard her.
