

**Chapter 731: Senior and Junior Brothers (3)**

“Sheng Qianyu, show me the proof that the White Sage is yours.” There were a few tall teenagers who stood in front of the young man. They stared at the pale young man arrogantly.

Sheng Qianyu held his fist tightly and said, “The White Sage was mine. I found it at the Sea Moon Bay.”

“What a joke! We got the White Sage at the Sea Moon Bay on a mission. How come it becomes yours now? What? Is it because you belong to the Admirable Sky Peak and your Peak Master now takes over the position as the Valley Master temporarily so you can say anything you want?” The few teenagers smiled coldly.

Sheng Qianyu raged, and his body trembled. He pointed at the teenagers and said, “ Don’t you dare to defile the Valley Master! How is this related to him? The White Sage belonged to me! You took it over before you returned to the valley.”

Ye Qingtang and Yan Shu walked into the crowd and heard them quarreling.

Sheng Qianyu was a normal disciple of Admirable Sky Peak. He got a White Sage by chance when he was out a few days ago at the Sea Moon Bay. However, just when he picked up the White Sage, he ran into the disciples of the Blue Cloud Peak. The few disciples noticed that Sheng Qianyu was alone. The White Sage was a rare find, and they then asked to take a look.

Sheng Qianyu did not contemplate as they were both the Falling Sky Valley disciples. However, the moment they got their hands on the White Sage, they ran away with it.

Now, all of them were back to the Falling Sky Valley. Sheng Qianyu rushed over to ask for it back.

However, the Blue Cloud Peak disciples did not admit that at all. They claimed that they found the White Sage and that it was totally not related to Sheng Qianyu.

“The Senior Brothers of the Blue Cloud Peak are reasonable. Sheng Qianyu, you said that the White Sage is yours? How did it end up in their hands when it’s yours? Are you trying to fabricate a charge against them as you want the precious White Sage to yourself?” One of the disciples from the other peak in the audience smiled and stared at Sheng Qianyu, whose face was pale.

“I gave it to them as they wanted to take a look...” Sheng Qianyu explained in a hurry.

However, no one cared about his explanation. Everyone looked at him sneeringly.

Ye Qingtang witnessed the whole thing coldly and sneered in her heart.

She met Sheng Qianyu in her previous life. He was talented but very weak. She really believed that the White Sage was fooled over by the people from the Blue Cloud Peak.

Based on Sheng Qianyu’s temper, he could never lie to others.

If such things happened under other peaks, the wardens of the respective peaks would be invited over for justice. However, it happened to an Admirable Sky Peak disciple, and the situation was different now.

After the Perfected Xuanchen took over the position as the Valley Master, he noticed other Peak Masters' discontentment. In order to meet the old Valley Master's expectations and maintain the harmony in the valley, he warned all disciples of the Admirable Sky Peak to prevent trouble.

If they had any conflicts with other peaks, they had to forbear with them.

That was the reason why disciples of other peaks dared to create trouble under their Peak Masters' hints. It was a norm to bully disciples of the Admirable Sky Peak.

Chapter 732: If This Can Be Endured, What Else Cannot Be? (1)

Yan Shu's face was not very pleasant as well.

Suddenly, a pretty and skinny figure walked towards Yan Shu.

"Senior Brother Yan."

Yan Shu looked towards the direction where the sound came from. "Junior Sister Yin."

The girl, Yin Qingluo, was also Perfected Xuanchen's disciple.

"People of the Blue Cloud Peak are really too extreme." Yin Qingluo frowned and said. She had witnessed the incident for a while. If not for her Master warning them that they could not find any trouble, she would definitely beat those disciples of the Blue Cloud Peak.

Yan Shu did not say anything, but his face clouded.

Yin Qingluo then noticed that there was a handsome young man standing beside Yan Shu. She was shocked by the young man's appearance, but she frowned after a while.

"Senior Brother Yan, is this our Master's new disciple?"

Yan Shu knew that Yin Qingluo was asking about Ye Qingtang. He nodded and said, "Yes. He is Ye Chen."

"Senior Sister Yin." Ye Qingtang folded her hands and said.

Ye Qingtang knew Yin Qingluo in her previous life. She was not kind at all despite her skinny features.

Yin Qingluo stared at Ye Qingtang. Her sight was not warm at all. She nodded perfunctorily and said towards Yan Shu, "The rumor is true then."

"What rumor?" Yan Shu was confused.

"Before I came here, I just heard from other disciples that Master made an exception and took in a new disciple with a yellow spirit root. I thought that it was nonsense, however... Now, it seems that it's true." She was trying to be implicit. However, she knew that the new disciple got in through the back door.

Yan Shu pursed his lips but did not say anything.

Yin Qingluo did not continue, but her eyes that were staring at Ye Qingtang were filled with unpleasantness.

Perfected Xuanchen's disciples all possessed, at minimum, green spirit roots. Now, there was a new disciple with a yellow spirit root, and he was not apprenticed by his ability. No one could treat him as their true Senior or Junior Brother.

Ye Qingtang noticed Yin Qingluo's unpleasant sight, but she did not say anything.

She figured that the news of her being accepted by exception was spread out by Xiong Feng, who could not keep any secret. She might not be able to enter the eyes of the Admirable Sky Peaks, not mentioning the other peaks.

However...

She did not care about that.

She still had a long time here.

When Yin Qingluo was chatting with Yan Shu, Sheng Qianyu's face was getting paler as he was challenged by the Blue Cloud Peak disciples.

Yin Qingluo was a straightforward person. She could not tolerate it anymore when she saw her Junior Brother of the same peak being bullied by others.

Yan Shu noticed Yin Qingluo's move and said softly, "Don't create any trouble."

Yan Shu was angry in his heart, but he could not do anything based on his Master's warning.

"I know what I'm doing." Yin Qingluo nodded and walked out.

"Senior Brothers of the Blue Cloud Peak, Junior Brother Sheng is always an innocent person. He will never frame anyone for anything."

The disciples of the Blue Cloud Peak looked towards Yin Qingluo as she walked out.

"Your words are funny, Junior Sister Yin. If Sheng Qianyu was saying the truth, you're saying that we're wrong? And we really took his thing by force?" The disciples of the Blue Cloud Peak sneered.

"Senior Sister Yin." Sheng Qianyu stared at Yin Qingluo nervously as she was the only one who was willing to speak for him.

### **Chapter 733: If This Can Be Endured, What Else Cannot Be? (2)**

The other disciple of the Admirable Sky Peak in the audience sighed in relief after seeing Yin Qingluo stepped out.

Yin Qingluo glanced at Sheng Qianyu and signaled him to stay quiet. She then looked towards the disciples of the Blue Cloud Peak and said, "I did not say that. I'm just saying the truth here."

“Junior Sister Yin, you speak so confidently now that you have become the Village Master’s disciple. You were not at the Sea Moon Bay. How would you know that Sheng Qianyu is right? I think that you’re just trying to defend your own Admirable Sky Peak’s disciple.”

Yin Qingluo frowned slightly. Though she was mentally prepared, these Blue Cloud Peak disciples were not kind at all.

“The White Sage belongs to the person who holds it now.” The Blue Cloud Peak disciple sneered.

“Junior Sister Yin, if you think it’s not right, please, invite the warden over.”

Yin Qingluo’s face darkened. The level of the incident would increase if she had to invite the warden over. Furthermore, it disobeyed her Master’s warning.

“Since you can’t make your mind as well, we’ll leave now.” The Blue Cloud Peak disciples were about to turn and leave.

Sheng Qianyu was anxious at the moment. The White Sage was very important to him. If these people left, they might eat the White Sage. Even if he found the warden tomorrow, there would be no proof!

“Stop!” Sheng Qianyu rushed over impatiently.

Yin Qingluo did not expect that Sheng Qianyu would be so impulsive, and she did not have time to react. Sheng Qianyu rushed towards the Blue Cloud Peak disciples.

Sheng Qianyu grabbed the first Blue Cloud Peak disciple and intended to take the White Sage.

“How dare you snatch it?!” A cold smile flashed across the Blue Cloud Peak disciple’s eyes as he saw Sheng Qianyu going to snatch the White Sage by force. He lifted his leg and kicked towards Sheng Qianyu’s stomach.

Sheng Qianyu had just apprenticed at the Falling Sky Valley for a year. His cultivation was incomparable to that of the Blue Cloud Peak disciples. He was kicked, and he collapsed onto the ground.

“Junior Brother Sheng!” Yin Qingluo was shocked.

The Blue Cloud Peak disciples kicked Sheng Qianyu again.

“What do you want!” Yin Qingluo shouted coldly and wanted to take some action.

“Junior Sister Yin, you also saw that he came to me first. What? You can do anything you want just because your Perfected Xuanchen becomes the Valley Master?” One of the Blue Cloud Peak disciples scoffed.

Yin Qingluo stopped and stared at those disciples. She could literally rip their skin off now.

Sheng Qianyu just pulled them, and they dared to beat him like that!

“Give... give me back the White Sage...” Sheng Qianyu covered his stomach and stood up.

“Sheng Qianyu, don’t seek your own death here.” The disciples warned fiercely.

Sheng Qianyu did not seem to hear their words and dashed towards them again.

“How dare you!” The Blue Cloud Peak disciple immediately smashed his fist towards Sheng Qianyu’s head.

Yin Qingluo was shocked. She wanted to stop that, but it was too late.

The Blue Cloud Peak disciple’s fist smashed down. Sheng Qianyu’s heart trembled. However, before the fist landed on his head, it was grabbed tightly by a small, white hand.

Before the Blue Cloud Peak disciple could react, he was kicked out instantly!

### **Chapter 734: If This Can Be Endured, What Else Cannot Be?**

This kick directly kicked everyone out of their senses.

Sheng Qianyu was shocked to see a pretty young man standing before him.

The Blue Cloud Peak disciple who was flung away rose hastily and glared at Ye Qingtang, who was defending Sheng Qianyu behind her.

No one expected Ye Qingtang to strike suddenly, and even Yan Shu, who was standing beside her before this, was stunned.

When did she attack?

Why did he not feel a thing?

“Who are you!” The Blue Cloud Peak disciples immediately glared at the pretty young man who appeared from nowhere when they saw their fellow disciple being beaten up.

A sneer hung on Ye Qingtang’s lips as she looked at the violent Blue Cloud Peak disciples, not bothering to respond to them. She immediately stretched her hand out and picked up the white sage that the Blue Cloud Peak disciple dropped on the floor.

“A while ago, you all said that the White Sage belongs to whoever has his hands on it. Now... it’s in my hands, and it belongs to me already.”

“Damn brat! You have a death wish!” The Blue Cloud Peak disciples’ expressions darkened, and they immediately charged towards Ye Qingtang.

A trace of coldness flashed across Ye Qingtang’s eyes. Raising a leg, her elegant frame sent a flying kick at those Blue Cloud Peak disciples who pounced on her!

Those disciples could not even see Ye Qingtang’s actions clearly and were directly sent flying away after being kicked on their heads by Ye Qingtang.

In just the blink of an eye, those Blue Cloud Peak disciples crashed on the ground heavily.

In the entire process, Ye Qingtang was as fast as lightning, and even the surrounding disciples did not react in time.

Yin Qingluo’s eyes were filled with astonishment as she looked at Ye Qingtang, who suddenly attacked.

In reality, the skills of those Blue Cloud Peak disciples were not considered high, and she could easily defeat them as well if she attacked.

However...

She did not dare to attack because of her Master.

Even if she was infuriated, she could only endure it.

Yet, unexpectedly...

This young man who just became her Master's disciple would actually be so decisive and did what she did not have the courage to do.

Yan Shu was taken aback as well. He looked at Ye Qingtang in surprised, and the despise he held for her in his eyes reduced.

"Your White Sage." Ye Qingtang stuffed the White Sage to the dazed Sheng Qianyu without hesitation.

Sheng Qianyu looked down at the White Sage in his hands that he regained and then looked at Ye Qingtang, who stood before him agitatedly.

"Thank you. Thank you."

The White Sage was extremely important to him, and he could not lose it.

Ye Qingtang chuckled. The Blue Cloud Peak disciples behind her had already crawled up from the ground.

"Brat, who exactly are you? Report your name if you have the guts!" The Blue Cloud Peak disciples suffered. Even though they did not wish to admit it, this fellow was too fast, and they could not even see it clearly.

However, this fellow looked very foreign, and they did not know which peak this fellow was a disciple from.

Looking at him, it did not seem like he was in the valley as a guest.

"Ye Chen, disciple of Perfected Xuanchen." Ye Qingtang looked at those Blue Cloud Peak disciples coldly.

"You're Perfected Xuanchen's disciple?" Those Blue Cloud Peak disciples were evidently taken aback. They recognized all of Perfected Xuanchen's disciples but had never seen this fellow before.

### **Chapter 735: Who Still Refuses To Accept This? (1)**

"He is Ye Chen? That fellow who got in through the back door?" Discussions erupted in the crowd, and it was clear that the news from Xiong Feng had already circulated in Falling Sky Valley.

Some Admirable Sky Peak disciples were dumbfounded.

Just a while ago, they heard from somewhere that a person was accepted as Perfected Xuanchen's disciple as an exception after presenting gifts to their master.

When they heard this, they were still grumbling about it in their hearts.

Perfected Xuanchen had never accepted a disciple as an exception, yet he suddenly made such a choice today. This caused many to feel rather unbalanced and look down on that foreign-looking new disciple.

It seemed to them that the new disciple who got in through the back door must be a hedonistic son of wealthy parents.

Yet, unexpectedly...

They actually met him now.

However, this meeting faded their contempt for him.

After Perfected Xuanchen became the Valley Master, Admirable Sky Peak's disciples had been suffering in silence. Even if they were taken advantage of in other peaks, they could only hold back their anger for the sake of taking the big picture into consideration.

This new fellow, however, beat those Blue Cloud Peak's scumbags into pulp, which sparked a jolly feeling in the other Admirable Sky Peak disciples.

"Ye Chen, is it? You have the guts. You rely on the fact that your Master is the Valley..." Those Blue Cloud Peak disciples were about to ramble on.

Ye Qingtang scoffed coldly. "Do you all know how to talk about other things? So what if my Master is the Valley Master? Should all of us Admirable Sky Peak disciples behave by tucking our tail between our legs just because of that? What has today's incident got to do with my Master? If you all refuse to accept this, just come at me all together. I'll beat you all up until you all are willing to concede defeat."

Ye Qingtang simply could not be bothered to speak to these Blue Cloud Peak disciples.

In her previous life, Perfected Xuanchen also made his disciples exercise forbearance in consideration of the big picture, but in the end, it only emboldened the various Peak Masters and disciples, and Falling Sky Valley was even more chaotic. As a result, when Falling Sky Valley met with a calamity, each peak defended themselves instead of coming together as one and were attacked one by one.

Falling Sky Valley was mighty, but because everyone harbored different intentions, it was all but a disunited valley.

Some people were like that: if you let them have his way and tolerated their antics, they would become even more savage and not know how to exercise restraint. Only when they were beaten up would they realize that they had to listen to whoever with a harder fist.

Ye Qingtang had always believed in Perfected Xuanchen's direction in maintaining the harmony in Falling Sky Valley, but facts had proven that even if her Master accommodated others, it was merely asking for trouble by indulging the enemy. In the past, he had inflated other Peak Masters' ambitions and fattened the guts of various peaks' disciples.

In this life, she would not let them have their way again.

“What a big talker!” The Blue Cloud Peak disciples’ expression darkened. They unsheathed their swords and immediately charged towards Ye Qingtang.

Yan Shu and Yin Qingluo were shocked and wanted to step in.

However...

A trace of coldness flashed across Ye Qingtang’s eyes, and she drew out the Demonic Blood Sword. As she waved her hand, a sword aura suddenly rushed out from her blade.

Clank clank clank!!

Numerous clear sounds rang.

Wherever the cold glint slashed across, several broken sword tips fell on the ground!

The Blue Cloud Peak disciples’ swords were broken by Ye Qingtang’s sword aura.

The remaining sword aura pounded on the chest of those Blue Cloud Peak disciples and sent them flying away immediately.

“Who still refuses to accept this? Just come on up.” Ye Qingtang swept a cold glance across the crowd.

Chapter 736: Who Still Refuses To Accept This? (2)

In just a moment, the surrounding disciples were dumbfounded.

The Blue Cloud Peak disciples stood up, stumbling, and glared at Ye Qingtang with clenched teeth. “Ye Chen, just you wait!”

“I welcome you anytime.” Ye Qingtang laughed coldly.

Those Blue Cloud Peak disciple then left in a flurry.

They were merely ordinary disciples of the lowest-level in Blue Cloud Peak, and their skills were really nothing much. At most, they could only bully disciples like Sheng Qianyu who just entered the valley.

They were relying on the fact that Admirable Sky Peak disciples did not dare to brashly step forward to help free the victim from the predicament.

Unexpectedly, they met a tough cookie like Ye Qingtang today.

When they saw the Blue Cloud Peak disciples leaving, the onlooking disciples finally dispersed gradually, with an additional memory of Ye Qingtang, who just got in through the back door.

Sheng Qianyu looked at Ye Qingtang extremely gratefully. “Thank you, Senior Brother Ye. Thank you, Senior Brother Ye.” The White Sage which he lost and obtained once again was really important to him.

“We are all disciples of the same Master. There’s no need for thanks.” Ye Qingtang smiled and waved her hands.

Yin Qingluo looked at Ye Qingtang with a slight frown and a complicated gaze. This fellow who got in through the back door was not too unlikeable but...

This incident might not be over so easily.

After watching for a long time, Yan Shu eventually took a step forward and called for Ye Qingtang. "Junior Brother Ye."

"Senior Brother Yan?" Ye Qingtang looked at Yan Shu.

"You must be careful in the future. Since you are a disciple of our Master, you should take note of what you say and how you act from now on. Disciples from our peak must not stir trouble in the valley. Do you understand?" Yan Shu did not have much of an expression on his face. What Ye Qingtang did today was indeed satisfying, but it defied Perfected Xuanchen's orders.

After those Blue Cloud Peak returned, they might still make some noise about it.

If not for the sake of the larger interest, either he or Yin Qingluo could easily finish those few people with middling skills.

Furthermore...

Ye Chen did enter through the back door, and this news would be circulated in various Falling Sky Valley's peaks very quickly. His actions today would probably spark criticisms again.

If this implicated Master, it would be bad.

Although Yan Shu felt that Ye Qingtang's actions were still alright, he also thought that he was too public about it. Such a person who became a disciple under the cautious Perfected Xuanchen with that method would really stir up quite some trouble.

Ye Qingtang naturally understood what Yan Shu meant.

Yan Shu had always obeyed Perfected Xuanchen's orders. In Ye Qingtang's previous life, when proposed to maintain the harmony among the peaks, Yan Shu executed it fully and only thought of protecting it in spite of suffering injustice.

Loyal as he was, he was too obstinate.

"I understand. I'll take notice in the future." Ye Qingtang nodded faintly. Anyway, even if she reasoned with Yan Shu over what was right, Yan Shu's mind was probably too stubborn to agree with her, so she might as well save the saliva.

She had already reached Falling Sky Valley now, and whatever she wanted to do was up to her.

After seeing Ye Qingtang's reflective attitude, Yan Shu did not say anything else and told Yin Qingluo beside him. "Junior Sister Yin, bring Junior Brother Sheng to check his injuries first."

Those Blue Cloud Peak disciples did not spare any mercy in kicking Sheng Qianyu.

**Chapter 737: Who Still Refuses To Accept This? (3)**

“Alright.” Yin Qingluo nodded slightly.

Yan Shu did not say anything and continued bringing Ye Qingtang around the valley.

Sheng Qianyu’s eyes were filled with gratitude as he watched Ye Qingtang’s fading back.

“Senior Sister Yin, this Senior Brother Ye...”

Yin Qingluo returned to her senses and looked at the thankful Sheng Qianyu. “Ye Chen was just apprenticed to Master and does not really understand the valley’s situation yet. For today’s incident... you’ve suffered.”

Sheng Qianyu shook his head. “I’m all to blame for not seeing people clearly and being too trustful of others. I know... Master is thinking in consideration of the general situation.”

Yin Qingluo sighed. Incidents like today’s happened in Falling Sky Valley occasionally, and they, Admirable Sky Peak disciples, have been swallowing the insult and suppressing their indignation. In terms of grievance, which of them was short of any?

Yet, even if they were aggrieved, they could only endure it.

“Master has his own difficulties. Currently, all the other Peak Masters’ have veiled criticisms over Master being the acting Valley Master. For the stability of Falling Sky Valley, we can only be like this.”

Sheng Qianyu nodded. Although he agreed in his heart, one should judge the matter as it stood. When he was picked on by those Blue Cloud Peak disciples, when was he not aggrieved? However, this could not be said out...

“Alright. I’ll bring you to check your injuries first.” Yin Qingluo did not say anything further and brought Sheng Qianyu to the physician.

Coincidentally, Yin Qingluo saw three familiar figures at the physician.

“Eldest Senior Brother, Senior Sister Ye, Senior Brother Qian.”

There were two males and a female in the room. Apart from the devil incarnate, Qian Ze, from before, there were two other people: the male was tall and had an extraordinary bearing while the lady beside had a graceful frame and an enchanting face.

“Little Qingqing, why are you here?” Ye Ningxi sat on a chair cross-legged as she supported her chin with a hand, and her rosy lips formed a bewitching smile.

Ye Ningxi was Perfected Xuanchen’s disciple and was born with enchanting beauty. Although her natural endowments were extremely high, she was temperamental. If she was not wearing the Falling Sky Valley uniform, it seemed that she was from an evil cult just by a look.

Yin Qingluo immediately recounted the events and let the physician check Sheng Qianyu’s injuries.

“The Blue Cloud Peak people are getting more and more outrageous. Only you few people have a good temper and can endure it.” Ye Ningxi spoke with a raised brow.

“If I have to say, just eliminate anyone who refuses to accept it. Can a dead person still come out to stir trouble?” Qian Ze yawned from aside and spoke casually.

Yin Qingluo had a little headache as she looked at these two people.

After Master gave the orders, most of the disciples obeyed him, including those who were perverse and unwilling to suffer those grievances. Ye Ningxi and Qian Ze were two of them. Although they were unwilling to follow his words, they did not defy it deliberately either, and they spent less time in the valley, fortunately. Out of sight, out of mind.

In addition, these two people had brilliant skills and an eccentric personality. No ordinary disciples from other peaks would seek death and offend them too much.

“Enough.” A cold voice rang. The tall youth who had remained silent frowned slightly.

Even eccentric people like Ye Ningxi and Qian Ze did not say anything more after that person spoke.

“Eldest Senior Brother.” Yin Qingluo looked up at that male with reverence.

### **Chapter 738: Brewing Storm (1)**

This man was Gu Yihan, Perfected Xuanchen’s eldest disciple, and he possessed outstanding endowments and a steady nature. He also had prestige among the Admirable Sky Peak disciples.

“You’re always talking about these. If you’re so free, why don’t you cultivate more?” Gu Yihan swept a cold glance at Ye Ningxi and Qian Ze.

Qian Ze shrugged. “I’m just speaking casually. Why did you take it seriously, Eldest Senior Brother? That new fellow seems strange though. I reckon he spent quite a sum for Master to accept him as a disciple...”

“I heard that the Ye Chen fellow is very handsome. Little Qingqing, have you seen him?” Ye Ningxi looked at Yin Qingluo with a grin.

Yin Qingluo’s headache worsened.

“Cultivation is dependent on oneself. Even if one was apprenticed, it is meaningless if he does not cultivate diligently,” Gu Yihan said.

Ye Ningxi and Qian Ze exchanged a look

Ever since Perfected Xuanchen took on the position of the acting Valley Master, there were more and more things he had to manage. Gu Yihan had been by Perfected Xuanchen’s side since young and was the most mature. In addition, he was rather gifted; thus, he would watch his junior brothers and sisters cultivate when Perfected Xuanchen was busy.

Both Ye Ningxi and Qian Ze were not short of Gu Yihan’s nagging.

“Alright. I still have something on. I’ll take my leave first.” Qian Ze yawned and waved. Similarly, Ye Ningxi took the opportunity and found an excuse to escape.

Gu Yihan did not stay on any longer and left after taking the things that he needed.

After following Yan Shu around the entire Falling Sky Valley, Ye Qingtang finally returned to her own room.

The current Falling Sky Valley was the same as in her memory, just that it was only a few years earlier.

Ye Qingtang had stepped into Falling Sky Valley, but she was unaware that there was a storm in the monarch city because of the black market incident.

Covered in dirt, the Dragon-Tiger General recounted his encounters with a sullen expression in the premier's residence.

The Nine Nights Dynasty Premier, Qin Long, listened to the Dragon-Tiger General's complaints without any emotion.

"The black market has its rules. Your son did act rashly this time. I know about this already. You can return first." Qin Long waved a hand. The Dragon-Tiger General wanted to say something more but did not dare to offend the Premier. He could only wipe his tears as he departed from the Premier's residence.

Once the Dragon-Tiger General left, Qin Chen, who had been standing aside, silently told his father. "If what the Dragon-Tiger General said is true, that young man must have a pretty impressive background."

When the Dragon-Tiger General mentioned the incident in the black market, Qin Chen heard every word of it.

The person had the skills of a half-step Yin Yang Perfected Lord and was very young as described by the Dragon-Tiger General. His future was beyond measure, and becoming a true Yin Yang Perfected Lord in the future was not an issue.

"Half-step Yin Yang Perfected Lord..." Qin Long narrowed his eyes slightly. "Such a powerful figure is indeed rare. Since he came to the monarch city, we must pay attention to him."

"It would be best if we can make use of this person. If not... judging from his actions, I'm afraid he will be trouble," Qin Chen said.

Qin Long nodded. "The Dragon-Tiger General has already sent someone to draw that person's portrait. Have him send it over sometime soon and take a look at the person's appearance. If possible, employ someone to find out about that person's background, though you must not be exposed. Interact with him if there's a chance. It would be best if he is willing to work for us."

## **Chapter 739: Brewing Storm (2)**

"Yes." Qin Chen nodded.

If a half-step Yin Yang Perfected Lord could be used for oneself, it would naturally be a doubling of might. However, if not, it was a huge latent threat.

“Ouyang Qian is back in the monarch city now. I heard that she was rather traumatized from the trip to the mystic realm. You can make use of this opportunity and pacify her.” Qin Long looked at his son and continued on.

“The Ouyang family clan has a powerful force in the Nine Nights Dynasty, and Ouyang Qian is Ouyang Clan Master’s beloved daughter. Even her other brothers are not as doted on as her. If you can marry Ouyang Qian, it will be extremely beneficial for us in the future.”

“I understand. I’ve already interacted with her quite a number of times previously. Looking at her attitude, she does have some feelings for me. I believe that this can be accomplished in no time,” Qin Chen said slowly, confident that he could take Ouyang Qian down.

In the entire Nine Nights Dynasty, Qin Chen’s position and appearance were considered the cream of the crop, and there was barely anyone who could contest against him. Moreover, his family and Ouyang Qian’s were well-matched in social status.

“That will be best.” Qin Long nodded slightly.

“Investigate the background of that half-step Yin Yang Perfected Lord and interact with Ouyang Qian. You must not slacken your efforts in these two matters. The Tiangang Sect Master has sent someone to confer with me recently, and I will not be able to leave to do anything else in this period of time.”

Qin Chen nodded with smiles in his eyes.

Currently, his father, Qin Long, could be said to hold absolute power in Nine Nights Dynasty, and that young Emperor was fooled to be extremely obedient. If he could gain the support of Tiangang Sect, a super sect, there was no one in the entire Nine Nights Dynasty who could shake his father’s position.

“Tiangang Sect already has the intention to work with Nine Nights Dynasty since some time ago, though the previous Emperor was unwilling to. However... it’s not something he can control anymore.” Qin Long’s lips curled into a sneer.

Qin Chen did not say anything and seemed to be in thought as he looked at his father’s expression.

Nine Nights Dynasty’s previous Emperor was in the prime of his life when he suddenly came down with a severe illness, and he had to pass his position down to his son. As for the reason behind the previous Emperor’s sickness, it was a question to the entire imperial court.

However, Qin Chen understood one point.

Ever since the previous Emperor abdicated, his father had increasing authority in the Nine Nights Dynasty, and the young Emperor was all the more trustful of his father.

Was his father involved in the previous Emperor’s illness?

While Qin Chen was curious, he did not ask about it.

“Oh right. Fuling city seems to be quite ill-behaved these few months,” Qin Long suddenly said.

“The City Lord of Fuling City is an official who served the royal family for a long time. Although he is far from the central authority, he still acts haughtily,” Qin Chen said.

“Ha... didn’t he just serve that person before? That person has already disappeared for over ten years now. Who else in the Nine Nights Dynasty remembers her? Since Fuling City is not behaving, let the Emperor decree that the City Lord of Fuling City makes a trip to the monarch city.” As Qin Long spoke, he spread out an imperial decree on his table and wrote a few lines. Afterward, he took out the Emperor’s jade seal which he carried on him and directly stamped on the imperial decree that he personally wrote.

“Have someone send it to Fuling City.”

“Yes.” Qin Chen received the imperial decree, and a scoff flashed across his eyes.

### **Chapter 740: *Brewing Storm* (3)**

There was an abundance of spirit energy in Falling Sky Valley, and Ye Qingtang’s speed of cultivation advancement was way faster than when she was in Xuanling Sect.

However...

She was already a half-step Yin Yang Perfected Lord now, and it was still insufficient if she wanted to enter the true Yin Yang Perfected Lord state in a short time.

However, the time left for her was not a lot.

Xuanling Sect’s defense would disappear in just a few months. By then, Yunxiao Sect would definitely not let Xuanling Sect off. Given Ye Qingtang’s current skills, although she could look down upon the group of people from Yunxiao Sect, it was not enough to contend against the entire Yunxiao Sect just by herself.

Only by entering the Yin Yang Perfected Lord could she truly resolve Xuanling Sect’s crisis.

Furthermore...

Ye Qingtang looked up at the familiar scenery in Falling Sky Valley.

In her previous life, her Master, Perfected Xuanchen, became the acting Valley Master, which attracted the dissatisfaction with various peaks. Although her Master maintained the harmony within the valley with all his might and tolerated many things in consideration of the overall situation, he was suppressed by the other Peak Masters not long later and was forced to give up the position of the acting Valley Master.

Because of that, Falling Sky Valley became segregated and ultimately was met with a calamity. It was also at that time when her Master was killed by Ye You.

After a rebirth, Ye Qingtang had long seen that the different Peak Masters had their own designs and that her Master was the only one who would maintain the harmony within the valley.

This was also the reason why the old Valley Master handed the acting Valley Master position to her Master from the start.

In this life, Ye Qingtang would never let such an incident happen again. She would not allow anyone to force her Master into giving up the Valley Master position.

Although she could suppress all the Falling Sky Valley disciples with her current skills, it was still insufficient against the Peak Masters.

Falling Sky Valley had twelve peaks, and most of the Peak Masters were in the Yin Yang Perfected Lord state. Furthermore, the three Peak Masters who forced her Master in giving up the Valley Master position were all Yin Lords of the Yin Yang Perfected Lord state.

If Ye Qingtang did not want the tragedy from her previous life to happen again, the only option was to enter the Yin Yang Perfected Lord state as quickly as possible.

With various urgent matters staring at her in the face, Ye Qingtang increasingly felt the need to raise her skills rapidly.

At that thought, Ye Qingtang immediately thought of the Dragon Vein which Master Du told her about.

If the Dragon Vein was really like what Master Du said, perhaps it would be a chance for her skills to increase as quickly as possible.

At that thought, Ye Qingtang no longer had any more hesitation. She immediately brought the little white tiger and silver wolf out of Falling Sky Valley and headed towards the Bliss Forging Workshop.

Just as Ye Qingtang was about to leave Falling Sky Valley, the few Blue Cloud Peak disciples whom she beat up that day were complaining tearfully to a tall youth.

“Eldest Senior Brother, Admirable Sky Peak went too far in bullying us. That Ye Chen fellow was just accepted as a disciple by Perfected Xuanchen and was already this arrogant to casually beat people up in the valley. Eldest Senior Brother, you must help us.”

“It isn’t anything for us to suffer from injustice, but that Ye Chen clearly did not have any regard for us Blue Cloud Peak disciples. Although we were beaten up, he attacked us publicly and did not spare any face for our Blue Cloud Peak.”

Those Blue Cloud Peak disciples echoed after each other and completely left out the incident where they stole Sheng Qianyu’s belonging first, wishing they could make Ye Qingtang’s evil conduct public.

The male standing before them frowned slightly, and a trace of unhappiness could be seen on his good-looking face.
