

Chapter 761 Just You Wait (2)

Li Jingwen immediately headed to find Water Cut Peak's top disciple, Liu Mo, after obtaining the Blue Sea Connected Sky painting.

Liu Mo was tall and good-looking.

If Li Jingwen was said to be Falling Sky Valley's superior disciple, then Liu Mo was one of Falling Sky Valley's top disciples.

Although Li Jingwen was about the same age as Liu Mo, there was quite a gap in their skills, and even the proud Li Jingwen had to be courteous to Liu Mo.

"Senior Brother Liu." Li Jingwen immediately went forward to Liu Mo with a smile.

"Junior Brother Li?" Seeing that Li Jingwen came to find him so suddenly, Liu Mo's eyes had a trace of confusion. "Why are you looking for me today, Junior Brother Li?"

Li Jingwen smiled. "There's nothing much. I've long heard that Senior Brother Liu likes books and paintings. When I was out a few months ago, I happened to obtain a Blue Sea Connected Sky painting. I don't have anything on today, so I'm here to bring it to you."

"Blue Sea Connected Sky painting?" Liu Mo was a little stunned.

The Blue Sea Connected Sky painting was created by a famous painter. It was said that the Nine Nights Dynasty imperial family kept it, but unexpectedly, it was in Li Jingwen's hands now.

It was not an exaggeration to describe this painting as priceless.

When Li Jingwen saw Liu Mo's reaction, he immediately handed him the Blue Sky Connected Sky painting that he had prepared a long time ago.

Since the Peak Masters of both peaks were on good terms, Li Jingwen and Liu Mo were also friends.

Liu Mo unrolled the Blue Sky Connected Sky painting, and his eyes brightened immediately.

"How can I accept this item?" Liu Mo asked.

Li Jingwen smiled. "I don't have much knowledge about books and paintings. Since you like it, I'll just offer it to you."

Liu Mo hesitated for a moment. Since he could not decline it politely, he accepted it without saying anything.

The two of them sat down at an arbor nearby. It was then that Liu Mo noticed that Li Jingwen's originally-handsome face seemed a little twisted now. There were patches of blue-black on his face, and a part of his straight nose sunk for some reason, sticking out like a sore thumb.

"Junior Brother Li, what happened... to your face?" Liu Mo asked curiously. "fastest update at FreeWebNovel"

A glint flashed across Li Jingwen's eyes, but he put on an expression as though he had come across a helpless issue. He sighed gloomily. "Excuse me, Senior Brother Liu. Please don't laugh at me... the injuries on my face are caused by an Admirable Sky Peak disciple."

"What? An Admirable Sky Peak disciple? You sparred with Gu Yihan?" Liu Mo was taken aback.

He was aware of Li Jingwen's skills, and in the entire Admirable Sky Peak, only Gu Yihan could have a fight with him.

Li Jingwen shook his head with a bitter laugh.

"It's not Gu Yihan but a disciple whom Perfected Xuanchen just accepted, Ye Chen."

Liu Mo frowned slightly. "Is he that fellow who got in through the back door?"

Liu Mo had heard a thing or two about Perfected Xuanchen accepting a disciple as an exception.

"Yes." Li Jingwen nodded.

"He injured you?" Liu Mo's brows were furrowed even more deeply.

Li Jingwen said, "Ye Chen is too arrogant. He just entered the valley and relied on the fact that his Master is the Valley Master to beat up my Blue Cloud Peak's junior brothers. I went to demand an explanation, but unexpectedly, I did not see him. I originally planned to let things be... but who would have thought..."

"That Ye Chen is actually so arrogant. He rushed to the Blue Cloud Peak and made a wild talk. I persuaded him nicely, but who knew he would attack me." Li Jingwen continued.

Chapter 762 Just You Wait (3)

"There's actually such a thing?" A trace of unhappiness could be seen on Liu Mo's face.

"Is Perfected Xuanchen not putting him in check?" Liu Mo asked.

"You also know how he entered the valley. How would Perfected Xuanchen exercise authority over him? I'm afraid that he dared to do this because Perfected Xuanchen signaled him to beat up other peaks' disciples." Li Jingwen's tone was increasingly helpless.

"My Master originally wanted to seek justice for me, but that Ye Chen had a sharp tongue and said that it was inter-disciple learning. Thus, my Master could not intervene." Li Jingwen explained.

"It's all because I was not his opponent. I allowed Admirable Sky Peak to have an even more domineering influence for nothing." Li Jingwen varnished the truth and narrated with grievances.

Liu Mo's expression darkened.

When the Valley Master was heavily injured back then, they had no choice but to appoint an acting Valley Master. In the entire Falling Sky Valley, the strongest peak was Full Moon Peak.

Moreover, the Full Moon Peak's Peak Master was very close to his Master. If the Full Moon Peak's Peak Master assumed the position of Valley Master, there would not be a single objection in Water Cut Peak.

However...

No one would have thought.

The acting Valley Master position actually landed in the hands of Admirable Sky Peak's Peak Master, Perfected Xuanchen.

It should be known that Admirable Sky Peak and Water Cut Peak were equally matched in skills, and Perfected Xuanchen's skills was about the same as his Master's.

Water Cut Peak naturally refused to accept Perfected Xuanchen as the Valley Master.

However, the old Valley Master had made up his mind already, and the other Peak Masters could only agree.

Yet, they only agreed and did not accept it.

Liu Mo all the more refused to accept this decision as final. If Perfected Xuanchen could be the acting Valley Master, why couldn't his Master?

Their skills were clearly on par with each other.

Perhaps, the Admirable Sky Peak people also knew that there was something wrong with Perfected Xuanchen being the Valley Master.

Thus, they were extremely cautious and always yielded to others over this period of time.

Yet, unexpectedly...

Perfected Xuanchen's new disciple was actually this vicious!

"Junior Brother Li, since that Ye Chen likes to learn from others so much, I will give him a chance to." A glint passed Liu Mo's eyes. Perfected Xuanchen snatched the Valley Master position, and Liu Mo would definitely not let his disciple act so impudently in the valley.

Li Jingwen was delighted the moment he heard it. He had sensed that Liu Mo disliked Admirable Sky Peak and thus approached him today to request for his help.

Liu Mo's skills were equally matched to Admirable Sky Peak's top disciple, Gu Yihan, and even had a sign of defeating Gu Yihan.

If Liu Mo struck, that Ye Qingtang would definitely not have a chance of winning.

"It would be best if you can beat that Ye Chen up," Li Jingwen said with a smile.

Didn't Ye Qingtang say that it was inter-disciple learning?

He will let her properly taste the consequences of her own actions then.

"Junior Brother Li, if you're free, make a trip to Admirable Sky Peak with me," Liu Mo said.

"Sure." Li Jingwen would obviously not reject as he was eager to personally witness Ye Qingtang being beaten up to death by Liu Mo.

The two of them immediately rose and wanted to make a move. Before they left, a Water Cut Peak disciple came over hurriedly and told Liu Mo. "Senior Brother Liu, Senior Brother Xuanyuan of Full Moon Peak sent someone to relay a message to you that he invited you to have a drink together tonight."

Upon hearing "Senior Brother Xuanyuan of Full Moon Peak", Li Jingwen's heart could not help but tremble.

The "Senior Brother Xuanyuan" whom this disciple mentioned was Falling Sky Valley's number one talent, Xuanyuan Lie!

"Senior Brother Liu, since Senior Brother Xuanyuan is looking for you, why don't we go to Admirable Sky Peak tomorrow instead?" Even if he was eager to seek revenge, Li Jingwen was very cautious after hearing Xuanyuan Lie's name.

Chapter 763 Inter-Disciples Learning (1)

Xuanyuan Lie was a ranked disciple in Falling Sky Valley. He was Full Moon Peak's top disciple and the grandson of Full Moon Peak's Peak Master.

Xuanyuan Lie was extremely gifted and was personally taught by Full Moon Peak's Peak Master since young. Although he was so young, his skills were already amazing.

Given Xuanyuan Lie's skills, even someone at an Elder level in Falling Sky Valley might not be his opponent.

While Blue Cloud Peak leaned towards Full Moon Peak, Li Jingwen did not have a slight chance of interacting with Xuanyuan Lie and only met him a few times without any chance to speak.

It could be said that Xuanyuan Lie was the representative of the most powerful disciple in Falling Sky Valley.

And the icon who countless disciples wanted to emulate after.

Liu Mo shook his head. "There's no need. Since Senior Brother Xuanyuan asked me out for a drink at night, it does not interfere with me going to beat Ye Chen up now."

"That's good then." Li Jingwen smiled.

"Help me reply to Senior Brother Xuanyuan that I'll definitely be punctual for our appointment," Liu Mo said.

That disciple nodded and hurriedly carried out the orders.

"You're indeed on close terms with Senior Brother Xuanyuan. I've never seen Senior Brother Xuanyuan interact with other disciples in the valley, but he extended an invitation to you today." Li Jingwen grinned.

Liu Mo had an indifferent expression on his face, but a trace of a smile emerged in his eyes.

Given Xuanyuan Lie's skills, he was no longer on the same level as ordinary disciples and would naturally not bother with the disciples in the valley.

“Senior Brother Xuanyuan is prideful. but he has the capital to be so, unlike someone who thinks that he can do whatever he wants in Falling Sky Valley just because he became the Valley Master’s disciples.” Li Jingwen pointed out.

Liu Mo nodded slightly.

The two of them did not say anything and headed straight to Admirable Sky Peak.

On Admirable Sky Peak, Ye Qingtang made a rare trip to the disciples’ cultivation field but was stopped by a lady before she walked far.

“I’ve heard that my new little junior brother is very pretty and charming. After meeting him today, the rumors are indeed true.” Ye Ningxi’s lips curled up as she sized up Ye Qingtang without concealing.

Yin Qingluo, who came with Ye Ningxi, could not help but have a headache when she saw Ye Ningxi’s behavior.

“Junior Brother Ye, this is Ye Ningxi, Senior Sister Ye. She is not in the valley usually, which is why you only got to meet her today.” Yin Qingluo explained hurriedly, fearful that the young Ye Qingtang would be frightened by Ye Ningxi.

Yin Qingluo originally did not like Ye Qingtang’s method of becoming apprenticed to their Master, but after Ye Qingtang beat Li Jingwen up, her opinion of this new junior brother changed evidently.

As Ye Qingtang looked at Ye Ningxi, who had an enchanting smile on her face, a trace of reminiscence emerged in her eyes.

This Senior Sister Ye Ningxi was someone she was very familiar with in her previous life. She might look flippant, but once she attacked, it was deadly vicious.

“Greetings, Senior Sister Ye,” Ye Qingtang said calmly.

Ye Ningxi chuckled as she naturally placed her fair hands on Ye Qingtang’s shoulder.

“Your face is really endearing. With a look, it’s actually even more beautiful than a lady’s face.”

“...” Ye Qingtang was speechless.

“Senior Sister Ye...” Yin Qingluo’s headache worsened, and she immediately stepped forward to pull Ye Ningxi’s dishonest hand away.

“Little Qingqing, you did wrong. When I asked you how Junior Brother Ye looked like the other time, you hid it from me. Could it be that you took a fancy on him and that you’re scared that I would snatch him away?” Ye Ningxi raised her brow.

Yin Qingluo was just a step away from covering Ye Ningxi’s mouth with her hand.

Chapter 764 Inter-Disciples Learning (2)

Reminiscence filled Ye Qingtang’s eyes as she watched Ye Ningxi and Yin Qingluo.

In her previous life, her senior brothers and sisters had always joked around like that.

Everyone was so happy.

Until...

Perfected Xuanchen was forced to hand over the Valley Master position, and Falling Sky Valley encountered a calamity.

Ye Qingtang clearly remembered that in that bloody battle, the familiar figures around her fell one by one. The cheerful talk and laughter turned into cries of despair which lingered in her memories.

In this life, she would definitely not let tragedy repeat itself.

Regardless of her Master or senior brothers and sisters, she would never let anyone injure them.

Ye Ningxi and Yin Qingluo joked for a while before realizing that Ye Qingtang had not said anything from the start.

“Senior Sister Ye, you frightened Junior Brother Ye.” Yin Qingluo blamed.

Ye Ningxi put on an innocent look.

Right at that moment, a nervous-looking Admirable Sky Peak disciple rushed over hurriedly.

“Senior Sister Ye, Senior Sister Yin, Senior Brother Ye... Water Cut Peak’s Liu Mo and Blue Cloud Peak’s Li Jingwen are here.”

With that, there was a subtle change in the expressions of Ye Ningxi and Yin Qingluo, who were initially still playing around.

“Is Li Jingwen done! Why did he bring Liu Mo here today?” Yin Qingluo’s expression darkened immediately. Previously, Li Jingwen came to Admirable Sky Peak to flaunt his impressive might.

He was just punished by Ye Qingtang sometime ago, and she thought that he would be more obedient.

Who would have thought...

He just regained consciousness but was back here again?

If it was only Li Jingwen, Yin Qingluo would naturally not be scared of anything since he had already suffered defeat at Ye Qingtang’s hands.

But Liu Mo...

The smile on Ye Ningxi’s face faded away unconsciously, and her bewitching eyes narrowed.

“Li Jingwen brought Liu Mo to Admirable Sky Peak today. I’m afraid he is here with ill intentions...”
Afterward, Ye Ningxi’s gaze landed on Ye Qingtang immediately.

“Junior Brother Ye, if you’ve nothing on, go back to your room first.”

Ye Ningxi was not a fool. Li Jingwen was a sinister and ruthless person who bore grudges. He harbored hatred towards Ye Qingtang when he was defeated by her that day, and he probably came here with Liu Mo today to seek revenge.

Liu Mo's skills were comparable with those of their Eldest Senior Brother, Gu Yihan.

Although Ye Qingtang triumphed over Li Jingwen completely, she might not be Liu Mo's opponent.

In the entire Falling Sky Valley, there were not more than three disciples who could win against Liu Mo.

If Ye Qingtang and Liu Mo sparred, Ye Qingtang would probably suffer a huge loss!

However, before Ye Ningxi could signal Ye Qingtang to leave, Li Jingwen and Liu Mo walked straight to them.

Li Jingwen caught sight of Ye Qingtang at a glance, and an evil look flashed across his eyes.

Liu Mo walked over without any emotions, and he passed a nonchalant glance at Ye Qingtang and the rest. His eyes did not stop on Ye Qingtang for long, and he instead looked at Ye Ningxi's graceful body frivolously for a long time.

Ye Qingtang's expression darkened when she saw Liu Mo. The moment she saw Liu Mo sizing up Ye Ningxi openly, coldness flashed across her eyes.

This Liu Mo was exactly the same as he was in her previous life.

Chapter 765 Inter-Disciples Learning (3)

Liu Mo's skills were considered to tower above those of other disciples in Falling Sky Valley, and he had a detached and proud nature.

But in reality, Liu Mo was a beast in human skin.

While he had the appearance of a decent human, he was a complete lecher in reality. He made use of his title as Water Cut Peak's top disciple to disrespect many female disciples in Falling Sky Valley, and they could only swallow their anger silently given Liu Mo's position and skills.

In her previous life, Liu Mo once tried to make a move on Ye Qingtang, but her senior brothers and sisters happened to see it and joined forces against Liu Mo. Although Ye Qingtang was able to escape, her senior brothers and sisters were severely injured because of it.

Ye Qingtang looked at Liu Mo coldly.

She had not made time to find him, but he sent himself here instead.

"Ye Chen, we meet again." Li Jingwen looked straight at Ye Qingtang maliciously as he exploited Liu Mo's might to intimate others.

Ye Qingtang swept a cold glance at Li Jingwen's twisted face without any emotions on her face.

"Ye Chen, don't you like inter-disciple learning? Senior Brother Liu happened to be free today. How about you all learn from each other?" Li Jingwen laughed.

Yin Qingluo and Ye Ningxi frowned immediately. A group of Admirable Sky Peak disciples came over asking for answers, and caution emerged in their eyes when they saw Li Jingwen and Liu Mo, who came to cause trouble.

“Li Jingwen, when did my Junior Brother Ye say that he wanted to have an inter-disciple learning session with Senior Brother Liu?” Ye Ningxi snickered coldly.

Li Jingwen said with a smile, “Junior Sister Ye, why are you so agitated? In Falling Sky Valley, it’s a normal thing for disciples to learn from each other. Senior Brother Liu rarely has time today and is willing to give you pointers. This is Junior Brother Ye’s blessing. In the entire Falling Sky Valley, how many disciples can match Senior Brother Liu’s skills? If Junior Brother Ye can gain a few pointers from Senior Brother Liu, it would naturally be a blessing he cultivated from his previous life.”

Li Jingwen spoke frankly and freely, implying that Ye Qingtang stood a huge bargain from learning with Liu Mo.

Liu Mo looked scornfully at Ye Qingtang, who was being blocked behind by Yin Qingluo and Ye Ningxi. “Junior Brother Ye, we are just having an inter-disciple learning session. Could it be that you don’t even have the guts to do so?”

“If you don’t have the guts, I will not force you either. However, since I’ve come to Admirable Sky Peak, I cannot return empty-handed. If you don’t agree to this match, you can invite your Eldest Senior Brother, Gu Yihan, out.” Liu Mo replied.

In the entire Admirable Sky Peak, the only disciple he could bother with was Gu Yihan.

Moreover, after Perfected Xuanchen became the Valley Master, Perfected Xuanchen had the intention of nurturing Gu Yihan as the next Peak Master of Admirable Sky Peak. If Liu Mo defeated Gu Yihan, all the disciples in Admirable Sky Peak would be trampled by him unquestionably.

Liu Mo’s purpose for coming today was to beat Ye Qingtang up and assert his dominance.

Yin Qingluo and Ye Ningxi had a serious expression as they were clearly of Liu Mo’s intention.

In terms of skills, Liu Mo was slightly stronger than Gu Yihan.

However, Gu Yihan obeyed his Master’s orders strictly, and even if he came today, he would probably not use all his force in consideration of the big picture.

Yet, when facing Liu Mo, Gu Yihan only had the option of suffering a tragic defeat as long as he restrained his strength.

Chapter 766 Shameless, Too Shameless (1)

As everyone hesitated, Ye Qingtang suddenly walked forward.

Yin Qingluo and Ye Ningxi were shocked.

“Junior Brother Ye.”

Ye Qingtang looked at the arrogant Liu Mo and said, “Since Senior Brother Liu wishes to grant me some teachings, I will not refuse.”

All the Admirable Sky Peak disciples were stunned to hear Ye Qingtang’s words.

Is Ye Qingtang crazy? She really dared to accept the challenge?

Liu Mo was not Li Jingwen, and their skills were simply not on the same level. Even if Ye Qingtang won against Li Jingwen, she was definitely not Liu Mo's opponent.

The Admirable Sky Peak disciples had begun accepting Ye Qingtang then. They viewed her as their fellow disciple, and thus they could not help but be a little anxious when they saw the situation.

"Junior Brother Ye, do not act on impulse," Yin Qingluo hurriedly said. Li Jingwen looked at Yin Qingluo with a raised brow. "Junior Sister Yin, if you're so worried of Junior Brother Ye, why don't you accept the challenge on his behalf?"

Yin Qingluo glared at him coldly.

If she really had the ability, the first person she would beat up would be this Li Jingwen, who committed outrages.

Impatience flashed across Liu Mo's eyes, and he said, "Junior Sister Yin, why are you so worried? Rest assured, I know that Junior Brother Ye just entered the valley not long ago. Since I will have an inter-disciple learning session with him, I'll naturally not bully him."

Then, Liu Mo suddenly removed the sword that was hung on his waist and tossed it to Li Jingwen beside him.

"I'll give him some advantages in this spar. I will not use any weapons." Liu Mo declared with a generous expression.

Yin Qingluo's brows were furrowed slightly.

When Ye Qingtang saw Liu Mo's attitude, a smile suddenly passed her eyes.

"Senior Brother Liu, you're Water Cut Peak's top disciple while I'm just a new disciple who entered the valley only a few days ago. I'm afraid it's not appropriate if you only give me the weapon advantage?"

The disciples who were initially worried of Ye Qingtang were stunned when they heard her.

Similarly, Liu Mo never thought that Ye Qingtang would say that. On second thought, he smiled and replied. "Since that's the case, how about this? I'll only use one hand."

Li Jingwen wanted to say something, but Liu Mo hinted at him with his eyes to remain silent.

Ye Qingtang flashed a smile but shook her head again. "Since you have the intention to give me an advantage, how about not using both hands?"

Everyone present was stupefied immediately.

"Ye Chen, you're really shameless. Senior Brother Liu has already agreed to not use any weapons and even one hand, but you're actually demanding for more? Do you want Senior Brother Liu to just stand there for you to hit?!" Li Jingwen laughed angrily.

He had seen a shameless person before but not such a shameless one.

Even the Admirable Sky Peak disciples were shocked by Ye Qingtang's request.

"Senior Brother Ye... His demands were a little overboard, right?"

“I was still pretty worried about Senior Brother Ye previously. I didn’t think that he would make such a request.”

“When I heard that Ye Chen fought Li Jingwen the other time, I felt that he was pretty admirable. I never thought that... It can’t be that he was also this shameless when he fought Li Jingwen that time, right?”

The Admirable Sky Peak disciples were initially worried for Ye Qingtang and felt that Ye Qingtang was extremely courageous for daring to agree to the challenge.

Yet, unexpectedly...

Ye Qingtang would actually make such an unthinkable request.

Forget that Liu Mo was not using any weapons, but she actually forbade Liu Mo from using his hands too?

What inter-disciples learning was there then? While Admirable Sky Peak disciples were very dissatisfied with Liu Mo for coming to cause trouble, they still had a backbone.

Chapter 767 Shameless, Too Shameless (2)

No one would have expected Ye Qingtang to make such an absurd request.

Forbidding the usage of both hands in the spar basically meant that Liu Mo only could use his legs.

Ye Qingtang could still use her hands and a sword. Didn’t it mean that Liu Mo could only use his legs to run?

Even Yin Qingluo and Ye Ningxi had a look of disbelief on their faces.

“This Junior Brother Ye... Is he...” Yin Qingluo frowned slightly as she looked at Ye Qingtang with a complicated expression.

Apart from Yan Shu, no one else was present when Ye Qingtang fought Li Jingwen that day. Thus, everyone was unaware of the details.

However, Yin Qingluo’s opinion of Ye Qingtang had changed because of this incident, and she thought that this little junior brother had a backbone.

Yet, unexpectedly...

Ye Qingtang acted this way today.

Ye Ningxi cleared her throat awkwardly and said, “Perhaps Junior Brother Ye is just joking around.”

Liu Mo did not think that Ye Qingtang would actually make such a ridiculous request either and was dumbfounded. He spoke in a deep voice right after. “Junior Brother Ye, why don’t you just say that I should remain standing at a spot for you to hit?”

“Ye Chen, don’t be so shameless. Senior Brother Liu has already agreed to not use one hand, but you still don’t know how to be content.” Li Jingwen berated from aside.

Ye Qingtang looked at Liu Mo indifferently and said, “Senior Brother Liu, are you unwilling?”

Liu Mo scoffed. "Who would agree to such an absurd request for a spar between Falling Sky Valley's disciples?"

"Oh?" Ye Qingtang swept Liu Mo a look. "What if someone agrees?"

"Ha... I'll want to see who has the guts to. If there's really such a person, I, Liu Mo, will really admire that person." Liu Mo laughed.

Ye Qingtang smiled faintly. "I, Ye Chen, actually gained Senior Brother Liu's admiration."

Liu Mo and everyone else were stupefied when they heard what Ye Qingtang said. "Ye Chen, don't flatter yourself. Who admires you?!" Li Jingwen said coldly.

Ye Qingtang shot a look at Li Jingwen. "Didn't you say it yourself just now, Senior Brother Liu?"

Liu Mo said it?

What did Liu Mo say?

Confusion was etched on Li Jingwen's face.

Ye Qingtang looked at Liu Mo. "Senior Brother Liu said that if anyone does not use any weapons or their hands in the spar, he will admire his guts."

"What has this got to do with you?" Liu Mo frowned.

Ye Qingtang smiled. "In my friendly spar with you today, I'll not use any weapons or my hands."

"WHAT?!"

Everyone present was stupefied.

"What... What is Senior Brother Ye saying? He's actually not using his hands to spar with Liu Mo?"

"Am I deaf or is Senior Brother Ye crazy?"

"What a joke. Given Liu Mo's skills, Senior Brother Ye is clearly courting death!"

Admirable Sky Peak disciples went berserk.

They originally thought that Ye Qingtang made this absurd request to dodge this spar, yet unexpectedly... The development of events was so unpredictable.

"What does Junior Brother Ye want to do?" Yin Qingluo was completely dumbfounded.

While Ye Ningxi was intelligent, she could not understand what Ye Qingtang was thinking this time.

"In sparring a disciple with Liu Mo's skills, even Xuanyuan Lie is not so arrogant to spar without using both hands. Junior Brother Ye... could he be crazy?"

Li Jingwen really burst out laughing.

Ye Chen really did not fear death.

Who exactly gave her the courage to make such big talk in front of Liu Mo?

Chapter 768 Shameless, Too Shameless (3)

Ye Qingtang looked at Liu Mo indifferently. "Why? Senior Brother Liu, do you still think that it's not enough? How about I'll only use one leg?"

The corners of Liu Mo's lips twitched a little.

Everyone increasingly thought that Ye Qingtang was insane.

However, another thought struck their minds.

Perhaps, Ye Qingtang knew that she was not Liu Mo's opponent, so she made all this up. Thus, even if she was defeated, she had an excuse.

Unconsciously, the Admirable Sky Peak disciples' acceptance towards Ye Qingtang frittered away bit by bit.

"Junior Brother Ye, since you have the guts, it's inconvenient for me to say anything more." Liu Mo scoffed.

"Please," Ye Qingtang said.

Then, Liu Mo was suddenly enveloped in a layer of faint light, and an overbearing aura gathered around him rapidly.

In the next second, Liu Mo's figure disappeared from everyone's sight.

"How fast." Yin Qingluo could not help but be alarmed when she felt Liu Mo's remaining aura in the air.

"Liu Mo's skills are ranked near the top in the entire Falling Sky Valley, and they are not what ordinary disciples like us could contend against." Ye Ningxi continued speaking with a slight frown. "I don't know if Junior Brother Ye will be able to make it through this time."

Yin Qingluo's brows were furrowed slightly.

Smiles were written on Li Jingwen's face. He was more than eager to see Ye Qingtang being thrashed on the ground by Liu Mo.

"Liu Mo's skills are indeed great. I'm just standing in the area nearby, but the oppression is almost suffocating me already."

"Senior Brother Ye can't be stunned, can he? Why is he standing at the same spot and not moving?"

There were clamors of comments among the Admirable Sky Peak disciples. In their eyes, Ye Qingtang was standing rooted to the ground without any emotions on his exquisite face.

In the next second, Liu Mo's concealed aura erupted out of a sudden, and everyone could only see a black shadow shuttling to Ye Qingtang's side so quickly that one could not identify it.

Ye Ningxi and Yin Qingluo were on tenterhooks at that instant. With their abilities, they could vaguely see that Liu Mo was ramming a palm towards Ye Qingtang's chest like a bolt of lightning!

However...

Just before Liu Mo's palm landed, Ye Qingtang's eyes suddenly looked downward.

In the next second, Ye Qingtang lifted her right leg at the speed of lightning!

Liu Mo simply did not manage to see what exactly happened and only felt a huge force crashing towards his abdomen abruptly.

In an instant, Liu Mo was hurled out by that huge force until his body knocked onto a boulder several meters away.

"Ow!"

The moment he landed on the ground, Liu Mo spat a mouthful of blood while countless fine cracks appeared on the boulder behind him.

"What... What happened?"

Every single person at the scene was taken aback as they watched Liu Mo spitting out blood with jaws hung wide open.

"What... exactly happened just now? Why did... Liu Mo..." The Admirable Sky Peak disciples were utterly dumbfounded.

Their eyes were clearly locked on the battle earlier on, but why was Liu Mo, who had an imposing stance, flung out and coughing blood in just the blink of an eye?!

Chapter 769 Shameless, Too Shameless (4)

Yin Qingluo and Ye Ningxi were stupefied. Both of them were the only few out of all the disciples present who could barely see Liu Mo's attack.

However...

They saw Liu Mo attacking Ye Qingtang, but whatever that happened later on...

The two of them did not even see anything.

Li Jingwen was utterly dumbfounded.

The smile that he had a while ago was, however, completely frozen on his face at this moment. Disbelief filled his eyes as he looked at Liu Mo, who collapsed on the ground not far away.

"Senior... Senior Brother Liu?" Li Jingwen spoke hesitantly as he looked at Liu Mo.

However, Liu Mo's face was filled with pain. It was as though his body suffered an extremely huge blow and all his bones were forcibly crushed by someone.

Not mentioning standing up, he did not even have the energy to speak.

Stunned, everyone's eyes returned back to Ye Qingtang.

It was then that everyone realized Ye Qingtang had been standing at the same spot with her hands behind, and even her left foot did not move at all.

Only her right foot had moved a few inches from before.

“Thank you for your guidance, Senior Brother Liu,” Ye Qingtang said flatly with cupped fists. However, the entire Admirable Sky Peak was dead silent.

Liu Mo was defeated?

He was actually defeated in Ye Chen’s hands?

What was more unbelievable was that Ye Qingtang really did not use any weapons or her hands as she said before. Even more so... she did not even use her left leg.

It was just the lifting of a leg at that moment, but it caused Liu Mo to look half alive?

Li Jingwen’s face stiffened. He looked at Liu Mo, who was on the ground, and then at Ye Qingtang, who was standing there perfectly fine. Coldness spread from the sole of his feet.

What kind of monster was Ye Chen!

He was at most fifteen or sixteen years old. How could he possess the skills to defeat Liu Mo?

Li Jingwen thought that he could definitely pay back the humiliation that Ye Qingtang made him suffer a few days ago and did not think that... the outcome would be like that.

Liu Mo was already defeated, and Li Jingwen was unwilling to remain in Admirable Sky Peak any longer. He immediately supported the pale Liu Mo up and left Admirable Sky Peak in a flurry.

When the two of them left, the Admirable Sky Peak disciples still wore shocked expressions as they stared at the good-looking youth unbelievably.

First, Li Jingwen. Next, Liu Mo.

How deep were Ye Qingtang’s skills?

Everyone just realized how ridiculous their conjecture of Ye Qingtang was.

How did Ye Qingtang say that because she was afraid of losing too badly?

She had that confidence because she clearly overpowered Liu Mo.

In just a moment, the shock and blank expressions that the disciples were looking at Ye Qingtang with gradually turned into ones of admiration.

Even if their Eldest Senior Brother, Gu Yihan, attacked today, he probably would not be able to defeat Liu Mo so easily under these conditions.

“Didn’t they say that... Junior Brother Ye’s spirit root is only a yellow spirit root? Are these skills what a yellow spirit root can cultivate?” Yin Qingluo was curious.

The grade of a spirit root was not absolute in one’s cultivation advancement.

However...

It couldn't be so exaggerated, could it?

Ye Ningxi was astonished as well. "Which ancient family clan nurtured Junior Brother Ye? He is only this young, but he is already so invincible?"

Chapter 770 Full Moon Peak (1)

They really looked down on Ye Qingtang previously and thought that she was apprenticed to their Master by artifice.

Yet, unexpectedly... This fellow actually had such frightening skills himself!

Even Ye Ningxi, who had extensive knowledge, was truly convinced this time.

After dealing with Liu Mo, Ye Qingtang did not think much of it and went to do her things.

Gu Yihan, who rushed over a moment later, learned of Ye Qingtang's actions from the others and was shocked.

Ye Qingtang thrashed the top disciples of Blue Cloud Peak and Water Cut Peak successively, which truly allowed the Admirable Sky Peak disciples who had been holding themselves back for a long time to feel avenged.

In just half a day, all the Admirable Sky Peak disciples already knew about Ye Qingtang's actions.

Many disciples who had been repressed by these two peaks were overcome with emotions after knowing about the incident.

When dusk fell, a handsome man in green clothes stood under the moonlight on Falling Sky Valley's Full Moon Peak. The moonlight scattered on his slender body, and it was as though his body was plated in a layer of pale light.

The youth was standing with his hands behind him. A pot of top-grade wine was placed on the stone table in front of him.

A Full Moon Peak disciple rushed to that man's side hurriedly.

"Senior Brother Xuanyuan."

The man standing under the moonlight was Falling Sky Valley's number one talent, Xuanyuan Lie.

Xuanyuan Lie was currently waiting for Liu Mo to come over for a drink.

"Is Junior Brother Liu here?" Xuanyuan Lie asked that disciple who rushed over.

That disciple replied. "Senior Brother Xuanyuan, I'm afraid Senior Brother Liu is unable to come today."

Xuanyuan Lie frowned slightly. "Why?"

"Senior Brother Liu was severely injured by Ye Chen of Admirable Sky Peak and is currently recuperating in Water Cut Peak. I heard from the physician that he may not recover fully even after half a month of rest," the disciple said.

“What?” Surprise flashed across Xuanyuan Lie’s face.

Then, the disciple told Xuanyuan Lie the news he heard from Water Cut Peak in full detail.

Xuanyuan Lie’s brows were slightly furrowed.

“Ye Chen? Is he the disciple whom Perfected Xuanchen just accepted?”

“Yes.”

Xuanyuan Lie thought for a moment and said, “I know already. You may retreat.”

After that disciple retreated, Xuanyuan Lie suddenly turned around and headed to Full Moon Peak’s main hall.

Full Moon Peak’s Peak Master was seated at the main seat of the hall as he read through the files before him.

“Grandfather.” Xuanyuan Lie walked into the main hall with great strides and greeted the Full Moon Peak’s Peak Master.

Full Moon Peak’s Peak Master was already over fifty years old, but there were not too many traces of his age on his face. His bright eyes were threateningly sharp. In the entire Falling Sky Valley, Full Moon Peak’s Peak Master was at the Yin Yang Perfected Lord state already, and his skills were only second to the old Valley Master.

“Didn’t you ask Liu Mo out for a drink today? Why are you back now already?” Full Moon Peak’s Peak Master asked his grandson whom he took pride in.

Xuanyuan Lie took a step forward and immediately told the Full Moon Peak Peak Master about Liu Mo.

The Full Moon Peak Peak Master frowned slightly upon hearing it.

“Perfected Xuanchen’s newly-accepted disciple really has this ability? He defeated Liu Mo with just one move?”

“Yes.” Xuanyuan Lie nodded.

Full Moon Peak Peak Master narrowed his eyes slightly.

“Given your skills, how would it be if you fought Liu Mo?”

“I naturally have the confidence to defeat him within a move,” Xuanyuan Lie said confidently.
