### Chapter 211: Average

Guo Rui and Wang Yixuan didn't notice the change in the others' expressions as they continued to whisper to each other.

"What are you thinking about all day long? How do you know about the rich second generation?" Guo Rui lectured.

"The main thing is that he drives a supercar. It's normal for me to misunderstand his position," Wang Yixuan said:

"Besides, Teacher Guo is not that old and still charming. If he doesn't have some strength, he wouldn't be able to catch your eye."

"Go, go, go. What nonsense are you talking about?" Guo Rui said, "In short, he's not a rich second generation. Don't overthink things."

"You're right. I'm really thinking too much." Wang Yixuan whispered in Guo Rui's ear.

"There was a misunderstanding, but he's definitely handsome and has a good figure. You're too good, teacher. I still have a lot to learn from you."

"Go, go, go, don't talk nonsense here. Hurry up and tune the piano."

"Hehe, then I won't say anymore."

After chasing Yixuan away, Guo Rui walked up to Lin Yi and pointed at a piano not far away.

"The piano you're using is over there. You can go and test it first. I'll go and do something else. Call me if you need anything."

"No problem."

As the chief conductor of the show, Guo Rui was naturally the busiest. She only gave Lin Yi a few words of advice before going back to her own work.

Lin Yi found a chair and sat down, playing with his phone to kill time.

With his current level of skill, he could easily handle a performance like this. There was no need for him to practice in advance.

After Guo Rui left, the others gathered around Yixuan.

"Yixuan, what's going on? I heard from Teacher Guo that he's just an errand boy?"

"Yeah, because she couldn't find a replacement, Teacher Guo found one on Meituan's errand app." Yixuan said.

"But judging from his looks, he must have some skill. Otherwise, Teacher Guo wouldn't have done this."

"Even if he has some skill, he is still an errand runner. His skill is obvious. He shouldn't be on the same level as you and Jingjing, right?"

“Do you even need to say that? Jingjing and I have both won the gold medal in the National Piano Competition’s youth category. There should still be a gap between him and the two of us,” Wang Yixuan said.

“So I’m a little worried now. When I play later, I’m afraid that he won’t be able to keep up with my rhythm. At that time, I’ll have to lower the key and bring him along. If it affects the performance, don’t blame me.”

“What the hell? Doesn’t Teacher Guo know the importance of this performance? To bring an errand boy here. Isn’t she deliberately sabotaging things?”

“I don’t care. If the show is sabotaged because of him, I will definitely talk to Teacher Guo.”

“If you want to talk, talk now. If you wait until after the show, it might be too late.”

“That’s true,” a boy wearing glasses said.

“Although Teacher Guo didn’t see the reality clearly, isn’t this kid a little too bold? Why doesn’t he have any self-awareness? How could he accept such a deal?”

“These people nowadays are unscrupulous in the pursuit of money. They don’t care whether your performance is successful or not. As long as they can get the commission, they won’t care about the consequences.”

“No, none of you can stop me. I’m going to talk to him. Even if he’s someone Teacher Guo found, for our future’s sake, I have to chase him away!”

“Don’t be anxious. First, ask Yixuan if she can do this. It’ll be a little difficult for her to lead the entire show by herself. We can’t be too rash.”

Everyone’s gaze fell on Wang Yixuan, as if they were asking for her opinion.

“It’ll definitely be a little difficult for me to do this by myself, but if it’s him on stage, I might as well do it myself.”

Yixuan knew that the show wasn’t going to be an easy one, so she didn’t dare to drag it out.

At the same time, she was a bit confused. Guo Rui wasn’t the type to do something so rash. Why would she do something like that?

Could she really have some sort of secret relationship with this guy?

Why else would she bring him here?

It seemed like this was really possible. Such a handsome man could harvest women of any age.

“We’re relieved to hear that from you.” Pengfei said

The guy rolled his eyes and walked over to Lin Yi.

“Bro, let me introduce myself first. My name is Pengfei Zhang, and I’m also the cellist for this concert.” Pengfei said.

“Hello, my name is Lin Yi.”

Lin Yi didn't know why Pengfei was talking to him, but he still greeted him politely.

“The concert is about to start, so I won't beat around the bush with you,” Pengfei said.

“This concert is very important to us, and it will even decide our future. We don't want to take any risks, so we hope that you can leave.”

“Why should I leave?” Lin Yi asked.

“Your teacher placed an order with me, and the order hasn't been completed yet. If I leave, I won't be able to get a five-star review.”

This concert was no small matter to Guo Rui. If he gave up at the critical moment, she would probably be angry too.

“It's just a five-star review. Do you have the heart to ruin our future because of such a small matter?”

Zhang Pengfei's expression was a little hysterical, and his tone was raised.

“What kind of nonsense are you talking about? I'm here to accept an order. Why would it ruin your future? Is there a necessary connection?”

“Don't you know who you are? You're just an errand boy. Do you think you have the right to attend a concert like this?” One of the boys asked.

“That's right. You're not even one-tenth of Yixuan's level, and you can't even keep up with her rhythm. If we let you play, you'll definitely ruin this concert, and our future will be ruined,” another boy said.

Lin Yi looked at Wang Yixuan and smiled.

“I don't know how good she is, but it's probably not to the extent that I can't keep up with her rhythm. You guys should be more worried about her.”

“Are you kidding me? You're looking down on Yixuan? You're overestimating yourself.” Pengfei was so angry that he had the urge to curse.

“Do you know how good Yixuan is? She's the champion of the National Piano Competition's youth category, and there were so many masters in that year. The value of this award isn't just for show.”

“No wonder he ran errands. With such an arrogant personality, which organization would dare to hire him?”

“I don't think he has any other advantages other than his good looks.”

“Calm down, all of you. Don't get too excited.”

Lin Yi smiled and shook his head.

“The standard of competition in the country is mediocre. Don't think too highly of it. A champion of the youth category, in my opinion, is at most average. It's not as great as you think.”

## **Chapter 212: Lute Fighting!**

“You’re saying that Yixuan’s level is average?”

Everyone had ugly expressions on their faces, and even the girls had looks of disdain on their faces.

This guy was too self-righteous.

He was pretty, but he was full of sh\*t. It was obvious that he wasn’t reliable!

This kind of guy wasn’t attractive at all!

“It just means she’s average,” Lin Yi said.

“In your eyes, the youth champion is quite impressive, but the value of winning it is nothing special. It’s all the publicity from the organizing committee. It’s not as impressive as you think.”

“How dare you!”

“Alright, stop talking!”

Yixuan suddenly said, looking at Lin Yi with an unfriendly expression.

“You keep saying that my championship isn’t worth anything, but at least among my peers, no one is better than me.”

“I’m not trying to hurt you. In truth, you do have some ability.” Lin Yi said helplessly.

“I recognize your ability, so let’s not bother about these things. I just want to finish this job and get a five-star review. You don’t have to make things difficult for me.”

“I don’t like what you’re saying,” Wang Yixuan said.

“What do you mean you recognize my ability? My ability is recognized by all the famous people. What right do you have to recognize my standards?”

“Fine, whatever you say. I won’t argue with you anymore.” Lin Yi turned around. He really didn’t want to argue with Wang Yixuan anymore.

“What right do you have to talk to me like that!” Wang Yixuan said. “You make it sound like you’re better than me!”

“I’m not the best, but I should be better than you.”

“Haha, you’re talking too much. Who gave you the courage? Meituan?”

“If you think you’re good, then you can play against Yixuan. Do you dare?”

“Yes, yes, yes. Playing against Yixuan is a good idea. There’s still some time before the concert starts. We should have enough time.”

Upon hearing the suggestion that he should play against her, Wang Yixuan raised her head.

“Don’t you think highly of yourself? If you’re really that good, you can compete with me. Do you dare?”

“I don’t know.” Lin Yi was speechless. “If you compare music, won’t music itself lose its meaning? It’s not something you can show off.”

“Can I take that as you being scared?”

“Scared?” Lin Yi glanced at Yixuan. “Your level’s right there. What’s there for me to be scared of?”

“You’re bragging, but you’re just full of sh\*t,” Yixuan said.

“Yeah, if I don’t dare, I don’t dare. Why bother making excuses?” Lin Yi replied.

“You kept spewing nonsense earlier, but now you don’t dare to back it up. You’re like the keyboard warrior on the Internet!” Yixuan said.

“To think, I was going to ask him for his wechat just now. I was really blind.”

Hu...

Lin Yi took a deep breath. “Actually, I didn’t want to compete with you for fear of leaving a shadow on your pursuit of art. But you people don’t seem to appreciate my kindness, so let’s begin.”

“At least you’re still a man!”

“Come on, Yixuan, let’s go with a difficult piece. Let’s beat him!”

“With Yixuan’s skill, there’s no need to choose a difficult piece. He’s just an errand boy, so there’s definitely a limit to his skill. She can easily beat him with a simple song.”

Yixuan’s confidence soared as she looked at Lin Yi.

“Since you’ve agreed to compete with me, I have a request.”

“What request?”

“If you lose, leave this place and don’t delay our performance.”

“What If you lose?”

Haha...

The people around burst into laughter. Some even burst into tears.

“Brother, what are you saying? Do you think you can win against Yixuan?”

“Yixuan has been playing the piano since she was five years old. When you were five years old, you probably didn’t even know what a piano was.”

“Don’t you know that there’s such a thing as talent in this world?”

“Talent? Then you really hit the nail on the head,” Pengfei said.

“Miss Guo once said that Yixuan is the most talented of all her students. She said that as long as Yixuan works hard, she’d even surpass her in ten years. You’re talking about talent here?” Pengfei said. “Isn’t that a bit of presumptuous?”

“Sigh...”

Lin Yi sighed helplessly. “Then, let’s begin.”

“You don’t have to pretend to be helpless. The results won’t change.”

As she spoke, Wang Yixuan sat down on the chair. “I’m going to start. Are you ready?”

“As long as you’re ready. You don’t have to worry about me.”

She rolled her eyes at Lin Yi, cursing in her heart. “Let’s see how long you can keep up this act!”

Her slender fingers landed on the keys, and she began to play.

A few seconds later, someone recognized the tune that she was playing.

“It’s Big Fat Ham!”

“This New Orleans jazz style is a bit difficult.”

“That Lin Yi wouldn’t be able to handle a piece of this level right from the start.”

Ding Ding Dong Dong...

At that moment, the sound of another piano could be heard. The crowd was shocked to find that Lin Yi had started playing!

And he started playing before Wang Yixuan had even finished!

Most importantly, the syllables and melody were exactly the same!

“What, what’s going on?”

“He’s actually following the song? And there’s no mistake at all!”

The two stopped one after another, and Wang Yixuan looked at Lin Yi in surprise. She didn’t think that he’d be able to keep up with her song!

It seemed like he had some skill after all.

It was just that the song wasn’t that difficult, and it was normal for him to be able to keep up.

Everyone’s eyes were on Lin Yi now.

It was his turn to start now.

The piano started playing again, and Pengfei and the others’ ears pricked up.

“This song sounds familiar!”

“I know, it’s Silent Night!”

“What is this? Isn’t that too simple? Even an amateur like me can play it!”

“I’m really drunk. With this standard, how can he compete with Yixuan?” Pengfei mocked. “I really don’t know what he’s thinking.”

“He’s only at kindergarten level at most, and he’s still laughing at Yixuan, the champion. Teacher Guo must have made a mistake this time.”

“Shut up!” Yixuan said suddenly, her eyes wide open.

No one understood why Yixuan was so excited. It was just a simple Christmas song. Was there a need to react like this?

However, when Lin Yi finished playing the song, everyone noticed something different!

“Although I don’t know much about the piano, I can tell that this song isn’t an ordinary Christmas Eve.”

“He seems to have changed the song. The rhythm in the middle was changed. The traditional Christmas Eve is three-quarters of a beat, and he added a four-quarter beat melody in the middle. At the end, he added a jazz scale. It sounds like the Christmas song, but it’s not an exaggeration to say that it’s a brand new song!”

### **Chapter 213: Shocking Skills**

After a period of calm analysis, everyone looked at Lin Yi in shock!

No one expected him to play such a song!

With such skill, he shouldn’t be a beginner anymore!

However, with Yixuan’s skill, it shouldn’t be hard to deal with!

“It’s your turn.” Lin Yi said lightly.

“Good luck, Yixuan! We have faith in you!” Pengfei said!

“Didn’t you change the tune too? You can beat him if you want to!”

Yixuan frowned as she tried to recall the tune Lin Yi had just played. Then, she placed her hands on the keys and started playing.

About two minutes later, Yixuan finished the Christmas piece that Lin Yi had come up with.

However, there wasn’t any cheering.

“I don’t think I need to say any more. There were four mistakes in the one and a half minute tune. There’s no need to continue playing.”

“What?” Yixuan was nervous and embarrassed.

She didn’t think that she would lose to this errand boy before they started!

“It doesn’t count!” Pengfei said.

“Huh? Why doesn’t it count?” Lin Yi said.

“You’re playing a song that you adapted. Yixuan has never heard it before. Even if there’s a mistake, it doesn’t count as her losing!”

“Right, you have to play those famous songs, or you’ll be cheating!”

Lin Yi was speechless-the ones cheating were obviously the two of them.

“Fine, then play a famous masterpiece. I don’t care.”

“Yixuan, he was taking advantage of the situation just now. It’s only natural that you made a mistake. You have to come up with something harder this time-you can’t give him another chance!”

“I know!”

Yixuan’s expression was extremely solemn.

This was an opportunity that her classmate had fought so hard for. She had to seize it!

After pondering for a few seconds, Wang Yixuan placed her hand on the piano keys and began to play another song for this round.

“It’s The Crave!”

“This song is really difficult. He definitely won’t be able to recognize it!”

Just as everyone was dancing in excitement, they suddenly realized that the song had changed!

It had changed from The Crave to Finger Breaker!

“She actually changed the tune in the middle. The styles of the two songs are completely different, right?”

“The Chinese name of this tune is ‘Broken Finger’. The tune lives up to its name. After playing it, one will feel as if their fingers have been broken. The difficulty is not something The Crave can compare to!”

“Yixuan is too amazing. She can even play such a tune! I’m impressed!”

“So this is Yixuan’s true level. No wonder Teacher Guo said that she is the most talented student under her. It’s not an exaggeration at all!”

However!

Just when everyone was excited and thought that Wang Yixuan would definitely win, the song changed again!

“Yes, it’s the Enduring Movement!”

“It’s the Enduring Movement by Rimsky Korsakov!”

“It’s too amazing!”

Seeing Wang Yixuan play three high-difficulty songs in just a few minutes, her classmates were all dumbfounded and amazed!

These three songs were each harder than the last, especially the last two. Even if she played these songs consecutively, it was still very difficult, but she actually played all of them in tandem!

She was indeed worthy of being called the most talented girl of the Drama Academy!

She was simply invincible!

After playing the three songs, Wang Yixuan slowed down for a few seconds. She felt that she was no longer even able to control her fingers.

“It’s your turn.”

Wang Yixuan’s face was filled with confidence!

The difficulty of these three songs was extremely high. If he could even play one of them perfectly, he would have to thank the heavens and earth!

It would be impossible to play all three songs!

Moreover, if he missed just a single note at this junction, he would lose!

Therefore, she would definitely win this competition!

“The quality of these three songs is not bad,” Lin Yi said.

“Not bad?” Zhang Pengfei said disdainfully. “If you have the ability, you can play them. What kind of ability are you talking about?”

“What’s the rush?”

Lin Yi wasn’t in a hurry. He put his hand on the keys and started playing.

The Crave’s melody was almost perfect!

Wang Yixuan clenched her fists tightly. He was almost at the junction where he was supposed to transition into the second song!

It was also the easiest place to make mistakes!

Ring, Ring, Ring...

Lin Yi’s phone rang at this time!

Those who were immersed in the melody were all surprised. They didn’t expect someone to call at this time!

Pengfei and the others were delighted. If this distracted him, then there would be the possibility of something going wrong!

However!

A shocking scene happened!

Yixuan saw Lin Yi pick up his phone!

Moreover, he didn’t hang up!

He played the other two songs with one hand!

“What’s the matter?”

Who else would call at this time but Guo Rui. She wanted to ask how Lin Yi was doing.

“I’m practicing.”

“Thanks. Go do your thing.”

“What’s there to thank me for? Just give me a five-star review.”

After chatting for a while, Lin Yi hung up.

At this time, he finished playing the last two songs!

Everyone was dumbfounded!

A Meituan errand boy was able to play Finger Breaker and Enduring Movement perfectly with one hand!

Moreover, he was still answering his phone with the other hand!

He wasn’t affected by this at all!

This was a song that was difficult to play even with four hands!

Was this guy really an errand boy?

“I’m sorry, your teacher called just now. I was afraid that she had something urgent to talk to me about, so I answered the phone.” Lin Yi said with a smile.

“It should be my turn now, right? Don’t worry, I’ll play it now.”

Lin Yi put his phone back into his pocket and started playing!

“This is Piano Concerto No. 2 in B-flat major, ranked eighth in the world in terms of difficulty!”

Just as everyone was shocked, the tune changed!

“This piece is ranked sixth in difficulty, Norma’s Memories!”

Just then, the tune changed again!

“This is the fourth-ranked piece, Don Juan’s Memories!”

“The second-ranked ‘Piano Concerto No. 2’!”

“The number one most difficult piece ‘Piano Concerto No. 3’!”

Even Lin Yi felt refreshed after playing five songs in a row.

However, with Lin Yi’s standard, he could only barely handle the ‘Piano Concerto No. 2 in B-flat major’ and ‘Norma’s memories’.

As for the remaining songs, he could only barely complete one song. If he tried to play the whole song, there would definitely be flaws.

He might as well play the lute instead of the whole song. It would be a smarter move on his part.

“I’m done. It’s your turn now,” Lin Yi said.

At that moment, the backstage was completely silent. Everyone was staring at Lin Yi in a daze.

It was as if their souls had been pulled out of their bodies.

“You... are you sure you’re an errand boy?” Wang Yixuan asked nervously.

“I’m just not wearing my uniform. Do you have to be so suspicious of me?”

“But you’re just an errand boy. How can you play so many world-class piano pieces?” Wang Yixuan asked.

“Are you the only ones who can do certain things? Can the poor not do it?” Lin Yi said faintly.

“Or do you think that people can do anything with money, and that everything the poor does is wrong?”

### **Chapter 214: This Errand Boy is Too Awesome**

“No, no, no, we didn’t mean that.”

Wang Yixuan and the others were blushing, but the waves of shock in their hearts would not dissipate.

A errand boy actually had such high-level piano skills. This scene had already overturned their worldview.

No wonder Teacher Guo called him over. She knew his level!

“I’m sorry, I shouldn’t have said those things. I hope you won’t lower yourself to my level.”

Yixuan bowed deeply at Lin Yi, ashamed of her actions.

“We... We apologize to you as well.”

Pengfei took the lead to bow to Lin Yi as well. It was quite a spectacular scene.

“I’m not that fussed. I won’t get angry over such a small matter,” Lin Yi said lightly.

“But music is an expression of emotions. Narrow-minded people can’t play good music.”

“We understand.”

“Then that’s it. You don’t have to worry about me. I’m just an errand boy. I’m going to perform soon. There’s no need to follow me around.”

“Yes, yes.”

Wang Yixuan and the others picked up their instruments again and began their final practice and adjustments.

This time, after Lin Yi’s guidance, they found that the carefree feeling of playing had returned.

At this time, Guo Rui walked in in her high heels.

Lin Yi noticed that although her clothes hadn’t changed, there was light layer of makeup on her face, making her look younger.

“The show is about to start. How’s the preparation going? Are you nervous?” Guo Rui asked with a smile as she walked to Lin Yi.

"It's just a small venue. What's there to be nervous about?" Lin Yi replied.

"Miss Guo, Brother Lin is too good. I'm afraid I won't be able to keep up with his rhythm if I play with him," Wang Yixuan said.

"What's wrong? You were just complaining that he was just an errand boy. The show hasn't even started yet. Why are you now convinced?"

"I just fought with Brother Lin on the piano and lost completely. He's too good."

"Now, do you know that there's always someone better than you?" Guo Rui asked with a smile.

Her proud student had talent, but Guo Rui had always been afraid that she would get complacent.

Now that she had met Lin Yi, her pride and edge had probably been smoothed out.

"Yeah, yeah, Brother Lin is indeed amazing. I really can't compete with him."

"And he's self-taught. He hasn't received any professional guidance at all."

Hiss...

"Brother Lin's piano skills were all self-taught? !"

Everyone who heard this felt that it was unbelievable!

To be able to reach such a level by self-learning the piano... If he had the guidance of a professional teacher, wouldn't his level be even higher? !

This was too depressing.

"Of course, if he really had the money to learn the piano, he wouldn't be running errands."

Yixuan and the others nodded. It was the same thing.

However, with his looks and talent, running errands was a waste of his abilities.

"Alright, stop lamenting here. Get ready, the show is about to start," Guo Rui said:

"I went out to take a look just now. There are more than twenty media company leaders here. Whether or not you can be signed early is up to you."

"Got it, Teacher."

Guo Rui walked up to Lin Yi after giving her instructions to Wang Yixuan and the others.

"There are still a lot of things to do at the front desk. I won't be around to accompany you. If you perform well, there might be people from the media company who will take a liking to your talent. Then, you won't have to run errands anymore."

"Thank you for your kindness. I appreciate it."

"Alright then. You decide what you want to do. I'm just saying this casually."

Guo Rui was the director of the show, and she still had her own matters to attend to. She left after giving a few words of advice.

Lin Yi had nothing better to do, so he walked out of the backstage to get some fresh air.

On the steps outside the venue, Lin Yi picked up his phone and dialed He Yuanyuan and Zhang Song's numbers respectively, asking about Cisco's progress.

The development of events was within his expectations.

Zhang Song's order seemed to have stalled. The progress was very slow, and it seemed like they were not even confident if the goods could be delivered on time.

On the other side, however, the situation was completely different.

In He Yuanyuan's report, Cisco showed absolute trust in Didi's order after the deposit of 500 million was sent over.

Not only did they have to work overtime to produce the goods, they even had to expand the delivery room.

Lin Yi calculated that at this rate, it wouldn't be long before Cisco used up the 500 million deposit.

It was impossible to complete the remaining 2.5 billion with these costs!

Lin Yi rubbed his chin. The boss would be aware of such a problem.

It was likely that he would seek financing soon. This was the most effective way out.

Lin Yi called He Yuanyuan again, telling her and Qi Xianzhao to keep a close eye on Cisco's finances.

In reality, it wouldn't affect his overall plan, but it would be a pleasant surprise if the person behind Cisco was exposed.

"It's you!"

Just as Lin Yi was thinking about how to trick Cisco, he heard someone talking.

He turned around and saw a middle-aged woman dressed fashionably. She seemed to be one of the concert staff.

The person talking was none other than Guo Rui's colleague, Xu Shuang.

Technically speaking, the two had met once before when he went to pick up Guo Rui.

Lin Yi didn't take Xu Shuang seriously though, so he did not pay much attention to her. He couldn't recognize her.

"You are?"

"I'm one of Guo Rui's colleagues," Xu Shuang said. "She's the conductor for the show. I'm in charge of the planning."

"Hello." Lin Yi nodded in response.

“Are you waiting here for Miss Guo?”

“No,” Lin Yi said. “I’m going to participate in the show later.”

“Participate?!”

Xu Shuang was stunned for a while. She didn’t know how to react.

When they were at the school gate, Guo Rui had said that she had found an errand boy. This could not be him, right?

That’s not possible, right? He drove a supercar.

A new business?

“I heard from Teacher Guo that the person she found was an errand boy, but you...” Xu Shuang asked tentatively.

“I’m an errand boy. Don’t I look like one?”

Xu Shuang was confused. What was going on?

Was he really an errand boy?

“With your looks, you don’t look like one,” Xu Shuang said with a fake smile.

“You are also a practical person.”

Xu Shuang’s eyes darted around, and she forced out a smile.

“I still have other matters to attend to, so I’ll be leaving first. I look forward to your performance later.”

“Alright.”

The two of them didn’t talk much before Xu Shuang returned backstage. Seeing that the students were making their final preparations, she said,

“Are you all ready?”

“Yes, Teacher Xu.”

“Everyone’s here, right? You can go on stage according to your position.”

“Wait, Teacher Xu, Lin Yi isn’t back yet.” Wang Yixuan said.

“Lin Yi? Who is he?”

“He’s someone Teacher Guo found to replace Jingjing. He’s performing with us today.”

“Is he the errand boy?”

Wang Yixuan chuckled. “Teacher Xu, although he is an errand boy, he is not an ordinary errand boy.”

“Yes, yes, yes. His piano skills are very high. Even Yixuan lost to him,” Zhang Pengfei said.

“What did you say? Yixuan actually lost to an errand boy?”

Xu Shuang widened her eyes in disbelief.

Yixuan's standard was obvious to everyone. An average person was no match for her, and among her peers, almost no one could beat her!

The man outside was just an errand boy. How could he be better than her?!

"Teacher Xu, I really lost to him," Wang Yixuan said. "He's really different from other errand boys."

"At first, I was also puzzled about why Teacher Guo got an errand boy for such an important occasion. Later, I found out that he really has the ability to perform this. Now, I'm convinced," Zhang Pengfei said.

Xu Shuang frowned. She felt that this was not quite what she had imagined.

The errand boy outside might really have some skill.

She had been waiting for him to make a mistake and drag Guo Rui down with him. Now, the possibility of this seemed unlikely.

Thinking of this, Xu Shuang narrowed her eyes and cursed in her heart.

In this case, I can only use another method

### **Chapter 215: He Can Play the Cello?**

"You guys go on stage first." Xu Shuang said to Wang Yixuan and the others.

"I think I saw that guy outside. I'll go over to look for him now. I'll meet up with you guys later."

"Got it, Teacher Xu."

Everyone responded and walked up to the stage.

At the same time, Xu Shuang walked out from the backstage and found Lin Yi sitting outside.

"Mr. Lin, the show is about to start."

"Alright, I'm going on stage now."

Lin Yi got up and left, but Xu Shuang stopped him from behind.

"Mr. Lin, wait, I have something to tell you."

"Hmm? What is it?"

"It's like this," Xu Shuang said calmly.

"There was an accident just now, and a cellist in the band suddenly couldn't participate in the show, so you have to be the next cellist."

"I'll be playing the cello?"

Lin Yi didn't expect Guo Rui to make such an adjustment at such a critical moment.

However, how did she know that he knew how to play the cello?

It didn't seem like he had ever exposed his skills in this area.

"If I play the cello, who'll be in charge of the piano?" Lin Yi asked.

"Yixuan will handle it alone. It'll be a little difficult, but it won't be a big problem," Xu Shuang said.

"If we lose a cellist right now, it'll have a fatal impact on the performance. Otherwise, the two of us wouldn't have made such a decision. We can only rely on you now."

Xu Shuang's idea was very simple.

Lin Yi was good at playing the piano, but it didn't mean that he had mastered other instruments.

That was why mistakes were bound to happen during the performance, affecting the quality of the performance.

The school leader would be furious when that happened.

Even if she was the one responsible, she could still push the blame to someone else.

The person Guo Rui hired was an errand boy, and she made the decision to hire him because she was afraid that lacking a member would affect the performance.

Therefore, the biggest responsibility lay on Guo Rui.

She was only thinking about the overall situation.

"I don't care, as long as you give me a five-star rating."

"That's for sure," Xu Shuang said with a smile.

After a while, Xu Shuang found a cello for Lin Yi to use during the concert.

At the same time, the concert hall was filled.

The front row consisted of a choir from overseas. The members were around the same age as Wang Yixuan and the others.

The people in the other seats were all dressed in suits, waiting for the concert to begin.

Guo Rui, Wang Yixuan, and the others were already on the stage, making their final preparations.

On the stage, Guo Rui looked around for a while, but Lin Yi was nowhere to be found. She couldn't help but frown, having a bad premonition.

"Yixuan, have you seen Lin Yi? The concert is about to start. Why is he still missing?"

"I really don't know." Wang Yixuan looked around as well.

"When we were backstage, Teacher Xu came. She said she saw Lin Yi outside and said she'd inform him to go on stage. He should be here by now, so why is he still missing?"

Guo Rui's expression wasn't very pleasant. The two of them had always been at loggerheads. She was really afraid that Xu Shuang would play tricks to mess things up..

It wasn't a big deal for her, but it would be a big deal if she damaged the students' future prospects.

At that moment, Guo Rui heard a voice in her ears.

"Teacher Guo, everything is ready. There's only one minute left before the show starts."

"Okay, I got it."

Guo Rui's face was anxious. She had put her phone somewhere else for the show, and it was impossible to contact Lin Yi now.

"Miss Guo, Brother Lin is here, but he..."

Just as Guo Rui was filled with mixed feelings, she suddenly heard Wang Yixuan's words

She followed her gaze and was surprised to see Lin Yi walking over with a cello!

Everyone present was stunned. They knew Lin Yi's piano skills, but now they were asking him to play the cello. Wasn't this a joke? It was a complete waste of his gifts!

Lin Yi didn't think too much about it. He found the seat that Xu Shuang had assigned to him and sat down.

The person next to him was Zhang Pengfei.

"Brother Lin, why are you playing the cello?"

"Your Teacher Zu said that there's a cellist who couldn't come, so she asked me to replace him. Wang Yixuan will be in charge of the piano."

"Huh?"

Pengfei looked around and asked suspiciously.

"There's quite a lot of people here, too. It's a bit disharmonious if you sit in this area too."

"There's no one missing?" Lin Yi was a bit surprised.

What was that Xu Shuang doing?

She could even pull off a trick like that?

Didn't she know that this show was very important to all the students present?

Everyone looked at each other and turned their attention to Guo Rui.

They wanted to know what to do about this.

With Lin Yi's skill, he was more than capable of handling a concert of this level.

However, now he had come out with a cello. Wasn't this a joke?

No matter how good a person was, it was impossible for him to be proficient in two instruments!

If he was really allowed to play the cello, then the concert would be ruined!

Guo Rui was so angry that her body was trembling, but at this moment, she could only suppress her anger in her stomach!

She would settle the score with Xu Shuang later!

“Teacher Guo, what should we do now? Isn’t it ridiculous if we ask Brother Lin to play the piano? It won’t work at all,” Wang Yixuan said.

“Don’t worry, the concert hasn’t started yet. There’s still a chance to save it,” Guo Rui said. “I’ll go explain the situation and change Lin Yi’s position.”

“Okay.”

However, the moment Guo Rui turned around, the concert hall’s broadcast rang.

“Next, please enjoy the symphony, ‘Scherzo in G-flat major’, performed by the Zhonghai Drama Academy Orchestra.”

The voice on the radio made Guo Rui, Wang Yixuan, and the others panic.

They hadn’t even had time to adjust their positions yet, and it was already starting!

What should they do now?!

Clap Clap Clap!

The moment the announcement was heard, and the sound of applause rang out like rain.

Everyone was focused on the people on the stage, waiting for their next performance.

However, the people on the stage were panicking, even Guo Rui!

Lin Yi didn’t know how to play the cello at all, so how was the next performance supposed to go?!

If one made a mistake under such circumstances, the final result would be fatal!

However!

At this moment!

The sound of the cello was like the sound of nature as it echoud throughout the concert hall.

“It’s Lin Yi!”

When she heard Lin Yi playing the cello and creating a melody that was melodious and full of classical charm, Guo Rui was stunned!

Wang Yixuan and the others were also amazed!

He... he can play the cello?!

**Chapter 216: 200,000 a Month. Follow Me From Now On**

The cello felt like it had been given life in Lin Yi's hands.

The music lingered for three days without end, as if it possessed a soul-shaking magic.

At that moment, everyone present noticed the boy who kickstarted the performance.

Some women even started whispering to each other.

In the back row of the concert hall, a long-haired man was staring at Lin Yi as if he looked familiar.

The long-haired man was Pan Wen, a veteran talent scout in the entertainment industry.

He was the same person Lin Yi and Ji Qingyan had met in the supermarket.

"What are you looking at? Do you know the person on the stage?"

The person who spoke was the woman beside Pan Wen. Her name was Yang Wenyi, the general manager of Boyuan Media.

"He looks a little familiar, but I think I'm mistaken. With his status, there's no way he'd come to a place like this."

"I think that guy's pretty good. Keep an eye out for him, I want to sign him."

"Got it, Boss Yang."

At the same time, Guo Rui, who was on stage, started instructing with her baton.

If she didn't follow up now, the concert would become Lin Yi's solo.

Lin Yi was relieved when he saw Guo Rui pick up the baton.

If you don't follow up now, I'm going to finish playing the whole song.

Under Lin Yi's guidance, the other members of the orchestra started their own performances as well. Their movements were smooth and smooth, and they gradually got better!

Xu Shuang, who was standing backstage, watched everything with her mouth agape.

She couldn't even believe her ears.

Wasn't that Lin Yi just an errand boy? How could he be so proficient with both the piano and cello?

Where did Guo Rui find this pervert?!

Seeing Lin Yi playing the cello, Guo Rui truly believed that this handsome man was a genius among geniuses!

He was too amazing!

The concert ended after an hour.

During the performance, Guo Rui realized that Lin Yi had used his superb skills to drive the rhythm of the entire performance.

If it wasn't for him, no one else would have been able to perform at such a high level.

It was precisely because of his existence that the flaws of the other members of the team were obscured and their strengths were magnified!

The most valuable thing was that Lin Yi always showed his brilliance at the most critical moment during the performance. He always gave the outstanding parts to others and didn't fight for them. This was the key to the entire performance!

It could even be said that without Lin Yi, the performance wouldn't have been done so perfectly.

This man always surprised people at the most critical moment. Calling him a genius wasn't even enough to describe his talent!

Clap Clap Clap!

Thunderous applause rang out in the concert hall.

The people present were so excited that they stood up and applauded.

This performance could be described as perfect!

Guo Rui turned around and led her students to bow to the audience before returning backstage.

"Lin Bro is awesome!"

Zhang Pengfei hugged Lin Yi and wanted to kiss him on the cheek!

"Lin Bro, you're too talented. Not only are you good at playing the piano, but you're also good at playing the cello. If it wasn't for you leading the rhythm, it wouldn't have worked so well." Pengfei said as he looked at Lin Yi.

"I'm impressed. You're a genius."

Lin Yi was embarrassed by everyone's praise.

"I just did what I had to do. It's all because of your hard work."

"Lin Bro, don't be so modest. It's all about being awesome."

Lin Yi smiled, he looked at Guo Rui and said, "To be honest, the performance might have been better if I'd played the piano, but someone called Xu Shuang asked me to play the cello, and she said it was your idea. You can take care of the rest."

Guo Rui nodded. "I'll handle this matter seriously."

"This is your private matter, I won't get involved," Lin Yi said. "Don't forget your five-star review."

"Don't worry, I Won't forget."

"I'll be leaving then."

Lin Yi turned to leave after saying goodbye, only to see a woman in her thirties walking backstage.

This person was none other than Yang Wenyi.

“And you are?”

Guo Rui asked as she looked at the woman walking in.

“Nice to meet you, Teacher Guo. Let me introduce myself first. I’m the general manager of Boyuan Media, Yang Wenyi. The president, Yang Guangbing, is my father.”

It was the general manager of Boyuan Media!

The students present were all surprised by Yang Wenyi’s identity.

They were all students from the drama academy, so they were naturally awestruck by the famous Boyuan Media.

Boyuan Media was one of the top three entertainment companies in all of Zhonghai, and if they could enter this company in the future, they would have half a foot in the entertainment industry.

“Boyuan Media?”

Lin Yi muttered as he felt that the name sounded familiar,

Soon, Lin Yi remembered that when he was shopping with Ji Qingyan in the supermarket, he had met someone called Pan Lao San.

He seemed to be from Boyuan Media.

“Hello.”

Guo Rui and Yang Wenyi reached out their hands at the same time and exchanged a few pleasantries before the latter spoke up.

“Teacher Guo, I’ll be brief this time. I think your cellist is pretty good. Can you give me a chance to talk to him?”

Everyone understood why Yang Wenyi was here. Lin Yi’s stunning performance must have piqued her interest.

“No chance.”

Lin Yi replied casually, “The other musicians performed well too. There’s no need to focus on me.”

Yang Wenyi was stunned for a moment. She didn’t think that Lin Yi would reject her so easily.

Weren’t all the drama students eager to enter the entertainment industry? With such a good opportunity in front of them, was he not interested at all?

This was too different!

“Teacher Guo, is your student not interested in the entertainment industry?” Wenyi asked.

“Manager Yang, there are no outsiders here, so I won’t hide it from you.” Guo Rui smiled awkwardly.

“Lin Yi isn’t a student of our school. My student was sick and missed today’s performance, so I asked him to replace her.”

Wenyi nodded. "So that's what happened. Then what's his real identity?"

"An errand boy."

"Huh?"

Wenyi's expression was one of surprise and amusement.

"What did you say, Miss Guo? He's an errand boy?"

Guo Rui nodded with a smile. She'd already expected Wenyi to have that reacton.

"He is indeed an errand boy."

Wenyi didn't know whether to laugh or cry.

"He's such a talented person. It's such a waste of his talent to ask him to run errands."

"I was thinking the same thing," Guo Rui said. "I even wanted to invite him to teach at the school, but he rejected me."

"What's his reason for rejecting you?"

"He said he likes freedom."

Wenyi laughed out loud. This man really had a personality.

"You two go ahead, I'm leaving now."

Lin Yi took off his costume and prepared to leave.

Wenyi didn't stay too long after Lin Yi left as they walked out together.

"Mr. Lin, please wait."

Lin Yi stopped when he heard Wenyi's voice.

"What else is there? Didn't I tell you? I'm not interested in the entertainment industry."

"I don't want to force you to enter the entertainment industry. I have something else I want to talk to you about," Yang Wenyi said with a smile.

"What is it?"

Yang Wenyi brushed her hair as she said, "200,000 a month. Follow me from now on."

### **Chapter 217: Cisco's Two-Pronged Operation**

"You want to have me?" Lin Yi asked.

"That's right, that's exactly what I mean," Wenyi said straightforwardly.

"Actually, aside from your talent, I invited you to Boyuan Media because of your looks. Do you want to think about it?" Wenyi said.

Lin Yi smiled. "It's my first time meeting someone as straightforward as you, and you're already making me feel bad."

"What's the big deal? The entertainment industry is like this," Wenyi said,

"I'm not afraid to tell you that I've touched all of the young trainees in our company. They'd wait for me at the hotel as long as I called, but you're the first one to make me take the initiative."Wenyi said

"Don't you think that 200,000 a month is a bit too low for someone as good-looking as me?" Lin Yi asked.

"I just know that no one really likes freedom, it's just that they don't have enough money," Wenyi said confidently.

"How about this? I'll give you 400,000 a month, and I can arrange for you to work at Boyuan Media. If you want to hook up with other actresses while I'm not around, I won't care."

"Your 400,000 a month salary isn't even enough for my car's maintenance," Lin Yi said with a smile. "Get as far away from here as you can. Don't come out and embarrass yourself."

"What?!" Wenyi was furious. "How dare you talk to me like that!"

"I'm already being very polite."

"You!"

"Boss Yang!"

Just as Wenyi was about to lose his temper, he heard someone calling him from behind.

It was Pan Wen.

"You're just in time. Get someone to take care of this ungrateful thing. I don't want to see him again."

"Lin Yi!" Pan Laosan exclaimed with a sad face. "If I really had that ability, I wouldn't be hanging around you anymore!"!

"Lin Yi?" Lin Yi seemed familiar to Pan Laosan at first, but he wasn't sure.

What rich second generation with a fortune of 1.5 billion would perform at a concert like this?

However, after the concert ended, Pan Wen waited for Wenyi to come out and happened to see Lin Yi up close.

It was only then that he confirmed that the man was really the super-rich second generation he'd met in the supermarket!

"What a coincidence, meeting you here." Lin Yi said with a smile as he looked at Pan Laosan.

Yang Wenyi was a little surprised. "You two know each other?"

Pan Laosan looked awkward. "Not really, but I think we should just forget about it."

"Forget about it?"

Yang Wenyi's face was cold. "Pan Laosan, you're a senior in the company. Do you think my reputation is that worthless?"

"CEO Yang, this isn't about reputation. It's about this man. We can't afford to offend him."

"Can't afford to offend him?" Yang Wenyi snorted. "He's just an errand boy. Do you think I can't afford to offend him?"

"Errand boy?"

Pan Laosan was also stunned, "I'm not too sure about his real identity, but we've met him once before. Not to mention the other assets, just the cash on his card alone is as much as 1.5 billion dollars. It's not something our Boyuan Media can compare to."

"What, what did you say? His card holds 1.5 billion dollars?"

"It's true. I saw it with my own eyes."

Yang Wenyi was stunned. Her expression was not as firm as before, and she was even a little embarrassed.

She believed that Pan Laosan would not lie about this matter.

In that case, there was only one possibility.

This man really had so much money on him!

"Mr. Lin, I'm really sorry. I was rude just now." Yang Wenyi repeatedly bowed and apologized. The more she thought about it, the more frightened she became.

She only had about 20 million in cash at the most, and this man had 1.5 billion in cash on him.

The difference between the two was obvious. They weren't on the same level at all.

"If you're thirsty, buy some cucumbers." Lin Yi smiled. "You can use them at night and eat them during the day. You'll be able to kill two birds with one stone. How wonderful."

"Yes, yes, yes, I understand."

If it was someone else saying that, Wenyi would have lost her temper a long time ago.

However, the person standing in front of her was a super-rich second generation. She couldn't afford to offend someone like that.

In the entertainment industry where your status was everything, Wenyi knew very well that she had to behave herself when she wasn't as strong as the other party. Otherwise, she wouldn't even know how she died.

He pressed the car key in his hand, and Koenigsegg's door opened. Lin Yi left under the watchful eyes of Wenyi and Laosan.

The scene made Wenyi even more scared. It was a good thing that Lao San came in time, or else something would've really happened.

The car had just left when she received a notification from the system. Guo Rui's five-star review had been received.

Soon, Guo Rui called.

"Have you received the five-star rating?"

"Yes, it was quite timely."

"You've helped me so much. It would be wrong if I didn't give you a good rating immediately," Guo Rui said.

"By the way, are you free tonight? I want to treat you to a meal."

"As a married woman, treating a single youth like me to a meal is suspicious. Even if you're not afraid, I'm afraid of being beaten to death by your husband."

"What are you talking about?" Guo Rui laughed. "My husband is away on business."

As expected, husbands of married women liked to go on business trips.

"Although your husband is away on business, you still have a son."

"My son went to his grandmother's house."

Lin Yi, "..."

Not only did married women's husbands like to go on business trips, but their children also liked to go to their grandmother's house.

"I might not be able to today, I have other things to do," Lin Yi said. "Let's talk about it another day."

"Alright then, I'll remember this favor. You must give me a chance to treat you to a meal."

"Okay."

After hanging up the phone, Lin Yi was in a hurry.

This young lady, Guo Rui, was quite charming.

Looking at the progress of the mission, it was already (16/20), and the ultimate reward was now beckoning at him.

He continued with his work.

Ring, Ring, Ring..

Lin Yi's phone rang. It was He Yuanyuan.

"What's up?"

"We heard some news about Cisco, so we want to report it to you," He Yuanyuan said.

"There's a Sichuan restaurant near the company. It's noon, so let's eat and talk," Lin Yi said. "I'll be at the company in ten minutes."

“Haha...”

Lin Yi froze. It was just a meal, so why was she laughing so loudly?

“Qi Bro, look at what I said. I told you I’d definitely get a meal as long as I talk to Boss Lin,” He Yuanyuan said to Qi Xianzhao over the phone.

Lin Yi, “...”

He’d been tricked.

After hanging up, Lin Yi drove to the Sichuan restaurant near the Lingyun office to meet up with he Yuanyuan and Qi Xianzhao.

The three of them booked a private room and ordered a few classic Sichuan dishes. After this, Lin Yi asked,

“What’s going on with Cisco?”

“I heard from a few friends in the industry that Cisco has started raising money,” He Yuanyuan said. “And it’s going exceptionally smoothly.”

“That’s normal,” Lin Yi said.

“With the help of chip 1.0, they’re already at the top of the industry. If they want to raise money, it’s just a matter of asking. The investors will come flooding to them with the money.”

“Other than that, Cisco is also actively contacting other research units, as if they’re looking for contract labor,” Qi Xianzhao said.

“These people are pretty fast,” Lin Yi said. “They’re actually playing a two-pronged strategy.”

Qi Xianzhao nodded. “This is the fastest and most effective method right now.”

“Since Cisco is starting to raise money, let’s play along,” Lin Yi said with a smile.

“How?” He Yuanyuan asked.

“I can’t go out myself, so I’ll have to ask your senior sister to help get a share of such a big cut of meat.”

## **Chapter 218: Money For Children**

Lin Yi took out his phone and sent a video message to Ji Qingyan.

A few seconds later, the video call connected.

Ji Qingyan’s makeup was exquisite, and her long hair was tied behind her head, making her look smart and capable.

“Have you eaten?” Lin Yi asked.

“Not yet. I don’t have much of an appetite today. I’ll eat later,” Ji Qingyan said.

“Why are you texting me now? Is something the matter?”

“It’s nothing, I just wanted to tell you what we’re eating.”

Lin Yi pointed the video at the dishes on the table. “This is boiled fish, this is shadow beef, this is camphor tea duck, and this is...”

“Lin Yi!”

Qingyan suddenly raised her voice. “You’re going to die. How dare you tease me.”

“How is that teasing you? I just wanted to let you know that I’m eating, so you don’t have to worry.”

“You’re too much. I’m so busy that I don’t have time to worry about you.”

Lin Yi chuckled. “I have a deal that’s going to make me rich. Are you interested?”

“What deal?” Ji Qingyan asked curiously.

“A deal that’s guaranteed to make a profit.”

“Sure, is it an investment or an expansion project?”

“Investment.”

When it came to business, Qingyan turned serious. “How? Which company are you going to invest in?”

“Cisco Corporation Limited,” Lin Yi said. “How much liquidity does Chaoyang Group have now?”

“About 200 million, but 148 million of that is for the projects we are currently undertaking. We can only take out about 52 million.”

“Alright, I’ll get Yuanyuan to send you 48 million when I’m free. We’ll get 100 million and then go for Cisco.” Lin Yi said

“I’ll listen to you. We’ll do this once the money is in place.”

“Let Yuanyuan and Xianzhao handle this for you. They’re professional actors. It’ll be easy for you to get caught if you try to do this yourself.”

“What are you three researching? Why are you being so mysterious?” Ji Qingyan looked at Lin Yi and asked.

“Don’t ask about anything else. Just wait at home to collect the money.”

“Alright, I’ll listen to your instructions.”

Lin Yi hung up the phone after they finished talking about investing.

“Boss, if you want to scam Cisco, why don’t you invest more?” He Yuanyuan asked. “Why don’t you just scam them to death?”

“No,” Lin Yi said,

“Chaoyang Group isn’t a professional investment group. I want to create an illusion for Cisco and make them think that Chaoyang group is a speculator. At the same time, it can act as a weather vane.”

“Weather vane?”

“Nowadays, the people who want to invest in Cisco are mostly investment groups. The participation of Chaoyang Group can prove that other industries are also interested in their products.”

Lin Yi looked at the two of them. “I don’t need to tell you anything else.”

Qi Xianzhao thought for a moment and said, “What you mean is that you want to use Chaoyang Group’s investment to tell Cisco that their products are also well-known in other industries. Is that what you mean?”

“That’s right.”

He Yuanyuan continued, “You want to use this method to inflate their ego. Then, the higher they fly, the harder their fall?”

“Smart!” Lin Yi said,

“Actually, Cisco’s people are still being cautious. If we go too far, it’ll be easy for them to notice. One hundred million is the warning line. If it’s too much, it’ll send out a bad signal. It won’t make up for the loss.”

He Yuanyuan shivered. The boss was too evil.

It seemed that the Buddha request had to be put on the agenda.

After eating and drinking his fill, Lin Yi stopped checking his orders and went home to sleep. He didn’t wake up until the next morning.

“You have a new order, please check it carefully.”

Just as he drove out, he received a new order.

When he opened it, the contents made Lin Yi a little amused.

“My name is Liu Mei, 30 years old, 170 centimeters tall, fair skin, beautiful, and charming. I married a wealthy businessman in Hong Kong, but I am currently unable to have children. Seeing that I am struggling to bear an heir, I’m now using the opportunity to find a caring and healthy man to help me avoid future conflict. I can offer you 300,000 dollars. If you succeed in giving birth, you will be rewarded with another 2 million in cash. If you are interested, please contact me by phone.”

Lin Yi rubbed his chin as he read the content of the order:

“Are all small advertisements keeping up with the times? However, I can still accept this business.”

Lin Yi called back the number on the phone.

“Excuse me, is this Ms. Liu Mei? Are you looking for a son with a lot of money?”

“Yes, are you willing to help me?” The voice on the other end was pleasant to hear.

“I’ve already taken the job, so I’m willing to help.” Lin Yi said. “But you won’t go back on your word, right? Don’t wait for me to go, or you won’t pay.”

“Don’t worry, I won’t.” Liu Mei said.

“My husband is a wealthy businessman in Hong Kong. He’s worth tens of billions. A few hundred thousand is nothing to me. As long as you can help me get pregnant, I’ll pay immediately.”

“No problem. It’s settled then. You can prepare at home. I’ll be there in a while.”

“I’ve written the address on the order.” Liu Mei said.

“This is the house I just bought. If you can satisfy me, not only will I give you the money, but I’ll also give you this house.”

“Then thank you so much.”

After hanging up and confirming that the order was correct, Lin Yi was ready to work.

However, after thinking about it for a while, he realized that his small physique would not be enough to satisfy her. He needed help.

Thinking of this, Lin Yi dialed Qin Han’s number.

“Old Lin, what’s the matter?”

“I have something I need your help with,” Lin Yi said. “Can you find someone for me? Someone with a strong body and who looks oppressive.”

“Hmm? Why are you looking for someone like that? Are you in the business of pimping out to rich women?” Qin Han asked.

“That’s right, I’m a pimp. Just help me contact a few people.” Lin Yi said.

“Alright, I’ll help you contact them now,” Qin Han agreed readily. “After I contact the people, where do I tell them to look for you? Jiuzhou Pavilion?”

“No need. Tell them to go to Fuhua Garden and to wait for me at the entrance of the community.”

“Alright, leave it to me.” Qin Han said.

Lin Yi hung up the phone after finishing his business. He went to the bank to withdraw some money and then went to Fuhua Garden.

He waited for another ten minutes at Fuhua Garden. Qin Han’s men had arrived as well. There were more than ten of them.

The leader was a burly man. The muscles on his body had exploded, and Lin Yi was stunned by what he saw.

Qin Han could be quite reliable sometimes. From the looks of it, these people were all into working out and bodybuilding.

“Hello, Mr. Lin. My name is Liu Yinxi. Young Master Qin sent me to look for you.”

“I called you here today because I need your help. Just follow my instructions on how to do it,” Lin Yi said.

“Got it, Mr. Lin. We’ll definitely follow your instructions.”

“Let’s go.” Lin Yi waved his hand and brought Liu Yinxi and the others upstairs, muttering to himself.

“With so many people here, I wonder if that Liu Mei woman will be able to take it.”

### **Chapter 219: Even a Sow...**

Fuhua Garden, Unit 2, Building 3, Room 602.

There were three men and a woman sitting in the room.

The four of them were dressed casually. The man was shirtless, wearing shorts and slippers, and they were all covered in mud.

The only woman was no different. She was wearing a red tank top and a pair of black leggings. It seemed that she had been wearing them for a long time as they had started to stretch out.

The woman’s name was Liu Mei, but her appearance was far from what was described in the order.

Although she was only in her early 30s, she looked like she was in her 40s.

“Plum, it’s been so long. Why hasn’t that person arrived yet?”

The man who spoke had a stubble on his beard. He was holding a beer in his hand and had one foot on the stool. He had a fierce look on his face.

His name was Zhang Yongqiang, and he was Liu Mei’s husband.

When he was young, Zhang Yongqiang was a hooligan, and that’s how he got to know Liu Mei, who worked in the bathing center.

However, because the two of them were lazy types, they didn’t have any proper jobs over the years, so they started to scam people.

“It’s not a big problem. You heard what he said on the phone. His attitude is quite sincere.” Liu Mei opened a bottle of beer and said as she drank.

“You have to know that this is Zhonghai. How big is this city? It’s not a small county in the countryside. How can you just say that?”

“The main thing is that we are currently pennyless. If no new business comes in, we will have to go hungry for our next meal.”

“I don’t think it’s a big problem. First of all, these errand boys are all uneducated. I’m guessing they are not as good as me. They are all very easy to fool. All of you should get ready. He will be here soon.”

Zhang Yongqiang kicked the stool and said to his two subordinates,

“Don’t just sit there, you two. Go and get ready first. When he arrives, we have to take him down.”

“Don’t worry, Brother Qiang. Once he arrives, I guarantee that he won’t be able to escape.”

“If we just show our knives, we’ll probably scare him until he pisses himself. How much we extort then will depend on our mood,” another subordinate said.

“Haha, that’s right. After waiting for so many days, a fish has finally taken the bait. We can’t let it go so easily.”

Dang dang dang.

Just as they were talking, someone knocked on the door. Zhang Yongqiang and Liu Mei looked at each other with serious expressions.

Zhang Yongqiang looked at his two subordinates. “Get the guys ready. He’s here.”

“Got it, Brother Qiang!”

Zhang Yongqiang looked at Liu Mei after assigning the task.

“Plum, go open the door.”

Liu Mei nodded and walked to the door. She asked in a low voice, “Who are you?”

“Didn’t you want to pay a lot of money to have children? I’m here to help you fulfill your dream.”

After confirming Lin Yi’s identity, Liu Mei opened the door quietly with a joyful expression.

The moment Lin Yi entered, Liu Mei quickly closed the door. If she let him escape, she would suffer a huge loss.

Lin Yi smiled when he saw the other three men in the room:

“These three are here to help? But you don’t look like a rich woman to me.”

“Cut the crap.”

Liu Mei cursed and took off her shirt without saying anything, revealing the black bra underneath.

Lin Yi was amazed by the scene.

“You’re a bit too familiar at getting undressed. I can tell that you’ve practiced in the bathing center.”

Liu Mei didn’t pay any attention to this and pounced on Lin Yi.

At that moment, Zhang Yongqiang took out his phone and took a few photos.

After taking the photos, Liu Mei left Lin Yi’s side and put on her clothes.

“What’s going on? Weren’t you offering a lot of money to get a child?” Lin Yi said with a smile. “Didn’t you ever take health class in elementary school? You didn’t even take off your pants, so how come you still give me the money?”

“Kid, you’re already here, so I’ll tell you the truth.” Zhang Yongqiang said with a smile:

“You’ve been cheated. Hand over the money now, or you won’t be able to walk out of here alive.” Lin Yi said with a smile

“F \* ck, you people are too untrustworthy. You promised to pay a lot of money to have children, and now you want to rob me? That’s too unethical.”

“There’s nothing I can do about it. It’s your own fault for having such a low IQ.” Zhang Yongqiang laughed out loud,

“Previously, Plum said that all of you errand boys don’t have a high level of education. You’ll fall for it the moment you see some benefits. I didn’t really believe it before, but thank you for letting me know what it means to have such a low IQ.”

After saying that, Zhang Yongqiang took out the knife from his waistband and continued

“Do you see my knife? I don’t want to waste any more time. Hurry up and hand over the money!”

“You people are too unscrupulous.” Lin Yi sighed,

“I wanted to help you get a place in your in-laws’ family by impregnating you. After seeing the news that you were looking for a child, I had mixed feelings and even contacted my friends to help. I didn’t expect you guys to be such a bunch of mischievous people. Good intentions don’t get rewarded well.”

“Don’t be so f\*cking useless. If you want to blame someone, blame it on your own low IQ. Even if God himself came today, he wouldn’t be able to help you. Hurry up and pay.”

“If you guys are like this, then we won’t be able to negotiate this deal. Don’t blame me for falling out with you.”

“Falling out with you? F\*ck!” Zhang Yongqiang cursed,

“There are three of us here, and we all have knives in our hands. Can you fight against three of us on your own?”

“I can’t do it alone, but I have friends,” Lin Yi said with a smile.

“Who do you think your friends are? You’re locked inside, so who can help you?”

“Not necessarily,” Lin Yi shouted outside.

“Come in, guys.”

Dong Dong Dong!

Lin Yi gave the order and heard the sound of a door being kicked. The sound got louder and louder, and it was as if the walls were shaking.

Zhang Yongqiang and Liu Mei were dumbfounded.

How many people were there?

How could it have such a huge effect?

Dong Dong Dong!

Boom Boom Boom!

In less than half a minute, the old iron door was kicked open by Liu Yinxi and the others!

The moment the door was kicked open, more than ten people rushed in and shielded Lin Yi behind them.

They were dumbfounded.

Zhang Yongqiang and the others were dumbfounded. Who were these people?

They were all too strong.

“You, you f\*cking set me up!”

“Set you up?”

Lin Yi said innocently, “She was the one who said he was going to spend a lot of money to get pregnant. I was afraid that I wouldn’t be able to complete this difficult task, so I called for some strong people to help me. I could guarantee that I’d fulfill the request, but you’re the one who complained first. Isn’t that a little unethical?”

“F\*ck! You found so many people in one go. Forget my wife, even a sow would be plowed to death. You obviously did it on purpose!”

Lin Yi shrugged. “The main thing is that the conditions you offered were too tempting. I couldn’t give up the chance to make a fortune so easily.”

Zhang Yongqiang wanted to die.

The ways of the city were too deep. A simple child like him wouldn’t be able to survive here.

“Qiang... What should we do now Brother Qiang? There are more than ten people on the other side,” Zhang Yongqiang’s underling asked.

“I feel that they don’t even need to come at us together. If just one of them comes out, he’ll be able to deal with all 3 of us.”

Bang...

The knife in Zhang Yongqiang’s hand fell to the ground. He was so scared that his body went limp.

“Brother, this is a misunderstanding. We have no other way out and that’s why we did such a thing. Please give us another chance. We won’t dare to do it again in the future.”

“Don’t be like this. I called so many people here to make sure you are satisfied. You have to understand my good intentions.”

Lin Yi pointed at Liu Mei and said,

“Liu Yinxi, this woman’s surname is Liu too. She’s from your family. Let’s start with you. If you can’t get a five-star rating from the client, I’ll start questioning you.”

## **Chapter 220: Wang Ying’s Crying**

“Don’t worry, Mr. Lin. I promise I’ll complete the mission.”

Liu Yin walked over with a smile on his face, ready to work.

“Plum, run! I’m sorry.”

“No, it’s fine. There’s a lot of people here, but I can take it.”

Lin Yi, “...”

You actually know how to face difficulties head-on?

You really are a good employee!

Zhang Yongqiang was stunned. What was with that expectant look on your face?!

“Your name is Liu Mei, right?” Lin Yi asked.

“That’s... that’s me.”

“I went through a lot of trouble to find so many people for you. Are you satisfied?”

“Yes, I am.”

“Then can you pay the bill and give me a five-star rating first? After that, I’ll leave. I won’t keep you guys from having fun here.”

“Okay, okay...”

Liu Mei took out her phone and gave Lin Yi a five-star review.

“Don’t just give me a five-star review. Can you add a picture and a description? It’ll be more believable.”

“Okay, okay, okay. I’ll do it right now.”

Liu Mei took out her phone and gave Lin Yi another review.

“I, I’m done.”

“Okay, you guys enjoy yourselves here. Remember to call me when the child is celebrating their full moon. I’ll give you a big red packet.”

Zhang Yongqiang didn’t dare to say anything. He had already admitted that he was going to rob Lin Yi in the open, so why the f\*ck would he care about a five-star review?!

“Don’t move!”

Just as the battle was about to break out, a cold shout came from outside the door.

Lin Yi turned around and saw more than a dozen police officers rushing in from outside.

Liu Yinxi and the others had broken into the house, so the neighbor next door must have thought they were being robbed and called 911.

Otherwise, the police wouldn’t know what was going on here.

“Hello, Officer!”

Lin Yi said with a smile when he saw the police.

“Don’t be cheeky. Stand aside and tell me what happened.”

“Officer, here’s the thing,” Lin Yi said.

“I’m an errand boy from Meituan. This woman placed an order and said that she wanted to pay a lot of money to have children. I called for help, but in turns out they wanted to rob us. We had no choice but to fight back. Just when we couldn’t hold on any longer, you guys showed up. You’re like living Bodhisattvas who are saving our lives!”

Zhang Yongqiang’s face turned green.

What nonsense is it that you guys couldn’t hold on any longer.

It’s me who can’t hold on any longer!

Liu Mei’s expression changed uncertainly as she cursed in her heart,

‘Couldn’t you come a little later?!’

Originally, the police had treated this matter as a burglary.

However, after hearing the words “A large sum of money”, they immediately understood what was going on.

There were too many scams like this in modern society, and he didn’t even need to think to know what was going on.

The kid in front of him, on the other hand, had quite the sense of justice. He actually brought people to fight them to the death. His character was indeed respectable.

“Alright, take these people away.”

The head policeman looked at Lin Yi. “You come back with us to make a statement, but don’t worry, this has nothing to do with you. It’s just a formality. It’s not a big deal.”

“Officer, can you give me a break? I’m just an errand boy and my family doesn’t have much money. If I go with you, it’ll take a long time.”

“Dong Bro, I think we should let this go.” A short-haired female officer said.

“He didn’t do anything wrong, and he even helped us get rid of a syndicate. He should be praised, so let’s not force him to make a statement.”

“Sister Meng is right. It will take at least two hours to take a statement. The law is nothing more than a favor. We have to put people first in law enforcement, so we can’t take this too seriously.”

“Cough, cough, cough...” Looking at the two female colleagues, Li Dong coughed a few times.

“When you speak, be mindful of your identity and position.”

“We are telling the truth,” the short-haired policewoman said.

"This errand boy knew that they were scammers, but he still disregarded his own safety and resolutely came to punish the evil and promote the good. Therefore, I feel that not only should he not need to make a statement, but he should also be given praise."

"That's right!" Another policewoman said,

"And when it comes to these four people, we have to deal with them seriously when we go back. If we were a step too late, they would have disfigured this errand boy."

"Sigh, even if he was disfigured, I'm willing to do it..."

F\*ck, you're willing to do it? I'm the real victim here!

"Alright, alright. Let's forget about the statement. It's just a routine procedure anyway."

Li Dong waved his hand and called his other colleagues over.

"Take these four away and lock them up in the police station for interrogation."

"Got it, Brother Dong."

A few minutes later, Zhang Yongqiang and the others were handcuffed and escorted out by the police.

The group walked to the door, and Li Dong stopped in his tracks and said to Lin Yi,

"Sir, thank you for your contribution to the anti-crime campaign in Zhonghai City. When we get back, we'll apply for a banner for you as a form of encouragement."

"That's not necessary. It's my duty to help the weak and punish the evil."

"Brother Dong, look at his character. He has a sense of justice and is humble and low-key. We should have the young people learn from him," the short-haired policewoman said,

"I think we can apply for an exclusive interview and spread his good deeds throughout Zhonghai city."

"No, no, no. I'm used to keeping a low profile. Let's forget about the exclusive interview." Lin Yi said.

He still had a lot of work to do, and Lin Yi didn't want to do that kind of work.

"Alright then. If that's the case, let's forget about the exclusive interview," Li Dong said with a smile, then left with his colleagues and Zhang Yongqiang.

The crowd dispersed, and Lin Yi took out a black packet from the car before handing it to Liu Yinxi.

"Thank you for your help today. Here's 200,000 dollars. Take it back and share it amongst yourselves."

"No, no, no. We can't do that. You're Young Master Qin's good friend. It's only right for us to help. How could we take your money?"

With that, Liu Yinxi and the others hurriedly got into the car, not giving Lin Yi the chance to pass them the money.

Lin Yi put the money back into the car. He could only treat Qin Han to a meal afterward to return the favor.

Seeing that the mission had reached (17/20), Lin Yi felt gratified. If he was lucky, he would be able to complete the final mission today.

It was close to noon. Lin Yi found a place to finish lunch then started working again.

It wasn't until four o'clock in the afternoon that he received another five orders.

The first two orders were all five-star reviews, which made Lin Yi very excited.

However, the last three were all mediocre-reviews. He was only one five-star review away from completing the final mission, and Lin Yi had the urge to curse..

Ring, Ring, Ring...

Just as Lin Yi was about to take on the last five-star review, his phone rang. It was Wang Ying.

"Yi, where are you? Can you come pick me up?" Wang Ying cried.
