

## Radom Noew 241

### Chapter 241: I've Never Touched Taekwondo Before

"Ah, don't scold me," Sugar said,

"I think I did okay. At least we won two rounds."

"That's it?" Lin Yi was speechless. "How can you say that?"

"Okay, okay, calm down." Sugar said with a smile, afraid that Lin Yi wouldn't bring her along on anymore games.

"Play by yourself, I'm going to class."

"Yeah, I'll bring you some lunch later."

Lin Yi went to the gym after leaving the office, but this time he headed to the second floor.

He was surrounded by a group of girls when he reached the stairs.

"Teacher Lin, are you in charge of any other classes besides 'career planning for university students'?" A girl in tight pants asked.

"I'm also in charge of basketball and taekwondo classes."

"Teacher Lin, you're really something. You even know basketball and taekwondo."

"Teacher Lin, we want to change classes now. Is it too late to learn taekwondo and basketball?"

"Uh... we're about to finish the semester. I don't think you can change classes."

"Then can you teach us aerobics?"

"According to the class schedule, the aerobics class will be taught by other teachers. I can't teach that either." Lin Yi looked at his watch. "Class is about to start. Don't crowd around here. You guys should go to class too."

"Yeah, I got it, Teacher Lin. Take care of your body. Don't overwork yourself."

"Okay."

After sending the girls away from the area, Lin Yi arrived at the taekwondo room.

He entered through the door and saw rows of awards, symbolizing the glory of the university.

One of them seemed to be for the title of national runner-up.

These honors surprised Lin Yi a little. He didn't expect a school like this to be so outstanding in taekwondo.

"Oh my God, it's Teacher Lin!"

A long-haired girl exclaimed excitedly when she saw Lin Yi standing at the door.

The girl's name was Yawen Zheng. Her boyfriend, Tianbo Chen, was one of the main members of the Taekwondo Club, and also she had a good relationship with the teacher in charge of taekwondo, so she ended up signing up for this class.

At the end of the semester, she would end up receiving extra points for this.

"Wenwen, keep your voice down. Your boyfriend's still in the front row," Yawen's roommate said.

"Sorry, sorry. I was too excited." The corners of Zheng Yawen's mouth rose. She was so excited that she couldn't close her mouth, "I can't get a place for Teacher Lin's 'university student career planning' every time I go. I didn't expect to see him in taekwondo class. I'm so happy."

Hearing the whispers in the back row, a short-haired boy in the front row returned to look at Zheng Yawen.

Seeing that her boyfriend's expression was not right, Zheng Yawen immediately hid her excited expression and pretended that nothing had happened.

"Brother Bo, it seems that it is true. Teacher Chen's class has been taken over by him."

"What is the school doing? Isn't it disgusting to find such a person to teach taekwondo?"

"Old Chen, I think you should worry about your girlfriend. Be careful not to let her get seduced away," another boy said.

"Get lost. Look at his face, you can tell he's strong on the outside but weak on the inside. How can he compare to me?" Chen Tianbo said disdainfully. "Do you believe that I can kick him to death with one kick?"

"I believe it. You're the main force of the taekwondo club, and you're already at red belt. Apart from Teacher Chen, there really aren't many people who can withstand your kick."

Lin Yi didn't care about the whispers of the students below. He waited for Chen Jianye to come over so that he could take over the class.

At the same time, Chen Jianye and a tanned-looking boy walked into the gym.

The boy's name was Wang Haoyu. He was the top-seeded fighter in the taekwondo club in the teachers' university. He was stronger than Chen Tianbo and was almost a black belt.

"Teacher Chen, what's going on? Why is there a new teacher?" Wang Haoyu asked.

"The other party is related to the principal, so he took all of my and Teacher Sun's classes. This way, he can earn money for free."

"Are you kidding me? Taekwondo is such a technical class, and he wants to take it? Even if he is greedy for money, there is no one else who would behave like him."

"He probably thinks that sports is not important, so he can just casually fool around. That's why he is so bold."

“Bullsh\*t!” Wang Haoyu scolded, “He’s obviously looking down on our taekwondo class.”

“Calm down.” Chen Jianye said, “I called you here today to talk about this.”

“Does Teacher Chen have a way to drive him away?”

Chen Jianye nodded. “I’ve thought of a way. When the class starts, you can show your strength in front of him and make him back down.”

“That’s easy, just leave it to me.”

As the two spoke, they arrived at the entrance of the taekwondo club.

Wang Haoyu glanced at Lin Yi with disdain before returning to the group.

Jianye walked up to Lin Yi and greeted him politely.

“Teacher Lin.”

“Teacher Chen.”

After greeting him, Jianye turned to the others:

“I’m sure everyone has heard about it. From today onwards, I won’t be in charge of your taekwondo class. The rest of the class will be handled by Teacher Lin. Let’s give him a round of applause.”

Although there weren’t many girls who applied for taekwondo, they clapped enthusiastically, in sharp contrast to the boys.

“Teacher Lin, I’ve already made the teaching plan for the taekwondo class at the beginning of the semester. You can proceed according to the teaching plan.”

Jianye handed the teaching plan to Lin Yi as he spoke.

“Alright, let’s proceed according to your teaching plan. Otherwise, if we disrupt the rhythm midway, it’ll affect their learning as well.”

Lin Yi flipped through the teaching plan and said, “According to the teaching plan, what we’re supposed to learn today is one-on-one sparring practice, but before that, we need to do some warm-up exercises to avoid getting injured.”

With the lesson plan in hand, Lin Yi felt much more relaxed. He didn’t need to use his own brain and just followed the procedure.

Moreover, Jianye Chen’s lesson plan was very detailed, even to the point of the person’s name. He could save himself a lot of trouble in this way.

After a few minutes, the warm-up exercise was completed. Lin Yi looked at the lesson plan and said,

“Next, let the two students, Wang Haoyu and Chen Tianbo, give us a demonstration.”

Hearing Lin Yi call out Wang Haoyu and Chen Tianbo’s names, the people sitting on the ground applauded loudly.

“The two of them are the two masters of the Taekwondo Club. It will be very exciting to see them sparring.”

“I still prefer guys like Wang Haoyu. Look at his muscles. I’ll definitely feel safe standing next to him.”

“What’s the use of feeling safe? If you want to find a boyfriend, you have to find someone as handsome as Teacher Lin.”

Wang Haoyu frowned slightly and said in a low voice,

“Teacher Lin, you’ve been assigned to teach us taekwondo, so you must be quite capable, right? What level of black belt are you now?”

“I’ve never touched taekwondo before, so I don’t have any belt,” Lin Yi said.

### **Chapter 242: Beautiful Roundhouse Kick**

“What? ! You’ve never done taekwondo before?!”

Everyone was not longer calm anymore.

They thought that he was just low-level practitioner, but they didn’t think that he had never even done taekwondo before!

What the hell was going on with the school? !

“I know you guys have doubts about my level,” Lin Yi said with a smile:

“But before the class, I learned a little about taekwondo. It’s not a big problem for me to teach you.”

“Teacher Lin, are you joking?” Wang haoyu said,

“You only learned a little about taekwondo before the class, and you dare to teach us?”

“Why not?” Lin Yi said. “This isn’t a professional taekwondo class, it’s just an elective physical education class. I can teach you this much, right?”

Lin Yi’s words caused an uproar.

Normal students were fine with it. They didn’t care about anything in physical education classes.

However, people like Wang Haoyu and Chen Tianbo were different.

They were all hardcore members of the taekwondo club and had a lot of passion for taekwondo. When they heard Lin Yi’s words, they were filled with anger.

“Teacher Lin, are you looking down on taekwondo?”

“That’s not it,” Lin Yi said. “But I already said that if it was a higher level class, I might not be able to do it. An undergraduate taekwondo class shouldn’t be a problem.”

“Teacher Lin is really domineering,” Zheng Yawen said with eyes full of stars.

“You love-struck fool, wake up quickly. Your boyfriend is still in front.”

Seeing his girlfriend's attention on Lin Yi, Chen Tianbo's face turned even uglier.

"Teacher Lin, you said you think you are okay to teach us, but now I want to spar with you and have the other students watch. Do you have the guts to accept?"

"No way! Chen Tianbo wants to challenge Teacher Lin? Isn't the outcome obvious?"

"He's already a red belt, while Teacher Lin hasn't received any taekwondo training at all. He only knows a little about the rules. Isn't this equivalent to an adult bullying a three-year-old child?"

"Isn't that right? He's already bullying someone."

"Don't worry. Teacher Lin isn't stupid. He knows his own level. If he were to fight with Chen Tianbo, he would definitely lose. I bet he will find an excuse to refuse."

"I think so too. He knows he's no match for him, but if he still insists on charging forward, he'd be either stupid or mentally handicapped."

The smell of gunpowder on both sides intensified, and a smile appeared on Jianye's face.

This Lin Yi was really brave but not smart.

He only used a few simple tricks to get him to take the bait.

Sigh, he was really too stupid.

"Teacher Lin, you've seen Chen Tianbo's level, and he has a bad temper. Don't lower yourself to his level."

Although the plot had developed according to his expectations, he still had to stand up and say something.

This was befitting of his status as a teacher.

After persuading Lin Yi, Jianye pretended to look at Chen Tianbo sternly.

"Chen Tianbo, what's wrong with you? Don't you have any respect for seniority? Don't you know about Teacher Lin's situation? Why are you still trying to spar with him? What are you thinking? Do you have a lot of money? Can you afford to pay for the medical expenses?!"

"I know I'm wrong. I forgot that Teacher Lin is a relative of the principal." Chen Tianbo sneered. "If anything breaks, I really can't afford to pay for it."

Hearing Chen Tianbo's words, everyone remembered.

Teacher Lin got this job because of a personal relationship.

If that was the case, if Chen Tianbo hurt Teacher Lin, the resolution wouldn't be as simple as just paying for the treatment.

He might even be expelled.

"Are you sure you want to spar with me?" Lin Yi asked lightly.

"I'm not sure." Chen Tianbo shrugged. "I'm just a poor student. I don't have that many connections, so I really can't afford to compensate you."

At that moment, Chen Jianye came forward and said hypocritically,

"Teacher Lin, Chen Tianbo is already a red belt, and you're not even a beginner. According to the rules of taekwondo, you have the right to refuse. Moreover, you're his teacher. Even if you refuse, it's only natural. There's nothing to be ashamed of."

"Who said I'm going to reject him?" Lin Yi said lightly. "Although I haven't studied it in detail, it's enough to deal with him."

Lin Yi's words made all the girls present frown, thinking that he didn't know the immensity between heaven and earth.

"Teacher Lin, what's going on? Why do you have to suffer so much for the sake of your pride?"

"You're an adult, you shouldn't be so impulsive. Moreover, Chen Tianbo is your student. If you lose, won't it be even more embarrassing? You might as well find an excuse to reject him."

"Don't hit his face, or else Teacher Lin's perfect image will be destroyed."

"Teacher Lin, why are you doing this?" Chen Jianye said, "It's not good for you."

"You can stand aside." Lin Yi looked up at Chen Tianbo, "If you're ready, just do it. I'll take it."

"Teacher Lin, you're the one who told me to do it." Tianbo said, squinting.

"Yeah, I'll give you full marks for this class if you knock me down." Lin Yi said.

"That'd be great, of course. Full marks for free. It's my lucky day." Tianbo said.

"Tianbo, you'd better restrain yourself. Your fists and feet are blind. Don't hit Lin's face," Haoyu said, taking pleasure in Lin Yi's misfortune.

"Teacher Lin is the idol of all the girls in the school. If you hurt his face, you might not be able to walk out of the school alive."

"Sigh, what a headache," Chen Tianbo said,

"I wanted to use a more manly method to compete with Teacher Lin. I didn't expect that he would have so many girls supporting him. His good looks means that he has an advantage. The market no longer has any need for masculine boys like us."

"That's what I meant, so you have to be gentle."

"Okay, I got it!"

As he said that, Chen Tianbo looked at Lin Yi, "Teacher Lin, I'm going to make my move."

"Okay, come on."

In that instant, Chen Tianbo's expression suddenly became serious. He exerted force in his feet and charged at Lin Yi.

No matter what, Chen Tianbo was a red belt. His series of movements were already very impressive to the eyes of ordinary people!

Jianye nodded in satisfaction, cursing in his heart,

‘Both his strength and speed have improved a lot, and the angle of his attack is pretty good too. It looks like he’s been practicing a lot these days. Lin Yi must be scared silly seeing this move.’

The girls in the club clenched their fists tightly, their palms sweating from nervousness!

Chen Tianbo was the second most powerful fighter in the taekwondo club of the university!

Moreover, from the looks of it, he seemed to have used his full strength. How was Lin Yi going to defend himself?

Unlike the others, in Lin Yi’s eyes, Chen Tianbo’s moves were indeed lacking in polish.

With the power bestowed by the sage’s wisdom, it was too easy to deal with him.

At that time, Tianbo was already three meters in front of Lin Yi. He jumped up into the air and smashed down with a vicious chop!

Lin Yi shook his head when he saw Tianbo’s fierce moves. He’d better teach him a lesson since his opponent was getting serious.

Lin Yi took a step back and turned his body slightly. A beautiful roundhouse kick landed on Tianbo’s ribs!

Ah

Chen Tianbo fell to the ground with a loud scream, unable to get up!

### **Chapter 243: He is the Man You Will Never Have**

“He... He was actually defeated!”

Everyone present was shocked.

No one had expected that the red belt Chen Tianbo would not even survive a single move!

“Are my eyes deceiving me? How did Chen Tianbo end up defeated?”

“Isn’t he the second seeded fighter in the taekwondo club? He was actually killed in an instant!”

“Teacher Lin is too amazing. He only just learned a little bit of taekwondo knowledge, but he can use it now. He’s a genius!”

Chen Jianye and Wang Haoyu’s expressions changed slightly, and they were dumbfounded.

They had never expected such an outcome.

He had never received proper training. How could he have the ability to kill in one hit?

Taekwondo was not a sport that could be won by relying on strength.

Under Jianye’s arrangement, Tianbo was helped off the mats.

“Teacher Lin, aren’t you going a little too far?” Haoyu said.

“Too far?” Lin Yi said, “I’ve already shown mercy.”

“If that’s the case, then I’d like to ask Teacher Lin for a few exchanges.”

Haoyu was very confident in his own strength.

He was sure that Tianbo didn’t use his full strength when he fought just now, or else he wouldn’t have been defeated in one strike!

As for himself, his standard was already close to a black belt. He was much stronger than Chen Tianbo. Even Teacher Chen would have to fight with him for a long time before the victor could be determined!

It wasn’t a problem for him to use this opportunity to vent his anger!

“Are you sure you want to fight with me?”

“Don’t tell me Teacher Lin doesn’t dare to?” Wang Haoyu asked provocatively.

“Don’t tell me Teacher Lin also knows that Tianbo didn’t use his full strength just now, then took advantage of a loophole to defeat him?”

“Then let’s do it. Coincidentally, today’s teaching plan is to have 1v1 sparring sessions. Thus, I’ll give them a demonstration.”

At this moment, Chen Jianye walked up and said in a low voice,

“Teacher Lin, I think you should quit while you’re ahead.”

“What do you mean by quit while you’re ahead?”

“You haven’t even learned taekwondo. It’s already a fluke that you were able to defeat Chen Tianbo just now,” Chen Jianye said,

“I know Haoyu’s strength. He’s only slightly weaker than me, and he won’t give you a chance this time.”

Jianye pointed at the certificate hanging on the wall and said,

“That national runner-up certificate was won by Haoyu. Don’t try to show off. He won’t hit you lightly. It won’t be good if he ends up hurting you.”

“It doesn’t matter. It’s just a sparring session.” Lin Yi said,

“Besides, I’m a teacher. He challenged me. If I don’t accept it, I won’t be able to lead this class.”

“Teacher Lin, you have guts. Let’s go then!”

Wang Haoyu shouted and sped up towards Lin Yi!

When he reached Lin Yi, he exerted force through his legs and jumped up. A fierce double kick was thus aimed at Lin Yi’s face!

Lin Yi’s expression didn’t change. He grabbed Wang Haoyu’s ankle and pulled hard. Then, he threw him out like a piece of trash!

Bang!

Wang Haoyu fell heavily to the ground. It felt as if the ground shook.

“No way, another one-shot? !”

“One-shot my \*ss!”

Wang Haoyu cursed in exasperation and got up. “Keep going!”

There wasn’t even a second of pause before Wang Haoyu got up and charged at Lin Yi again!

Chen Jianye narrowed his eyes as he calmly analyzed the situation.

Wang Haoyu’s kicking skills weren’t that strong. What was truly strong was his punching technique.

The seemingly simple straight punch became his biggest killer move. This kind of attack that didn’t give anyone a chance to breathe, let alone Lin Yi. Even he had to expend some effort to defend against it!

Now that Wang Haoyu was serious, he was about to fall!

Just as Chen Jianye expected, Wang Haoyu used the simplest and most effective straight punch this time!

However, to everyone’s surprise, Lin Yi dodged Wang Haoyu’s attack with just a slight turn of his body!

Then!

He turned his body slightly to the side!

A side kick sent Wang Haoyu flying!

Ah!

A shrill scream rang out!

Wang Haoyu was now in even worse shape than Chen Tianbo’s.

His face was deathly pale and he had almost fainted!

At this moment, the entire hall was in a dead silence!

His eyeballs almost fell out.

Wang Haoyu was the number one competitor in the university. It was because of him that university was able to obtain second place in the national tournament.

Even so, now he had actually lost to a layman. How was this possible?!

“Teacher... Teacher Lin, are you sure you’ve never practiced taekwondo before?” Jianye asked, trembling.

“I don’t have to lie to you about this, do I?”

Everyone felt like they’d been hit by a critical hit after receiving a positive answer.

A person who only had a rough understanding of the rules of taekwondo actually had such powerful techniques and abilities, and could even use them in actual combat. What kind of genius was that?!

Was there anything in the world that could stop him?

Lin Yi tilted his head and looked at Jianye, expressionless.

“Teacher Chen, these two students’ skills are very average. Why don’t you give it a try?”

With Lin Yi’s intelligence, how could he not see through Jianye’s little schemes.

He was just being too lazy to pay any attention to him.

“No, no, no. There’s no need for us to spar anymore. There’s really no need.”

Jianye was panicking as he broke out in cold sweat. His skill level wasn’t much higher than Wang Haoyu’s.

Lin Yi could defeat him in one move, while he might not even last three moves.

If he were to spar with him, that would just be asking to be humiliated.

He might as well find an excuse to refuse, or his image in the students’ eyes would be forever tarnished.

“Then, am I qualified to teach taekwondo now?”

“Of course.” Chen Jianye said hurriedly, “In the entire university, no one is more suitable than Teacher Lin to teach taekwondo.”

“That’s good.”

The conversation between the two made the students below start whispering.

“Teacher Lin is too amazing. Even Teacher Chen is afraid of him.”

“I recorded the scene of the sparring just now. I’ll post it on the forum.”

“During the fight just now, a corner of Teacher Lin’s shirt was lifted. I saw his abdominal muscles.”

“Teacher Lin is too amazing. He is indeed my idol. I love Teacher Lin to death,” Zheng Yawen said.

“Yawen, your boyfriend was defeated by Teacher Lin. By right, he should be your enemy, right?”

“I’ve decided to break up with Chen Tianbo after class. An arrogant and selfish boy like him is not reliable at all. A modest gentleman like Teacher Lin is my type.”

“But he’s a man you’ll never get.”

“I just need to fantasize about him on a lonely and cold night.”

“Sigh, you’ve really gone mad.”

Chen Tianbo, “...”

He had been beaten up, and now she was going to break up with him?

Where the hell was the logic in that?!

“Alright, let’s all be quiet,” Lin Yi said in a low voice.

In that instant, the entire hall fell silent. No one spoke a word.

“The taekwondo class will continue peacefully shortly. Is there anyone else who wants to come out and spar with me?” Lin Yi said. “If there is, you can come out.”

“Me, Me, me!”

Zheng Yawen stood up. “Teacher Lin, I want to spar with you!”

“What’s a girl like you doing here?”

“Teacher Lin, I’m serious.” Zheng Yawen said. “But when the two of us spar, can you perform a double leg takedown on me?”

1

“A double leg takedown?”

“Yes, yes. You can hug me first and then throw me any way you want, but you have to be gentle. I’m afraid of pain.”

#### **Chapter 244: A Way to Shut Ji Qingyan Up**

“Forget it. I’m a strong person. I’m really afraid of hurting you.”

“Er... It’s okay if it hurts. I’ll just endure it. I can take it,” Zheng Yawen said.

“Alright, stop fooling around.”

Chen Jianye said, “From now on, Teacher Lin will be in charge of your taekwondo class.”

Jianye left dejectedly after a few simple reminders.

He didn’t have the face to stay here anymore.

Lin Yi followed the lesson plan for the rest of the class, saving himself a lot of energy.

However, there were a few girls who were harder to deal with. They kept saying that they wanted to practice grappling with him, that they weren’t afraid of pain, and that they would definitely be able to endure it.

This gave Lin Yi a huge headache.

Lin Yi was even more tired than he was after the game of basketball.

The bell soon rang, but before Lin Yi could leave the gym, his phone rang.

It was a call from Ji Qingyan.

“Teacher Lin, it should be time for the end of your class, right?” Ji Qingyan said sweetly.

“How did you know that I would finish class at this time?”

“The second period at university ends at this time.” Ji Qingyan said with a smile. “I’ve already prepared the materials for you. Come and cook.”

“Great CEO Ji, such a big company is waiting for you to manage it, yet you don’t do anything important. You play with the food in the kitchen every day. Aren’t you afraid that your performance will decline?”

“I’m not afraid.” Ji Qingyan said matter-of-factly, “If business is not good, Teacher Lin will give me a few projects and my performance will bounce back up.”

“Who would dare to hand over their business to an unreliable partner like you?”

“Hmphh, if you don’t give it to me, I’ll bite you.”

“You can bite me, but don’t bite it hard.”

“Huh? What do you mean, don’t bite it hard?”

“Read it separately.”

“Read it separately?” Ji Qingyan muttered to herself.

“Bite... read it separately then... Lin Yi! You’re teasing me again... Beep Beep Beep...”

Lin Yi hung up before Ji Qingyan could finish.

He’d just arrived at the parking lot, and Sugar called before he could put on his seatbelt.

“The food at the cafeteria is pretty good today. What do you want to eat? I’ll treat you.”

“I have something to do at noon, so I won’t be eating at school. You don’t have to buy anything for me,” Lin Yi said.

“Alright then. I’ll buy it for you another day, but you can’t be angry. You still have to play games with me next time,” Sugar said in a low voice.

“Listen to my advice. With your IQ, you should say goodbye to games and play something else.”

“Play what?”

“Play with yourself.”

...

Twenty minutes later, Lin Yi drove to Chaoyang Group.

He pushed open the office door and found her looking at him with a smile.

“Mr. Lin is too punctual. It’s exactly twelve o’clock, right on time.”

“I was afraid you’d starve to death in the office, so I came here in a hurry.”

“I’m not that useless.”

Ji Qingyan walked out from her desk excitedly. "Come, come, come, I want to show you something."

"What is it that's so mysterious?"

"A surprise gift bag." Ji Qingyan pushed Lin Yi to the door of her fitting room. "Quick, close your eyes."

"What are you doing? Why do I still have to close my eyes?"

"Be good, it'll be all good in a while."

Lin Yi rubbed his chin. That didn't sound right.

Lin Yi closed his eyes and Ji Qingyan opened the door of the fitting room with a creak.

"Alright, open your eyes."

What greeted his eyes was a dazzling array of clothes, accessories, and high heels of different styles.

"The mysterious gift you mentioned, is it the stockings you just changed out of?"

"Uh... not this one. I just changed out of it this morning and forgot to put it away." Ji Qingyan was a little embarrassed. "Can you focus on something else? Didn't you find anything else?"

"The mysterious gift you mentioned should be the sneakers on the ground, right?"

"Yes, yes." Ji Qingyan smiled. "From Air Jordan 1's to 14's, I also bought a pair for you to wear when you're in basketball class."

She took out two more LeBron James jerseys from the fitting room.

"And these, I think they'll look good on you."

Lin Yi didn't think that she'd be so diligent. She'd bought all these things after learning that he was now a basketball teacher.

"It's such a waste to buy so much at once."

"It's not a waste, it's not my money." Qingyan said.

"Did you use the money of other suitors to buy me clothes and sneakers? Not bad, not bad, you sure know how to live."

"Pfft, I'm not that thick-skinned." Qingyan said. "I bought it with the money from the dock, so it's on you."

Lin Yi laughed. "I'm really impressed by your operation."

"Hehe..."

Ji Qingyan smiled proudly like a beautiful rose.

"Lin Yi, I bought you the sneakers and jerseys, now isn't it time to cook? I've been running around all morning and I'm starving."

"Okay, wait here."

“Okay.”

Lin Yi went to the kitchen. He found that the prep work was done and he just needed to cook.

Judging from the shape of the dishes, Ji Qingyan’s knife skills had improved a lot. At the very least, the pieces were evenly sized.

Just as Lin Yi was about to cook the first dish, Ji Qingyan walked in from outside.

“Deng deng deng, check out what I’m wearing.”

Lin Yi turned around and saw that Ji Qingyan had changed into a new outfit. She had changed out of her uniform and into a pair of denim shorts, but with a Kobe jersey on top.

However, because the jersey was oversized, it covered the denim shorts completely, giving people the illusion that she wasn’t wearing anything underneath.

Apart from that, the black and red AJs 14 on her feet were the finishing touch to the whole outfit.

“Not bad,” Lin Yi said.

“How is it not bad? Give me a compliment.”

“Nice legs. Long, white, and straight.”

She rolled her eyes at Lin Yi. “Would you like it better if I wore black silk?”

“President Ji knows me so well.”

“Know you, my \*ss. Hurry up and cook, I’m starving.”

As she spoke, she didn’t forget to go to the fridge and take out some mango juice.

Twenty minutes later, Lin Yi brought out four dishes and a soup and placed them on the coffee table.

Ji Qingyan had a great appetite, but she had no idea which one to start with as she bit the chopsticks.

“Hurry up and eat. Weren’t you starving to death?”

“I am hungry, but every dish looks delicious. I don’t know what to eat.” Ji Qingyan whispered, “Let me tell you a secret.”

“What secret?”

“I secretly measured my weight today, and I’ve gained five pounds.” Ji Qingyan held the chopsticks in her mouth like a deflated ball. “I wanted to lose weight, but when I see your dishes, I lose my motivation.”

“I have a way to make you shut up so you can lose weight.”

## **Chapter 245: A Story About Eating**

“What can I do?”

“Let me tell you a story. Listen to me.”

Ji Qingyan nodded with a serious expression.

“One day, an elephant was pooping on the grass. After pooping, it realized that there was no paper. A little white rabbit happened to come by. The elephant said, ‘Little White Rabbit, do you shed your fur?’ The Little White Rabbit couldn’t answer, so the elephant used the little white rabbit to wipe his butt.”

“That’s disgusting. Can’t you talk about something else?”

“Don’t worry, I’m not done yet.” Lin Yi said:

“The next day, the elephant was eating. After eating, he realized that there was no paper to wipe his mouth. A little black rabbit happened to appear next to him. The elephant asked, ‘Little Black Rabbit, do you shed your fur?’ The little black rabbit couldn’t answer, so the elephant used the little black rabbit to wipe his mouth.”

“Then the little black rabbit said, ‘Mr Elephant, I’m the Little White Rabbit from yesterday.’”

“AH!

“Lin Yi, you’re so disgusting. Are you going to let me eat or not? !”

Ji Qingyan felt like she was about to go crazy. She hated that her legs weren’t long enough, or else she would have kicked him away.

“I’m here to help you lose weight,” Lin Yi said with a smile. “Do you have any appetite now?”

“I’m going to be sick,” Ji Qingyan said. “I’m not eating, I’m not eating.”

“Look, the desired effect has been achieved.”

“If I’m not eating, then you can’t eat either. I’ll be able to eat again after a while though.”

“I’ve even brought out my trump card, and you can still eat it? Are you an elephant?”

“Lin Yi, I’ll kill you!”

Ji Qingyan rushed over in anger and pushed Lin Yi onto the sofa.

“You still dare to play this game with me? I’ll tickle your feet.”

“I’m wearing shoes today, and you can’t take them off.”

“Then I’ll go somewhere else.”

“I’m not afraid of being tickled anywhere else, so your move won’t work.”

Creak....

“Senior...”

The office door was pushed open and time seemed to have stopped at this moment.

“I... did I come at a bad time?” He Yuanyuan asked tentatively.

“Don’t misunderstand. It’s not what you think,” Ji Qingyan explained in a panic, her face like a ripe peach.

It was not even 1:00 yet. Why was she here?

It was too embarrassing.

“Don’t worry, Senior, you can explain slowly. I’m listening,” He Yuanyuan said. “I really want to know, other than making love, what else can one do in this position?”

“What’s wrong with you?!”

Lin Yi yelled, “You’re already an adult, so why are you still watching? Get out of here and come back in two hours!”

“Two hours?”

He Yuanyuan glared at him. “Boss, you’re so full of yourself, I’m leaving now.”

“Why are you leaving? Stay here!” Ji Qingyan said.

“I don’t think that’s a good idea,” Lin Yi said, pretending to be troubled.

“Why’s that?!”

“If we were to do two at a time, I’m afraid my body won’t be able to take it.”

“Huh?”

Ji Qingyan was stunned for a moment before she understood what Lin Yi meant.

“Lin Yi, if you’re going to keep talking nonsense, I’ll strangle you to death.” Ji Qingyan said angrily. “Get up, why are you still lying there?”

“Uh, okay.”

“Ah, it’s so sour. We’ve known each other for so many years, but this is the first time I’ve seen my senior wearing a jersey. Boss, you’re really good with women.”

“I’m just showing off my legs. What kind of luck is that? It’s just a light drizzle.”

“It’s just a light drizzle?”

He Yuanyuan gave an understanding expression, as if she was saying that she knew everything.

“That’s right. It’s nothing.”

He Yuanyuan gave an ambiguous smile. “Since Senior Sister won’t let me leave, then I won’t leave. It just so happens that I haven’t gotten any lunch yet.”

Once bitten, twice shy. He Yuanyuan did not stand on ceremony this time.

She picked up her chopsticks and started eating.

Ji Qingyan wasn’t happy. I begged for a long time for him to make this for me. Why are you eating it?

Thinking of this, Ji Qingyan took her phone and sent a WeChat message to Lin Yi.

Ji Qingyan, "Tell Yuanyuan a story."

Lin Yi, "Okay. What story?"

Ji Qingyan, "The story of the Little White Rabbit and the elephant."

"Why do you want me to tell her this story?" Lin Yi asked.

"If she eats all the food you cooked for me, then what am I supposed to eat? I can't let her take advantage of me."

"What's the big deal? She ate it once before, and you didn't say anything." Lin Yi said.

"That was a one-off, okay? Just eating it once is enough. I've only eaten it a few times myself."

Lin Yi, "???"

What kind of mentality was that?

Ji Qingyan, "Go, Go, go."

Lin Yi coughed lightly under Ji Qingyan's threat.

"Yuanyuan, how about I tell you a little story about eating?"

"Sure, I can eat while listening." He Yuanyuan said.

"The story goes like this, there was an elephant on the grassland..."

"Haha..."

He Yuanyuan started laughing as soon as the story started, stunning Lin Yi.

'I haven't even started yet, why are you laughing?'

"Boss, is the story you want to tell about an elephant wiping its butt with a white rabbit?"

"How do you know?"

"I've heard of it before," He Yuanyuan said as she ate, unaffected.

"There's more to come," Lin Yi said. "I'll tell you more."

"I know the rest as well. He wiped my mouth with the little black rabbit the next day. Is that it?"

"You even know that?"

"Yeah." He Yuanyuan said as she picked up a piece of rib,

"There's a third part to the story. On the third day, a little hedgehog came and the elephant picked its teeth with it. Then, the little hedgehog told him that it was the Little White Rabbit from the day before."

"Urgh..."

Before He Yuanyuan could explain why the Little White Rabbit had become a hedgehog, Ji Qingyan could no longer stand it.

She rushed to the bathroom and retched.

When she came out, her face was pale. Looking at the four dishes and one soup on the table, she instantly lost her appetite.

“Senior Sister, why are you vomiting?!” He Yuanyuan was stunned. “Don’t tell me you’re pregnant? Didn’t you say that you two are innocent? How can something happen just by rubbing against each other?”

“What’s there to be happy about? Do you know how disgusting your stories are?”

“Disgusting? Isn’t this just a story about eating? Why are you taking it seriously?”

He Yuanyuan ate another piece of ribs with relish. It was so delicious.

Ji Qingyan, “...”

She wanted to die.

Lin Yi was the same as He Yuanyuan. He wasn’t affected at all and enjoyed a good lunch.

Ji Qingyan, on the other hand, did not even want to give it a try. She didn’t even eat one bite.

After the meal, He Yuanyuan took the initiative to clean up the leftovers in the kitchen before returning to the office.

“Didn’t you want to talk about the investment? Let’s start now,” Lin Yi said.

They had something important to talk about, but they just looked at each other.

“The procedures for Lingyun Capital have been completed. We can officially start operating in the near future,” He Yuanyuan said as she flipped through the documents in her hands.

“Apart from that, the interview for the foundation starts tomorrow. As the big boss behind-the-scenes, do you want to come over and take a look?”

“I’m not interested in the process, I’m just looking at the results. You and Old Qi can handle this,” Lin Yi said.

“I’ll send you one billion later to run the foundation. We’ll focus on the orphanage first and then the poor mountainous areas in the country.”

“I have something to say,” Ji Qingyan interjected.

“I think that right now, we should focus on the Lingyun Group’s business, with the foundation as a support. If we throw all our money into the foundation, it will very likely affect the development of the other businesses of the company. We can only do our best and act according to our ability when we do charity work.”

**Chapter 246: Who Would Dare To Disobey Your Sister**

"I understand what you mean," Lin Yi said.

"I'm not the messiah, either, so I'll just help as much as I can. Don't worry, I won't put the cart before the horse."

Ji Qingyan nodded. It was naturally for the best that Lin Yi understood this.

Charity was naturally a good thing, but one had to control it well as it was a big problem that had existed since ancient times.

It was a social problem that didn't change because of one's will. Lin Yi alone couldn't do resolve it.

"I have a suggestion," He Yuanyuan said:

"You can use the foundation as a business opportunity for Lingyun Group. Every time you launch a poverty alleviation plan, you can publicize it. It will be very beneficial to the corporate culture and social image."

"That's fine," Ji Qingyan said. "But I think it's better to wait to do this in the later stages of the plan."

"Why?"

"Right now, Lingyun Group is still in its fledgling stage. If it's exposed too early, it won't be a good thing. The capitalists in the upper class have always maintained the stability of this circle. Once someone rises, the first thing they do is to work together to suppress them. Many companies die in such a situation. Only when they can't control it will they choose to make peace."

"With the size of Lingyun group, they might not be able to compete with the entire capital market, so it's best to keep a low profile and take things one step at a time."

Ji Qingyan had a better understanding of the dangers of the capital market than Lin Yi and He Yuanyuan.

She wasn't sure if the other capitalists would do anything bad to Lingyun Group, but it was necessary to take precautions.

Lin Yi didn't understand it before, but now he understood it deeply.

Longxin was a good example. Stopping them from buying photolithography machines was one of the ways they restricted Longxin's development. This was the power of capital.

"Boss, what do you think?"

"Your senior sister has spoken. Who dares not to listen?"

"Yo yo yo, I really didn't think that you were a strict wife."

"What nonsense are you spouting?" Ji Qingyan said embarrassedly, but in her heart, she was elated.

"This is my pertinent opinion, and he has no reason to refute it."

"Okay, okay, okay, I understand."

He Yuanyuan smiled and said, "Director Lin, recently, Cisco's financing plan has been very smooth. The other party did not suspect the 100 million that you asked Senior Sister to invest."

"This is within my expectations. What about the others? Did Cisco make any other movements?"

"There's another big thing. They're expanding the factory." He Yuanyuan combed her hair and said.

"I heard through the grapevine that Cisco's factory in the suburbs of Zhonghai City has imported five more sets of equipment. The production capacity can be increased by at least 30%. They're working overtime to produce our orders."

"Do you guys have a rough idea of when they'll be able to ship the goods?"

"Brother Qi and the people from Cisco have talked about this, and it'll take about three to four months."

"They've already upgraded the new equipment, and they still need so much time?"

"That's already a very conservative number," He Yuanyuan said. "Although they said they'd complete the orders within three to four months, I think it'd already pretty good if they can deliver the goods within four months."

"I can't wait for this to happen."

Ji Qingyan knew everything about Lin Yi's plan for Cisco, but she still didn't understand his intentions.

"Right, who's the person in charge at Cisco's factory?" Lin Yi asked.

"The factory's director is Cao Xiangyu, the chairman of Cisco, and the son of Cao Jiadong." He Yuanyuan said

"He sent his own son there?"

"We don't know much about Cao Xiangyu. We only know that he was sent to study in England when he was in middle school. He only came back last year," He Yuanyuan said.

Lin Yi leaned back in his chair, tapping his fingers on the armrest.

"Cao Jiadong only has one son?" Lin Yi asked.

"Yes, he only has one son, but he has a daughter named Cao Jingqiu. She's also studying in England. She's three years younger than Cao Xiangyu." He Yuanyuan said.

Lin Yi raised his head and looked at He Yuanyuan.

"I think it's a waste of your talent to be a CFO. You should be a detective, you know so much."

"What's the big deal?" He Yuanyuan said pretentiously. "If you want to know, I can even help you find out when her period arrives."

Ji Qingyan shook her head speechlessly. What kind of boss did she have? What kind of subordinate did he have? The two of them were a perfect match.

"That's useless to me. If you want to investigate anyone, you should investigate your senior sister."

“You don’t have to investigate my senior sister. If you have any ideas at the end of the month, just do it within the next few days.”

Ji Qingyan, “???”

Just like that?

“Can the two of you talk about something normal? This is a meeting!” Ji Qingyan said with a straight face.

“Senior Sister, don’t be shy. You’re already an adult. There’s nothing to be afraid of.”

“That won’t do either.”

“No problem, I’m just a small accountant. I know what I’m supposed to target,” He Yuanyuan teased, then looked at Lin Yi.

“Boss, the contract is already set in stone. In a few months, the goods will be delivered. Are we really going to give him the rest of the money?” He Yuanyuan said.

“It’s useless even if we buy so many chips.”

“Who says I’m really going to buy them? Isn’t there a breach of contract clause? What are you afraid of?”

“I know,” He Yuanyuan said worriedly.

“Recently, I asked brother Qi about it. Cisco’s Chip 1.0 technology is already the highest level in China’s chip field. Many related experts said that a conservative estimate is that for the next three years, the chip industry in China could be monopolized by Cisco. In terms of technology, it’s no problem for them to remain the leaders in the industry, so our anti-compensation clause is useless.”

“I have my doubts too.” Qingyan said,

“Cisco wouldn’t have agreed to ten times the compensation if they didn’t have the confidence to back it up. It’s too simple-minded to try to deal with Cisco with this alone. The risks are too great.”

Qingyan paused. “And I’m a little confused. Why are you going to trying to deal with Cisco anyway? They’re researchers, so they shouldn’t have anything to do with you.”

“Don’t worry, you’ll find out soon enough.” Lin Yi said with a smile.

The two didn’t know what Lin Yi was up to.

However, they didn’t seem too worried. With his personality, he shouldn’t be at a disadvantage.

“Leader, now that Lingyun Capital has been established, do you have anything specific to say?” He Yuanyuan asked.

“At this stage, we should focus on the technology industry first. We also need to pay particular attention to projects that involve the people’s livelihood” Lin Yi said.

“Do your best to go in as an angel investor. You and Old Qi should be bolder. Don’t be afraid of losing money. Even if we invest in 100 of them and only succeed with one, we’ll be able to recover our losses. Just do it boldly.”

He Yuanyuan had always been meticulous when it came to serious matters. She wrote down Lin Yi’s words in her notebook and prepared to implement them one by one.

“Apart from that, big data and cloud computing centers are also the most important things. Carry out these two projects as soon as possible. This will act as the foundation of Lingyun Group. There can’t be any mistakes.”

“I understand.”

“That’s all I have to say. Let’s do it now.”

“Okay.”

The three of them discussed the details for another half an hour before ending the meeting. He Yuanyuan left as well and didn’t disturb the two of them anymore.

Lin Yi was about to leave after He Yuanyuan left, but he noticed that Ji Qingyan was looking at him strangely.

“Why are you looking at me like that? It’s almost the end of the month, so don’t tell me you have other thoughts.”

#### **Chapter 247: I’m Going for a Swim. Do You Want to Come?**

“What nonsense are you spouting?”

Ji Qingyan rebuked, “I’ve ordered a set of gowns. I’m going to pick them up later. Come with me.”

“You’ve ordered a set of gowns? Are you going to wear them to an event?”

“There’s a charity dinner tomorrow. All the leaders of Zhong Hai City will be attending. I’m also on the guest list. I have to go over and take a look.”

Ji Qingyan combed her hair and said, “It just so happens that your foundation has been set up. Let’s go together. It’s boring for me to go by myself.”

“Alright. I have nothing to do anyway.”

“Then it’s settled.” Ji Qingyan smiled and said,

“I’ll pack my things now. The two of us will go to get our outfits and then go to the supermarket.”

“Go to the supermarket?”

“Yeah, you live alone and since your fridge is empty, I’ll go buy something for you.”

“My fridge is full. If you need something, someone will give it to you.” Lin Yi said indifferently.

“You can’t give me everything, right? Let’s go to the supermarket. Maybe there’s something you can use.”

“I think you want to take this opportunity to come to my house for a free meal.”

“I didn’t even have lunch, and now my stomach is flat. Are you going to be responsible for this?”

“Even if you say that, I don’t want to hear it,” Lin Yi said,

“I only ask for someone to take responsibility when my stomach is too big. Your stomach is too small, so how can you blame it on me?”

“You’re talking nonsense again!” Ji Qingyan pinched Lin Yi. “Is there no rest for the wicked?? If you don’t tease me, will you die?”

“Then do you still want to eat my food?”

“Yes.”

“Is there a problem with me teasing you?”

“Uh... No.”

“Selling your soul for a meal? You’re so useless.”

Ji Qingyan laughed like a naive child.

“I’ll be useless as long as you can cook for me.”

Lin Yi didn’t know whether to laugh or cry when he saw how cute Ji Qingyan was.

“Alright then, I don’t have any classes in the afternoon, so I’ll follow your arrangements.”

“Yeah, yeah, that’s more like it.” Ji Qingyan looked at Lin Yi. “Then I won’t go to your house tonight. We’ll go to my house. Everything is already prepared, and it’ll be easier to cook.”

“That’s not a good idea. Your house is too dangerous. Your parents are so unpredictable. What if they show up again like last time?”

“Not this time,” said Ji Qingyan as she patted her chest. “They’re on a trip and won’t be back for a few days. You can come over this time.”

“You said the same thing last time.”

“Uh...” Ji Qingyan was in the wrong. “Okay then, I’ll go to your house today.”

In the afternoon, Ji Qingyan was busy in the office again.

Lin Yi, on the other hand, was playing video games on the sofa like a pampered uncle.

1

Lin Yi was the first person who dared to be so impudent in Qingyan’s office.

At three o'clock in the afternoon, Qingyan finished reviewing the documents in her hands and said to Lin Yi,

"Let's go get the outfits now."

Twenty minutes later, Lin Yi's car arrived at a high-class bespoke clothing store called MISS.

From the size and layout of the store, it was obvious that the items sold inside were definitely worth a lot.

Moreover, with Ji Qingyan's clothing and aesthetic standards, the fact that she had chosen this store already proved that it was pretty good.

"Miss Ji, the dress has been prepared for you. You can try it on first. If you are not satisfied, we will make some changes."

"Okay, thank you."

Ji Qingyan took the dress and said to Lin Yi,

"Wait for me here. I will select a suit with you later."

"Okay, you can make the arrangements."

Ji Qingyan took the dress to the fitting room. When she came out, she immediately attracted Lin Yi's gaze.

She was like a fairy that fell from the sky. Her smile was like a dream. Even the other customers in the shop were attracted.

"How is it? Does it look good?" Ji Qingyan asked expectantly.

"Very good!"

"Alright, stop showing off your wide range of vocabulary. There are so many people here."

Seeing that Lin Yi was satisfied with her outfit, Ji Qingyan was happy as well.

At this moment, Ji Qingyan didn't realize that her outfit was more than satisfactory.

"Hello Madam, I have something to discuss with you."

The woman had short hair and spoke in a polite tone.

Lin Yi and Ji Qingyan didn't expect someone to come up at this time.

"What's the matter?"

"I think your dress is pretty good. Can I have it? I can offer you 20% more."

Ji Qingyan shook her head when she heard that she was asking to buy her dress. "I don't have any plans to do this. I'm sorry."

"Miss, do you think my offer is too low? If you have any requests, feel free to ask."

“No need to ask!” Lin Yi said. “It’s just a few coins in your pocket. Don’t embarrass yourself.”

“How dare you talk to me like that! Do you know who I am? !”

“Who the hell are you dating that you can talk like that? Get lost!”

She was just here to buy some clothes, and yet she was met with such a pretentious person.

She really should have checked her almanac this morning.

The short-haired woman gritted her teeth in anger when she saw Lin Yi and Ji Qingyan leave.

She took her own clothes and left angrily!

Outside the clothing store, there was an Alphard. The short-haired girl got into the car after exiting the store.

In the car, besides the driver was also a long-haired woman.

If there were other people here, they would definitely recognize that this woman was the current popular female celebrity, Liu Fangfei!

“Why the long face?” Upon seeing her assistant’s expression, Liu Fangfei asked.

“Sister Fei, I saw a woman in the store just now. She tried on a very nice evening gown. I thought that it would look good on you, so I wanted to offer her a higher price to buy it, but the other party didn’t know what was good for her and didn’t accept it at all. It’s really infuriating.”

“There’s no need. Even if the dress is a little ugly, I can still beat everyone with my temperament.”

“That’s right. I think that person is just a small internet celebrity. She can’t be compared to Sister Fei!”

...

“Lin Yi, do you really think that this dress looks good? You’re not lying to me, right?”

In the car, Ji Qingyan asked again.

“Why would I lie to you? It makes my heart itch. I want to get it done before the end of the month.”

“Get it done?”

Ji Qingyan was stunned for a second before she reacted.

“Get your head out of your \*ss. Drive properly and go to the supermarket.”

The two of them went to the supermarket in Times Square on the way.

Because they were going to Lin Yi’s house, Ji Qingyan bought a lot of things.

Most of them were daily necessities, and she even picked out several types of facial masks for Lin Yi.

When she bent down to pick out items and compare the prices, her whole body exuded the aura of a housewife.

Back home, Lin Yi went into the kitchen. Ji Qingyan helped put the fruits in the fridge, and the rest of the daily necessities in the bathroom.

He also took a shower and changed into his pajamas.

“From the looks of it, you’re not leaving tonight.”

“Of course not.” Ji Qingyan said matter-of-factly. “You can take me to work tomorrow.”

For Ji Qingyan, living at Lin Yi’s house seemed to be a normal occurrence. It wasn’t a big deal.

Lin Yi didn’t think it was a problem. Everything was going as planned.

“Lin Yi, I want to eat your creme brulee. Can you make it for me again?” Ji Qingyan asked as she stood at the kitchen door.

“How many do you want?”

“Make six. Two for tonight, and I’ll bring the other four with me to work tomorrow.”

“It’ll be cold by the next day. I’ll just make it for you early.”

“No need, no need.” Qingyan rejected immediately. “That’ll be too much trouble. There’s an oven in the kitchen. I’ll just heat it up.”

“Alright then.”

Lin Yi didn’t say anything else as he started working on the food.

It was the same as before, four dishes and one soup. Qingyan had put in a lot of effort to help cut and wash the vegetables, and her movements were gradually improving.

“The caramel pudding you made is so delicious.”

After tasting it, Ji Qingyan’s face showed an unprecedented sense of satisfaction.

“Didn’t you say you would only eat two? This is already the third one.”

“I thought about it just now. I’ll bring three to work tomorrow,” Ji Qingyan said.

“It just so happens that I didn’t eat much in the morning. I’ll only be full if I eat three.”

After the meal, Ji Qingyan was extremely satisfied.

She sat on the sofa and touched her stomach.

“If I keep eating like this, my weight will break pass 105.”

“You’re 175. You shouldn’t weigh more than 105 pounds, right?” Lin Yi said.

“And all the meat on your body has went to the correct places. I can’t tell how fat you are.”

“Hehe, I’ll take that as a compliment.” Ji Qingyan changed her position and sat up from the sofa.

“Teacher Lin cooked a sumptuous meal to reward me. I’m going swimming. Do you want to come along?”

## Chapter 248: Tsundere and Cute

“Since you’ve invited me so sincerely, I’ve decided to agree to your request in order not to hurt your little heart.”

“Tsk, you’re still pretending to be a good person after taking advantage of me.”

Ji Qingyan stood up and went upstairs. When she came down again, she had already changed into her swimsuit.

Although she was wearing a towel, one could see that Ji Qingyan was not wearing the one-piece suit.

“I’ve brought your swimming trunks too. Put them on quickly, I’ll wait for you outside.”

Lin Yi went out after changing into his swimming trunks.

He noticed that Ji Qingyan was already in the water.

Her slender legs swayed back and forth like a mesmerizing mermaid.

“Come down.”

Ji Qingyan called out to Lin Yi when she saw him coming out, but her eyes lingered on him for a few seconds.

How did this guy train his abs?

He was so good-looking.

His body was even better than hers.

“Don’t worry, I’ll be right there.”

Lin Yi jumped down as soon as he finished speaking.

He made a huge splash, but it was too late for Qingyan to dodge.

“Lin Yi, you did that on purpose.”

“I was afraid that you wouldn’t be able to wait any longer, so I wanted to come down quickly. How can you say that I did it on purpose?”

“You did it on purpose. You splashed water all over me.”

“You’re already in the pool. It’s normal for you to get wet, right?”

“You’re so unreasonable. I can’t win against you.”

The two swam in the pool for a while under the bright moonlight before they came out one after another.

“Put on the towel. Don’t catch a cold,” Lin Yi said.

Ji Qingyan was touched and smiled at Lin Yi.

“You said it yourself. If I put on the towel, you won’t be able to see anything.”

“I’ve seen everything I need to see. I’ll look at it when you’re not wearing anything.”

“Hmph, you won’t get the chance.”

The two of them laid on the benches when he saw the unsatisfied expression on Qingyan’s face.

Lin Yi smiled.

“I feel like you planned this all along just to take advantage of my pool.”

“It couldn’t be helped,” Ji Qingyan said.

“I don’t have a swimming pool at home, and I’m too embarrassed to go outside. Since you didn’t take the initiative to invite me, this is the only way.”

“Don’t you just want to swim? I’ll give you a set of keys and an access card later. You can come over yourself if you ever want to swim.”

“That won’t do,” Ji Qingyan said.

“I’ll only come over when you invite me. I won’t come if you don’t invite me.”

Lin Yi spoke when he saw Ji Qingyan’s arrogant look.

“Then I’ll give you a house. This will be your home from now on. You can come here as you please.”

“I don’t want that either.” Ji Qingyan shook her head. “I can only come if you invite me. That way, I’ll look good.”

“I can’t do anything to help you.”

The two of them rested for a while. Then, she pulled Lin Yi into the water and swam a few laps before they returned home satisfied.

The next morning, when she woke up, she smelled a strong fragrance.

The disheveled Ji Qingyan instantly perked up and ran downstairs.

She found that Lin Yi had made four crème brûlées and placed them on the table.

“Eat this for breakfast. It won’t taste good by the time you get to work.”

“You made four new ones for me?”

“What else?”

Ji Qingyan reached out two fingers and kissed them before putting them on Lin Yi’s lips.

“I didn’t brush my teeth this morning, so I’ll give you a flying kiss.”

Looking at Ji Qingyan’s cute face, Lin Yi felt that it was even better than the sunlight outside.

“Go wash up, then come down and eat.”

“I want to eat first, can I wash up later?”

“Why?”

“I’m afraid that the crème brûlée will get cold after I wash up. I want to eat something warm.”

“Okay, you’re the boss.”

“Okay, okay.”

Ji Qingyan picked up a crème brûlée.

“You should try it too, this crème brûlée is really delicious.”

“I don’t really like sweet food. Why don’t you go ahead?”

“Then I won’t stand on ceremony.”

She kept saying that she didn’t eat much for breakfast, but the four crème brûlées were quickly destroyed by Ji Qingyan.

“I’ve decided that I won’t eat your food for the next month,” Ji Qingyan said solemnly.

“What’s wrong? Are you planning to lose weight?”

“Losing weight is one thing, but I can’t always bully you into cook for me,” Ji Qingyan said:

“Normally, women cook for men. Men can’t always be in the kitchen. It’s bad luck.”

“It’s not as serious as you say. This is all feudal superstition.”

“That won’t do either,” Ji Qingyan said,

“I’ve made up my mind. You’ve been working hard recently, so I’ll cook for you. That’s only fair. However, let me say in advance that even if the food I cook doesn’t taste good, you can’t dislike it.”

“I’ll definitely give you face since you’re taking the initiative to do this.”

“Yeah, that’s a good boy.”

Lin Yi sent Qingyan to the office after they finished their meal.

Before she got out of the car, Qingyan said,

“The charity dinner starts at five in the evening. Remember to pick me up at four.”

“Don’t worry, I won’t forget.”

“I’ll be going then. Be careful in class, you’ll get hurt playing basketball,” Ji Qingyan said cutely.

“Also, remember to wear the basketball shoes I bought for you so you can jump higher and shoot more accurately.”

“No problem.”

Lin Yi took out a set of spare keys. "These are my house keys. Are you sure you don't want to keep a set?"

"I'm sure." Ji Qingyan said.

"As long as you invite me often."

"No problem."

"I'll be going then. I'll see you at 4 pm."

"Okay."

After sending off Ji Qingyan, Lin Yi drove to school.

"Hello, Teacher Lin."

As soon as Lin Yi got out of the car, a girl came over to greet him.

"Hello," Lin Yi replied with a smile.

"Teacher Lin, I remember you driving a supercar to school a while ago. Why are you driving a Shari now?"

"That car belongs to my friend. This Shari belongs to me."

Lin Yi didn't want to show off his wealth in a place like school. They were still students, so it was better not to let them know about certain things.

"I see," the long-haired girl said.

"But don't worry, Teacher Lin. Even if you ride your bike to work, we'd still like you."

"Not bad, not bad. Although money is important, one can't be too materialistic. Everything must be based on reality."

"Yes, yes, we'll remember your teachings."

Lin Yi arrived at the office after being surrounded by more than ten girls. He found that the other teachers had already arrived, and he was the last one to clock in.

"F\*ck! This Judgement player is too weak. You don't even know how to heal, so what's the point of selecting Judgement!"

Lin Yi pushed the door open and entered the office, only to see Sugar throw her phone on the table.

"Who do you think is responsible for healing? Can you use your brain to play? I forgot, your brain was eaten by a zombie."

"Judgement has a healing skill. If he had healed me, I wouldn't have died, and they would not have gotten the character."

Lin Yi glanced at Sugar's towering peaks.

"You can heal yourself, so you don't need Judgement's help."

## Chapter 249: Physical Education Teacher Gets Sick for No Reason

“How can that be?”

Sugar picked up his phone again and looked at Lin Yi with anticipation.

“Let’s play a few rounds.”

“I don’t have time. I have a basketball class later, I can’t finish a round.”

“Oh right, speaking of basketball class, I remembered something.” Sugar said.

“Director Wang from the Physical Education Research Group just called me. He said that the aerobics teacher, Zhang, is sick and wants you to substitute for her.”

“Huh?” Lin Yi paused. “The aerobics teacher is sick and he wants me to substitute for her? Are you sure?”

“That’s what Director Wang said on the phone. I couldn’t refuse him, so I agreed on your behalf.”

“There are a few female teachers in the Physical Education Research Group. Even if Zhang is sick, he shouldn’t rely on me, right?” Lin Yi said.

“And I saw Zhang yesterday after my taekwondo class. She was full of energy and didn’t look sick at all.”

“Well, I don’t know, but you have to go to this class. He asked for you by name.”

Lin Yi finally understood what was going on.

The physical education teacher’s mysterious illness had probably reappeared in the university.

“Alright then, when is the aerobics class?”

To Lin Yi, it didn’t matter what class he had, as long as there was a class.

Apart from the aerobics class, there was also basketball class today. After all the classes were complete, the mission progress would be (5/20) , and he would be one step closer to completing the ultimate mission.

“The aerobics class is the first class in the afternoon, and it’s held in the gym. You can find it there.”

“Okay.”

Lin Yi went to the gym after tidying up a bit and getting ready for class.

The class today was different from yesterday. There was another group of new students here.

There weren’t any members of the school team in this class. They were all normal students, and they didn’t have much of a problem with Lin Yi’s appearance.

The news of Lin Yi defeating Fu Qingshan the day before had already spread through the school forum.

The students were filled with anticipation for today's class, hoping that Lin Yi could perform a miracle act.

However, to their disappointment, three-quarters of the time was spent on physical training. The rest of the time they spent practicing a few shooting drills, which was completely different from what they had imagined.

After class, Sugar bought Lin Yi Lunch.

As the saying goes, what goes around comes around. After the meal, he played two games with Sugar, then packed his things and prepared for class.

When Lin Yi came out, he found several girls standing at the door to the office.

"What's the matter?"

"Teacher Lin, we're waiting for you to go to aerobics class."

"Just go to the gym and wait for me. What are you waiting here for?"

"We have to cherish this opportunity. It wasn't easy for Zhang to fall sick. I don't know when she'll get sick again," a tall girl said.

"I think you guys want Zhang to get a terminal illness."

"That's not necessary. It's fine as long as he gets sick at a specific time."

Lin Yi was speechless. There was really nothing he could do with these students.

He felt that the next aerobics class would be the biggest challenge of his life.

The reason why Lin Yi had such a thought was because he was still too young.

In the near future, there would be a bigger challenge than aerobics class waiting for him.

He was surrounded by a few girls.

Lin Yi soon arrived at the aerobics class.

As soon as he entered the door, the smell of mixed perfume assaulted his nostrils. It was a very exciting smell.

When Lin Yi walked in, he realized that there were more exciting things waiting for him.

There were more than 60 girls in the aerobics class.

Most of them were wearing shorts, while the rest were wearing tight-fitting pants, just like the girls in the Douyin videos who showed off their figures every day.

Most of the girls were also wearing tank tops that exposed their navels. The scene couldn't be described with words.

Lin Yi felt like he was getting older as he looked at these young and beautiful female college students.

Their world was colorful, but the adult world was very simple. There was only gray.

“Hello, Teacher Lin.”

The 60-plus girls greeted Lin Yi as he walked in. Their excitement was beyond words.

The scene in front of him gave Lin Yi a vision.

He felt like he had rushed into a female wolf’s den.

Sometimes, being too handsome wasn’t a good thing.

“Stand properly, class is about to start.”

Lin Yi looked towards the door when he heard the voice.

It was Zhang, the aerobics teacher.

Zhang’s name was Zhang Xue. She wasn’t tall, and her figure was a little round. Although she wasn’t very pretty, she was very pleasing to the eye.

“Teacher Zhang, aren’t you sick?” Lin Yi asked.

“It’s not up to us physical education teachers when we are allowed to get sick,” Zhang Xue smiled helplessly,

“They said I was sick, so I guess I got sick.”

“Really, Teacher Zhang? You just gave in like that?” Lin Yi asked.

“I had no choice. I wanted to see Teacher Lin, so I cooperated with them.” Zhang Xue said.

‘I’m finished now,’ Lin Yi thought. ‘Whether or not I can make it out today will depend on God.’

“Teacher Zhang, how about this? I’ll go along with you for today’s class, but you’ll be the main instructor. I’m not good at aerobics, and I really don’t know what to teach them.”

With the help of the Sage’s wisdom, Lin Yi was very knowledgeable in aerobics. At the very least, he was no worse than Zhang Xue.

However, in his opinion, boys were too effeminate if they were to do aerobics, so he came up with this idea to avoid practicing it.

“No problem. They don’t really want you to teach them anyway.”

“Right, right, right. As long as Teacher Lin watches us jump, we won’t be tired even after jumping for a whole day.”

“Teacher Lin, you have to judge us and see who jumps better.”

“Teacher Lin, don’t stand so far away from us. Stay close to us.” Zhang Xue said.

‘What the hell? I’m a guy, after all. Can’t you guys be a little more reserved?’

Lin Yi sat down cross-legged. He had nothing to do with this class, and he just had to sit there.

Soon, the aerobics class officially began. Music played as Zhang Xue led the sixty-odd female students to review the movements they had learned the day before.

Lin Yi couldn't help but sigh when he saw these young and beautiful female students in front of him.

Each wave was stronger than the last.

After watching for a while, Lin Yi began to feel a little tired.

These people could only be considered small waves. If it was Ji Qingyan and Suge...

The scene would be comparable to a tsunami.

Bang!

Just as Lin Yi was thinking about when he would invite Ji Qingyan to go swimming again, he suddenly saw a girl faint.

The sudden change made the other girls and Zhang Xue stop what they were doing and rush towards the fainted girl.

"Tianxin, what's wrong with you? Wake up, don't scare your teacher."

The girl's face turned pale when she saw the fainted girl.

Lin Yi pushed the crowd away and walked over, pinching the girl with his fingers. Within a few seconds, the fainted girl regained her consciousness and said weakly,

"Ma... teacher, what's wrong with me?"

"Nothing, go back and eat something good, don't make yourself suffer."

"Eat something good?"

The girl panicked and her face turned even paler.

"Teacher, don't scare me, do I have a terminal illness?"

"What does this have to do with a terminal illness? I just want you to eat something good."

"Teacher, don't lie to me, just say what you want to say. Usually, you will only say such things to people with terminal illnesses."

Lin Yi was speechless. How did someone with this kind of IQ get into university?

"You're malnourished, your blood sugar is too low, and you fainted because of strenuous exercise. If I don't give you something good to eat, are you going to eat sh\*t?"

## **Chapter 250: Beauty Beyond Measure**

"So, that's how it is."

The girl named Tian Xin relaxed her tensed nerves, as if she'd just walked out of the gates of Hell.

Lin Yi stood up speechlessly. "Anyone with candy in their pockets, give her a piece and then go to the infirmary."

"Got it, Teacher Lin."

The aerobics class paused for a moment because of Tian Xin, then returned to normal.

Lin Yi sat on the side and finally understood why the ancient emperors liked to watch a lot of beautiful girls dancing.

It was really enjoyable.

After class, Lin Yi realized that it was almost three o'clock, so he didn't go back to the office and instead drove to Ji Qingyan's place.

"You're here so early. It's only half past three." Ji Qingyan said.

"I had a class in the afternoon. I wanted to over since I have nothing to do." Lin Yi said.

"That's right. Come to me when you have nothing to do. I'll take care of you." Qingyan said.

"If you're bored, go play on the computer. I'll go put on my makeup and change my clothes. Otherwise, we might be too late."

"Okay, go ahead."

Qingyan put on her makeup very quickly. It took her about twenty minutes to finish it all.

Lin Yi felt the world go silent as Ji Qingyan strolled toward him.

He held his breath and focused on the woman in front of him.

The black dress that sat above her chest fell on the floor. It was long and elegant. Ji Qingyan's fair arms were spotless, and her collarbone was exquisite. It was a stark contrast to her snow-white skin.

Although Ji Qingyan's usual clothes could accentuate her figure, compared to this evening gown, it was like the difference between Heaven and Earth.

The close-fitting evening gown completely covered her graceful figure. Her tall figure matched the high heels that were inlaid with black crystals. The perfect lines were like the most outstanding golden curves in a painter's painting.

Ji Qingyan had also done her best to match her jewelry.

The necklace, earrings, and bracelet, and especially the large sapphire on the necklace on her chest, were like a deep pool of seawater.

This set of jewelry made the originally elegant Ji Qingyan appear even more noble and elegant.

"Lin Yi, do you think it looks good?" Ji Qingyan lifted the hem of her skirt and asked tentatively.

"Isn't it a crime to seduce someone, sigh..."

"Hehe, at least you know how to talk."

Qingyan was a little embarrassed when she saw Lin Yi looking at her in a daze, but she felt happy inside.

“Your suit is inside too. Go change first, then come out.”

“Okay.”

By the time Lin Yi changed into his suit, it was four o’clock in the afternoon. The two of them went to the underground parking lot together.

“Take your car today.” Lin Yi said after getting out of the elevator.

“Take my car?”

“I didn’t drive a good car when I went to school during the day. You can’t expect me to take you to the charity dinner in my car, can you?”

“What’s the big deal? It’s just a ride.” Ji Qingyan said. “And your Shari is really comfortable to sit in.”

“Aren’t you afraid of losing face?”

“If I still need a car to save face for myself, I’ll have wasted been wasting the past few years of my life.”

“That makes sense.” Lin Yi laughed as he got in the car and brought Ji Qingyan to the charity banquet.

...

The Yun Lan Hotel was a super five-star hotel that competed with the Peninsula Hotel.

It had just been completed last year, so its architectural style and decoration were slightly more modern than the Peninsula Hotel

The general consensus was that the Yun Lan Hotel was slightly better than the Peninsula Hotel.

At this moment, a long red carpet was laid out in front of the Yun Lan Hotel. It was dozens of meters long and extended all the way to the arch outside the door.

On either side of the red carpet were white fences, with reporters lining up outside them due to the fame of the guest list tonight.

Today’s charity banquet had a guest list that included many entrepreneurs and celebrities. If these journalist reported it, it would definitely make the headlines tomorrow.

“Wow, look, isn’t that big star Liu Fangfei? She looks much better in person than on TV.”

“That’s right. I heard that she has taken on another palace drama recently. When it’s released, it will probably be able to satisfy everyone for a while.”

“She deserves the fame she has today. Not only is she beautiful, but she is also proficient in the piano and violin. She can be considered versatile.”

“In my opinion, the most beautiful female guest at today’s charity banquet must be Liu Fangfei.”

Seeing the countless flashes and discussions around her, Liu Fangfei was full of satisfaction.

“What a bunch of country bumpkins who have never seen the world. In all of China, is there a woman more beautiful than me? What a joke.”

“Sister Fei, let’s go in first.”

Liu Fangfei’s assistant whispered, “I just heard that Young Master Qin seems to have arrived. There’s no need to stay here any longer.”

“Young Master Qin arrived so early?” Liu Fangfei was excited. Her main purpose behind coming here this time was to build a relationship with Qin Han.

In the entertainment industry, capital was king, and whoever had money was the patriarch.

Recently, the Qin family had warmed up to the idea of entering the entertainment industry. If they could connect with Qin Han in advance, then within the next five years, they would be able to sit firmly on the throne of A-list actresses!

“He should be here, but Young Master Qin’s whereabouts are unknown. When I go in, I have to look for him carefully.”

“Yes, remember, you must connect with Young Master Qin. Don’t make any mistakes,” Liu Fangfei reminded.

“It’s a pity. If I could have grabbed that evening gown yesterday, Sister Fei would probably shine even more. If Young Master Qin saw you in that, he would have definitely been fascinated by you.”

“It’s alright.” Liu Fangfei acted coquettishly as she fiddled with her purse in front of the camera. She said,

“It’s just a piece of clothing. Whether it’s pretty or not depends mainly on the temperament of its wearer. The difference between an internet celebrity and a celebrity is clear for all to see. They’re just a bunch of people who have only recently stepped into the limelight. There’s no need to be so calculative.”

“That’s true. How can a mere internet celebrity compare to Sister Fei?”

At that moment, the reporters and the crowd exclaimed in unison.

“What’s going on? Even Shari can enter?”

“This car doesn’t seem to be high-class enough. Why is it here? Is there a mistake?”

The reporters and the crowd were puzzled.

Today’s guests were all driving cars that were worth at least a million dollars. What was going on with this Shari?

In the car, Lin Yi looked at the red carpet at the entrance and frowned.

“Isn’t it just a charity banquet? Why is there a red carpet? Why does it look like a fashion show?”

Ji Qingyan knew that Lin Yi was naturally low-key and didn’t like this kind of setup. She smiled and said,

“Modern charity banquets have changed. The format is more important than the meaning, so it has become like this. There are only a few people like you who do charity for the sake of charity itself.”

Lin Yi pursed his lips and said, “You’re right.”

“Let’s go, Teacher Lin. Do you want to walk down the red carpet together?” Ji Qingyan asked with a smile.

“No, this isn’t suitable for me. You should do it yourself. I don’t want them to take photos of me.”

“I knew you wouldn’t want to.” Ji Qingyan pointed at the side door in front and said, “If you don’t want to go in from here, you can go in from the side door ahead. Then, we’ll meet at the venue.”

“No problem.”

After discussing, Ji Qingyan opened the car door and got out.

Her long, fair legs and black evening dress were revealed, instantly attracting everyone’s attention.

The sky gradually darkened. When Ji Qingyan got out of the car, everyone couldn’t help but hold their breaths.

“This... this woman is too beautiful!”
