

I Get A Random New Occupation Every Week

661 The Tycoon's Toy

Bai Bingyu's eyes lit up.

He did not expect there to be such a powerful tycoon in this live stream!

As long as she could extend her an olive branch and give her some gifts, wouldn't it be easy for her to surpass that little b*tch?

"Brother, since you're so rich, help me. I'll treat you to a meal afterward."
Bingyu grabbed onto her last shred of hope.

"I think the person opposite you is clearly provoking you. You can't lose to him."

"That's true, but I can't withdraw my 200 million yuan assets for the time being."

As soon as these words were spoken, the comments in the live stream exploded.

"Haha... I have that amount too..."

"Me too..."

"Me too..."

Bai Bingyu's face darkened as she saw the countdown. The gap between her and Xiaoyu was getting bigger and bigger. There was no hope of catching up.

After the event ended, Zhang Xiaoyu's live stream was still filled with comments.

500 super rockets!

One million yuan!

She pushed the platform's top female streamer, Bai Bingyu, to the ground!

In the entire platform, only this tycoon named "Invisible Chicken Wings" could do it!

At the same time, Han Shuang's live broadcast room was silent. The frequency of comments was not as much as before.

The feeling of being slapped in the face was really not good.

She was a loser who earned 3,000 yuan a month and had to think twice before tipping 100 yuan, but she actually mocked someone who casually tipped 1 million yuan!

Her face hurt!

Seeing the popularity of the live broadcast room drop bit by bit, Han Shuang's face was ashen. She was filled with regret.

If she wasn't so cold, all of this would be hers!

These 500 super rockets would also be hers!

However, she had missed these things because she had looked down on this man.

Who was she to do this?

...

In Zhang Xiaoyu's live broadcast room.

Ever since Lin Yi started tipping, Zhang Xiaoyu had not sat down and had been continuously bowing to Lin Yi.

He had tipped him 1 million yuan in one go and even helped her win first place in the event. This was a huge favor that she could not repay even if she became a mistress for free.

“Yuyu, Big Brother Tycoon helped you reach the top. How are you going to thank him?”

“I think it’ll be best to devote myself to him. The payback will be more direct this way.”

“Don’t forget the 10,000 tail swings.”

Zhang Xiaoyu was about to cry. She really spoke too freely.

Why did he have to make that promise? How long would it take to complete it?

“Everyone, don’t be anxious. I’ll fulfill my promise, but I can’t do 10,000 Divine Dragon Tail Swings in one go. Let me perform a few for this tycoon first.”

As she spoke, Zhang Xiaoyu stood up in embarrassment. Then, with her back facing the screen, she did an extremely standard Divine Dragon Tail Swing!

Coupled with the tight dress she was wearing today, the visual appeal was top-notch.

At this moment, Lin Yi turned off the live stream because of the system’s notification.

[Mission completed. Reward: 10 proficiency points.]

[Profession Completion: 10%. Reward: Bugatti La Voiture Noire.]

“F*ck!”

Lin Yi let out a scream when he saw the system’s reward.

As a car enthusiast, Lin Yi knew this car very well.

The sticker price was 126 million, and there was only one in the world!

He had actually got it as a reward?

Amazing!

“System, where’s the car?”

[The system reward has been sent to the second garage in Jiuzhou Pavilion. The car key is under the front left wheel.]

Lin Yi got off the bed, but he did not leave immediately. Instead, he went to Ji Qingyan’s room to check on her.

Seeing that she was sleeping soundly, he quietly walked out.

He arrived at the second villa of Jiuzhou Pavilion and opened the garage door.

Under the frosty white moonlight, he could see a black behemoth parked in front of him.

With Lin Yi’s current net worth, buying a car worth hundreds of millions was a piece of cake.

However, this car was a little special. It was a limited edition car and could not be bought so freely.

Now that it was in his hands, it was indeed something to be happy about.

He opened the car door and sat in the car for a while.

Although the car was very flashy, the seats were as uncomfortable as ever. They were far inferior to his lousy Shari.

After testing it out for a while, Lin Yi got out of the car and returned to his room.

If Ji Qingyan found out about this, it would be difficult to explain.

It was too strange for a car to suddenly appear in the middle of the night.

Buzz, buzz, buzz!

As soon as he returned to his room, Lin Yi's phone rang. It was a notification from Douyu.

Moreover, there were several of them.

When he opened the mailbox, he saw that the person who sent the message was actually the female streamer, Han Shuang.

"Brother, I was too cold to you just now. I apologize to you. Can you not be angry with me?"

"I'm still waiting for you in the live stream room. Don't you want to see him perform the Divine Dragon Tail Swing? If you just come, I'll show you. That Xiaoyu performed one for you. I'll perform a hundred for you and let you watch as much as you want."

Lin Yi smiled and replied, "Not so cold anymore?"

Han Shuang replied very quickly, almost instantly.

"No, no, no. I'm only cold to those poor people. I've never been cold to handsome men like you. I've learned my mistake. Don't lower yourself to my level."

"You don't think I'm a liar anymore?"

"How can you be a liar? I misunderstood."

"But I don't have money to tip you."

"It's okay. As long as you watch my live broadcast, I'll perform the Divine Dragon Tail for you until you're satisfied."

Seeing that Lin Yi's attitude had softened, Han Shuang's heart was pounding.

Fortunately, she had swallowed her pride and apologized to him. Although he said that he had no money, to put it bluntly, he was testing her.

As long as he made him happy, he would definitely reward her!

Still, there was something to consider. He had just casually tipped out a million yuan. A few hundred thousand yuan was probably not even pocket change in his eyes.

Thinking of this, Han Shuang could not suppress the excitement in her heart.

As long as she captured him, he would not have to worry about food and drink in the future!

After making up her mind, Han Shuang followed up with another message and said,

“Little brother, come and watch my live broadcast. I’ve been waiting for you.”

“Alright, I’ll reluctantly go over and take a look.”

“Uh huh.”

Soon, an invitation link appeared on their chat interface.

Lin Yi clicked on it casually and joined Han Shuang’s live stream.

Seeing Lin Yi come in, Han Shuang smiled and quickly stood up to bow.

“Thank you, Invisible Chicken Wings, for coming to my live stream.”

This time, Lin Yi’s treatment was completely different from before. Han Shuang gave him the moderator role without a word to show her respect for Lin Yi.

This was also because of Lin Yi’s arrival that the popularity of Han Shuang’s live stream rose again.

“The tycoon is here. Come and watch!”

“Is the God-level tycoon here to take the cold queen of Douyu?”

“Little Kitty, you’ve changed. You actually revealed such a bright smile when you met a godly tycoon.”

“No matter how cold and aloof a beauty is, in the end, she’s still a toy for the rich.”

Han Shuang did not care about the gossip. She needed to hold on tightly to this tycoon.

“Little Brother, didn’t you want to see him perform the Divine Dragon Tail Swing? I’ll do it for you now. Coincidentally, I just changed into black silk. I think you’ll like it even more,” Han Shuang said with a smile.

“Since everything is ready, let’s begin.”

“Uh huh.”

As she spoke, Han Shuang stood up. Lin Yi realized that the short skirt she was wearing was even shorter than Zhang Xiaoyu’s.

Han Shuang’s posture was very standard. Her eyes were charming. Coupled with her outfit, in terms of visual effects, she completely surpassed Zhang Xiaoyu.

“Little Brother, are you satisfied with my Divine Dragon Tail Swing? This is the first time I’ve done it so seriously.”

“Not bad. Continue.”

“Yes, yes. I’ll definitely work hard.”

This time, Han Shuang’s live stream exploded again.

“I didn’t expect you to be like this, Han Shuang. I like it!”

“She’s supposed to be a cold female streamer. Her image collapsed because of that smile, but I like it too.”

“I’ve really feasted my eyes today. I’ve been watching Kitty’s live broadcast for more than two months, but this is the first time I’ve seen her wearing black silk. Thank you for the benefits you’ve brought us!”

After about ten minutes, Lin Yi could not keep track of how many times Han Shuang had done the dance. Understandably, by this point, her form had deteriorated.

She had almost broken her waist.

“Little Brother, I made more than 30 dragon tails for you in one go. Aren’t you going to praise me?”

Han Shuang pretended to be pitiful.

This was the most crucial step of the plan. She would probably be rewarded soon.

Just thinking about it made her excited!

However, she had to remain calm and not show it!

“Not bad,” Lin Yi replied simply.

“Is that all?” Han Shuang pretended to be pitiful.

“That’s right. Isn’t it enough to give you a verbal reward? Could it be that you want something else?”

“I want something else.”

“You’re dreaming.”

With that, Lin Yi left the live stream. To avoid her annoying him again, he blocked her.

Seeing Lin Yi leave the live stream, Han Shuang was stunned!

She had put in so much effort in her performance just to get him to reward her!

He actually left just like that!

He was playing her like a monkey!

At this moment, the comments flooded the screen again.

“Haha, the female streamer is too pitiful. She actually wants to cheat others of their gifts. How interesting!”

“Just now, you belittled a godly tycoon. Seeing that he’s rich, you came to lick his boots again. You’re too much.”

“What cold goddess? She’s just pretending. She’ll probably become a tycoon’s toy at night. Sigh...”

662 The First Meeting With a Rich Man

The next morning, Lin Yi opened his eyes and saw that there were several notifications from Douyu on his phone.

However, most of them were from Zhang Xiaoyu.

It was early in the morning yesterday when she contacted him, and he had already fallen asleep.

Xiaoyu, “Big Brother, are you asleep?”

Little Fish, “Can I add you on WeChat?”

Little Fish, “Don’t worry, I won’t disturb you.”

Seeing Zhang Xiaoyu’s message, Lin Yi felt that it wasn’t a bad idea to add her.

Many of these things surrounding live streaming were worth learning.

Therefore, Lin Yi sent his WeChat ID to Zhang Xiaoyu.

“Lin Yi, stop sleeping. Go wash up and eat.”

“Got it.”

Hearing Ji Qingyan’s call, Lin Yi responded and got up to wash up.

By the time he arrived downstairs, Ji Qingyan had already served breakfast.

“Why are you just looking at me instead of coming down to eat?” Ji Qingyan looked up at Lin Yi, who was standing on the second floor.

Lin Yi stood on the second floor, smiling at Ji Qingyan.

She had a bunny headband on her head, which gathered her messy hair behind her head.

There was no fat on her smooth calves, which glowed like jade.

The current Ji Qingyan showed no trace of exquisiteness, but she was beautiful all the same.

“You look good.” Lin Yi smiled.

A sweet smile appeared on Ji Qingyan’s face. “Then, apart from being good-looking, does Mrs. Lin have any other merits?”

“She is virtuous, intellectual, kind, beautiful, and generous.”

Lin Yi’s praise embarrassed Ji Qingyan.

“Stop talking. I’m not that impressive. Just don’t blame me for being willful in the future if you say that. Come down and eat.”

Lin Yi smiled and went downstairs. Breakfast was simple, but it tasted sweet to him.

“Do you have any plans for today?”

“I’m doing a live broadcast,” Lin Yi said.

“But I have to study this thing first. I don’t know anything about it yet.”

“Have you thought about what content you will show in your live broadcast?”

Lin Yi shrugged. “I haven’t thought about it yet.”

“But let me make this clear first. Wear a mask and don’t show your face,” Ji Qingyan said seriously. “Also, I see that other streamers have a nickname. Do you have one?”

“Yes, Invisible Chicken Wings. Isn’t that cool?”

“Eh…”

Ji Qingyan had a look of disdain on her face. “It’s not cool at all. Think of a better name.”

“A nickname is just a code name. Anything will do.”

“You’re too laissez-faire about this. Change it to something more normal.”

“Then help me think of one.”

Ji Qingyan looked around before her gaze landed on some greenery in the corner.

Lin Yi’s expression changed. “You don’t want me to be called Money Tree, do you?”

“That would work too.” Ji Qingyan was thinking of the prosperous connotations. “Look at our money tree, her vines are so long they’re reaching the ground.”

“Uh, this name is a little unlucky.”

“Unlucky? It should be alright, right?” Ji Qingyan was puzzled.

“In any case, I can’t use that name.”

With the chopsticks in her mouth, her eyes darted around. “I know what you can call yourself.”

As she spoke, she ran to the television and took out a pink mask from under the television cabinet. She brought it to Lin Yi’s face.

“That’s right. Your live stream ID shall be Brother Mask.”

“A nickname is fine, but why did you bring me a pink mask?”

“Don’t you like pink? I thought I’d buy you pink.”

“Ji Qingyan, I haven’t taught you a lesson in a week, right?”

“Hehe...”

Ji Qingyan rocked back and forth in laughter, looking extremely smug.

After dinner, Ji Qingyan returned upstairs to change her clothes. After giving Lin Yi a few reminders, she drove to work.

Lin Yi opened WeChat and saw Zhang Xiaoyu’s friend request. He clicked on it.

Zhang Xiaoyu, “Thank you for adding me as a friend.”

Lin Yi, “It’s fine.”

Zhang Xiaoyu, “Thank you for tipping me one million and getting first place. Can you give me a chance to treat you to a meal?”

This was the first time Zhang Xiaoyu was willing to meet someone offline. She never wanted to do this in the past.

However, yesterday, after the live broadcast ended, the Douyu administrators privately messaged her to ask her to cozy up to this tycoon.

If he could cozy up to such a powerful person, she would be able to sit firmly on the throne as the top streamer in the future.

Left with no choice, Zhang Xiaoyu boldly asked him out.

It was actually very common for female streamers to ask viewers out for meals offline. It had even become a subtle norm.

Zhang Xiaoyu wasn't really against such things, but she was afraid of meeting a greasy middle-aged man who would touch her hands and thighs while eating.

However, since the administrator had already given the order, she had no choice but to agree.

Lin Yi, "I've already eaten. Let's go somewhere else."

Zhang Xiaoyu's heart skipped a beat as she thought to herself,

"This old pervert, don't tell me he wants to book a room with me? Does he really think that he can have sex with me just because he tipped me 100 million yuan and won me first place? Damn it, if he dares to bully me, I'll throw a cup of coffee in his face!"

Zhang Xiaoyu, "Brother, where do you want to go?"

Lin Yi, "How about the Starbucks downtown in an hour?"

Starbucks?

Zhang Xiaoyu heaved a sigh of relief. From what she understood of creepy men's behavior, it would not be a big problem if they were to meet in Starbucks.

Zhang Xiaoyu, "Okay, see you."

After chatting with Zhang Xiaoyu, Lin Yi packed up and got into his red Lykan.

The reason why he didn't drive the La Voiture Noire that the system had given him was because Lin Yi felt that it was better for Ji Qingyan to be the first to sit in the new car.

Starbucks.

Zhang Xiaoyu was dressed like a proper lady. Her long hair was tied into a ponytail, and she was wearing a red V-neck dress that reached her knees. She was wearing black high heels and holding a cup of coffee in her hand. She looked like she was having a very peaceful day.

Beside her sat a girl in black jeans.

She had exquisite makeup on. Although she could not compare to Zhang Xiaoyu, her appearance was not bad either. However, her figure was much fuller than Zhang Xiaoyu's.

The girl's name was Li Siran, and she was Zhang Xiaoyu's university roommate. They had been very close for many years.

Because she had some concerns about this meeting, Zhang Xiaoyu invited her best friend to join her.

If something really happened, they could take care of each other.

"You're like a quail. Why are you so nervous?" Li Siran said in disdain.

Zhang Xiaoyu looked around. "This is the first time I'm meeting a fan offline. How can I not be nervous?"

"Sister, the person you're meeting today is a tycoon who tipped you one million yuan in one go. If it were any other streamer, they would be overjoyed. What's there to be nervous about? This is a good opportunity for your career to soar. You have to seize it."

"But I'm not one of those streamers who is willing to sell their body. I'm different from others."

"What? Are you saying you are content living a farmer's life in the outskirts?" Li Siran complained.

"As long as you serve him well today, you can have as much money as you want in the future. Why can't you be smart about this?"

“It’s mainly because I’m afraid that he has ulterior motives toward me,” Zhang Xiaoyu said softly.

Li Siran was speechless. “You’re overthinking. You’re overestimating yourself.”

“Why am I overthinking?”

“Sister, that’s one million yuan. What kind of woman can’t he sleep with in all of Zhonghai?” Li Siran said.

“If he were to hand out a million yuan, forget one person, even if he wanted to sleep with ten people, all kinds of women would stick out their butts out and climb into his bed. Now that you’re able to benefit from this, you’re being salty about it. Who died and made you queen?”

663 A Live Stream Mission of 200,000 Popularity Points

“F*ck, you’re truly one of society’s great teachers. What are you saying?”

“What’s wrong with being a teacher?” Li Siran said, “Don’t they also need nourishment?”

“Then tell me, what should I do if he really tries to touch me?”

“What else can you do? If you can accept it, let him touch you. If you can’t, turn around and leave.”

“I can’t accept that.”

“That’s even simpler,” Li Siran said. “If the other party is stubborn, I’ll help you slap him and teach him a lesson!”

“Okay, we’ll do as you say...”

Halfway through her sentence, Zhang Xiaoyu suddenly stopped talking. She saw Lin Yi at the door.

Following Zhang Xiaoyu’s gaze, Li Siran also saw Lin Yi.

“Damn, what kind of godly appearance is this? He’s too good-looking.”

“I know this person. He’s a super rich second-generation heir.”

Seeing Lin Yi again, Zhang Xiaoyu’s heart was pounding.

She felt like her boss had become even more handsome!

“Xiaoyu, do you think the mysterious tycoon who tipped you is this handsome guy?”

“Stop joking. He’s so handsome and rich. Why would he watch my live stream?” Zhang Xiaoyu said.

“And as you said, I’m not some kind of queen. I wouldn’t attract this kind of person at all.”

“What if you can? Can’t you fantasize about it?”

“What is the point of fantasizing in broad daylight? If you want to fantasize, it should be when you can’t fall asleep and are alone at night.”

“Is there a difference in day or night?”

“I think I’ll just call you Teacher Horny in the future.” Zhang Xiaoyu complained, “He’s probably meeting another girl. He can’t be looking for me.”

“What if he is?”

“Hehehe, if he’s really that mysterious tycoon, I’ll get whatever piercing he wants below. No matter what, I have to win his heart.”

At the same time, Lin Yi saw Zhang Xiaoyu sitting by the window and walked over.

“There was a traffic jam. Sorry, I’m late.”

Zhang Xiaoyu and Li Siran were stunned.

They felt that time had frozen for a moment.

“You... you’re looking for me?”

“I thought we were supposed to meet here.”

“You... you’re the tycoon who tipped me one million yuan!”

“Just call me brother. I don’t think it’s too old-fashioned.”

“What the f*ck?!” Li Siran couldn’t sit still anymore. “Xiaoyu, didn’t you say that if he’s really that rich man’s big brother, he would go and get a diamond piercing below? Do you want to install rhinestones or real diamonds?”

Lin Yi was stunned for a moment. “This is a technical job. You have to go to a good hospital to get it.”

Zhang Xiaoyu, “...”

“Siran, don’t you have a class to teach later? Go back to class.”

“I’ll be fine.”

“You’ll have to take a pay cut for taking leave. It’s not easy for you to earn money nowadays. There’s no need to waste time with me. It isn’t worth it.”

“It’s okay, we’ve been sisters for so many years. I have to accompany you no matter what,” Li Siran glanced at Lin Yi and said shyly.

“Ah!”

Li Siran screamed, “Why are you pinching me?!”

“Spring is finally here for me. Are you going to be a third wheel now?”
Zhang Xiaoyu whispered.

“Aren’t you just an innocent streamer? Are you not afraid that he will touch your thigh?”

“Please. If I had known that the tycoon who tipped me was him, I would have worn the new short skirt I bought.”

“Damn, I think it must be autumn. You’re actually in heat.”

“Don’t worry about whether it’s actually spring or not. Just go back to class.”

Li Siran secretly glanced at Lin Yi. “Look at how good his body is. With your physique, you definitely won’t be able to handle it. Why don’t we do it together?”

“F*ck, you’re too shameless. You can even say such things.”

“I can’t help it. He’s too handsome.”

“That won’t do either. Hurry up and leave,” Zhang Xiaoyu said. “I’ll treat you to a meal another day as compensation.”

“You’re such a lovebird.”

Li Siran stood up and waved at Lin Yi. “Handsome, I’ll leave first. My friend doesn’t know many poses, so you’ll have to show her a thing or two.”

Lin Yi, “...”

Zhang Xiaoyu, “...”

After Li Siran left, Zhang Xiaoyu’s expression became uneasy.

She was still a little nervous facing Lin Yi alone.

“Boss, what would you like to drink? I’ll order it for you.”

“No need.” Lin Yi waved his hand. “I came here today mainly to ask you something.”

“What is it?” Zhang Xiaoyu said seriously.

“I want to live stream too. Is there anything I should pay attention to?”

“You want to do live streams?” Zhang Xiaoyu was surprised. “You’re a rich second-generation heir. It’s not in line with your status to do live streams.”

“I’ve even opened a restaurant before. What’s wrong with doing this?”

“Uh... you’re right.” Zhang Xiaoyu thought for a moment. “Actually, it’s not difficult to be a streamer. You just have a phone. The difficulty is whether anyone actually watches your live stream.”

“Men and women are different. Women can sell their bodies, but men can’t. After all, the audience is still mostly male. If you want to attract an audience, you have to rely on your content to attract them.”

Lin Yi nodded and didn’t comment on Zhang Xiaoyu’s words.

“The streamer profession is actually a small industry. Any streamer with even little reputation has the support of a management company, which is the so-called guild. If the streamer has a team behind them, they can develop quickly.”

“The competition must be fierce.”

Zhang Xiaoyu nodded. “I’m a little famous on Douyu. Many guilds have approached me, but their only request is for me to change my career. They didn’t want to be a review streamer, they wanted me to sell my looks. I didn’t agree, so my current popularity is basically my ceiling. Sometimes, I’ll be discredited and suppressed by other guilds. In short, things are difficult for me.”

Lin Yi rubbed his chin. With the system’s character, he probably couldn’t just be a small streamer himself.

Therefore, this was a little problematic.

“That’s about it. The rest are all trivial matters. As long as you don’t do anything illegal, it’s usually not a big deal.”

[System Mission: Complete the first live stream. Popularity must not be lower than 200,000. Reward: 20,090 proficiency points.]

Lin Yi was already used to the mysterious system.

Hence, this was not too surprising to him.

“Let me ask, do you think it’s difficult to reach 200,000 popularity points?”

“Ah? 200,000 point? That depends on which angle you’re looking at it from.” Zhang Xiaoyu said in shock, “It’ll be easy to spend some money and cheat to get it.”

“I don’t want to cheat. I just want to do a normal live stream.”

Even though the system was getting more and more mischievous as time went on, it was still very upright.

It was absolutely impossible to cheat. Otherwise, Lin Yi would have completed the mission in minutes.

“That’s very difficult.” Zhang Xiaoyu said, “No one is going to watch a new streamer. Don’t even think about getting 200,000 points.”

“Is there no possibility of achieving this at all?”

“That’s not completely true.”

“What do you mean?”

“It might work if your live stream is super attractive and the content is super good. Secondly, I’ll also help you to attract an audience.”

664 How Much? I’ll Buy It Now

“Then let’s do it like that,” Lin Yi said.

“But the question is, is your live stream content interesting enough?” Zhang Xiaoyu said.

“It’s not a problem to help you attract attention, but if the contents of your live stream are not good, you won’t be able to retain the people. The popularity in my live stream is usually around 500,000 points, but you are aiming to reach 200,000 in your premiere. This will be very difficult.”

“I understand,” Lin Yi said, “What’s the most popular thing to stream among guys?”

“Male streamers are usually gamers,” Zhang Xiaoyu said.

“However, you need to have a certain level of acting talent when live streaming a game. You remember the streamer ‘50-50 battle’ in the past? I feel that he is a live stream genius. There are really not many people who are his match.”

“That’s true. Master 50 was a decent person when he was alive.”

“He’s proof that no matter how well you play the game, if you don’t have talent in acting, your stream won’t do too well,” Zhang Xiaoyu said.

“If you really want start streaming, why don’t you do a review with me? Buy some strange things that can satisfy the audience’s curiosity. Moreover, these people also tend to stick around. It’s a good choice.”

“Just like before, I ordered your egg fried rice because it was expensive. The audience is very curious about why that egg fried rice was so expensive. That’s why I ordered it.”

“Got it.”

“Why don’t we do this? Coincidentally, a Honda 4S shop just opened this afternoon. They want me to do a live broadcast and help promote them. When the time comes, I’ll go to your live stream room. Let’s familiarize ourselves with the process first. What do you think?”

“Sounds good.”

“Alright, let’s do as you say.”

Douyu’s live stream platform was different from that of other platforms.

The streamers on short video platforms could rely on short videos to accumulate fans in the early stages, but you could not do the same on Douyu.

Today, the streamer market was seriously saturated. If there was no one to guide Lin Yi in the early stages, it would probably take a lot of time to slowly grow his following.

After all, he was not really here to do a live stream. The most important thing was to complete the mission.

With Zhang Xiaoyu's current popularity, it should not be a problem for his popularity to exceed 200,000 if she joined his live stream.

However, the system would not be so kind. It would definitely not credit him for the portion of popularity that was caused by her attendance.

He had to grow his popularity himself.

"In that case, I'll create a room for you first. That way, you can become an official streamer."

"No problem."

Lin Yi handed the phone over, feeling that this was pretty good.

With Zhang Xiaoyu's help, he could save himself a lot of trouble.

"Boss, is your livestream ID still called Invisible Chicken Wings?"

"Help me change it. Call me Brother Mask."

"Huh? Brother Mask?"

"Yes, I won't show my face."

"No way." Zhang Xiaoyu said in shock.

"If you don't show your face, you'll lose a lot of your audience."

“It can’t be that bad.”

“Although the audience on Douyu’s live-stream platform are all old and straight men, there are also female viewers. As long as you show your face, I guarantee that you can instantly attract a large number of fans. Moreover, they are very competitive, and will definitely spend money to reward you.”

“Do you think I lack that bit of money?” Lin Yi smiled.

“But okay, that’s true as well.”

“Fine, let’s do it.” Lin Yi said.

“Coincidentally, this Starbucks is in Wanda Plaza, so I can buy something that I plan to use during the live broadcast later.”

“I’ll go with you. I’m free anyway.”

“Let’s go.”

After leaving Starbucks, the two of them went around Wanda Plaza. Lin Yi put on his mask, but it was light blue, not the one Ji Qingyan had prepared.

Inside Wanda Plaza, Lin Yi went to Prada.

Seeing Lin Yi enter, the saleswomen looked up but didn’t take him seriously.

Judging from their clothes, they seemed to be quite ordinary. They might not be able to buy anything in the shop, so she was not interested in serving them.

“Little Chen, there’s a guest here. Go and receive him,” the female store manager, who was doing the accounting, said calmly.

The girl called Little Chen was called Chen Yao.

She was wearing a black work uniform with flesh-colored stockings and black high heels. A colorful gauze scarf was tied around her neck. Although she didn't look stunning, she looked dignified.

"Sister Liu, I just finished training. I haven't memorized the entire product manual yet. Can I really do it?" Chen Yao asked.

"From the looks of it, they're just here to walk around. I don't think they can buy anything. Just treat it as practice. When you meet customers with real purchasing power, you won't be afraid."

"Got it, Sister Liu. I'll give it a try."

Chen Yao took a deep breath and walked toward Lin Yi and Zhang Xiaoyu.

"How can I help you, sir and madam?"

"I want to look at sunglasses."

In Lin Yi's impression, Prada's sunglasses were famous, and their style was very novel. Therefore, he wanted to choose a pair to get here.

Zhang Xiaoyu was a little nervous.

Although her income was also very good, in a city like Zhonghai, she could only be considered moderately well-off.

She rarely visited luxury stores like Prada.

Therefore, her behavior was not as natural as Lin Yi's, and she even felt a little guilty.

Seeing that Lin Yi was here to buy sunglasses, Chen Yao welcomed the two of them to the booth.

"Sir, what's displayed here are all this year's new designs. You can browse as you please."

Lin Yi looked into the display cabinet and finally saw a pair of sunglasses with large lenses.

“Please bring this pair out for me.”

Seeing the sunglasses Lin Yi chose, Chen Yao thought to herself,

‘This man has really sharp taste. This is the most expensive sunglasses in the shop. The price is as high as 98,000 yuan. He actually chose this one at a glance.’

Chen Yao carefully took out her sunglasses, afraid that she would accidentally break them.

“Sir, you can test them. I think this pair of sunglasses matches the shape of your face.”

Miss Chen knew that Lin Yi wouldn’t buy it, but she was a attendant and had to do her job well.

“There’s no need for me to try it. How much is it? I’ll buy it now.”

“Um...”

Hearing this, Chen Yao was stunned.

This is a Prada shop, not a roadside stall.

Did he really buy it just like that?

‘You still don’t know the price, do you?’

“Sir, this pair of sunglasses is the latest model in our shop. It cost 98,000 yuan, and there’s no discount.”

Hearing this price, Zhang Xiaoyu was shocked.

A pair of crappy glasses cost 98,000 yuan?

I can work hard streaming for a month, but I still can't earn this much money!

"98,000."

Lin Yi muttered, "Then wait a moment. I'll look at something else."

The attendants in the shop subconsciously glanced at Lin Yi.

There was a hint of disdain in his eyes.

As expected, he cowered when he heard the price.

Chen Yao straightened her expression. "Sir, please follow me. There are other styles here. They're relatively cheap and are all less than ten thousand yuan."

"I won't look at my sunglasses for now. I just saw a baseball cap that I quite like."

Lin Yi looked at the other display cases and pointed at a black and gold baseball cap.

"How much is this hat?"

Chen Yao's expression was a little unnatural. She was also a little embarrassed.

"Sir, this baseball cap is part of the joint release from Prada and Marvel. It's priced at 164,000 yuan. It's a little more expensive than the sunglasses you just looked at."

Zhang Xiaoyu stood at the side dejectedly. She usually felt that her income was quite high. If she worked hard, she could earn a million yuan annually.

However, when she entered this kind of luxury store, he felt like a beggar.

There was nothing special about this lousy hat. It didn't seem much different from a 20 yuan hat by the roadside. However, it was actually sold for 164,000 yuan. These guys were basically robbing them.

"If it's expensive, then so be it. Pack this baseball cap together with the sunglasses and help me calculate the total costs," Lin Yi said.

665 So Ugly He Doesn't Dare to Take Off His Mask

As soon as these words were spoken, everyone in the shop was stunned for a while. Their gazes landed on Lin Yi as they were filled with disbelief.

Could he really afford it?

"Sir, the sunglasses and baseball cap add up to 262,000."

Lin Yi took out his bank card. "Use my card. The password is 111111."

"Okay, okay..."

Holding Lin Yi's bank card in her hand, Chen Yao felt like she was holding a hot potato.

How rich were you to buy something that costs more than 200,000 yuan just like that?

After swiping his card, the way everyone in the shop looked at Lin Yi changed.

No one expected the man who had been wearing a mask to actually be a masked tycoon.

Zhonghai was really a place with hidden dragons and crouching tigers. No one could be underestimated.

After swiping the card, Chen Yao handed Lin Yi's bank card back and suggested,

“Sir, are you sure you don’t want to try it on? If it doesn’t suit you, you still have time to change it.”

Chen Yao’s heart was very kind, and the reason she suggested this was very simple.

If you bought such an expensive thing, you had to try it on. If it was not satisfactory, you would not be able to return it after leaving the shop. If that happened, you would have wasted your money.

As soon as she finished speaking, the female store manager walked in front of Chen Yao and pulled her to the side.

“What are you saying?”

Chen Yao felt a little wronged. “I didn’t say anything. I just wanted him to try it on. I didn’t break the rules of the shop.”

“It’s got nothing to do with rules. I mean you can’t read people.”

“What’s wrong with me?”

“Didn’t you see that he’s been wearing a mask? He even bought sunglasses and a baseball cap. He’s obviously trying to cover his face. Can’t you tell what’s going on?”

Chen Yao thought for a moment and then revealed a look of realization.

“He didn’t damage his face, did he?”

“That’s for sure,” the store manager whispered.

“He must have a hidden illness that shows on his face which he doesn’t want to show it in public. That’s why he’s dressed like this.”

“That’s too bad.”

“God is fair. He opened a door but inevitably closed a different window to him,” the store manager said.

“If he’s handsome and rich, how could other men survive?”

“That’s right. Sister Liu, I’m sorry. I said something wrong just now.”

“It’s fine. Just don’t make such mistakes in the future.”

With that, the female store manager walked in front of Lin Yi and nodded slightly.

“Sir, I’m really sorry. She’s new to our shop. She’s still young and doesn’t know how to speak. If she offended you in any way, I hope you don’t mind.”

“Offended me?” Lin Yi said.

“Her service just now was quite considerate. She didn’t offend me in any way. Don’t misunderstand.”

The female store manager and Chen Yao heaved a sigh of relief. As long as he wasn’t angry with them, it was fine.

Now, there was a possibility of him coming back to spend more in the future. She could be considered to have retained a big client.

“Brother Lin, I think you should give it a try. After all, these things are quite expensive. Your money doesn’t come from nowhere,” Zhang Xiaoyu suggested.

The store manager frowned slightly. What was wrong with this tycoon’s female companion? Did she not know about his situation?

It was obvious that he was young since she could not even tell that he was hiding something.

There were so many people in the shop. Wasn’t this deliberately embarrassing him?

“You’re right. Let’s give it a try.”

Lin Yi went to the mirror.

And then...

He removed his mask.

In an instant, the female shop assistants in Prada looked over and gasped.

What kind of godly appearance was this?!

He was too handsome!

Why are you still wearing a mask when you look like this?

That kind of mask was not worthy of covering your face.

Let me put my new Victoria's Secret on your face instead!

Lin Yi ignored the others and tried the sunglasses and baseball cap.

"It looks good. It's pretty cool. What do you guys think?"

Zhang Xiaoyu and the female shop assistants were about to cry from Lin Yi's handsomeness.

How are the goods cool? You're the one that's so cool.

"There doesn't seem to be any problem. That's all. I won't change anything else."

"Okay, okay, okay. We'll pack it for you now."

Lin Yi originally wanted to leave without wearing it, but he felt that he might look suspicious.

No normal person would think his behavior was normal if he did not try it out.

Someone might even report him as a wanted criminal.

It would make the headlines the next day.

The most handsome suspect in the world.

After taking the goods, Lin Yi and Zhang Xiaoyu left.

Chen Yao looked at the female store manager.

“Sister Liu, didn’t you say that if God opened a door for him, he would definitely close a window? But I feel that God not only opened the window along the way, but even opened a skylight.”

“It’s not just opening the window for him. It seems like he even dug up the whole house.”

After coming out of the shop, Lin Yi looked at his watch and realized that it was already past eleven. He asked,

“What time is your live stream this afternoon?”

“One o’clock in the afternoon.”

“Then let’s go eat something before we go live.”

“Alright, I’ll listen to your suggestion.”

Although Zhang Xiaoyu was the one leading Lin Yi, from the looks of it, Lin Yi was her boss.

The two of them arrived at Wanda Tower and had a simple meal.

Then, they went to the parking lot.

Moreover, during this period of time, Zhang Xiaoyu streamed for a while. She simply planned to tell the viewers that she would be streaming live in another live streamer’s room today.

At the same time, he changed the title of the room to guide them to Lin Yi’s live stream.

“Boss, is this Bentley yours?”

“That’s right. It’s only four million yuan. There’s no need to make such a fuss.”

Zhang Xiaoyu felt a deep blow.

It was more than four million yuan. Why did he use the word ‘only’?

“Come on, get in the car.”

“Okay, okay...”

After getting into Lin Yi’s Bentley, Zhang Xiaoyu looked around.

She had often heard from others how good a Bentley was. She did not expect to be able to sit in such a car one day.

The seat seemed to be made of real leather. How comfortable!

“Boss, do you know anything about Civics?”

“I guess. I know them quite well.”

Lin Yi wasn’t lying about this. He had been a fan of cars when he was in school. Now that he had the sage’s wisdom, he understood cars better.

“Then there should be no problem. You’ll be the main host during the live stream later. I’ll merely help.”

“Sure.”

“I’m going to start streaming now. Do you want to prepare yourself?”

“Right now?”

“It’s just a warm-up. After all, the audience doesn’t come in immediately.”

“We’ll have to go in slowly.”

“Yeah, it’s gonna take a while.”

Following Zhang Xiaoyu's instructions, Lin Yi put on his mask, sunglasses, and baseball cap.

He covered his face tightly. It could be said that he was armed to the teeth.

Seeing that Lin Yi was ready, Zhang Xiaoyu started the live stream.

In a few minutes, more than 20 people arrived in the live stream.

"Hello, everyone. I'll be doing a stream of a test drive today. Don't leave the stream halfway as I'll be giving away a nice gift."

"What's going on today? Why are you streaming in someone else's live stream? Is this masked man your old flame? Did you abandon yesterday's tycoon?"
