

I Get A Random New Occupation Every Week

706 Bringing His Own Girl to Huaqing Lake

“Damn, Brother Lin, why do you always meet such awesome girls?”

“Because I’m handsome,” Lin Yi said.

“I didn’t want to discourage you at first, but you kept asking, so I could only tell you the truth.”

“We’re brothers. There’s no point in bragging like that.”

“Alright, stop wasting time and come over,” Lin Yi said, “They’ll be arriving soon.”

“I have a new Phantom that my dad recently bought. It won’t lose face if I drive this, right?”

“It’s passable, but just barely.”

“Brother Lin, that’s pretentious.” Liang Jinming said.

“It’s not as good as your Lykan, but it’s still the most awesome four-seater around.”

“It’s impressive when compared to other saloon cars, but it’s not as good as my coupe.” Lin Yi looked at the time and said.

“Anyway, come quickly. I’ll help you create an opening later. Whether you succeed or not will depend on your luck.”

“I’ve already left the house. I’ll be there soon,” Liang Jinming said. “But I think this matter is too dangerous. Her father is too awesome. The Liang family might not be good enough.”

“Coward,” Lin Yi scolded, “If the Liang family isn’t good enough, can’t you just make something up? It’ll be a done deal.”

“But I’ve been considered impressive ever since I was young, so I’ve never needed to exaggerate before.”

“F*ck, I’ll help you.”

“Thank you, Brother Lin.” Liang Jinming said with a smile.

“By the way, do you have other plans later? Last time, you brought Gao to a swimsuit party at sea. You have to bring me along this time.”

“Come quickly.”

“Okay.”

...

At the airport terminal, Chen Yan walked out with a small suitcase.

Beside her were two girls who had come to visit Zhonghai.

“Senior Sister, Mengmeng, let’s go quickly. I’ll bring you to meet my handsome brother-in-law.” Chen Yan said excitedly.

“I can guarantee that you’ve never seen such a handsome man in Yanjing before.”

“Hurry, hurry, hurry. I can’t wait.”

The girl who spoke was called Li Zhimeng. She was Chen Yan’s classmate. She was not tall and was half a head shorter than Chen Yan. She had a round face and was wearing a floral dress, making her appear very cute.

“Oh right, let’s go to Huaqing Lake today. I’ve been curious about what it looks like inside for the longest time.”

“Don’t worry, we will definitely go.” Chen Yan said: “Let me tell you, my brother-in-law has a reputation in that place, so he will definitely arrange a session for us.”

“That’s great. Let’s go crazy. No one there will know us anyway.”

“Yes, yes, yes. That’s the plan.” Chen Yan whispered.

“Let’s stay here for a few days. Otherwise, when we return to Yanjing, no one will bring us there in the future.”

“Can the two of you be more proper? We’re here for an internship interview. Don’t forget the priority.”

The person who spoke was Chen Yan’s senior sister, Gu Nanzhi.

She was wearing slim-fitting jeans, black boots, and light gray tulle nine-sleeved sleeves that made her chest bulge. Chen Yan’s two breasts seemed to be smaller than hers.

“Senior Sister, keep acting.” Chen Yan said, “I don’t believe that you don’t want to go. This is much more interesting than sweating every day.”

“These are two different matters. We’re here with a mission. We have to take care of the serious business first.”

Gu Nanzhi did not reject him outright because she also wanted to take a peek at this place.

“Don’t worry, my brother-in-law’s medical skills are also very good. If there’s anything you don’t understand, just ask him directly. He is much more reliable than studying by yourself.”

“Yanyan, wait a minute. I thought of something very serious,” Li Zhimeng said.

“The three of us are planning to visit that place with your brother-in-law. If your sister finds out, things might turn sour.”

“Aiya, it’s not what you think.” Chen Yan said.

“He’s very close to my sister, so I just casually call him that. He’s not my real brother-in-law.”

“That’s awfully convenient.”

“Think about it. If word gets out that the sister-in-law dragged the brother-in-law to Huaqing Lake, won’t people gossip about them to death?”

“In that case, is this person reliable?” Gu Nanzhi said.

“Could he possibly be planning to do something to you? You have such a good family background. You have to be careful.”

The three of them were in the same dormitory. Gu Nanzhi knew that Chen Yan’s family background was very good, but the rest did not know much about her.

This also applied to Li Zhimeng, who didn’t know about Chen Yan’s father. She only knew that she was a rich young lady who didn’t have to worry about food or drink.

However, the two of them could roughly guess her status from their daily lives.

Her family might be politically affiliated, but they did not know how impressive Chen Yan’s family truly was.

“Don’t worry about that.” Chen Yan said casually, “My brother-in-law is richer than most. He won’t try to scam me.”

“Does he have more money than your family?”

“Um...”

Chen Yan was a little uncertain. “I don’t know exactly how much money he has, but he’s definitely not poor. If you can get the top membership package at Huaqing Lake, you are definitely not poor.”

“Although you’re certain that he’s not poor, you have to be careful. He might be after something else.”

“Hehe, thank you for your concern, Senior Sister. Anyway, it won’t be a problem. Don’t worry.”

Gu Nanzhi shook her head. She should help her keep an eye out.

“Brother-in-Law, Brother-in-Law!”

When she walked out of the terminal, she saw Lin Yi more than ten meters away. Chen Yan immediately stood on her tiptoes and waved.

At the same time, Lin Yi and Liang Jinming walked toward the three of them.

Li Zhimeng’s eyes lit up. Wasn’t Yanyan’s brother-in-law too handsome?

He was definitely one in a million!

“Brother-in-law, is this your friend?”

Chen Yan looked at Liang Jinming and asked without any nervousness.

“You didn’t mention you were bringing friends, so I called him. My car wouldn’t have been able to fit everyone otherwise.”

Lin Yi turned around and introduced, “Let me introduce him to you. He’s my brother, Liang Jinming. He’s from Doora. More than 80% of the oil there belongs to his family.”

“F*ck!”

Liang Jinming cursed in his heart. Brother Lin, please control yourself.

Doora’s oil was not privately owned!

“Then shouldn’t we call him Prince?” Chen Yan said with a smile.

“Prince is fine too. His full name is Maktoum bin Mohammed bin Rashid Al Maktoum Liang Jinming,” Lin Yi said. “Just call him Liang Jinming.”

“Hello, Prince.” Chen Yan smiled and extended her hand.

Liang Jinming was dumbfounded. He had never witnessed such a scene before.

“Hello, hello.”

After a simple introduction, they learned each other’s names. Chen Yan said,

“Brother-in-law, what are our plans now? Should we go directly over ?”

“Let’s do that since there’s food there anyway.” Lin Yi waved his hand.

“Hehe, let’s go. Let’s go.”

“Uh... Brother Lin, wait a minute. Where are we going?”

“Huaqing Lake. Otherwise, am I supposed to bring them to play mahjong?”

“What the f*ck, you’re bringing three girls to Huaqing Lake?”

“Why not?”

“Others look for a girl there, but you are bringing the girls there yourself. I really admire you. In terms of flirting, Brother Qin is trash compared to you.”

707 You Heartless B*tch

Lin Yi smiled pretentiously.

“It’s like eating at a restaurant. I don’t like their free liquor, so I have to bring my own Maotai.”

“How is this Maotai? She’s more like the best type of Red Lady1.”

“She’s definitely a lady, but I don’t know how good she actually is.”

“Brother Lin, you haven’t tried her yet?”

“I’ll be trying it today. I’ll give you whichever one is best.”

“Damn! One of them is your sister-in-law.”

“Does that make a difference?”

“Brother Lin, you’re really awesome.”

“Brother-in-Law, what are you guys mumbling about? Are you looking at my senior sister, or have you fallen for Mengmeng? They’re both single and ready to mingle .”

“Yes, yes, yes. Don’t be shy.” Li Zhimeng nodded.

Lin Yi looked at Liang Jinming and shrugged pretentiously. “As you can see, we’re not fated to be together. It’s all my fault for being so rich and handsome.”

“Brother Lin, I’m impressed.”

The group walked out of the terminal chatting and laughing. Chen Yan asked,

“Brother-in-Law, where’s your car?”

“The black one is.”

“Huh? The Bugatti Veyron?” Liang Jinming was surprised. “Brother Lin, did you change your car again?”

“It’s not a Veyron. It’s the new La Voiture Noire. I just got it.”

“The La Voiture Noire?” Liang Jinming was surprised. “Is that the limited edition Bugatti La Voiture Noire that costs 129 million?”

“Yes, that’s the one.”

“F*ck, he even got a limited edition car. Brother Lin, do you have to be so awesome?”

“Don’t be anxious. One day, you’ll be as awesome as me.”

Seeing the exaggerated engine sound, Gu Nanzhi felt that she had misunderstood something.

Such a limited edition car was no longer something that could be bought with money.

No wonder Yanyan was so at ease with him. His wealth seemed to have exceeded her imagination.

“Hehe, Brother-in-Law, I want to take your car.”

“Let’s go. I can only take one passenger in my car. The rest of you can take Prince Liang’s car.”

After planning the route, the group drove to Huaqing Lake.

“Oh, Mr. Lin, you brought your own girl here?” The lobby manager of Huaqing Lake said.

“The quality of your girls needs to be improved, so I brought these girls myself.”

“You really know how to joke. In the entire Zhonghai, which girls are more beautiful than these three?” The lobby manager said.

“Will you be going for the full package today?”

“Obviously.”

“Alright.” The lobby manager bowed and said,

“Welcome to Huaqing Lake, Mr. Lin. Take the slipper card and come in. Two male guests and three female guests.”

The group changed into their swimsuits and went to the hot springs on the first floor. They felt extremely relaxed.

“Brother Lin, the day after tomorrow is Monday. When are we leaving?”
Liang Jinming asked.

“Are you referring to the yacht show on Yawan Island?”

Liang Jinming nodded. “You should be going to Wangjiang Dock too, right? Do you want to head over ahead of time?”

“I’m not fussed about the dock. There will be someone there to take care of it.” Lin Yi said.

“I still have something to do here, so I won’t be leaving with you guys.”

“Don’t do that. Everyone goes in groups. It’s not good for the four of us to be separated.”

“Why? Are you guys planning to rob me? I can’t believe you will need four people to do it together.”

“I can tell you’ve never been to the Haitian Banquet before.”

“I’ve heard of it, but I’ve never been there myself.”

Liang Jinming smiled ambiguously. “Let me educate you. This yacht exhibition on Yawan Island is a replica of the Haitian Feast of legend. When the time comes, all the famous people in Huaxia will go there. It’s equivalent to a carnival for the rich. As the representatives of Zhonghai, we have to stick together.”

“Is this really necessary?”

“Of course. No one wants to lose face.” Liang Jinming said.

“Last year, Brother Qin had something on and didn’t go. I went with Old Gao. The limelight was eventually stolen by those people from Naijing. One of them was Lu Xuan. You should still remember him, right?”

“The coward who hangs out with Zhao Mo?”

“Yes, yes, yes, that’s him.” Liang Jinming forked a piece of watermelon and said as he ate,

“But I don’t think Zhao Mo and the others will go this time after being toyed with so badly by you.”

“It’s better if they don’t go. I don’t want to see them try to show off in front of us.”

“That’s true.”

“Brother-in-law, wait a moment.” Chen Yan said, “Is this yacht exhibition you mentioned the one that’s especially messy?”

“From a certain point of view, that would be correct.”

“I want to take a look too. Bring me there.” Chen Yan said excitedly.

“Hey, I want to see it too,” Li Zhimeng said quietly.

“If I bring you there, your father will bury me the next day. Stay in school obediently. Acting tough is an adult’s job. Children shouldn’t get involved.”

“I’m not young anymore.” Chen Yan puffed out her chest.

Lin Yi and Liang Jinming’s gazes landed on Gu Nanzhi.

“Look, why are you looking at me?”

Gu Nanzhi moved underwater in embarrassment, and even her cleavage was hidden under the water.

“Brother-in-Law, aren’t you discriminating against me and Mengmeng?” Chen Yan protested.

“I’m not discriminating against you. I’m just afraid that if you go, you’ll be discriminated against by others.”

“Don’t discriminate against us.”

“Isn’t someone who can’t even fill her bikini an easy target to be mocked?”

Chen Yan, “...”

Li Zhimeng, “...”

How heartbreaking!

Li Zhimeng looked down at her own chest, and then at Chen Yan’s.

“Can I have a pad?”

Lin Yi, “...”

Liang Jinming, “...”

Was she that crazy?

Gu Nanzhi shook her head. She really admired these two people.

“Brother Lin, we’ve been soaking here for a while. Let’s go out and get a massage,” Liang Jinming said.

“Let’s go.”

The five of them got up from the hot spring, took their phones, wrapped themselves in towels, and walked to the second floor.

“I wonder if she’s back yet. I’ve been here a few times, but I didn’t see her.”

Chen Yan looked at Lin Yi excitedly.

“Brother-in-Law, I’ll massage you in a while and do the cupping therapy for you.”

“Do you even know how to do this?” Liang Jinming asked.

“I study Huaxian medicine. These are all our compulsory courses, so my technique is definitely top-notch.”

“Then you can do it for me too. Coincidentally, my back has been aching recently.”

Chen Yan made an OK gesture. “No problem.”

Hearing their conversation, everyone who passed by looked at them strangely.

The thought of a brother-in-law bringing his sister-in-law out for this kind of activity was rather exciting.

Ring!

Lin Yi’s phone rang at this moment. He looked at it and saw that it was a call from Liang Ruoxu.

“Hello?”

“It’s almost nine o’clock. Come back quickly. Don’t go crazy outside.”

“What’s the hurry? It’s not easy for us to come here. We have to enjoy ourselves.”

“It’s 8:50 now. If you don’t come out before nine, you’ll bear the consequences.”

“Fuck you, you heartless b*tch.”

Lin Yi hung up and looked around. “I think this place is a little dangerous. We shouldn’t stay here for long. Let’s go.”

“Huh? What happened? Did my sister find out?”

“She already knows. She wants us to go back now. Pack up and leave. We’ll come back another day.”

“Brother-In-Law, you can’t be afraid. Are you afraid just because my sister called? Don’t you want me to massage your back or treat you?”

“Treat my *ss. Let’s go, or something bad might happen if we dilly-dally.”

“Brother, you’ve been exposed. You actually dared to bring your sister-in-law out to do these sorts of things. I reckon you’ll die a horrible death later.”

The person who spoke was muscular and had tattoos on his body. He stood not far from Lin Yi and gloated.

“I might not necessarily die, however, let me give you a piece of advice. All of you, leave quickly now. Otherwise, in a while, you won’t be able to leave anymore.”

Chapter 708 Playing Hard to Get

“What does this have to do with us? You were the one who was exposed,” the tattooed man said.

“How can your wife blame us for you bringing your sister-in-law out?”

“When the fire arrives, the flames will burn everyone,” Lin Yi said, “It’ll be late if you don’t leave now.”

“What a braggart,” said the tattooed man.

“We are at Huaqing Lake. Who can possibly control us?”

“Then let’s wait and see. Bye.”

Lin Yi waved his hand. “Let’s go. Let’s continue fooling around somewhere else.”

The few of them went back to change their clothes. Before nine o’clock, they walked out of Huaqing Lake and prepared to go to Metropolis to the night.

However, before they could get into the car, they saw more than ten police cars parked at the entrance of Huaqing Lake.

Dozens of uniformed police officers rushed in. The scene was comparable to a police-style blockbuster.

“Um...”

Li Zhimeng was shocked. “Yanyan, is this a coincidence or did your sister send those people here?”

“Uh... It doesn't seem to be a coincidence...”

“No way. Is your sister the chief of police? She can actually send so many people here?”

“Not the chief, the mayor,” said Liang Jinming.

“Mayor? She's the Mayor of Zhonghai?”

Liang Jinming nodded.

Gu Nanzhi and Li Zhimeng looked at Chen Yan in surprise.

Her sister was already the mayor of Zhonghai, so wouldn't Yanyan's family...

“Don't misunderstand. We grew up together, but we're not biological sisters.” Chen Yan said with a smile, “My family isn't that powerful.”

Gu Nanzhi wiped the cold sweat off her forehead.

Now was not the time to discuss who was superior.

‘This person called Lin Yi was very impressive to have such a relationship with your sister.

‘Most importantly, he already knows what your sister is like, but he still wants to attend the yacht exhibition on Yawan Island.’

Wasn't he considered a scumbag?

Not long after, the staff from Huaqing Lake were brought out. At the same time, the tattooed man was also escorted out.

"Brother, I told you to leave quickly. Why didn't you listen?" Lin Yi said with a smile.

"F*ck, you f*cking tricked me!"

"You can't blame me for that. I've said everything I ought to have said. A day trip to the detention center. Have fun."

Chen Yan and the other two girls were amused. Then, they got into their respective cars and drove toward Metropolis.

That night, Lin Yi brought Chen Yan and gang to club until past midnight before sending them back to the hotel.

"Brother-in-Law, are you coming to the ribbon-cutting ceremony tomorrow?"

"Nope, it's boring," Lin Yi said, "This kind of public appearance isn't really my thing."

"Alright then. Bye, Brother-in-law."

Lin Yi nodded and left with Liang Jinming.

By the time he returned to Jiuzhou Pavilion, it was already past one in the morning. Ji Qingyan had already fallen asleep. Her sleeping posture was strange, but she was sleeping soundly.

The next morning, Ji Qingyan woke up to find that breakfast was ready.

"Mister Lin, you're not bad. You've actually prepared breakfast." Ji Qingyan stood on the second floor and said with a cute look in her eyes.

"I can't help it. I've always been so outstanding."

Ji Qingyan scrutinized Lin Yi. “Don’t tell me you’re here to make up for what you did last night.”

“My heart is with you. There’s nothing I need to make up for.”

“Hehe...”

Ji Qingyan smiled. It was embarrassing to flirt so early in the morning.

“Wait for me. I’ll go wash up then come down for breakfast.”

“Go, go.”

Ten minutes later, Ji Qingyan walked downstairs with her headband and fluffy slippers to have breakfast with Lin Yi.

“Do you have any plans for the live stream today?”

“No, I am a bit busy these few days.” Lin Yi sighed.

“Next Monday, there’s a semiconductor industry meeting in Meiguo. They invited me to participate. It lasts for four days. I don’t really want to go, but I can’t reject the invitation. It’s so annoying.”

“Isn’t this serious business? What’s with the hesitation? You have to go.”

“I’ll be gone for four days. I can’t bear to leave you, so I won’t go.” Lin Yi said as he ate.

“Nowadays, if the distance between you and me is greater than ten meters, I won’t even be able to sleep.”

“Why are you talking about this so early in the morning?” Ji Qingyan blushed.

“Even if you can’t bear to leave, you have to go. This is work. You can’t always be a hands-off boss. You have to be more serious. Otherwise, how can you set an example for the people below you?”

“You have a point,” Lin Yi said, “Why don’t you ask to join me?”

“Uh...” Ji Qingyan hesitated for a moment before apologizing.

“I don’t think that’s possible. The second phase of the Wangjiang Dock project has just started. Moreover, the project in the suburbs is about to kick off. I really can’t go with you.”

“Sigh...”

Lin Yi sighed and cursed in his heart, “It’s because you’re so busy that I invited you.”

“In that case, I’ll go myself.”

Ji Qingyan touched Lin Yi’s face sadly. “It’s only four days. You’ll be back soon. I’ll wait for you at home. I’ll miss you too, so be good.”

“But I still can’t bear to leave you. What am I to do?”

“Aiya, you’re already so grown up.”

Ji Qingyan’s face turned even redder. She realized that Lin Yi was even more clingy than her.

Indeed, every man was hiding a little boy in their hearts.

He also needed to be protected.

Mua!

Ji Qingyan planted a kiss on Lin Yi’s cheek. “Be a good boy and focus on your work.”

“Just like that?” Lin Yi said, “You have to kiss me a few more times, or else I won’t go and the company won’t progress.”

She stomped her feet in embarrassment. “Aren’t you bullying me?”

“I don’t care. It’s up to you.”

“Alright, alright, alright. I’ll kiss you.”

Ji Qingyan kissed Lin Yi's cheek a few more times. "Are you satisfied now?"

"Not bad, not bad." Lin Yi said with satisfaction, "Wait for me at home. I'll try to come back quickly."

"Yes, yes." Ji Qingyan nodded with a smile, her eyes filled with happiness. "Since you won't be streaming today, do you have any other arrangements?"

"I'm going to the company to take a look around. I have to put the phone system on the agenda as soon as possible. I can't delay it anymore."

"You're right. As the boss, you still have to show your face." Ji Qingyan smiled.

"I reckon that other than the company's executives, the ordinary employees don't even know what their boss looks like."

"Usually capable people are very mysterious. It's also convenient for me to visit incognito."

"I think you're just pretending to be weak."

"That's right. In our jargon, it's called posturing."

"Stop fooling around. You're a mature entrepreneur. You have to be humble, polite, and well-mannered."

"Only Mrs. Lin should act like this. I just want to show others know in a high-profile manner that this is my wife."

"We haven't registered our marriage yet. I'm not your wife."

Ji Qingyan's face burned. How could he be so flirtatious in broad daylight?

He was stopping her from going to work.

Hmph, this was too much.

Chapter 709 Those Who Can't Have Me Start to Go Crazy

After dinner, the two of them packed their things and drove to work together.

Ji Qingyan went to Chaoyang Group while Lin Yi went to Lingyun Group.

When he arrived at the office, Lin Yi kicked open He Yuanyuan's office door and realized that there was no one inside.

"Boss Lin, you're here."

The person who spoke was He Yuanyuan's secretary.

"Where did He Yuanyuan go?"

"There's an investment meeting going on now. Director He and Director Tian are in the meeting room. Do you need me to call Director He and Director Tian over?"

Lin Yi shook his head. "No need. Let them do their work."

"Got it, President Lin."

Lin Yi turned around and went to Qi Xianzhao's office.

In the office, besides Qi Xianzhao, there was also a short-haired woman.

She was wearing a business suit, and her hair was not long, only reaching her shoulders.

She was not a stunning type, but she was very pleasing to the eye.

When Lin Yi came in, she was serving tea to Qi Xianzhao.

Lin Yi had some impression of her. Her name was Zhang Min, and she was a department manager at the foundation.

"President Lin!"

Seeing Lin Yi enter, the two of them looked a little uneasy and stood up to greet him.

“Not bad, Old Qi. The department manager is here to serve you tea.” Lin Yi chuckled.

“How about this? I’ll talk to HR and transfer her over to become your senior assistant.”

“No need, no need,” Qi Xianzhao said in embarrassment. “It’s just a cup of tea. It doesn’t mean anything else.”

With that, Qi Xianzhao raised his head at Zhang Min. “Go do your own thing.”

“President Lin, Director Qi, I’ll get going first.”

Zhang Min lowered her head and was too embarrassed to stay.

Lin Yi pursed his lips. He couldn’t decide if he was happy or angry.

He Yuanyuan, you coward. If you were more proactive, wouldn’t Old Qi be yours?

This guy was also f*cking drunk.

Not satisfied, Lin Yi took out his phone and sent He Yuanyuan a WeChat message.

“Nothing. You’re done.”

He Yuanyuan, “???”

‘What did I do?’

“President Lin, there’s already been progress in the mobile phone business. We’ve found a small factory, but it only has the ability to produce products on a small scale. Coincidentally, we’re still working on low-end phones below a thousand yuan. Changing the production line should allow it to satisfy our requirements.”

“How much did it cost?”

“Eighty million.”

“Huh? You need so much money to buy a small factory?”

“The other party refused to relent, so...”

“Don’t take the blame. He Yuanyuan is a miser. If there’s no reason, she wouldn’t have arbitrarily spent this money.”

“Um...”

Qi Xianzhao paused for a moment. The boss really had divine foresight!

“Yuanyuan said that the boss’ son is very handsome, so she didn’t want to bargain.”

“F*ck.”

Lin Yi took out his phone and sent He Yuanyuan a WeChat message.
“Idiot, I hope you stay single for the rest of your life!”

He Yuanyuan, “???”

‘Who the hell did I offend?’

In the conference room, He Yuanyuan shared a screenshot of Lin Yi’s conversation with her to her WeChat Moments with the caption,

“My boss is going crazy since he can’t get me.”

In the office, Qi Xianzhao shared his recent work with Lin Yi.

Longxin’s marketing plan was in its final stages. It would take at least a week to half a month to complete.

Their plans in Shiangang were slowly beginning to develop.

Everything was proceeding in an orderly manner.

Creak...

The door to Qi Xianzhao's office was pushed open, and He Yuanyuan and Tian Yan walked in.

"Hey Lin, what do you mean by this?" He Yuanyuan said, "I was going to discuss a possible investment. Why are you scolding me?"

Tian Yan stood aside. Director He was still the best.

"I wish I could kick you to death. You're useless even when I give you such a good chance."

"Hmm? What chance did you give me?"

He Yuanyuan was inexplicably scolded. She had been working very hard recently.

"President Lin, this is an investment we just recently discussed. Do you want to take a look at it?" Tian Yan probed.

If Lin Yi were not in the company, she could make this decision herself.

However, now that the boss was here, she naturally had to let the boss take a look.

"What is this? An investment for Douyu?"

"This is regarding the company's future. It'll be more convenient to sway public opinion this way."

"I won't read the content. You guys deal with it yourselves."

Lin Yi didn't pay much attention to this. After giving a few instructions, he drove to the research institute.

"Lil' Yi is here."

When Lin Yi came over, Shen Tianzhuo walked over to greet him. At the same time, Lu Ying joined in.

“Director Shen, how’s your research coming along? Do you have enough money?”

“It’s enough,” Shen Tianzhuo said. “The 30 billion you transferred over a few days ago should be enough to sustain us for a while.”

“That’s good.” Lin Yi said.

“In terms of money, don’t pinch pennies and spend it boldly. Don’t have any worries. Even if you don’t develop anything in the end, it doesn’t matter. Just don’t feel pressured.”

“How can I do that? You’ve given me so much money. If I can’t develop anything, wouldn’t that be too insulting?”

Shen Tianzhuo had always been grateful for Lin Yi’s support.

He had indeed fulfilled his promise back then.

He had been granted almost unlimited funding and unlimited academic freedom.

His life here was indeed too good.

“Director Shen, what’s the situation with the lithography machine now? Did you take care of it?”

“Let’s go, this is not the place to talk.” Shen Tianzhuo patted Lin Yi’s shoulder. The two of them walked out of the research institute and sat on the steps at the side.

Shen Tianzhuo took out two cigarettes and handed them to Lin Yi. The two of them lit them up and smoked.

Lu Ying stood behind the two of them. She was curious about the men’s behavior.

It was just an ordinary cement step. Why did it make the two of them make it feel like Starbucks?

“We’re trying to figure out a way to overcome the problem regarding the photolithography machine’s image difference compensation. This is also my forte,” Shen Tianzhuo said.

“If we conquer this technology, we will have the best technology in the world. Under the condition that we obtain the same components, the photolithography machine we produce will be the best in the world. As for the possibility of creating a photolithography machine alone, just forget about it. This would be impossible. We will have to cooperate with companies across the globe.”

Lin Yi nodded in agreement.

“Alright, Director Shen, continue. Remember to tell me if you encounter any difficulties.”

Shen Tianzhuo shrugged. “The only problem is Cymer’s light source. Is there a way to solve this?”

“Alright, leave it to me. I’m dealing with this matter.”

“Other than that, there are no other problems,” Shen Tianzhuo said. “By the way, I still have some reports to submit. Since you’re here, why don’t you sign them?”

“That works too.”

After returning to the institute, Lin Yi signed the recent research reports.

Ring!

Lin Yi’s phone rang. It was an unknown number.

“Is this Brother Mask?”

“that’s me. Who are you?”

“I’m Li Lin, the marketing director of Douyu. We spoke on the phone before. I’m in Zhonghai. I want to talk to you about the contract.”
