

I Get A Random New Occupation Every Week

716 Should I Also Call These Two Sister-in-Law?

Miller's words stunned everyone present.

Their eyes and mouths were wide open in disbelief.

"Mr. Miller, what are you saying? You said his academic skill is above yours?"

Miller shrugged. "You didn't mishear. His academic skill is indeed above mine. Moreover, this research center was established because of Mr. Lin, so his ability is unquestionable. Don't doubt it."

Everyone in the laboratory was stunned.

This included Li Chuhan and Qiao Xin.

They knew that Lin Yi was very powerful, but they didn't know that this research center was also tied to him.

What else did Lin Yi do in secret?

He even secretly set up a drug research and development center.

Yan Ci was also very surprised.

She could basically confirm that the man in front of her was the streamer called Brother Mask.

However, she could not believe that he had such superb medical achievements.

Yan Ci's mind was filled with questions.

He was already so powerful, so why did he become a streamer?

Lin Yi hugged Li Chuhan's waist smugly.

“This classmate of yours is a little stupid. Let’s ignore him.”

Li Chuhan was a little embarrassed to be hugged by Lin Yi like this, but she didn’t resist. She nodded quietly and walked out with him.

Seeing Li Chuhan’s shy look, Fu Chaoyang snorted coldly, and his expression was especially ugly.

She never expected the man in front of her to be so powerful.

The three of them walked out of the laboratory and happened to see Chen Yan and the others walking out of another laboratory.

“Brother Lin, why aren’t you leaving yet?” Qiao Xin asked.

“I have a friend who’s listening to a lecture on the other side. Let’s wait for her.”

“Yeah, sure.”

Lin Yi looked at Li Chuhan. “Did you gain weight while I was away? Why do you feel like you’ve gained weight around your waist?”

“Really?” Li Chuhan was a little flustered. “The hospital has been very busy recently. I haven’t eaten much, so it’s impossible that I have gained weight.”

Lin Yi chuckled. “I was just teasing you.”

Li Chuhan blushed and puffed up her cheeks. Her silly expression was especially cute.

At this moment, Fu Chaoyang walked out of the laboratory.

Lin Yi thought that he was here to look for Li Chuhan, but he didn’t expect him to walk in the opposite direction.

“Yanyan, are you done? Since we’re done here, let’s go for a meal later.”

“Brother Chao.”

Gu Nanzhi and Li Zhimeng greeted him together.

“Let’s go and have a meal together. I happened to hear a lot of useful information here, so I can share it with you.”

Lin Yi was a little surprised to see this.

He had never thought that Fu Chaoyang and Chen Yan knew each other.

Fu Chaoyang had once gone to Chen Yan’s school to give a speech.

During the speech, the hospital’s leader revealed Chen Yan’s identity.

After a while, he found a way to add Chen Yan on WeChat.

However, Chen Yan only chatted with him casually. She did not have any other intentions. It was just that Fu Chaoyang was very proactive and had constantly tried to get closer to Chen Yan.

“Brother Chao, I’m not too hungry yet. Let’s talk about it later.”

Chen Yan held her phone and messaged Lin Yi.

“Alright, I’ll follow your plans. Let’s eat later.” Fu Chaoyang said obsequiously.

“I’ve been to Zhonghai many times and know the delicacies here very well. If you want to eat anything, you can tell me and I’ll bring you there.”

“Oh, thank you, Brother Chao.”

Qiao Xin looked at Fu Chaoyang with disdain.

“This person is too much of a bootlicker. Just now, when we were listening to the lecture in this room, he was still trying to go after Director Li. Now, he has gone on to seduce other girls. Just thinking about it makes me feel disgusted.”

“Don’t talk nonsense. He can do whatever he wants. It’s rude to speak ill of him behind his back,” Li Chuhan said.

“I just find him so disgusting,” Qiao Xin said.

“Although that girl is also very beautiful, her size is not as big as yours, and her figure is not as good as yours. That person called Fu Chaoyang doesn’t have any taste.”

“Do you know why he’s fawning over that girl so much?” Lin Yi smiled.

“Does she have a special identity?”

“It’s that girl’s father. The fact that he’s a doctor means it’s only logical that he will want to curry favor with her.”

“F*ck, no way. Is he that powerful?”

“He is.”

“Eh, that’s strange,” Qiao Xin said.

“Brother Lin, how did you know he is so powerful?”

“Because I just had dinner with her father. The three of them are the ones I have to wait for.”

Puff!

Qiao Xin almost choked. “Brother Lin, are you really that impressive?”

“Brother Lin, 666.”

Seeing that Chen Yan was still playing with her phone, Lin Yi waved at her.

“Stop playing. If you continue playing, you’ll run into the wall.”

Before Chen Yan could say anything, Fu Chaoyang glanced at Lin Yi.

“Why are you shouting? This is a public place. Don’t you know that?”

Lin Yi looked at Fu Chaoyang speechlessly. “What’s wrong with me reminding you out of kindness? I can’t believe you are even upset at this.”

“I’m very aware of my surroundings. Do I need you to remind me? Don’t you think you’re being nosy?”

“Who told you that you can say that about my Brother Lin?” Chen Yan said coldly.

Because there were outsiders present, Chen Yan changed the way she addressed him. When there was no one around, she would call him brother-in-law.

“Ah? Brother Lin?” Fu Chaoyang was stunned. “You know each other?”

“He’s my Brother Lin. We have a good relationship.” Chen Yan said, “Please stay away and mind your own business.”

“Haha...”

The onlookers standing at the side could not help but laugh.

This person’s situation was too tragic.

He tried to curry favor with her, but she left with another man.

Moreover, it was the same man as before.

How tragic.

Fu Chaoyang stood awkwardly at the side, feeling that there was no place for him to hide his face here anymore.

Chen Yan and the other two women ignored Fu Chaoyang and walked toward Lin Yi.

“Brother Lin, why are you here?”

“I came over to do something and also to look for you.”

Chen Yan sized up Li Chuhan and Qiao Xin suspiciously. “How should I address these two sisters? Should I call them sister-in-law?”

“Just call this one sister-in-law,” Lin Yi hugged Li Chuhan.

“Yes, yes, yes. I’m just a maid at most,” Qiao Xin said with a smile.

“Hehe, then we’re on the same side.” Chen Yan said, “Brother Lin, are you done with your business? I’m hungry. Let’s go eat.”

“You said you weren’t hungry earlier.”

“That’s with someone else. I don’t really want to talk to him.”

‘Um...’

Fu Chaoyang, who was about to leave quietly, stopped in his tracks.

It was fine to talk openly.

But what right did she have to deal this critical hit?!

717 What Is the Mitsui Group to Me?

“Let’s eat later. I’m not done yet.”

“Mr. Lin.”

Just as Lin Yi was about to look for Miller and Yushi Mitsui, he happened to see the latter walking towards him.

“Call Miller over for me. I need to talk to you two about something.”

“Alright, Mr. Lin. I’ll go get him now.”

“Brother Lin, you know Mr. Miller and Mr. Mitsui?” Chen Yan asked in surprise.

“They’re my underlings. Of course we know each other.”

“Ah? Your underlings?” Chen Yan said in surprise.

“I know your medical skills are amazing, but it’s not enough to surpass both of them, right? He’s a Nobel Prize winner.”

“A Nobel Prize is nothing. Don’t take these things too seriously. Focus on curing illnesses and saving people. For a doctor, that’s more important than anything else.”

“Yes, yes. Brother Lin is right,” Chen Yan said.

“Brother Lin is right,” Li Zhimeng said.

Not long after, Mitsui called Miller over.

“Do you have something to discuss, Mr. Lin?” Miller asked.

Lin Yi took out a piece of paper from his pocket and handed it to Miller.

“Weren’t you researching thrombolytic drugs before this? This is a prescription that I’ve come up with. It’s considered a Huaxian medicine. However, you also know that the disadvantage of Chinese medicine is that they are slow to take effect. I hope that you can use this as the foundation to study it further and make it more effective. Do you understand what I mean?”

“Don’t worry, Mr. Lin. I’ll definitely do my best to study it. I won’t let you down.”

Miller held the prescription as if it was a treasure.

To him, if he could successfully develop this medicine, his international reputation and status would most likely rise to another level.

On the other hand, Yoshi Mitsui was much calmer. He only thanked him symbolically and did not show any other extra actions.

“Alright, I’ll leave this to you. Call me if there’s anything you can’t handle.”

“Alright, thank you, Mr. Lin.”

Lin Yi nodded and said to Li Chuhan and the others.

“Let’s go. I’m done with my business. Let me take you out for dinner.”

As the group walked out, Chen Yan whispered,

“Brother Lin, we didn’t have enough fun yesterday. Let’s find a place to continue after dinner.”

“Brother Lin, you brought them to Huaqing Lake?” Qiao Xin asked in surprise.

“Mm, do you guys want to go? You guys seem to be quite busy. I’ll bring you guys there to relax.”

“I’ve never been to a place like that.”

“If you haven’t been there, then you should be more nervous, right? Why are you rubbing your hands together?”

“Hehe, I want to experience it.”

“What about you?” Lin Yi looked at Li Chuhan.

“I’ll follow your preference,” Li Chuhan whispered.

“Let’s go.”

“Hmm, in that case, we have to go somewhere else. We can’t go to Huaqing Lake today. I feel that she has spies there. It’s not safe for us to go there,” Chen Yan said.

“I’ll bring you to another place. It’s not inferior to Huaqing Lake. I guarantee that your sister won’t be able to find it.”

“Haha, okay.”

The group arrived at the parking lot. Chen Yan prepared to get into Lin Yi’s car, while Gu Nanzhi and Li Zhimeng prepared to get into Li Chuhan’s car.

However, just as he got into the car, Lin Yi’s phone rang.

He took it out and saw that it was a call from Liang Ruoxu.

“Holy sh*t!”

Lin Yi cursed in his heart, “Don’t tell me this woman installed a surveillance camera on me?”

He calmly picked up Liang Ruoxu’s call and said,

“What is it?”

“Can’t I call you for no reason?”

From Liang Ruoxu’s tone, Lin Yi felt that he should be safe. This shouldn’t be about the massage services.

“Not really. The main thing is that I’m busy right now.”

“Then continue your work. I don’t have any reason for the call, I just want to ask you how the drug development was going.”

“It’s not a big problem. Don’t worry.”

“Okay.”

The call was short and concise. He only said a few words before hanging up.

“Is everything alright?” Chen Yan probed.

“It’s fine. Just follow me.”

“Oh yeah.”

Ring!

Just as Lin Yi was about to get into the car, the phone rang again.

“Who the hell is calling at this time?”

Lin Yi took out his phone and saw that it was an unknown number.

“Who is it?”

“Mr. Lin, it’s me, Yushi Mitsui.”

Lin Yi frowned. Why was that old man calling him?

“Why are you looking for me?”

“I have some personal matters to discuss with Mr. Lin alone. Has Mr. Lin left yet? Can you spare me this opportunity?”

“Alright, I haven’t left the parking lot yet.”

“Can we meet at the back door of the institute?”

“Sure.”

“Alright, I’ll go down now.”

Lin Yi hung up and said to Li Chuhan, Chen Yan, and the others,

“Wait for me in the car first. I have something to do. I’ll be back later.”

“Do you need my help?” Li Chuhan asked.

“No need. Just wait for me in the car. I’ll be back soon.”

“Yes, remember to call me if you need anything.”

Lin Yi nodded and walked towards the back door of the research center.

When Lin Yi arrived at the back door, Yushi Mitsui was already standing there.

“Mr. Lin.” Yushi Mitsui smiled and nodded like an old friend.

However, this made Lin Yi feel awkward.

Although there was no clear relationship between the two of them, in the laboratory, Lin Yi’s status was slightly higher than the latter’s.

Any experienced individual in the workplace would not show such an attitude when facing a higher-ranking leader.

Even so, Lin Yi couldn’t be bothered about such details. He walked in front of Yushi Mitsui and said,

“Why are you looking for me? Just say it.”

“Mr. Lin, let me introduce myself. I’m from the Mitsui Family in Sunrise Land. The Mitsui Group is owned by our family.”

Lin Yi rolled his eyes. “Then, what are you trying to say?”

“It’s like this. Recently, our family wants to establish a biology laboratory and is recruiting talents like Mr. Lin all over the world. Are you interested in participating?”

“Hehehe...” Lin Yi laughed, “Are you trying to hire me?”

Yushi Mitsui also smiled. “Mr. Lin, don’t be in a hurry to refuse. We can give you plenty of power and funds. As long as what you want is something we can give, we will satisfy you without hesitation.”

“I’m afraid that’s unlikely. You’d better find someone else.”

“Take care, Mr. Lin,” Mitsui said.

“Your ability is beyond doubt. I can assure you that as long as you agree to join us, you will get everything you want. Our Mitsui Group has the strength to satisfy you.”

Lin Yi turned around and looked at Yushi Mitsui with a smile.

“What is the Mitsui Group to me? Do you think I care about them?”

718 President Lin Is Busy, Don't Disturb Us

“Is Mr. Lin not going to reconsider?”

Obviously, Mitsui did not want to give up so easily.

Ever since he saw Lin Yi's ability a few days ago, Mitsui Yuushi had been constantly thinking about him.

He was even certain that Lin Yi's talent and ability were top-notch even when compared to international standards, to the point where no one could compare to him.

If he could rope him in to the Mitsui Group, his family's status would definitely be able to advance greatly. They might even be able to go after the number one family in Japan!

Therefore, no matter what method he used, he had to bring Lin Yi in.

“What do you want me to consider? What can you give me?” Lin Yi said.

“That place is not as big as Huaxia, and the girls are not as pretty as in Huaxia. Why would I go to your country?”

“Hehe...”

Yushi Mitsui smiled. He looked kind, but there was a sinister cunningness hidden within him.

“If Mr. Lin says that, wouldn't you be thinking short-sightedly? As long as you have money, these things are easy to obtain.”

“What else can you give me?”

“Right!”

Mitsui said, "If you're willing to join our Mitsui Group, in addition to endless wealth, we can also give you a certain amount of power to reach the next level in your life."

"Stop fooling around," Lin Yi said.

"I've even wooed the mayor of Zhonghai City. What kind of power can you give me?"

With that, Lin Yi turned around and left.

Yushi Mitsui narrowed his eyes and looked at Lin Yi's back with a sinister expression. Then, he turned around and left.

"Is everything settled?"

Seeing Lin Yi return, Li Chuhan asked.

Lin Yi nodded. "All done. Let's go."

They got into the car separately. Lin Yi had just fastened his seatbelt when the phone in his pocket rang again.

"What the f*ck, who the f*ck is it? Can't you let me have my damn massage?"

Lin Yi took out his phone and realized that it was Yan Ci.

"Huh? Why is this woman calling me?"

Muttering to himself, Lin Yi picked up the phone.

"What is it?"

Yan Ci was stunned. She didn't provoke him, so why was he so angry?

"Mr. Lin, you're the masked man who went to the garrison area to stream a few days ago, right?"

"You've got the wrong person."

“I even got your phone number. Do you still want to hide it, Mr. Lin?”

“Um...”

Lin Yi paused. This was a f*cking mistake.

“Alright, I won’t pretend anymore. I’ll lay my cards on the table. Why are you looking for me?”

“I want to invite Mr. Lin out for dinner tonight. Do you have time?”

“No, I’m going to Huaqing Lake later. If you don’t mind, you can come with me. If you join me, then there’s nothing we cannot do.”

“Um...”

Yan Ci was speechless. This was the first time she had met someone who could make a special massage sound so elegant and refined.

“Then let’s meet another day. I hope Mr. Lin can do me this honor.”

“Alright, we’ll talk about it another day.”

After hanging up, Lin Yi handed the phone to Chen Yan.

“Keep an eye on it for me. Pick up any unfamiliar calls.”

“Oh, okay.” Chen Yan nodded.

“What should I say? Should I say that President Lin is busy and can’t answer the phone?”

“Just say that President Lin is having sex and doesn’t have time to answer the phone.”

“Haha...”

Chen Yan smiled happily. “It’s really exciting if Brother-in-Law were to do Sister-in-Law to do this. Moreover, they might be doing it in the car. Haha...”

Ring!

“D*mn, what he said really came true. Someone really called.”

“You pick it up.” Lin Yi scolded, “What’s wrong with these people today? Did they form a team to spam call me?”

“Lin Yi...”

“President Lin isn’t free. He’s having sex. Don’t bother us,” Chen Yan said casually.

This unbridled feeling was really exciting.

“Yanyan?”

‘Um...’

They were terrified of the sudden silence.

This was because both of them felt that this voice was very familiar.

It sounded like Chen Shunjie’s voice.

Chen Yan looked at the phone number carefully and was petrified.

There was no need to second-guess now. Her expression said it all.

“Dad, let me explain. I just said it jokingly. We are in the car. I really didn’t do such a thing.”

“In the car?”

Lin Yi, “...”

“We’re going to eat. A lot of people have been calling Brother Lin, and he got tired of answering, so I picked it up for him.”

“Too many phone calls?”

Chen Yan, "..."

"Dad, don't be like this. If you don't believe me, I'll send you a video. I'm just spouting nonsense."

"You're a grown-up girl. Is that something you should say?"

"I know I was wrong."

"Alright, let Lin Yi answer the phone."

"Oh, okay."

Chen Yan handed the phone to Lin Yi resentfully.

"Uncle Chen."

"Little Mi called me just now and said that the preparations for the drug development are almost done."

"Yes, but there are still some small hurdles to deal with in the future. They're nothing major though."

"Then get the people below you to prepare the materials you need. I'll approve it for you in advance and try to get this done quickly."

"Understood. I'll arrange it now."

After a few simple words, Lin Yi hung up.

"You don't even remember your father's number?"

"I only remember my mom's, not my dad's."

"You almost got me killed."

"Hehe, it's fine. My father won't think too much about it," Chen Yan said with a smile. It was obvious that she didn't take this seriously. "Let's drive faster. The sooner we arrive, the sooner we can enjoy ourselves. I won't have time to come back to Zhonghai in the future."

“Let’s go.”

About twenty minutes later, Lin Yi drove the car to the reception.

“Brother Lin, this place is not bad. It doesn’t feel any inferior to Huaqing Lake.”

“This is a new place I found. I don’t want your sister to pay this new place a visit.”

“This is really smart. A cunning rabbit has three burrows.”

“Brother Lin, is this place safe? We can’t reveal our personal information, right?”

“Don’t worry. This is something only men should worry about. It doesn’t matter for women.”

“Hehe, that’s good.”

The group of six people soon arrived at the lobby. The people coming and going were all stunned.

He was bringing five girls here?

And all of them were top-grade beauties?

This guy was awesome.

How enviable.

“Do you sell membership cards?”

“Yes, the range from 1999 to 168,000 yuan. Sir, what package do you want?”

“I’ll take the 168,000 one. I want six of them.”

“Six?”

The female cashier was stunned. She had met a tycoon.

“Alright, alright, alright. Sir, please wait a moment. I’ll settle it for you right away.”

“Brother-in-Law, you’re awesome. I knew it. I’ll definitely live a good life with you.”

“Keep a low profile and don’t let your sister know.”

Female cashier, “???”

Brother-in-law?

Sister-in-law?

These rich people were playing with fire!

Soon, the membership card was ready, and Lin Yi led the five of them into the lobby.

Seeing Lin Yi get six top-notch membership cards in one go, the people in the area were all envious.

It was not that they were envious of him for being rich, but that he could bring his own girls over.

And one of them was even his sister-in-law.

719 This Is a Good Home

After soaking in the hot spring for a while, she ate something.

The group of six returned to the VIP room. The assigned masseurs also arrived.

“Brother Lin, this is too comfortable,” Qiao Xin said. “It’s much better than showering at home.”

“Didn’t I apply for a card for you? Come over when you’re tired.”

“Hehe, thank you, Brother Lin.”

“Who do you think developed this spa? Why does it feel so comfortable to relax here?” Chen Yan asked.

“It’s Huaxian medicine.” Li Zhimeng said, “These massage techniques are all derived from Huaxian medicine’s massage techniques.”

“That makes sense.”

Chen Yan looked at Lin Yi excitedly. “Brother-in-law, do you want me to give you a massage? I’ll give you a taste of Huaxian medicine doctor’s technique.”

“Come, come, come.”

“Haha, Brother Lin, let me apply some balm on you,” Li Zhimeng said.

“Then I’ll massage your legs,” Qiao Xin said.

The massage technicians retreated to the side. The women were all green with envy.

This man was truly one of God’s chosen people.

Li Chuhan sat at the side gently and didn’t say anything. She just quietly looked at Lin Yi.

To her, this was bliss.

Buzz buzz buzz!

Lin Yi’s WeChat rang.

It was a video call from Qin Han.

“Old Lin, you’re too f*cking mean.”

“What did I do?”

“Damn it, you took a girl to Huaqing Lake yesterday and didn’t invite me.”

“What’s the big deal? Why are you here to denounce me?”

“I’m saying you’re no good to me,” Qin Han said. “Last time, you brought Old Gao. This time, you brought Old Liang. You didn’t bring me on either of these occasions.”

“Don’t make me laugh. Does Young Master Qin lack this little bit of resources? It’s too degrading for you to fight over this.”

“You’re right.” Qin Han held a cigarette in his mouth and said pretentiously, “I don’t lack girls here.”

With that, Qin Han turned the camera. There was a swimming pool opposite. A few girls in bikinis were playing in the pool.

“I’m here with Old Gao. You won’t get any of this today. Don’t blame me for being heartless. You’re the one who was not honest with me.”

“Look at what you’re saying. When have I ever lacked girls?”

Lin Yi turned the camera around and pointed it at Chen Yan and the others.

“Come on, girls, say hello.”

“Hi~”

Chen Yan, Qiao Xin, and Li Zhimeng waved their hands in unison. Li Chuhan and Gu Nanzhi also entered the frame.

“Damn, where are we? Are you in the spa?”

“Clever.”

“No, there’s something strange about their clothes.”

“I’m different from you. I brought these girls with me. These are pure and proper girls. Their technique is quite good, and I feel like they’re much better than the technicians here.” Lin Yi said.

“Moreover, they’re all either Ph.D. students or graduates. I don’t even bother about undergraduate and master’s degrees.”

“F*ck, you’re a f*cking piece of shit.”

After cursing, Qin Han hung up the phone to avoid being angered to death.

At four o’clock in the afternoon, they parted ways after a comfortable session. Lin Yi also went to Chaoyang Group to pick up Ji Qingyan from work.

Lin Yi felt that he was one step closer to becoming a master of time management.

However, on the way, Lin Yi received a call from Zhao Wen.

“Did you know that Mr. Mitsui resigned?”

“Resigned?” Lin Yi muttered, “I didn’t know until you told me.”

“Then it’s fine. I just wanted to ask you if you knew about this.” Zhao Wen was also a little puzzled. “Everything was fine before, and he already signed the contract. He even said that he wanted to work here for a long time. I guess something unpleasant happened.”

“Go on with your work. Someone just resigned. The world will still spin without him.”

“Okay, I’ll hang up first.”

After the call with Zhao Wen, Lin Yi went to Chaoyang Group and picked up Ji Qingyan.

After dinner, Lin Yi returned to the study and logged into the streaming platform.

Seeing Lin Yi start the broadcast, a large number of viewers rushed in.

“Brother Mask, you haven’t forgotten what you promised us, right?” someone asked.

“Is this about the stream from Yalong Bay? Don’t worry, I remember. I’ll go over tomorrow.”

“Brother Mask, why are you so awesome? That kind of place is not a place that ordinary people can go to.”

“Ordinary people can’t enter the garrison area either, but didn’t I enter that too?”

“Everyone, stand up and salute Brother Mask!”

“Everyone, pay attention. When the live stream on Yawan Island starts, his popularity will exceed 10 million.”

“Brother Mask, I heard something a few days ago. Douyu’s number one outdoor streamer, Long Shuai, is also going to Yawan Island to stream. Moreover, he announced this half a month in advance. I’m guessing he might want to compete with you.”

“Then, let’s fight. I don’t care. Let’s see who’s better.”

“Brother, fight!”

After chatting with the netizens for more than half an hour, Lin Yi went offline.

Immediately after, she received a WeChat message from Zhang Xiaoyu.

“Brother Lin, when are we leaving?”

“Tomorrow, wait for my call at home.”

“Hehe, should I make any preparations?”

“What’s there to prepare? Just bring a selfie stick and a phone.”

“But this Yawan Island’s yacht exhibition. There will be the sun, the beach, and the waves. I have to bring a few swimsuits.”

“Everyone wears bikinis. Don’t you think you’re covering up too much if you wear a swimsuit?”

“Uh...” Zhang Xiaoyu paused. “Then I’ll go buy a bikini too.”

“But girls in bikinis are at least C-cups. You’re an A-cup, so don’t try to join in the fun. Just wear normal clothes.”

“I’ll be very sad if you say that.”

“I’m doing this for your own good. You have to understand my good intentions.”

“Oh, okay. I’ll pack my things tomorrow and wait for your notification.”

“Yeah, sure.”

After chatting with Zhang Xiaoyu for a while, Ji Qingyan walked in. Her hair was disheveled, and there were beads of sweat on her forehead.

“What time is your flight tomorrow? I’ve packed everything for you.”

“Huh? You packed my things?”

“That’s right. What did you think I was doing?”

“I thought you were in the shower.”

“I wasn’t in a hurry to take a shower,” Ji Qingyan said. “Isn’t this a four-day trip? I’ve brought you four sets of clothes to change into. Remember to change every day. Don’t come back reeking of sweat.”

“Alright, I’ll definitely change into a new set every day.”

“Good boy.”

After packing up for Lin Yi, Ji Qingyan went to the bathroom to take a shower.

Lin Yi was in the study, busy with the Chip 3.0 development.

Even so, Lin Yi couldn't calm down.

He felt that there was something strange about that old silver fox, Yuushi Mitsui.

His skill level was more than enough to lead a laboratory.

Sunrise Land also had many world-renowned pharmaceutical companies. It was not a problem for them to profit in this field.

There was no need to try so hard to get Lin Yi.

Even if Yushi Mitsui had seen his abilities first-hand, it was not worth it to offer such significant benefits.

Lin Yi had a feeling that Yushi Mitsui wasn't recruiting him for the sake of money.

Lin Yi rubbed his chin.

It's really exhausting to deal with these old foxes!

720 Girl, You Got Into Character Pretty Quickly

The next morning, Lin Yi woke up to find Ji Qingyan already cooking dumplings.

"Why are we eating dumplings today? Moreover, it's currently morning."

"My grandmother is from the Northeast. She said that the custom in the Northeast is to make dumplings when people go out."

"So, when did you learn how to make dumplings?"

“I bought these. How would I know how to make such a difficult dish? Even if I did, would you dare to eat something that you can’t see the inside of?”

“Madam Lin, your self-awareness is top-notch.”

Ji Qingyan chuckled. “I can’t possibly know everything. Besides, compared to you, don’t I basically know nothing?”

“You’re the first person to make being dumb sound so elegant and refined.”

“Hmph, hurry up and eat. It’ll get cold soon.”

“Okay.”

After dinner, Ji Qingyan returned to her room to put on makeup.

Lin Yi quietly took her phone and opened the Douyu app. He was relieved when he realized that she wasn’t following his account.

This meant that Ji Qingyan would not receive any notifications when he started streaming. This way, he would not have to worry about being discovered.

Apart from that, Lin Yi also turned off the Douyu app notifications.

This way, even if there was official news, Ji Qingyan would not be able to see it.

Perfect.

As for He Yuanyuan, Lin Yi was not too worried about it. If Ji Qingyan had not informed her, she would not have watched the live stream in the first place.

Even so, to avoid any risk, Lin Yi called Qi Xianzhao and asked him to handle this matter.

With his ability to compete for the Best Actor Award, this was a walk in the park for him, Twenty minutes later, Ji Qingyan came downstairs in a beige windbreaker after putting on her makeup.

“I’ll leave first. Be careful when you’re on your business trip. Remember to eat on time.”

“Got it. Don’t worry.”

“Bye.”

Before she left, Ji Qingyan even kissed Lin Yi, a little reluctant to part with him.

Around noontime, Lin Yi went to Zhang Xiaoyu’s house and called her.

“Come down. I’m downstairs.”

“Brother Lin, wait for me. My parents are here. I’ll come down to look for you after I take care of them.”

“Your parents are here?”

“Don’t even mention it. This is so cliché. They’re trying to introduce someone to me. Help me think of a way out.”

“Isn’t it simple? I’ll sacrifice myself and be your boyfriend for five minutes. That should take care of your parents.”

“Really?” Zhang Xiaoyu said with a smile, “Then wouldn’t I be taking advantage of you? How embarrassing.”

“I can hear you drooling.”

“Hehe, I was just fantasizing.” Zhang Xiaoyu smiled foolishly.

“Brother Lin, wait for me. When I’m done with them, I’ll go downstairs to look for you.”

“Okay.”

After hanging up, Zhang Xiaoyu walked out of the room.

There were four people sitting on the sofa, a middle-aged couple, and a young man and woman.

The middle-aged couple's names were Zhang Guoqiang and Zhao Yalan. They were Zhang Xiaoyu's parents.

The other young couple was called Zhang Xiaowan and Yu Peng. They were Zhang Xiaoyu's sister and brother-in-law.

"Girl, I'm talking about serious matters. Why are you running into the room?" Zhang Guoqiang said.

"Didn't I tell you just now? I'm going on a trip with my boyfriend. He's already downstairs."

"Stop fooling us. You just said that you don't have a boyfriend. Why did one appear out of the blue?"

"I was too embarrassed to tell you just now. Now that he's here, he's waiting for me downstairs. If I don't leave now, I won't be able to catch the flight."

"The car is waiting for you downstairs?" Zhang Xiaowan asked.

"Doesn't your neighborhood prohibit unknown cars from entering? How can he drive into the neighborhood?"

"Maybe he drives a better car. I don't know what happened."

This was also what Zhang Xiaoyu was most puzzled about.

The place she lived in was considered a middle-class neighborhood.

Unless they rented a garage here, foreign cars were not allowed to enter.

However, Brother Lin had entered twice in a row now. No one dared to stop him. Zhang Xiaoyu could not think of any other reason for this than his car being too nice.

“Stop fooling me.” Zhang Guoqiang said.

“Your brother-in-law drives a car worth more than half a million dollars, but the security guards stopped us outside. This isn’t about whether the car is nice or a jalopy at all. You’re just making excuses.”

“Daughter, the person I found for you this time was recommended by your neighbor, Auntie Wang. He’s a civil servant and a staff member. His family background is also not bad. He’s definitely qualified to be with you. We’ve arranged to meet tomorrow. Go over and meet him. If you think he’s not bad, then we can close this book.”

“What are you saying? I already said that I have a boyfriend. Why don’t you believe me?”

As she spoke, Zhang Xiaoyu took out her suitcase and said,

“I don’t care. Stay here if you want. I’m leaving now.”

“What’s wrong with you, child? I’m doing this for your own good. You’re already an adult. Why don’t you understand this?”

“I already have a boyfriend. Why are you still introducing me to another man?”

“What do you mean? Do you really think I’m old and muddle-headed?”

“Dad, calm down.” Zhang Xiaowan said.

“Didn’t she say that her boyfriend is here? Let’s go down and take a look. If this person really exists, we’ll help her check him out. If not, there’s still time to talk about the blind date.”

“Why are you bothering to go down? Xiaoyu is obviously running away,” Yu Peng said.

“Then let’s go down and take a look.” Zhang Xiaowan said.

“Xiaoyu is the kind of person who won’t turn back until she hits a wall. It won’t be good if she’s forced into a corner.”

“Alright, let’s go take a look together.” Yu Peng said.

“Coincidentally, I’ll be the standard to compare him to. If his conditions aren’t as good as mine, I won’t easily agree.”

Zhang Xiaoyu rolled her eyes at Yu Peng and thought to herself,

“Do you really think I’m some unknown small streamer? The money I saved up is enough to buy three BMW 5 Series. Why are you still posturing?”

From the beginning to the end, Zhang Xiaoyu did not have a good impression of Yu Peng.

Although his conditions were not bad, he was too stingy.

He had already registered their marriage with her sister, but he had never even bought her ice cream before.

He did not take her sister-in-law seriously at all.

“Suit yourselves. In any case, I’m leaving.”

Zhang Xiaoyu took her luggage and walked out of the house.

Her family followed her into the elevator.

The Zhang family members’ expressions were calm as they waited for the elevator to reach the first floor.

Yu Peng fiddled with his car keys leisurely.

“Xiaoyu, you really have a boyfriend?”

Seeing how calm Zhang Xiaoyu was, Zhang Xiaowan asked curiously.

She didn't look like she was pretending. It seemed, she really did have a boyfriend. Otherwise, she wouldn't be able to act so well.

"Why would I lie to you? Won't I just end up being exposed?"

Hearing Zhang Xiaoyu say this, Zhang Xiaowan finally believed that she had a boyfriend.

The fire of gossip in her body also burned fiercely.

"Is your boyfriend handsome?"

"He's super handsome. He's more than 1.8 meters tall and rich. He also has an eight-pack. He looks perfect no matter how I look at him."

"Not bad, Xiaoyu. He's much better than your brother-in-law."

"Hehe..."

Zhang Xiaoyu smiled. Yu Peng's qualifications were probably not even comparable to Brother Lin's fingers.

"Xiaowan, why are you bragging about him at my expense?" Yu Peng said.

"I definitely can't compete with those fresh meat celebrities, but compared to ordinary people, I shouldn't be too bad, right?"

"Didn't you hear what Xiaoyu said? Her boyfriend is already comparable to a young hunk."

"We're from an ordinary family. Do you really think such a person would like people like us? Don't listen to her nonsense."

"She wouldn't lie about something like that, would she?"

"You're too naive. You'll know the truth when you see it." Yu Peng said indifferently.

“Beauty is in the eye of the beholder. She might just be a big fool. Don’t take her words too seriously.”

Zhang Xiaoyu did not say anything. At this moment, she had to rely on Brother Lin’s looks to slap his face.

The Zhang family walked out of the elevator and pushed open the unit door.

“Honey, you must have been getting impatient.”

Zhang Xiaoyu jogged over and held Lin Yi’s arm with a smile on her face.

Lin Yi was speechless.

Girl, you got into character pretty quickly.
