Zhang Xiaowan was stunned when she saw Lin Yi.

‘My brother-in-law is really good-looking!’

“See? He’s my boyfriend. I didn’t lie to you, right?”

Zhang Xiaoyu held Lin Yi’s arm and deliberately rubbed against it.

Lin Yi, ‘Why is this so uncomfortable?’

“Daughter, is this really your boyfriend?” Zhang Guoqiang asked.

“Of course it is. He came to pick me up. Do you think I would lie to you?”

“It’s not that. I just don’t think you’re good enough for him.”

Zhang Xiaoyu, “...”

“What are you saying? I’m very outstanding too.”

“But he’s better.”

Zhang Xiaoyu, “...”

“Xiaoyu, don’t you have a plane to catch? Let’s go now, don’t waste any more time,” Zhang Xiaowan said.

“There’s no hurry. It’s a private plane. We can leave at anytime.”

The Zhang family was speechless.

She was even more unworthy.

“Alright, I won’t talk to you anymore. We’re leaving.”

As she spoke, Zhang Xiaoyu pushed Lin Yi into the car. The La Voiture Noire soon faded into the distance.

The Zhang family members stood rooted to the ground as if they had been frozen solid.

“I finally know why he could drive straight into the neighborhood. No one dares to stop such an expensive car.”

...

“Brother Lin, your performance just now was really too good. You completely deceived my family,” Zhang Xiaoyu said with a smile.

“I’m just a supporting actor. You did a good job.”

“That’s not true. With Brother Lin’s qualifications, he’ll be the protagonist no matter where he goes.”

“Xiaoyu,” Lin Yi said earnestly.

“What’s wrong? Brother Lin, what are you going to say?”

“Listen to my advice. Don’t wear a swimsuit when you get to Yawan Island. It really doesn’t suit you.”

“Is it really that bad?”

“You rubbed against my arm a few times just now and it turned red. Don’t you feel anything?”

“Um, it’s because I am wearing thin clothes. Otherwise, it wouldn’t be like this.”

Lin Yi, ...

Suddenly, Zhang Xiaoyu’s expression became agitated.

“Brother Lin, I just remembered something. There is a streamer called Long Shuai on Douyu. I think he’s going to Yawan Island to stream as well. He might compete with you for viewers.”

Lin Yi thought for a moment. “I heard from the netizens yesterday that this person seems to be the number one outdoor streamer.”

“Yes, yes, yes, that’s him,” Zhang Xiaoyu said.

“This person is indeed a little powerful. In addition, he has the support of a studio behind him. His popularity is very high. If he wants to compete with you, it might cause a drop in your popularity.”

Lin Yi didn’t take it seriously when the netizens said this, but after hearing Zhang Xiaoyu’s words, it seemed like he had to be careful.

This time, the system’s mission was to get more than 10 million popularity points. Although there were people who had achieved this on Douyu, it was a rare feat.

It would not be good if his viewers were snatched away.

“What’s so great about this guy?”

“He’s extremely good at bragging.”

“Ah? Does he brag a lot?”

“Yeah.”

“That’s dirty.”

“Uh... Haha, Brother Lin, you’re the one that’s too dirty.” Zhang Xiaoyu laughed so hard that she rocked back and forth.

“But you really have to be careful. His bragging skills are truly top-notch. He always claims to have had dinner with some celebrity and even said that he took photos with the presidents of other countries. Most importantly, there are really people who believe him.”

The more Zhang Xiaoyu spoke, the more excited she became.

“Also, I heard that he said that he would do an exclusive interview with a certain celebrity when he goes to Yawan Island. However, it’s probably a gimmick.”

“How’s his relationship with the platform?”

“They definitely have a good relationship. The platform likes streamers who can earn them money.” Zhang Xiaoyu said,

“Other than that, the studio behind him is impressive. Our platform’s number one sister, Bai Bingyu, is from the same studio as him. In short, they’re quite powerful.”

“Logically speaking, this kind of yacht exhibition is a private event. They should only allow certain streamers in. By right, these people shouldn’t have the qualifications.”

“Haha, Brother Lin, aren’t you talking about us?” Zhang Xiaoyu laughed.

“Aren’t we also just streamers? But aren’t we going to Yawan Island too?”

“Which streamer around knows the mayor and the former chief of the garrison?” Lin Yi said, “Which streamer lives in Jiuzhou Pavilion and owns the La Voiture Noire?”

“Uh... I forgot about that.”

Only then did Zhang Xiaoyu remember that Brother Lin was not an ordinary person.

“The reason why they can go is because the studio is supporting them.” Zhang Xiaoyu said.

“The bosses of studios like theirs are quite powerful. It’s very likely that they will have received the invitation themselves. It’s likely that they could use their connections to get these invitations for the streamers too.”

Lin Yi nodded thoughtfully. "I understand."

"By the way, Brother Lin, give me your phone. Let's start streaming now to warm up."

Lin Yi handed the phone to Zhang Xiaoyu. "My sunglasses and mask are in the passenger compartment. Bring them over for me."

"Okay."

After everything was ready, Zhang Xiaoyu took Lin Yi's phone and logged into his stream.

"Beauties and gentlemen, the private yacht exhibition on Yawan Island will soon begin."

"Damn, has the live broadcast of Yawan Island started?"

"Please stream the entire process."

"I've prepared a box of instant noodles. I'm going to tune in for four days straight. Streamer, hang in there."

"Host, what if you get banned?"

"Who the hell would dare to ban me?" Lin Yi said.

"Damn, Brother Mask is so domineering!"

"Eh? What's going on today? Why isn't the popularity of the live broadcast room high? We've already started streaming, but the popularity is only 200,000. Everyone, please share the link."

"I think they've all gone to Long Shuai's room. I went to his live stream just now to take a look, and they seem to have already arrived at the airport. His popularity has already reached more than two million."

"F*ck, all enemies are bound to meet on a narrow road. They are actually arriving at the same time as us," Zhang Xiaoyu complained.

“We’ll deal with whatever comes our way. It’s not good to curse,” Lin Yi said with a smile.

Lin Yi was very open-minded about such things.

He would let nature take its course. He could not hold a knife to someone’s neck and stop them from streaming.

Although he had the ability to do this, if he really went through with it, even if he reached 10 million popularity, the system would not deem the mission a success.

Therefore, he had no choice.

“Brother Lin, you’re really the best-tempered rich second-generation heir I’ve ever seen. They are obviously targeting you,” Zhang Xiaoyu said as she turned off the microphone.

“Really?”

“This is because you’ve rapidly risen in Douyu and even have the potential to surpass Long Shuai. They definitely won’t let you succeed easily, which is why they are causing you so much trouble.”

“I get it. This is just industry competition.”

“Yes, yes, yes, and it’s very bad!”

“Alright, calm down. It’s not a big deal. We all need to rely on our own strength to speak.”

“Uh-huh.”

As they drove to the airport, the passersby were attracted by the black steel beast. They stopped and took photos with their phones.

“What are you staring off for?”

“I’ve never seen a private jet before. I’m a little nervous,” Zhang Xiaoyu whispered.

“Damn it.”

722 I Really Can't Communicate With You Idiots

“I'm a child from a poor family.”

After saying that, Zhang Xiaoyu straightened her expression and pointed the camera at Lin Yi.

“Fellow netizens, we have already arrived at the airport. We will be boarding the plane soon.” Zhang Xiaoyu said, “There is no signal on the plane, so I'll see you in three hours.”

In reality, Qin Han's Gulfstream G550 had wifi, but Lin Yi didn't want to stream this.

Because Qin Han and the others were on the plane, Lin Yi didn't want to leak too much information about themselves.

After the stream ended, Lin Yi brought Zhang Xiaoyu to the business-class boarding block.

At the same time, the manager in a black suit walked toward Lin Yi and Zhang Xiaoyu.

“Mr. Lin, you're here.”

“Yeah, they're all here, right?” Lin Yi asked lightly.

“Everyone's here. We're just waiting for you.”

Lin Yi nodded. “Alright, I understand. Go do your work.”

“Mr. Lin, do you need my help?”

“Not at the moment.”

“Alright, I won't disturb you anymore.”

After greeting them, the manager retreated to the side. Zhang Xiaoyu asked mysteriously,

“Brother Lin, that person is so polite to you. Is it because we’re taking a private plane?”

“No, this airport belongs to my buddy. That’s why he’s being polite.”

“Your buddy owns this airport?”

“Yes, you’ll see him later.”

After leaving the business registration building, Lin Yi saw Qin Han’s Gulfstream G650 and walked straight over.

However, just as the two of them walked out of the boarding building, Zhang Xiaoyu suddenly stopped in her tracks. Her gaze was fixed diagonally ahead and she did not move.

Lin Yi followed her gaze and saw more than ten people standing diagonally in front of them.

Some people were holding selfie sticks, while others were taking pictures at the side. They were all very active.

In front of the main camera was a handsome man and a beautiful woman. They were dressed fashionably and were talking eloquently.

From the looks of it, they were a professional live stream team.

“Why are you staring at he? Is it because he is good-looking?”

“No matter how good-looking he is, he’s not as good-looking as Brother Lin,” Zhang Xiaoyu said.

“The man on the live stream is Long Shuai. The woman next to him is Douyu’s number one female streamer, Bai Bingyu.”

“This is a little like meeting enemies on a narrow road.”

“That’s right. Brother Lin, let’s ignore him. Let’s just go. I feel angry whenever I see them.”

“Let’s go.”

The two of them quickened their pace and prepared to leave.

At the same time, Long Shuai and Bai Bingyu were streaming without restraint.

“How f*cking annoying. I had already booked a private plane, but who knew that there would be a problem halfway? I can only fly first class today,” Long Shuai said.

“Long Shuai, calm down. First class is already very impressive. I’ve never even flown in economy class before.”

“I’m not going to hold that against you.” Long Shuai said.

“But today, I can reveal something to everyone. After this live stream, I plan to have a big event to give my fans a surprise.”

As soon as these words were spoken, Long Shuai’s live stream erupted.

“Long Shuai, don’t keep us in suspense. What are you planning? Tell us quickly.”

“Aiya, don’t be so anxious. This is a secret event I planned. If I tell you now, there won’t be a surprise.”

“It’s fine. Now that you’re saying that there will be a surprise, tell us quickly.”

“Alright, since you’ve asked, I won’t hide it anymore. It’s quite boring.” Long Shuai said,

“In a few days time, I plan to book an island. Then, I’ll get some models, internet celebrities, and streamers to hold an event on it. After this, I’ll invite 100 fans and book a private plane to take us there to have fun. Consider this something that everyone can benefit from.”

“Damn, Long Shuai is really the best. I’ll be your fan for the rest of my life.”

“You’re much stronger than that mask guy. I’ve watched several of his live streams. He never said anything about giving us benefits.”

“That’s right. He can’t compare to Long Shuai at all. They’re not even on the same level.”

“And that streamer named Zhang Xiaoyu actually claimed that he’s Douyu’s number one outdoor streamer. Pui, how disgusting.”

“Alright, alright. Everyone, stop complaining. Actually, I didn’t take a person like him seriously from the very beginning. He just got a good car and went to the garrison area to do a stream. This is nothing. I’ll bring everyone to see more interesting things in the future.”

“Yes, yes, yes. I’ll definitely broaden my horizons by following Long Shuai.”

“Long Shuai...”

Bai Bingyu, who was standing at the side, gently touched Long Shuai.

“Look over there.”

Following Bai Bingyu’s finger, Long Shuai saw a man wearing a mask and sunglasses.

“Isn’t that the so-called Brother Mask? He’s quite mysterious.” Long Shuai sneered.

“Yes, that’s him.”

“It seems we bumped into each other today. Let’s go over and say hello.”

“Yes, yes, yes. Let’s go over and say hello. I heard that they’re also going to Yawan Island to stream there. Let’s teach him a lesson and show him who the number one outdoor streamer in Douyu is.”

“Everyone, don’t say that. I’m not interested in such empty titles since we’re all operating on the same platform. Furthermore, we’re going to the same place to stream. It’s only right to say hello.”

With that, Long Shuai gestured to the people accompanying him and pointed the camera at Lin Yi.

“Brother Mask, the flight to Yawan Island is over here. Why are you going in the opposite direction? Are you avoiding me?”

Hearing Long Shuai’s words, the two of them turned around.

“Why would I hide from you?”

“You must have been afraid of bumping into me.” Long Shuai said.

“But don’t worry, we’re all streamers from the same platform. If I eat, you will get to eat too. When I don’t want to stream, I’ll give you the time slot. Otherwise, you won’t have much traffic.”

Lin Yi scratched his head, confused.

Was he crazy?

Or did he forget to take his medicine before he came out?

“Bro, control yourself. If you didn’t take your medicine, take it now. Although we’re going to the same place to stream, who said that we have to take the same plane as you?”

“At this time, there’s only one flight to Yawan Island.”

“Can’t I take a private jet?”

Long Shuai laughed. “Bro, you’re so funny. I didn’t even arrange for a private plane today, yet you are pretending like you did?”

The people in Long Shuai’s live stream laughed out loud.

“Brother Mask seemed to have been agitated and started spouting nonsense.”

“That’s right. Even someone like Long Shuai didn’t claim that he would take a private plane. What right does he have to act like this?”

“I think he’s just feeling frustrated and afraid that the limelight will be stolen by Long Shuai. That’s why he said that.”

Lin Yi didn’t know about the discussion going on in the chat, so he just said calmly.

“I really can’t communicate with you idiots.”

Then, he slowly walked towards the G550 that was parked not far away.

723 Does Brother Lin Have a Good Temper?

Lin Yi’s words rendered Long Shuai and Bai Bingyu unable to react.

They were all civilized people. They could show off a bit, but did he have to curse?

Everyone had the same nose and two eyes. Why didn’t he follow typical societal rules?

“Are you sure you want to say that to me?” Long Shuai narrowed his eyes and said.

“Let me tell you, I know the manager of this airline. Do you believe that I’ll call someone to chase you out?!”

“Go ahead. I’ll wait.”

Lin Yi didn’t even turn his head as he led Zhang Xiaoyu straight to the Gulfstream G550.

“Long Shuai, deal with him!” A person in the live stream room said.

“This person is a little arrogant. He actually talked to the number one outdoor streamer on the Internet like that. Does he not want to stay on Douyu anymore?”

“Long Shuai, get the manager to chase him away so that he won’t fight with you for viewers.”

“By the way, don’t you know someone from the Internet Surveillance Bureau? Moreover, you know Douyu’s executives. Just get this guy banned, he is too arrogant. He even said that he would take a private plane. He’s too good at showing off.”

Seeing that everyone in the live stream was united against a common enemy, Long Shuai smiled.

“Alright, everyone, calm down. We’re all brothers from the same platform. Let’s be lenient wherever possible. Peace makes money. Give him another chance.”

“Damn, what’s going on? Why is the plane he is boarding different from the others?”

Long Shuai and Bai Bingyu were stunned when they heard what the people in the live stream said. They instantly turned their heads to look at what was going on.

To his surprise, he realized that the other party had boarded a private plane in the distance.

“Damn, I know that plane. It’s a Gulfstream G550, the world’s top commercial plane. It’s said to be worth hundreds of millions. A casual flight would cost millions. F*ck, how did he get on a private plane?”

“Looks like this guy wasn’t bragging. He’s really going to take a private plane.”

“This masked man is not bad. He actually got a private plane, but he doesn’t seem to have streamed it. Otherwise, we could have gone to take a look inside.”

Long Shuai's expression did not look too good. He had not even boarded a private plane before, but this guy was actually heading there on his own plane.

Wasn't this a slap to his face?

Bai Bingyu pulled Long Shuai's sleeve and whispered in his ear,

"Alright, let's ignore him for now. Let's get on the plane first and not delay our business."

"Yes." Long Shuai nodded and said to the people in the live stream,

"I guess this kid shamelessly took someone else's private plane. I don't care to do such a thing. If I was as shameless as him, I would have already chartered a plane and left by now."

"Haha, Long Shuai is amazing. It costs millions to charter a G550. Are all tycoons' spending habits so exciting?"

"The richest streamer on the Internet. There's no denying it."

Long Shuai's expression improved drastically. He said nonchalantly, "It's just a few million. This is nothing. In a few days, I'll book out an island and bring you out to have fun. At that time, you can confidently declare that I'm rich."

"No problem. I'm looking forward to your secret activities, haha..."

"Alright, there's no signal on the plane. We have to turn off the stream now. Brothers, wait for me to get off the plane before I stream it to everyone." Long Shuai said.

"Apart from that, I've also found a mysterious big shot for an exclusive interview. He definitely won't disappoint you. Please look forward to it."

After turning off the live broadcast, Long Shuai's expression suddenly changed.

"Who is that kid? How did he get a Gulfstream G550?"

He thought about it and realized that he didn't even know the rich man who owned the Gulfstream G550.

In comparison, he was indeed inferior.

"Brother Long, it's just a plane. Don't take it seriously." Long Shuai's assistant, Zhang Meng, said.

"I reckon that he should have the support of a studio behind him. Otherwise, he wouldn't have risen so quickly."

Bai Bingyu nodded. "I'm guessing the team behind him wants to create the image of a rich second-generation heir. That's why they spent a lot of money to charter such a plane."

"That's definitely a possibility," said Long Shuai.

"But this kind of thing won't last long. The audience will still end up tuning in to my stream. How can he compare to me?"

Bai Bing nodded and did not comment on Long Shuai's remark.

Among all the streamers on the Internet, the pull of his live stream was unparalleled.

This masked man was definitely not comparable to him.

At the same time, Lin Yi and Zhang Xiaoyu had already boarded G550.

"Brother Lin, come quickly. You're the only one left."

After boarding, Liang Jinming called out.

On the plane, other than Qin Han and the other two, there were also more than ten girls aboard.

All of them were wearing hip-hugging skirts and shorts. They were dressed wildly and teasingly.

She looked at these people's attire and their proud upper bodies.

Zhang Xiaoyu felt that Brother Lin really did not intend to belittle her.

He had told her off for her own good.

“Brother Lin, is she your friend?” Gao Zongyuan asked.

“Yeah, my friend.” Lin Yi nodded.

Gao Zongyuan looked Zhang Xiaoyu up and down. “Brother Lin, how did your taste change so quickly? Do you like bones?”

Zhang Xiaoyu, “...”

You can’t attack me like this!

“Change my *ss. She’s going to Yawan Island with me to do a live stream.”

“Live stream?” The three of them were stunned.

Why would Brother Lin do such a lowly thing?

Lin Yi nodded. “After the restaurant closed, I switched to live streaming.”

“Brother Lin, I don’t half has the guts as you even when I’m drunk. I really admire you.” Gao Zongyuan said.

“How many professions have you changed since we met?”

“What else would I be doing? Am I supposed to waste my life at home? I’m not like you guys.”

“Invisible posturing is the most fatal.”

Lin Yi smiled and pushed Zhang Xiaoyu forward. “Let me introduce you.”

“This Gao Zongyuan, this Liang Jinming, this airport is their home. This is Qin Han, the legendary pretentious prince. You can call them Brother Gao, Brother Liang, and Brother Qin.”

“He is Qin Han?”

Zhang Xiaoyu said in surprise, “I was wondering why he looked so familiar. I saw his photo online.”

“Yes, that’s him.”

“Hello, Brother Qin. Hello, Brother Liang. Hello, Brother Gao.” Zhang Xiaoyu nodded in greeting.

She felt like her heart couldn’t take it anymore.

These were all rich second-generation heirs of Zhonghai. She did not expect to meet them today.

Most importantly, they were all very polite and respectful to Brother Lin.

How powerful was Brother Lin?

Moreover, such a person had actually become friends with her. Just thinking about it felt unreal.

“Come on, you’re Brother Lin’s friend, so you’re also our friend. Find a place to sit,” Liang Jinming said.

“Brother Liang, is Xinhua Airport really yours?”

“Why would I lie?”

“No, we just met a particularly annoying person. He said that he knows the manager here and wanted to chase us away. He didn’t want us to board the plane,” Zhang Xiaoyu said angrily.

“F*ck, is that true? Who’s so bold to say this to my Brother Lin?”

“Yes, yes, it’s true. But Brother Lin has a good temper and ignored them.”

Zhang Xiaoyu couldn’t wait for Liang Jinming to chase Long Shuai away. That way, no one would compete with Brother Lin for stream traffic.

“Haha...”

Liang Jinming and the other two laughed. “Knowing Brother Lin’s personality, you’re the first person to say that he has a good temper. Haha...”

“Huh...” Zhang Xiaoyu was confused.

“Could it be that Brother Lin has a bad temper? I’ve known Brother Lin for some time, but I always felt that he’s always been gentle and refined. He’s never lost his temper before.”

“Haha, then you haven’t seen how fierce he was when he stabbed someone.” Gao Zongyuan said.

“Really? Is Brother Lin that good in bed?”

724 I Don’t Mind as Long as Your Boyfriend Doesn’t Mind

‘Um...’

The air in the cabin suddenly fell silent.

Everyone’s gaze fell on Zhang Xiaoyu.

“Sister, no wonder you can get along with Brother Lin. It seems that you’re also a person with a good temperament.”

Zhang Xiaoyu’s face was a little red. “Did I misunderstand?”

Liang Jinming picked up the fruit knife and stabbed it into an apple.

“You’re mistaken. He meant this kind of stab.”

Zhang Xiaoyu’s lips twitched. She was a little frightened.

“Alright, stop talking nonsense,” Lin Yi said, “She’s a good girl, don’t scare her.”

“Young Master Lin, we’re not so serious. Come and stab us, hehe...”
The girl in the cabin said.

Zhang Xiaoyu was shocked again. These sisters were too open-minded.

Even the live streamers on the platform did not dare to do this.

“Brother Lin, the few people who were acting cool in front of you just now were also going to Yawan Island, right?” Liang Jinming asked while picking up his phone.

“Yes, why?”

“I’ll make a call and chase them away.” Liang Jinming held his phone and said.

“It’s your turn to act cool. This will really get them.”

“Forget it, there’s no need.” Lin Yi said.

“They’re just posturing. Why should I care about them? If I really wanted to attack them, I wouldn’t have stayed quiet until now.”

“Alright, if we see them acting cool again on Yawan Island, we can deal with them then.”

“By the way, Old Lin, didn’t you say that you wanted us to prepare for the development of the app? We’re almost done on our side.” Qin Han said with a cigarette in his mouth, “When do you want to start?”

“You can start now. I’ll transfer the money to you when I have time.”

“Just give us a few cents. Treat it as us investing. You have to give us dividends when the time comes.”

“That works for me too. I don’t know how much I’ll earn, but I definitely won’t let you guys lose money.”

“Brother Lin, are you pursuing a business deal?” Zhang Xiaoyu asked.

“I guess so.”

“Then can you include me? Including the money you gave me previously, I’ve saved almost two million.”

“Oh my, I really didn’t expect you to be a rich girl,” Gao Zongyuan teased.

“Brother Gao, don’t make fun of me,” Zhang Xiaoyu said in embarrassment. “The money you invested has to be more than ten million, right?”

“One billion from each of us.”

“Um... the scenery outside the window is really beautiful.”

“Haha...”

Normally, it would take more than three hours to get from Zhonghai to Yawan Island Airport.

However, because Lin Yi and the others were on the Gulfstream G550, they arrived an hour earlier.

After getting off the plane, they saw five black Bentleys parked outside the airport. They were all pre-booked by Qin Han.

The group drove to the hotel and realized that there were no cars parked at the entrance that cost below one million yuan.

There were also countless types of supercars here. Even supercars costing tens of millions could be seen everywhere.

Compared to that, Lin Yi’s Bentley was nothing.

In addition, many foreign faces could be seen here, but most of them were Terrans.

As the famous Haitian Banquet, the scale of Yawan Island’s high-end private gathering was unprecedented.

There was a reason why it could attract so many people.

“This is too much.” Zhang Xiaoyu was dumbfounded. “I’ve never seen so many good cars even at auto shows.”

“Cars like this are all over the street. Truly rich people don’t fool around with this anymore.”

“Then what should we play with? Girls?”

“Haha, I’m tired of playing with girls.” Liang Jinming said.

“Nowadays, rich people play with yachts and private planes.”

“Those yachts aren’t cheap, right?” Zhang Xiaoyu asked curiously.

“The cheapest one costs more than ten million yuan. Otherwise, this exhibition wouldn’t have been organized.”

“Oh, I see.” Zhang Xiaoyu nodded and said, “I’ve really learned something this time.”

The group arrived at the hotel. After arranging their rooms, Qin Han said,

“The exhibition will only start tomorrow. Let’s find a nightclub to visit at night. Yawan Island’s nightclub will probably be interesting at this time.”

“You guys go ahead. Wangjiang Dock is also here for the exhibition. I’ll go over and take a look to see how the arrangements are going. I’ll come and find you guys when I’m done.”

“Then we’ll go with you. We don’t have anything to do anyway.”

“No need. You guys go find a place first. I’ll come back after taking a look.”

“Alright then,” Liang Jinming said. “Xiaoyu, come with us. I’ll take you to see some men.”

“I’d better follow Brother Lin,” Zhang Xiaoyu said quietly. “Brother Lin might get mad.”

The three of them looked at Lin Yi in unison. “What a f*cking beast. You won’t even let go of the A cups.”

Lin Yi was speechless.

“I didn’t f*cking do anything!”

Zhang Xiaoyu chuckled. These high and mighty rich second-generation heirs did not seem to be as difficult to talk with as she had imagined.

“By the way, Brother Lin, what did you tell Sister-in-Law that you were coming here? Will she check on you halfway and come here to arrest you?”

“How could that happen? She even cooked dumplings for me this morning and told me to take care of my body. She even asked me not to tire myself out.”

“F*ck, what a f*cking beast.” Qin Han pulled Liang Jinming and Gao Zongyuan, then turned to leave.

Lin Yi, “???”

“What’s wrong with them? That’s really what she told me!”

After Qin Han and the others left, Lin Yi called Bi Songjiang.

“Mr. Lin, have you arrived at Yawan Island?”

“We’re already here. Where are you guys? I’ve come over to take a look.”

“We’re at Phoenix Pier. Everything is ready. There’s a sign for us here. You’ll see us when you get here.”

“Alright, I’ll drop by now. Wait for me on the ship.”

“Okay.”

After hanging up, Lin Yi and Zhang Xiaoyu were about to leave when they heard someone behind them.

“Mr. Lin?!”

Lin Yi turned around and saw that the person who spoke was Yan Ci, whom he had met previously.

Yan Ci’s outfit was especially elegant.

She was wearing a black and yellow suit. Her hair had been curled into big waves, and there was a diamond necklace on her fair neck.

Her outfit was less domineering and fierce than when she was at work, and she now appeared more refreshing and charming.

“You’re here too?”

Seeing Yan Ci here, Lin Yi was a little puzzled. Normally, women with her status wouldn’t come here.

Although this event was very high-profile, most people knew that it was not a good place.

“I’m on leave these few days, so I came here with my boyfriend. I didn’t expect to see you here,” Yan Ci said with a smile.

“That’s quite a coincidence.”

“Mr. Lin, are you going to stream?” Yan Ci asked.

“I need to handle some business first. Whether I end up streaming or not will depend on how I feel.”

“I happen to have nothing to do. Mr. Lin, do you mind bringing me along?”

“I don’t mind, as long as your boyfriend doesn’t mind either,” Lin Yi said.

Zhang Xiaoyu looked at Yan Ci and then at Lin Yi.

She already had a boyfriend. Why was she still looking for Brother Lin?

Her heart ached for her boyfriend. Why did she feel like he was about to be cuckolded?

725 I'll Let You See the Rich's Toys

"I have something important to discuss with Mr. Lin. I don't think he'll mind." Yan Ci combed her hair. She was acting very flirtatious and feminine.

"In that case, let's go."

The three of them got into the Bentley and drove toward Phoenix Pier.

Yawan Island was not big. After driving for more than 20 minutes, they arrived at Phoenix Pier.

As soon as Lin Yi drove to the parking lot, he saw luxury cruise ships lined up one after another.

In terms of luxury, there was no place in Huaxia that could compare to this.

In addition, there was also a huge cruise ship that was parked right where the 100-meter pier ended.

Seeing the huge cruise ship, Zhang Xiaoyu was amazed.

It was at least 300 meters long and more than ten stories tall. It was breathtaking to see such a huge ship in front of them.

Seeing the words "Wangjiang Dock" printed on the ship, Lin Yi knew that this should be the ship he had spent 2.5 billion to buy.

Lin Yi rubbed his chin. The money wasn't wasted.

“Brother Lin, look at that ship. It’s so beautiful, and it’s so big,” Zhang Xiaoyu pointed at the Starfish Cruise.

“Yeah, big things are really nice.”

“This should be the largest ship in the country,” Yan Ci said. “Look at the logo on the ship. It seems to have the words Wangjiang Dock printed on it.”

“I know Wangjiang Dock. It’s very famous in Zhonghai Island. I went there once with a friend. It’s really good, but it’s a little expensive.”

Lin Yi smiled. “If you’re interested, I’ll bring you up the ship later.”

“Hmm? Is that really possible?”

“Why not? It’s my ship after all.”

“Ah? That’s your ship?” Zhang Xiaoyu said in surprise, “But Director Yan said that that ship belongs to Wangjiang Dock.”

“I forgot to tell you. Wangjiang Dock belongs to me too.”

Zhang Xiaoyu and Yan Ci widened their eyes in disbelief.

“Mr. Lin, I’ve always been curious. You already have wealth and fame. Why are you still doing live streams?”

“Because I have everything, so I have no other desires.”

Yan Ci smiled. “Sorry for the misunderstanding.”

“By the way, didn’t you have something to tell me? Tell me now.”

Yan Ci straightened her expression. “It’s like this. Recently, we’ve been planning a wilderness survival program with a few television stations in other countries. We were going to invite wilderness survival experts from various countries to participate. I want to ask Mr. Lin if you have any thoughts on this. I want to invite you to participate.”

“Wilderness survival?” Lin Yi frowned, “Did you find the wrong person? I might be an outdoor streamer, but it’s still a big leap for me to do wilderness survival.”

Lin Yi knew his limits.

He only possessed basic knowledge of wilderness survival in his mind. However, theory and practice were completely different. He could not confuse the two.

Just like that day when they were assembling guns in the garrison area.

If he had not practiced beforehand, his final assembly speed would not have been so fast.

“There’s indeed a gap between outdoor live streaming and wilderness survival. However, after seeing your skills in the garrison area that day, I felt that you should have a good foundation. It should be fine for you to participate in such a program.”

“What about the rewards?”

“Are you interested in the rewards we provide?”

Yan Ci said shyly.

He was rich, handsome, and had status. Any reward she offered would not be fitting for him.

Therefore, she could not use rewards to entice him.

“You’re right.”

Yan Ci smiled at Lin Yi, “Then are you interested in participating in this event? There will be many experts participating. If you feel that life is too boring, you can find a lot of excitement in this show and challenge yourself.”

“When does the show start?”

“In about a month’s time.”

“Alright, I’ll agree for the time being. If my schedule permits, I can participate.”

Because many of the system’s missions were randomly triggered, Lin Yi wouldn’t reject such an event as long as there weren’t too many problems with it.

“Then I’ll record Mr. Lin’s name first,” Yan Ci said with a smile.

“Alright, do as you see fit.”

After walking for a while, the three of them arrived at Phoenix Pier.

Just as Bi Songjiang said, as soon as he entered, he saw a huge sign with the words “Wangjiang Dock” written on it.

“Brother Lin, I think we should stream this for a while. We have to warm up the stream in advance, or the effect won’t be so good.” Zhang Xiaoyu said, “With such good live stream material now, it would be a pity if we don’t utilize it.”

“Alright, I’ll listen to you.”

In terms of live streaming, Zhang Xiaoyu was much more professional than him.

When it came to these kinds of matters, he just had to listen to her arrangements.

Zhang Xiaoyu took out Lin Yi’s equipment from her bag.

The live stream officially began.

“Hello, everyone. From now on, the live stream of Yawan Island will officially begin. Today, we will follow the footsteps of the masked man and see these rich people’s toys.”

“Hey, hey, hey, why are you pointing the camera at Yan Ci?” Lin Yi said.

Yan Ci blushed and quickly covered her face.

“Haha, exciting.”

“This toy is huge and hard to control.”

“Sorry, sorry. It’s a streaming accident.” Zhang Xiaoyu quickly turned the camera and aimed it at the cruise ship docked at Phoenix Pier.

This unintentional interlude instantly hyped up the atmosphere in the live stream.

In just a few minutes, the popularity reached more than 200,000.

However, Zhang Xiaoyu kept frowning because it did not meet her expectations.

In her impression, with Brother Lin’s current number of fans, he could reach 500,000 in an instant. This figure was too low.

“Could it be that everyone has gone for dinner and no one is watching the live stream?” Zhang Xiaoyu deliberately said.

“You were the ones who said you wanted to watch us stream on Yawan Island. Now that we’re here, no one is watching. If I had known, I wouldn’t have come.”

“Xiaoyu, you should be content. It’s your fault for starting your stream so late. Long Shuai had already started streaming half an hour ago after he got off the plane. He’s also at Phoenix Pier, so everyone is in his chat room. I only came over because I saw that Brother Mask’s live stream had started.”

“Damn, are these people haunting us? It’s fine if we met at the airport, but we actually met again here,” Zhang Xiaoyu complained.

“It can’t be helped. We would definitely have to visit this pier if you plan to stream. This was inevitable.”

“Alright, calm down. Why are you so agitated?” Lin Yi said, “Let’s mind our own business. Let nature take its course.”

“Brother Lin, if Brother Gao didn’t tell me that you stabbed someone, I would definitely have thought that you’re a refined person.”

Yan Ci was a little confused.

Someone as handsome as him must have been a scumbag in the past.

Was there any doubt about that?
