

## Reborn To Love 140

### Chapter 140 Steamy Situation

Inside He Xinyan's room, a very steamy situation was going on right now.

Gu Yechen's body was on top of He Xinyan, and he was staring into her eyes piercingly. Meanwhile, He Xinyan had both hands on his chest, trying to push him away, but failing.

She turned her head to one side to avoid looking at him.

"I'm wrong, Yechen. . . Forgive me!"

However, her soft and sweet voice only made Gu Yechen furrow his eyebrows as he gulped.

--- A few minutes ago

He Xinyan was scrolling through social media as she waited for Gu Yechen to finish his shower.

Suddenly, she received a message from Wu Minger. It was first a video and then she sent a message.

'You should film this with President Gu! I swear it will look even better and hotter than this! Ah, my soul!'

He Xinyan raised one eyebrow as she clicked into the video.

It was the type of short videos that could be found on social media, and He Xinyan guessed that it was probably a romantic couple video.

The guy was sitting on the bed and then the girl walked over. She pressed one hand down onto the bed and leaned forward in an attempt to seduce the guy.

Then, the guy suddenly flipped her over so he was on top, leaning onto the girl. There was a smooth transition and when he turned, his clothes magically disappeared so his upper body was naked!

He Xinyan pressed her lips together excitedly as she covered her mouth with one hand.

The abs! The chest! The arms! Ahh!! He Xinyan's heart couldn't help but flutter at the sight of amazing male bodies on social media, even though she had seen better.

'AHH! That guy's body is so good! Where did you find this video?! Send the account to me!'

After sending the message to Wu Minger, He Xinyan rewatched the video again.

He Xinyan had to cover her mouth to prevent herself from actually screaming. The dark lighting and background music just made it even more exciting!

She kicked her legs around excitedly as she replayed it again. She was so immersed in the video she didn't realize that someone had finished his shower and stepped out of the bathroom already.

When he saw her rolling around on the bed, Gu Yechen raised an eyebrow curiously and walked over, snatching the phone away from her.

"Ah!" He Xinyan reached for her phone and turned around. Her eyes widened when she saw who it was.

"What are you looking at?"

He Xinyan's eyes darted around nervously as she reached for her phone again, "Nothing! Nothing!"

This only made Gu Yechen more suspicious as he played the video high into the air so He Xinyan couldn't reach. As He Xinyan heard the background music of the video play, she slowly closed her eyes and pressed her lips together in despair.

Gu Yechen's face darkened as he watched the video, and when it ended, he raised one eyebrow and glanced at He Xinyan.

He Xinyan looked down guiltily and noticed him place her phone back onto the nightstand.

Then, there was silence.

He Xinyan looked up and gasped when she saw Gu Yechen unbuttoning the top of his black silk pajamas.

She pushed herself down into the blankets further, "What are you doing?"

Gu Yechen didn't respond as he continued to unbutton his shirt. He reached the last button and removed the shirt off, throwing it onto the bed.

Then, he swiftly put one knee onto the bed and flipped over, pushing himself up with both hands on either side of He Xinyan's face.

He Xinyan immediately covered her entire face with the blanket and scrunched her face up. What did she do to herself?!

Gu Yechen smiled amusedly and pulled the blanket down, "Look at me."

He Xinyan kept her eyes closely shut but got scared from the silence, so she slowly blinked them open.

Ahh!! The bulging arm muscles, the broad and strong chest, the defined abs! It was even better than the video!

Gu Yechen was very pleased with He Xinyan's sparkling eyes as they scanned his body.

He then dropped down onto his elbows so they were much closer, forcing He Xinyan to look at him.

"Why look at that video?"

"Wu Minger sent it to me." He Xinyan pursed her lips out and looked up at him innocently. However, it wasn't enough to get past Gu Yechen.

He leaned forward and tilted his head slightly, so his mouth was next to her ear.

"Did you forget that I am a man too?"

He Xinyan shivered slightly from his warm breath against her sensitive ear, "I know. . ."

Gu Yechen licked his lips, "Then. . ."

He ran one finger down the frame of He Xinyan's face, "Do you want to -"

"No!"

Gu Yechen smiled and gently bit the bottom of her ear, "But it seems like you do. . . Or else why are you watching videos like that?"

He Xinyan pursed her lip out and grabbed Gu Yechen's arm, "I'm wrong, Yechen. . . Forgive me!"

Gu Yechen furrowed his eyebrows slightly and gulped, "When?"

"When what?"

He Xinyan saw Gu Yechen's Adam's apple move again as his voice turned kind of hoarse.

"When will you give yourself to me?"

He Xinyan's cheeks immediately heated up and they turned red like an apple as she looked down, "I. . . I want to save it for until after getting married."

Gu Yechen's chest was moving up and down as he breathed, and He Xinyan could feel something hard pressing against her near her hips.

She pressed her lips together embarrassedly as she regretted watching that video.

Gu Yechen stayed silent for a few seconds before bending down and biting her earlobe once again, a little harder this time. It was almost like he was punishing her.

He Xinyan hissed slightly as she closed her eyes and her body tensed up.

However, the next second, Gu Yechen got off of her.

"I can wait," he said with a smile before walking back into the restroom. A few seconds later, He Xinyan heard the shower turn on again.

Her body relaxed a little but her heart was still beating weirdly fast.

She sat up on the bed and let out a breath of relief.

She was glad that Gu Yechen respected her. . .

---

Several minutes later, Gu Yechen walked out again in his pajamas and slid into the blankets. He Xinyan turned around to face him and he pulled her into his embrace.

He Xinyan wrapped her arm around his waist and snuggled up against his chest.

Gu Yechen raised one eyebrow and looked down at her. He smiled and kissed her head gently.

"What? Is this supposed to be comfort for rejecting me earlier?"

He Xinyan stuck her tongue out playfully, "Maybe!"

Gu Yechen chuckled, "No need to comfort me. I'm not letting you off the hook. These are just put into my savings. You will have to pay them all back in the future."

He Xinyan's eyes widened slightly. . . Just looking at Gu Yechen's body told her that he was very strong. Meanwhile, she barely exercised at all!

She would have to pay it all back in the future? Uh oh. . .

Gu Yechen seemed to notice her fear and he smiled amusedly, "Okay, go to sleep now. Good night, baby!"

Gu Yechen closed his eyes with a satisfied smile as He Xinyan began to imagine her hard married life in the future.

---

The next morning, Li Yuyan woke up right after Su Zhiming had left the house and she entered the bathroom. After getting cleaned up and putting on a thicker layer of makeup than usual, she got changed into a pink cropped sweater that cut off above her stomach and black leather pants.

Since it was getting cold outside, she reluctantly added a long brown coat over the sweater.

Without eating breakfast, Li Yuyan left the house. She got into her car and left the Xihe Estates without going to the He mansion like she did most days.

About half an hour later, she stopped in front of the Dasi Hotel. Before leaving the car, she checked once again to make sure that her makeup was perfect and stepped out of the car.

The workers greeted her as she walked in and made a left to the coffee shop on the first floor of the hotel.

Many business conversations took place here because it was in a great location and the coffee was very good.

A worker stopped her at the front of the shop, "Miss, are you here alone? Would you like me to find a table for you?"

Li Yuyan smiled, "It's okay. Someone is waiting for me inside already."

The worker nodded and Li Yuyan walked in with her head held high. She immediately noticed who she was looking for, sitting at a table near the floor to ceiling glass window.

Li Yuyan walked over, placing her bag onto the chair.

She sat down and smiled, "Good morning, President Liu."
