

Reborn To Love 169

Chapter 169 Surprise Meeting

"However, there is a second part to this round. The second part is very important, because the shareholders will vote. All of these rounds are just to prove your skill and ability, so the shareholders can get to know both of you better. The ultimate decision is still in the shareholders' and my hands."

Bai Jiawei frowned slightly, "Since there is a tie right now, the second part is very important. If you lose the first part but win the second part, you still win the competition. If you win the first part but lose the shareholder vote, you do not win the competition. Understand?"

He Xinyan frowned slightly but still nodded her head. Shouldn't Bai Jiawei know that several of the shareholders would vote for her since she was the rightful heir? So, why did he still include this as a round?

There was only one possibility. The shareholders insisted on including this. That would mean. . . Bai Jiawei was definitely going to find a way to bribe the shareholders to vote for Li Yuyan.

He Xinyan pressed her lips together. The first part started in five days, so she didn't have much time. All she could do now was to work hard for the first part, and hope she will also win the shareholder vote.

After leaving work, He Xinyan immediately bought the cake and went home to find her little Chenchen!

He wasn't very pleased when she told him that she would be leaving for five days, and it took a very long kiss to make him feel better.

The next day, He Xinyan took a break from work, since there wasn't much to do except prepare for the trip.

She decided to have a "follow your boyfriend to work day", and she went to work with Gu Yechen. They walked into the Gu Corporation hand in hand, which attracted a lot of stares, and she was quite happy about it.

On the top floor, Gu Yechen immediately went to work, and He Xinyan began eating while watching her phone.

After a while, Gu Yechen insisted on He Xinyan sitting on his lap while he worked, and she reluctantly agreed. It was a very bad decision. . .

What resulted was a very long kiss, and while it happened, an assistant walked in! It was a young male assistant, and his face immediately turned red when he saw what was going on.

Meanwhile, Gu Yechen was furious that his romantic moment got disrupted, and the assistant was only saved because "Mrs. Gu" was a very kind person.

He Xinyan slapped Gu Yechen gently on the shoulder and quickly escaped from his lap, "You're even less productive than me! Focus on your work!"

Gu Yechen grinned sweetly and listened to her command.

They went to eat lunch together, and He Xinyan returned home after lunch. Gu Yechen had a meeting with the chairman from another company about a project they were working on together, so he couldn't be home for dinner tonight.

He Xinyan didn't care much because she was stuffed from all the food she ate at his company.

Gu Yechen arrived at the Dasi Hotel and entered the coffee shop. The chairman from the other company had already arrived, and they began discussing the project.

After more than an hour, they stood up, shook hands, and the chairman left. Gu Yechen waited a moment before he also left the coffee shop.

Meanwhile, another person had just arrived at the Dasi Hotel.

Li Yuyan checked her makeup and took a deep breath before walking out of the car. She didn't put on sunglasses anymore, because she didn't think anyone would be here anyway.

Bai Jiawei had scolded her for what happened, and Li Yuyan couldn't afford to lose another round!

So, she called Liu Wei and asked for his help. Of course, there was no such thing as a free lunch. Once again, Liu Wei scheduled an appointment at the Dasi Hotel to "discuss the details".

Li Yuyan had done it multiple times already, and she wasn't so scared or hesitant anymore. There was no way she would let the position of CEO go to He Xinyan!

Li Yuyan immediately noticed Liu Wei standing outside the hotel door, and she quickly got out of the car and walked over.

"President Liu," she said sweetly. Liu Wei turned around and looked at Li Yuyan, who was wearing a tight red dress and long black stockings in this cold weather.

"Darling, you're here!" Liu Wei said as he licked his lips and placed one hand around Li Yuyan's waist.

Li Yuyan smiled, "Let's go in, President Liu."

Liu Wei nodded his head eagerly and they walked into the hotel together.

As they entered the front lobby to get a presidential suite, Gu Yechen walked out from the coffee shop. He pulled out his phone to call his baby Yanyan and tell her that he would be home soon, but his eyes landed on the couple standing at the front desk.

Gu Yechen knit his eyebrows together and continued walking, although he thought that something looked familiar.

Who was that woman again? Where has he seen her before?

After a long time, Gu Yechen finally remembered that the woman was He Xinyan's stepsister! What was her name again? Gu Yechen couldn't remember.

He glanced at the man standing next to Li Yuyan, and raised one eyebrow. There was no way that was Su Zhiming.

Gu Yechen looked down and opened his camera. He quickly snapped several photos of Li Yuyan and Liu Wei before leaving the hotel.

Li Yuyan and Liu Wei rode the elevator up to their hotel room, and once the door closed, Liu Wei immediately dragged Li Yuyan to the bed.

Li Yuyan tried to stop him, "President Liu! President Liu - Wait!"

Liu Wei wasn't very pleased, "What?!"

"Shouldn't we discuss the details about how you will help me sell my products in Country Y first?"

Liu Wei sighed annoyingly, "Later! Let's do this first!"
