

Reborn To Love 196

Chapter 196 He Yuxin's Death (1)

Li Huiran gulped and pushed herself up from the ground, "Your mom. . . She didn't die by accident or because she was too sick. She died because. . . because, your dad. . . your dad and I. . . killed her!"

Although He Xinyan knew about it already, she was still furious when she heard the words come out of Li Huiran's mouth.

Li Huiran chuckled, "That night. . . It was raining that night! Your mom was indeed very sick, but it wasn't bad enough to kill her yet."

--- Many, many years ago

It was nighttime, and rain was pouring outside.

Inside the best hospital in Country X, He Yuxin was sitting on her hospital bed.

There were several tubes connected to her body, and the beeping sound of her heartbeat was very steady.

She held the flowers in her hands that her husband had just given her with a sweet smile, and gently leaned back against the pillow.

Suddenly, there was a sound and the door opened.

He Yuxin looked up, thinking that it was Bai Jiawei, back from getting a vase for the flowers.

And indeed, it was Bai Jiawei.

However, there was another woman standing in front of him.

The woman smirked as she slowly stepped into the room, while Bai Jiawei closed the door, waiting outside.

He Yuxin glanced at the woman and then at the door, "Who are you?"

"Who am I?" Li Huiran looked around the large hospital room and scoffed, "I am here to tell you who I am!"

The pouring of the rain grew heavier as lightning struck the dark sky.

Li Huiran took a step forward, "You stole my man away from me! Let me tell you, I am the woman that Bai Jiawei loves the most!"

He Yuxin knit her eyebrows together.

"The person Bai Jiawei loves is me!" Li Huiran glared at He Yuxin, as she clenched her handbag tighter.

"Are you crazy?! What nonsense are you talking about?!"

Li Huiran laughed crazily, "Nonsense?! Of course. . . No one wants to believe that they are just a replacement. The man that they have been married to and have been living with for so many years has been lying to them for all these years! I'll show you the evidence now!"

Li Huiran reached her hands behind her neck and took off a silver necklace, "Look at this necklace. Do you recognize it?"

He Yuxin's mouth fell open as she unconsciously lifted one hand up to her own neck. On her slim and pale neck rested the exact same necklace.

"I also have this necklace! Jiawei's mom gave it to me. . . Why do you have the same necklace?!" He Yuxin looked down at her necklace and then at the one Li Huiran was holding. It was exactly the same!

Li Huiran's smile widened, "You are correct! However, let me tell you! This isn't a single necklace, it is a pair of identical necklaces!"

Li Huiran put the necklace back onto her neck, "However, this necklace has a special meaning. It is only passed on to the daughter-in-law of the family! Now, do you believe me?"

"No. . ." He Yuxin shook her head, "This is not true. . . Jiawei wouldn't do this to me. . . You're lying!" He Yuxin looked at the door and saw the shadow of Bai Jiawei's body, "Jiawei! Jiawei!"

The shadow slightly moved and then it disappeared.

"Stop lying to yourself!" Li Huiran screamed, "Although you married Jiawei, I have never separated with Jiawei! You gave him a daughter, but I also gave him a daughter!"

Li Huiran opened her handbag aggressively, "And, my daughter is two years older than your daughter! Look!"

Li Huiran pulled out the picture and lifted it up to He Yuxin's eyes.

He Yuxin glanced at the image and her mouth fell open as the sound of a struck of lightning burst into the room. The brightness of the lightning illuminated the image for a quick second.

He Yuxin looked at the image with disbelief. She reached her hand out to grab it, but Li Huiran immediately pulled it away.

"Now, do you believe it?! Do you believe it?!"

At this moment, the door opened and Bai Jiawei walked in with the vase in his hands.

He Yuxin's eyes widened when she saw him, "Jiawei, tell me! Tell me that everything this woman is saying is not true! Tell me!"

Bai Jiawei looked at He Yuxin and knit his eyebrows together, "Yuxin. . . It's true."

He Yuxin froze in shock for several seconds, and the sound of the beeps got faster and faster.

"No. . . No. . . It can't be true!" He Yuxin glared at Li Huiran, "You! You are just a mistress! You are just a third person that is ruining another person's family!"

Li Huiran's face turned red at once, and she opened and closed her mouth several times.

She clenched her fists together in anger, "You are the third person! You stole away everything that belonged to me! Me! You are a horrible person! Horrible person!"

Li Huiran dropped her bag onto the bed and lunged forward, grabbing onto He Yuxin's shoulders and shaking her forcefully.

He Yuxin tried to escape from her grasp, but she was sick and had no strength.

Li Huiran shook her violently, tugging the wires and tubes as she pushed her back and forth. Bai Jiawei widened his eyes and walked forward.

"Huiran! Let go of her! Stop!" This wasn't part of the plan! Bai Jiawei tried to pull Li Huiran away, causing her to pull He Yuxin as well. There was a lot of screaming from all three people.

"Why?! You disgusting woman!" Li Huiran screamed as she continued to grab onto He Yuxin.

"Let go! Huiran, let go!"

Bai Jiawei finally used all his strength to pull Li Huiran off, but she had tugged off several wires and messed up a lot of the medical equipment.

"What are you doing, Huiran?!" Bai Jiawei glared at Li Huiran and pushed her away, but she lunged forward again, screaming:

"I won't let you go so easily, you horrible woman!"

He Yuxin put one hand up to her chest, as she felt the pain spread across her body. The beeping of her heartbeat was scarily fast as she painfully scrunched her face up.

"Jiawei! Jiawei!" She said weakly as she breathed rapidly.

Bai Jiawei's mouth fell open when she saw He Yuxin's reaction, and he didn't know what to do. This was definitely not the plan!

He first turned to look at Li Huiran and glared at her, "Leave!"
